"That's it... mmmm come for me," Mack focused his tongue on her swollen berry, noticing that it made her convulse and moan the loudest. "Come for your mate... let me taste you... that's it, come! Mmmmmmm!" Blissful, blistering pleasure seized her. Like a good girl Callie flooded his mouth with her sweet essence. Her body was shaking, mind reeling.

"Take it off, take it off, take it off!" all three ladies chanted, somewhat in unison.

"Fine," he said, shaking his head, but knowing he had a good upper body. He took off his shirt, and the wig too.

"Fuck," Tori said, admiring his amazing pecs.

"Nice," Tracy said, taking in his washboard stomach.

"Maybe I'm not exclusively a cunt muncher," Christi

"Fuck it," Tori said, as she dropped to the floor on her knees, fished out Patrick's big cock, and took it in her mouth before Patrick even had time to react.

"Oh, God," Patrick moaned, as he was suddenly receiving a blow job... right in front of two other hot women!

"No way," Tracy said, as she watched Tori bob on Patrick's dick... a little jealous

"Good slut," Tori crooned as she continued fucking Christine throughout her orgasm.

After a minute Tori pulled out and wondered, removing the strap-on, "How is it possible I'm the only one who hasn't had an orgasm?"

"Because you've been busy giving two of us ours," Tracy quipped with a smirk.

"Then I deserve to be well rewarded," Tori said, as she

"I'll go get some lube," Christine said, getting up and heading for her bedroom.

"I don't need any fucking lube, Patrick, just please slam that dick in my asshole right now!" Tracy pleaded. "I can take it!"

"Okay," he said again although still dubiously, his cock positioned at her backdoor.

"Go ahead, take her at her word. Just shove it in her ass,

### Chapter 507 Booty Duty 1

Dammit I love my wife.

Her name is Meredith and everybody calls her Merry. She's perfect. She works a full-time job as a management consultant. She cooks, cleans, does the laundry and the grocery shopping. She files our taxes and she walks my dog. She's a slim, dark haired twenty-seven year-old hottie that pounces on me for sex at least twice a wee

### Chapter 508 Booty Duty 2

Finally, my goddamn birthday came. Nothing freaky happened in the morning. My wife and I both got ready for work like usual. She did give me a nice long smooch as we climbed into our cars and then she told me to get home from work as soon as I could.

Of course, it was an incredibly shitty day at work. Worse, traffic sucked on the way home. Fridays

### Chapter 509 Booty Duty 3

My wife looked up at me, "You see where this is going, honey? You're going to help Dylan and she's going to help you."

She took Dylan by the hips and tugged her away, "Girlie, why don't you bend over the kitchen table there and show him what he's won? I'm going to go TiVo his Friday night TV shows. This is going to take awhile."

I watched my wife I

Her answer was always the same and she gave it to me now, "You're already married silly. You love Merry," she giggled.

But then she nibbled her lower lip and gave me better smoky-sexy eyes than a teenager should be able to pull off, "It's nice that she's willing to share you with me, though. I'd have boinked you awhile ago if I knew she'd be this cool
