

## **Conqueror 3631**

Chapter 3631: Take Him Down!

“Three Gods Halberd!”

Ye Ye and Wu Xin yelled the instant they saw the weapon.

They charged at Huang Xiaolong in unison.

Their reactions were quick and their actions were ruthless.

Instead of hiding, Huang Xiaolong waved the Three Gods Halberd to welcome their assault.

The instant it shot out, rays of light filled the skies. Everyone felt as though the Sleepless Sea was drained of energy as all of it gathered on the tip of the halberd.

Wu Xin and Ye Ye gasped in fright. They summoned their pseudo universe treasures instantly in a desperate attempt to block Huang Xiaolong’s strike.

Wu Xin used a giant blade while Ye Ye used a halberd. From what it seemed, Ye Ye’s halberd was based on the design of the Three Gods Halberd!

Whatever the case, the two of them were far too weak compared to Huang Xiaolong. No matter in terms of treasures or cultivation, they were far too lacking. When the Three Gods Halberd came into contact with the two weapons, they shattered instantly!

The shards of their weapons flew back towards them without any mercy.

Pushing themselves to the limit, Ye Ye and Wu Xin could only use their fists to defend themselves against the shards and the incoming Three Gods Halberd.

Bang!

Trembling slightly, Huang Xiaolong didn't let up as the Three Gods Halberd swept towards the two of them.

It sliced through the divine armor on their bodies effortlessly. In the face of such a terrifying weapon, their clothes and armor were comparable to soft tofu! The impact of the strike wasn't soft either and the two of them were sent flying.

A loud blast rang through the skies as the two of them smashed into the walls surrounding the city.

Wu Tianyu and the others could see the bones that were revealed by the wounds Huang Xiaolong inflicted.

Everyone sucked in a cold breath.

Ye Ye and Wu Xin could be considered monsters in their own right! It was especially so for Wu Xin who was an ancient existence! He managed to survive the ancient universe tribulation with his fleshy body alone, and his physical body should possess a terrifying level of defense! Even so, he was nearly sliced in two by Huang Xiaolong!

Despite their severe wounds, the two of them got to their feet. Even though they were shocked by the power of the Three Gods Halberd, they were even more surprised by the strength Huang Xiaolong possessed!

Experts weaker than Wu Xin and Ye Ye might have noticed the overwhelming power of the halberd, but the two of them realized how strong Huang Xiaolong was!

If they were strictly talking about strength, the youngster before them would definitely rank among the top ten in the Unknown Space!

No... He might be even stronger than that!

Cupping their fists in fright, Ye Ye bowed respectfully, "We offended Lord Blue Dragon earlier... Please forgive us."

"That's right. We unknowingly offended Lord Blue Dragon... Please forgive us." Wu Xin did the same.

Wu Tianyu and the others felt their jaws dropping in fright when they heard what their leaders said. That was the first time they saw the two leaders acting so humbly!

"Offended me unknowingly?" Huang Xiaolong chuckled in amusement. "Don't you wish to grab my Three Gods Halberd?"

A flame ignited in their hearts once again when they thought about the universe treasure in his hand.

"Lord, you must be joking!" Wu Xin suppressed the greed in his heart and laughed.

"Actually, I'm here to achieve a single goal." Huang Xiaolong turned serious all of a sudden.

The hearts of those present tightened.

"Alright, it doesn't matter if I tell you... I'm from the Thirteen Universes!" Huang Xiaolong declared.

"Thirteen Universes!" The members of the Limitless Land gasped in shock. The Blue Dragon Young Master actually came from the thirteen universes!

"I came to the Unknown Space to look for a group of subordinates." He paused for a second when he spoke up to this point.

Even though he didn't finish his sentence, the members standing around him knew what he meant. Their expression sank instantly.

Wu Xin sneered with rage, "Blue Dragon Young Master, you have to be kidding me. Do you think we will submit to you?!"

Ye Ye continued, "Are you stuck in a day dream?"

"Well, you'll know if I'm day dreaming in a bit." Huang Xiaolong smiled.

"You might be strong, but do you really think that you can suppress my Ocean Race by yourself?!" With rays of light emerging from his body, the wound in his chest closed and he yelled, "Attack! All of you, activate the Sleepless Formation! Kill!"

"Members of my Limitless Celestial Empire, listen to me! Lay down the Limitless Formation and take him down right now!" Wu Xin roared.

The moment their orders left their lips, the experts of the two factions sprung into action.

Streams of blue light emerged from the heads of the experts from the Ocean Race. An ancient power hidden deep in their bloodlines started to activate.

The entire Sleepless Sea started to tremble.

The originally calm surface of the sea was broken by waves millions of miles high.

A terrifying power covered the entire sea.

In that instant, everyone felt as though a mountain was pressing down on their bodies.

As for the members of the Limitless Celestial Empire, they did pretty much the same thing as the members of the Ocean Race. A boundless strength seemed to emerge from the depths of the space.

Huang Xiaolong was completely impassive when he looked at them. No longer holding back, Huang Xiaolong activated all three great worlds as grand cosmos energy poured out of his body. More than 20 billion units of grand cosmos energy filled the skies around.

Boom!

As soon as he revealed his strength, the entire city sank by several inches. It was clear that the meticulously refined city was unable to withstand the power coming from Huang Xiaolong!

Soon after, the ground started to crack as the structures around them started to crumble.

Ye Ye and Wu Xin felt despair forming in their hearts.

“Are you already...”

“That’s right. I have already crossed the 20 billion mark.” Huang Xiaolong muttered. “Moreover, I have three great worlds!”

“Three?!” Everyone gasped in fright.

As Huang Xiaolong’s aura continued to rise, the Sleepless City that had existed for god knew how many years, started to crumble.

Like dominoes, the building in the city fell one by one!

#### Chapter 3632: Unifying the Limitless Land

With the revelation of his grand cosmos energy, the experts of the two factions felt as though a formless pressure was pressing down against them from the heavens. Their auras were completely suppressed by an even more terrifying power!

When they were feeling despair, the Three Gods Halberd in Huang Xiaolong's hand shot out towards them.

"Defend!"

Wu Xin roared in fright.

Ye Ye did the same and ordered for the members of the Ocean Race to raise their defenses.

Vortexes appeared around the bodies of those from the Limitless Celestial Empire and when they gathered together, they emitted a weird power that seemed to tear the space apart.

Waves gathered before the members of the Ocean Race and they eventually combined to form long blue dragons.

Rip!

Tearing through their defenses like it was nothing, the Three Gods Halberd continued on to its target.

Pillars of light emerged from the tip of the halberd and they were like arrows that shot towards every single enemy before him. Not a single one of them remained standing and Huang Xiaolong summoned the origin flames.

The four Universe Origin Fires turned into a giant ball of fire that clashed with the blue dragons summoned by the Ocean Race.

Boom!

They were sent tumbling away as the flames returned to Huang Xiaolong's side.

"Universe Origin Fires!" Wu Xin and Ye Ye yelled in fright.

“Hurry up and surrender.” Huang Xiaolong snorted.

However, Wu Xin sneered in response, “Who would have thought that you would also possess the Universe Origin Fires? Even so, you can’t stop us from escaping! Once we leave this place, the news of your treasures will definitely reach the ends of the Unknown Space!”

“When that happens, the Ferocious Devil, Green Ghost, Dragon Overlord, Zhu Chen, and the God of Death will look for you along with the masters of the other regions!” Ye Ye laughed. “What do you think will happen then?”

“Dumb\*ss! You shouldn’t have showed off your treasures!”

After they spoke, they tried to leave the city. However, they were stopped by a barrier of light.

“Star... Star Dragon Divine Tree!” They stared at the roots that were slowly extending out from the cracks in space in disbelief.

