Chapter 1081

Yi Tianyun can't stand their enthusiasm; this is his first time facing these tests, and they are so enthusiastic, making him very uncomfortable.

Of course, it is better than a group of discriminatory guys, which is more annoying; at least these are not disgusting people; at most, they are enthusiastic; it seems there is still a test as if they found something fun.

"This... I am here to take the test, senior brothers and sisters. Are you all an examiner?" Yi Tianyun saw more than a dozen people surrounding him; this was the first time he had seen this situation.

"That's right, otherwise why do you think we came here?" They looked at each other and smiled, seeing mischief in each other's eyes.

"Rumble!"

The door behind him was directly closed at this time, making a loud noise spread through the area. Yi Tianyun turned his head to look back and found that the two senior brothers had run behind and closed the door.

"What's going on?" Yi Tianyun asked doubtfully.

"Nothing, I just don't want others to disturb your examination. This is a very important test; you can't be disturbed at will." Senior Brother Yu Long is the biggest among all the senior brothers and sisters who came, and his cultivation is the highest, reaching the level of the 7th Layer Heaven Monarch.

The second strongest is the temptation of Yi Tianyun. Her name is Huo Lian, and she has reached the 6th Layer Heaven Monarch. They are all broken through by Eight Refinements Earth Monarch, not Nine Refinements.

However, this is already quite strong. After all, in Eight Refinements, Earth Monarch breaks through to Heaven Monarch. This level is already different from an elder in 1st Grade God Territory. In this place, you can only be regarded as a disciple. The difference in treatment is like heaven and earth.

Yi Tianyun was speechless. This is not because he does not want to be disturbed but because he fears running away.

"What is the content of the assessment?" Yi Tianyun looked at them as if he had thought about the content of the test hundreds of times, and now he put all his strength on him.

“The content, we have thought about it. We will test you ten times!” One of them jumped out and said.

“Ten times?” Yi Tianyun almost vomited blood. Ten tests? Is this not a torture?

“Ahem, don’t go too far.” Elder Dong Yun came out and glared at the disciple. He smiled at Yi Tianyun and said, “There are three tests. Yu Long, Huo Lian, and I will answer the questions. After passing, you can become a disciple of Divine Construct Palace. You can’t leave on the way.”

“Can’t leave the stage on the way? If I can’t pass, why should I continue?” Yi Tianyun asked doubtfully.

“Of course, if I can’t pass, I will jump to the next round. Even if I can’t pass, I still have a chance to become a disciple.” Elder Dong Yun smiled.

“There is such a reason?” Yi Tianyun was shocked; this rule was messy, and he could still become a disciple even without passing.

This means that it depends on the overall level, not just on one side, but on all aspects. If there is a bright spot, it will be recruited. If there is no bright spot, recruiting will be even more difficult. As for completely passing, it must be selected.

“Of course, you can’t retreat halfway; you must finish our assessment, understand?”

Their eyes lit up, and they refused to let him leave.

Yi Tianyun felt like a sheep in a tiger’s den, wondering whether he had come to the wrong place or whether he should use teleportation to escape from there.

“This test, is there any life danger?” Yi Tianyun asked.

“This...”

They looked at each other and hesitated. This hesitation meant that their lives were in danger. Seeing Yi Tianyun look at them, they smiled embarrassedly.

“Life is in danger. There is still a bit of danger. Our test will not be so simple. But you can rest assured, it will not be very dangerous.” Senior Brother Yu Long smiled.

Yi Tianyun suddenly felt speechless and could only say, “Well, can we start the assessment now?”

“Yes, yes.”

They nodded repeatedly, and after looking at each other, Elder Dong Yun came out and said with a smile, "Then let me take the first test."

After he came out, he looked at Yi Tianyun and said, "The first round will not be difficult to give you. The first thing to master is fire control! If fire control is not good, everything is nonsense. So the first test I give you now is to burn this piece of ice into a thin needle!"

After that, he raised his hand and threw this piece of ice in front of Yi Tianyun, indicating that he would burn this piece of ice into a thin needle.

Yi Tianyun was suddenly stunned; this was a test of abnormal! Burning a piece of ice into a thin needle, the strength that needs to be mastered, is not only difficult but also simply abnormal!

The control is very detailed, especially since this piece of ice is very ordinary; it is made of very ordinary water, which means that as long as the fire is slightly increased, it will be directly burned down.

It may be okay if it is burned a little, but if it is melted into a thin needle, the difficulty is quite abnormal. The thin needle was originally small enough; just a little touch would have completely vaporized it.

"If you can cut a small hole in it and let the needle go through it, I will reward you with a High-Grade Rebirth Level treasure!" Senior Brother Yu Long added a condition next to him, his face full of excitement.

Not to mention him, everyone else looked at Yi Tianyun, wanting to see what he would do.

Yi Tianyun was speechless. Isn't this making things difficult for him? If he uses energy to carve, he can cut it into thin needles in less than a second. Now, it is too difficult to change it into flames.

"Isn't this a bit too difficult?" Yi Tianyun frowned, "Can your fire control ability do this?"

He has experience on this side; of course, he knows how difficult it is. If everyone can reach this step, it can be said that they are super fire control masters.

"Very few of us can do this, but it is not impossible. A strict standard can prove your ability!"

Senior Brother Yu Long said very plainly, making Yi Tianyun roll his eyes; this simply makes things difficult for himself!

“That’s right, our excellent standard is here; it depends on how much you can complete it.” Elder Dong Yun’s words made Yi Tianyun understand something, that is, there is no need to complete it all; after all, the difficulty is indeed very great if it can be made very thin, even if it is not a thin needle, it is very good.

Yi Tianyun looked at them and said helplessly, “Okay, I will try.”

“Don’t worry, we will give you three chances. After three chances, take the best one as your result this time.” Elder Dong Yun said.

Yi Tianyun looked at the ice in front of him. The corner of his mouth curved into a smile. It was too simple for him. He was just pretending. He believed that his fire control ability was not weak!

With the help of the Investigating Eye, everything was not a problem! In addition, he was also a God Rune Master, and his control of spiritual force was beyond ordinary people.

Chapter 1082

The opening was so difficult. Many senior brothers looked at each other and smiled. They felt that it was interesting to test new people. They seemed to like this. They wanted to see how Yi Tianyun would solve it. They were both equivalent to judges. They wanted to see if new people could become their future junior brothers!

At least Yi Tianyun did not look down on them at all. This made Yi Tianyun feel very comfortable. There was no rejection.

They are quite united. They have a good relationship with each other. They are not like other forces. They are incompatible with each other. Only the status and talent are equal. There is a topic to talk about. As for the big gap, Yi Tianyun is too lazy to care about it.

This kind of atmosphere is quite bad, not the environment Yi Tianyun likes. It is different here. The atmosphere is quite good.

“Hehe, I thought of that kid from last time. He was burned to nothing. Isn’t his ability to control fire a little too bad?”

“It’s normal that he didn’t burn anything. Some only had a fire, but his ability to control fire was terrible. I remember that there was a fire control ability that was good, but unfortunately, it was burned like a stick. The difference between it and a thin needle was too big.”

“I can’t even do this, let alone drill a hole in it.”

“You can’t do it, but it doesn’t mean others can’t. Senior Sister Huo Lian can do this. Let alone a thin needle, even the hair is fine!”

While Yi Tianyun was preparing for the test, they were discussing.

Yi Tianyun didn’t think too much about it. He raised his hand and used the White Flame Bone Fire. When this kind of demon fire appeared, everyone’s eyes lit up. The White Flame Bone Fire was a very good Demon Fire. They nodded repeatedly.

