

Invincible Conqueror 436: Our president is not here

In the battle of Qiankun City, Huang Xiaolong realized that his own strength is still too weak.

If you don't rely on the poisonous corpse beetle to entangle Chen Xiaofeng and other high-ranking strong people in the sacred sacred sacred place, Chen Xiaofeng can kill him by anyone.

Moreover, it is too horrible to consume the martial arts. With his current vindictive energy, he is fully capable of exerting his abilities, and he can only make two consecutive strikes.

This is also the reason why Huang Xiaolong has been trying his best to display the two slashes.

In this trip to the Jinxuan Chamber of Commerce, Huang Xiaolong must get the four dragon **** grasses anyway.

At that time, the eight trees will be collected, and Huang Xiaolong will be able to refine a Taikoo Shenlong, and its strength will rise.

Huang Xiaolong stopped for a while and walked into Ducheng.

Shi Xiaoying and the three women followed.

Although he wondered why Huang Xiaolong came to Ducheng, but Shi Xiaoyan did not ask much, as long as he could follow Huang Xiaolong, Huang Xiaolong would not send her back to the Heavenly Buddha Empire.

After entering Ducheng, Huang Xiaolong inquired about the headquarters of the Jinxuan Chamber of Commerce and went straight to the headquarters of the Jinxuan Chamber of Commerce.

"Yellow Big Brother, are you going to the Jinxuan Chamber of Commerce to buy something?" On the way, Shi Xiaoyan asked casually.

Huang Xiaolong nodded: "I want to buy a few dragon **** grasses. I heard that the president of the Jinxuan Chamber of Commerce has it."

"You want to buy dragon grass?!"

"Yes, what's wrong?" Huang Xiaolong saw the expression of Xiao Xiao, and his heart was strange.

"We have a treasure house of the Buddha of Heaven!"

Huang Xiaolong's look was shocked, and then he looked like a big smile. He didn't dare to talk to each other: "You, the treasure house of the Tianfo Empire, the dragon **** grass?!"

Shi Xiaoxiao nodded resolutely: "Yes, but I don't know how much, but at least ten!"

"Ten!" Huang Xiaolong breathed tight.

Ten dragon **** grass!

Huang Xiaolong couldn't help but secretly laughed.

I did not expect the dragon **** grass that I was looking for, and there was a treasure house in the Tianfo Empire.

At least ten, then collect the four Jinxuan Chamber of Commerce, when Huang Xiaolong can at least refine two Taikoo Shenlong.

Two Taikoo dragons!

Huang Xiaolong's throat swayed.

"Yellow Brother, that Dragon God Grass, is it important to you?" Shi Xiaoyan saw Huang Xiaolong's face happy, and he was happy, and asked.

Huang Xiaolong pressed his heart and excited, and nodded deeply: "Yes, it is very important."

Before the Wu Da Competition, whether Huang Xiaolong can break through to the Tenth Order of the Sanctuary, can see if he can find enough Dragon Grass.

Dragon Grass is extremely important to Huang Xiaolong!

After knowing at least ten dragon **** grasses in the treasure house of the Tianfo Empire, Huang Xiaolong was in a good mood, and at the same time he

regretted it. When he knew that he had passed through the Heavenly Buddha Empire, he asked the brothers to tell Brahma.

After a while, Huang Xiaolong came to the Jinxuan Chamber of Commerce headquarters.

The Jinxuan Chamber of Commerce is one of the four major chambers of the nebula continent. The club is almost all over the mainland of the nebula. Even among the thirty-six states controlled by Shuramen, there are quite a few branches of the Jinxuan Chamber of Commerce.

Although the four major chambers of commerce are not one of the twelve superpowers of the nebula continent, their power is not weaker than the twelve superpowers.

The headquarters of the Jinxuan Chamber of Commerce stands in the most troubled street in Ducheng. It covers an enormous area and has eight gates. Each fan is five or six meters wide and is magnificently decorated.

There are always people coming in and out, very lively.

A few people walked in, and many people looked over. Suddenly, there was some commotion.

Huang Xiaolong has some bitter smiles.

He naturally knows that these people are commotion, because it is because of Xiao Xiao.

In order to explain the beauty of the city, no matter where you go, it will become the focus of attention.

Every time, there is a shop guy coming over, greeting a few people of Huang Xiaolong, perhaps because of the super beauty of Shi Xiaoying, so the shop guy is extremely polite.

"I don't know if a few ladies want to buy something, or do they want to sell things?" The shop guy looked at Shi Xiaoyan charmingly, his eyes fixed on him. As for Huang Xiaolong, he ignored it.

Shi Xiaoying was a little angry by the shop guy. However, in front of Huang Xiaolong, he was not angry, and Shi Xiaoying looked at Huang Xiaolong.

