Chapter 1791 Bisexual Fantasy EP2

The doorbell rang, and a thrill of exhilaration coursed through me. Tonight was the night! Lisa and I were actually going to have a threesome with another man. We had met Doug a few years ago, and had gotten to know him well during that time, becoming very comfortable with him as a friend. Doug was a bit of a flirt, and would occasionally tease Lisa with double entendres and such. Though she blushed or feigned anger, I could tell that she enjoyed the game and was excited by his attentions.

I gulped and looked down to see my own cock rock-hard and throbbing in time to my pounding heart. I wanted to take Doug's cock into my mouth, to taste him, to feel him throbbing and twitching as he slid his cock in and out of my lips. I wanted to feel his cock swell in my mouth, then experience and taste the explosive spurts of cum flooding my mouth

I knew how gorgeous her pussy looked, her wet lips pouting, engorged with excitement. Doug ran a fingertip along the cleft of her pussy, running it through her soft hair, over her clit, past her wet lips, right down to her bottom. She moaned softly as he touched her, and then more loudly as he repeated this tantalizing action, teasing and caressing

I slid down between Lisa's wide open legs, my face level with her pussy, and breathed in deeply, savoring the musky scent emanating from her freshly filled pussy, a mixture of her own sweet pussy nectar and Doug's fresh, thick sperm. It may seem odd, but to me there's something incredibly erotic and desirable about a pussy or a cock all covered in

Hungrily, I began to bob my head up and down on his shaft, drawing him deeper and deeper into my mouth. Doug started to thrust into my mouth while Lisa squeezed and caressed his balls. What a turn on! Here I was, my cock balls deep in my wife's pussy, with my mouth full of another man's dick. I resumed pumping my cock into Lisa's sopping pussy. Every stroke was pure ecstasy. My dick was incredibly hard and sensitive.

For weeks after our encounter with Doug, our love life was red hot. My wife Lisa seemed to almost always be in the mood, and since I am usually in the same frame of mind we made love often. Our threesome with Doug seemed to have turned Lisa on as much as it did me. Sometimes while we were making love, Lisa and I would talk about what we had done with him... and what we still wanted to do!

Sensuously, Doug kissed down her body, and fell to his knees before her, wrapping his fingers inside the elastic of her panties. Lisa bit her lip and squirmed with delight as she prepared to bare her last bit of flesh to us. My head on her shoulder, together we looked down at Doug over her swell of her breasts, heaving from her racing breath. His f

Then Lisa lifted her hips until the head of Doug's dick nearly popped free, but at the last second, she pushed back down, driving his cock deep inside her. She threw her head back and closed her eyes. She lifted up again, then slid back down, a bit harder. Up and down, up and down. She was riding the full length of his cock. She was dripping wet. I could see drops of her juices dribbling down his shaft, and over his balls.

I sat watching this scene, completely enthralled. I couldn't believe I was watching my wife having sex with another man. What's more, I couldn't believe how much I was enjoying it. I was amazed to realize that there was not a trace of jealousy as I watched Lisa riding Doug's cock. The whole sight and idea of it was intensely arousing. I wanted nothing more than to see him shoot his huge load inside Lisa's tight pussy.

I put my hands on her hips, and suddenly Lisa sat upright, her butt cheeks clenched tight as she ground her shuddering pussy onto Doug's cock. Her eyes closed, she pursed her lips in concentration. I knew from experience that she was cumming, wrapped around Doug's cock.

Lisa spread her legs a little wider and thrust out her ass, inviting Doug to enter her. He paused as I held his cock up against the entrance to my wife's pussy, then I got a very close look as the head of another man's cock slipped into her. I watched as Doug began to slowly push his cock deeper and deeper into my wife. How I kept from blowing my load I don't know. Here I was getting a fantastic blowjob while seeing one of the biggest fantasies of my life just inches in front of my face.