Then Yi Tianyun quickly threw the flame on the ice, and with a “bear” sound, the violent flame directly wrapped the ice, and almost instantly, the ice was completely wrapped up.

Everyone was stunned. It was so simple and rough; didn’t it directly burn the ice?

A moment later, the flame quickly disappeared. What was left behind was a thin needle. It was similar to the usual thin needle. This ice piece was burned into a thin needle in just the blink of an eye. This fire control ability was terrifying!

After everyone saw it, they were immediately stunned. It turned out that they had encountered an expert in playing with fire. He easily burned the thin needle. It was obvious that he was very experienced.

“Damn it, I didn’t see wrongly, right? Is this fire control simply smoother than Senior Sister Huo Lian playing?”

“Bullshit! Senior Sister Huo Lian can cut out the thin thread.”

It’s thinner than a thin needle!

“Well, it’s much better than mine...”

They were all shocked by Yi Tianyun’s move. They thought that Yi Tianyun would fail, but they did not; instead, they succeeded instantly.

“I almost forgot; I still need to open the hole.”

Yi Tianyun smiled, stretched out his hand, and he shot out a little flame, which easily penetrated the head of the thin needle and completely formed a thin needle.

After taking it, Elder Dong Yun picked it up, looked at it, and nodded with great satisfaction, “It seems that this stage is not difficult for you. It can be said that your fire control ability is very amazing. It seems that you have practiced a lot of fire control skills.”

They are very satisfied with this and are all amazed at Yi Tianyun's performance.

"Are all the new people so strong now?" One of them reached out and patted his face; his level was not as good as Yi Tianyun's, so he did this.

"Yes, it seems that we are old; we have practiced for so long, but none of the new people are powerful; it is shameful."

They all shook their heads, feeling a blow. Their fire control ability is less than half of Yi Tianyun's, but they can join.

From here, it can be seen that it is necessary to test the ability to control fire, but it does not need to be at such a terrifying level. The ability to control fire can be done slowly in the later stages, but it is not the most important test here.

Yi Tianyun immediately saw this; it is estimated that strictness is not particularly high from the first stage.

"You little kid, powerful; I just said it casually; you completed it!" Senior Brother Yu Long took the thin needle and looked it up and down, clicking his tongue, "Then, according to the agreement, I will give you a High-Grade Rebirth Level treasure later; you can choose!"

This Senior Brother Yu Long was very straightforward. He would give whatever he wanted without any regrets. However, to him, this was not a big problem.

With his ability, he could forge a High-Grade Rebirth Level. Although it was difficult, he was still able to forge it.

"Little brother, your fire control ability is comparable to your sister's." Senior Sister Huo Lian smiled sweetly, "When you join the Divine Construct Palace, can you spar with sister for a while?"

"This... wait for me to join." Yi Tianyun wiped his cold sweat. These people are enthusiastic.

"Cough cough, you passed the first stage perfectly. It is indeed beyond my expectations. Your foundation is very good, beyond our expectations; your ability is very good." Elder Dong Yun revealed a smile, "So many disciples have come here to take the test. You can be considered one of the top disciples."

"Then I will leave the second test to Yu Long."

Senior Brother Yu Long waited for a long time. He excitedly ran out and said, "I will take the second test, and the content is still fire control!"

“Fire control?” Yi Tianyun was stunned; he had tried fire control before him and still wanted to test this.

“Of course, it is not a simple fire control; you can refine a weapon or anything. We will keep disturbing you. If you can complete this weapon, you can pass; how about it?” Senior Brother Yu Long laughed.

Everyone looked at each other and smiled.

Yi Tianyun immediately knew what these guys were here for. They were here to help interfere with him, right?

However, it was unprecedent to participate in this group as a judge. They were united to help the junior martial brother who joined them.

“No problem, let’s give it a try.” Yi Tianyun nodded.

He wanted to see how far these people could go.

“It’s good that there are no problems. We will still give you three chances. We will constantly interfere with you. I hope you can maintain control of the fire before then. Don’t be disturbed by us.” Senior Brother Yu Long laughed.

The others looked at each other and smiled as if they were laughing at something.

“I remembered something. We interfered with that guy before and directly blew up the cauldron...”

“Pfft... I almost forgot. It was too much interference that caused the explosion.”

They all laughed, but Yi Tianyun was speechless. He once again felt that they were a group of lunatics...

Chapter 1083

Yi Tianyun didn’t say anything more. He quickly removed a pile of materials and prepared to refine the Lower Grade Rebirth Level Weapon. He won’t choose the ones that are too difficult. Just select the ordinary difficulty. God knows how these guys interfere with him.

He quickly threw out a pile of materials and mobilized the White Flame Bone Fire to melt the materials. Without any furnace, he began to refine. Without a stove, he can refine. This is not difficult for him.

This move made them sigh. They felt that Yi Tianyun was bold. He doesn't even need a furnace!

"He is good at controlling fire. He doesn't even need a furnace. I wouldn't dare to do this."

"Yes, although it is only a Lower Grade Rebirth Level Weapon, without a cauldron, the difficulty is still not small."

They all have some recognition of Yi Tianyun's ability. To play like this, they must be very good at controlling fire. They dare not do this, but others dare to do it.

When Yi Tianyun was melting, a piece of iron suddenly smashed into the flame and quickly mixed with other materials.

"Add it to me, don't throw it out!" Senior Brother Yu Long laughed and added a bit of "seasoning" to him.

Yi Tianyun was stunned at first, then quickly controlled the White Flame Bone Fire to melt the mixed material and then remove the impurities, quickly overlapping with the melted material.

With this material, the material of the whole weapon will change, and the difference in comparison will easily lead to failure. However, Yi Tianyun controlled it perfectly, directly removing the impurities, leaving the purest thing, and throwing another new material!

This material is perfect with the material that Senior Brother Yu Long threw in so that they can complement each other and will not affect anything. But compared to before, this weapon will have more effect.

When the other senior brothers and sisters saw this scene, they all praised it. This kind of decisive ability proved that the experience was quite good. If Yi Tianyun did not add new materials, this weapon would still have problems.

After all, it is impossible to eliminate the negative effects of this material by controlling fire. For example, if it is thrown into the ice stone, it must be stored with other materials that can withstand the ice stone. Only then can the weapon be successfully refined.

Yi Tianyun quickly found suitable materials that were perfect to control. There is no doubt that the foundation is very good.

"Interesting, then I will add this thing!"

Then someone threw out another ore,

After falling into the melted liquid, Yi Tianyun quickly wrapped it up, and after melting it, he threw out new materials to make a perfect ratio.

“I also throw one!”

They all felt that the matter was not big, constantly throwing out new materials; this is what they said interference, not to say that they want to beat him up when Yi Tianyun was refining; this is not interference, but deliberately driving away.

The content of their assessment was very rough. At the same time, it was also the foundation they needed. It was a test of his ability to adapt and control fire.

Everyone was throwing out ores, special materials, and even spirit medicine. He had all dissolved them and integrated them into this pile of materials.

He did not know what he could create and only needed to pay attention to one thing. He could not fail or explode. Even if a brick were forged later, it would at least be one that could smash people to death, not a pile of powder.

If normal refining failed, it would directly explode, turning into a pile of abandoned materials that could not be used.

In the end, all the onlookers threw in a material. Yi Tianyun didn't refuse, and he couldn't refuse either. He solved the fusion problem perfectly every time. So far, there has been no big problem. The biggest problem is a large mass of liquid. I don't know what kind of weapon can be produced.