"I want to see your president." Huang Xiaolong said.

The shop guy glimpsed, and this turned to look at Huang Xiaolong.

Want to see the president? !

Immediately, he was surprised and looked at Huang Xiaolong.

"This brother, we are not in the president, I don't know if you want to see our president, what?" The store guy said, his eyes did not hide his disdain.

Want to see the president?

They are the presidents of the Jinxuan Chamber of Commerce, and whoever they say and see, even the 12 superpowers, some elders want to see their presidents, but also see their presidents willing or not.

Huang Xiaolong saw that the shop guys disdain in the eyes, did not say anything, took a medicinal medicine from the Shura ring, suddenly, the entire Jin Xuan Chamber of Commerce living room a piece of Danxiang, stunned, people feel the shock.

Everyone in the hall was shocked and they all looked over.

"This is the top of the gods, Longhai Bijindan." Huang Xiaolong put the table on the table, said to the store guys: "I can see your president now?"

The shop guy's legs suddenly trembled.

The top of the gods!

When he heard Huang Xiaolong ask questions, he woke up and looked at Huang Xiaolong. His eyes changed.

"Zongzi, please wait a moment, I am going to report to us to manage things." The shop guy respectfully said.

Huang Xiaolong nodded.

The shop guy turned around and quickly left.

After the store boy left, the people in the hall looked at the dragon sea Bi Jindan on the table of Huang Xiaolong, like a group of wolves staring at a piece of fat.

"The top of the gods, Ling Dan Longhai Bi Jindan? Will not be fake?!" A family disciple ridiculed.

"This can be said, some people have come to the Jinxuan Chamber of Commerce before, and Jin Xuan Dan said that it is too Jindan, and later was killed by the elders of the Jinxuan Chamber of Commerce!" Another person said: "Although not dead, but also by the Elder of Jinxuan Chamber of Commerce Knocked your hands!"

The people in the hall talked about it.

At this time, a big belly, a radiant middle-aged man walked in front of Huang Xiaolong, said to Huang Xiaolong: "This brother, I have a little research on the medicinal herbs, I know the true and false, I can look at this dragon Haibi Jin Dan?" After finishing, and did not wait for Huang Xiaolong to agree, he had to reach out and take Longhai Bijindan on the desktop of Huang Xiaolong.

However, his hand just reached the table, and suddenly, he was pinched by one hand and stopped there.

The middle-aged man's face changed, but he was congenitally late tenth, and he was easily pinched by the young black man.

"No." Huang Xiaolong whispered, and then the hand was forced, the bones were shattered and the sound of Huang Xiaolong was shocked. The middle-aged man retreated and almost slammed into the stone pillar in the corner of the hall.

The middle-aged man was angry: "You!" However, he did not dare to come forward.

Everyone in the hall was also surprised. Many people recognized the middle-aged people. They were the old parents of Ducheng Su, and they knew their strength. Now, Huang Xiaolong has easily crushed his hand bones. (To be continued. Please search for astronomical literature, the novel is better and faster!)

Originally, there were indeed a lot of ideas for playing Longhai Bijindan, but seeing Huang Xiaolong revealing this hand, he could not help but press the greed of his heart.

"What happened?" At this moment, a majestic voice sounded.

Everyone looked and saw that the shop boy who had previously retired from the newspaper was following behind the two and walked out from the inner hall.

Walking in the forefront is a middle-aged man wearing a big green robes, a thick eyebrow, a big face, and a savvy eyes.

The old Su Ming, who was crushed by Huang Xiaolong, saw the middle-aged Lu Jinzhong, and hurriedly greeted him. His face was respectful and charming, and he smiled and said: "Zhang Chang."

The person who came is the elder of the Jinxuan Chamber of Commerce, Zhang Jingfeng.

After the shop guy went back to the newspaper, he thought that the matter could not be done, and reported it to the elder Zhang Jingfeng.

Everyone in the hall also respectfully called it.

Zhang Jingfeng is the elder of the Jinxuan Chamber of Commerce, and is also responsible for the transaction of the headquarters trading hall. He has a high status in the Jinxuan Chamber of Commerce. Even if he is the owner of Ducheng, he should be polite.

Zhang Jingfeng nodded to the people in the hall.

At this time, the old Su Ming, the parents of the Su, continued: "Zhang Elder, the kid took a medicinal medicine that I don't know what the order is, saying that it is the top of the gods, the dragon, the dragon, the sea, the golden dragon, I am slightly medicinal. I really want to give it a confession. Unexpectedly, the kid suddenly sneaked and broke my hand bone!"

He said that he became a good heart, and said Huang Xiaolong as a sneak attack.

"Oh." Zhang Jingfeng looked at Huang Xiaolong.