“Yeah. I laid down the Star Dragon Divine Formation before entering the city. No one can leave the city.” Huang Xiaolong muttered. “You will never be able to shatter the formation unless you manage to defeat me.”

The expressions of the two leaders turned extremely unsightly.

Huang Xiaolong started walking towards them..

...

A day later...

The experts of the two factions bowed respectfully towards Huang Xiaolong.

That included Ye Ye and Wu Xin.

Huang Xiaolong laid down restrictions in their dao sound before getting Wu Xin and Ye Ye to remove all their memories of the treasures they witnessed. Only when they were done did he remove the formation around the city.

Since he was done with the two factions, he got Ye Ye to search for the members of the Cao Family. In the span of a single afternoon, he led the experts of both factions over to surround the members of the Cao Family.

In the next few years, Huang Xiaolong used the power under his command to subdue every single ancient race and celestial empire in the Limitless Land.

When he was finally done, he controlled the entirety of the Limitless Land.

Due to his secretive actions when he subdued Ye Ye and Wu Xin, he didn't alert any of the other supreme overlords.

According to the reports to the outside world, Ye Ye worked together with Wu Xin to completely dominate the Limitless Land.

Several years later, Huang Xiaolong entered the Universe Boat and he continued to cultivate.

Since the Limitless Land was unified, all the universe-level spiritual veins they collected were sent over to Huang Xiaolong as tribute.

The number of spiritual veins he gathered totaled more than eleven hundred!

There were more than 40 top-grade universe-level spiritual veins, and there were more than two hundred top-grade ones!

When he looked at them, Huang Xiaolong finally felt like he was a wealthy man.

Sitting in the first layer of formations on the Universe Boat, Huang Xiaolong threw several spiritual veins into the eye of the formation.

...

In the blink of an eye, two hundred thousand years passed.

Huang Xiaolong refined thirty top-grade universe-level spiritual veins in the years that passed and the grand cosmos energy in his body reached the 20.999 billion mark.

Another hundred thousand years passed...

Huang Xiaolong finally stopped cultivating and a frown appeared on his face. After so many years, he finally refined all the top-grade spiritual veins! Even so, he failed to enter the grand completion stage of the God of Creation Realm! No matter how hard he cultivated, he couldn't cross the 21 billion mark!

It seemed as though he couldn't enter the grand completion stage if he didn't clear away the impurities in his body.

However, there was almost sixty percent of it left in him!

There was no way for him to get rid of it in a short amount of time!

The only good news was that he managed to open the second layer of formations. As long as he had enough universe source qi, he would be able to clear away all the impurities in the next million years.

Huang Xiaolong emerged from the Universe Boat and summoned the two leaders. After learning about the recent happenings in the Limitless Land, he returned to the Universe Boat to enter the second layer of formations.

Eight hundred thousand years passed in the blink of an eye.

A burst of light emerged from Huang Xiaolong's body one fine day, and the sound of something shattering could be heard coming from his body. A terrifying storm was swept up with Huang Xiaolong at its core.

#### Chapter 3633: Breaking Through

The storm had the power to end worlds! Despite the terrifying defensive abilities of the Universe Boat, it started to sway back and forth!

The three great worlds in Huang Xiaolong's body were like suns that glowed with the intensity of a billion stars. The golden light they emitted could blind even the strongest of men!

Several hours passed as the three great worlds in his body trembled non-stop.

Terrifying might filled the Universe Boat.

Luckily for him, Huang Xiaolong broke through in the grand formation in the Universe Boat. As it was separated from the outside world, Huang Xiaolong didn't cause a ruckus out there. Otherwise, the storm would definitely shake up the regions around the Limitless Land!

Huang Xiaolong became at least two times stronger than before!

The aura he emitted shot up like a rocket.

It continued for an entire world before slowly slowing down.

The golden light around his body slowly receded.

Several days passed and Huang Xiaolong finally opened his eyes. Sucking in a long breath, a flash of joy crossed his eyes. After more than eight hundred thousand years of cultivation in the second layer of formations in the Universe Boat, Huang Xiaolong finally entered the grand completion stage of the God of Creation Realm!

Before breaking through, his grand cosmos energy was stuck under the 21 billion mark! Now that he did, he finally tore through the invisible barrier!

As for the hidden impurities in his body, he cleared them all!

He only managed to regain his calm after a few moments.

Retrieving the universe-level spiritual veins he had left, he discovered that there were more than six hundred of them left!

Throwing all of them into the eye of the formation, Huang Xiaolong decided to replenish the amount of universe source qi in the second layer of formation.

A bitter smile appeared on his face when he thought about his feelings before entering seclusion. When he looked at the spiritual veins he had in the past, he felt like a wealthy man. Now, he realized that they weren't enough!

At the very most, he would be able to supply enough universe source qi for the next hundreds of thousands of years.

Without leaving the Universe Boat, Huang Xiaolong continued to cultivate.

More than three hundred thousand years passed...

When he refined all the universe source qi, he finally emerged from the Universe Boat.

His seclusion lasted more than 1.5 million years from the time he subdued the Limitless Land, and he not only broke through to the grand completion stage. He also managed to accumulate 23 billion units of grand cosmos energy!

As soon as he emerged, he summoned Wu Xin and Ye Ye to ask about the changes in the Limitless Land.

Very quickly, he received all the reports.

“Lord, the ancestor of the Jian Family broke through. The grand cosmos energy in his body transformed, and his combat abilities surpassed the 20 billion mark.” Ye Ye seemed to have thought of something and he sighed, “The matter shook the Unknown Space and he has been crowned as the sixth supreme overlord!”

“Oh? Jian Wushuang broke through?” Huang Xiaolong was slightly taken aback by the news.

“Yes. He broke through nearly five hundred thousand years ago.” Wu Xin explained. “After breaking through, he entered seclusion immediately. He only managed to emerge several days ago, and the Jian Family is planning for a celebratory ceremony.”

Huang Xiaolong nodded his head.

It was natural for the Jian Family to celebrate such a heaven shaking matter. After all, becoming one of the supreme overlords was no small achievement!

Huang Xiaolong’s thoughts couldn’t help but turn to Tao Han’er. She was brought away by the experts of the Jian Family previously but he didn’t know how she was doing.

“How is Tao Han’er’s situation in the Jian Family?” Huang Xiaolong couldn’t help but ask.

Before entering seclusion, Huang Xiaolong requested for them to pay some attention to Tao Han’er.

“She is heavily regarded in the Jian Family. Moreover, her talent is nothing to scoff at. The Jian Family has been giving her all the resources she needs. After so many years, she has already broken through to the Dao Venerable Realm. She is currently a Second Esteem Dao Venerable, and her comprehension of the sword dao is extremely high! Jian Wushuang intends to impart his knowledge to her.” Wu Xin replied respectfully.

Huang Xiaolong heaved a sigh of relief.

When the members of the Jian Family brought her away, Huang Xiaolong didn't say anything as he knew that they would treat her well.

However, Jian Wushuang's intention to impart his cultivation to her surprised Huang Xiaolong.

Tao Han'er might be his granddaughter, but Jian Wushuang had countless descendants! There were quite a number of them with decent talent, but since Tao Han'er had been chosen by him, her future was limitless!

Huang Xiaolong asked about matters regarding the Zhu Family soon.

“Get someone to bring Tao Hang over from the Yin Yang City.” Huang Xiaolong ordered.

“Tao Hang?” Wu Xin raised an eyebrow in surprise.

Who in the world was Tao Hang?”

“In the past, he was hunted down by the members of the Tao Family and sought refuge in the Golden Sea City. He saved Tao Han'er, and he can be considered her foster father. He's currently residing in the Yin Yang City.” Huang Xiaolong explained.

Wu Xin understood Huang Xiaolong's intentions immediately. He bowed before sending down the order to bring Tao Hang over.