It seems so mixed. It is estimated that there are all kinds of attributes. This kind of weapon is relatively poor. No one can have all the attributes. Being too comprehensive means that it is mediocre.

Of course, now it is not that the weapon is strong, but it is enough if the gun is functional.

“This newcomer is powerful. He is the strongest newcomer I have seen so far! He threw so many materials, but nothing happened.”

“That's right. If it had been me, I would have already failed, right? He is completely fine!”

“Damn, why is it that the more the test, the more I feel inferior?”

They couldn't help but scratch their heads; they originally wanted to see how long Yi Tianyun could hold on, but who knew that Yi Tianyun would hold on all the way? nothiNothingened.

“Ning!”

Yi Tianyun shouted and quickly made a hand seal. This ball of liquid promptly flew up, and under his technique, it was constantly rubbed in the air. Then it fell heavily from the ground, and at the same time, it condensed into a giant hammer with energy, continually smashing down.

This ball of liquid continued to smash. Because there were too many materials, he constantly widened the materials, and then the appearance of an incomparably huge sword gradually appeared in everyone's sight.

With so many materials, it can only be made into a relatively large weapon; the giant sword is a good choice.

Under his constant tempering, a giant sword quickly took shape and flashed with various colors, which looked very strange. This meant that too many materials were fused. If it were someone else, it would be a waste of materials.

However, to merge and not explode, this already proves that Yi Tianyun's ability is amazing.

“Dang!”

With a crisp sound, Yi Tianyun collected the Void Giant Hammer, a five-colored giant sword, and it appeared in front of everyone. The grade is not low; it is almost close to the Middle-Grade Rebirth Level Weapon.

The materials they threw out are not very precious but not very bad. Usually, they do not take any trash with them, so the materials they throw out will not be bad.

Now that they can forge a nearly Middle-Grade Rebirth Level Weapon, it is shocking.

“It's done.” Yi Tianyun threw the giant sword at Senior Brother Yu Long.

After Senior Brother Yu Long took it, he reached out his hand and touched it. He said, “You are amazing. You have perfectly forged it. With your reaction speed, you are at the middle and upper level!”

It is not that they are arrogant. Yi Tianyun performed very well, but some still performed better than Yi Tianyun. Yi Tianyun is not surprised. He is only a 1st Grade Divine Forging Master and two 3rd Grade Divine Forging Master here. It is not surprising that he is stronger than him.

Chapter 1084

When Yi Tianyun forged the giant sword, they all couldn't help but praise him. They were not stingy with their praise. They were increasingly satisfied with Yi Tianyun, including Elder Dong Yun. They looked at him with admiration.

Undoubtedly, he has already reached the level of Divine Construct Palace through these two stages.

"I wonder if I can pass this stage?" Yi Tianyun smiled and asked.

"If you can't pass, then no one in the world will be able to pass. Your control and adaptability are both excellent." Senior Brother Yu Long smiled. "We are very satisfied with this. You passed the second stage easily and perfectly!"

"Although you performed perfectly in the first two stages, there is still the third stage. If you can't pass the third stage, the assessment will be more difficult."

Senior Brother Yu Long looked at Senior Sister Huo Lian, and the last one to answer the question was Senior Sister Huo Lian.

Yi Tianyun narrowed his eyes. He thought that they would hire him without going through the third stage. Who knew that there was still the third stage? And from their tone, the third stage was the most important.

Senior Sister Huo Lian came out and looked at him with a red face. She smiled and said, "Junior Brother, your ability is not small. It makes me more and more interested."

She also came over, reached out her fingertips, and drew circles on his chest, looking quite amusing.

Yi Tianyun gently moved back, keeping a distance, and smiled: "Senior Sister, your temptation is too big; I am afraid I can't control it."

"If you can't control it, don't do it." Senior Sister Huo Lian smiled. It was really like a beautiful lotus blooming. It looked red and had four colors. It looked quite stunning.

"Ahem, let's talk about the content of the third test." Yi Tianyun said.

"You don't know how to appreciate beauty." Senior Sister Huo Lian smiled and said, "The content of the third stage is very simple. Take this weapon and come with me to the Flame Secret Realm to kill demon beasts and obtain the Flame Scale."

"Flame Scale?"

Yi Tianyun still has some impression of this thing. It is one of the materials used to make a high-grade rebirth level, and it is still relatively precious. Only the demon beast has it.

Generally speaking, there was no need to kill the demon beast. After subduing it, it would be fine if it was taken away. If it were dead, it would be impossible to obtain it. Thus, they would choose to capture it. From time to time, they would peel off a bit of the flame scales.

After resting for some time, it could grow back again.

This was still quite cruel. However, some places would give it delicious food and drink. They would cultivate it into their companions. This way, they would not need to subdue it. They would be able to obtain the flame scales. They would usually fall off.

“That’s right. We have a Flame Secret Realm here. There are many materials inside. There is also a demon beast. We can work together to subdue it. It will be considered a success if we can also pull out the Flame Scales.” “Yes, we have a Flame Secret Realm here.” Senior Sister Huo Lian said.

“This is fine, no problem.” Yi Tianyun nodded and said.

It was not difficult to subdue the demon beast. To him, he could suppress it with one punch and knock it out. He could easily take the scales.

“Then let’s go to the Flame Secret Realm now.” Senior Sister Huo Lian waved to Yi Tianyun and led him forward.

“Senior Brothers, are you not going?” Yi Tianyun looked at them doubtfully.

“Go to the Flame Secret Realm; what will we do? We will wait here for you to come back!” Senior Brother Yu Long smiled, “We are very optimistic about you; this time, we will succeed in getting it back!”

Yi Tianyun was a little puzzled. He thought that they would come together to watch. Who knew that they would stay here alone? It made him feel strange. But thinking about it carefully, they will get the Flame Scale. If a group of people come, they will scare the demon beast.

After they left, everyone smiled at each other and disappeared.

Under the lead of Senior Sister Huo Lian, they came to the transfer entrance of the Flame Secret Realm. When they explained to the guards that it was a test, they immediately let them go. They easily came to the Flame Secret Realm through the transfer array.

When they arrived here, Yi Tianyun felt the temperature was hotter than above. Looking around, there were still piles of Flame Stones, no difference from the outside.

The only biggest difference was that there were volcanoes on the side and magma rolling on the side, forming a river of lava. With their cultivation, it was not a problem for them to fall for a short time, and the damage to them was not big.

Yi Tianyun glanced at the side; just as he was about to say something, a figure directly jumped into his arms.

“Junior Brother, aren’t we going to do something?” Senior Sister Huo Lian jumped into his arms, her beautiful eyes full of temptation.

This is not to take the Flame Scales; it is to seduce people and do some private things. Fortunately, no one is around; otherwise, there is a misunderstanding.

“Senior Sister Huo Lian, what are you doing?” Yi Tianyun grabbed her shoulder, pushed her forward, and said in a deep voice, “We are here to get the Flame Scale; please behave yourself!”

Senior Sister Huo Lian was very attractive, but he was not interested in it. He had Shi Xueyun in his heart, and everything was enough.

Senior Sister Huo Lian waved her hand and said, “You are so boring. I think you are better than others. Can’t I play with you?”

“Senior Sister Huo Lian, I will be very embarrassed if you do this.” Yi Tianyun said in a low voice.