"The kid has a ghost in his heart, and he dares not to identify me. The remedy is definitely a fake!" Su Ming continued, saying this. Looking at Huang Xiaolong, his eyes are extremely hateful.

Zhang Jingfeng nodded, his face calm, could not see the thoughts in his heart, and then went to Huang Xiaolong and Shi Xiaoyu.

Soon, Zhang Jingfeng came to the front of a few people in Huang Xiaolong. He looked at the dragon sea Bi Jindan on the desktop of Huang Xiaolong, and his eyes flashed.

Although not yet carefully identified, but with his many years of experience. This spirit. It is definitely a **** above the spirit.

However, Zhang Jingfeng saw that Huang Xiaolong sat there and did not move. He did not see the meaning of getting up, and his heart was uncomfortable. after all. In his capacity. Even the Ducheng city owner should get up and meet.

"Hello, this is the legendary dragon **** Dan Longhai Bi Jindan?" Zhang Jingfeng said, of course, he did not reveal his dissatisfaction.

"Not bad." Huang Xiaolong looked indifferent.

"Can I identify?" Zhang Jingfeng said.

"Yes." Huang Xiaolong nodded.

Zhang Jingfeng pointed. The Longhai Bijindan fell into his hands, and Longhai Bijindan fell into his hands. He felt that his palm was slightly sinking and he was shocked.

It is rumored that Longhai Bijindan, one of the materials is Bijinsha, after refining, a small Longhai Bijindan is as heavy as a pound.

Zhang Jingfeng could not be carefully identified. The more he was identified, the more surprised he was in his heart. Because this Longhai Bijindan, the medicinal properties remained extremely intact. He had previously identified

some of the top-level panaceas, but it was not as good as this one. well-preserved.

Su Ming and others screened quietly and looked closely. Seeing Zhang Jingfeng's look, they were also surprised. Is this Ling Dan really a god-like spirit? !

At this time, Zhang Jingfeng's palm flashed, and the vindictiveness slowly entered the Ling Dan along the Ling Dan vein. Suddenly, a green light rushed out, and there was a faint sound of dragons.

Su Ming and others were surprised.

After a while, Zhang Jingfeng will regain his temper, the green light will be recovered, and the dragon will disappear.

"This medicinal medicine is indeed the legendary Longhai Bijindan." Zhang Jingfeng will tell the results.

Everyone in the hall was round and stared, staring at the Longhai Bijindan.

Zhang Jingfeng put the Longhai Bijindan back to the Huang Xiaolong table.

"I don't know the brothers, how do you plan to sell this Longhai Bijindan?" Zhang Jingfeng said, a lot of politeness.

"You are the president of the Jinxuan Chamber of Commerce?" Huang Xiaolong asked.

Zhang Jingfeng stunned and his face looked a little bad.

The meaning of Huang Xiaolong, he heard it, to designate the president of the Jinxuan Chamber of Commerce.

"Longhai Bijindan is the legendary dragon god, but I can still be responsible for this transaction." Zhang Jingfeng said, the tone is a bit cold.

His meaning is very clear, although Longhai Bijindan is precious, but they do not have to alarm their Jinxuan Chamber of Commerce.

In other words, Huang Xiaolong wants to see their president of the Jinxuan Chamber of Commerce, and is not qualified by a Longhai Bijindan.

Su's parents, Su Ming and others, saw it and could not help but gloat.

Huang Xiaolong's face was indifferent, and the meaning of Zhang Jingfeng, he naturally heard it.

Under the eyes of Su Ming and others gloating, Huang Xiaolong's hands flashed, golden light, and a burst of Danxiang.

Su Ming and others were surprised. I saw another dragon in the hands of Huang Xiaolong.

"This is the water fire dragon Yuan Dan, the top of the gods." Huang Xiaolong's voice sounded.

Then, Huang Xiaolong appeared again in the hands of a panacea.

"This is the reverse dragon, the top of the gods."

"This is Dragon God Dan, the top of the gods."

Under the stunned eyes of Su Ming and others, Huang Xiaolong took out ten Ling Dan in succession, and all of them were placed on the table.

Danxiang is tangy.

The entire hall, such as the ocean of medicinal herbs.

Even Zhang Jingfeng, the elder of the Jinxuan Chamber of Commerce, couldn't help but take a breath.

Ten gods top level Ling Dan!

Ten and one, these are two completely different concepts.

If the other nine are really the top of the gods, then!

Zhang Jingfeng reached out and identified them one by one. At the end of the identification, the hand shook like a vibrating machine head.

Although Zhang Jingfeng did not say it, everyone knows from his expression that the other nine are also the top of the gods!

"How? I can see you President of the Jinxuan Chamber of Commerce?" Huang Xiaolong said.

