As I was beginning to warm up I looked into my mother's eyes. I felt lost within the world that her eyes hid. Memories of her flooded through me. Just then, the garage door started opening. I was surprised to hear this. I looked at the time : 12:20 PM. Was it my mom? Sisters? She couldn't be living with a man could she? I shrugged to myself. She wa

"Here they are now you can get dressed." My mom said with a slight smile and in an almost teasing voice.

Was she purposely teasing me? My own mother? While she has flirted in the past, it was very harmless. Now in my current state of arousal I found the teasing to be quite.....dangerous.

I thanked her and stood up and quickly dressed. I left my s

I woke up on my mom's couch. I noticed she must have fallen asleep while massaging me, because she was laying on my back. Her arms around me. Her long beautiful hair laying across my neck. "Don't be silly you can stay at my house as long as you like. You can save money for a bachelor pad. I can help you decorate it." Mom said seriously, she loved to decorate.

On the screen Bruce Willis was having sex with a seductive red-head. In front of me my sexy mother kneeled as she leaned in. She undid my belt and buckle. She slowly lowered my zipper. She reached her hands in my boxers and withdrew my hard cock.

She smiled up at me, blushing, aroused. Then she leaned in and took my cock in her waiting mouth. I lea

My mom climbed up on the couch after giving me the blowjob of my life. Her red silk pajama top not doing much to cover her lower half. She stood on the couch in her high heels. He legs spread out around my body. My hands reached up under her long red shirt and grabbed her red silk panties. I watched in amazement as I did this. I slowly lowered her

Next morning.

I woke with the sun beating on my face. I thought back and felt myself blush at all that had happened the previous day and night. I lay there as I remembered what I did with my mom...to my mom, to be exact. I got up from the bed still naked and went and took a long cold shower. Thoughts raced through my head about what I still wanted

She ran out the french doors and closed the screen door behind her. It stopped me momentarily but by the time I got outside she had already jumped into the in ground pool. I followed and dove in. I came up near my mom and our bodies touched. We didn't do anything but also did not separate. We looked into each other's eyes for what seemed like an et

"Yeah, I could tell. You also went back to bed with Tony, obviously. You see, after what happened I could never trust you, or him, ever again." I said firmly.

"We didn't do anything last night. He just didn't feel like going home after what happened. He feels guilty. So do I. I am so sorry Mike. I want to fix our marriage." She said.

I laughed.