“I know. Mission. You are just so boring. It is just a Flame Scale. I have it here.” Senior Sister Huo Lian took out a Flame Scale and waved it in front of him as she spoke. She smiled and said, “How is it? There are flame scales now. You only need to play with me here for a while, so let me do as I please. These Flame Scales are yours. There is no need to find the demon beast. It is so difficult to find a demon beast, so it is better to take the ready-made ones back.”

“Moreover, I am now the supervisor. The Flame Scales are not considered to be on us. It is just that you took them.”

Her face was full of temptation, and she still had the completed task, so she didn’t need to go to find the demon beast; she just needed to accompany her.

“I’m not interested; I will get the flame scales myself.” Yi Tianyun didn’t even look at her; he turned and walked forward.

Looking at his back, Senior Sister Huo Lian's smile became even stronger. She raised her foot and followed him, "Well, you are so rigid, but I like you. I will go with you to find the flame scales and not play with you this time."

Yi Tianyun looked at Huo Lian and nodded, "No problem." He smiled with a meaningful feeling.

Chapter 1085

Under Yi Tianyun's appeal, Senior Sister Huo Lian finally became more obedient and did not touch Yi Tianyun again.

Yi Tianyun checked the surroundings. There are many demon beasts here, and there are many forging materials. It can be said to be a material treasure house. It should be stored inside the Divine Construct Palace. It is not open to the public.

Otherwise, this place would have been full of cultivators. Even if it is dangerous, it can be accepted. Especially if you want something good, you are not willing to take the risk. It is very unreasonable.

As they went deeper, the demon beasts began to become scarce. There were even no demon beasts around here. At the same time, the quality of the materials nearby became higher and higher, and the number became more and more.

It's not that no one is collecting here, but this is the territory of a powerful demon beast!

"It's very likely that we will come to the territory of demon beast." Yi Tianyun turned and looked around; he smelled the dangerous aura.

The demon Beast is not weak, at least above the Heaven Monarch Level, and is very powerful; with the Bloodline of Qilin, how can it be weak?

The Qilin Bloodline was one of the top ten existences, and the power it erupted with was absolutely above most existences of the same level.

"Yes, that's right. We are already in the demon beast territory." Senior Sister Huo Lian's expression became serious and wasn't as exaggerated as before.

As soon as she finished speaking, a roar sounded from the forest of flames in front of her. It was as if the roar from the underground abyss was terrifying.

"It is warning us not to get close." Senior Sister Huo Lian said in a deep voice.

“In that case, let’s hurry over and take the scales.” Yi Tianyun nodded, ignored the warning, and ran forward.

Senior Sister Huo Lian followed, and a long whip appeared in her hand. It was very suitable for her personality.

“Roar! Roar!”

At this time, a huge figure jumped out of the forest of flames. The first thing that Yi Tianyun felt was the extreme heat as if it could burn people to ashes.

Following in front of them was the huge Flame Qilin. Its body was covered with a thick layer of flame scales. Every flame scale contained amazing fire energy. Even Heaven Monarch Level experts would not dare to take the flame scales casually. Otherwise, they would be burned.

Of course, Yi Tianyun is not worried about this; they don’t need to worry about the Flame Scales burning themselves; what they need to worry about now is how to dig out the flame scales from its body.

Flame Qilin is a super divine beast, 5th-grade heaven monarch cultivation, and has super strong Demon Firepower that can burn everything! At the same time, the Flame Scales on its body can resist all damage and have a strong defense that is enough to resist fatal attacks.

5th Grade Heaven Monarch Cultivation, this Flame Qilin is strong. This is a great Divine Beast. Seeing a Divine Beast, he wants to subdue it for his use; with such a powerful Divine Beast as a companion, how can it not be at ease?

“Roar!”

The Flame Qilin once again roared at them and issued a stern warning, indicating that they should not approach.

“Go!” Senior Sister Huo Lian rushed towards the Flame Qilin without hesitation. She whipped the whip in her hand and lashed it at the Flame Qilin. With a “pa” sound, the whip landed heavily on the Flame Qilin’s body.

Such a heavy whip only left a shallow mark on the Flame Qilin’s body, and it quickly recovered. It was completely fine.

“Roar!”

Senior Sister Huo Lian’s attack completely infuriated the Flame Qilin. It roared at her, and a huge fireball whistled over. It was as if the end of the world had arrived. A huge fireball descended from the sky and enveloped the entire land.

Senior Sister Huo Lian's expression changed, and she quickly dodged to the side. However, her speed was still too slow. Even the fireball had already exploded towards her.

At this moment, a figure blocked in front of her. A cold light flashed,

“Whoosh!” The huge fireball was split into two!

Yi Tianyun grabbed Senior Sister Huo Lian and ran to the side. Senior Sister Huo Lian was stunned. She didn't expect Yi Tianyun to come so fast and pierce through this terrible fireball.

“You stay here; I will deal with it!” Yi Tianyun motioned her to stay on the side; it was enough to deal with this Flame Qilin alone.

“Wait!” Senior Sister Huo Lian quickly stopped him, but Yi Tianyun had already rushed up alone, ready to shoot the Flame Qilin.

Seeing Yi Tianyun rush up, the Flame Qilin was stunned and turned to look at Senior Sister Huo Lian, his big eyes showing confusion as if asking for instructions.

Senior Sister Huo Lian pointed to Yi Tianyun and nodded simultaneously.

“Roar!” The Flame Qilin suddenly became furious; it aimed at Yi Tianyun and spat out a few balls of flame; the power of each ball was bigger than the other, directly blocking his escape route.

“Break!”

Yi Tianyun's eyes narrowed, and he used Crazy Heaven Secret Art. Violent power was released along with the spear, directly piercing this huge fireball and easily stabbing the fireball coming at him in half.

The next moment, he rushed out of the explosion fireball. He ran to the Flame Qilin and threw his spear at it. With this sudden throw, the Flame Qilin was smashed down from the sky like a fool.

“Boom!” The Flame Qilin slammed into the ground, creating a big hole.

Yi Tianyun did not stop. He quickly chased after the Flame Qilin and prepared to attack it again.

“Wait a minute!”

At this time, Senior Sister Huo Lian quickly stopped in front of the Flame Qilin. She opened her hand and blocked the Flame Qilin. “Junior Brother, don't attack it!”

“What’s wrong? Aren’t we going to take the Flame Scale?” Yi Tianyun smiled faintly as if he had already noticed something.

“This is our test; you don’t play according to the routine; how can you be so strong?” Senior Sister Huo Lian was very helpless.

“What do you mean by not playing according to the routine?” Yi Tianyun pretended to be enlightened, “Is it true that the Flame Qilin is your companion, just trying to test me?”

“Yes, it is to test you. I have to say, the last test didn’t seem to succeed?”

At this time, a group of people flew over. These were the previous senior brothers and sisters and the Elder Dong Yun. They were all hiding on the side, and now they knew they were exposed, so they could only appear.

Yi Tianyun looked at them, and there was no expression of surprise on his face. It could even be said that he had guessed it long ago. This was all a trick!

Chapter 1086

The Flames Qilin got up from the ground. It was not injured at all. Yi Tianyun did not use much strength at all. The spearhead was not directly aimed at its body. Instead, it was smashed with the spear shaft. Therefore, there was no damage at all. It did not even hurt the skin.

At most, it would be painful when it was smashed down. For the Flames Qilin, this was just a superficial injury. There was no big problem.

Yi Tianyun deliberately did this. He just cooperated with the performance of Senior Sister Huo Lian. Since the first time, Senior Sister Huo Lian came in, she knew that everything was an act. She estimated that he was tricked.

The talent of Senior Sister Huo Lian was extremely high. He knew the true character of Senior Sister Huo Lian. She would never be so indulgent. Everything was a routine. He just wanted to trick her.

