

Crazy 2031

Chapter 2031: not to be trifled with

“Chengping road was full of hills and mountains, so the car drove up and down. In order to catch up with the search team, Li Zhenzhu also drove very fast. ”

“Especially when they went downhill, it was as if they could fly. Even though Zhao Yu was wearing his seat belt, his head would still hit the roof of the car. ”

“““I say,”” Zhao Yu said, holding his head.””Have you participated in a rally before?”” ”

“““There are many forks in the mountain road,”” Li Zhenzhu said as she drove seriously.””One wrong turn makes a world of difference ...”” ”

“““I say ...”” Zhao Yu looked at Li Zhenzhu and asked,””did you call that old man over?”” ”

“““What?”” Li Zhenzhu was surprised.””Who?”” ”

“““It’s that guild leader Qiu, the old man who slapped the captain!”” Zhao Yu asked,””did you call this person over? You guys seem to have a good relationship?”” ”

“““You!”” Li Zhen Zhu was shocked, and the car almost hit the guardrail. She hurriedly slowed down, and then asked in surprise,””how did you know?”” ”

“““Hehehe, you know very well what I do for a living,”” Zhao Yu said.””Ever since the old man showed up, I’ve made eye contact with you no less than five times!”” ”

“““Amazing! ““You’ve seen through me.”” Li Zhenzhu sped up and admitted,””that’s right. Xu Meina is an unreasonable Shrew. If we want her to give in, we can only find President Qiu to suppress her!”” ”

“““Is this guild leader Qiu very powerful?”” Zhao Yu asked,””he actually dared to slap Captain ju ...”” ”

“““Hmph, Qiu minzhe, he’s quite a figure in Chengping road! ““But,”” Li Zhenzhu said disdainfully,””I have something on him, so he must listen to me!”” ”

“““Oh ...”” Zhao Yu nodded.””No wonder he looked at you with such a complicated expression!”” ”

“““You’ve already heard that the Golden stream Chamber of Commerce is preparing to elect a new president,”” Li Zhen Zhu said.””Quan youdong is the most favorable candidate for the new president, right?”” ”

“““Mm.”” Zhao Yu nodded again.””If that’s the case, wouldn’t Quan youdong have a conflict with President Qiu?”” ”

“““No, it’s the opposite,”” Li Zhenzhu said.””Qiu minzhe was the one who suggested the election because we caught him red-handed, and he was old and had the intention to retire! ”

“““Besides, he was the one who supported Quan youdong. Everyone can see that the position of Chairman has been given to Quan youdong!”” ”

“““Since Quan youdong is dead,”” Zhao Yu said,““it will inevitably cause suspicion, right? Perhaps, those who originally didn’t have the chance to be the president are starting to get restless?”” ”

“““It’s very complicated,”” Li Zhenzhu said.““I feel that there shouldn’t be much movement within the Golden stream Chamber of Commerce. Even if Quan youdong died, Qiu minzhe was still there!”” ”

“““What we are worried about now are the other interest groups!”” ““Quan youdong is an ambitious person,”” Li Zhenzhu said.““His ascension to power will definitely affect the interests of other companies in the same industry. Moreover, he has offended many people! ”

“““Therefore, the biggest headache now is still these restless guys. They must want to seize the opportunity to occupy the territory and weaken the Golden stream Chamber of Commerce. ”

“““This will definitely cause a lot of disputes, which will keep Captain ju and the others busy for a while!”” ”

“““Oh ...”” Zhao Yu nodded.““That is to say, even if we find the murderer, this conflict will not end yet? ”

“““No wonder you’re so angry, Captain.”” ”

“““I think,”” Li Zhenzhu said as she turned a few corners and drove up a mountain road.““Xu Meina’s worry might not be false. There really is something wrong with the driver!”” ”

“““Indeed,”” Zhao Yu agreed, but put forward his opinion,““but I have a feeling that this may not have anything to do with the gang. Maybe the driver is suspicious, but he might not be an accomplice!”” ”

“““This case seems to be a little off track!”” ”

“““Eh? ““Great detective, you’re overthinking.”” Li Zhen Zhu pouted.““Let’s see what’s going on first!”” ”

“As the two of them spoke, they had already followed the search team’s car to an abandoned factory halfway up the mountain. ”

“As soon as he entered the factory, he saw three people lying on the ground. ”

“Two of them were unconscious, and it was unknown if they were Dead or Alive. Only one person was holding a phone and wriggling on the ground, but his face was covered in blood ... ”

“““Hey ... Hey Hey ...”” Team leader ju quickly rushed over to help the man up and quickly patted his face, asking,““where’s the driver?”” What happened?”” ”

“““Hu ... Hu ...”” The man pointed in a direction, then stammered,““an ... An xianxiu ...”” ”

“““Ah Xi!”” Hearing this name, Captain ju casually threw the man on the ground, then unnaturally touched the holster at his waist. He then waved to his subordinates and said,““Team 2, stay here and deal with this. Team 1, follow me to catch him!”” ”

“With that, he strode towards his car. ”

“““Team leader ju!”” At this moment, Qiu minzhe’s two subordinates suddenly blocked Captain ju’s way. One of them said,““if it’s an xianxiu, why don’t you ... Let us handle this?”” ”

“““For you to come forward, is it because ...”” ”

“““Hmph!”” Team leader ju patted this person’s shoulder and shook his head.”“Can’t you guys see? What he was most afraid of right now was this kind of situation happening! ”

“““You two, get the hell back and tell your guild leader that you shouldn’t have interfered!”” ”

“With that, he pushed the two of them away and got into his car. ”

“““Captain ...”” At this time, someone suggested to the captain through the window,”“an xianxiu is not to be trifled with, and you ... You have a grudge against each other. Should we apply to bring more people?”” ”

“““Why? Are you scared?”” Team leader ju cursed,”“no matter how bad he is, he can’t break the law! Start the car!”” ”

“As Captain ju shouted, the car started up and drove out of the factory. Then, it drove along the mountain road in a certain direction. ”

“Li Zhenzhu was worried that something might happen to Captain ju, so she immediately started the car and followed them. ”

“““What does an xianxiu do?”” Zhao Yu asked curiously. ”

“““Another big Boss of Chengping road, Quan youdong’s mortal enemy,”” Li Zhenzhu said helplessly.”“Quan youdong is called the gold origin Chamber of Commerce, and his is called the Jin Xiu Chamber of Commerce. Just from the sound of it, they are at odds with each other!”” ”

“““Oh ...”” Zhao Yu was even more curious.”“But, I don’t understand why an xianxiu wanted to take the driver away?”” ”

“““It’s hard to say whether they’ll be captured or rescued!”” Li Zhenzhu shook her head.”“Maybe the driver was an xianxiu!”” ”

“““That’s even more unreasonable,”” Zhao Yu analyzed.”“If that’s the case, an xianxiu shouldn’t have made a move! Doesn’t this mean that you’re trying to get away with it?”” ”

“““A few hundred taels?”” Li Zhen Zhu didn’t understand this story.”“What do you mean?”” ”

“““Okay, pretend I didn’t say anything.”” Zhao Yu crossed his arms.”“But I have a feeling that things aren’t that simple.”” ”

“““Of course,”” Li Zhenzhu said.”“I heard that an xianxiu not only has a grudge against Quan youdong, but because of a case that happened in the past, Captain ju was also implicated and even fired!”” ”

“““Wow ...”” Zhao Yu’s eyes were wide open.”“Then this is troublesome. Captain ju is still angry!”” ”

“““So,”” Li Zhen Zhu took out her phone,”“I have to think of another way to stop him. Park Xianhe can’t control him, so it seems that ... I can only call their chief!”” ”

“““This is bad ...”” ”

“Li Zhen Zhu nervously drove the car, only to find that she was gradually unable to keep up with the captain’s car! ”

“““This lunatic,”” Li Zhenzhu scolded.””Since the divorce, it’s getting harder and harder for him to control himself. He only thinks about catching criminals every day ...”” ”

“Zhao Yu was speechless, but he felt that this Captain ju was a bit like him in the past. ”

“However, Captain ju was more than ten years older than him. He should have long passed the age of youth and vigor, yet he was still so desperate. This was the complete opposite of him. ”

“The more Zhao Yu worked, the more mature he became, and the calmer he became. He was no longer the rash young man he used to be. ”

“““Wait ...”” Suddenly, Zhao Yu thought of a question and asked,””Captain ju, you’re in such a hurry, where are you going?”” ”

“““It looks like he’s going to find an xianxiu?”” ““I don’t know the details,”” Li Zhenzhu said.””Perhaps Captain ju knows where an xianxiu is?”” ”

“““But ...”” Zhao Yu frowned.””Isn’t that a little too much? If Xu Meina knew how to send the driver to a remote warehouse, would an xianxiu be able to bring the driver to his own house? ”

“““It’s been so long, the driver must have been taken somewhere! When the time comes, as long as an xianxiu doesn’t admit it, what can Captain ju do?”” ”

“““Indeed, you’re right ...”” Li Zhen Zhu pouted helplessly.””Maybe Captain ju was just looking for trouble?”” Maybe his main goal isn’t the driver, but to cause trouble for an xianxiu?”” ”

“““Wow, is Captain ju so vengeful?”” Zhao Yu shook his head. ”

“““Yes, he’s just that vengeful.”” Li Zhenzhu sighed.””It seems that the rumors may be true!”” ”

“““What rumors?”” Zhao Yu was curious. ”

