

Invincible Conqueror Chapter 429: Direct shot

The night passed.

The sun rises and the entire Qiankun City is bustling with the sun shining.

Today is the day of the big marriage of the gods and gods, and it is a very sensational event for the entire nebula continent.

All the streets of Qiankun City are full of lanterns and a festive celebration.

The major sects that come to congratulate, the major families, and the powerful forces of all majors are in constant stream.

The south gate of Qiankun City is more than a dozen feet wide, but today it seems a bit crowded.

The streets around the main city of Qiankun City are crowded with all kinds of luxury mounts, luxury cars, and dazzling.

"The top ten of the gods!"

"One thousand and two hundred years of clear grass, three!"

"Dragon crystal spar, two!"

Lin Kun, the elder of Qiankun God, is reporting the congratulations from the powerful forces who came to congratulate.

These gifts, just take one out, are all sensational things.

The spirits sent by the powerful forces who came to congratulate, the lowest order is the lower order of the gods, the holy products are embarrassed to come out, and the elixir is generally more than a thousand years, as for some spiritual stones, They are rare and rare.

After some of the Qiankun disciples received these gifts, they opened the temple that had been prepared for a while and threw it in.

These spirits, elixir, and sparse spar may be treasures for others, but for Xie Hui, the master of the gods and gods, it is ordinary.

Only the top of the gods, you can enter the treasure house of Qiankun.

At this moment, Lin Kun, the elder of Qiankun God, suddenly shouted loudly: "Qing virtual door, the top of the gods, the dragon and the tiger, the spring, one!"

All around, there was a commotion, and they all looked over.

The top of the gods!

The Qing Dynasty is really one of the super-powers, and the gift is actually a magical top!

The passage of time, at noon, the great family members who came to congratulate, filled the inner hall and the outer hall of the main city of Qiankun City.

In the inner temple, only the strong people of the sanctuary can enter, and the outer halls are all strong and semi-Sacred peaks. The powerful forces who came to congratulate this time rarely have the following tenth order.

As for some congenital seventh-order, eighth-order family disciples, they are not qualified to enter the gate of the main city of Qiankun City. They can only sit in the seats of the opposite restaurant, and look at the gates of the main city of Qiankun City and enter and exit the crowd.

"I heard that the gods and gods have broken through the realm! I wonder if it is true or not?!"

"I am afraid that it is true, Xie Hui said personally, he did not dare to make fun of this matter!"

The inner temple, the sacred strongholds of all parties, carefully talked and looked different.

Last night, Xie Hui said that his father Xie Chao has already broken through the domain of the gods. Today, many super powers, many first-rate big families have heard of this news.

This news is even more shocking than Xie Hui's marriage.

The power of a powerful powerhouse is enough to change the current pattern of the mainland's nebula.

After the big superpowers and the first-class big family heard it, they reacted differently.

Some first-class big families have even planned to marry Xie Hui today, and announced that they will contribute to the Qiang Kun religion.

In their view, since the Qiankun gods have broken through the domain of the gods, it is a matter of time to unify the nebula continent. It is better to invest earlier than to be effective later.

"Xuanzhou City, 10,000 Qiankun God disciples were ordered to be slaughtered by Huang Xiaolong, this matter, have you heard about it?"

"I heard that the emperor of the Qiankun gods, Hu Chen, the only son of law enforcement, also died in Xuanzhou City. I heard that Hu Guang died very badly."

"There was a good show here. Huang Xiaolong was too arrogant. I really thought that the world was invincible. I dared to order the killing of the Qiankun disciples. I saw that Xiaolong and Shuramen would soon be destroyed!"

The powerful people also talked about the things of Xuanzhou City in the past few days.

"Shi Xiaoxiao married to the gods of the Qiankun gods, the wind and snow mainland Buddha empire climbed this high branch, and that Brahma was afraid of being happy!"

"However, it is really beautiful to release Xiaoxiao. If I could have such a daughter, then it would be fine."

The people also touched Shi Xiaoying, the Buddha of Heaven.

At this time, the south gate of Qiankun City led to the avenue of the mountain outside the city. The space fluctuated, and the figure of Huang Xiaolong appeared. Because of the epiphany of the Dragon God 13 last night, it was delayed for several hours.

Huang Xiaolong looked up and looked at the sun, when it was near noon, the sun was very strong.

When I came to the south gate of Qiankun City, Huang Xiaolong looked at the strong and powerful parties in and out of Qiankun City. I was puzzled in my heart and heard the arguments from the strong parties. I began to understand that today it is the great teacher of Xunkun Shenjiao Xie Huida. Wedding day!

Huang Xiaolong's eyes are cold.

Unexpectedly, today is exactly the wedding of Xie Hui!

Coldly killing the ice of the ice under the glory, sweeping around.

All the powerful people close to Huang Xiaolong were shocked and shocked.

The murderousness of Huang Xiaolong also caused the attention of the disciples of Qiankun, who were guarding the south gate of Qiankun City.

"Which discipleship are you from? Are there any congratulations?" Several Qiankun disciples came over and asked.

Xie Hui suddenly ordered last night that only those who hold the congratulations can enter the city. Therefore, today, all the powerful and disciples who want to enter the city of Qiankun must present a congratulatory message.

However, Huang Xiaolong did not seem to hear the words of the Qiankun God disciples and went straight to the south gate of Qiankun City.

The few disciples of the Qiankun gods saw his face and his face sank.

"Stand up!" A Qiankun disciple reached out and stopped Huang Xiaolong and said: "Boy, if you don't take out the post again, don't blame me!"

He just said this. Suddenly, a terrorist force came in. When the Qiankun disciples did not react, they were drowned by this terrorist force. The whole person flew out and went to the distance above the wall of Qiankun City. .

Everyone stays.

The powerful parties who came to congratulate are even more shocked to see Huang Xiaolong. They are not mistaken? Someone dared to make troubles in Qiankun City on the day of the big marriage of the gods and gods. !

After staying around the Qiankun disciples, they were furious and shouted and surrounded Huang Xiaolong.

Huang Xiaolong was indifferent and continued to walk to the south gate of Qiankun City.

All the disciples of the Qiankun gods attacked all over the place. However, all of these Qiankun disciples were attacked, or nearly ten feet around the body of Huang Xiaolong, all of them were shocked, without exception.

When Huang Xiaolong entered the south gate of Qiankun City, the three or four hundred Qiankun disciples who were guarding the south gate of Qiankun City all fell into a pool of blood.

The strong parties who were planning to enter the South Gate did not panic and retreated. They hid far away, and they looked at Huang Xiaolong's back in fear.

Huang Xiaolong ignored the eyes of everyone behind him. After entering the Qiankun City, he went directly to the main city of Qiankun City.

Originally, according to Huang Xiaolong's original meaning, it was intended to sneak into the Qiankun City, and rescued Xiao Xiao, but did not expect Xie Hui to get married today, and it was near noon, time was tight, and Huang Xiaolong simply ransacked again, directly to stop! (To be continued. Please search for astronomical literature, the novel is better and faster!)