Now, it was completely proven that his guess was right. It was just a test. From the beginning, Senior Sister Huo Lian had set him up. From all sides, she was showing her interest in him. She was also trying to seduce him from other aspects.

He was sure that if he did, no matter how perfect his performance was, he wouldn’t be chosen as a disciple.

“Junior Brother, aren’t you too strong? You ruined our plans. You ruined the trap we thought of with great difficulty.” Senior Brother Yu Long was a bit mad. He walked over and said helplessly.

“It’s fine. At least we managed to resist the temptation at the very front. We didn’t choose to hand over Huo Lian’s Flames Scale and instead chose to protect her. This is already in line with our criteria for choosing a person. As for the latter part, there should be no need to take the assessment.”

Elder Dong Yun walked out and smiled. “However, this is indeed beyond our expectations. It was a very powerful attack. Even with this, it was broken through, and our plan was ruined...”

“Elder Dong Yun, what is the original plan?” Yi Tianyun said with a smile.

“Huo Lian was injured and took you away. Hide in the cave and reveal all kinds of precious treasures simultaneously. See if you will be tempted, take the things, and run away. It is not your fault to be killed by the Fire Qilin. Some people will take the treasures and run away; instead of saving people first, they will destroy the corpses and the evidence.”

Elder Dong Yun shook his head with a fierce look in his eyes. It was obvious that he had encountered this situation before.

Yi Tianyun felt helpless. Isn’t this a trap? It is equivalent to seducing a crime! If other people saw someone injured and were dying, they would easily take the treasures and leave.

This was a test of human nature. Did he insist on saving people and leaving? Even if he was on the verge of death, he had to save them first. He didn’t want to secretly take a few treasures, destroy their corpses, or even throw away their servants.

“Junior Brother, I know what you are thinking. In the eyes of the outside world, our Divine Construct Palace is a Divine Palace that deliberately makes things difficult for newcomers. We just want a sincere person who can give his back to someone else’s companions! Not scheming against each other and all kinds of jealousy. We are a family. We help each other and support each other!”

Senior Brother Yu Long had a serious expression. The others also nodded. There was no discrimination or mockery. Instead, they huddled together! Only helping each other and supporting each other. This was a true senior brother from the same sect, not scheming and scheming all day. They were secretly stabbing each other.

Yi Tianyun appreciated this attitude the most. He wanted this feeling. There was no discrimination. It was the best choice to help each other. It was unlike some sects. From the moment they joined, they had to scheme against each other. If they were slightly

stronger than each other, they would think of ways to belittle themselves or secretly stab them.

This kind of sect would not last long. There were too many intrigues. How could it develop? Therefore, he would not casually join any forces. If he joined, he would stay for some time. It was impossible to keep for a long time.

Now, this Divine Construct Palace was very suitable for him. It could even be very united. From the rumors, it was indeed very difficult for newcomers. The test was very difficult, but the ability was only a part of the test.

The real test was to test a heart. There was no need to have a particularly heaven-defying ability. It only needed a good foundation. After all, no matter how heaven-defying the fellow disciples were, they were always high up. No matter who they were, what was the use of coming?

Although many factions would rather have a strong one than a bunch of ordinary ones, they needed a sincere fellow disciple for this place. Only by going out to fight would they be able to let their backs out.

At this time, Senior Sister Huo Lian had already appeased the Flame Qilin. She looked very close and could be considered a master and servant relationship. After a simple exchange, Senior Sister Huo Lian came over and asked, "Junior Brother, did you notice it long ago?"

"I don't quite see it." Yi Tianyun said with a serious face.

He already knew it; he would be too easily deceived if he couldn't see these tricks.

Just to comfort them, he didn't say it out loud; if he knew it from the beginning, he wouldn't know what kind of blow they would suffer.

"Is it..." Senior Sister Huo Lian nodded and chose to believe him.

"Oh right, your Senior Sister Huo Lian isn't that unrestrained. She is usually very strict. If you tease her casually, be careful not to get burned!" Senior Brother Yu Long laughed, "You have to sacrifice yourself for every test. Otherwise, how could you choose a true disciple from the same sect?"

Senior Sister Huo Lian rolled her eyes at him and stroked the Flame Qilin. She smiled and said, "Junior Brother, you have passed our test this time. We welcome you to join our Divine Construct Palace!"

"Yes, you have passed the three tests perfectly. You have passed all three tests easily. It can be said that you have passed with the best results in history!"

They all cheered for Yi Tianyun's participation.

"Elder Dong Yun, aren't you going to treat me?" Senior Brother Yu Long looked at Elder Dong Yun and smiled.

"It's a treat, let's go!" Elder Dong Yun patted Yi Tianyun on the shoulder and smiled, "Let's go. Let's celebrate the newcomers joining the Divine Construct Palace. I'll treat you to a drink with Drunken Stars!"

"Go to Drunken Stars to drink? Elder Dong Yun is generous; I have never seen you treat us before!"

"Cough cough, that was in the past. Now, this Tianyun is very capable and the best in history. Can you not celebrate?" Elder Dong Yun's face was red, so how could he not be happy to receive an all-around genius?

When he is happy, he must be willing to spend much money to go to Drunken Stars; these other people have nothing to refute. Senior Brother Yu Long reached out and grabbed Yi Tianyun's shoulder, smiled, and said, "This time, we are lucky. It's all thanks to Junior Brother Tianyun; let's go and celebrate together!"

"Let's go, let's go celebrate together!"

They were all full of smiles as if they had received a brother, making them happy. Yi Tianyun smiled; this feeling was not bad.

Chapter 1087

Under the lead of Elder Dong Yun, they flew directly to Drunken Stars. Drunken Stars was not far from the Divine Construct Palace, and through the transmission array, they only needed to teleport to two places to reach Drunken Stars.

Drunken Stars was a good place full of restaurants, wine everywhere, and delicious food.

When he came here, Yi Tianyun was indeed shocked by Drunken Stars. Drunken Stars was full of rich wine fragrance; even he wondered if he had entered a wine pot; otherwise, how could it be so sweet?

Although he did not enter the wine pot, it is almost the same as entering the wine pot. What can bring this rich fragrance is not wine but the many drunken trees here; the trunk seems full of wine; otherwise, how can the fragrance constantly float out?

It was not that the Drunken Tree had wine but that a lot of wine was buried under the roots of the Drunken Tree. Drunken Tree surrounded every restaurant. They could not dig it out casually. Otherwise, they would be cut off by the boss here.

Through this Drunken Tree, they could add a rich and sweet taste to the wine and attract customers.

“We are here. Let’s go to this Apricot Rain Building!” Elder Dong Yun pointed.

“Apricot Rain Building! Elder Dong Yun, this isn’t as simple as bleeding out, right?” Senior Brother Yu Long and the others exclaimed, “In the past when we joined, you weren’t so generous. Isn’t this a bit too biased?”

“Cough cough, this isn’t being biased. You guys have been working hard all this time. Is it alright for me to reward everyone?” Elder Dong Yun waited for them and said.

“Hehe, Elder Dong Yun is generous, then let’s go and drink a few pots of good wine!”

They all laughed and rushed to the Apricot Rain Building; the atmosphere was harmonious. Yi Tianyun smiled and followed them in.

This atmosphere is really good; this is the same sect, brother.

“Junior Brother, you didn’t see it?” At this time, Senior Sister Huo Lian couldn’t help but ask.

