

# Read Crazy Leveling System - Chapter 1091

## Chapter 1091

Elder Xiao Tian's face is not swollen, but everyone thinks that his face is really swollen.

Just now, he was very willing to say that the opponent will lose, and with the genius of Spear Palace, the opponent will definitely lose.

Now that his face is slapped, it is very heavy. Nobody knows who is blind, it is completely his eyes! It can't be seen that Yi Tianyun exposed the real situation, making Elder Xiao Tian embarrassed.

"That's great! It's really that fighter who won. That sword technique is really too fast. I can barely see it clearly. Is there such a great person in our Heavenly Spring God Territory?"

"That's right. It's the first time I've seen such a fast attack. It looks very unfamiliar. If there is such a shocking sword technique, it should be very famous!"

"No matter what, we won! 10,000 Star Stones, now doubled to 20,000 Star Stones. It's really a big profit!"

One by one, they cheered, but most of them still went to watch Elder Xiao Tian make a joke.

Elder Dong Yun naturally won't let go of this opportunity. He looked at Elder Xiao Tian with a smile and said, "Tsk tsk, Elder Xiao Tian, your eyes are really good. What Spear Palace will win? Now? We have more than a dozen people, earning more than 100,000 Star Stones in one go. Although it is not a lot, it is entertainment. We can win."

Elder Xiao Tian glared at them and glared at Yi Tianyun. He didn't expect to make a big fool of himself!

This made him not know how to refute, who asked him to be so full of words just now, he can't change the situation.

"Hey, isn't this super genius who just joined the Sword Palace, Heaven Monarch Jian Yutian? I didn't expect that the shopkeeper would be able to find him as a hired thug!"

"A newcomer? No wonder I haven't seen him before. So he is a new genius from the Sword Palace. Rumor has it that he had become the number one sword genius in the past thousand years in the Sword Palace!"

The audience below immediately began to discuss. Only then did the audience know the background of the fighter. The number one sword genius in the past thousand years in the Sword Palace, so naturally, it was much stronger than Heaven Monarch Ru Ying.

Heaven Monarch Ru Ying was at most ranked in the Spear Palace, but Heaven Monarch Jian Yutian was the number one sword genius in the past thousand years, and the ability he displayed far surpassed Heaven Monarch Ru Ying!

Elder Xiao Tian turned green when he heard this. This was because he wasn't well-informed enough. If he had known, he definitely wouldn't have said such words. In the end, it was because he was blind.

"Junior Brother, you are really too amazing. You even saw through this. You really are our lucky star. You just joined, and we made a lot of money!"

"That's right, that's right! We all suspect that you are from the Heavenly Trigrams Gate. Only the Heavenly Trigrams Gate can deduce this!"

"The Heavenly Trigrams Gate? It can't be? If it was the Heavenly Trigrams Gate, would they join the Heavenly Spring God Territory?"

They all looked at Yi Tianyun and wanted to hear his answer.

"Heavenly Trigrams Gate? I am not from Heavenly Trigrams Gate. I just made a guess. It is just luck." Yi Tianyun said modestly.

The Heavenly Trigrams Gate they are talking about is actually a secret force. It is not a God Territory force. It is a very secret sect. It is very mysterious. It is rumored that even a third rank force doesn't dare to provoke it.

"You've already guessed four rounds. No one would believe you even if you said you were lucky!"

They all laughed, feeling that this newly joined junior brother was becoming more and more pleasing to the eye.

"A human, how could the Heavenly Trigrams Gate accept him? This is simply a daydream!" Elder Xiao Tian said coldly, "Since you can see so accurately, Elder Dong Yun, why don't we go down and draw a round? Let's see if we can see it!"

He was really too angry and wanted to take back some face from Elder Dong Yun.

"You... you think we are afraid of you?" Senior Brother Yu Long and the others had wanted to do this since a long time ago. If they kept saying that they were collecting trash, then who was the real trash?

Elder Dong Yun didn't say anything, they were eager to fight.

Yi Tianyun looked up. The three people brought by Elder Xiao Tian were also eager to try. The cultivation of the three people was not low. They were all at the level of five Heaven Monarch. They were considered strong.

The disciples invited by Elder Xiao Tian were definitely not simple,

If they were too ordinary, it would really be a slap to the face.

"Elder Xiao Tian, since you want to fight, then no problem. How do you want to win?" Elder Dong Yun naturally won't admit defeat. He feels that there is no lack of geniuses on his side.

"Of course, we will go down to fight. We will send one person, and you will be sent out by that kid. Don't you believe in his judgment? Then let him choose, how about it?" Elder Xiao Tian looked at Yi Tianyun, he wanted to regain his face.

However, to go against a junior, he really did not have the bearing of an elder. Elder Xiao Tian really did not have any bearing to speak of. No matter who the opponent was, the most important thing was to regain face.

Everyone looked at each other. They did not expect that there was such a move.

Elder Dong Yun did not think too much about it and said, "No problem, let him choose. I have no objections. Since he is my disciple, I believe in my disciple's choice."

Senior Brother Yu Long nodded and said to Yi Tianyun with a smile, "Junior Brother has a good eye, you can choose."

Yi Tianyun smiled, Elder Xiao Tian really knows how to make things difficult for others, he is really petty.

"No problem, since all senior brothers believe me, then I will choose." Yi Tianyun looked at Elder Xiao Tian and said, "How do you calculate this, one match to determine the winner?"

"Of course it is not one match to determine the winner, three rounds and two wins, how about it?" Elder Xiao Tian smiled and said, "Otherwise, don't think that we are bullying you and give you more opportunities. Of course, I believe that you will only send Heaven Monarch Yu Long or Heaven Monarch Huo Lian. How can others send them?"

Elder Xiao Tian laughed. He looked over and saw Heaven Monarch Yu Long and Heaven Monarch Huo Lian. The rest could only stay on the side as spectators.

“Oh, I don’t think so. Don’t worry, I don’t need to send Heaven Monarch Yu Long or Heaven Monarch Huo Lian deal with your disciples. If I send one of them, I will lose.” Yi Tianyun pointed to his eyes, “It should be said that I was wrong. How about it?”

Yi Tianyun’s words surprised them. Although they are very unhappy with Elder Xiao Tian’s words, their strongest are Heaven Monarch Yu Long or Heaven Monarch Huo Lian. If both of them are not sent out, how can they win?

“Hahaha, what a joke! This is what you said. Elder Dong Yun, you said just now that he will be in charge of picking people!” Elder Xiao Tian was about to burst into tears from laughing. How could the disciples he brought be ordinary?

In his opinion, if not for Heaven Monarch Yu Long or Heaven Monarch Huo Lian, it would be impossible to deal with them.

“Yes, he will pick!” Elder Dong Yun was not unhappy with Yi Tianyun’s words at all.

After so many games, he believed that Yi Tianyun is absolutely confident! Since he can say it out loud, there won’t be a problem.

## Chapter 1092

Elder Dong Yun was so confident that Yi Tianyun felt a bit comfortable. He wanted this sense of trust. If there is no trust, then nothing will work out.

“Thank you for your trust, Elder Dong Yun!” Yi Tianyun said gratefully.

“If I say I believe you, I believe you. I am not the kind of person who would go back on my word. Especially someone who talks even more big and thinks too highly of himself!” The words of Elder Dong Yun were clearly directed at Elder Xiao Tian.

Elder Xiao Tian was furious. His face was ashen as he said, “Then I will send out Heaven Monarch Jin Yu on my side. Who will you send on your side? Just as you said, we can not send out Heaven Monarch Huo Lian and Heaven Monarch Yu Long!”

He wanted to see the other party make a fool of himself. If he didn’t send out Heaven Monarch Huo Lian and Heaven Monarch Yu Long, he would be courting death! This was no different from sending them away.

All along, only the two of them had some ability, and there was nothing else.

“Heaven Monarch Jin Yu?” Yi Tianyun looked at him and smiled, “Then we will send out Senior Brother Feng Yu. This round, Senior Brother Feng Yu!”

Heaven Monarch Feng Yu walked out with a serious expression. In fact, he did not have much confidence in his heart. However, he did not want to be at a disadvantage in front of Elder Xiao Tian. He could not let himself be humiliated.

The others were shocked. They did not expect Yi Tianyun to send out Heaven Monarch Feng Yu. Heaven Monarch Feng Yu was not very high in the crowd. She could only be regarded as moderate.