“““According to the rumors, an xianxiu might have been the one behind Captain ju’s divorce!”” Li Zhenzhu said,””because of the previous conflict, he and Captain ju became enemies. So, he spent a large sum of money and arranged for a high-level Niu lang to seduce Captain ju’s wife away ...”” ”

“““Waa!”” Zhao Yu was shocked.””No wonder he drove so fast! Be careful ...”” ”

“With this reminder, Li Zhenzhu quickly slowed down and changed directions, barely avoiding a motorcycle that was crossing the road. The driver was so scared that he almost fell into the ditch ... ”

“““Of course, these are just rumors ...”” Li Zhen Zhu tried hard to control the car. ““I’m not a gossiper. If you want to know, you have to ask old park!”” ”

“““Is that so?”” Zhao Yu joked,””you’re the leader of the National affairs Department. You know so much gossip. Isn’t that enough?”” ”

“““Oh no, oh no...”” ”

“At this time, a garbage truck blocked her way, so Li Zhen Zhu couldn’t see the direction clearly. After she finally got around it, she couldn’t see the captain and the others. ”

“”Damn it!”” ”

“”F * ck!”” Li Zhen Zhu cursed in annoyance, then quickly picked up her phone and asked where they were going. ”

“In fact, if Zhao Yu had used an invisible drone, he would have been able to see the direction clearly. However, this case had nothing to do with him, and it wasn’t an urgent matter. There was no need to waste such a precious prop. ”

“Soon, Li Zhenzhu got the location information of Captain ju and the others. She immediately turned on the real-time navigation and continued to follow. ”

“Just then, Zhao Yu’s phone rang, and his sister-in-law Ding Lan’s voice came from the other end.””Brother-in-law, where are you? I’m still waiting for your reply!”” ”

Oh ...

“Zhao Yu then remembered that Ding Lan was still waiting for Zhao Yu’s investigation into Xi Wei’s treasure, so that she could take action! ”

“However, it wasn’t appropriate to talk about the treasure in detail in front of Li Zhenzhu, so Zhao Yu quickly smiled and said,””””Alright, you can go shopping by yourself! I still have important things to do here!”” ”

“”Oh ...”” Ding Lan could tell that Zhao Yu was not in a position to speak, so she added,””””Alright, I’ll go buy some makeup then. It’s on you!”” ”

“”””Alright, I’ll buy as much as I want!”” Zhao Yu didn’t mind.””””I’ll tell you the password to my black card later!”” ”

“Then, Zhao Yu hung up the phone. ”

“”””Wow,”” Li Zhenzhu pouted and exclaimed,””””so generous!”” It should be the secret agent sister you saved, right? She’s really pretty, did she give her body to you?”” ”

“”””Humph,”” Zhao Yu said, glancing at Li Zhenzhu.””””And you said you don’t like gossip!”” ”

“”””Um ... Speaking of which,”” Li Zhen Zhu suddenly thought of something, and her eyes dimmed a little.””””Li Jie, are you doing well?”” ”

“”””Don’t worry!”” Zhao Yu replied,””””I’m already learning Chinese! This child takes after his father, smart and not talkative!”” ”

“This sentence seemed to be directed at miss Zhen Zhu, so Miss Li immediately shut her mouth and sped up. ”

“About ten minutes later, the car drove into a bustling Commercial Street. They didn’t have to spend too much effort to see Captain ju’s car at the entrance of a Chinese restaurant! ”

“At this time, there was no one in the car. It was obvious that Captain ju and the others had already entered the restaurant. ”

“””This should be the property of the Jin Xiu Chamber of Commerce, right?”” Li Zhenzhu observed the environment and said,“”just watch, an xianxiu must be here!”” ”

“””But, I don’t know if the driver was really caught and brought here,”” Li Zhenzhu couldn’t help but worry.””Without a search order, if an xianxiu doesn’t say anything, Captain ju can’t do anything to him!”” ”

“””If he goes too far, I’m afraid he’ll be punished again!”” ”

“After she finished speaking, Li Zhen Zhu quickly stopped the car. She unconsciously pressed the gun on her waist, then got out of the car and walked towards the restaurant. ”

“Although Zhao Yu was just a bystander, seeing that Li Zhenzhu had gotten out of the car, he had to follow her. ”

“Many Chinese characters were written on the restaurant, and red lanterns were hung at the entrance. ”

The two of them had just arrived at the door when they heard the sound of glass shattering from upstairs.

“Zhao Yu’s reaction was quick, and he quickly dragged Li Zhenzhu into the restaurant. The broken glass smashed onto the ground at the door. ”

“Without a doubt, the battle had already begun! ”

“””Alright then!”” Li Zhenzhu took out her gun and said to Zhao Yu,””later, try to hide behind me! Today, I’ve really let you see a joke!”” ”

“As he wasn’t on a mission, Zhao Yu didn’t bring his gun with him. ”

“However, he was already used to such a scene. He nodded indifferently and went upstairs with Li Zhenzhu. ”

“After he went upstairs, the scene was not as lively as Zhao Yu had imagined. ”

“In the hall of the restaurant, there were only about ten people. On one side were the investigators led by Captain ju, and on the other side were the club’s thugs led by an xianxiu! ”

“There were a few other waitresses in cheongsam, but they all hid far away, scared and at a loss. ”

“””Hey!”” At this moment, a short man in a Tang suit stood in the middle of the hall and scolded Captain ju,””ju Chengfan, are you done with this Mad Dog? ”

“””Wasn’t the lesson I gave you last time profound enough?””he asked. ”

“””Bastard!”” Team leader ju had a bad temper. After cursing, he immediately lifted a chair and threw it at an xianxiu ... ”

Chapter 2033: ball

“What the f * ck, was it that explosive?”

“Seeing Captain ju throw the chair, Zhao Yu thought to himself,”“it seems that Li Zhenzhu’s analysis is right. Captain ju is just taking the opportunity to cause trouble!”

“Li Zhen Zhu didn’t know what to do either. At this time, it wasn’t appropriate for her to shoot, and it wasn’t appropriate for her not to shoot either. ”

“In the blink of an eye, the chair went straight for an xianxiu’s head. ”

“However, an xianxiu reacted quickly and dodged it. ”

“The chair just happened to hit the counter of the restaurant, instantly smashing the things on the counter and sending them flying everywhere, shattering to the ground ... ”

“““You Mad Dog! You still dare to behave atrociously in my place?”” An xianxiu pointed to a corner of the hall.”“Look closely. I have surveillance cameras here. The surveillance cameras can prove that you were the one who started it!”” ”

“““Demonstration style, I think you don’t want to be the captain of the wide search team anymore!”” ”

“““Cut the crap!”” Captain ju pointed at an xianxiu and said fiercely,”“hand over Quan youdong’s driver and follow me back to the police station for trial!”” ”

“““Otherwise, don’t even think about opening your restaurant today!”” ”

“““What? What are you saying?”” An xianxiu was confused.”“What driver?”” What did it have to do with Quan youdong? wasn’t he dead? What right do I have to go on trial with you? What crime have I committed? ”

“““If you want to arrest me, you have to have an arrest warrant, right?”” ”

“““You ...”” Team leader ju choked and could only scold angrily,”“you’re still pretending, right? I’ve already found a witness to prove that you were the one who took Quan youdong’s driver from Xu Meina! ”

“““Hurry, hurry up and hand over the person!”” ”

“““F * ck,”” an xianxiu cursed,”“what the hell are you talking about?”” Why would I snatch Quan youdong’s driver? Am I crazy? ”

“““If you want to snatch someone, you should snatch Quan youdong’s wife, right? His wife is so hot, hahahaha ...”” ”

“However, an xianxiu had not finished laughing when Captain ju picked up another chair and threw it at him. ”

“This time, an xianxiu dodged it again and pushed it to the window. The chair hit the bar counter and bounced back, tripping one of an xianxiu’s men. ”

“This time, the scene was in chaos. An xianxiu’s men immediately rushed forward and pushed Captain ju’s men! ”

No way?

“At that moment, Zhao Yu was a little annoyed. He didn’t expect the search team to be like this every time. ”

“First, there was a bunch of random yells, then there was a chair, and then there was a push. What was the point of that? ”

Did they all forget that important objective?

“We’re here to F * cking solve a case, What’s this? How boring! ”

“Feeling annoyed, Zhao Yu didn’t join in, but pulled a chair over and sat at the entrance of the hall, then started to think about the case. ”

“Up until now, although he wasn’t sure if Quan youdong’s driver had been caught by an xianxiu, he still had a feeling that the driver might have something to do with the case. ”

“So, no matter how noisy it was, they had to find the driver. ”

“In that instant, he even regretted following them to watch the show. If he had known this would happen, he would have stayed at the abandoned factory with Li Zhenzhu to interrogate Xu Meina’s men or inspect the scene to see where the driver had been taken. ”

There was no point in talking nonsense like Captain ju.

“If this wasn’t an xianxiu’s doing, then Captain ju would probably have to bear the consequences ... Sigh ... ”

“Just as Zhao Yu was sighing, the conflict had escalated. Both sides started to fight. The tables were flipped and the utensils were smashed. Someone mimicked Captain ju and started to throw chairs everywhere! ”

“At this time, Li Zhenzhu raised her gun a few times, wanting to fire a warning shot, but in the end, she put it down. She looked at her watch anxiously, as if she was waiting for something. ”

“In the midst of the chaos, a small door at the back of the restaurant was suddenly pushed open. A man with a face full of blood staggered in and fell to the ground with a thud. ”

“”” Ah!?” ”

“This was so sudden that it shocked everyone who was fighting, and they all stopped what they were doing. ”

No way?