Looking at Senior Sister Huo Lian’ puzzled eyes, Yi Tianyun thought for a moment and could only nod and whispered, “I see a little; it’s that Senior Sister Huo Lian’ acting is a bit bad, not natural enough...”

His voice was very soft, and only the two could hear him.

After Senior Sister Huo Lian heard this, her beautiful eyes became a little, “Is it that bad?”

You can tell at will?

“This is a bit exaggerated. It is okay for other people, but I have seen more details. For example, taking the lead is my task. Why are you taking the lead? And you are even flirting with the Flame Qilin. It is hard not to know!” Yi Tianyun said helplessly: “In the future, Senior Sister Huo Lian should make a detailed plan so we can be absolutely safe.”

Senior Sister Huo Lian suddenly smiled, “Are you saying that fighting is not natural enough? The rest have not been discovered?”

“Yes, there is a little problem with the battle.” Yi Tianyun said with a smile.

“That’s great; I will improve in the future. Thank you for your reminder, Junior Brother. I almost lost my confidence!” Senior Sister Huo Lian smiled happily and patted him on the shoulder. She smiled, “When you pushed me away, you said it so righteously; it is really attractive. If possible, I will introduce a sister to you!”

“There is no need for that...” Yi Tianyun quickly waved his hand, indicating no need.

“What do you mean no? It is good to get to know each other!” Senior Sister Huo Lian smiled and said, “Let’s go, let’s go drink!”

Seeing her relaxed mood, Yi Tianyun shrugged. In fact, from the very beginning, he saw that Senior Sister Huo Lian was so entangled she must have said something; otherwise, she would have gone crazy.

The others saw that Senior Sister Huo Lian was suddenly in a good mood, and they didn’t know what happened.

Immediately, the group of them entered the Apricot Rain Building. As soon as they entered, they saw that everywhere was filled with apricot trees. It looked very beautiful. Some of them were even planted in the air. The dense apricot flowers fell. It looked like an apricot rain.

This kind of very ordinary fruit, they did not expect it to become a theme here.

“So it is Elder Dong Yun. I haven’t seen you in a long time.” At this time, the boss came over with a smile.

“Indeed, I haven’t been here for a long time. Give us a private room!” Elder Dong Yun waved his hand.

“No problem. Everyone, please follow me.” The boss personally led the way. As an elder, Elder Dong Yun naturally had to lead the way.

They heard a surprised voice when they were about to come to the private room.

“Isn’t this Elder Dong Yun? Why are you so generous this time? Why did you invite so many people to drink?”

Everyone turned around and saw an old man. He followed the three people to taste the wine slowly. His eyes were full of ridicule when he saw them, but there was more disdain.

Yi Tianyun noticed that the clothes this person wore were similar to Elder Dong Yun’s, meaning he was also an elder!

Of course, there was more than one elder in the Divine Construct Palace. However, the situation was very different. There were also internal conflicts. Each elder had a different management method. Elder Dong Yun liked to be united. The foundation could be lacking, but the character had to be qualified.

“So it’s Elder Xiao Tian. I was wondering who it was. I was generous and liked to invite my disciples. Is there a problem?” Elder Dong Yun sneered.

“There isn’t. After all, money is yours. How to waste it is your business... Eh, there is also a human. Tsk tsk, Elder Dong Yun is going back as he lives. You even accepted a human as a disciple. What does this look like? A garbage recycling center?” Elder Xiao Tian said bluntly that Tsayinger Dong Yun was recruiting trash.

Everyone was instantly enraged. Senior Brother Yu Long stood out and smiled faintly, “Elder Xiao Tian, speaking of which, your disciple seemed to have lost to us like a dog before. As he walked, he barked. He is a stray dog.”

Elder Xiao Tian’s expression sank. He waved his hand, and a few chopsticks flew toward Senior Brother Yu Long. Elder Dong Yun quickly caught them.

“Elder Xiao Tian, what do you mean by this?” Elder Dong Yun said with a cold gaze.

“Elder Dong Yun, please take good care of your disciples. When the elders speak, the disciples should not interrupt. Do you not understand this kind of etiquette?” Elder Xiao Tian sneered.

“Don’t worry, we still understand this bit of etiquette! It’s just that what I recruit is my own business; it has nothing to do with you!” Elder Dong Yun said coldly.

“That’s right, what kind of race are we recruiting? They are all our junior brothers!”

“Yes! They are all our junior brothers!”

They all echoed individually, making Yi Tianyun feel a little touched; even if they were opposing others, they had to stand by their side!

Chapter 1088

Here is the reading point on the phone.

Yi Tianyun is very rare to see such a xenophobic person. From here, he knows that this group of people is sincere. As long as they are determined, there will be no change.

The two elders of the same Divine Palace have different ideas. One is biased towards only recruiting geniuses, and the other focuses on character.

I thought that the Divine Construct Palace would be a pure land. Only Elder Dong Yun has this idea. Elder Dong Yun has different ideas, not as extreme as Elder Xiao Tian.

Even more people like Elder Xiao Tian would choose elites and not just elites.

The disciples of Elder Dong Yun were very outstanding, but they were still a minority of the super geniuses and super elites.

As for Elder Xiao Tian, he only recruited people with great potential and belonged to the elite level.

Elder Xiao Tian looked at them with a disdainful smile. "What a joke. In the Divine Construct Palace, you are the ones with the least number of people. In the Divine Construct Palace trials, your rankings are all lower. This is Elder Dong Yun 'Leadership'. Otherwise, you wouldn't have gotten such a 'good' result!"

Elder Dong Yun's face turned green and white. His complexion was not good. It could not be denied that Elder Xiao Tian's words were the truth. Because he was too stubborn about his character and unity, very few cultivators had successfully passed. Some had astonishing Innate Abilities, but their characters were not good enough. They were directly eliminated.

The ones who were excluded were naturally the other elders. This meant that their resources were continuously added in. On the other hand, Elder Dong Yun had not joined for several years or even a hundred years.

It was not that no one came to test them, but that they could not pass every time. The content of the examination was too abnormal for them. Most people who had cultivated to this level were selfish in their hearts. It was impossible for them to become tolerant and associate with the weak suddenly.

As time passed, the result was that no one joined the party. When Yi Tianyun came here, no one was in line. The transmission array he went to was the area that led to the management of Elder Dong Yun. Naturally, he met Elder Dong Yun.

As for the passage in other directions, that is to face different elders. Elder Dong Yun became increasingly fierce in the long term, and finally, no one came to sign up.

This is the most embarrassing thing. Elder Dong Yun is right, but most cultivators do not want to be with the weak or do not like this "binding feeling."

Everyone has thoughts; Yi Tianyun likes this feeling, and at least he will not be stabbed.

“This is my business. Elder Xiao Tian, you don’t have to worry so much,” Elder Dong Yun said in a deep voice.

“Of course, this is your business. However, if the many Divine Palaces try, it will not be your business but the entire Divine Construct Palace! When the time comes, I will be held back by your people. I wonder what Palace Master will think?” Elder Xiao Tian sneered.

Every Divine Palace had a Palace Master. Normally, the master wouldn’t appear in the entire Divine Palace, and many elders would manage him. Unless it were necessary, he wouldn’t come out.

“I know what I’m doing!” After saying this, Elder Dong Yun felt he was wrong and led the disciples to the private room in front.

When they sat down, Senior Brother Yu Long said with dissatisfaction, “Elder Dong Yun, Elder Xiao Tian has gone too far. I’m not afraid of them at all. He’s considered a genius, and we have quite a few here! Just me and Huo Lian alone are enough to suppress that bunch of idiots!”