As for Heaven Monarch Jin Yu, his level was not low. It could even be said that he was almost at the same level as Heaven Monarch Huo Lian. Elder Xiao Tian could not bring out a weak disciple. It could even be said that he was very strong!

“Heaven Monarch Feng Yu?” Heaven Monarch Jin Yu’s eyes were filled with disdain. His opponent was still a level weaker than him, so there was no longer any suspense in the outcome.

“Alright, can we go down and try now?” Elder Xiao Tian was already impatient to see Heaven Monarch Jin Yu cripple Heaven Monarch Feng Yu.

“Wait a moment, I have something to talk to Brother Feng Yu, you can send someone to go down first.” Yi Tianyun said.

“Good!” Elder Xiao Tian motioned for Heaven Monarch Jin Yu to go down first, and at the same time, he sent a message, “Be a bit more ruthless and directly cripple them. There is no need to beat them to death. Just cripple them and teach them a lesson!”

“Elder Xiao Tian, this disciple has the same intention.” Heaven Monarch Jin Yu smiled coldly. He already had this idea in mind.

Since the fight was over, it definitely would not end so casually. If there were no problems, it would be meaningless to them.

Yi Tianyun said something to Heaven Monarch Feng Yu. After a while, Heaven Monarch Feng Yu was puzzled and seemed to be a bit strange about what Yi Tianyun said.

“I understand.” Heaven Monarch Feng Yu nodded.

“Brother Feng Yu, I will leave it to you.” Yi Tianyun said with a smile.

“No problem!” Heaven Monarch Feng Yu was full of confidence and walked downstairs. At this time, the people below were ready. The shopkeeper saw that someone wanted to fight and welcomed them.

“The next show is a fight between the guests. Everyone can also bet!” The shopkeeper immediately announced, making it easier to place bets.

“Junior brother, what did you say to Feng Yu?” They asked nicely.

“Cough cough, I actually didn’t say anything. You guys will see it later.” Yi Tianyun smiled and didn’t say what it was.

After keeping them in suspense, everyone looked down with doubts. The difference in strength between the two was still relatively large. How could Yi Tianyun dare to let Heaven Monarch Feng Yu play? There was someone stronger than Heaven Monarch Feng Yu here, but there was no choice. It was him who was chosen.

What was it? He still had to see the final result.

For their own people, they did not hesitate to bet on Heaven Monarch Feng Yu. Everyone bet 10,000 Star Stones without mercy. For their own people, they would definitely support them greatly. The Star Stone felt like it was nothing and kept betting.

When Elder Xiao Tian saw this, he sneered, “He is really stupid. Even if he believes in his own people, he will not be so stupid.”

They naturally believe that they will win. It should be said that when Yi Tianyun said that he will not send Heaven Monarch Huo Lian and Heaven Monarch Yu Long, they believed that they will win.

Soon the battle began.

Heaven Monarch Jin Yu held a golden longsword in his hand. The golden light was extremely dazzling. This was a golden sword that he had personally forged. It was absolutely in line with his own attribute power. It was able to unleash its strongest power.

“Heaven Monarch Feng Yu, if I were to attack too heavily, you can’t blame me. You have to blame your junior brother!”

As soon as he finished speaking, Heaven Monarch Jin Yu had already flown over. The golden sword in his hand glowed with a golden light. It was as if a Buddhist light had enveloped him, his entire body flickered with a golden light. Like light was illuminating the world. It enveloped this entire land, causing all the evil spirits to be unable to hide.

Heaven Monarch Feng Yu also took out the longsword he had forged himself. He flew over, wanting to fight against Heaven Monarch Jin Yu head-on. When this scene caught everyone's eyes, they all shook their heads. This was undoubtedly the most unwise choice. On the contrary, it was like dragging them into the water.

Heaven Monarch Jin Yu's ability was originally very strong, if he confronted Yi Tianyun head on, he would undoubtedly be at a disadvantage, but now he is facing only Feng Yu, isn't this courting death for Feng Yu?

"Haha, this is your eyesight?" Elder Xiao Tian laughed, thinking that Yi Tianyun is very ridiculous.

Is it his plan to let Heaven Monarch Feng Yu fight head on?

Yi Tianyun was too lazy to pay attention to him, the corner of his mouth curved into a smile, everything is within his control, there is no need to worry about anything.

At the same time, when the two were about to touch each other, the attack of Heaven Monarch Feng Yu changed, ignoring the attack of the other party, directly throwing a sword at Heaven Monarch Jin Yu, countless Flying Feather Sword pierced through the long sword, like a dense rain of swords, continuously running through.

"This trash sword rain, how can it break my defense? You are courting death!" Heaven Monarch Jin Yu quickly waved his long sword, breaking the sword rain, but there are too many sword rain, it is impossible to resist all of them.

Following that, a small portion of the sword rain broke through, and it ruthlessly struck Heaven Monarch Jin Yu's body. In many places, there were no problems at all when it came to life. When Heaven Monarch Jin Yu was struck, his expression changed. The originally fierce attack suddenly disappeared. Instead, it was replaced by the disappearance of the Star Power. The attack dissipated!

The overbearing attack suddenly dissipated. No one knew what had happened, including Heaven Monarch Feng Yu. None of them knew what they had done.

However, Heaven Monarch Feng Yu did not stop. While he was ill, he wanted to take his life! He continued to use countless flying feathers and continuously pierced towards Heaven Monarch Jin Yu.

At this moment, Heaven Monarch Jin Yu was covering his abdomen. He did not know how long he had been there, but he was already bleeding. It was obvious that the wound had been pierced by the flying feathers.

His face was pale, and he waved his sword to block, but his momentum was weaker than before, and his Star Power was even more difficult to continue be used!

Everyone was stunned. What was going on?

## Chapter 1093

“Despicable...” Heaven Monarch Jin Yu covered his waist, continuously waving his hands to block the Flying Feather, but his strength was getting worse and worse.

The wound on his abdomen was like a dam that was about to burst, continuously pouring out Star Power, unable to store up energy to attack at all.

Under the forced back of Heaven Monarch Feng Yu, he continuously retreated. He did not have the strength to resist at all. Logically speaking, even if he was injured, he should be able to quickly stop the bleeding or ignore his wounds. He should be able to fight.

However, Heaven Monarch Jin Yu seemed to have withered. He was completely unable to hold up and fight. He could only continuously be forced back. If this continued, he would undoubtedly lose.

“Damn it! What exactly is going on?” Elder Xiao Tian saw his disciple being forced back repeatedly and roared angrily, “Don’t worry about that wound. Fight him!”

He did not want to lose this match. He only wanted to win perfectly. He wanted to win two out of three rounds. He needed to win both rounds instead of losing one! What he wanted was perfect, not a scar.

Heaven Monarch Jin Yu was forced back repeatedly. Of course, he wanted to fight back. However, he seemed to be out of control and kept retreating. Very quickly, under the fierce attacks of Heaven Monarch Feng Yu, he was sent flying. After falling to the ground, he vomited blood continuously. Especially the area in his abdomen, blood continuously flowed out. The key was that he could feel the Star Power constantly flowing out!

He had seen blood before, but he had never seen one that flowed Star Power.

Everyone was shocked. They never thought that Heaven Monarch Feng Yu would win like this. Not to mention the others, even Heaven Monarch Feng Yu himself was dumbfounded. Who would have thought that it would be so easy to succeed?

How could he not be shocked that he could easily defeat his own strong opponent?

“Damn it!”

After Elder Xiao Tian cursed angrily, he quickly flew down and landed beside Heaven Monarch Jin Yu to inspect him. Then, he was shocked, “Your inner world is damaged, the Star Power is flowing out...”

As a genius, he definitely had an inner world. Moreover, it was more complete. The inner world was extremely important. If it was broken, it would be extremely lethal! Now, the inner world was broken, and the inside was in a mess.

In this situation, not to mention fighting, it would be good if he could hold on and explode.

“You are so ruthless. You actually broke my disciple’s inner world!” Elder Xiao Tian was like a dog as he started barking.

“Elder Xiao Tian, what do you mean by this? We all saw the fight just now. I didn’t see that my disciple was very heavy-handed. They were all very normal attacks, and they didn’t even fight to the death! He had some problems himself, and he actually slandered my disciple.” Elder Dong Yun also flew down, his expression furious.

