"Go to your room, Mom."

She looked at me, surprised, then smiled. "Yes, sir!"

She sat there stunned, her mouth hanging open. Until a little smile finally cracked her face. "Alright, I get it. You really think I'm hot?"

Aunt Carol moved in close, pressing her body against mine. "You'll have to be gentle with me, Randy. That's a lot of cock to fit in such a tiny, almost virgin hole." She stood on tip-toe and kissed me, swiping her tongue across my lips. "Two hours. Everything. I'll hold nothing back. I'll be your total slut for two solid hours."

Aunt Carol was still looking dazed as I steered her to the couch. I sat down and pulled her into my lap. "That was an amazing blow job. Truly amazing. Even better than the first few I got off Mom. But she's been practicing, and I guess she's starting to learn me."

Aunt Carol was staring off into the distance. "When did you fix that space up?"

I don't know if she was the best there is, but she sure as shit was the best I ever had, and then some. Mom was along for the trip and witnessed most of it. But without the closet, me and Mom never did anything other than cuddle, kiss and fondle a little. At least not until Aunt Carol had the brilliant idea of putting Mom out on the balcony, and ha

Her arms finally relaxed and she let me free. I looked down and saw tears in her eyes.

"Did I hurt you?" I asked.

It was a small summer barbecue party, a few of our closest friends hanging out in our backyard, enjoying the bay view.

Chapter 1029 The Guilty Conscience: 2

After a year, I had to leave for 60 days, part of their rules. I went home, did some more work for Dad's company, and then returned to the frozen south. Most people would give the place a try for the experience, and we'd never see them again. For me the forced solitude, isolation, and shortage of 'new' people to meet was like heaven. During winter

I gathered up the center of the rope in my fist, including the rings. I gave one end to Marie. "Marie, you were there the day Sue and I first dated. I looked at the love you had for Mark, and thought how wonderful it would be one day to have something similar. Would you do me the kindness to hold this, the symbol of our beginning, that first promise