“Zhu Lan Land...” Huang Xiaolong said all of a sudden as he turned to look in their direction.

Since he was done with the Limitless Land, he planned to head over to the Zhu Lan Land.

Even without Tao Han'er's matter, he would definitely be taking a trip down there.

The Ferocious Devil, Green Ghost, Dragon Overlord, God of Death, and Zhu Chen might be known as the five supreme overlords in the Unknown Space, but they weren't at the same level. From what Wu Xin said, Huang Xiaolong learned that Zhu Chen was the weakest of the five.

Zhu Chen's combat prowess should be close to the 22 billion unit mark.

As for the strongest, it was said to be the Ferocious Devil.

No one knew how strong he actually was. Not even Zhu Chen and the other supreme overlords know how strong he was. That was because no one had ever forced the Ferocious Devil to go all out! Whatever the case, they knew that the Green Ghost who was ranked second among them had combat abilities close to an expert with 25 billion units of grand cosmos energy.

The Dragon Overlord was ranked third, and the God of Death was ranked after that.

Huang Xiaolong estimated his strength and realized that he was probably as strong as the God of Death if he didn't use any of his treasures. If he used all four universe treasures, he would definitely be able to suppress the God of Death!

As for the Dragon Overlord who ranked third, Huang Xiaolong felt that there was quite a bit of distance between them. As such, if he were to reveal his strength, he would immediately push the God of Death down to fifth place!

Chapter 3634: Xiaohong Celestial Empire

As the distance was pretty large, Tao Hang needed several years in order to arrive in the Limitless Celestial Empire. In the years that followed, Huang Xiaolong decided to continue refining the Three Gods Halberd.

With his current strength and the help of the Universe Boat, Star Dragon Divine Tree, and the four Universe Origin Fires refining the Three Gods Halberd was much smoother than before.

Several years later, Huang Xiaolong completely refined the halberd before Tao Hang arrived.

“Tao Hang greets the lord!” Tao Hang bowed the moment he arrived before Huang Xiaolong.

From Lin Qiankun, he learned that Huang Xiaolong has already unified the Limitless Land. The Limitless Master, Wu Xin, and the king of the Ocean Race, Ye Ye, were his subordinates.

As such, he knew that the real person in charge of the Limitless Land was no longer the Limitless Master.

“There’s no need for formalities between us. Please get up.” Huang Xiaolong chuckled when he saw Tao Hang again.

Tao Hang was the first person he met when he arrived in the Unknown Space. He didn’t treat them as subordinates as they didn’t do anything to him when they first met.

“Yes, Lord.” Tao Hang thanked as he got to his feet.

“You improved pretty quickly... Looks like you didn’t waste your time.” Huang Xiaolong praised when he noticed Tao Hang’s cultivation level.

It has been more than a million years. Tao Hang has already entered the Dao Venerable Realm since they last met. Even though he barely broken through, a Dao Venerable was still a respectable figure no matter where he went.

Of course, there were four beast kings who gave him pointers during his cultivation, but everything relied on one's effort.

"Lord is too kind..." Tao Hang smiled and he felt a burst of warmth filling his heart. "I got to where I am today because of Lord's grace."

Huang Xiaolong no longer dwelled on the subject and he quickly moved on to the main topic. "I summoned you as I plan to bring you with me over to the Zhu Lan Land."

"Zhu Lan Land?!"

Along the way, he wondered why Huang Xiaolong wanted to see him. He didn't expect that the man would bring him to the Zhu Lan Land.

However, he quickly realized the reason.

"That's right. Tao Han'er was brought away by the members of the Jian Family in the past, and all of us haven't seen her since then. You're her foster father and I believe that she'll be more than happy to meet you after so many years!" Huang Xiaolong explained.

With joy filling his heart, Tao Hang bowed once again, "Tao Hang is extremely grateful for the opportunity."

"There's no need to thank me!" Huang Xiaolong laughed. "Go get ready and we'll leave first thing tomorrow morning."

There was nothing for Tao Hang to pack. However, he went straight to the market in the city to get things Tao Han'er would like.

The very next day...

Huang Xiaolong brought Tao Hang as they headed towards the Zhu Lan Land.

Other than the two of them, Yu Xiaohong, Zheng Shen, and the others were present. There were more than eighty Gods of Creation following them.

When Huang Xiaolong saved over 600 experts on the island, he learned that over eighty of them were from the Zhu Lan Land.

That was also the reason Huang Xiaolong brought them along.

In order to hasten his travel, Huang Xiaolong used the Universe Boat.

The Universe Boat tore through the skies as it changed straight towards the Sleepless Sea. No matter how many beasts they ran into, Huang Xiaolong smashed through them all! Naturally, no one could survive a single hit from the speeding ship.

Despite their terrifying speed, half a year passed before Huang Xiaolong arrived at the borders of the Zhu Lan Land.

Standing in the space above, Huang Xiaolong felt the difference in the space laws and the spiritual qi in the air. As one of the five strongest regions, the laws of space in the area was much stronger. The spiritual energy in the air was also much purer than the Limitless Land.

Huang Xiaolong released Zhu Qiming and Hao Jing from the Sun Moon Furnace.

The moment they appeared, wild joy formed on their faces.

“Zhu Lan Land!”

“That’s right.” Huang Xiaolong muttered.

A sinister smile formed on Zhu Qiming’s face. He sneered, “Huang Xiaolong, who would have thought that you would dare to step foot in my Zhu Lan Land?! Did you eat the wrong medicine this morning?!”

“Your Zhu Lan Land?” A smile formed on Huang Xiaolong’s face. “Well, it won’t belong to you soon. Take your time to enjoy the sights.”

After taking down the Limitless Land, Huang Xiaolong had long since set his sights on the Zhu Lan Land.

Staring at Huang Xiaolong for a moment, Zhu Qiming roared with laughter, “Huang Xiaolong, you might be unbeatable in the thirteen universe, but you’re nothing in the Zhu Lan Land! With your 14 billion units of grand cosmos energy, the old ancestor of my family will kill you with a single finger!”

“Are you so sure of it?” Huang Xiaolong chuckled. “I’ll bring you to your old ancestor in a bit.”

After he spoke, he threw them both back into the Sun Moon Furnace.

“Lord, shall we head to the Jian Family or the Zhu Lan Celestial Empire?” Yu Xiaohong asked.

“If we head over to the Jian Family, we should pass by your territory, right?” Huang Xiaolong asked.

“Yes...” Yu Xiaohong was slightly taken aback when she heard the question. Bowing respectfully, she explained, “My celestial empire isn’t located too far away from the Jian Family. We’ll probably need to travel for ten days in order to arrive at the Jian Family from my palace...”

“Alright. We’ll head over to your place for a short rest.” Huang Xiaolong muttered.

“Yes...” Yu Xiaohong was stunned for a moment, but a brilliant smile soon formed on her face. “It’s my honor.”

Huang Xiaolong nodded slightly.

Zheng Shen and the others felt a wave of envy rising in their hearts.

After more than a month, Huang Xiaolong and the others approached the Xiaohong Celestial Empire. When they arrived at the border, Huang Xiaolong kept his Universe Boat and they flew over casually.

It didn't take long for them to arrive.

"Your celestial empire is pretty amazing..." Huang Xiaolong sighed when they entered. The atmosphere in the Xiaohong Celestial Empire was much better compared to the various empires they passed along the way.

"Lord is too kind." Yu Xiaohong chuckled.

After entering the Xiaohong Celestial Empire, all of them strolled about however they liked. After half a month, they finally arrived in the Xiaohong City.

The city was comparable to the Limitless City back in the Limitless Land.

However, all of them noticed something strange when they entered the city. There were members of the Jian Family everywhere they went.

Yu Xiaohong was naturally able to feel the difference in the air and a frown formed on her face.