“Although he was very far away, Zhao Yu could see very clearly that the man’s face was covered in blood, and his arms were tied behind his back. He seemed to be tied up with a rope! ”

“Moreover, he had seen the driver’s photo and felt that this person looked a little like the driver ... ”

Could it be ...

“”“Ah!”” ”

“This person’s sudden appearance stunned both Captain ju and an xianxiu. As Captain ju was closer, he was one step ahead and immediately saw the bloody man’s appearance! ”

“”“Ah?”” ”

“He shouted and immediately turned around, taking out his handcuffs. ”

“However, just as he was about to order an xianxiu to arrest him, he suddenly saw a huge black shadow rapidly approaching from the window! ”

“”“Ah!”” Team leader ju screamed in fear and quickly rolled to the side. At the same time, he shouted to the crowd,””get out of the way!”” ”

Boom ... Boom ...

“In less than half a second, the inner window of the restaurant and the walls around the window exploded. A huge metal ball smashed through the window and entered the hall! ”

Ah ...

“It was as if the sky had fallen and the earth had cracked. The metal ball smashed into the restaurant with a violent force, instantly smashing it into pieces! ”

“The windows exploded, the walls collapsed, dust filled the air, and glass flew everywhere ... ”

“In the blink of an eye, everyone could no longer see anything. They could only hear waves of screams from the depths of the chaos ... ”

“”“Zhi button ...”” ”

“After the iron ball was thrown at a certain angle, it finally lost its strength and slid out of the hole in the wall where the window had been smashed ... ”

“It had happened in just a few seconds, but the hall had already been smashed into a mess, and wails could be heard everywhere ... ”

“Zhao Yu was, of course, shocked. When the iron ball hit him, the entire floor shook, as if it could collapse the whole building! ”

“That iron ball looked familiar to Zhao Yu. There was an iron chain on the iron ball, so it should be the bumping ball used to tear down houses! ”

“Every time the demolition team encountered a strong house that could not be pushed down by the excavator, they would use this kind of bumping ball! ”

How ... How did this happen?

“If ... If the metal ball were to hit a few more times, wouldn’t the entire restaurant collapse? ”

No!

“This time, Zhao Yu couldn’t just sit back and do nothing. He quickly exited the hall through the door, then rushed up to the roof along the corridor. ”

There was a glass window on the dark side of the roof. He opened the window and looked outside.

“On the yin side of the restaurant’s Square, there was indeed a huge crane. There was a huge iron ball tied to the crane with a chain! ”

It was indeed a collision!

This ...

“Zhao Yu looked at the crane and thought to himself, ”“this is not a simple murder. This could even be considered a terrorist attack!” ”

Who was the person driving the crane?

“He couldn’t be thinking of killing everyone in the restaurant, right? ”

“However, when Zhao Yu looked at the Crane’s driver’s seat, he suddenly realized that there was no one there. ”

This ...

Could it be ...

“Zhao Yu quickly looked at the iron ball and realized that after the iron ball hit the restaurant, it first swayed in a parabola in the air, then hit the restaurant in the same direction a second time! ”

“If it were to hit this time, the restaurant would not be far from collapsing ... ”

Oh ...

“Zhao Yu finally understood that the crane was either remotely controlled, or the criminal who had opened the crane had already run away. However, the switch to control the iron ball had not been turned off! ”

Chapter 2034: The fairy scattered the car

“The people in the restaurant didn’t have time to evacuate. If it really collapsed, no one would survive! ”

“Seeing the huge iron ball sway back from the other side and hit the wall of the restaurant again, Zhao Yu didn’t dare to hesitate and immediately jumped out of the window of the corridor. ”

“He was now able to use his devices freely. While falling, he calmly used an invisible parachute, and when he was about to land, he used an invisible spring. ”

“When his feet touched the ground, he adjusted his angle and jumped directly toward the Crane’s cab. ”

“Of course, Zhao Yu didn’t need to do such a complicated thing, as he could have just used the aircraft. However, the aircraft was too precious, so he had to wait until the most critical moment to use it.”

“The Crane’s cab door was open, and Zhao Yu rushed in just in time. However, there was a problem that he had not thought of before. He had never operated the crane, so he had no idea how to stop the big metal ball.”

“Seeing that the iron ball was about to hit the wall, Zhao Yu saw that one of the crane control levers was lifted, so he pulled the control lever down without thinking.”

“In the end, this control stick was not used to control the steel ball, but to control the direction of the cockpit. As soon as it was pulled, the cockpit immediately started spinning.”

“”Ah!”” ”

“Zhao Yu was shocked and quickly grabbed the car seat, almost falling to the ground.”

“At this time, as the cab turned, a huge change happened outside. The huge iron ball also started to spin with the crane, and it actually brushed against the wall of the restaurant and was thrown out!”

“It was like a merry-go-round. Wherever the iron ball went, there was a loud rumbling sound, and the wall and balcony windows were smashed everywhere. It was a spectacular scene!”

“”Zhi button ...”” ”

“As the iron ball spun out of control, it flew into the air after brushing against the wall of the restaurant!

”

“Whoosh ... With a terrifying sound, the big iron ball finally landed on the square and fell into the parking lot in the middle of the square!”

BOOM!

“This time, it was very lively. The big metal ball slanted and smashed into the parking lot like a bowling ball. Suddenly, the cars that were parked there were smashed everywhere. It was like a fairy scattering cars!”

“Due to the extremely high gravitational acceleration of the iron ball, the moment the iron ball hit the car, the huge and heavy crane could no longer bear such a huge tearing force. Immediately, the front of the car tilted and collapsed with a loud bang!”

What the ...

“Zhao Yu’s reaction was fast enough. When he saw that the crane was out of control, he relied on the invisible spring to do a forward somersault and get out of the driver’s seat.”

Bang ...

“The crane fell to the ground, making a loud noise. The inertia of the iron ball was too strong, and it pulled the crane forward for a few meters before it finally stopped!”

Gulp ...

The big metal ball wreaked havoc in the parking lot for a few more seconds before it was finally stuck in the car gap and stopped moving.

“However, when Zhao Yu stood up and looked over, he realized that there were more than twenty cars in the parking lot, and almost none of them were intact!”

Hualalalala ...

“The balcony on the side of the restaurant, which had been hit by the iron ball, also collapsed like dominoes ...”

.....

Buzz ... Buzz ...

Di di di ...

“More than ten minutes later, a large number of fire engines, ambulances, police cars, and ambulances arrived. No matter if it was the road in front of the restaurant or the parking lot behind, everything was cordoned off.”

““Sir,” a police officer came to report to Li Zhen Zhu, “we’ve checked. It was man-made. Someone controlled the crane and didn’t turn off the switch for the ball toss!””

““Well,” Li Zhen Zhu pointed to the parking lot in the distance. “There are surveillance cameras everywhere. Hurry up and find out who drove the crane.””

““Yes!” The police officer received the order and left ...”

““Al, what a pity!” Li Zhenzhu looked at the cars that had been smashed into scrap metal and said to Zhao Yu, who was next to her, “I’m still driving a modern car from 2012!”

““Detective Zhao,” she looked at Zhao Yu helplessly, “you’re so generous, aren’t you?””

““No choice!” Zhao Yu said, “if you don’t do this, the restaurant will collapse, and you won’t be able to escape!””

““I understand,” Li Zhenzhu said with a bitter smile. “Of course I’m joking!” I just don’t understand, who would do such a thing?”

““This is already a terrorist attack. This shouldn’t be a personal act, right?””

““The crane with the big iron ball can’t go fast,” Zhao Yu said. “This must have been prepared in advance! Maybe the murderer didn’t expect an agent to break into the restaurant?””

““I think so too,” Li Zhenzhu said. “Maybe it was done by someone who has a grudge against an xianxiu!””

““But, it’s also a bit of a coincidence,” Zhao Yu said. “Did you confirm the tied-up man? Is he really Quan youdong’s driver?””

““Yes, it’s confirmed. It’s indeed the driver!” Li Zhenzhu said, “however, he was hit in the head by a stone. He has been sent to the ICU!””

“““It’s that serious?”” Zhao Yu thought for a moment, then quickly said,“““although this happened suddenly, we have to be careful! ”

“““If the big metal ball is coming for the driver, you have to arrange for people to protect him! ”

“““Maybe the murderer will kill him after seeing that he’s not dead!”” ”

“““Mm! ““I understand.”” Li Zhenzhu nodded.“““Sergeant Park has already arranged for someone to go. I have also arranged for an agent to go over!”” ”

“Zhao Yu then asked,““what about the others?”” Are you hurt? Team leader ju ...”” ”

“““Captain ju was only slightly injured,”” Li Zhenzhu replied.“““We just had a comprehensive examination. Fortunately, although the iron ball came suddenly, no one died on the spot!”” ”

“““But, the driver and an xianxiu’s injuries are more serious!”” ”

“““Oh?”” ““How’s an xianxiu?””Zhao Yu asked. ”

“““An xianxiu was hit by an iron ball and was seriously injured,”” Li Zhenzhu said.“““When they rescued her, she still had signs of life, but she was already sent to the ambulance!”” ”

“““I heard that he was in the ambulance and was just resuscitated. We don’t know what his condition is now!”” ”

It was actually like this ...