None of them wanted to drink, and they felt extremely aggrieved. No one liked being slapped in the face, especially in front of their elders. It was even more unpleasant.

“What he has said so far is indeed the truth. If you want to fight back against him, it would be best to fight back in the imperial palace.” Elder Dong Yun gnashed his teeth.

He wanted to make a move, but the elders were also not allowed to make a move. Private fights were not allowed, especially the two God Monarchs.

If they were to start a fight, these Drunken Stars would explode.

“I hate that group of tall fellows the most. They look down on everyone. I admit my talent is lacking, but am I not working hard? I believe that one day, I will be able to chase after those fellows!”

“That’s right, talent is not enough, but how can you look down on us like this? If you have the ability, don’t cultivate. A group of arrogant fellows!”

One by one, they began to drink angrily; the wine they drank didn’t taste at all like a cow chewing on a peony.

One by one, they were filled with anger; Yi Tianyun lightly drank the wine he brought and slightly narrowed his eyes, thinking about something.

There was a burst of cheers downstairs, and it began to be lively, attracting their attention.

When they looked down, they didn't know when a fighting arena was built. Fighting Competition was spacious, so building a fighting arena was not a big problem.

"Welcome, everyone. Today is the same as before. There is a special program. If you send people to fight, the wine will be free if you win! Of course, those who do not come down to fight can bet as usual."

The shopkeeper of the Apricot Rain Building stood in the arena and explained the situation to the guests. The Apricot Rain Building was a bit special. In this world where martial arts were respected, there was naturally no lack of fighting.

The Apricot Rain Building built the arena here, and there were special activities. If they win, they will be able to get free wine rewards. If they did not like it, it would be a bet, which was a small bet.

This kind of entertainment program was pleasing to the eyes. The essence was to bet. The banker was naturally the Apricot Rain Building. From here, it was undoubtedly more profitable.

"This is our fighter. Who is interested in challenging him?" The shopkeeper pointed at the fighter that he had sent over. His cultivation level was still relatively strong. He had reached the 6th Layer Heaven Monarch. "Those who are here to challenge can not have a cultivation level that is too high. The highest level can not exceed the 1st Layer Heaven Monarch. Otherwise, I will lose my life. As for those with low cultivation levels, that's fine."

There was a shift in their gazes. This slightly eased the mood of the crowd. They all looked at the situation below the stage. Very soon, there was a guest who was challenging them. This was something that could avoid drinking. How could they not give it a try?

The price of the wine here was rather high. Why wouldn't they be happy if they were to drink it for free?

"Good, now guests are coming to challenge us. I hope you can defeat our fighters and get free drinks!" The shopkeeper smiled happily, indicating that the fight had begun.

Chapter 1089

Before the fight began, everyone began to bet. Each person's bet was different, but more or less, there was a bet. Some bet on guests, and some bet on fighters. Everything depended on their preferences.

"Come, bet. Who do you choose? I choose the guest!"

"Choose the guest? The fighter is a bit stronger. The fighter may win."

"The guest is a bit stronger. That fighter cultivation is a level higher!"

Senior Brother Yu Long and the others discussed who should place their bets. They were a bit idle and had to drink more now. How could they not have some fun? Not to mention them, even Elder Dong Yun had started to place his bets. They would have nothing to do here if they could earn a little.

Soon, they all placed their bets, and the waiter came to collect them. They would settle it when they left.

"Junior Brother, which one do you think?" Senior Sister Huo Lian asked.

"I have faith in that fighter. His cultivation is lower than the customer, but his foundation is stable enough. His strength is especially important; he is an existence that can crush the opponent. Too many skills are unnecessary; strength alone can defeat the opponent." Yi Tianyun simply analyzed.

There is more detailed content, but he did not say it out loud. If he said it, it would scare Senior Sister Huo Lian. Even if the other party has martial arts, how much comprehensive strength, and where the weakness is, will it not scare people?

With the Investigating Eye, there was nothing that could not be seen through by him.

"Does that fighter look very powerful? His aura is weak, and his explosive power is not too strong." Someone interrupted from the side.

"This is a hidden strength. Why did the shopkeeper send people here if it is so easy to be seen? He is not doing charity, but to win money, creating a situation where he will lose." Yi Tianyun said with a smile.

His further analysis made everyone feel it made sense, but some people still felt the guest would win!

"Let me think, it's better to vote for the warrior!"

"Me too, let's listen to Junior Brother. It sounds quite reasonable."

“I am firm with my choice, and the guests will win. I have seen the guests win before, and sometimes I will make a mistake.”

Some people chose to believe in Yi Tianyun. Some decided not to believe. This is nothing. They all believe in their own eyes and think they are not wrong.

“Then I bet a thousand-star stones on the warrior.” Yi Tianyun threw out a lot of money; this is not a big deal, just a casual game; there is no need to throw so much.

Soon, everyone finished their bets and began to fight. They began to fight like crazy. In the early stage, the fighters were still suppressed for a while. Then, the fighters suddenly jumped up and waved their arms wildly. They threw the opponents out and won the fight.

“It is the warrior who won. This is a god! That power is hidden. It broke out at the critical moment, catching the opponent unprepared and throwing them out directly!”

Those who followed Yi Tianyun to bet laughed, but the one who failed the bet had a bitter face. There was no profit, and it must have been a bitter face.

“Junior Brother, you are right!” Senior Sister Huo Lian smiled and clapped her hands happily. She just listened to Yi Tianyun and bet on the fighter.

Yi Tianyun smiled; unless the other party deliberately admitted defeat, he would not make a mistake.

Soon, it was the next batch. The fighter went to rest, and Senior Sister Huo Lian continued to ask, “Junior Brother, what about this round? Who do you think will win? Is it the fighter? I think the Warrior is powerful, the other party is strong, and the equipment is strong!”

They all looked at Yi Tianyun to see what he said this time. Judging from the eyes, he must be a strong fighter, and the guest is ordinary.

“The guest can win this time unless he deliberately admits defeat.” Yi Tianyun smiled, “His cultivation is weak, but his foundation is there. I can still feel the aura of fire. He is likely to have the power of demon fire level. When combined, there is an unexpected effect.”

“That’s amazing. Junior Brother, you can see that the other party has a demon fire?” Senior Sister Huo Lian covered her mouth in surprise.

“This is just a feeling. Whether it is accurate or not, that is another story.” Yi Tianyun smiled slightly.

“Well, I believe in you. I bet five thousand star stones!” Senior Sister Huo Lian boldly pressed down five thousand star stones. This starstone was not a lot, but it was a lot.

If she lost it, it would make people feel distressed.

“Senior Sister Huo Lian, you are bold. Do you believe in Junior Brother?” They all felt that it was very strange.

“It’s okay. It sounds a bit reasonable. Do you want to bet with me?” Senior Sister Huo Lian laughed.

“Then try it. I’ll listen to Junior Brother!”

“Forget it; the warrior seems stronger; he chose the fighter!”

Some of them continued to choose from Yi Tianyun, some chose the warrior, and the choice was still different.

Soon, the game started again. Yi Tianyun’s judgment was not wrong at all. The guest displayed the Demon Fire, and he easily defeated the other party with martial arts. There was no difficulty at all. It was a complete victory!

“God, it is really like this. Junior Brother, you are amazing! This vision is much stronger than ours!”

“It’s too little if I invest more...”

They were both happy and worried. They didn’t expect Yi Tianyun to make the right judgment twice in a row. It was amazing. If it was a lie, there was still a half chance. However, Yi Tianyun’s analysis was very accurate. He knew what the other party could do.

