Her glass was half-empty before she finally got to the point. "What you said the other night, in my room. Is it true?"

"Teri, I was drunk. A lot drunker than I should have been. I don't even remember everything I said."

"I don't believe you, Travis. You didn't beat around the bush at all. Is it true?"

"About girls enjoying it?"

She nodded.

"Yeah. I'm pretty sure it is. After hearing you and Mom talking about it, I was kind of scared that Mom was right, so I had a heart-to-heart with my girlfriends from the last year. They swear they love it, and I believe them."

"All of it?" she asked, her voice shaking.

"Maybe not all of it. Courtney used to say she loved my coming in her mouth. When I asked her about that, she admitted she doesn't like the taste at all, but she likes doing it for me, because it excites her to be able to pleasure me that much. As far as the regular sex goes, yeah, they like it a lot. I don't think they could fake the way they react. They love when I go down on them; I'm sure they couldn't fake that."

"You . . . you do that? To them?"

She sighed. "It's not like I've got a lot of choices, Travis. They're not beating the door down coming for me." I felt her tighten up. "Even Kyle, that asshole, he didn't want me. It was a bet. A stupid bet."

"A bet?"

"Yeah. Last day of classes, we were at his house with a bunch of friends. He took me upstairs and fucked me. When he was done, he got up laughing, and his friends were there taking pictures. 'Now do you believe me?' he said. They just left me there, and I heard him saying they each owed him ten bucks. That's all I was. A stupid bet, and now they have pictures."

"Fuck, Teri! You should have told me!"

"Why? So you could get in a fight? It's over. I went downstairs, and he had his old girlfriend in his lap. He told me that Derek wouldn't mind throwing me a fuck. I ran out with them laughing at me and walked home."

"God, sis, I'm so sorry. I wish you'd said something. You should have at least called. I would have come and picked you up."

She shook her head. "I had to get out of there. I couldn't stand the way they laughed at me. I was so stupid, thinking someone like him would want me."

She turned her face toward mine and opened her eyes. She gave me a hesitant little nod, and I lowered my mouth over hers. She let me kiss her, but did little to respond. After a few seconds I backed off, and put my fingers back in her mouth. She sucked them, looking into my eyes. "This time, kiss me back. Kiss me like you want to be kissed."

She shook her head. I gave myself another taste, and smiled. "Sweet as sugar to me. Baby sister, little pussy juice. I love it."

She smiled. "Do you? Really?"

"I do. I love everything about you. Anyone who doesn't appreciate this," I said, giving her pussy a little shake, "is a damned fool."

"Am I drunk?" she asked. "Is that why it feels good?"

"No

I don't think Mom noticed that she was a lot more intimate than usual while taking care of me. Probably considered it part of the appreciation.

The next day I was sore, and stayed in bed with an icepack on my cheek and lip. Once Mom was gone, Teri showed up in my room dressed in a t-shirt and panties. She checked on my bruises, kissing my injuries.

The next day was Christmas eve. I hadn't even found a job yet. I hadn't bought any presents. The only thing I'd managed to do was get drunk a couple of times, get in a fight, and make my sister come on my fingers a few times. The last one made the first two weeks of my break a success. I know that seems a little perverted, but if you had seen my sister, the look in her eyes, the way I'd turned her life around with something so simple, you'd have to agree.

His mother looked shocked and turned to the dick. "Kyle? I thought you said she wanted to break up?"

Old penis-breath had turned bright red. "It's not like that, Mom. I swear. He's making stuff up."

Teri peeked her head around my side. "No he's not! You're a horrible person Kyle. I tried to be the best girlfriend I could, and you treated me like cr

"I couldn't let him get off scot-free, Mom. I couldn't let him hurt Teri like that. I couldn't. I'm sorry."

"No, I understand. You're the man of the house, and it's up to you to watch over us. Your dad would be proud." She gave me a kiss on the cheek, and stood up. "Time to get dressed. Church in less than an hour."

Church was church, an hour and a

I gave her a little squeeze. "I imagine you'll have the guys lining up to be your third. Make them work for it, alright? You don't want to get a bad rep."

She nodded, then stole another kiss. "Thanks, Travis. That really was amazing."

"Ditto, beautiful." I opened the door, and was surprised to find there was no crowd outside our door.  
They'd moved