Zhang Jingfeng and everyone came back to God, Zhang Jingfeng once again looked at Huang Xiaolong, his eyes completely changed.

"Please wait for the son, I will report to our president!" Zhang Jingfeng respected a lot.

Huang Xiaolong nodded.

Zhang Jingfeng turned and left.

After Zhang Jingfeng left, everyone looked at Huang Xiaolong's eyes and added a few things. In his heart, he secretly guessed the identity of Huang Xiaolong. Even some big family owners in Ducheng couldn't just take out ten gods.

Such as Sujia.

Su Ming stood in the crowd, a lot of honest, watching Huang Xiaolong, eyes afraid.

After a while, Zhang Jingfeng came out and said to Huang Xiaolong: "The son, we will have a request."

Huang Xiaolong nodded and put the medicinal herbs away, and stood up with Shi Xiaoyan and the three women, followed Zhang Jingfeng and entered the inner hall.

Looking at the back of Huang Xiaolong and several people entering the inner hall, the hall rioted.

"I don't know what the identity of this person is. I even took out ten gods and tops of the gods!"

"Maybe it is a ancestral elder who can't be seen for thousands of years!"

In the voice of the crowd, Huang Xiaolong followed Zhang Jingfeng through the Wind Temple and came to an elegant palace. (To be continued, please search for astronomical literature, the novel is better updated faster!

When Huang Xiaolong just came to the elegant temple, he heard the laughter from the hospital. Huang Xiaolong had some accidents. From the laughter, it was two people.

One of them should be the president of the Jinxuan Chamber of Commerce.

Is the president of the Jinxuan Chamber of Commerce receiving another person?

However, it can be received by the president of the Jinxuan Chamber of Commerce, and the identity of the other party should not be low.

Under the leadership of Zhang Jingfeng, Huang Xiaolong entered the temple.

Upon entering the temple, Huang Xiaolong saw two middle-aged men sitting on the main hall and talking and laughing. One of them, wearing a red robes and wearing a red gem at the waist, shimmered with red gems. Obviously extremely valuable.

This middle-aged person should be Zhu Wuji, president of the Jinxuan Chamber of Commerce.

The other person, wearing a black robe, has a red cloud in his chest, and the red cloud is shining with brilliance.

The person who clears the door?

When crossing the monster forest, Huang Xiaolong saved the small sky and killed the Qingmen and the Baifenglou elders.

Huang Xiaolong observed two people, and both of them also observed Huang Xiaolong.

It is easy to come up with ten top-level spirits, so that Zhu Wuji is very curious.

Zhu Wuji searched for the memory of the mind, but could not find information about the young black man in front of him.

However, when the two men saw Xiao Xiaoyan's appearance next to Huang Xiaolong, they also had bright eyes, especially the middle-aged man wearing a black robe. His eyes were hot and he stared at Shi Xiaoyan.

Zhu Wuji saw the look of the middle-aged man in black robe and shook his head secretly. He knew that the middle-aged people in the black robe had little hobbies, but they only liked the beauty.

"The president, that is, this son wants to see you." Zhang Jingfeng and Huang Xiaolong came to the center of the main hall and respected Zhu Wuji.

"The little brother doesn't know how to call it?" Zhu Wuji smiled at Huang Xiaolong: "Want to see me, what is it?" Although the voice is polite, but Zhu Wuji and the black robe middle-aged people did not stand up, nor did they let Huang Xiaolong four people The meaning of sitting down.

Huang Xiaolong's face was indifferent and he did not answer. He asked: "I heard from the Qin family in Baozhou City that Zhu Huichang bought four dragon **** grasses from him."

"Dragon God Grass?" Zhu Wuji and the black robe middle-aged people.

Obviously, both of them were surprised. I didn't expect this young black man to come for the dragon grass.

Zhu Wuji looked at the middle-aged man in the black robe and said to Huang Xiaolong: "Yes, I did buy four dragons from the Qin family in Baozhou City. However, just now, the four dragons have been Shaomen was bought with a hundred high-end spirits."

Huang Xiaolong looked at the middle-aged man in black robe and frowned.

I didn't expect things to be so clever, but I was bought by the middle-aged man in this black robe.

"Forgot to introduce, this is the deputy doorkeeper of Shaoxumen Shao Qingjian." Zhu Wuji then smiled, pointing to the black robe middle-aged.

Qing Xumen, deputy head Shao Dongjian!

Huang Xiaolong had some accidents. Although he already knew that the middle-aged man in the black robe was a person who was clearing the door,

he did not expect that the other party would be the deputy doorkeeper of the Qing Dynasty.

Shao Dongjian listened to Zhu Wuji's introduction of his identity, and his expression was unspeakable and proud.

"You want Dragon God Grass? That is not impossible." Shao Dongjian said to Huang Xiaolong: "So, as long as you take twenty of the top spirits to exchange with me, I can give up."