Not to mention Elder Dong Yun, everyone saw this. Heaven Monarch Feng Yu did not do anything. It was a very normal attack. It just happened to break the opponent’s defense and then became like this.

Such an irregular attack just broke through, everything is so coincidental, this is at most accidental injury, how can it be said to be intentional?

“Is this your doing?” Elder Xiao Tian looked at Yi Tianyun, everyone is chosen by Yi Tianyun, other than him, who else can it be?

“What can I do? I am here, and then simply send out Brother Feng Yu, is there a problem?” Yi Tianyun said helplessly.

At this time, everyone remembered that he was the one who sent Heaven Monarch Feng Yu. He really succeeded in defeating Heaven Monarch Jin Yu. Not only did he defeat him, he could even be said to have a complete victory!

The process was not important, what was important was the result.

Elder Xiao Tian gritted his teeth. He just said it casually. How could he slander something? Moreover, it was his own problem. He could not blame others.

Immediately, Elder Xiao Tian took people to heal his injuries. His inner world was damaged, so he needed to repair it quickly. Otherwise, if his foundation was damaged, it would be easy for him to have sequela.

When the fight stopped for the time being, everyone gathered around and praised Yi Tianyun's judgment.

"It's really a success to defeat Heaven Monarch Jin Yu, it's really incredible! When I first chose Heaven Monarch Feng Yu, I was worried. Now it seems that I was worried for nothing."

Yes, who could have thought it would be so easy? It was easy, easy,

The other party didn't even touch a hair on Heaven Monarch Feng Yu.

"Heaven Monarch Feng Yu, what did junior brother say to you before?"

The most important thing was that Yi Tianyun had whispered something to him before. They were still fine. Now they could finally let Heaven Monarch Feng Yu say it out and solve the doubts in their hearts.

"Junior brother didn't say anything to me. He told me to attack with all my strength. What moves do I usually use? However, I needs to fight head-on. Don't be afraid, just fight attack head-on." Heaven Monarch Feng Yu said helplessly.

"It's that simple?" Everyone was shocked.

"So simple!" Heaven Monarch Feng Yu shrugged and said, "At that time, I wasn't sure. In any case, I listened to junior brother and displayed my usual attacks. My attacks were simply unable to withstand a single blow from Heaven Monarch Jin Yu. Who knew that there would still be a few attacks. Logically speaking, it shouldn't have caused any damage to him, but it still easily broke through his defenses."

"It must be junior brother. He only said that because he saw that there was something wrong with Heaven Monarch Jin Yu." Heaven Monarch Long Yu laughed.

Everyone looked at Yi Tianyun, trying to get an explanation from him.

"This is about the same. I saw that his body is a bit strange, and his Star Power is not stable enough. Therefore, I speculate that he must have been injured during his recent cultivation. As long as he attacks a little, he can easily break through the defense." Yi Tianyun explained.

He easily grasped the biggest weakness of Heaven Monarch Jin Yu through the Investigating Eye. He does not need too much strength at all, as long as there is an attack.

“But why don’t you just directly attack that weakness?” Someone on the horse asked.

“If you tell me, it is too deliberate, and Heaven Monarch Jin Yu is on guard. As long as we guard against that weakness, our chances of winning are high.” Yi Tianyun smiled, everything was within his expectations.

After listening to his explanation, everyone knew what was going on. It turned out that they had planned everything well. If they told Heaven Monarch Feng Yu, who had just been staring at the other party’s weakness, wouldn’t it be telling the other party that they were going to attack their weakness?

“Too powerful, you saw it, we can’t see it at all!”

Everyone breathed a sigh of relief, even more shocked by Yi Tianyun’s observation, this is something that even Elder Xiao Tian does not know, but he observed it, it is incredible.

Yi Tianyun smiled, as long as he knows the weakness, everything will be easy, so there is no need to send any powerful Imperial Heaven Monarch Yu Long, it is enough to deal with.

Soon Elder Xiao Tian came back, his face was pale, and he said, “In the next round, I will send Heaven Monarch Shan Yan, who will you send out!”

The matter has been settled, and I can only find some face through the next round. I wonder who Yi Tianyun will send in the next round?

## Chapter 1094

Everyone looked at Yi Tianyun, wanting to see who he will choose this time. They all looked at each other, so many people, who will choose?

The opponent is Heaven Monarch Shan Yan, a stone, whether it is defense or strength, he is a strong existence.

There are very few people present who can defeat Heaven Monarch Shan Yan, unless Heaven Monarch Huo Lian and Heaven Monarch Yu Long, but he can’t send them. This is awkward, they want to see who Yi Tianyun will choose this time.

Such a troublesome opponent, could it be that he also had some weakness? Or perhaps there was something that he could use other powers to attack.

“Hurry up and choose! If you want to find something wrong with Heaven Monarch Shan Yan, then save your worries! His body is strong, so there won’t be any problems.” Elder Xiao Tian sneered.

This time, he had already thoroughly asked Heaven Monarch Shan Yan. He did not wish for the situation of Heaven Monarch Jin Yu to happen again. If he lost another match, then they would completely lose.

Everyone looked at each other, is there really no other way?

“Didn’t I already choose? The next one is me.” Yi Tianyun came out and looked at Elder Xiao Tian.

“You?” Elder Xiao Tian was shocked. No matter what they thought, they never thought that Yi Tianyun would personally fight. It was really beyond their expectations.

Yi Tianyun is only at Seven Refinements Earth Monarch. Originally, he could have broken through to Eighth Refinements Earth Monarch, but he was not in a hurry. Recently, there are a lot of things that can only be delayed.

Therefore, in the eyes of others, he is at most the Seven Refinements Earth Monarch. This cultivation base is on the 5th Layer Heaven Monarch. Isn’t this courting death?

“Yes, it is me. What’s the problem?” Yi Tianyun said, “It doesn’t seem to violate the rules, right?”

“Of course there is no violation of the rules. Are you sure you want to do this?” Elder Xiao Tian suspected that Yi Tianyun is crazy, the difference in cultivation is so big, but he chose to personally fight, he suspected that Yi Tianyun is crazy.

“I am sure.” Yi Tianyun said.

“Good!” Elder Xiao Tian looked at Elder Dong Yun and said, “Elder Dong Yun, I didn’t do it on purpose, but he chose it himself, it has nothing to do with me!”

Elder Dong Yun and the others were shocked, who would have thought that Yi Tianyun would personally fight?

“We believe in junior brother, since he chose this, we have nothing to say.” Senior Sister Huo Lian and the others nodded and did not persuade Yi Tianyun to not do this.

Even Sister Huo Lian smiled, because she remembered that during the assessment, the Flames Qilin was smashed by him, which was enough to show that his strength was

quite overbearing! She did not know how much potential Yi Tianyun had not burst out, but his strength was definitely not bad.

Since he can make this request, then there must be a chance of winning, otherwise why would Yi Tianyun raise it?

“Well, I respect my disciple’s choice.” Elder Dong Yun also said.

Elder Xiao Tian was shocked, he thought he would try to persuade Yi Tianyun to stop him, but he didn’t expect Yi Tianyun to do it himself.

“Very good, since you are so bold, then let me see how strong you are!” Elder Xiao Tian glanced at Heaven Monarch Shan Yan and sent a message, “This kid will definitely fight to the death, don’t show any mercy! Also, be careful, I don’t know what the kid is thinking, he can go all out!”

“Elder Xiao Tian, you are too nervous. This kid’s cultivation is so low. At most, he has some tricks up his sleeve. In the face of absolute power, these schemes are all trash!” Heaven Monarch Shan Yan was filled with confidence in himself. The other party was so far away from him. If he couldn’t even win this, then he might as well commit suicide.

“Since you have such confidence, then I’ll leave it to you. If you lose...” Elder Xiao Tian’s gaze was cold. There was no need to say what he wanted to say. He knew what he wanted to say.

Heaven Monarch Shan Yan nodded his head vigorously.

Elder Xiao Tian paid great attention to his face. He originally looked down on Elder Dong Yun. If he lost to Elder Dong Yun’s disciple, where would he put his face?

Then, they all started to fight. When they stood on the stage, all of them exploded. There was such a great disparity in cultivation, yet they still sent a match. Wasn’t this a gift?

