Chapter 1991 A Perilous Inheritance: 85

"When they brought his partner, his name was Pavel Kristoff, I think he was from Slovakia, it was the same thing," Susan continued, her eyes locked on Quinn's. "They cut both of his ears off and three fingers from one hand. That's when we learned the details of what was being offered by my son for my life."

"Your Honor," Mr. Jordan started to say,

"One night we were walking after dinner by a building that had burned to the ground that day near to where we were staying," Krista continued. "We had heard that they had found bodies in the building. We were crossing this small alley-like street when we heard a woman call out for help, a western woman, not a local, because she was calling for help in English, not Brazilian. I went charging into the alley and -- I'm supposed to call him hero?"

"Just for now," Mr. Smithers said, smiling.

"Yes," Krista replied, her eyes glittering as she looked at Quinn with utter loathing etched upon her face. "He cut them into little pieces, then buried them alive. And I get to live with that memory in my head for the rest of my life. Fuck you!" she screamed at Quinn, whose face was ashen. "Fuck you to hell for all eternity!"

"Miss Hill, would you

"Not at this time, Your Honor," Mr. Smithers replied.

"Mr. Jordan, any questions of this witness?" Judge Crenshaw asked.

"Yes, Your Honor, I have, thank you," Mr. Jordan replied. "Mrs. Kumms, your son has made some rather

drastic accusations against you. What do you have to say with regard to them?"

"When I married my husband, David, I was aware of

"My sex life with my husband had nothing to do with my son's homosexuality," Susan replied. "He's simply using it as an excuse for his abominable behavior."

"I am not gay!" Quinn shouted, slapping the table.

"Have you ever been with a woman, Quinn?" Susan asked, her eyes full of pity. "Even once?"

"Objection, Your Honor," Mr. Jordan said. "My client is not sworn and testifying."

"Mrs. Kumms, you will please refrain from questioning any witnesses," Judge Crenshaw said. "That is the job of your attorney."

"I'm sorry, Your Honor," Susan said.

"No further questions at this time, Your Honor," Mr. Smithers said.

"Feel better?" Krista finally asked, swiping her tongue across Susan's lips before they both stood up.

"Yes," Susan said, smiling. "All I ever need to feel good is Zach's tongue and his cock, it seems."

"It always makes me feel better," Krista said with a smile as Zach zipped himself up.

"Thank you, Zach," Susan said, pulling his head down for a lingering kiss.

There was a knock on the door, then it opened and Mr. Smithers entered.

"Shall we go?" he asked, smiling when he saw that Susan was smiling. "You're ready for this, Zach?"

"Like I've never been ready for anything," Zach replied. "Let's go finish this."

"Your Honor, I object to this witness testifying," Mr. Jordan said, his nervousness very obvious.

"On what grounds, Mr. Jordan?" Judge Crenshaw asked.

"We don't know who this person is or what his motivation might be for testifying," Mr. Jordan replied lamely.

"Which is why he is testifying, Mr. Jordan, so that we may learn," Judge Crenshaw replied. "Objection overruled. Please raise your right hand," he said to Zach who was sitting next to Krista.

"I do," Zach replied to the judge's swearing in question.

"Mr. Gary, please state your full name, place and date of birth for the record," Mr. Smithers said.

"Fuck you, you sorry piece of shit," Zach said, standing up and glaring down at Mr. Jordan, "you and your maggot of a client."

"Mr. Gary, please control yourself," Judge Crenshaw said. "And Mr. Jordan, one more interruption like that and I will hold you in contempt; do you understand?"

"Yes, Your Honor," Mr. Jordan said, abashed. "It won't happen a

"Fine," Zach replied, "though I think they should have cut them up a lot more first. Those scum were trying to kill Susan! Fuck them. I'm sure that they're rotting in the deepest depths of hell and that's too good for them. I'm sure that you're going to be joining them soon, asshole," he said, looking directly at Quinn.

Judge Crenshaw slowly looked through the papers, then looked up at Mr. Smithers, a stunned look on his face. He then looked at Susan, Krista, and Zach before once again looking through the papers.

"I-I don't know what to say, Mr. Smithers," Judge Crenshaw said. "Please continue."

"The three labs all reported the exact same results," Mr. Smithers sa
