Chapter 2511 Battle Of Lust:>>9

"Old man?" inquired Katie. "He doesn't look so old to me."

Ryan grinned. "Ah, no, Dale here's a real bull. I just like to call the old man out. He's almost a partner now."

"Really?" Katie made her eyes flash and put her hand on Dale's arm. "You sound like a really important guy." Dale heard the sarcasm in her tone and had to smile, despite the tight

He let her slide down his body for a long time. Somehow she settled back to earth, first one heel touching the concrete, then the other. She watched her father bend down and pick up the purse. When he handed it to her she opened the door to let them onto the fourth floor corridor. She knew which one was his from his email. So they continued down t

Dale pulled her away from the wall and dropped her onto the bed. "No, no, no..." she moaned, thinking he would pull out of her. But he didn't—he kept her locked onto his body even while he plopped her down on the mattress. Her breasts rose and jiggled against her sternum. Her bottom teetered on the edge and she lifted her legs up. One of her pumps

With pleasure she kneeled before her father, her naked skin fresh and flushed from the shower and his loving touch. She spat on his cock and used her lips to spread it around his shaft. The sound of his groan was becoming an aphrodisiac to her.

He came quickly this time, giving her the proper warning, to which she simply licked at the slit in his d

"Daddy, when are you going to fuck your little girl?"

Dale's grip tightened on the phone and he glanced fitfully at his office door. Katie's voice purred over the phone and he imagined she was curling herself over her bedsheets. When he said nothing he heard her give a curious growl.

"Daddy, she needs your big cock. God. God, daddy, please come soo

Margaret dashed over to the door and locked it. She strode back over to him and thrust her finger into his chest. "What the hell is wrong with you?" she hissed. "You're a grown ass man." He grabbed her wrist and pushed her off. She pulled her arm away from him.

"Sorry," he said.

"It's fine." She rubbed her wrist. "Or no, it's not fine. You're not

"That's not important right now," she told him. "I want you to cum, baby," she cooed to him. "Cum, daddy." She locked her eyes with him suddenly. "Cum, daddy, let it all out. Don't let that bitch ruin the day. Fuck me."

He slammed inside of Margaret and felt her pussy shudder around him.

"What's my name?" Margaret moaned in as hoarse a whisper as s

Nathan actually came up to the office to pick her up from work. Margaret was carefully finishing up her work for him, wanting to make sure that nothing was out of place. He shook Nathan's hand and told him he was a lucky man. Nathan thanked him (tall, great brown hair, winning smile - the kid was a winner, no doubt) and told Margaret he'd go down

"Right there, honey," she groaned, reaching up to pull his shoulders in towards her body. He grunted and thrust harder and harder into her at her slippery angle. She let out a grunt of her own. "I wish you fucked me like this all the time, baby..."

"Stay..." he muttered.

"No, baby..."

"Stay," he groaned, his balls smacking against her thighs now, h

He sighed. "I guess she must have. She's twenty-three and she's crying to her mother."

His wife gave him the dirtiest of looks. "That's a mean thing to say, Dale."

"Sorry," he said with as much sincerity as he could muster. He was about to settle in to his side of the bed when Katie reentered their bedroom.

She smiled at them sadly, her eyes puffy