“Suddenly, Zhao Yu remembered something. When the iron ball attacked the restaurant, an xianxiu was standing closest to the window! ”

“The reason why he was the closest to the window was that Captain ju had thrown a chair at him before. In order to avoid the chair, he had retreated to the window. ”

Could it be ...

Zhao Yu suddenly had a bad feeling. Could it be that this fatal big metal ball was planned by Captain ju?

His purpose was to kill an xianxiu in front of everyone?

“After all, Captain ju and an xianxiu had a huge grudge ... ”

Would he?

“Or was it just a coincidence, and the murderer’s purpose was to destroy the restaurant and kill an xianxiu and the others? ”

And what did this have to do with the driver?

“Before the iron ball attack, the driver had come out from behind a door. If he had really been kidnapped by an xianxiu, would an xianxiu be so stupid as to let him stay in his own restaurant? ”

Could it be that someone was trying to frame the driver?

“And ... If it was really a set-up, could it be ... Also related to Captain ju? ”

“After all, it was Captain ju who brought his men to the restaurant. His attitude was so rude. Could it be ... Could it be that he knew long ago that the driver would appear at an xianxiu’s restaurant?”

Could it be that ... There was really something wrong with this team leader’s Kasaya?

Chapter 2035: Curiosity killed the cat

“That night, in an office in Seoul’s police station. ”

“This place was far away from the search team, as Zhao Yu had specifically requested. ”

“““This is interesting. We’re here to investigate the black pupil case.”” Li Zhen Zhu shook her head and sighed.””I didn’t expect things to turn out like this ... Sigh ...”” ”

Sigh ...

“Zhao Yu sighed in his heart. If Miao Ying or Ding Lan were present, they would definitely repeat the old saying,”” ”

“““Zhao Yu, why is it that wherever you go, something big happens?”” ”

I don’t want to ...

“Zhao Yu covered his face and explained in his heart,””I was just curious, so I came to take a look. I didn’t expect things to get out of hand!”” ”

It seemed that the saying that curiosity killed the cat was true!

“““The only good thing is that an xianxiu and the driver survived,”” Park Xianhe said to Zhao Yu and Zhao Yu.””But an xianxiu’s left leg was gone. The driver is still unconscious ...”” ”

“““The crane ... By the way ...”” Li Zhenzhu quickly asked,””did you find out about the crane?”” Where did you get it?”” ”

“““I’ve found out,”” Park Xianhe said with difficulty,””even the crane and the iron ball are from the Golden stream Chamber of Commerce!”” ”

“““What?”” Li Zhenzhu’s eyes widened. It was ... Qiu minzhe?”” ”

“““Big sister, how can there be such a stupid local snake?”” Zhao Yu waved his hand.””If that old man really did it, why would he use his crane to kill people?”” ”

“““That’s true,”” Li Zhenzhu hurriedly asked,””how much silver was there in this place?”” ”

Zhao Yu extended three fingers. He didn’t expect miss Zhen Zhu to have such a strong learning ability.

“““Then ... What about the person who drove the crane?”” Li Zhenzhu asked again,””did you find it? How can there be so many surveillance cameras in the parking lot? don’t tell me ...”” ”

“““I found it!”” Park Hyun-ho quickly replied, ““from the surveillance footage, that person should be Wang Yan!”” ”

“““Wang Yan?”” Li Zhenzhu frowned. ““It sounds familiar ...”” ”

“““His nickname is rocket. He’s also from the Golden stream Chamber of Commerce. He’s Qiu minzhe’s number one fighter!”” ““I’ve done a lot of dirty things for him!”” Park Xianhe said. ”

“““No way? So it’s him?”” Li Zhenzhu asked again, ““have you caught him now?”” ”

“““No,”” Park Xianhe shook his head, ““he’s missing! I’m still looking!”” ”

“““Then ...”” Li Zhenzhu asked again, ““have you gone to look for Qiu minzhe?”” ”

“““I came ...”” Park Xianhe spread out his hands and kicked the ball to Li Zhenzhu. ““I came to discuss this with you!”” I can’t control myself anymore, officer Li, can you help me make a decision?”” ”

“““Qiu minzhe wouldn’t do that.”” Li Zhenzhu shook her head. ““He’s about to retire. Otherwise, he wouldn’t have suggested re-election!”” ”

“““But ...”” Park Xianhe grinned, ““it’s also possible that this old man didn’t want to give up his power? Quan youdong is dead, and if an xianxiu is dead, then the biggest beneficiary will definitely be him, right?”” ”

“““No,”” Li Zhenzhu analyzed, ““this old man is not that stupid. I warned him before that if he dared to cross the line again, I would make him lose his integrity. He wouldn’t dare to do that!”” ”

“““No matter what, the evidence is against him. He has already caused big trouble! According to the procedure ...”” Park Hyun-ho pouted and said, ““we should at least bring him to the police station for a talk!”” ”

“““Tsk tsk ...”” Li Zhenzhu pouted, turned around, and asked Zhao Yu, ““detective Zhao, what do you think we should do about this?”” ”

“““Don’t give me that, please don’t ask me!”” Zhao Yu quickly waved his hand and clarified, ““you said that I’m just here to relax!”” ”

“““Is that so?”” Li Zhen Zhu blinked her phoenix-like eyes and said, ““but, it seems that you have already boarded the pirate ship. You were involved in the whole process, and those cars ... Were also destroyed by you!”” ”

“““Big sister, you can’t play like this!”” Zhao Yu stuck out his tongue. ““Don’t forget, I’m a hero who saved more than twenty lives today! ”

“““If you’re going to argue with me about those cars, you’re returning kindness with ingratitude ...”” ”

“““Repaying kindness with ingratitude?”” Li Zhenzhu carefully thought about it and sighed. ““Chinese idioms are really broad and profound. I don’t understand what they mean.”” ”

“““A dog biting Lu Dongbin, you don’t know what a good person is like!”” Zhao Yu complained. ”

“However, Li Zhen Zhu obviously still didn’t understand. She could only smile slightly, and then said seriously,” “I was just joking! However, I really want to hear your opinion!” ”

“”Is that so?”” Zhao Yu raised his eyes and pondered for a moment. He then asked Park Xianhe,” “officer Park, can you tell me where the crane drove past?” ”

“”How long did it take to get to an xianxiu’s restaurant from the starting point?”” ”

“”Um ... This ...”” Park Hyun-ho was stunned and said in a panic,” “wait a minute, I’ll ask!”” ”

“After that, he quickly took out his phone and went to the side to make a call. ”

“”Oh ...”” Li Zhenzhu nodded slightly, as if she had already understood what Zhao Yu meant. ”

“By calculating the time it took for the crane to arrive, he could clearly tell what the murderer’s purpose was. ”

“If it was before Captain ju, then his goal was obviously to kill an xianxiu and destroy his restaurant! ”

“If it was after that, it meant that the murderer might have targeted the driver, Captain ju, or even Li Zhenzhu ... ”

“”Miss Zhen Zhu,”” Zhao Yu stood up,” “if you really want me to investigate this matter thoroughly, it’s best to transfer a team of professional investigators over!”” ”

“”Also, I need to get my people involved ...”” ”

“”Oh? Why?”” Li Zhenzhu was surprised.” “There’s a search team here ... Oh ... Don’t you trust them?”” ”

“”It seems like ...”” Zhao Yu smiled.” “You’re also suspecting that Captain ju, right?”” ”

“”Yes, you saw through me again!”” Li Zhen Zhu said in a low voice,” “I feel that the crane incident is a bit too coincidental! He was the one who threw the chair at an xianxiu, and an xianxiu hid by the window!”” ”

“”And ...”” Zhao Yu added,” “he has a grudge against an xianxiu!”” ”

“”But ...”” Li Zhenzhu pulled Zhao Yu aside and said in a low voice,” “without any evidence, we can’t investigate him!”” ”

“”I’m telling you, an xianxiu is a sinister person. It’s possible that his enemies are here to seek revenge! It has nothing to do with Captain ju. If we investigate him and make a mistake, it will hurt our relationship! ”

“”Originally, their search team already had a problem with our national affairs Department ...”” ”

“”Oh ...”” Zhao Yu’s eyes lit up.” “So, you want me to investigate it, so that you can avoid any misunderstandings, right?”” No wonder you kept asking for my opinion! ”

“He shrugged and said,” “sis, we are indeed on good terms, but ... This case has nothing to do with me, right? ”

“““I’m here to find Xi Wei’s vault. You can’t use me like this, right?”” ”

“““Zhao Yu, who asked you to be a super detective? Just help big sister and be a good person to the end!”” Li Zhenzhu pulled on Zhao Yu’s arm and said,““let’s just take it as the black pupil case!”” ”

“““Think about it. If you can solve the black pupil case, won’t your international reputation be higher and higher?”” ”

“““Tsk!”” Zhao Yu sneered,““let’s stop here, sis! I, Zhao Yu, never do business at a loss. Those false reputations are just fleeting clouds to me!” ”

“““Curiosity killed the cat!” ”

“““I think I’d better take my godson to the amusement park, then take my sister out to shop and buy some makeup for my girlfriend. That’s better than anything else, don’t you think?”” ”

Chapter 2036: The conditions and countermeasures

“““Don’t be like this, I know you can’t bear to leave this case!”” Li Zhenzhu then said to Zhao Yu,““otherwise, you wouldn’t have been lying on the ground where Quan youdong died!” ”

“““The old case happened in Yokohama, and the new case happened in Seoul. It’s been 45 years, and the same pair of black eyes ...”” His eyes were shining with hope.““This case must have enchanted you, right?”” ”

