"Brandy love, I think the young masters are tired of the . . . games. I think they might like to watch a movie instead." The young woman bounced over to the dvd player and put in the feature presentation. Of course, it was a porn movie. It had taken a lot of effort on Trixie's part to find just the right one. The first scene was of two women togeth

Those two young people weren't going to be friends anymore. It had become something else. Trixie kept sucking lightly on the heads of the two cocks in her face while watching Dennis and Brandy adjust to each other. Brandy had her hands wrapped around the back of her lover's neck as she gave him a look of affection and devotion; a look he easily ret

Trixie was terrified. You wouldn't think that a thirty-seven year old woman would be experiencing such intense panic just because it was her first day of work. But she had never had a job in her life. And the job in question . . .

Trixie had experienced an eventful summer. After eighteen years of marriage to the same man, she had walked out of thei

"You HAVE to apply! No one will believe your thirty-seven!" She actually started called waitresses over to guess Trixie's age, and the closest guess to being right was thirty. Dennis and Brandy loved every minute of it. Finally Trixie agreed to fill out an application. The manager would probably throw it away as soon as he saw how old she was anyways

While he was fishing through the bag, Trixie stopped grinding against Trixie's face long enough to ask if it hurt.

"It's okay. I've loosened you up a bit. It is going to hurt for a bit, but try and relax. Once he gets the head in, it'll get better. And when he's all the way in your hot little ass, it will light up your world! Now get on all fours and

Okay, he had now officially pushed all the right buttons to make her like him. They chatted about her diet and her aerobics routine. She had been neglectful of her workouts the past few weeks, but she figured her hectic job-hunting at least partially made up for it. Bob assured her that she wouldn't be gaining any weight around work. She would be w

"She was my best friend in high school," said Candy wandering up behind the startled Trixie, confirming the older woman's guess. "She and I were close. We still talk a lot on the phone. I think smashing up the picture and leaving the phone were that jackass's way of making a point."

"Why would he care that much about . . ." Trixie remembered that C

Candy swung her leg over until she was straddling Trixie's lap. Those glorious tits were just inches away from the older woman's face. "I know you've been looking at me, and not in a 'just friends' kind of way. I know you wanted to make a move a while ago, but I bet you didn't because you didn't want to be 'taking advantage' of me when I was vulner

Trixie was squirming on the couch, trying to get even just a little bit of the dong in between her pussy lips. "I want it," she said as she reached down and steadied the shaft, making sure it was pointed right where she wanted it to go. "I want you to put the whole fucking thing inside me. Fuck me until I cum and

then fuck me again!"

"That's what I

"Call him over to the bed. Then pull down his pants and suck his cock. I want you to suck his cock until he cums, and I want to hear all of it!" She heard Brandy call Dennis over. She heard the thwack of elastic being stretched and released, and she was willing to bet Dennis's shorts just hit the floor. "Put the microphone right next to your mouth
