Chapter 2601 Tara's Filthy New Adventures:>>33

Sunny let the cock in her mouth slide out so the owner of the shaft, a handsome young black man, could position himself behind the kneeling Tara and slide and nice, thick dick into her pussy. That was more to Tara's liking, getting her throat and cunt filled at the same time. She noticed the other girls were stroking the remaining young men with th

"Huh . . . huh . . . oh shit . . . oh that feels good!" Charlotte was already panting, and had to put her hands on the wall to brace herself. One hand would sometimes drift down and rest on Rose's head, stroking her stripe of hair and pushing her face further into Charlotte's crotch.

Charlotte withdrew her fingers and replaced them with her tongue again. She would alternately suck Rose's pussy lips into her mouth, then lick the slit from bottom to top. She had a single finger acting like a piston in Rose's puckered sphincter. It was all too much. Normally, it took a lot longer to get Rose off, but this was unlike anything she h

Rose started at her friends neck, and the reaction was noticeable.

Unbeknownst to her, Charlotte had officially outed herself to her parents just a day or so earlier, and apparently they insisted on meeting this "girl" that had become so prominent in her life. And

An hour and a half later, they were sitting in Charlotte's car outside her parents' house. Rose was a nervous wreck. She had been in fights, towed the cars of some very scary people, had been kicked off a soccer team for having sex with a teacher, and had been abandoned by her own parents by the time she was eighteen. And none of that had made her

Rose's eyes were as wide as saucers. "I . . . I . . . I" she stuttered.

"I'll take that as a yes," he said smiling. "And no, I'm not being patronizing. If you're half as good as you seem to be, I might even get a discount there next time I'm looking for a vehicle. Nah, Jerry's too much of a tightwad to . . ." He was cutoff as Rose gave him a great

Charlotte crawled over to the edge of the bed, reached down and pulled something from the nightstand. It was Rose's strap-on. In their relatively brief relationship, they hadn't used this toy much, and Rose wondered why Charlotte had chosen it. The girl also put a bottle of KY lotion on top of the nightstand. Charlotte started slid the harness up R