"I've heard that our celestial empire is about to form an alliance with Jian Wushuang! I wonder if it's true..." Someone on the street asked.

"It's probably true. However, instead of an alliance, it's better to say that our celestial empire is about to submit to the Jian Family!"

"The Jian Family is extremely strong now, and our old ancestor has been missing for some time. It's said that she's trapped in the Bewilderment Forest, and she will probably lose her life eventually. It's nothing strange for the celestial empire to submit to Jian Wushuang..."

With her expression turning extremely unpleasant, Yu Xiaohong grabbed the man who spoke and snapped at him, “What did you just say?! My celestial empire is going to submit to the Jian Family?!”

#### Chapter 3635: Where’s Mine?

The experts she dragged over were peak-level Dao Venerables. They might be important figures in the region, but in front of a God of Creation with more than 14 billion units of grand cosmos energy, they were barely specks of dust. Facing her face, they felt their souls leaving their bodies.

With their lips trembling, the experts of the various families didn’t dare to utter a word.

Huang Xiaolong couldn’t help but roar with laughter, “How are they going to reply you when you scare them like that?!”

Retrieving her aura completely, an embarrassed smile formed on her face. In front of Huang Xiaolong, she became a demure young lady. With her breathtaking appearance to back her up, the atmosphere changed immediately.

Yu Xiaohong created the celestial empire, but the celestial emperor wasn’t related to her by blood. He was a foster son she took in. Since the start of time, she hadn’t found a dao partner.

Zheng Shen and the others looked at Yu Xiaohong and weird looks formed on their faces.

“Alright, all of us wish to know about the recent happenings in the celestial empire. Please tell us all you know.” Huang Xiaolong addressed the Dao Venerables Yu Xiaohong dragged over. “Of course, we’ll give you something for your troubles.”

After speaking, he tossed over a bottle of pills.

“Creation... Creation level pills!” One of them gasped after opening the bottle

“That’s right.” Huang Xiaolong muttered and he asked about the matters regarding the celestial empire.

They replied respectfully, without any intentions of hiding a thing. Since he could take out creation pills like they were nothing, they didn't dare to offend someone at his level.

After asking about it, Huang Xiaolong didn't bother them. He left with Yu Xiaohong and the others after learning what he wanted to know.

The few of them only straightened their backs when Huang Xiaolong's party left.

They couldn't regain their calm even after a long time.

"Don't... Don't tell me... Are they all God of Creation Realm experts?!" Someone stammered.

"There's no way! Whatever the case, I can confirm that someone in that group isn't a God of Creation."

It was true. Tao Hang was a Dao Venerable weaker than them and they could easily feel his level of cultivation.

"That woman... She seems to be the old ancestor of the Xiaohong Celestial Empire!" Someone gasped in fright all of a sudden.

Silence filled the lands.

"This... There's no way..." Someone muttered in surprise. "Is that really Lord Yu Xiaohong?! Didn't they say that she was trapped in the Bewilderment Island?! Everyone knows that! Even if Lord Zhu Chen makes a move, he might not be able to save her! If she really is the lord ancestor, why would she be that youngster's subordinate?!"

"That's true..."

"My eyelids can't stop jumping... Seems like something huge is going to happen."

...

After they left, Yu Xiaohong's expression was extremely unsightly.

No one would feel great when they learned that the faction they created was going to submit to someone else!

They were betraying her in broad daylight!

Moreover, the person who betrayed her was her foster son! She gave him the best resources before she entered the Bewilderment Island, and she would personally look for treasures when he broke through in the past! After so many years, she didn't expect him to throw himself under another banner!

"That's his true nature..." Huang Xiaolong sighed.

"I was blind to treat him so well!" Yu Xiaohong paused for a second before she continued, "I need to get to the bottom of this! If he's really going to submit to Jian Wushuang, I'll personally clean out my celestial empire of the filth that has accumulated."

Tao Hang looked at Yu Xiaohong and suddenly thought of Tao Han'er.

Tao Han'er was his foster daughter, but she turned into the princess of the Jian Family in the blink of an eye. He was a mere Dao Venerable of a small family! He was worried that she would turn her back on him when they met.

Complicated emotions filled his heart.

The group eventually made their way over to the imperial palace.

Just as they were about to head into the palace, Yu Dawei, the Xiaohong Celestial Emperor, was tasting a Purple Ice and Fire Dragonfruit in the main hall.

The fruit could only be obtained in the Purple Ice Valley in the region, and it contained the mysteries of the universe. One would benefit immensely if they consumed it often.

The crown prince of the celestial empire, Yu Bo, entered the hall all of a sudden and joked, "Imperial Father, the Jian Family sent over the sword pills their old ancestor personally refined. There is also a sword manual written by Jian Wushuang!"

He soon handed over a box and a bottle.

With his eyes lighting up, Yu Dawei retrieved the items. His gaze was burning and he yelled in joy, "The members of the Jian Family kept their promise! Jian Wushuang's sword dao is definitely recorded in the manual. As long as I manage to comprehend the mysteries behind the manual, my grand cosmos energy will transform just like his did! I'll definitely be able to break through the 10 billion mark!"

The items were the terms behind his agreement to submit to the Jian Family.

As for the sword pill, he would be able to cultivate in the way of the sword manual easily.

Yu Bo looked at his father and he started to hesitate. "Imperial Father, what if the old ancestor returns? Wouldn't she be unhappy that we submitted to the Jian Family?"

That was something he was worried about since the start of their plan.

Waving his son off, Yu Dawei explained, "Do you really think that that old hag will be able to make it out of the Bewilderment Island? The Limitless Master and the king of the Ocean Race barely made it out after working with each other. She will never be able to escape!"

"Moreover, the Jian Family is our backer now! Jian Wushuang is the sixth supreme overlord in the Unknown Space, and she wouldn't dare to touch us now that we're under his banner!"

Yu Bo sighed, "Imperial Father is right... Now that we chose to submit to the Jian Family, it's a matter of time before the rise of our celestial empire!"

“That’s right! The envoys of the Jian Family will arrive tomorrow to secure our alliance. Get rid of everyone who tries to sabotage our union! Throw them all into prison! I won’t allow anyone to disrupt my plans!”

“Imperial Father, rest assured that everything will run smoothly.”

“I’ll be more than happy to hand it over to you. Relax. After we secure our place in the Jian Family, I will definitely reward you heavily!”

Before Yu Bo could leave, a sharp voice rang through the air. “Where’s my share? Aren’t you guys going to get some goodies from the Jian Family?”

Yu Dawei and Yu Bo felt a bomb going off in their heads when they heard the familiar voice. Panic flashed through their eyes.

Chapter 3636: Let’s Meet Yu Xiaohong

They turned to the entrance of the main hall instantly.

They saw a massive group of people entering the hall without the slightest resistance! The protective formation around the hall didn’t seem to exist!

Yu Dawei looked at the beauty among the group.

“Ances... Ancestor...”

They couldn’t believe their eyes. Wasn’t she said to be trapped in the Bewilderment Island?! How did she escape?!

“What’s wrong? Are you disappointed that I managed to emerge from the Bewilderment Island?” Yu Xiaohong sneered when she saw the look on their faces.

“No... We’re just surprised that you managed to return!” Yu Dawei stuttered. “We’re extremely happy now that you’re back!”

Yu Bo stepped forward and got to his knees. “We congratulate lord ancestor on your safe return!”

Yu Xiaohong glanced at him casually before turning to look at the manual and pill in Yu Dawei’s hand.

“Are these the gifts from the Jian Family?” Yu Xiaohong snorted. “Jian Wushuang is really generous. In order to get you guys to surrender, he’s willing to bring out his sword manual...”

“Ancestor, you’re mistaken! Lord Jian Wushuang gave them to me as he admires my talent! He’s planning to give me some pointers. That’s all there is!” Yu Dawei explained hastily.