“““I’m a detective, of course I’m interested in investigating!”” Zhao Yu said,““but that’s a separate matter. I’m only here to visit!” ”

“““If there’s a conflict of interest, I can only choose to withdraw ...”” ”

“““Okay, since you insist,”” Li Zhenzhu crossed her arms and said to Zhao Yu,““I can only express my regret, but you have to remember not to leak the case!”” ”

“““Mm ...”” Zhao Yu said, then reached out and shook Li Zhenzhu’s hand.““Then ... Good luck!”” He said. I’ll be leaving first!”” ”

“Then, Zhao Yu walked towards the door without any hesitation. ”

“But just as he was about to open the door, Li Zhen Zhu suddenly said,““““Oh right, I told you about Xi Wei’s vault. Has there been any change in the situation?”” ”

“““What?”” ““What change?”” Zhao Yu suddenly felt that there was a hidden meaning in Li Zhenzhu’s words. He turned around and asked,““what change?”” ”

“““The US has intervened,”” Li Zhen Zhu said.““They’re following the extraditor regulations under international law and firmly insist that Xi Wei is an American citizen. Now, they’re demanding us to hand over Amelia and Xi menna!”” ”

“““F * ck!”” Zhao Yu’s eyes widened.““You’re only telling me this now?”” ”

“““The situation is very bad,”” Li Zhenzhu said.”““You know the means of the US. Once they bring it up, we will be pressured and will definitely not be able to resist!”” ”

“““You ...”” Zhao Yu squinted his eyes.”““You’re not trying to fool me, are you?”” ”

“““I’m not joking,”” Li Zhen Zhu said seriously.”““I can show you the official extraditor application. Londee’s death has put us in a disadvantageous position, so they must be determined to get Xiwei’s treasure! ”

“““If they get ahmelora and semeina, you can imagine the consequences ...”” ”

“Zhao Yu’s eyes narrowed even more, as he tried to think if Li Zhenzhu was telling the truth. ”

“At this moment, footsteps could be heard from outside the door. It was obvious that Park Hyun-ho had returned. ”

“Li Zhenzhu quickly stepped forward and locked the door, then said to Zhao Yu in a serious tone,”““Zhao Yu, I’ve already submitted the application report. I can show you the latest record of our national affairs Department! ”

“““As long as we can find the Treasury before the US forces exert pressure, then they won’t be able to do anything! ”

“““When the time comes, the initiative will be in our hands. At most, we can return some of their property, but as for the precious top-secret information ...”” ”

“Li Zhenzhu winked at Zhao Yu, meaning to say,”““you know ...”” ”

“Zhao Yu understood, but he still suspected that Li Zhenzhu had made it sound so serious on purpose to lure him into the trap. ”

Clang clang clang ...

“At this moment, Park Xianhe couldn’t open the door, so he knocked. ”

“““Sergeant Park,”” Li Zhen Zhu quickly said,”““please wait a moment, we still have something to do ...”” ”

“““This ...”” Park Xianhe was obviously a little surprised, but he still responded and said from outside,”““I just asked. The crane drove from the construction site on Qingyuan Street, and it only took 10 minutes!”” ”

“““Alright, I got it!”” Li Zhen Zhu agreed and said loudly,”““then you can go!”” ”

“““Alright then!”” Park Hyun-ho sighed helplessly and could only walk away. ”

“““At a time like this, you’re telling me these things ...”” Zhao Yu said with a straight face.”““Obviously, you’re not sincere! Didn’t you say that the National affairs department’s cases are top secrets?”” ”

“““There’s no other way!”” Li Zhen Zhu said,”““until now, we still don’t know what amerolaia and the others are looking for in the evidence room. ”

“““We’ve already screened all the evidence and checked the past files, but we didn’t find anything related to Xi Wei!”” ”

“““You guys can threaten Amelia and Xi menna,”” Zhao Yu suggested.”“If they don’t tell us the secret, then hand them over to the Americans! ”

“““They know clearly what the consequences will be when they reach the US!”” ”

“““Of course,”” Li Zhen Zhu said.”“We have tried everything, but these two people refused to speak! ”

“““Also, we’ve done a lie detector test for them. We suspect that Xi menna is lying and that she doesn’t know anything!”” ”

“““Is that so?”” Zhao Yu frowned. He felt a headache whenever Xi Mengna was mentioned. ”

“““Zhao Yu,”” Li Zhenzhu said.”“Help me solve the black pupil case, and then I promise to let you see the files of the National Security Department and share all the information. We will work together to find the Treasury. This is for the best of both of us!”” ”

“““Otherwise, we can only watch the US reap the benefits without doing anything! ”

“““You know that we can’t stop them! ”

“““If you don’t believe me,”” Li Zhenzhu said,”“you can ask your superior. I think they have received the information by now, right?”” ”

“““You’re really good at business,”” Zhao Yu said coldly.”“Since the Treasury is an urgent matter, why didn’t you settle it first? You’re actually trying to negotiate with me?”” ”

“““I really don’t have any other choice,”” Li Zhenzhu said frankly.”“Since these Chambers of Commerce in Chengping road can develop so well under the watch of clear tile terrace, the complicated relationships behind them are something that even our national affairs Department is afraid of!”” ”

“““Right now, the black pupils case has attracted international attention. Quan youdong is dead, and an xianxiu is in such a big mess. If we don’t deal with this as soon as possible, it will seriously affect public safety and cause bad consequences! ”

“““Zhao Yu, I’m not here to show you around.”” Li Zhenzhu’s eyes were full of anticipation.”“I really need your help!”” ”

“““This case, whether it’s public or private, I’ll have to leave it to you!”” ”

Di di ... Di di ...

“As if they had discussed it beforehand, Zhao Yu’s phone rang just as Li Zhenzhu said this. ”

“Miao kun’s voice came from the phone,””“Zhao Yu, the situation has changed. Help them investigate the black pupil case first! ”

“““I’ll tell you the details when I see you tonight! I’ll hang up first ...”” ”

“He picked up the phone quickly and hung up quickly. After a few short sentences, there was no sound from the phone. ”

Alright ...

“Zhao Yu looked at Li Zhenzhu, and Li Zhenzhu looked back at Zhao Yu. The two looked at each other for a few seconds, and their eyes were filled with complicated emotions. ”

““How is it?”” Li Zhenzhu said,““I didn’t lie, did I? The situation has already reached a very urgent stage!”” ”

““Alright,”” Zhao Yu said.““If that’s the case, then if you listen to me, the first thing you have to do is to control an xianxiu’s men!”” ”

““Oh?”” Li Zhenzhu was surprised.““Why?”” ”

““Of course,”” Zhao Yu said.““An xianxiu lost a leg, the crane is from the Golden stream Chamber of Commerce, and the suspect who drove the crane is the old man’s man! What do you think?”” ”

““Oh ...”” Li Zhenzhu suddenly realized.““It turns out that you already had a countermeasure in mind!”” Have you ... Already thought of a way to solve the case?”” ”

““First,”” Zhao Yu said, sticking out a finger.““Pay close attention to who will disclose the crane and the suspect’s information to an xianxiu’s people!”” ”

““Whoever leaks this information is a ghost! ”

““Secondly,”” Zhao Yu extended his second finger,““help me find out who would benefit the most if the old man and an xianxiu fought.”” ”

““I suspect that there’s a third party behind this!”” ”

Chapter 2037: cold joke

“A few hours later, in the same office. ”

“In front of Zhao Yu, there was already a large pile of information. These were all secret information about the Golden stream Chamber of Commerce and the Jin Xiu Chamber of Commerce, which even the search team didn’t have. ”

“Zhao Yu realized that the background of these Chambers of Commerce was indeed complicated, involving various forces, from the Senate to the military. ”

“What was more complicated was that Quan youdong and an xianxiu were both hired thugs. They had been the henchmen of the big bosses for many years, so they had many enemies. ”

“In addition, one of them had a bad temper while the other was sinister and vicious. The wicked things they had done were simply too many to count. It would take a lot of time and energy to investigate the interpersonal relationship between the two. ”

“With his detective intuition, Zhao Yu could feel that the black pupil case and the steel ball case were not related at all. The black pupil case was mainly targeted at Quan youdong, while the steel ball case was targeted at an xianxiu.”

“Therefore, he was now pondering whether he should decide on his priorities.”

“If they were to focus on the black pupil case, they would have to focus on the first victim and then link it with Quan youdong’s case to find a breakthrough point.”

“However, from what Li Zhen Zhu said, they were more worried about the iron ball case.”

“This case not only involved the disputes of interests of various Chambers of Commerce, but also the internal problems of the wide search team.”

“So, Li Zhenzhu hoped that Zhao Yu could find out more about the iron ball incident.”

“”Zhao Yu,”” Li Zhenzhu rushed in and reported to Zhao Yu,””I just investigated, and it’s not as simple as we thought.”” ”

“”If the Golden stream Chamber of Commerce and the brocade Chamber of Commerce become enemies and both sides suffer losses, it won’t be a good thing for those small Chambers of Commerce in Chengping road!”