“Junior Brother, I earned again. It’s all thanks to you that I can earn so much!” Senior Sister Huo Lian smiled so much that her eyes narrowed into slits.

“This is your choice; it has nothing to do with me. I just said it casually. Don’t blame me if you lose.” Yi Tianyun smiled.

Then, the third round continued. They all looked at Yi Tianyun, hoping he could answer accurately. After winning two games in a row, can they not look forward to it?

“In my opinion, the probability of customers is higher...”

“Buy! Buy!”

“Buy! Buy! If you don’t buy, you are not a disciple of the Divine Construct Palace!”

“That’s right, I bought this customer. I bet five thousand star stones!”

Yi Tianyun didn’t finish his words, and all the other people bet crazily, except for a little bit of not buying, most of them chose to buy.

This made him not know whether to laugh or cry. If the other party deliberately admitted defeat and performed abnormally, wouldn’t he lose a lot of face? However, based on his current appearance, he wouldn’t lose. Unless it were someone the shopkeeper could place in, he definitely wouldn’t lose.

Chapter 1090

The shopkeeper had deliberately arranged for them to enter and lose. So far, they had never heard of it, so everyone was not worried about this.

If they were discovered, this Apricot Rain Building would definitely be scolded to death.

This was not a problem. The most important thing was whether or not they could really judge it accurately, and only by saying its highlights would there be a chance of winning.

Yi Tianyun was able to say the highlights of the other party, which undoubtedly made them believe even more, which prompted them to place their bets one after another. It could be said that they all believed his choice and regarded him as a Divine Mathematician.

Soon the result of the third match was Yi Tianyun’s choice to win! This result shocked them again. They did not believe it at first, but now they completely believe it.

If the first and second time were accidental, then what about the third time? The third time is not a coincidence, the key is that even the other side’s highlight is revealed, it is impossible to be a coincidence.

“Great, we won again! If I had known this, I would have placed a bigger bet and earned more.”

“Yes, but it doesn’t matter. We can still continue to bet. As long as Junior Brother tells us, we will bet a bit more.”

“It’s a pity that the top is 10,000 Star Stones. Otherwise, I will definitely bet even more!”

They definitely had more than a few Star Stones. Some of them even had several hundred thousand Star Stones. However, the highest limit here was 10,000 Star Stones. If it was too high, the Apricot Rain Building would be afraid of not being able to afford it.

Although he had confidence in the people he sent, it did not mean that he was absolutely confident. This was the Heavenly Spring God Territory,. There were so many geniuses here. If a heaven-defying genius came out and someone bet tens of millions of Star Stones with him, wouldn't the Apricot Rain Building lose everything?

Ten thousand Star Stones is a good number, not high or low. To put it bluntly, it is just a simple entertainment, it can't be too much of a loss.

Of course, if too many people are on the fighter side, the shopkeeper will definitely let the fighter lose, otherwise it will definitely be a loss, pretending to be a bit better.

"This time the two are equally matched, their abilities are almost the same, I really can't estimate." Yi Tianyun helplessly spread his hands, their abilities are almost the same, if they fight, they can only rely on their own experience to win.

Yi Tianyun really judged this point, the situation between the two is almost the same, it is hard to say.

"Are they evenly matched..."

One by one, they were disappointed, this is awkward, if they are evenly matched, it is not very accurate to say that they are at the level of an elder, they can see the experience, and the ability of all sides, but who can see the combat experience.

Soon the result came out again, it was the fighter who won, the two of them were really fighting, and the fighter almost lost.

Just to verify Yi Tianyun's words, the two of them are equally matched, it is really hard to say.

"Who will win this round?"

They looked at Yi Tianyun with anticipation, wanting to hear what Yi Tianyun said.

"I think that Dou Zhe will win, the guest's cultivation is still one level higher, but this Dou Zhe is stronger. He looks very ordinary, but he cultivates speed martial arts. Under this logic, he can win this victory!" Yi Tianyun quickly determined.

"Well said! Then I bet on him, 10,000 Star Stones!"

"Then I also bet 10,000 Star Stones!"

They are all fighting to bet, which really scared Yi Tianyun.

“It’s hard for me to do this. If I lose, won’t I have to take the blame?” Yi Tianyun felt very helpless. After all, this is not a small number.

“It’s okay. If we really lose, we won’t blame you. Anyway, you let us make a lot of money before. At worst, we will lose back.”

“Yes, we chose it ourselves. Who can say for sure?”

They all smiled. If they had really lost, it could only be said that there were more surprises.

“I said that the guest will win!”

At this time, Elder Xiao Tian, who was at the side, walked out.

His gaze was sharp as he said, “I didn’t expect Elder Dong Yun to have such a simple-minded disciple. This match was clearly won by the guest. You all don’t even know who this guest is? He is a great genius of the Spear Palace. His spear technique are like a shadow following him. Who can dodge an extreme spear technique? What kind of speed can he dodge his spear technique?”

Following him, three of his disciples came out. The wooden token in their hands represented that the person they were betting on was the guest.

“A genius of the Spear Palace? I remember now. He is the Spear Palace’s Heaven Monarch Ru Ying. His spear art is indeed extraordinary...”

One of them suddenly recalled this person’s identity, causing everyone’s expressions to change. From this, it could be seen that this person was quite famous. On the other hand, that fighter was not that famous. It could even be said that he was unknown.

“Who cares what he is, I believe in Junior Brother’s judgment, that fighter wins!”

“Yes, it is the fighter who wins! What Spear Palace genius, the person invited by the shopkeeper, isn’t he also a genius?”

“Yes! It must be the fighter who wins, what blind eyes, I think you are the real blind one!”

Each of them didn’t change their faces, instead, they all supported Yi Tianyun’s judgment to read the book to face the enemy meant to be on the same side.

“Elder Xiao Tian, how to choose is our business, right?” Elder Dong Yun said indifferently.

“Of course it is your business. It’s just that you have placed all your hopes in the hands of a human. It’s really a bit funny. Moreover, you even smashed ten thousand Star Stones one by one. It’s really ridiculous.” Elder Xiao Tian said indifferently, “Let’s wait and see, that Heaven Monarch Ru Ying is the real winner!”

Elder Xiao Tian is so confident, naturally he knows the foundation of this Heaven Monarch Ru Ying, otherwise how can he have such confidence.

Yi Tianyun didn’t say anything. He was too lazy to refute anything. He had observed this person before. His ability was indeed not bad, but from a comprehensive perspective, he was naturally not as good as that fighter.

Soon the fight began. Heaven Monarch Ru Ying was like a dragon. Each spear was accompanied by a shadow, like a shadow. However, the fighter was more domineering. The long sword in his hand flashed with a light. Most people could not see it. He had already drawn a sword in the body of Heaven Monarch Ru Ying!

Following that, he displayed an even more gorgeous sword technique. It made people dizzy, and they could not see it clearly. This speed was too fast. They had never seen a sword technique of this level. It could reach a level where even they could not see it.

In the blink of an eye, countless swords were stabbed out. Heaven Monarch Ru Ying was forced back repeatedly. Finally, under the sword, he was sent flying!

Completely defeated! I didn’t expect the great genius of Spear Palace to be killed so easily. He couldn’t fight back at all. Just like Yi Tianyun said, the only thing that can not be broken is speed.

Seeing this scene, everyone looked at Yi Tianyun as if they had seen a ghost. Their judgment was correct! As for Elder Xiao Tian, his mouth was wide open. He didn’t know what to say. His face was swollen from the beating. It was so embarrassing.