Huang Xiaolong heard the words and sneered in his heart.

Twenty gods top grades!

It will be a business.

This Shao Dongjian was bought with a hundred high-end spirits of the gods. One hundred high-end spirits of the gods are worth at most five or six gods.

However, now I have mentioned twenty!

Zhu Wuji is also amazed, but there is no opening.

Shao Dongjian sees Huang Xiaolong looking at himself coldly, and his heart is uncomfortable. Even Zhu Wuji, who is the president of the Jinxuan Chamber of Commerce, dare not put this face in front of himself. He can't help but smile: "Why, can't get it out?" Yes, the twenty gods that I just said are just a kind of dragon **** grass. If you want to exchange four trees, you must take out eighty!"

Eighty!

"Yes?" Huang Xiaolong heard the words, but calmed down and looked at each other indifferently.

Shao Dongjian sneered: "Of course, if you can't get the top ten spirits of the gods, it's not impossible. As long as you give the woman to me as a maid, I will be comfortable, let me be satisfied, to When I can consider giving the four Dragon Grasses to you for free!"

Waiting comfortably! satisfaction!

The meaning is white, it is the bed waiting!

Of course, it is not necessary to give the four dragons to the grass at that time.

Shi Xiaoying and the three women heard the words, and they were angry and they had to shoot.

Huang Xiaolong reached for a stop and looked at Shao Dongjian coldly: "I hope to see you next time, you can still say this." In Huang Xiaolong's heart, this Shao Dongjian is already dead, but Huang Xiaolong does not want to do it here.

After Huang Xiaolong finished, he turned to Zhu Wuji, who was on the side: "Mr. Zhu, thank you for your hospitality today!"

Zhu Wuji is onlookers. Although it seems that the two are not helping each other, it is actually a partial help to Shao Dongjian.

After all, here is the headquarters of the Jinxuan Chamber of Commerce, and Zhu Wuji is the host. How can I stand up and say a few words?

"let's go!"

Huang Xiaolong and Shi Xiaoying left the three women.

"Stand up!" Shao Dongjian saw that Huang Xiaolong dared to speak out loudly about himself. When he was angry, he would have to stand up.

At this time, Zhu Wuji stood up and waved his hand and stopped Shao Dongjian: "Slow!"

Shao Dongjian looked at Zhu Wuji.

Zhu Wuji said: "Shao brother, you have to do it, you don't have to rush for a while." Here is the headquarters of his Jinxuan Chamber of Commerce, where you can get it and spread it, the impact is not good.

Shao Dongjian calmed down and nodded: "Well, wait for him to come out of Ducheng and let the kid live for a while."

Zhu Wuji looked at Huang Xiaolong's back, his eyes were cold, and Huang Xiaolong's words threatened him. He couldn't hear it. When was Zhu Wuji threatened?

"However, Shao Xiong, that kid is afraid of not simple." Zhu Wuji Shen Shendao.

It is natural that it is not easy to come up with ten gods and top ten spirits, and it is worthwhile to think deeply about knowing the identity of both of them.

Shao Dongjian heard the words and smiled: "Zhu Xiong, when did you become so timid? Shao Qingjian, the deputy head of the Qingxu door, would be afraid of a young man who could not be seen?!"

Indeed, with Shao Dong's fitness, there are still few who can make him jealous.

Even if the identity of the other party is not simple.

Xie Hui and Bai Fenglou, the masters of the Qiankun **** religion, have seen the landlord. He is a young man who is seen in front of him. Obviously not.

Zhu Wuji turned and smiled: "Shao brother, when the ten gods on the kid's body, can you resell it to the Jinxuan Chamber of Commerce?"

Huang Xiaolong did not hide his breath. With the eyes of two people, it is natural to see that Huang Xiaolong is only the fourth order of the sanctuary.

In the view of Zhu Wuji, Shao Dongjian took the shot and the other side naturally could not escape.

Shao Dongjian haha smiled: "This, no problem." (To be continued. Please search for astronomical literature, the novel is better updated faster!)

"Yellow Big Brother, that Shao Dongjian, we?" Out of the Jinxuan Chamber of Commerce headquarters, Shi Xiaoyan could not help but say.

"Do not worry, he can't live tomorrow!" Huang Xiaolong knows what Shi Xiaoyu wants to say and said: "We will leave Ducheng first."

Shi Xiaoyan nodded and she understood that Huang Xiaolong had to leave Ducheng, trying to lead the other party.

As a result, Huang Xiaolong did not stay again and left Ducheng.

Shao Dongjian heard that Huang Xiaolong left Ducheng and couldn't help but smile: "I didn't expect this kid to be so anxious to die." Originally, he thought that Huang Xiaolong would stay in Ducheng for a few days, but he did not expect to have a Jinxuan Chamber of Commerce headquarters. Then left Ducheng.