“Oh? From what you’re saying, you don’t plan to surrender to the Jian Family.” Yu Xiaohong snorted.

Frowning, Yu Dawei gritted his teeth and he eventually spat, “That... That is true. You know what, I am already someone from the Jian Family! Yu Xiaohong, do you really think that you can do anything to me now that I’m part of them? Are you not afraid that Lord Jian Wushuang will deal with you? You might not know this since you just emerged from the Bewilderment Island, but Lord Jian Wushuang has already become the sixth supreme overlord in the Unknown Space!”

“He’s of the same status as Lord Zhu Chen!”

Yu Dawei roared haughtily. It was as though Jian Wushuang’s glory belonged to himself!

“Jian Wushuang? Sixth supreme overlord? That might not be the case...” Huang Xiaolong chuckled at the side.

Hearing a random youngster show his disrespect for Jian Wushuang, Yu Dawei snorted in anger, “Which rock did you crawl out from? Are you stupid? Get out of my sight, you fool!”

However, Yu Xiaohong sent him flying with a single slap as soon as he insulted Huang Xiaolong.

“Preposterous!”

Yu Xiaohong’s slap sent Yu Dawei flying into one of the walls in the hall.

She didn’t hold back much when slapping Yu Dawei. As such, blood streamed down his cheeks and there was a red palm print imprinted on his face.

Yu Bo who was still kneeling on the ground felt a wave of weakness in his legs.

When Yu Dawei finally crawled to his feet, he cleaned the blood off his cheeks and he sneered, “Old b\*tch, is he a gigolo you found on your travels?! Are you crazy?! If you cripple me, Lord Jian Wushuang will fly into a rage! When that happens, you’ll be dead! This gigolo of yours will meet a miserable end!”

Killing intent filled her heart when she heard what he said. Glaring at Yu Dawei, she sneered, “Since that’s what you think, I’ll cripple you now!”

She circulated the grand cosmos energy in her body and a burst of golden light emerged from her palm as she slammed it into his chest.

Even though Yu Dawei was a half step Universe God, he hasn’t broken through the 10 billion mark! He was no match for her!

In an instant, his dao heart was shattered and his meridians broke into tiny little pieces.

Of course, she didn’t manage to shatter his physical body with a single strike. After all, the man was a half step Universe God and he was wearing a top-grade creation artifact level armor. His fleshy body was strong beyond belief. If the person who took the strike was an ordinary God of Creation at the grand completion level, they would have been turned into meat paste!

Yu Dawei stared at her in confusion as he didn’t believe that she had the guts to actually cripple him.

“Yu Xiaohong, why are you going so far for a mere gigolo?!” A sinister expression formed on his face and he rushed towards Huang Xiaolong. The sword in his hand moved quickly as it slashed towards Huang Xiaolong’s neck.

Huang Xiaolong might have been crippled by Yu Xiaohong’s strike, but he only experienced a massive drop in strength. He could still use whatever grand cosmos energy he accumulated in the past.

As they were pretty close to each other, Yu Dawei appeared before Huang Xiaolong in the blink of an eye. Ordinary God of Creation Realm experts at the large completion stage would never be able to hold off his attack.

However, Huang Xiaolong held the tip of Yu Dawei’s sword with his fingers.

Even though the tip of the sword was a mere inch away from Huang Xiaolong’s eye, it couldn’t budge any further.

Pinching his fingers together, Yu Dawei’s sword started to ring. Waving his hand, the sword in Yu Dawei’s hand turned into a streak of light that turned around to pierce through his forehead. With the sword sticking through his head, he was pinned to the wall on the far end of the hall.

“You can deal with him.” Huang Xiaolong spoke to Yu Xiaohong.

“Yes, Lord.”

Yu Bo and Yu Dawei couldn’t believe what they just heard.

Soon after, Yu Xiaohong approached Yu Dawei.

When he felt the killing intent rolling off her, desperation filled his heart and he started to plead with her, “Mother, I was wrong! I... I... Please, spare me this time! I was forced by the Jian Family to do everything I did! If I refuse to submit, they’ll exterminate the celestial empire!

“Do you really think that I’m stupid? In order to break through the bottle neck of 10 billion units of grand cosmos energy, you agreed to be Jian Wushuang’s slave! How dare you spin it another way?! In the past, I saved you out of the kindness of my heart! You were beaten half to death and I was the one who gave you all the resources you needed to reach your level today! Today, I’ll take back everything I gave you!” Yu Xiaohong sneered.

“Yu Xiaohong, if you dare to cripple me, Lord Jian Wushuang will never let you off!” Yu Dawei realized that there was no going back.

The moment the words left his lips, Yu Xiaohong waved her sword in the air and a million rays of sword light landed on Yu Dawei’s body.

A miserable shriek rang through the hall.

“Mercy!”

“Ancestor, please spare my father’s life!”

Yu Bo pleaded with her endlessly.

However, Yu Xiaohong turned her sword the other way and Yu Bo was no longer able to speak. He would remain silent till the end of time.

The very next day, Yu Xiaohong carried out a cleansing in her celestial empire.

In the inner hall of one of the manors in the city, Jian Xiyuan, an eminent elder of the Jian Family, frowned, “What?! Yu Xiaohong actually returned?!”

The news couldn’t be kept for long as Yu Xiaohong basically carried out a massacre in the celestial empire. The news of her return quickly reached the ears of those who were concerned.

“Yes... I heard that she crippled Yu Dawei the day she returned.” A grand elder of the Jian Family hesitated a moment before explaining.

Jian Xiyuan’s expression sank when he heard the news. He was the envoy from the Jian Family and he received an order from the patriarch of the Jian Family to negotiate the terms of alliance with the Xiaohong Celestial Empire. They were about to finalize the details, but who would have thought that Yu Xiaohong would return the day before it happened?!

In order to express their sincerity, they had already given Jian Wushuang’s sword manual and sword pill to Yu Dawei!

“Does she have our items?” Jian Xiyuan growled.

“Yes...”

“She knew that Yu Dawei was about to surrender to our Jian Family, but she went ahead and crippled him! She obviously doesn’t care about our Jian Family!” A cold light flashed through his eyes. “Alright. Let’s meet Yu Xiaohong and ask her what’s going on.”

### Chapter 3637: Guns Blazing

The grand elder who was together with the eminent elder couldn’t help but stutter when he heard that they were going to look for Yu Xiaohong. “But... But... Her strength...”

Jian Xiyuan might be an eminent elder of the Jian Family and his strength might be second only to the patriarch. However, he barely had 13 billion units of grand cosmos energy! He was far too lacking when compared to Yu Xiaohong.

A sneer left Jian Xiyuan’s lips, “So what?! Do you think she will dare to move against me?”

The grand elder lowered his head and muttered, “Even though she might not dare to, but we should really be careful...”

“If Yu Xiaohong dares to do anything to us, she’ll be in for a lot of trouble! This dumb b\*tch dares to reject our patriarch... She really doesn’t know what’s good for her.”

Yu Xiaohong was a devastating beauty. With her relationship status and strength, she was the ideal partner for many supreme experts! The patriarch of the Jian Family, Jian Weifeng, was one of her many suitors!

In the past, he tried all sorts of things to chase her. He even tried proposing twice! Even so, he was rejected all the time.

The matter of his rejection spread throughout the Zhu Lan Land. With Jian Weifeng’s strength and status, he was like a god in the Zhu Lan Land! She was a perfect match for him, but because of the rejections, he turned into a laughing stock in the region!

“Should we report this to the patriarch?” The grand elder asked.

Nodding slowly, Jian Xiyuan sighed, “That’s actually a good idea.” Taking out his transmission symbol, he made a report to the patriarch.

It didn’t take long for him to receive a reply.

