John happily slurped at Becky's pussy, thoroughly enjoying his breakfast. He was definitely pleased, though, when he felt Becky lay forward and then his cock was engulfed by a warm moistness as Becky began to suck on him. Frantically she sucked on him while John kept his tongue jammed as far up her hole as possible, drinking the juices that flowed

"This conversation is not going to happen," Karin said. "You get yourself to school right now."

"Suck my cock for me first," John demanded. "It's still gooey from being inside of you."

"I most certainly will not!" Karin exclaimed.

"Sure you will," John replied. "Especially since I'll do the same for you, too."

"You'll what?"

"Suck my cock for me an

"That was amazing, John," Kelly said, throwing her arms around him and kissing him. "You fucked mom so good."

"I can't believe you did that with your mother," Becky said, staring at him in awe.

"I can't either," John admitted. "It just happened."

"It was so exciting," Kelly said. "I'm just so wet."

"Me, too," Becky admitted with a giggle.

Slowly she fucked him, delighting in the feeling of a cock in her pussy again. It had been too long, at least a day or so. Becky being around had prevented her from getting her usual fix from John and she was so horny. She rode him and rode him, his cock unrelenting in its hardness as they fucked. Kelly came so many times she lost count, Tom reaching

"It's amazing how compliant a well-fucked man can be," Kelly laughed. "And your dad sure can fuck. I'm still a little sore today. Oh, yeah, and I sucked John's cock a bit this morning, but I didn't let him cum. I saved that for you."

"Oh!" Becky said, still surprised by Kelly talking like that so matter-of-factly.

"Aren't you excited?" Kelly asked.