“”These small Chambers of Commerce are usually attached to the two major Chambers of Commerce. If the two major Chambers of Commerce fight, their business will definitely be affected!”” ”

“”Oh?”” Zhao Yu’s eyes were wide open as he asked,””so, it’s not a third party?”” ”

“”Not necessarily,”” Li Zhenzhu said, handing over a document to Zhao Yu.””Chengping road doesn’t have any beneficiaries, but for the other large Chambers of Commerce in Seoul it’s a different story!”” ”

“”F * ck ...”” Zhao Yu cursed in his heart, then said to Li Zhenzhu,””I fell for it again!”” It seemed that there was more than just a crane behind the big iron ball! ”

“”Don’t tell me this is a game between the other major forces. I don’t want to get involved in some business vortex ...”” ”

“”Did you watch too many Korea movies?”” Li Zhenzhu smiled.””How can it be that advanced?”” Besides, don’t you still have me? Just treat you as the consultant we invited!”” ”

“”Alright then,”” Zhao Yu stuck out his tongue,””tell me!”” ”

“”We’ve investigated other Chambers of Commerce that are doing the same business,”” Li Zhen Zhu said.””If the two major Chambers of Commerce fall out, there are about three Chambers of Commerce that have the strength to divide the business on Chengping road! ”

“”These three Chambers of Commerce represent different interest groups behind them. My men are currently investigating whether they have any conflicts or special relationships with the two major Chambers of Commerce ... ”

“”Um ...”” Li Zhen Zhu pointed to the information and said,””because of the time constraint, I didn’t translate it into Chinese. You should be fine, right?”” ”

“““I can assign you an interpreter!”” ”

“““Okay, it’d be best if it was a female translator who looked as beautiful as you ...”” Zhao Yu joked, then asked,““by the way, where’s the person who drove the crane?”” You haven’t caught him yet?”” ”

“““Right!”” Li Zhenzhu said,““this person should be protected by the mastermind behind the scenes! If we want to find him, I’m afraid we’ll have to find the mastermind!”” ”

“““At least ...”” Zhao Yu asked again,““do you have a general direction?”” ”

“““That area is mountainous,”” Li Zhenzhu said helplessly.““Our surveillance density has many flaws! I can only roughly guess that he fled to the North or northeast ...”” ”

“““It’s impossible for this guy to walk, right?”” Zhao Yu said,““even if we have to check them one by one, we have to!”” ”

“““The search team is doing it, but we don’t have enough people on our side!”” Li Zhen Zhu shrugged.““I’m afraid it’ll take some time ... Right, Sergeant Park said that the crane only took 10 minutes to reach the restaurant ...”” ”

“““At that time, we were still looking for Quan youdong’s driver in the abandoned factory,”” she pondered for a moment and said,““doesn’t this mean that the murderer didn’t know we were going?”” He is only targeting an xianxiu?”” ”

“““Hehe ...”” Zhao Yu laughed and said to Li Zhenzhu,““the crane was driven from the construction site, right?”” ”

“““Yeah?”” Li Zhenzhu didn’t understand what Zhao Yu meant. ”

“““Which construction site’s crane would need to hang a big iron ball?”” Zhao Yu said,““the big metal ball is only used to tear down buildings. Why would a building need a metal ball?”” ”

“““You mean ...”” Li Zhenzhu thought about it seriously.““All of this was a long-planned conspiracy?”” ”

“““So, we can’t rule out the hot-tempered Captain,”” Zhao Yu whispered.““Don’t you think that he played a role in this?”” ”

“““Well ...”” Li Zhenzhu pouted and said,““I’ve already sent people to investigate him!”” ”

“““There’s no point in investigating him,”” Zhao Yu said, shaking his head.““He’s the captain of the search team. If he really did something bad, he wouldn’t have left any evidence!”” ”

“““Indeed, just the fact that he brought us to the restaurant and threw the chair at an xianxiu doesn’t prove that there’s a problem with him!”” Li Zhenzhu frowned.““Besides, he might have accomplices in the search team!”” ”

“““Tsk, tsk ... This case is really tricky!”” ”

“““How’s the driver?”” Zhao Yu asked again,““if this person wakes up, maybe he can tell us something?”” ”

“““No.”” Li Zhen Zhu shook her head.”” Although there’s no surgery, the doctor said that we have to observe the situation at all times. We don’t know when he will wake up!”” ”

“““Then, interrogate the people who were beaten up in the factory,”” Zhao Yu said.”” Find out who took the driver away.”” ”

“““The search team is really trying to confirm this,”” Li Zhen Zhu replied.”” According to the people who were beaten up, they didn’t know the name of the person who beat them up and took their driver. They only knew that it was someone from the Jin Xiu Chamber of Commerce! ”

“““But as for which one it is, we’re still trying to confirm it ...”” ”

“““You guys are really efficient ...”” Zhao Yu shook his head.”” At this time, you should have arrested all of an xianxiu’s men and let the people who were beaten identify them!”” ”

“““That’s impossible.”” Li Zhen Zhu shook her head.”” An xianxiu has at least 100 thugs!”” ”

“Zhao Yu sighed heavily, then put down the file in his hand, stood up, and said,”” it seems that I have to do it myself!”” ”

“““Miss Zhen Zhu, could you please get me a few whiteboards and see if we can solve the case before dinner?”” ”

“““Before ... Before dinner?”” Li Zhen Zhu looked at her watch. It was almost seven in the evening, and the sky was already dark. ”

“““If you break it, I’ll treat you to a meal!”” Zhao Yu said seriously,”” if it’s not broken, you can treat me to a meal, how about that?”” ”

“““Tsk ...”” Li Zhen Zhu finally understood and immediately looked at Zhao Yu with disdain.”” Your cold joke is not funny at all!”” ”

Chapter 2038: I’ll help you

“At eleven o’ clock in the middle of the night, still in the same office, Zhao Yu had already set up four whiteboards and filled in the information he was most familiar with. ”

“No matter what, Zhao Yu was a very serious person. ”

“Even though this case had nothing to do with him, as a competent detective, he didn’t slack off. Instead, he seriously sorted out the case in his own way. ”

“At that moment, he was adding information on the whiteboard while talking to Miao kun on the phone.”” “Alright, I understand. I know what to do!”” ”

“““If you really can’t do it, you can ask Ding Lan and Xiao hang to come and help you,”” Miao kun said.”” Today, the American investigators who investigated londee’s death are in place! ”

“““This group of people came with a lot of force, saying that they were here to investigate londee, but in reality, wasn’t it all for Xi Wei’s treasure?”

“““So, that Miss Li didn’t exaggerate. They definitely wouldn’t be able to hold on in the end! We can only occupy an advantageous position by finding the vault before that!”

“““Otherwise, we might end up with nothing!”” ”

“““Alright, I’ve said it. I understand!”” Zhao Yu seemed to have thought of something related to the case, and he looked a little impatient. ”

“““I don’t care if you understand or not, but there’s something I haven’t told you yet ...”” Miao kun said in a low voice.”“According to reliable information, there’s a high chance that Xi Wei’s vault contains information that is unfavorable to us!”

“““If these things are taken away by the Americans, I’m afraid it will have a huge impact on us. So, we must get Xi Wei’s Treasury!”

“““As for you, as the most trusted detective of the higher-ups, and the son-in-law I’m proud of, you have to do it well for me, both for public and private reasons!”

“““After this, I can retire in peace. Not only will I have to take care of your godson, but I’ll also have to take care of your grandson, don’t you think so?”” ”

“““You ... Mm ...”” Zhao Yu was speechless. After a long pause, he said,”“no one is like you. You’re just putting pressure on me!”

“““This is not the Special Investigation Group or the Secret Service team. I don’t have my own team, and we don’t understand the language and culture ... I’m thinking ...”” ”

“Just as Zhao Yu said this, a bell-like voice suddenly rang out from the office door,”“Detective Zhao, I can help you. It’s exactly what I’ve been looking for!”” ”

I’ll cut!

“Zhao Yu was shocked and quickly turned around to look. He saw that the person standing at the door was the Japanese expert, Masako Yushan!”

“Masako’s face was filled with joy, and she said in fluent Chinese,”“““I have a good understanding of the cultures of all three countries. I can definitely help you!”” ”

“““Hey...You...Um ...”” Zhao Yu was thinking about the case and talking to Miao kun, so he didn’t notice that there was an extra person in the office. He was suddenly at a loss. ”

“““Hey ...”” Miao kun, who was on the other end of the phone, obviously misunderstood. He quickly asked,”“Zhao Yu, you’re keeping a mistress in your house? who is this?”” It can’t be that officer li, right?”” ”

“““Go to hell, why are you hiding a ball of yarn!”” Zhao Yu quickly explained,”“these are the experts that the Japanese sent to investigate the black pupil case!”” ”

“““F * ck!”” As a result, Miao kun became even more suspicious.”“You won’t even let the Japanese off? Why are you so popular with women?”” ”

“““Aiyo, go to hell!”” Zhao Yu cursed and quickly hung up the phone. ”

“““Detective Zhao Yu, nice to meet you!”” Masako Yangshan bowed to Zhao Yu respectfully. ”

“““You ...”” Seeing that the other party was so polite, Zhao Yu was angry but couldn’t say anything. He thought for a few seconds, then asked,”“How long have you been here?”” ”

“Zhao Yu was obviously worried that she would hear about Xi Wei’s vault. If the Japanese found out about this, it would only get more and more troublesome ... ”

“““Me?”” Masako quickly replied,”“I’m sorry, I didn’t mean it! Just now ... Just now, I was about to knock on the door when I heard you say that you don’t understand the Korean language and culture, so I came in and agreed! ”

“““I’m sorry for being presumptuous, please forgive me!”” ”

“Then, she bowed to Zhao Yu again, leaving Zhao Yu at a loss for words. ”

