

Invincible Conqueror Chapter 426:

Release of Xiao Xiaoying

Baozhou City, the backyard of the city government.

The steward Tan An and Li Cheng, another sanctuary in the city's main government, are sitting in the stone pavilion and drinking.

"I don't know why the great man of the church went to the Thai emperor, and he couldn't get out of the martial arts world." Tan An said to the toast.

Li Feng toasted, two people touched, one drink, Li Feng shook his head: "Teacher the adult, what are our slaves can speculate." The tone is awe, worship.

"That would make Huang Xiaolong more arrogant and live for a few years." Tan Andao, when he said this, his tone turned: "The woman, is it really a small woman? The Princess of the Heavenly Buddha Empire in the snowy continent?"

Li Feng nodded: "It should be wrong, that Shi Xiaoxiao is the first beauty in the snow and snow continent. It is indeed beautiful and beautiful. It is no wonder that the young masters will be tempted."

Tan Andao: "Don't talk about the lesser master, even if it is me, now I want to release Xiaoyan's face. That smile, every move, my heart can't help but burst into flames. If I can fix this night with this woman, I will repair it as a break. willing."

Li Feng smiled and said: "Well, since the release of Xiao Xiao is a lesser teacher, we can't think about it anymore."

Tan An nodded.

However, at this moment, suddenly, a cold voice rang and the voice was abrupt, and the faces of the two men changed suddenly.

"Who?!" The two stood up.

Tan An and Li Feng just stood up and saw a young black-haired man coming out of the night. Every time the young black-haired young man took a step, the dark red air was thick.

An astonishing killing shrouded the backyard of the entire city.

Tan An, Li Feng, both eyes are condensed.

Strong and powerful!

The strength of the other party is definitely stronger than the two!

However, after the shock, I thought that this was the main city of Baozhou City, Tan An, Li Feng and two settled down.

"Friend, what night are you at the main city of Baozhou City?" Tan An asked coldly.

It is naturally Huang Xiaolong who comes.

"What is it?" Huang Xiaolong sneered: "Where is Xiao Xiaoyu?" Originally, his intuition that Xiao Xiaoyu was missing should be related to the main city of Baozhou City. I did not expect to sneak in, and I heard Tan An and Li Feng talk. Shi Xiaoying really fell into the hands of Qiankun God.

Tan An, Li Feng heard the words, some surprised.

Li Feng smiled and said: "Your lord was the master of the Tianfo Empire. If this is the case, it is true that we have less love between the Lord and the Princess Xiao Xiaoying. The two have already set a marriage. After some time, we are less educated. Married, you will be informed of the Heavenly Buddha Empire."

Huang Xiaolong looked at the two people, and smiled coldly. Just two people talked. It is obvious that the gods and gods of the gods and gods teach the little priests to read the Xiaoxuan. Now, the other party actually said that it is a sympathy. Have you set a marriage? This is even more ridiculous.

This Qiankun **** teaches one side to set the marriage, and when he is married, he tells the Tianfo Empire that when he cooks rice, he is not afraid of the Tianfo Empire.

On the other hand, Qiankunism does not put the Heavenly Buddha Empire in its eyes.

Knowing the identity of Xiao Xiao, I dare to do this!

"How do you want to die." Huang Xiaolong's eyes are cold.

From the conversation between the two people, he knew that the gods and gods of the Qiankun gods had gone to the Thai emperor. Since the Qiankun gods were not there, he had nothing to worry about!

How do you want to die? Tan An, Li Feng and two people are angry.

How to say, both are sanctuaries, and this is the main city of Baozhou City.

Tan An sneered: "A big tone! Do you think you are Huang Xiaolong?!"

However, his voice just fell, and suddenly, a group of black beetles flew to the two, overwhelming.

Two people at a glance, is this? !

Poisonous beetle? !

Suddenly, the two of them flashed their minds and their faces changed dramatically.

Although the two have not seen the poison carcass beetle, but this group of black beetles flying to the two people, is not exactly the appearance of a poisonous carnivore that has recently been rumored.

Huang Xiaolong? !

The two of them looked at Huang Xiaolong and their eyes were horrified. The thoughts of the two men were only between the flashes of lightning. At the same time, they shouted and slammed into the palms of the poisonous carnivores that came in.

Both of them are strong in the sanctuary, and the momentum is earth-shattering.

However, just as the two had just shook the poisonous carapace, suddenly, a ring of gold appeared on the top of the two men, and a strong golden light shrouded the air.

The two felt that the space around them was tight, and the body could not move for a while.

"Prisoner's Circle!" Tan An looked at the high-altitude circular gold circle and exclaimed.

But then, Tan An felt a pain in his arm. He looked at it and saw that there was a poison carcass beetle on the arm. As in the legend, he felt paralyzed in an instant, and the strength of the sea could not be condensed. Tan Ann face pale.

At about the same time, Li Feng was also bitten by a poisonous beetle.

Huang Xiaolong took the prisoner's circle back, and the prisoner's circle retracted. Suddenly, the two men fell from the air.

The ground is full of noise.

"Huang Xiaolong, you, what do you want?" Tan An fell to the ground, his eyes could not hide his fear: "This is the main city of Baozhou City."

Huang Xiaolong sneered: "I know that this is the main city of Baozhou City." When it came to this, they came over to the two and then collected the poisonous carcass.

Tan An and Li Feng saw Huang Xiaolong recovering the poison carcass beetle. His face looked good. It seems that this is the main city of Baozhou City. Huang Xiaolong is still jealous. He dare not kill the two.

Just when the two thought about how to delay the time, when the masters of the Qiankun gods came, Huang Xiaolong's eyes suddenly turned purple, and in the eyes, two purple souls broke out.

Tan An, Li Feng only felt that the purple light flashed in front of them, and then their eyes were sluggish.

Huang Xiaolong's eyes are purple and radiant.

After half an hour, Huang Xiaolong's eyes returned to normal and his face was pale.

At this time, Tan An and Li Feng both returned to normal.

"You, what did you do to us?!" Li Feng and two people looked at Huang Xiaolong in amazement. Just two people felt that the purple light flashed in front of them and they lost consciousness.

Huang Xiaolong smiled coldly. Under the horrified eyes of Li Feng, the poisonous corpse beetle was called again, and soon, the screams screamed.

The souls of the two, Huang Xiaolong put it into the flag of the Capricorn, as a ghost flag ghost.

Just now, Huang Xiaolong used the ancient martial arts and the soul method to control the souls of the two people. After searching for the memory of the two people, however, Huang Xiaolong's current spiritual power can only search for a very small part of a person's memory, such as the last two of them. What happened within two years.

From the recent memory of Tan An and Li Feng, Huang Xiaolong knew that Shi Xiaoyu and the two maids who followed Shi Xiaoyu were all taken to the Qiankun Shenjiao headquarters by Xie Huizhen, the **** of the Qiankun gods.

"Xie Hui." Huang Xiaolong's eyes were cold, his body flashed and disappeared into the night.

Because Huang Xiaolong used the power of the prisoner to ban the space around the backyard, the movement in the backyard did not cause the attention of Pengzhuang, the main capital of Baozhou City.

The next morning, Peng Zhuang came to the hall and said to the maid next to him: "Go, call Mr. Tan." Last night, when I thought about it, he always felt a little uneasy and wanted Tan An to go to the temple. Headquarters.

(There are things in these two days, first one, and two more tomorrow.) (To be continued. Please search for astronomical literature, the novel is better and faster!)