A smile formed on Jian Xiyuan’s face when he read the reply. “The patriarch has spoken! Because of her disrespect to lord ancestor, she will have to return all our gifts. In addition, she will have to take out twenty universe-level spiritual veins as compensation!”

The grand elder stared at Jian Xiyuan in shock.

However, he soon realized the patriarch’s intentions.

He was forcing her into a corner!

After getting rejected twice, Jian Weifeng formed a grudge against Yu Xiaohong!

“Let’s go! We’ll look for her now!” Jian Xiyuan harrumphed. After getting the reply from the patriarch, Jian Xiyuan felt extremely confident in himself.

As such, he brought along the experts of the Jian Family and they quickly made their way towards the imperial palace.

When they were making their way over, Huang Xiaolong was casually flipping through the sword manual. There were a hundred pages in total and there was an image of a sword on every one of them. While Huang Xiaolong flipped through the pages, Yu Xiaohong and the others standing beside him said, “Jian Wushuang’s sword dao is unparalleled in the Unknown Space. His comprehension of the sword dao has already reached the peak.”

Zheng Shen continued, “It’s true that Jian Wushuang’s sword dao has reached the peak, but he’s nothing compared to our lord!”

Lu Liang, another half step Universe God, laughed, “Brother Zheng Shen is right. Jian Wushuang is far too weak compared to our lord.”

“You guys are full of sh\*t...” Huang Xiaolong chuckled.

A sheepish look appeared on Zheng Shen and Lu Liang’s face, but a mischievous light flashed through their eyes.

In fact, they weren’t trying to exaggerate the facts. It was true that no matter how profound Jian Wushuang’s sword dao was, he wouldn’t be able to beat Huang Xiaolong even if he gave it his all!

Strength was everything. Techniques and sword dao might matter in a battle between experts of comparable strength, but when one party was overwhelmingly powerful, there would be no doubts about the resulting battle.

If Jian Wushuang’s combat abilities reached the 23 billion units mark, he might be able to put up a fight with his sword dao. However, Jian Wushuang was far from that.

Huang Xiaolong then retrieved the sword pills.

Huang Xiaolong could feel the sword intent coming from the pills. However, the sword intent in the pills weren't beneficial to the person who took it. After consuming it, their dao souls would be controlled by Jian Wushuang's sword intent.

Summoning his dao souls, Huang Xiaolong quickly inspected the sword pills. A sneer formed on his lips. Jian Wushuang branded the pills with his soul. No one weaker than Jian Wushuang would be able to discover the abnormality behind the pills. Too bad for him, Huang Xiaolong was the one playing with the pills.

"Jian Wushuang branded his soul in them." Huang Xiaolong explained.

"Who would have thought that he would resort to such means..." Yu Xiaohong frowned.

Huang Xiaolong didn't care as he tossed both pills into his mouth.

Everyone stared at him, dumbfounded.

"Lord, you..."

"I'm fine... The pills might be able to control Yu Dawei, but they're useless against me." Huang Xiaolong explained.

Even though Jian Wushuang's sword dao was unparalleled, there was no way he could control Huang Xiaolong with his means.

With Huang Xiaolong's dao souls, Jian Wushuang could unleash his sword intent in front of Huang Xiaolong without Huang Xiaolong taking up any precautions and he wouldn't be able to tear through the man's defenses.

The moment Huang Xiaolong swallowed the pills, Jian Wushuang opened his eyes in the palace of the Jian Family.

“Father, this...” Jian Wufeng asked.

“Someone refined both sword pills...”

Jian Wufeng was slightly taken aback. “Could Yu Xiaohong have swallowed the pills the moment she got her hands on them? Is she planning to comprehend the sword dao with the help of the pills?”

“That seems to be the case.” Jian Wushuang nodded.

A look of joy flashed through Jian Wufeng’s face. “If that’s true, lord father will be able to control her! Wouldn’t that mean...” A sinister smile formed on his face when he thought of the possibilities.

Jian Wushuang chuckled, “My soul brand will slowly affect her dao soul now that she swallowed the pills. However, we’ll need several more years for the effects to show.”

“It’s just several years...” Jian Wufeng laughed.

He could already envision Yu Xiaohong turning into his obedient plaything in a few years.

...

After swallowing the pills, Huang Xiaolong felt much greater affinity towards the sword dao.

All of a sudden, someone entered the main hall to make a report. “Lord Ancestor, Eminent Elder Jian Xiyuan of the Jian Family has arrived! He wishes to meet you! He brought along several dozen experts of the Jian Family, and they don’t seem to be here with good intentions!”

Yu Xiaohong glanced at Huang Xiaolong as she wanted to see his intentions.

## Chapter 3638: Forgetting Past Relations

Huang Xiaolong chuckled. "Let them in. Let's see how fierce they can be..."

Yu Xiaohong and the others laughed in response. That was true. Even if Jian Wushuang personally came, he wouldn't be able to leave the hall unscathed!

Turning to the general who entered the hall, Yu Xiaohong ordered, "You heard the Lord! Bring Jian Xiyuan in!"

"Yes, Lord Ancestor!" The general replied before turning around to call for the members of the Jian Family.

"Head over to the main hall. I won't be meeting him." Huang Xiaolong lagged. He turned to the sword manual and he said, "This looks pretty interesting. I'll continue to look into it."

Bowing respectfully, Yu Xiaohong headed for the main hall.

After thinking about it, Huang Xiaolong decided to send Zheng Shen and the others over to the main hall with Yu Xiaohong. After all, Jian Xiyuan brought several dozen experts with him. She might be able to suppress them alone, but Huang Xiaolong felt that they had to keep up with appearances. Since the other party brought more men, they would also show off their manpower!

After they left, Huang Xiaolong continued to flip through the sword manual. Unknowingly, he reached the eighth page.

If Jian Wushuang was present, he would probably smash his head into the wall after noticing Huang Xiaolong's speed. Every single page contained profound sword dao that he comprehended after a long time! Even half step Universe Gods with terrifying talent would take several years to comprehend a single page!

Huang Xiaolong was a monster!

As he continued to read through the manual, the general who made the report spoke to Jian Xiyuan and the others.

“Lord Ancestor has summoned you.”

Jian Xiyuan’s expression sank and he sneered, “Who does she think she is? I came all the way here only for her to send a lowly general like yourself over. Didn’t you tell her that I wanted her to personally come out to welcome me?”

“I am merely here to convey the ancestor’s orders.” The general said calmly.

“Preposterous!” Another eminent elder of the Jian Family, Jian Chengfeng, raged and sent the general flying with a single slap. When he landed on the ground, his head had swelled to the size of a pig’s.

“Do you really think that I won’t cripple you right here and now?” Jian Chengfeng roared.

However, he was stopped by Jian Xiyuan. “Enough. He’s a general of the Xiaohong Celestial Empire. You can’t kill him here. Just slap him a couple of times and send him away.”

Slapping the general until all the teeth were beaten out of his mouth, Jian Chengfeng finally sent him away.

The general was a God of Creation at the grand completion stage. He was no match for Jian Chengfeng who was at the peak of the grand completion stage!

When Jian Chengfeng finally stopped, he snapped at the general, “Bring us in right now or I’ll behead you!”

The general didn’t utter a word of resentment and he merely muttered, “You guys will regret this.”

“Humph. Do you really think that Yu Xiaohong will do anything to us because of you? Even if we cripple you here, she wouldn’t dare to touch a single hair on our heads!”

“Why aren’t you leading us in?!”

Jian Xiyuan kicked the general, causing him to fly into the hall. He was in an extremely sorry state after all the abuse by the members of the Jian Family.

When they saw his pitiful figure crawling to his feet, the members of the Jian Family roared with laughter.

Swallowing his grievances, the general led them into the main hall.

