

CRAZY PLEASURE

Chapter 10 Holy Sh*t!

She stepped off her heels and sat right on my lap, washing me with soap in the water and rubbing her body against me.

As our hands rubbed all over our bodies, we made out. As I squeezed and groped her amazing b**bs, I couldn't take my hands off them.

"I hope you like them; they were quite crazy expensive," she said, cradling my head as if she were feeding me milk. "They're fantastic," I said.

Damilola then rose to her feet, and I felt her hand on my c*ck. I wondered what she was up to, and before I could object, she sat down, her c*nt engulfing my d*ck.

"Oh f*ck!! That is enormous and feels really big!!" She

screamed, my d*ck buried to the bone in her. Her c*nt had a firm grip on my c*ck.

The quick motion was too much for me, and I pumped her full of the massive amount of sperm that had been building up in my balls in an instant.

"You bad ass bi*tc*h!" I grunted and shuddered in delight. "I just had to feel that big c*ck inside of me at least once," she apologized, throwing her head back in delight.

"I can still feel it shooting inside of me," she moaned. I couldn't believe how much sperm I'd unloaded inside of her; I guess it was all part of the teasing.

I couldn't believe I was still hard on. She began to move up and down on me, with my hard c*ck still embedded in her.

"Oh yeah, I see why Tolu doesn't want to share you," she said, her thrust increasing.

The water was splattering all over us. Her c*nt squeezing my c*ck felt incredible, and for a split second I let my hands latch onto her butt and began meeting her thrust.

However, I soon felt guilty and grabbed her and pushed her away. "I'm out of here," I said as I stepped out of the hot tub. I noticed her staring at me. "That wasn't the deal; you won't be able to leave until tomorrow."

She was enraged. "Screwing you wasn't the deal either, rendering our original agreement null and void." I retaliated by gathering my clothes.

"I'll make sure you go to prison if you walk out that door," she said evilly. "Why? "You already have what

you wanted." "No, I'm not finished with you yet," she said as she approached the edge of the Jacuzzi and wrapped her arms around my neck, pulling me back in.

I exhaled a sigh. "Fine, but you're not allowed to put my c*ck in your c*nt any longer, understand?" Back in, I said, climbing. "Oh, don't worry, I won't," she mocked.

I sat back down and watched as she climbed back into my lap. She grabbed the back of my head and led me back to her breast.

Of course, I couldn't resist and started sucking on her voluptuous boobs, giving her nipples teasing bites at regular intervals.

"That's it, baby, just keep your mouth on those and relax." "Forget about Tolu and concentrate on me,"

she said, taking my right hand and guiding it to her c*nt, forcing me to finger her.

She reached back and stroked my c*ck in the cleft of her ass. I couldn't help but love it and unintentionally bucked my hips against her.

She drew my head out of her breast and began kissing me while still stroking my d*ck. I then felt her pushing my c*ck deeper into the crack of her ass, and that's when I noticed something opening around the head of my c*ck.

I knew it wasn't her c*nt because it was so tight. 'Holy sh*t!!' I exclaimed. 'She was putting my c*ck insider her ass!!'

I had never done anal before, so this was all new to me, and while I wanted to let her continue, I felt compelled to intervene. "What the hell are you doing,

Damilola?" This is not the right thing to do" I said, putting a stop to her dissension down my c*ck.

"Shhh," she said, forcing herself down, more of my shaft getting an inch or two inside her.

The pressure on my c*ck was intense, and it felt like the head of my c*ck was about to pop open, but it felt incredible.

Damilola must have felt the same way, because her eyes were closed and her mouth was slightly open.

About 10% of me wanted to stop her, but the feeling was too good to fight. I couldn't help but lean back in the tub and let this vixen Bleep her ass on my c*ck.

I closed my eyes as her buttohole engulfed me from head to toe. Constant warm, soft, wet pleasure encircled my entire c*ck, and I relished every moment

of it.

"See what you get when you just let me have my way, you get to screw my tight little ass hole," she said as she began to ride my dick.

"Besides, I followed your instructions.

She laughed, "I didn't put your c*ck back in my c*nt." "You f*cking b*tch," I grunted in response to her thrusts, unconsciously attempting to split her in half.

"But you like this ass, don't you?" "You like shoving that big f*cking c*ck in my tight little ass," she purred, encouraging me. "This ass now belongs to you, baby."

"You can shove that big fat c*ck in me whenever you want," she said right before kissing me hard and shoving her tongue into my mouth. She then

screamed angrily and began thrashing on me. I could tell she was having a good time.

She stood up and let my c*ck slide out of her now-expanded ass hole as it subsided. Her legs were too weak to get up and walk out of the hot tub. "Wow, you really wore me out," she laughed as she rested against me.

"Take me to the bed," she said, her arms around my neck. I moved my arms and legs under her back, lifting her and standing up. I stepped out of the Jacuzzi and walked over to the bed, gently placing her on it.