“Cough cough, I won’t bet this time. The situation is special. If the difference is too great, it won’t make a bet!” The shopkeeper’s words greatly disappointed many of the customers who wanted to bet.

He originally wanted to earn a lot of money by instinct. He closed his eyes and invested in ‘Heaven Monarch’ Shan Yan. He did not need to choose anything else. Who knew that he would not bet. It was really disappointing.

The shopkeeper was not a fool. It seemed that there was such a great disparity. If he returned the bets, wouldn’t he lose a lot? He did not want to lose money. After all, opening a restaurant was not for charity. It was for the sake of making money.

“It seems that the shopkeeper has taken care of you. If you all continue to bet, it will be a big loss.” Elder Xiao Tian didn’t forget to stand by the side.

“Our junior brother will not lose!”

“Yes, don’t think that your Heaven Monarch Shan Yan can win! Our junior brother is even more powerful!”

They have full confidence in Yi Tianyun. After experiencing these things, they have a deeper understanding of Yi Tianyun. They think that he is unfathomable, absolutely a great expert!

“Powerful? Are you kidding me?” Elder Xiao Tian shook his head, “The difference in cultivation is so big, what can a human do? If it was another race, I would still have a chance. A human, hmpf...”

While they were talking, Yi Tianyun and Heaven Monarch Shan Yan had already started fighting. Heaven Monarch Shan Yan was unarmed. It was not that he did not have a weapon, but the power of his fist was stronger!

His whole body doesn’t look bright, but his heavy body, when he swung his huge fist down, it was like a mountain.

“I want to see what tricks you have!”

Heaven Monarch Shan Yan faced the attack head-on, and at the same time stared at Yi Tianyun, not relaxing at all. He wanted to see what tricks Yi Tianyun has, such as sneak attack from the side, or what tricks he used.

Who knew that Yi Tianyun did not move, when he came over, he also waved his fist at the same time, fist against fist, without any tricks, it was a very simple and crude fist against fist.

“Is he a fool? A fist against a fist? I am dying of laughter... It is his ability to fight with Heaven Monarch Shan Yan...”

Before his voice fell, the next scene was like a palm, grabbing Elder Xiao Tian by the neck, making him unable to speak. He saw Heaven Monarch Shan Yan was sent flying by a punch, but Yi Tianyun took two steps back, nothing happened at all!

## Chapter 1095

Heaven Monarch Shan Yan and Yi Tianyun exchanged fists. In the end, Heaven Monarch Shan Yan was sent flying. This result is unbelievable! Heaven Monarch Shan Yan is a Giant Rock Race. But the point is that his cultivation is higher than Yi Tianyun. Who knew that he would still be crushed? Everyone felt incredible.

Heaven Monarch Shan Yan, who was sent flying, began to crack the thick rock on his arm. It was obviously shattered by Yi Tianyun's overbearing fist.

On the other hand, Yi Tianyun's fist is not a problem. Except for a few steps back, nothing happened.

"It's really hard." Yi Tianyun smiled, mobilized the Dragon God Bloodline in his body, and constantly circulated it in his body.

Heaven Monarch Shan Yan's cultivation is stronger than his own, but who is he afraid of? From the Investigating Eye, it can be seen that Heaven Monarch Shan Yan is not as terrible as he imagined. Especially when he improved his cultivation and absorbed more star power from Heavenly Tribulation, his body was greatly strengthened. Even Heaven Monarch Shan Yan might not be able to defeat him!

"What?"

Heaven Monarch Shan Yan quickly stopped and felt the pain of his fist. He felt very incredible. He thought that Yi Tianyun would use some tricks. But now it seems that there is no trick at all. He directly fought with him! And yet, he lost.

When he was stunned, Yi Tianyun suddenly stepped on the ground, turned into a dragon, and rushed over here. He activated all the strength in his body, especially the Dragon God Bloodline must be activated to the strongest! The equipment effect of his body is also activated to the maximum.

If it is not like this, how can he fight above his level? After all, his cultivation is a lot higher. If there is no other comprehensive strength, no matter how talented he is, he can't deal with it.

"What are you doing?"

Yi Tianyun swung his leg, and Heaven Monarch Shan Yan quickly reached out his arm to block. "Boom!" Heaven Monarch Shan Yan was kicked back again and again. The hard rock wall on his body was immediately smashed into a depression, and dense cracks appeared on his arm.

The violent power, even the strong defense of Heaven Monarch Shan Yan could not easily resist.

This scene shocked everyone. Most of them thought that Yi Tianyun would use some kind of scheme, or use some kind of positioning to trick Heaven Monarch Shan Yan. Now it seems that they are naive. Yi Tianyun did not need to do this at all. He directly smashed Heaven Monarch Shan Yan with the most violent force!

“This, this kid is so powerful! He, he is a human?”

Not to mention Elder Xiao Tian, even Elder Dong Yun and the others were shocked. Although they knew that Yi Tianyun was not weak, they did not expect that he would crush Heaven Monarch Shan Yan!

While they were shocked, Yi Tianyun did not give the opponent a chance to breathe, and continued to attack crazily, without using any special moves, he simply smashed with his fist.

“Don’t be arrogant!”

Heaven Monarch Shan Yan was also angry, the cracks on his body began to repair quickly, and soon he built a thick layer of rock on the surface of his body, the power began to rise rapidly, completely releasing the power of the 5th Layer Heaven Monarch.

“Heaven Shaking Body Secret Technique!”

“Crazy Heaven Secret Technique!”

Yi Tianyun instantly turned into a very heavy body, and at the same time, he released the Crazy Heaven Secret Technique to increase his combat power by ten times. The Star Power inside his body was running crazily, and it didn’t seem to be a huge body. It was like a giant planet, rushing towards Heaven Monarch Shan Yan.

“Boom!”

The two collided directly, and with a loud bang, Heaven Monarch Shan Yan was sent flying, and the thick rock was smashed into pieces. On the other hand, Yi Tianyun was completely fine, not even a scratch on his body.

Yi Tianyun is wearing the Evil Demon God Set, and his defense is so strong, so he is naturally not afraid of Heaven Monarch Shan Yan. From the surface, he seems to wear very ordinary clothes, but the real situation is, it is the Evil Demon God Set, how can his defense be bad?

However, when they collided, he still felt that the other party was quite hard. Heaven Monarch Shan Yan was not an ordinary person, and his body was also extremely strong, and he was able to be hit by Yi Tianyun like this.

It was already shocking.

The Giant Rock Race had always had an astonishing defense, but they were actually knocked into such a state by the human race. This was truly a great humiliation.

“Shan Yan, quickly use your weapon! Use your fist, use your weapon!” Elder Xiao Tian, who was below the stage, hurriedly shouted.

Heaven Monarch Shan Yan definitely had a weapon that could be used, and could even be combined to release an even stronger power.

However, Heaven Monarch Shan Yan ignored him and continued to use his hard body to collide with Yi Tianyun.

“Damn it, he doesn’t listen to me!” Elder Xiao Tian was so angry that he gritted his teeth. If Heaven Monarch Shan Yan used a weapon, the chance of winning would undoubtedly increase greatly, even to the extent of crushing him.

However, Heaven Monarch Shan Yan didn’t use it, which made him angry.

“Elder Xiao Tian, it seems that you don’t understand your disciple’s heart. As a Giant Rock Race, he uses his fist and body to fight against himself. These two are the things that he is most proud of. Do you think he will use other moves?” Elder Dong Yun sneered, “Your disciple knows the rules, he knows how to do it!”

The Giant Rock Race is most proud of his fist and body. Now that he is suppressed by Yi Tianyun, how can he admit defeat? Taking out his weapon is equivalent to admitting defeat.

Therefore, even if he lost, he had to use the most basic method to fight to the end!

“Nonsense! The process is not important. The result is important!” Elder Xiao Tian did not care about that. He only wanted to win this match.

Elder Dong Yun shook his head. He was too lazy to care about his thoughts. He did not even know his own disciple’s thoughts. How could he be a master?

However, Heaven Monarch Shan Yan ignored him and continued to use his most primitive ability to collide with Yi Tianyun. Yi Tianyun also didn’t use any weapon, he still used all kinds of fists to smash him.

Heaven Monarch Shan Yan was sent flying again and again. It was the same move. Heaven Monarch Shan Yan lost. Heaven Monarch Shan Yan had used martial arts, combined with his own bloodline defense, he should be able to fight many opponents of the same stage.

