Chapter 941 The Need For Satisfaction::Ep130

Anytime I wasn't trying to stick my dick inside one of the girls, one or more mouths would casually ensure that I was ready whenever the feeling hit me. They were careful not to get me too excited, ensuring that anytime I was ready to pop, it was deep inside the accommodating pussies of one of my three lovely playmates.

By the time midnight rolled

Company policy allowed us to fly business class overseas, with 14 days travel notice, and it was nice to be able to stretch out. Flying coach for over 8 hours was hard enough, but cramped in the space the airlines called coach was tantamount to torture.

The drive to the airport had been a little awkward. Chris and I both knew what was ahead, but ne

I explained it to Chris, answering all of her question, and pointed out the differences between a solution for the Swiss and Malaysians.

"That's good. Really good. I better call Dale when we get in tomorrow morning, and put the brakes on any discussions they have about repackaging. This would be a lot better."

I was beaming, stupidly happy with mys

I leaned in and kissed her. Her mouth opened, and she kissed me hard. I inched forward, pressing my body against hers, letting her feel my hardness, as I pushed it against her belly.

The kiss went on, and I moved my hands up her body, caressing her. I felt her palm pressing against my hard-on, exploring.

She finally pushed me away, gasping. "God, I

I peaked out in the aisle to the two stewardesses sitting in the front row. I gave them a little wave, and returned to my new favorite air attendant.

"Thank you. I never would have had the guts to do that, without your encouragement." I leaned closer to her, but she just smiled.

"I sincerely doubt that."

I eased closer, our bodies touching. Then I

I knew when I found it, wrenching a moan out of her. With the target in sight, I worked her there, my cock head pounding against her pleasure center, while my thumb massaged her clit within its protective hood. I watched her reach out suddenly and grasp a wash cloth, pulling it into her mouth and biting down on it. I kept the same exact motion goin

The Club was crowded, and space was at a premium. For Chris, standing just a few feet away, it gave her companions an excuse to press up close to her, lean against her body, run their hands over her, all in the name of camaraderie.

Ana Isabel on the other hand seemed to have a force-field around her. The men kept a respectable distance, leaving her

"Relax, baby. You're working yourself up for nothing. I'm here in my room, alone. I have a long day of work ahead of me, and I'll be traveling to another city day after tomorrow. I barely have time to breath."

"I know I'm being silly. Just remember we're waiting her for you. I'm waiting here for you."

"It's what keeps me going."

"Ok. Get your beaut

On base, Captain Perez led me to the central data center, where a backup system was ready for the install. We had a small team, Captain Perez, Enrique, one of the contractors from the day before, Sargent Jimenez, the system admin, and Ana Isabel, seemingly in the role of observer.

The install went pretty smoothly, with one small hiccup we were able
