Chapter 1861 The Neighbourhood Service: Ep41

Climbing off of Sara's face, Kelly moved down to where she could see John's cock moving in and out of Sara's pussy.

"That's it, John, fuck her, fuck her good," Kelly said, delighting in the sight of her brother's cock sluicing in and out of Sara's newly deflowered pussy.

And Kelly was no different. Her body spasmed as her orgasm ripped through her body. Becky was very much on Kelly's mind as she and John rode to school. She still had not confronted her about trying to sabotage them at Bob and Kathy Adams' house, but she still had her doubts about her. Tonight would be the real test. If she came through, she would be fine and she'd help them make lots of money.

"What is it?"

"First you have to pay John, right?"

"Such a head for business," Tom laughed, reaching into his pocket and pulling out a wad of money.

"This is my surprise," Kelly said, pulling the blindfold out of her bag.

"Is that what I think it is?" Tom asked, a grin on his face as he handed John \$10,000.

With a smile on her face, Becky squatted down over her father's face, her knees on the ground next to his ears, lowering her pussy onto his mouth, feeling his tongue slide up into her as he began to eat his own daughter's pussy. Becky had to really pay attention not to make any noise as her father ate her pussy. At the same time Kelly was sucking o