However, in the face of Yi Tianyun, he was full of a deep sense of powerlessness and was completely crushed.

Under the final punch, Heaven Monarch Shan Yan was sent flying and vomited blood. When he fell heavily to the ground, he did not faint. Instead, he collapsed to the ground and laughed. He even laughed with tears.

He did not expect that he would lose to a human, an opponent that he could never imagine!

“It’s really hard.” Yi Tianyun shook his hand, looked at Heaven Monarch Shan Yan lying on the ground and smiled, “However, thank you for being so persistent in fighting against me.”

“Our Giant Rock Race will not use any weapons when facing such an opponent!” Heaven Monarch Shan Yan sat up and said in admiration, “You are the first human I have ever met to be so hard. I admire you!”

“How can a man not be strong?” Yi Tianyun smiled slightly.

## Chapter 1096

Yi Tianyun won this round in the most overbearing manner. They had won two rounds in a row of the previous three rounds set by Elder Xiao Tian. There is no need to try the remaining round at all. He won directly.

Not only that, but he also made Heaven Monarch Shan Yan admire him very much. He vaguely regarded him as a friend. This is not an enemy. He is about to become a friend.

“Elder Xiao Tian, you lost.” Elder Dong Yun looked at Elder Xiao Tian and was so happy that he almost burst out laughing.

Elder Xiao Tian’s expression was ugly. He never thought that he would lose to Elder Dong Yun, who was at the bottom of the Divine Construct Palace. He had always been extremely dissatisfied with Elder Dong Yun’s way of doing things.

He did not reply. Instead, he raised his foot and walked over to Heaven Monarch Shan Yan. He said coldly, “Shan Yan, what do you mean by this? Just now, I asked you to take out your weapon. Why did you do this?”

“Elder Xiao Tian, we Giant Rock Race have our own rules. The other side doesn’t use weapons, but they use our greatest advantage to attack. We can’t violate the rules.”

Heaven Monarch Shan Yan had already climbed up, and his injury was not very serious.

Although he was beaten to spit blood by Yi Tianyun, it was just a normal injury, not a very serious injury.

“The loser is the loser, what’s the point of violating the rules! You are the loser now, get out of here! I will not accept you as a disciple, especially this kind of rotten head!” Elder Xiao Tian was completely enraged. This was equivalent to not listening to him, so there was no need for him to stay by his side.

Heaven Monarch Shan Yan’s body stiffened, then he slowly knelt down and said in a deep voice, “This disciple is unfilial. I am sorry, Elder!”

After he finished speaking, he heavily kowtowed three times, completely severing all ties with Elder Xiao Tian. From now on, the two of them would no longer have any relationship.

“Humph!” Elder Xiao Tian snorted coldly. He turned to look at Elder Dong Yun and said, “It seems that your new disciple is not bad. He also knows how to make use of this kind of death rule. I am looking forward to the palace battle after a period of time. At that time, I will see what other abilities you have besides strength!”

After he finished speaking, he waved his hand and left with his people. He also left with the defeated Heaven Monarch Jin Yu. Although Heaven Monarch Jin Yu lost, he listened to Elder Xiao Tian. This was the main point. Losing was not scary. What was scary was not listening to his instructions and losing. This was what he could not tolerate the most.

After Elder Xiao Tian left, they all looked at Heaven Monarch Shan Yan, feeling even more sympathetic.

“Heaven Monarch Shan Yan, how about you join us?” Yi Tianyun came over and smiled.

Heaven Monarch Shan Yan is not a sinister person, always straight to the point, from the rules to the knowledge, this guy is less stubborn, always abiding by the rules of the clan.

“Join your side...” Heaven Monarch Shan Yan was stunned. He was originally a disciple of the Divine Construct Palace, but at most, he would just change his master. There was no problem.

“Can, can I really do it?” He hesitated for a moment, but in the end, he still asked. He still wanted to stay in the Divine Construct Palace.

“There’s nothing that can’t be done. The premise is that you can pass our examination!” Heaven Monarch Yu Long walked out and grinned, “Your character is good. I admire you. It’s just that you have to pass the examination, otherwise you won’t be able to join.”

The others nodded with a smile. Although Heaven Monarch Shan Yan and Elder Xiao Tian were on the same side, the relationship between the two wasn’t too deep. Especially since he didn’t listen to Elder Xiao Tian, they were happy.

Some people had their own bottom line in their hearts. Heaven Monarch Shan Yan had his own bottom line. Only cultivators with a bottom line could allow themselves to go further.

“Thank you so much!” Heaven Monarch Shan Yan was extremely grateful. “I will work hard to pass all of your tests. If I can’t pass, I won’t have the face to join you!”

“Let’s not talk about the test for now. Let’s drink first!” Elder Dong Yun was in a very good mood. He had just won against Elder Xiao Tian. How could he not be happy?

Immediately, they returned to the private room and continued to taste the fine wine. This time, without Elder Xiao Tian, they immediately felt that the fine wine was exceptionally sweet.

“Junior brother, I didn’t know that you understood the rules of other races. If that Heaven Monarch Shan Yan used a weapon, how confident do you think you would be in winning?” Heaven Monarch Huo Lian asked.

The others all looked over, including Heaven Monarch Shan Yan. What if he used a weapon?

Yi Tianyun slowly put down his wine glass and smiled, “Let’s drink, let’s not talk about these things.”

Seeing that Yi Tianyun was not willing to answer, they can only stop asking, some think that he can win, and some think that he can’t win!

Yi Tianyun continued to drink a cup and did not say anything. The result was needless to say, not to mention that Heaven Monarch Shan Yan used a weapon, even if it was burning his essence blood to fight with him, it would not be empty.

“It’s about time, it’s time to improve my cultivation.”

The matter on his side was temporarily settled, the next step was to go to Heaven Stealing Divine Land to cultivate, so as to improve his cultivation.

Soon the matter here ended, through this banquet, their relationship improved a lot, especially after this duel, let them understand him deeply, and the relationship between them was undoubtedly greatly improved.

After saying that he will go to the Heaven Stealing Divine Land, they all looked at Yi Tianyun with envy. Heaven Monarch Huo Lian and the others did not have a chance to go to the Heaven Stealing Divine Land. It was a very strict place, and it was not so easy to go there.

It takes a lot of contribution points to go to the Heaven Stealing Divine Land and stay there for a while, for example, if Yi Tianyun wants to go to the Heaven Stealing Divine Land to cultivate, he can only stay for a month at most, which is enough to see how precious it is.

Yi Tianyun, according to Elder Gou Huang, he can go after he is ready. If he wants to go to the Heaven Stealing Divine Land, he must be approved by these high-level elders, not even Elder Dong Yun.

Soon, under the guidance of the guards, he saw Elder Gou Huang. There was no trouble this time. It was obvious that Elder Gou Huang gave instructions under the token to avoid unnecessary trouble, which would be much more convenient.

“You’re finally here. I already know about your situation. You’ve just joined the Divine Construct Palace and caused such a huge ruckus.” Elder Gou Huang shook his head and smiled. “Furthermore, you’ve joined Elder Dong Yun’s faction. It seems that your character is not bad. Elder Dong Yun’s faction is not bad. In the past, Elder Dong Yun was a super genius, but his personality was different and his path of cultivation was different. No matter what, he was definitely a good elder.”

There is nothing here that can hide from the eyes of these elders. As long as he wants to know, he can know everything in the next second.

“Elder Dong Yun, of course, is a very good elder.” Yi Tianyun smiled slightly, “Then Elder Gou Huang, I wonder if you can go to Heaven Stealing Divine Land now?”

“Of course there is no problem. I was waiting for you.” Elder Gou Huang grabbed him, tore open space, and brought him in, disappearing from the palace.

## Chapter 1097

Elder Gou Huang took Yi Tianyun the tear space and quickly came to the transmission array. This Teleportation Array is special. There are two guards guarding it. The rest of the Teleportation Arrays are not guarded here, which proves that the place where the Teleportation Array is, is very important.

“Elder Gou Huang.”

The two guards bowed one after another to show their respect.

Elder Gou Huang nodded. He took Yi Tianyun to the Teleportation Array and pressed the stone tablet next to him. After transferring Star Power into it, the Teleportation Array soon began to light up and quickly enveloped them.