“““You ... Um ... You’ve misunderstood!”” Zhao Yu quickly explained,”“what I want to solve now is not the black pupil case! It’s a case that we’re working with the Korean authorities on, the black eye case, which is being handled by the search team ...”” ”

“As he spoke, Zhao Yu deliberately blocked the whiteboard with his body to prevent any information from leaking out. ”

“““Oh ...”” Masako Nakayama blinked her big eyes and said,”“I know, there was a new case today, right? Someone kidnapped Quan youdong’s driver, and someone used a crane to smash the Jin Xiu Chamber of Commerce’s restaurant ...”” ”

“““You ...”” Zhao Yu frowned.”“You know about this?”” ”

“““I started out as a reporter,”” Masako said.”“You can’t hide these things from me! I’ve already been to the crime scene and the hospital today!”” ”

“““Tsk tsk ...”” Looking at the strange Japanese female expert, Zhao Yu was curious and immediately asked,”“what did you find out?”” ”

“““No, I just feel that ...”” Masako looked at the white board behind Zhao Yu and said,”“the restaurant incident might not have anything to do with the black pupil case!”” ”

“““You ...”” Zhao Yu quickly pressed on Masako’s shoulders and pulled her to the door, then used his body to block her view again. He warned her seriously,”“miss Masako, you’d better listen to me and do your job as an expert! ”

“““If you want to dig deeper into other things, I don’t think the Korea side will allow it! So ... Please leave!”” ”

“Then, Zhao Yu made a gesture to send them off. ”

“However, Masako lowered her head and looked at the whiteboard again. ”

“””You ...”” Zhao Yu had no choice but to pick her up and carry her out of the office, then put her in the corridor. ”

“””Detective Zhao, don’t be like this ...”” Masako said calmly.””I just want to confirm if the incident at the restaurant is related to the black eye case! ”

“””I think that the driver was just used by someone. He shouldn’t have anything to do with the black pupil case!”” ”

“””Hu ...”” Zhao Yu’s face darkened.””I’ll say it again, I have nothing to do with the black pupil case! I’m here to help hanfang ...”” ”

“Then, Zhao Yu wanted to return to the office, but Masako grabbed his collar. ”

“””Eh? Can you let me finish first?”” Masako quickly said,””if we want to solve the black pupil case, we must not ignore the first victim! ”

“””According to normal logic, Li Yiyan and Quan youdong must have offended the murderer together. That’s why they were killed! ”

“””But the first victim was an honest man, while Quan youdong had a lot of enemies. I don’t think it’s hard to find common ground between the two of them, right?”” ”

“””Whether it’s difficult or not,”” Zhao Yu said,””tell the search team!”” ”

“””The search team is busy with the restaurant,”” Masako said.””I’m worried that the Seoul black eye case is the same as the Yokohama black eye case. The murderer still has people to kill!”” ”

“””It’s very likely that there will be new victims in the near future! ”

“””Do you want to see another victim’s eyes gouged out and replaced with black pupils?”” ”

“””You little girl, um ... Little girl, um ... Little expert, why are you so stubborn?”” Zhao Yu was depressed.””If you want to solve the black pupil case, I’ll have to trouble you to go to the search team!”” ”

“Then, Zhao Yu returned to his office and locked the door. ”

“””Hmph ...”” Masako Yangshan pouted and said in Japanese,””detective Zhao, I promise you will come to me again!”” ”

Chapter 2039: mastermind

“Oh, oh ... ”

“The next morning, the sun was shining brightly. Zhao Yu woke up on his hotel bed and stretched. ”

“Since the system’s hexagram would be frozen for a long time, he didn’t look at the system interface as he usually did.”

“Last night, he studied it until two o’ clock in the morning before returning to the hotel to rest.”

“Although he already had a general idea of the case, it was not so easy to solve the case due to the lack of information.”

“Therefore, he decided to focus on gathering information today.”

“So, after washing up and having breakfast, he asked Li Zhen Zhu to take him to the crime scene again.”

“The first place they went to was the crime scene of the first blackpupil case, Jinjiang road in Seoul. Then, he went to the first victim, Li Yiyan’s workplace and home to investigate the details.”

“After that, they went to Quan you’s boss, the abandoned factory, an xianxiu’s restaurant, and finally, they came to the construction site where the crane was pulled out.”

“When they arrived at the construction site, it was already two in the afternoon. Li Zhenzhu wanted to find a restaurant nearby and treat Zhao Yu to a simple meal.”

“However, Zhao Yu’s mind was not on eating at all.”

“He carefully calculated the time and speed of the Crane’s departure, and was thinking about something.”

“““You’re right,”” Li Zhenzhu said as she came up to Zhao Yu.”” According to the construction workers, the crane with the iron balls had been here for many days before the murder!”” ”

“““Since this is a construction site, the crane with the iron balls didn’t look out of place and didn’t attract people’s attention. But in fact, construction sites don’t need it at all!”” ”

“““Is there still no news of Wang Yan?”” Zhao Yu asked without turning his head, as he looked at the place where the crane had been parked.”

“““No,”” Li Zhenzhu said with a smile.”” Seoul a population of 17.5 million, twice the population of New York! It’s easy to imagine how difficult it would be to find someone who’s already prepared. “” ”

“““I didn’t see any detailed information about Wang Yan yesterday,”” Zhao Yu said.”” Do you have any?”” ”

“““This person has a record before. He’s considered a relatively dangerous person, right?”” “” But, because of Qiu minzhe’s protection, he only went to jail a few times, not for long!”” ”

“““It looks like this person can fight?”” “” How’s his relationship with Qiu minzhe?”” Zhao Yu asked.”

“““Of course,”” Li Zhenzhu said.”” If Qiu minzhe didn’t trust him, he wouldn’t have given him all the dirty work!”” ”

“““That’s weird,”” Zhao Yu said.”” He knew that attacking an xianxiu would implicate Qiu minzhe, so why did he do it?”” ”

“““I’ve checked, he doesn’t have any enmity with an xianxiu. He only had some conflicts with an xianxiu’s subordinates when he was with Qiu minzhe, but it was all for the benefit of the Chamber of Commerce!”

“““So, I feel that he must have been bribed by someone!”” Li Zhenzhu sighed.”“I’m 99% sure that Qiu minzhe has nothing to do with the steel ball.”

“““There’s no benefit to him at all in doing this!”” ”

“““Mm ...”” Zhao Yu nodded.”“If he was the one who did it, he would have at least found an outsider. He wouldn’t have used his own crane!”” ”

“““Are you done? My great detective?”” Li Zhenzhu saw that Zhao Yu was getting more and more serious, so she touched her stomach and said,”“I’m a little hungry too. I didn’t eat this morning!”” ”

“““Alright, I’m done!”” Zhao Yu looked at the busy construction site again, then left with Li Zhenzhu and returned to the car.”

“““It’s very close to Chinatown,”” Li Zhenzhu said.”“Why don’t we go and eat your hometown food?”” ”

“““Alright, I’ll do as you say!”” Zhao Yu pretended to be indifferent.”

He started the car and drove along the mountain road towards the bustling area.

“““Oh right,”” Zhao Yu asked,”“with such a huge incident, what’s Qiu minzhe’s attitude on this? Did Captain ju touch him?”” ”

“““No,”” Li Zhenzhu replied.”“The evidence we have now is not enough for him to ask Qiu minzhe directly!”” ”

“Zhao Yu then asked,”“what about Xu Meina?”” At the very least, she ordered someone to kidnap Quan youdong’s driver. At the very least, she should be held responsible, right?”” ”

“““No,”” Li Zhen Zhu said helplessly.”“The people who kidnapped the driver took all the responsibility!”” ”

“““The driver is still unconscious, so Captain ju can’t do anything to this woman!”” ”

“““So, someone else was the scapegoat.”” Zhao Yu sighed.”“Quan youdong is dead, so why are these men still so loyal to the widow?”” ”

“““Xu Meina’s background isn’t simple either,”” Li Zhenzhu said.”“Her family used to be very powerful in Chengping road! If Quan youdong didn’t marry him, he would still be a Lackey who worked hard every day!”” ”

“““Oh?”” Zhao Yu was stunned.”“So, Quan youdong relied on his wife to get to where he is?”” ”

“““Right!”” Li Zhen Zhu nodded.”“But things changed. After Xu Meina’s father passed away, Quan youdong took over the family!”

“““I heard that Quan youdong doesn’t know how to restrain himself, and Xu Meina has a bad temper. The two of them often quarrel without peace!”” ”

“Well, that’s obvious,” Zhao Yu said, nodding. “Otherwise, the woman yesterday wouldn’t have been wearing red!”

Di di ... Di di ...

“Just then, Li Zhen Zhu’s phone rang. She picked up the call using Bluetooth. It seemed that someone was reporting the situation to her.”

“After hanging up, Li Zhenzhu said to Zhao Yu, “We’ve found the people who stole the driver from the abandoned factory and beat Xu Meina up! They really are an xianxiu’s men!”

“Oh?” Zhao Yu was surprised. “What’s up with an xianxiu? why did she have to kidnap the driver? Besides ... Where did he get the information from?”

“There are six people in total. The leader is called Zhao Ci!” Li Zhenzhu introduced, “Zhao Ci is an xianxiu’s high-level fighter. She has been promoted to department manager!”

“But the strange thing is, after the iron ball incident, Zhao Ci disappeared!”

“Oh? He’s gone too?” Zhao Yu thought about it seriously and felt that there was a big problem.”