Jian Xiyuan sneered as he walked behind the man. “Look at all of you. You’re all losers! Your celestial emperor was nothing but a lowly slave, and your ancestor’s a b\*tch! Hahaha! You’re so much worse than them! You don’t even dare to look at us after we beat you up! Hahaha!”

Soon after, they arrived in the main hall.

“Please wait a moment while I report to the ancestor.” The general said.

“Bullsh\*t! What do you have to report? F\*ck off!” Jian Xiyuan kicked the general aside before strolling into the main hall.

Yu Xiaohong noticed everything that went on outside and her expression sank instantly. “Jian Xiyuan, you’re going too far!”

She released her aura completely.

Even though Jian Xiyuan could feel the pressure coming off her, he snorted in response, “Yu Xiaohong, Yu Dawei was one of us after he surrendered to the Jian Family. How dare you cripple him? Whatever

the case, hand over our sword manual and sword pills. You will also have to compensate us with twenty top-grade universe-level spiritual veins!”

“Nonsense! What if I refuse?” Yu Xiaohong sneered.

“If you refuse, you can’t blame our patriarch for forgetting his past relationship with you!”

“Humph. I’ll tell you right now. I won’t hand over a single item over to you!” Yu Xiaohong snorted in contempt.

Jian Xiyuan and the members of the Jian Family stared at her in shock.

They didn’t expect her to be so adamant about it.

“Yu Ming, how many times did they slap you?” Yu Xiaohong turned to ask the general.

“Jian Chengfeng slapped me a total of eight times.” Turning to point at Jian Xiyuan, he continued, “Including the kick outside the hall, Jian Xiyuan kicked me twice.”

Jian Chengfeng laughed in amusement when he heard what the general said. “Yu Xiaohong, are you really thinking of taking revenge for your subordinates? Don’t forget, our ancestor is the sixth supreme overlord of the Unknown Space!”

Yu Xiaohong ignored his threats and muttered, “Since you slapped him eight times, I’ll slap you eighteen times!” As soon as she spoke, she appeared before Jian Chengfeng.

He couldn’t react in time as eight slaps landed on his face immediately.

By the time she was done, he was sent flying out of the hall.

“It’s your turn!” Yu Xiaohong looked at Jian Xiyuan.

“Yu Xiaohong, how dare you! Lay down the sword formation immediately!” As soon as he spoke, sword intent filled the hall. The experts of the Jian Family spring into action.

However, they couldn’t even do a thing as more than thirty experts on Yu Xiaohong’s side appeared to suppress the members of the Jian Family.

Zheng Shen and the others weren’t there for show...

When Jian Xiyuan was still stuck in a state of shock, he was sent flying with a single kick from Yu Xiaohong.

“Yu Xiaohong, you sl\*t!” He barely crawled to his feet before he was sent flying by another kick from Yu Xiaohong.

Chapter 3639: Are You Afraid I’ll Cripple Him

Yu Xiaohong didn’t hold back and her second kick caused Jian Xiyuan’s spine to snap.

Initially, Jian Xiyuan was an expert with 13 billion units of grand cosmos energy. He would be able to put up a fight against Yu Xiaohong, but he was careless! He didn’t think that she would move against him with the threat of Jian Wushuang hovering over her head!

Yu Xiaohong didn’t stop there. She appeared before Jian Xiyuan before slapping him heavily. When her palm landed on Jian Xiyuan’s face, he flew out once again.

“That’s for your foul mouth.”

Struggling to get to his feet, Jian Xiyuan’s gaze was cold as killing intent raged in his eyes. He glared at Yu Xiaohong and he roared, “Yu Xiaohong, you bitc...” He was about to finish his word when he saw the cold gaze in her eyes. Swallowing his words, he changed the topic immediately. “We’ll report this to our patriarch! He will definitely tell our ancestor about this incident!”

“When that happens, our Lord Ancestor will pay a visit to your celestial empire personally!”

Yu Xiaohong couldn't be more calm and she sighed, “Go back and tell Jian Wufeng and Jian Wushuang that there's no need for them to come over. We'll head over to your Jian Family in a short while.”

Taken slightly aback, Jian Xiyuan stuttered, “Fine... Fine! We'll do just that!” Looking at Zheng Shen and the others, he quickly backed away.

“We're leaving!”

Zheng Shen and the others didn't make things difficult for the members of the Jian Family and they allowed them to leave.

After Jian Xiyuan and the others were gone, Yu Xiaohong returned to the courtyard in the palace and made a report to Huang Xiaolong.

Huang Xiaolong nodded slowly and muttered, “Alright. You can take your leave for now.”

Everyone quickly left his courtyard.

Shaking his head, Huang Xiaolong chuckled to himself. He planned to visit Tao Han'er on his trip, but who would have thought that the Jian Family would mess with them before they even arrived?

...

Jian Xiyuan and the others left the city in a sorry state.

“Lord Xiyuan, how dare that sl\*t attack us?!” Jian Chengfeng couldn't contain the rage in his heart and he roared in anger. He couldn't take the slaps lying down!

Killing intent filled Jian Xiyuan's eyes and he continued, "That b\*tch crippled Yu Dawei and attacked us... She even said that she would pay a visit to the Lord Ancestor. Seems like she's tired of living! I'll make a report to the patriarch right now!"

Jian Wufeng soon received a report.

He stared at the report in shock.

"What?! She's not willing to hand over the spiritual veins?!" Jian Wushuang frowned and he looked at his son. "Well, that's nothing special. She wouldn't be able to find them in the span of a day anyway."

Jian Wufeng hesitated for a moment and continued, "Jian Xiyuan also said that she wouldn't return us any of our treasures."

"Oh?!" Jian Wushuang frowned and he was stunned by the news.

"Did she really say that or is Xiyuan talking nonsense? Is she really not planning on returning my sword manual?" Jian Wushuang asked again. He could understand the reason behind Yu Xiaohong's actions of crippling Yu Dawei. However, he couldn't believe the fact that she would lust over the treasures of the Jian Family.

"That was what Xiyuan said in his report." Jian Wufeng said. "He wouldn't lie to me. Moreover, she kicked him twice, causing his spine to snap! She also slapped Jian Chengfeng eighteen times!"

"What?!" Unable to contain his surprise, Jian Wushuang allowed a small part of his sword intent to leak. The city trembled.

Not a single person missed the sword intent that came from the Jian Family Manor, and they stopped what they were doing.

"Give me the report."

Jian Wufeng didn't dare to dally in the slightest as he passed the report over to his father.

He read the report word by word as the frosty expression on his face grew stronger.

A moment later, Jian Wufeng spoke after Jian Wushuang had retracted his aura. "Father, the ceremony is about to begin. We can always look for her after the ceremony ends. After all, she has already refined the sword pills. That might be the reason behind her reluctance to return our treasures."

"Since she swallowed the pills, she will eventually belong to us in a few years. We can do whatever we like to her then!"

Jian Wushuang looked at Jian Wufeng quietly and the latter eventually lowered his head.

"Are you afraid that I'll cripple her? It's been so many years... Are you still not over her?" Jian Wushuang sighed.

Jian Wufeng didn't dare to say a word. He was a God of Creation with more than 14 billion units of grand cosmos energy. Even so, he was like a little kid before Jian Wushuang.

"Relax... Since you love her so much, I won't cripple her. However, I won't let her off easily after she injured the eminent elders of my Jian Family!"

"Many thanks to Lord Father!" Jian Wufeng thanked profusely.

Several days passed in a flash.

Everything that happened in the imperial palace of the Xiaohong Celestial Empire caused a storm to spread in the Zhu Lan Land.

In the days that passed, Huang Xiaolong cooped himself up in his courtyard to read the sword manual written by Jian Wushuang and he had no idea what happened in the outside world.