In the blink of an eye, they disappeared from the place. In the next moment, another area appeared. Yi Tianyun looked around. There was nothing there. Everything was empty. The place where the Teleportation Array was located was even more special. It was a huge floating rock surface. It was not a star face.

There was no doubt that this place was very remote. The Heaven Stealing Divine Land was actually in such a remote place. It looked very strict. He could see that there were not many people who could really touch the stone tablet.

It meant that if they wanted to come over, the elder had to lead the way personally, otherwise they could not come over at all. It was really amazing that it was so strict.

It seems that it is very difficult to come here through other ways. If nobody even know where the location is, how can they come here?

“Isn’t this Heaven Stealing Divine Land too strict?” Yi Tianyun sighed.

“Heaven Stealing Divine Land is the cultivation area of our Five Great God Territories. It will definitely be stricter. There is even a strict time limit. How much time can be allocated in each God Territories is determined.” Elder Gou Huang said, “Because there are many cultivators, the time it takes to spread out is very small. Unless there are more outstanding disciples, they will not get this reward.”

“I can see that they are here. Are the other Teleportation Arrays in the God Territory nearby?” Yi Tianyun turned his head and looked around. It was empty, and he did not see any other Teleportation Arrays.

“Almost, it’s not far from here. I will take you to the Heaven Stealing Divine Land now. If you use it well, it will be enough for you to break through to Nine Refinements Earth Monarch! Only when you reach Nine Refinements Earth Monarch can you stand on a high platform.” Elder Gou Huang is very much looking forward to Yi Tianyun breaking

through to Nine Refinements Earth Monarch. Although Eight Refinements Earth Monarch is good, Nine Refinements Earth Monarch is the real top!

They will only let cultivators who can break through to Nine Refinements Earth Monarch to cultivate in this kind of peak cultivation place. If they stop at Eight Refinements Earth Monarch, then there will be no such opportunity.

Unless they are disciples who have great contribution points, they can not even take a look. Heaven Monarch Yu Long and Heaven Monarch Huo Lian are good, but they are not judged to have the qualification to break through to Nine Refinements Earth Monarch. They do not have much contribution points, so they are not allowed to come.

Just think about it, the Heaven Stealing Divine Land was originally so big, and the resources would definitely not be endless. Now that it was under the management of the Five Great God Territories, it was absolutely strictly restricted to send people. Otherwise, if they were casually let in, the Heaven Stealing Divine Land would become a wasteland!

Yi Tianyun nodded. He also wanted to break through to the Nine Refinements Earth Monarch level. After all, this was the goal of his current mission.

Immediately, Elder Gou Huang took him directly to the front. Under Elder Gou Huang's lead, the front could be said to be pitch black, and nothing could be seen. It should be said that all the light seemed to have been sucked away, so that they could not see any light.

Yi Tianyun clearly felt that the Star Power around him had been sucked out, and it could even be said that there was no Star Power around, which was an extremely vacuum zone.

"Are you ready." Elder Gou Huang stretched out his hand and pointed. There was a dark light in front of him, which looked like a black ball. This could not be judged from the eyes, but from the perception.

Originally, the space around was dark enough, and then it emitted a dark light. It was still so dark.

Yi Tianyun could feel that this dark ball contained a special and strange energy, as if all the extracted energy was gathered here.

"Heaven Stealing Divine Land, how did it form?" Yi Tianyun is very good to this.

"No one knows this. When we found it, it was already here. It is just between the Five Great God Territories, and it is a cultivation place."

Elder Gou Huang took out a jade pendant and handed it to Yi Tianyun. "This jade pendant can only allow you to stay in the Heaven Stealing Divine Land for a month! Of course, this time is for the outside world. The time inside often changes. I can't say what the situation is."

"But you have to remember one thing. When this jade pendant is about to disappear, it is time for you to leave. If you don't leave, you won't be able to come out of it and will be completely trapped inside!"

His expression was serious. It didn't seem like he was lying, but he was really serious.

"Is this cultivation field actually so dangerous? It seems that this jade pendant is like a protective talisman. If the protective talisman is gone, then it will be swallowed and will never be able to come out."

"Got it." Yi Tianyun held the jade pendant tightly.

"I will come here to pick you up in a month." Elder Gou Huang patted him on the shoulder and smiled, "But there's no need to be so nervous. With this jade pendant, it will be very safe. As for what's inside, there will be super geniuses from other divine regions. Just ignore them."

Yi Tianyun nodded, and after saying goodbye to Elder Gou Huang, he directly went into the black ball and disappeared in front of Elder Gou Huang.

"Kid, I hope you can obtain a great fortune here. Only when you breakthrough the The Heaven Monarch of Nine Refinements Earth Monarch can you be considered a true Heaven Monarch..." He shook his head and turned to leave.

A month later, he will come here to pick him up.

When Yi Tianyun passed through the black ball, he immediately felt that the jade pendant in his arms became hot, followed by a little white smoke drifting from the surface. He could clearly feel that the jade pendant began to disappear little by little, but the process of disappearance was very slow.

At the same time, this jade pendant turned into a shield and firmly wrapped him inside. When he completely entered, it was no longer pitch black inside, but a special world with five colors!

It was completely different from the pitch-black outside. This place looked like a paradise. There were Spirit Medicine and Spirit Tree everywhere. There was also a large pile of Spiritual Springs on the side. Only the water belonged to the Spiritual Springs. Only the trees were all of high quality Spirit Trees, and the grass were of high quality Spirit Grass!

Even a stone was a good material for forging! This could be said to be all treasures. There was no waste or ordinary item.

This scene deeply shocked him. This was Heaven Stealing Divine Land? It really was a divine land, and treasures were everywhere.

“Heaven Stealing Divine Land, do you mean to steal all the energy in the surroundings, and even Old Heaven is stolen to form this treasure land?” Yi Tianyun was shocked.

## Chapter 1098

There were treasures everywhere, and none of them were scraps.

This was equivalent to entering a mountain of gold and silver, and the entire street was filled with treasures.

Even if the air here was absorbed, it felt like it was absorbing extremely dense Star Power, echoing in his body. Just breathing here was ten times more than outside.

This means that just breathing for a day is equivalent to cultivating outside for a month, this gap can be imagined, if you cultivate, doesn't that mean flying?

“This place is really too amazing, worthy of being called Heaven Stealing Divine Land, the nearby world has been stolen...”

Yi Tianyun was still deeply shocked. He had seen many cultivation places, but he had never seen such a heaven-defying existence. When he scanned all the way with his probing eyes, he saw that there was an extremely terrifying power in the end.

There is no doubt that there is an extremely huge and violent core inside Heaven Stealing Divine Land. If it is not a violent core, how can it swallow the surrounding world?

Not to mention devouring the surrounding world, even he was gradually being devoured, but because he was wearing a jade pendant, he was able to survive here.

After coming in, he finally understood what it meant. This place had always been devouring “intruders”. If it was just an external object, it would quickly be devoured and assimilated.

This was the terrifying nature of Heaven Stealing Divine Land. If the jade pendant was gone, the result would be very obvious. It would be devoured. As for what it would become, it was not very clear.

Of course, without this jade pendant, he believed that the horse would not be devoured, and it would also disappear bit by bit. It should be related to cultivation. The stronger it was, even if he did not rely on the jade pendant, he would be able to hold on for a while longer.

Just to be safe, he must have left before the jade pendant disappeared. If he was trapped here, then everything wouldn't be worth it.

Yi Tianyun immediately landed on the ground and walked all the way. The feeling of his feet was no different from the outside. It could be said that it was the same. He reached for a stone. This was a rare Jade Flower Stone. It was a material for making a High Grade Rebirth Level treasure.

When he picked it up, he immediately felt a serious sense of rejection coming from the material, as if he was unwilling to let him touch it. It was as if it came alive, constantly beating his hand, trying to break free from his hand.

“There is such a sense of rejection?” Yi Tianyun felt a bit strange, and immediately put the Jade Flower Stone into his storage ring finger to see if this Jade Flower Stone will break free.

Who knew that he found the storage ring finger, he could not put it in at all, directly stuck outside, completely unable to enter.

“Space repulsion, this place is really strange! This Heaven Stealing Divine Land, it doesn't bring anything out at all.” Yi Tianyun looked around at the treasure materials, no wonder after so long, there are still materials here.