“The thugs claimed that Zhao Ci led them to the abandoned factory and snatched the driver!” Li Zhenzhu continued, “Zhao Ci said that this was an xianxiu’s order! So, those people didn’t suspect anything and joined Zhao Ci in the fight!”

“Tsk tsk ...” Zhao Yu smacked his lips, glanced at Li Zhenzhu, and said, “maybe this person was also bribed?”

“Wang Yan, Zhao Ci ...” He repeated. “Could they have been bribed by the same person?”

“Zhao Ci brought the driver back to the hotel, then pushed the driver to the lobby in front of everyone, causing a misunderstanding and causing a riot ...”

“At the same time, Wang Yan drove the crane and threw the steel ball over ...”

“This is obviously a well-planned scheme!”

“Right, I think so too!” Li Zhenzhu said, “someone is using these two people to provoke a conflict between the two Chambers of Commerce, and then reap the benefits!”

“At that time ...” Zhao Yu closed his eyes and recalled, “that metal ball was probably aimed at an xianxiu! If an xianxiu died, the Jin Xiu Chamber of Commerce would definitely counterattack crazily!”

“In this way, the goal of the mastermind behind the scenes has been achieved!”

“Someone wants to destroy the two Chambers of Commerce in one go. This person ...” Zhao Yu’s eyes were wide open. “Who could it be?”

Chapter 2040: An untimely provocation

“4 p.m., A hospital in Seoul. ”

“““Miss Zhen Zhu,”” at the corner of the corridor, Zhao Yu whispered to Li Zhen Zhu,””you’re not young anymore, why haven’t you solved your personal problems?”” ”

“““Oh, oh, oh ...”” Li Zhenzhu’s eyes widened.”” And you said I was a gossip! Are you mocking me for being an old woman that no one wants?”” ”

“““I’m so bored!”” Zhao Yu rubbed his hands and pointed to the ward in the distance.””Didn’t she wake up long ago? Why can’t we go in?”” ”

“““The doctor is checking his physical condition,”” Li Zhenzhu said.””We have to wait until all the indicators meet the requirements before we can question him!”” ”

“““We’ve already waited for an hour,”” Zhao Yu said anxiously.””If we can’t meet the requirements, then wouldn’t we be wasting time?”” ”

“““Be patient!”” Li Zhenzhu explained,””after all, he injured his head. It’s not a small matter. Besides, she’s just an innocent victim, not a suspect. We have to follow the procedure!”” ”

“It turned out that an hour ago, Zhao Yu and Zhao Yu had received a notice from the hospital, saying that the driver, who had been in a coma, had woken up. ”

“Therefore, in order to get first-hand information, the two of them rushed to the hospital. ”

“However, when they arrived at the hospital, the doctor did not let them in. They had to wait until they passed the examination. ”

“““I just saw Captain ju and the others arrive,”” Zhao Yu said.””Later, we’ll follow them in. Isn’t that a little inappropriate?”” ”

“““I’m fine, don’t worry!”” Li Zhenzhu was already prepared. She gestured to Zhao Yu and said,””I’m ready. You’ll know later ...”” ”

“““Alright ...”” Zhao Yu had no choice but to turn around and sit on the chair. But a few minutes later, he thought of something and asked Li Zhenzhu again,””by the way, has the matter with the Japanese female expert been resolved? She knows too much!”” ”

“““It’s okay, you don’t need to care about her!”” Li Zhenzhu said,””she just wants to add material to her novel! I’ll keep an eye on her. “” ”

“““The point is, she didn’t close the heavenly door properly that day,”” Zhao Yu said.””I’m worried that she might have found out about Xi Wei’s vault!”” ”

“““I won ‘t!”” Li Zhenzhu stared at the corridor and said indifferently,””I have checked the surveillance cameras in the corridor. She did not eavesdrop outside the door!”” ”

“““Is that so?”” Zhao Yu pouted.””I’m very curious. How did she know which room I would be in? I have a feeling that this woman isn’t simple. She’s especially like her master!”” ”

“““Oh?”” Li Zhenzhu was surprised.””So, you really know Gu zhaichiro?”” ”

““““Anyway,”” Zhao Yu quickly changed the topic,””you can’t just pay attention to her, it’s best to check her background!”” She said that she used to be a reporter, so don’t report Xi Wei’s vault as if it’s news. That would be fatal!”” ”

““““Alright! ““I’ll listen to you, I’ll send someone later ... Mm ...”” Li Zhenzhu glanced at the corridor, then quickly pulled Zhao Yu up and said,””well, the doctor has allowed the police to go in!”” Follow me!”” ”

Oh?

“Zhao Yu quickly got up. He thought that Li Zhenzhu was going to bring him into the ward, but he didn’t expect that she would actually pull him into the stairwell. ”

“Due to the hospital’s advanced elevator system, the stairwell was only an emergency passage, so there was no one there. ”

Li Zhenzhu quickly took out her phone and showed Zhao Yu a video.

I’ll cut!

Zhao Yu looked at the video and was shocked. What appeared on the screen was actually the scene in the ward.

““““You ...”” Zhao Yu then realized that Li Zhenzhu had already installed surveillance cameras in the ward, so they could see the real time images. ”

“Then, as Li Zhenzhu raised the volume, the sounds in the ward were transmitted to the mobile phone in real time. ”

““““How is it? Are you better? ““We’re from the wide search team, and we need to ask you a few questions ...””Captain ju’s voice and image came through the video, indicating that the interrogation had begun. ”

“The opening remarks at the beginning were basically meaningless. After the driver understood the purpose of Captain ju and the others ‘visit, he began to answer their questions one by one. ”

“From the very beginning, the driver was an important witness to Quan youdong’s murder, so Captain ju had been wanting to question him. ”

It was a pity that Xu Meina was one step ahead of the search team. They had only just gotten their wish.

“Surprisingly, the driver was a coward and refused to admit that he was captured by Xu Meina’s men. ”

“However, under Captain ju’s pressure, he finally opened his mouth. ”

““““Yes, they suspected that I was the one who betrayed President Quan,”” the driver said, his eyes filled with worry.””So, they caught me and beat me up, demanding that I reveal the mastermind behind the scenes!”” ”

““““But it’s none of my business. I’m just driving my car. I’ve been working for their family for many years!”” ”

““““What happened after that?”” Team leader ju quickly asked,””who kidnapped you again?”” ”

“““It’s ... It’s Zhao Ci ...”” The driver said.”” I know him. He’s an xianxiu’s man!”” They were the ones who took me away!”” ”

“““An xianxiu, why did I capture you?”” Team leader ju asked. ”

“““I don’t know,”” the driver replied.”” After they caught me, they put a blindfold on me! When they took off my blindfold, I was pushed into an xianxiu’s restaurant ... ”

“““After that, the restaurant collapsed, and I don’t know anything else ...”” ”

“Hearing the driver’s answer, team leader ju and the others were obviously very dissatisfied. They immediately pulled a long face and threatened, “““I’m telling you, this matter is of great importance. If you don’t tell the truth, the consequences will be very serious and you can’t afford to bear it!””

“““Quick, tell me, did Quan youdong’s death have anything to do with an xianxiu?”” Captain ju asked,”” an xianxiu gave you benefits. He was afraid that Xu Meina would find out something, so he sent Zhao Ci to save you?”” ”

“““No... No!”” The driver was shocked and quickly clarified,”” I have nothing to do with an xianxiu! I don’t even know Zhao Ci ... It’s not me ... ”

“““President ... President Quan’s death, it really had nothing to do with me!””

“““That night, President Quan asked me to go back ...”” The driver said.”” I swear to God, I didn’t lie. How would I know that something would happen to him at home?”” ”

“““If I had known earlier, I would have driven the car in and sent him home ...”” ”

“When he got emotional, the driver actually started to cry ... ”

“Because they were watching so carefully, Zhao Yu and Li Zhenzhu couldn’t help but sit down on the stairs. Li Zhenzhu muttered,”””””This Captain, what is he doing?””

“““If there was something wrong with the driver, he would have run away like Wang Yan and Zhao Ci!”” ”

“At that very moment, Zhao Yu was also very engrossed in the movie. He didn’t know why, but after hearing the driver’s words, he also caught some important information!”

“Just then, two men with cigarettes in their mouths suddenly emerged from the bottom of the stairs. ”

“The two of them were walking up the stairs, probably to go upstairs, and happened to walk in front of Zhao Yu and Su Yu. ”

“Seeing this, Li Zhenzhu could only stand up and make way for them. ”

“However, the two men didn’t immediately go upstairs. Instead, they stopped in front of li Zhenzhen. ”

“The two of them reeked of alcohol, and it was obvious that they had just had a drink. ”

“One of the brawny men looked at Li Zhenzhu lecherously and smiled.”” ”

“““Hehehe, you can bump into a beauty just by walking up the stairs. You’re really beautiful!”” ”

“““Hey, don’t cause trouble.”” The other man saw this and quickly pulled the strong man away.””Let’s go!”” ”

“““What ... Are you dating?”” However, the brawny man didn’t listen to Zhao Yu’s advice. He glared at Zhao Yu and continued to harass Li Zhenzhu.””Beauty, what do you think of me? He’s much stronger than your pretty boy boyfriend, isn’t he? ”

“““Hahahaha ...”” As he spoke, he reached out and stroked Li Zhen Zhu’s chin.””Why don’t you come with me tonight? I’ll make sure you enjoy it ...”” ”

Pa!

“Before he could finish speaking, Li Zhenzhu slapped him across the face. ”

The crisp sound reverberated throughout the entire corridor ...