With his speed, he reached the eighteenth page in a few short days. As the pages at the back were harder to understand, his speed slowed down considerably.

Huang Xiaolong's respect for Jian Wushuang grew as he continued to read the manual. He had to admit that he was far from Jian Wushuang's understanding of the sword dao.

One fine day, Yu Xiaohong and the others came over to find him.

"Lord, there's something we wish to report." Yu Xiaohong didn't dare to speak loudly in case she distracted him from his comprehension.

"Speak." Huang Xiaolong's eyes didn't leave the sword manual and he spoke.

"We heard that the Green Spiritual Chamber of Commerce will be selling a batch of universe-level spiritual veins in a few days."

"Oh? Them again?" Huang Xiaolong snapped the manual shut.

"That's right. There seems to be two hundred spiritual veins in the batch they are planning to auction off. There are several top-grade universe-level spiritual veins among them." Yu Xiaohong explained. She knew that Huang Xiaolong urgently needed them.

"That's a lot..." Huang Xiaolong raised an eyebrow in surprise.

Zheng Shen laughed all of a sudden, "I heard that the oldest son of the patriarch of the Jian Family will be attending along with Young Lady Tao Han'er. Right... Mei Jie's son might also be there!"

Chapter 3640: Mei Jie's Son

"Mei Jie's son?!" Huang Xiaolong was stunned.

He asked them to take note of matters regarding the Zhu Family and Mei Jie, but he didn't expect them to be so efficient.

It had only been several million years, and Mei Jie got himself a son!

"Yes... Mei Jie's son." Zheng Shen continued, "We also learned that Mei Jie got married to Zhu Xinyi after he went to the Zhu Family. Their son is called Zhu Jian."

"Zhu Jian?!" Huang Xiaolong was flabbergasted. Wouldn't that mean that Mei Jie had married into the Zhu Family?! What the f...

Yu Xiaohong continued, "Zhu Jian has exceptional talent. He inherited supreme bloodlines from both Mei Jie and the Zhu Family. He has already reached the high-level Dao Venerable Realm after several million years of cultivation! Moreover, Mei Jie broke through to the peak of the grand completion stage. He's the second strongest expert after Zhu Chen now! From what it seems, he's as important as Zhu Ji in the Zhu Family!"

"Mei Jie, Zhu Xinyi, Zhu Jian..." Huang Xiaolong slowly got to his feet. After some time, a smile formed on his face and he asked, "When will the Green Spiritual Chamber of Commerce be auctioning off the items?"

"Three days later." Yu Xiaohong replied.

Next, he asked about several matters regarding the auction.

"Alright, all of you can return now." Huang Xiaolong said after he learned what he wanted to know. Picking up the sword manual, he sent them away.

At dawn the very next day, Yu Xiaohong handed over an invitation to the auction.

Huang Xiaolong brought Tao Hang along with him and they quickly left for the auction.

The Green Spiritual Chamber of Commerce chose to hold their auction in the Stoneless Celestial Empire, and it was pretty close to the Xiaohong Celestial Empire. Even so, that was relative to Huang Xiaolong. He needed a single day to arrive and he chose to leave Yu Xiaohong and the others behind. Whatever the case, she needed to deal with matters regarding the celestial empire.

There were several God of Creation Realm experts who were familiar with the area in the group on board the Universe Boat.

When they finally arrived, the entire venue had already been prepared. The Stoneless Celestial Empire might be weaker than the Xiaohong Celestial Empire, but their ancestor was a half step Universe God. He was quite the figure in the Zhu Lan Land and his celestial empire wasn't too shabby.

"Lord, should I look for a place to stay? After all, the auction is tomorrow." Cao Dehong asked. He was a God of Creation at the peak of the grand completion stage, and his Cao Family was located in the Stoneless City.

"Sure." Huang Xiaolong nodded slightly.

A look of joy formed on his face when he heard Huang Xiaolong's response. He quickly led the way over to his residence.

When Huang Xiaolong arrived, he noticed that the Cao Family seemed to be celebrating something. The decorations weren't there to welcome Cao Dehong. When he asked around, he realized that the patriarch of the Cao Family, Cao Kezhang, was preparing to welcome a very important guest!

They were going to play host to Zhu Jian!

With Mei Jie's status in the Zhu Family, Zhu Jian's importance in the Zhu Lan Land couldn't be underestimated.

When Cai Kezhang learned that Zhu Jian was going to attend the auction, he quickly spoke to the God of Creation Realm experts around Zhu Jian to invite him to stay in the Cao Family Manor for a single day.

Who would have thought that Zhu Jian would agree?!

Cao Kezhang was so happy that almost personally went out to buy the decorations for the manor.

The members of the Cao Family were waiting outside the manor to welcome Zhu Jian, but they were nowhere to be seen.

All of a sudden, several dozen figures appeared on the streets. Jumping with joy, Cao Kezhang yelled, "Young Master Zhu Jian is here!"

The experts of the Cao Family quickly went up to the group.

"Brother Zhu Yun!" Cao Kezhang noticed his friend the moment he went up. When he greeted everyone he knew, he turned to Zhu Jian and started kissing his ass. "Young Master Zhu Jian's arrival brightens up my Cao Family Manor! I heard that Brother Zhu Jian likes the Mei Zi Wine, and I got my men to prepare them."

The wine was specially made by a half step Universe God called Mei Zi. Her strength was comparable to Yu Xiaohong and she was also a top beauty in the Unknown Space. A single jar would cost a billion dao coins, and one might not be able to buy it even if they had the money! In order to get a single jar, Cao Kezhang used quite a bit of effort.

Casually glancing at Cao Kezhang, Zhu Jian asked, "How many jars did you manage to get?"

An embarrassed expression appeared on his face and he stuttered, "This... Young Master Zhu Jian knows how precious the wine is. I only managed to get a single jar..."

Before he could finish, he was interrupted. "Heh, I won't even be able to fill the gaps of my teeth with a single jar. Do you really think that I'll appreciate your gesture when you can only get a single jar of wine?"

Cao Kezhang's expression changed and he explained hastily, "Young Master Zhu Jian, that's not what I meant!" He quickly looked at Zhu Yun to ask for assistance.

Zhu Yun turned to Zhu Jian and muttered, "Young Master, it's extremely difficult to get a single jar of Mei Zi Wine. Cao Kezhang is only trying to show his appreciation for you and there's nothing to fuss over."

Ignoring Cao Kezhang, Zhu Lan entered the manor. However, a pretty lady in the crowd caught his eye when he was walking through the entrance. He turned to Cao Kezhang and sneered, "She shall pour my wine."

Cao Kezhang's expression sank slightly. The lady he pointed at was his daughter, Cao Ying. He would celebrate if his daughter caught Zhu Jian's eye previously, but she was already engaged to the young master of the Chen Family in the Stoneless Celestial Empire. The reputation of the Cao Family would be dragged through the mud if they allowed her to serve another man.

The Chen Family might not dare to do a thing to the Zhu Family, but they were more than capable of smashing the Cao Family to bits! It wasn't as though Zhu Jian wanted her as his bride, and there was nothing in it for the Cao Family!

Cao Ying's expression changed when she heard what Zhu Jian said,

Noticing Cao Kezhang's face, Zhu Jian sneered, "What's the problem? Are you not willing to let her do it?"

Explaining in haste, Cao Kezhang tried to diffuse the situation. "No... No. That's not it. Young Master Zhu Jian, she got engaged with the young master of the Chen Family several days ago. There are other beauties in my Cao Family, and I'll get them to serve you!"

A slap landed on Cao Kezhang's face when Zhu Jian heard what he said. The resounding clap rang through the skies and it was followed by a snort from Zhu Jian. "What are you trying to say?! Do I look like a pervert to you?!"

"No... No..."

"She'll serve me later. That's it." Zhu Jian declared before walking into the manor.