If he can take it away, he will definitely sweep them away, there are so many materials, although some of the grades are not very high, it is not a problem to give it to Star Monarch or Earth Monarch Rank.

In particular, there are so many disciples in God Territory, no matter how many resources there are, it is not enough. If he can take it away, he will definitely take it away. Who knows that he can't take it away. So many treasures can only be seen. This is a pity.

“Let's take it away!”

Yi Tianyun's eyes flashed, the Jade Flower Stone in his hand disappeared in his hand, and he forced it into the inventory. At this time, the Jade Flower Stone is lying in the inventory, and can no longer go out.

No matter how stubborn it is, it can still be taken away by him, this is the wonderful use of the system inventory!

"It seems that it can still be taken away, I thought it can not be taken away." Yi Tianyun's eyes lit up, this means that he can take away a large number of treasures.

Others can't take it away, but he can take it away, the items in his body can be said to be endless.

Immediately after, he took everything he needed. It was useless to let them struggle, so he directly took them in, cut off the connection between them.

"Cool!"

Yi Tianyun felt very comfortable, and easily plundered a lot of treasure materials, but he didn't see everything, just that he thought it was good, if he took everything, it would be crazy.

After roughly looting a pile, he checked his surroundings. There were no cultivators. It was obvious that there were very few people. The jade pendant was the most expensive.

He could feel that this jade pendant was very special. According to the price, it was at least equivalent to a low-grade Heavenly Dao treasure. Using a Lower Grade Heavenly Dao Level treasure to send someone in was a very high price.

Therefore, it was certain that there were few people here. Other than the high price of sending someone in, there was also the restriction to enter. As for what the restriction was, it was not very clear.

"It's almost time to cross the tribulation."

Yi Tianyun felt that now he has time, he can choose to cross the Heavenly Tribulation to break through to the Nine Refinements Earth Monarch level!

"Upgrade to Nine Refinements Earth Monarch level!"

"Ding, deducted experience, congratulations player", successfully broke through to Nine Refinements Earth Monarch level!"

"Boom!"

Soon after, thick clouds began to form in the sky. Although this place devoured everything, it could still form a Heavenly Tribulation. However, when the Heavenly Tribulation appeared, it began to be devoured at a speed visible to the naked eye.

At this time, the Heavenly Tribulation began to get angry. Violent lightning began to fall from the sky, and its power increased rapidly. However, the speed of devouring here was also not just for show. It began to devour at a crazy speed.

Of course, Yi Tianyun suffered, and soon he was hit by the violent Heavenly Lightning. After he resisted, he found that more than half of the Heavenly Lightning had been absorbed, and the rest was completely withstood.

“It seems that it will be easy to break through here!”

Yi Tianyun noticed the problem. This world can devour Heavenly Tribulation, which means that it can help to slow down the power of Heavenly Tribulation. The reason why Nine Refinements Earth Monarch is so rare, if the test of Nine Refinements Earth Monarch is too terrible, it is simply a life-threatening existence.

Of course, the most important thing is that when Nine Refinements Earth Monarch breaks through to Heaven Monarch, it is the most difficult, because Nine Refinements Earth Monarch is terrible enough, and Old Heaven is not willing to accept it.

Therefore, many Eight Refinements Earth Monarchs thought that breaking through to Nine Refinements Earth Monarch was a success, but they did not know that breaking through to Heaven Monarch is the most terrible thing.

If you cross tribulation here, it will be a lot easier, maybe it is still limited, but at least it can be greatly reduced!

“No wonder Elder Gou Huang asked me to break through to the Nine Refinements Earth Monarch level here, this opportunity is indeed not small...” Yi Tianyun’s eyes flashed, this Heaven Stealing Divine Land is really stealing the energy of Heaven, even absorbing the energy of Heavenly Tribulation.

**Become a Patron** read up to chapter 1276! and bonus 5 chapters every month! Good deal right? Help us to reach first goal if you could 😊

Please join **Discord** server so we can talk ^\_^

Chapter 1099

“Boom!”

The Heavenly Tribulation was getting more and more intense. It seemed that it was angered by this Heaven Stealing Divine Land. The Heavenly Lightning was getting stronger. However, Yi Tianyun did not wait for it to continue condensing. He directly rushed forward, wanting to blow up the Heavenly Tribulation with a punch!

Just as he approached, the Heavenly Tribulation was completely enraged. If it was disturbed by external forces, he would be fine. Unexpectedly, the tribulation would dare to break him. In an instant, the Heavenly Lightning turned into several thunder dragons and rushed down crazily, swallowing him.

“Break!”

Yi Tianyun’s eyes flashed with light, and the Crazy Damage Mode exploded. He punched directly, and the whole Heavenly Tribulation was easily blown up. Nothing could withstand his violent power, not even the Heavenly Tribulation.

No matter how powerful the Heavenly Tribulation was, it was actually impossible to be too strong. Under the Crazy Damage Mode, it was directly crushed.

Under his hard attack, the Heavenly Tribulation was easily blown up, and it was no different from before, even weaker than before, without a doubt, this was all thanks to Heaven Stealing Divine Land.

Fortunately, the reward that should be given will still be given. The destructive power of the Heavenly Tribulation began to descend, turning into Star Power that poured into his body, constantly nourishing his body and strengthening his meridians.

This kind of refreshing feeling made him feel very comfortable, this was the feeling he wanted, so he broke the Heavenly Tribulation again and again to obtain the purest energy.

“Finally passed...”

After Yi Tianyun woke up from meditation, the place that was originally damaged by the Heavenly Lightning was quickly repaired, this kind of repair method, even he was speechless.

What a huge life, it could quickly recover the wounds on his body.

Next, he could charge into the Nine Refinements Earth Monarch. This process would not be particularly long, especially with so many resources here. For him, it was not a problem to break through to the Nine Refinements Earth Monarch!

It was very problematic for others, but it was not a problem for him at all. No matter how powerful the Heavenly Tribulation was, could it be as powerful as his own Crazy Damage Mode?

Shortly after, he flew away to see if there was anything else to plunder. Not long after he left, a few people flew over from the side and looked at the area.

“Damn it, he ran away!” The young man frowned.

“Yeah, he crossed the Heavenly Tribulation so quickly? He clearly felt that he was going through the Heavenly Tribulation just now. It hasn’t even been a while, and he has already succeeded?” Another young man asked doubtfully.

“We can only say that we are late, and the other side just passed the tribulation. Otherwise, we will definitely be able to grab the jade pendant of the opponent, so that we can stay here for a while longer.” Another young man felt very regretful.

The three of them were undoubtedly in the same group, and wanted to rob Yi Tianyun’s jade pendant. Fortunately, he left, otherwise it would really be a fierce battle.

“It’s okay, that guy must still be here, let’s split up and look for him!” One of them suggested.

The other two nodded, then quickly disappeared and split up to look for other places.

Yi Tianyun was not aware of the situation here. He flew all the way and saw a lot of treasures. He felt that they were good for him, so he put them into his inventory.

After searching all the way, he saw a special island with a rainbow around it, which looked like a fairyland island.

The key is that there are many cultivators here, he thought there would be fewer people here, but he didn’t expect to see more than a dozen people sitting on this island.

It feels like everyone is gathered here, all of them are meditating here, there is no doubt that the cultivation environment here is excellent, otherwise they will not come here.

There is no treasure here, they can only find a good cultivation place, otherwise they will definitely not gather here.

When Yi Tianyun approached, they all looked over. When they saw a strange face, they looked at his face a few more times. At the same time, the token in Yi Tianyun’s hand flashed, meaning that there are people from Heavenly Spring God Territory!

Only when they met their fellow disciples would they flash and look up. One of them opened his eyes and said, as he got up and walked over.

“Junior brother of the Heavenly Spring God Territory?” The one who walked over was a 5th Layer Heaven Monarch. His cultivation level was quite high and his overall level was astonishing. He was definitely a genius.

This place is also suitable for the cultivation of the Heaven Monarch Realm, so it can still improve a lot. After all, the Star Power here is too strong.

“Yes, I didn’t expect to see senior brother here. How should I address you?” Yi Tianyun saw that the other party is quite friendly, it seems that he is not a cultivator who discriminates against races.

“Just call me Senior Brother Zi Guan. Where is junior brother come from?” He really has a purple crown on his head, calling him Senior Brother Zi Guan is quite interesting.