Zhu Wuji smiled and said: "Then I wish Shao Xiong beauty, Ling Dan, double!"

Shao Dongjian haha smiled: "Thank you, thank you, the other two women are a little bit worse, but it is also a rare beauty. This time I came to the Jinxuan Chamber of Commerce, I really don't want this trip!" After that, the figure flashed and left Jin Xuan. Chamber of Commerce headquarters.

Shao Dongjian left the Jinxuan Chamber of Commerce headquarters and left Ducheng. He left Huang Xiaolong and flew in the air.

Soon, he saw the four Huang Xiaolong who left the Jinxuan Chamber of Commerce.

Shao Dongjian was in the air, and he was in front of the four Huang Xiaolong. He held his hand and stood against Huang Xiaolong. He was quite a master of the world.

"Kid, want to go so soon?" Shao Dongjian smiled and turned to look at Huang Xiaolong and Shi Xiaowei.

However, just as his voice fell, suddenly, countless amazing ghosts surged in all directions, with countless ghosts, a whistling sound came.

Shao Dongjian was shocked and saw that only one ghost had smacked at him.

what happened? !

His mind flashed.

This is the legal array? !

Shao Dongjian's hands slammed, and countless blue palm prints broke out, and instantly smashed hundreds of ghosts.

"Kid, I didn't expect you to have a ritual of the arsenal!" Shao Dongjian smiled coldly: "Hey, this is better, killing you, this ritual is also mine!" Finished, hands With claws, he suddenly rushed to Huang Xiaolong.

A blue-green paw print broke out and instantly came to Huang Xiaolong.

However, suddenly, Huang Xiaolong appeared in front of countless ghosts, turned into countless devils, blocked the blue paw print, and Huang Xiaolong figure disappeared inside the circle.

Huang Xiaolong stood outside the circle of law and looked coldly at Shao Dongjian, who was besieged by countless devils.

All the way down, Huang Xiaolong let the Capricorn ghost flag swallow the souls of many Sanctuary strongmen and turn them into the ghost spirit of the Capricorn ghost flag. Now, the power of the Capricorn ghost flag is greatly enhanced, and the ghosts of the spitting ghosts are all Sanctuary first-order strength.

Although these first-class ghosts of the sanctuary could not kill Shao Dongjian of the tenth order of the sanctuary, it was enough to trap it for a while.

Huang Xiaolong had already calculated that Shao Dongjian had arrived, so he arranged the Capricorn flag in advance.

"Boy, you better release me now, or I will break out of the squad, and it will be hard to ask for death when you arrive!" Within the squad, Shao Dongjian waved his hand and smashed the ghosts that had been trapped. Angry.

"Yes." Huang Xiaolong sneered, his hands waved, countless poisonous corpse beetles flew out and flew to Shao Dongjian.

Huang Xiaolong does not believe that Shao Dongjian also has a dragon.

In the squad, Shao Dongjian just smashed a group of ghosts that had been trapped, and was about to find a way out of the law. He broke the squad in one fell swoop. Suddenly, he saw countless black worms flying to himself. Under the conditional reaction, a palm is thrown out.

He thought that this black bug was also called by the law, so he did not care.

But then he found that after the black worms were shaken off by his palms, they were unscathed and slammed again.

His brows were wrinkled, and his palms were again swung out. This time, his palms increased by 20%.

The black bug was shaken back again, but climbed up and attacked him again.

In the end, he raised his hand to 10%, but he found that the black bugs were still unscathed!

"This, impossible!" Shao Dongjian was shocked.

What is this ghost thing.

Even if it is a tenth-order monster in the sanctuary, he is attacked by 10% of his hand, and he has to be smashed, and the internal organs are shifted, but this little black bug is unscathed!

Suddenly, his mind flashed.

Is it? !

"Poisonous beetle!" Shao Dongjian's voice trembled.

Only the poisonous corpse beetle that has recently become fascinating can be affected by his ten-pronged power.

"Yes, poison carcass beetle!" At this time, outside the law, Huang Xiaolong sounded cold.

Originally, Shao Dongjian was still holding a trace of luck, but now Huang Xiaolong's voice completely shattered the last luck in his heart.

"You are Huang Xiaolong!" Shao Dongjian took a shot with his hands and flew the poisonous corpse beetle that was forced to come over, fearing.

Huang Xiaolong!

Master Shura Gate!

Shao Dongjian is panicked.

I did not expect it to be this god!

Outside the line, Huang Xiaolong looked at each other coldly and did not speak.

