CRAZY PLEASURE

Chapter 2331 Mistaken Identity >8

Kathleen and Sherry crawled up beside us and began licking her tits and sucking her nipples. Beth couldn't help but like this. She loved to have her tits sucked and licked. She stared at me in defiance, before her wall crumbled and she bit her lower lip. Yes, indeed, she was now enjoying this. I picked up my pace and felt an orgasm approaching. Her

Chapter 2332 Seducing My Aunt >1

She was the very first woman I ever saw naked. I do not remember the age correctly but she was babysitting me. I was in the bathroom with her while she was in the bathtub soaking in bubbles. My aunt laughed and seemed a little shocked. I know my aunt likes to start on the upstairs so I watched as she took her coat off and threw it on the couch. I made a point of going to the closet and grabbing my coat. My aunt paused on the stairs.

"Where are you going?" She asked with an eyebrow raised.

"I need a walk. I have been stuck in the house

I kept jerking off faster and when I heard her say that I exploded and used my free hand to catch my load. I watched as my aunt Kay collapsed to the bed. My mother was sad all the time and it seems as though nothing I could do would help to cheer her up. It was bumming me out big time. I love my mother dearly and always found myself trying to

Chapter 2337 Mother Fuckers >2

We both lay back on the bed cuddling each other. Nature took its course and we kissed. I have always had an attraction for my mother but never more so then right at that moment. I used to masturbate, especially after catching her naked or partially nude, which I did many times after dad died.

"I love you mom!" I said between kisses.

"Awwww, sweetie

Chapter 2338 Mother Fuckers >3

I looked her in the eyes as I leaned down and circled her left tit, with my tongue only. I carefully avoided the nipple. Mom continued squirming and thrusting her pussy up towards my cock. It was getting harder to avoid her pussy while I was teasing her. Just when I got down to circling right around her left nipple, I moved to her right tit and beg

I moved over and kissed the inner part of her upper thigh on her right leg. I stopped and went back to the bottom of her right foot and began massaging it. She opened her eyes and watched me. I sucked the big toe slightly and kissed the bottom of her foot. I stuck my tongue out and ran it from the bottom of her leg up to the knee. I moved to the in

Chapter 2340 Her University Trip__1

If only I'd knocked. If only she had closed her door. If only I had turned and left quietly when I had the chance.

These are my thoughts when I think back to how it happened. But..... If those things had occurred then I wouldn't be able to look back now to those events.

It all began when my sister came to visit me. I was at my second year at uni
