Chapter 1081 Sis-in-law Incentives: Ch 41

My alter-ego was feeling a little raw from the intense action it had received in the last 24 hours, but Jenny's warm and willing mouth was enough to push those concerns out of my mind, and respond to her oral caresses.

It was about a 10 minute drive to JT's, and the below-the-belt action was intense, but the distraction of driving kept me from comp

I took half-a-step forward and rubbed my throbbing member up and down her eager slit, teasing her, making her wet, easing her open.

"Oh Fuck, Alex. Stop fucking teasing me and give it to me!" she cried out when her efforts to push back and impale me were met by my slight withdrawal.

I pushed her hips forward a bit, then placed my cock-head at the e

"I don't want to know." I told her, climbing off the bed and settling down next to her. "I don't care. Would you do it today?"

"God no! I'd do anything to take it back." She said while her shaking hands slowly worked their magic on her sister's hair.

I got up with a smile, went to the bathroom and got the hair ties she used on our little one's hair

"I think it was right around the first time my lips wrapped around his fat cock and I knew I would do anything I could to repeat that feeling." Jenny said, reaching down and caressing my wilted manhood.

I couldn't but help think back to our time in the movie theater, which definitely was slutty.

"Yep, that would just about do it." Holly said with a

I retrieved my cock from Beth, whose idea of applying lube was an absolutely wonderful hand job. Placing my stiff rod at Jenny's prepped entrance, I was surprised when an easy push got my head inside of her, with almost no resistance.

"Ow!" Jenny said, "God, are you in me already?"

"Just a bit, how is it?"

"Just a little stab to start, then not so

JT was a co-owner of a successful consulting business, and every year, the owners took a 'working' vacation down to Mexico, on the company payroll. They spent an hour talking work plans and going over the company financials from the previous year, and spent the next five days luxuriating in a 5 star all-inclusive resort. Dan was an original investo

Intro: This is A sad, dark story of ambition, redemption, a love betrayed, and the lives affected.

It started as a good deed. I swear. Makes you wonder sometimes.

My best friend Nick was on his honeymoon. Twenty eight years old, he was on his second marriage. In my opinion he hit the jackpot with this one. Alice was at

She shook her head. "No way. That's the big secret. We show up looking sexy at that initial meeting, lay out all the ground rules, and set the hook. Then the cleaning crew does the real work."

"What if I said no?" I told her.

She looked disappointed. "I wouldn't fight you on it. You've been so supportive so far, I have no reason to complain. Please