"The original brother is the master of Shuramen." Shao Dongjian changed his tone and smiled. "There were many misunderstandings before, but I also asked the brothers to forgive me. I don't know if I don't know each other. If the brothers want the four dragons, I will send them now. Brother." The tone is flattering.

Huang Xiaolong's face was calm and summoned the poisonous corpse beetle attack.

Compared with the shrine, the poisonous corpse beetle has a lot of speed, defense, and attack. Huang Xiaolong believes that Shao Dongjian can't support it for a long time.

At that time, the 15th member of the temple, Li Molin, wore a dragon and a weapon, but it could not be supported for a long time. Finally, she fled and fled, not to mention Shao Shaojian.

Sure enough, not long after, Shao Dongjian was forced to escape by the poisonous corpse beetle, and was almost bitten by poisonous beetles several times.

Shao Dongjian, who originally complimented the tone, also screamed.

"Yellow puppies, you killed me, and when you clear the door, you will soon know that the emptiness door will not let you go!"

"You will release me soon!"

Shao Dongjian roared again and again.

Huang Xiaolong's face was indifferent and he ignored it.

After a while, Shao Dongjian, who was trapped in the Capricorn Seas, did not suspend the food of the poisonous corpse beetle. Looking at the squadron, he was smothered by the poisonous corpse beetle, struggling, fearing, screaming Shao Dongjian, Shi Xiaoying and the three women are also pretty pale.

Although the three women felt that Shao Dongjian was damn, but still feel cruel, it can even be said to be horrible.

After the poisonous corpse beetle will completely eat Shaodong, Huang Xiaolong will swallow the soul of the Capricorn ghost flag and turn it into a ghost in the ghost flag, which will recover the ghost flag and the poison carcass beetle.

Huang Xiaolong opened Shao Chenjian's space ring. Inside, there are gold coins, spirits, countless elixir, and even a lot of Lingshi. Shaodong fitness is the deputy doorkeeper of Qingxu. The value is not comparable to the elders Yao Fei.

Huang Xiaolong found the four dragon **** grasses in a pile of elixir.

These four dragon **** grasses finally got!

"Yellow Big Brother, then we are going back to the headquarters of Solomon?" asked Xiao Xiaoyu.

"No." Huang Xiaolong shook his head: "Return to the Jinxuan Chamber of Commerce headquarters!"

At this time, Jin Xuan Chamber of Commerce headquarters, Zhu Wuji is slowly drinking tea, waiting for Shao Dongjian. (To be continued. Please search for astronomical literature, the novel is better and faster!)

Invincible Conqueror IC 440: Shao Dongjian?

Zhu Wuji's hobby is not much, one is tea.

It can be said that there is no tea.

Zhu did not have a cup of tea in the extreme, took a sip, closed his eyes, and the tea was full of flavor and endless aftertaste.

His tea is specially made with the spirit of more than a thousand years. Not only can he replenish his spirit, but he can also refine himself and nourish the body and the internal organs.

Zhang Jingfeng stood there, and he stopped talking a few times.

Zhu Wuji glanced at it and said: "If you have something, let's talk."

Zhang Jingfeng hesitated and said: "The president, Shaomen has been out for so long, will it be, what happened? We, do you want to see it in the past?"

Zhu Wuji heard a smile: "Shao Dongjian's strength, I know, packing up a fourth step of the sanctuary, just a matter of playing a finger, what would happen unexpectedly, I am good tea, he is lascivious, I see that he now took the three A chick, is fighting the three chicks in the wild!"

Zhang Jingfeng smiled and said: "It is a matter of concern to the subordinates. However, the main reason for Shaomen is that it is not too shallow. There are three in World War I."

Zhu Wujig smiled and said: "That depends on what kind of goods, can be seen by Shao Dongjian, not much."

"Yes?" Just as the two laughed, suddenly, a cold voice sounded, and the voice was abrupt, and the two were shocked.

"Who?!"

Under Zhu Wuji and Zhang Jingfeng, the four figures of Huang Xiaolong slowly appeared in front of the two.

"It's you!" Zhu Wuji looked at Huang Xiaolong and was surprised: "You are not dead!"

Did Shao Dongjian change his mind and didn't kill this kid? Zhu Wuji's heart is doubtful.

"It seems that I am not dead, Zhu is very surprised?" Huang Xiaolong sneered.

Zhu Wuji put the teacup on the table and looked at Huang Xiaolong: "I didn't expect Shao Dongjian to let you go, but I didn't kill you."

In addition to this reason, Zhu Wuji can't think of other reasons.

To say a fourth step of the sanctuary, it is impossible to escape from the hands of a tenth-order powerhouse in a sanctuary. Therefore, it is only Shao Dongjian who cares about the identity of the other party and spares Huang Xiaolong from dying.

"Shao Dongjian?" Zhu Wuji asked.