Heaven Monarch Zi Guan is not a human, but a Phoenix Clan, this is very kind.

“I am Tianyun.” Yi Tianyun introduced himself.

“So it’s Junior Brother Tianyun. I didn’t expect you to come alone. Is there no one else?” Heaven Monarch Zi Guan asked.

“No, Elder Gou Huang asked me to come down myself. He didn’t ask anyone else to come with me.” Yi Tianyun was puzzled, “Is there a problem?”

“Yes!” Heaven Monarch Zi Guan’s face sank as he sent a voice transmission, If I were to go alone, it would be very easy for me to be ambushed. That would be a dead end! Even though I don’t have any evidence, I feel that someone is thinking the same thing. It’s better to be careful if they aren’t from the same God Territory.

“There is such a thing? The elder said there is no problem.” Yi Tianyun frowned, he knew that this will happen, but Elder Gou Huang said there is no need to worry.

“Yes, they did it very secretly, I can only find a little clue, but who it is, I really do not know.” Heaven Monarch Zi Guan said, “The elder said it’s okay, it’s based on the fact that there are people watching. If we act alone, we will be ambushed, but we don’t know who it is. This is the most troublesome thing.”

If we know, we will be punished!

“Fortunately, Senior Brother Zi Guan is here. Other than Senior Brother Zi Guan, there are no other senior brothers?” Yi Tianyun asked.

“Yes, but they are not here. I am cultivating on Divine Dream Island to deduce the future situation.” Heaven Monarch Zi Guan explained, “You just came here, cultivate here, it is still very safe here. No one will dare to attack, especially when there are so many people.”

“Divine Dream Island?” Yi Tianyun looked at the island, and the Investigating Eye immediately showed a message.

Divine Dream Island: Can allow people to enter sleep to cultivate, cultivation speed greatly increases. The main function is to deduce the cultivation method of martial arts

in the future, or the future path of cultivation. The success rate of deduction varies from person to person.

For this explanation, Yi Tianyun was shocked. It is really amazing. This is equivalent to the legendary divine mathematician. It can deduce a little bit of the later life. How can he not be shocked?

## Chapter 1100

This Heaven Stealing Divine Land was truly amazing. To have such a thing was undoubtedly equivalent to a treasure! It could deduce martial arts or even the problem of comprehension.

In other words, if he encountered a bottleneck, he could cultivate here and enter this dreamland state. He could deduce how to break through the bottleneck. This was naturally an astonishing function. No wonder this group of people comprehended it here.

It was not necessarily a bottleneck. It could be a breakthrough in martial arts. It would be difficult to break through when one cultivated it to the upper levels. This Divine Dream Island was undoubtedly a very good choice. If one wanted to enter and develop, it would depend on one's contribution.

Although all the people present are geniuses, geniuses also have a bottleneck; for example, Heaven Monarch Zi Guan has a bottleneck; this is nothing to be ashamed of; if there were no bottleneck, he would have rushed all the way.

Of course, Yi Tianyun does not have a bottleneck; if it is difficult, it is a problem of experience, but the accumulated knowledge is more than enough; there is no bottleneck.

“Yes, this Divine Dream Island is very divine; you can cultivate and comprehend in sleep.” Heaven Monarch Zi Guan pulled him over, smiled, and said, “We don’t have much time. Come and cultivate quickly. We will meet up with the other senior brothers when the cultivation is over.”

Yi Tianyun nodded and sat down to cultivate. Soon, Heaven Monarch Zi Guan entered a state of cultivation. However, Yi Tianyun did not go to sleep immediately but began to draw prizes!

He still had two lottery tickets that he did not use. He took advantage of his free time to see what he could draw this time. He felt that he should still draw duplicates. After all, he had been drawing duplicates recently. He did not feel anything.

Of course, there was no problem with drawing duplicates. After all, this could save a lot of Crazy Points. It was a good choice.

“Lottery draw!”

Following that, a huge lottery wheel appeared in the void and began to spin in front of him. He silently activated his Luck Halo, and a powerful Luck Halo enveloped him. He wanted to see what he could draw.

In the end, the pointer of the lottery wheel stopped at the martial arts category.

“Martial arts?” Yi Tianyun was stunned; this was the first time he had seen this type, but he was still full of expectations.

Then the crystal box fell; he picked it up, opened it, and immediately saw a familiar martial art – Heaven Shaking Divine Art!

[Heaven Shaking Divine Secret Art (Enhanced Version): Lower Grade Rebirth Level Martial Art, can greatly increase his weight and shock the world!]

“Enhanced Version?”

Yi Tianyun was happy. [Heaven Shaking Divine Secret Art] is still very useful and has already reached the maximum level. The previous [Heaven Shaking Divine Secret Art] was only at the Heaven Level, not particularly high.

Now that he has a higher version, he can continue to improve. Under the violent gravity, what will not be crushed by him?

“Very good!”

Although it was repeated, he still felt very happy. After all, he liked this kind of martial arts very much. Thinking carefully, I see he still has fewer martial arts, especially high-level ones.

The previous pile was a waste; the highest level was Heaven Level. Without Rebirth Level Martial Art at the level, it would be hard to look at.

“Again!”

Yi Tianyun once again drew the lottery. The huge lottery wheel continued to spin, and he would be excited every time he got something. After all, this is a brand new lottery

wheel; it can be considered a duplicate, and he can get a higher level. He still thought it was good.

“Ding!”

The pointer of the lottery wheel finally stopped at martial arts! It was still martial arts, which made him laugh. He did not expect what he wanted and what he wanted.

The crystal box fell from the surface and was held in his hand. Looking at the crystal box, he shook his head and smiled, “I hope it can surprise me...”

Then he slowly opened it, and a new martial art appeared in front of his eyes – the Heaven Flying Divine Secret Art!

[Heaven Flying Divine Secret Art: Lower Grade Rebirth Level Martial Art greatly enhances its speed and sensitivity and works best with Heaven Shaking Divine Secret Art.]

Yi Tianyun’s eyes lit up. This Heaven Flying Divine Secret Art can also be matched with the Heaven Flying Divine Secret Art. When using the Heaven Flying Divine Secret Art, due to the increase in weight,

Whether it is speed or skill, it will be greatly reduced.

Now that the Heaven Flying Divine Secret Art can greatly increase speed and skill, it is a perfect match!

He didn’t expect that he would be able to get a good reward in two lottery draws, which made him feel very good.

“Do you want to continue to draw?”

Yi Tianyun looked at the current Crazy Point; there is still much left. He was willing to use it to draw the lottery, but now, he can’t get good martial arts if he doesn’t win the lottery.

Killing others can get good martial arts, but it seems better to draw the lottery unless you get a stronger Heavenly Dao Martial Art; it is a bit funny.

“Forget it; I’ll use it for the time being. I’ll draw the lottery when I need it!”

Yi Tianyun did not continue to draw the lottery. After all, the lottery was a secondary 10,000,000,000 Crazy Point, which was more painful.

When he wanted to meditate and cultivate, he found a shocked look in his eyes. When he turned his head, he first saw not who was looking at him. He found countless light

spots around him, coming to him. Unconsciously, he had several tens of millions of Experience Points in his body!

“What’s going on? So many Star Powers gathered in his body? This is too amazing.”

“This is too strange. We risked our lives to absorb it. He took the initiative to gather Star Powers. What is going on?”

“Could it be that he has some treasure that can attract the Star Powers in the surroundings to cultivate without any effort?”

They were all stunned, and they were even more envious. If they could have this treasure, it would undoubtedly increase their cultivation greatly.

“Junior Brother Tianyun, what is going on? Could it be that the elder gave you some treasure?” Heaven Monarch Zi Guan was shocked; the light covered Yi Tianyun; how could he not be surprised?

“This...”

Yi Tianyun remembered that his Luck Halo was not closed. It was Luck Halo that caused the surrounding Star Power to gather.

He did not expect Luck Halo to be able to guide the surrounding Star Power, which shocked him.

He immediately stopped Luck Halo. Just as he stopped, the surrounding light spots quickly disappeared, but there were still some that slowly gathered, just not as terrifying as before.

“Prestige Points is high, and you can also attract this Star Power?”

Yi Tianyun immediately knew that it was not only Luck Halo that attracted Star Power but also these Prestige Points!