Shao Dongjian let me go, didn't kill me? Huang Xiaolong heard the words, and then shook his head and sneered: "Want to know where Shao Dongjian is, I will know you later."

"Wait?" Zhu Wuji's eyes were puzzled, and he did not understand the meaning of Huang Xiaolong's words.

At this moment, suddenly, Huang Xiaolong's hand flashed, and Wan Sheng's moment was inserted into Zhang Jingfeng's eyebrows. Then, after a while, he pierced through his eyebrows and passed through the back of his head.

Blood**.

Huang Xiaolong pulled back the Halloween.

Zhang Jingfeng's eyes were round and he couldn't believe to look at Huang Xiaolong and fell down.

Although this honour is the elder of the Jinxuan Chamber of Commerce, it is only the beginning of the fourth stage of the Sanctuary. For Huang Xiaolong, it is a spike.

When Zhu Wuji waited for Zhang Jingfeng to fall down, this reaction came out. Suddenly, he did not expect Huang Xiaolong to suddenly shoot, and dared to kill himself in front of himself. He did not expect Huang Xiaolong in the fourth stage of the Sanctuary. Killing Zhang Jingfeng at the beginning of the fourth stage of the Sanctuary.

"You!" Zhu Wuji stood up and glared: "You, dare to kill him!"

"How about that." Huang Xiaolong's face was indifferent.

Zhu Wuji was extremely angry and laughed: "Okay, good! Kid, I don't care what you are, I don't care why Shao Dongjian will let you go, but today, you are going to die!" He was completely angry.

After Zhu Wuji finished speaking, when the boxing was shot to Huang Xiaolong.

"The Promise Golden Light Boxing!"

The golden light is full of days, the punches are rotating, and the changes are unpredictable.

This Zhu Wuji strength is even stronger than that of Shao Dongjian.

However, just when his fistprint hit Huang Xiaolong, suddenly, countless ghosts skyrocketed, shrouded the entire temple, and the evil spirits were so strong that they blocked the boxing power.

The four figures of Huang Xiaolong disappeared.

Like the previous Shao Dongjian, Zhu Wuji was surprised and surprised:
"Faction!"

But then, he saw countless black bugs flying to him.

Like Shao Dongjian, Zhu Wuji did not put the black bug on his heart, the punches broke open, and the bombardment came out, but after several kills, his face finally changed.

"Is it?!"

"You, you are Huang Xiaolong?!" he blurted.

Huang Xiaolong smiled coldly and did not speak.

Zhu Wuji's heart suddenly sinks, Huang Xiaolong has no opening, that is the default!

At this time, the poisonous corpse beetle came to him again, watching these poisonous corpse beetles, Zhu Wuji only felt cold and panic.

Now, he still doesn't understand the black bug in front of him, the poison carcass beetle!

Then Shao Dongjian!

"You, kill Shao Dongjian!" Zhu Wuji could not help but open the door.

There is still some in his heart that does not believe that Shao Dongjian is dead!

"I just said, you will know when you wait!" Huang Xiaolong cold channel.

Zhu Wuji is pale and bloodless.

After half an hour.

There is no suspense, the poisonous corpse beetle swarms up, and Zhu Wuji is ruined, and the Zhu Wuji soul is swallowed by the Capricorn ghost flag and turned into a ghost flag ghost.

Originally, in the end, Zhu Wujig begged for mercy. As long as Huang Xiaolong did not kill him, he would vote for Huang Xiaolong. However, with Huang Xiaolong's current spiritual power, he could not plant a spiritual brand in Zhu Wuji's mind of the tenth order of the sanctuary, since he could not completely control Zhu Wuji. Huang Xiaolong can only make it a poisonous carnivorous food.

Packed up Zhu Wuji and Huang Xiaolong with three women disappeared.

Because Huang Xiaolong used the power of the prisoner to block the temple, he did not disturb the Jinxuan Chamber of Commerce headquarters. Everything was as usual.

Shao Dongjian and Zhu Wuji, neither of them is the tenth order of the ordinary sanctuary. Shao Dongjian is the late tenth stage of the sanctuary. Zhu Wuji is stronger and closer to the tenth-order peak of the sanctuary.

The physical bodies of the two are not the ordinary Sanctuary, and the high order is comparable.

The poisonous corpse beetle swallowed the body of the two, and it changed again. The shell was black and shiny, sparkling like a black jewel, and the tentacles were sharper.

The Capricorn Flag has swallowed up the souls of both of them, and their power has also increased dramatically.

After Huang Xiaolong took the three women and left Ducheng, he went straight to the Shumenmen headquarters. Huang Xiaolong planned to return to the headquarters of Solomon and refine the ancient Tailong Shenlong. At that time, he would bring the three daughters back to the Buddha Empire.
