

CRAZY PLEASURE

Chapter 21 Hot & Tight: Cousins In a Room 6

Sometime in the night I woke up thinking Aunt Julie was in bed with me rubbing my dick to find Helen still in bed next to me and her leg was resting on my hard dick and every little bit, she moved her leg down and back up, then just let it rest there for a few minutes before she repeated the same leg movement again.

Sometime in the night I woke up thinking Aunt Julie was in bed with me rubbing my dick to find Helen still in bed next to me and her leg was resting on my hard dick and every little bit, she moved her leg down and back up, then just let it rest there for a few minutes before she repeated the same leg movement again.

I could feel Helen's tits pressing into my chest and side with my arm still around her with my hand on her sexy round butt. She had her head resting on my shoulder which I was able to smell her hair that smelled like Violets.

The next time I woke up I felt movement, which is what woke me up. Helen had lifted her head and when I opened my eyes she was looking at me, "Good morning handsome. I hope you slept well like I did."

"Yes I slept pretty well really."

"I see that someone is awake long before I was even." reaching down with her hand as she moved her leg off to my side and started stroking my hard dick with her hand.

"You kept him awake all night I believe, with your leg rubbing him every few minutes through the night."

"Oh I'm sorry. I didn't know I was doing that. I do know how good it feels though." then she rose up and put her leg over me to straddle me, then she

guided my dick into her pussy with her hand and then she slowly set down on me, sliding my dick into her beautiful pussy.

"Oh god baby, your pussy feels so damn good."

"Your cock feels so good in my pussy I just couldn't let you out of bed before putting your cock in my pussy. I'm so wet for your cock that I have to have it before we go and eat breakfast."

"Your pussy is so fucking hot and tight that I'm not going to last very long before it lets loose of my cum and fills you up again." reaching up and squeezing her tits with my hands as she rode my dick.

"Good, I want you to cum in my pussy and fill it up. That is why I'm fucking you right now." using her hands for balance on my chest as she bounced up and down at a steady speed that wasn't real slow or very fast.

Without realizing it I was flexing my hips to match her up and down strokes. What made me notice that I was pushing into her pussy when she was on the down stroke was when she moaned out, "Yes baby, fuck me, just like that."

"Oh fuck me baby, I'm going to cum in your tight pussy. Oh there it is sexy." just as the first rope of cum shot out of my dick into Helen's pussy.

"Yes baby fill my pussy up with your cum." as she speeded up and then I felt her pussy muscles squeeze my dick as the second rope of cum shot out of my cock, "I feel your cum baby. I'm cumming too. Fuck you made me cum already." as she dropped all of her weight down on me forcing my dick into her pussy as far as we could get it with me pushing up into her pussy.

When the two of us finally quit cumming, she lay over on top of me and

rested her head on my chest. I could feel her hard nipples poking into my lower chest while she lay over on me.

When we finally got our breath back, "Oh baby I love having your cum end cock in my pussy. For me there is nothing like a quickie to get the day started off right. This way later, whether with me or mom, you should last longer as well, when we'll want more than a quickie. It will more than likely be mom that you'll be in bed with instead of me, since I'm going with Aunt Kendy shopping."

"Oh? Is this shopping trip for you or for my mom?"

"Oh? Is this shopping trip for you or for my mom?"

Looking into my eyes, "It's for both of us. Your mom needs some sexy clothes and I need to get something sexy to wear just for you myself."

"You had on really sexy clothes yesterday evening. I do admit that mom needs to wear sexy clothes too, instead of those big baggy clothes that she always wears."

"What is the least amount of clothing have you seen your mom in, that is really sexy looking?"

"It's a toss-up between a one piece bathing suit and a summer dress that stopped three inches above her knees. Other than that all she wears around the house is baggy shorts with legs covering half of her thighs or more."

"Well today that is all going to stop and she's going to start wearing sexy clothing so she can start feeling beautiful and sexy again."

"I just wish she would start feeling better about herself and even talk to me more than she does. You know it smells like someone has or is, fixing breakfast and I need to use the restroom before I go in and eat some of that good cooking I smell."

"I need to use it too now that you mention it. Let's go to the bathroom together then we can go to the kitchen together. I want us to spend as much time together before your mom and I leave to go shopping."

"I better grab me a pair of shorts or boxers right quick." as I slid over to the edge of the bed.

"Why? Mom and I all ways eat breakfast in the nude so why should you?"

"My mom Julie not like the idea of me being nude in front of her and others." as Helen took my hand and led me through the door leading to her restroom.

"I bet when we get to the kitchen she'll be as nude as we are right now if I know my mom like I do."

"And what happens if I get a hard-on seeing your mom and my mom nude for the first time. Hell, just thinking about it is making my dick hard." Helen walked around till I had my back to the toilet not letting me turn around to face the toilet.

"Mmm, I would love to sit on your cock while we eat breakfast. I would say it'll be the best seat in the house if you ask me. Now sit down and spread your legs out so I can sit down on the toilet with you."

As I sat down and with my growing dick from thinking about mom and Aunt Julie being nude in the kitchen, "I don't know about that but I'm not going

to go find a hard dick to sit on just to test your thought and that is for sure." I noticed my dick was sticking upward and before I could even try to push it down for me to pee, Helen straddled my legs and started sitting down with her butt on the toilet seat ring and her legs dropped over my legs, while pushing my hard dick down with her hand.

"Oh? Is this shopping trip for you or for my mom?"

with her butt on the toilet seat ring and her legs draped over my legs, while pushing my hard dick down with her hand.

"Good I'm glad for that. Now mom and Aunt Kandy Julie want to test it out to see if I'm right or not." sliding close enough for her pussy and butt to cover my hard dick and removing her hand from between us, "Now pee for me baby."

"Good I'm glad for that. Now mom and Aunt Kandy Julie want to test it out to see if I'm right or not." sliding close enough for her pussy and butt to cover my hard dick and removing her hand from between us, "Now pee for me baby."

"That might take me a little bit to get started since it's the first time a sexy woman has ever been in the bathroom at the same time I'm trying to pee."

"If you don't start pretty quick I'll pee all over your cock."

"Go ahead. My dick needs to be washed off anyway." then I felt the warm yellow stream of Helen's pee start flowing over my hard dick causing me to start peeing as well.

"Oh fuck me baby. Your cock is liberating on my clit as you're peeing." I could feel the back side of my thighs being splattered due to Helen peeing on my hard cock.

"This is a first for me sexy. I must say though, it sure feels good."

When both Helen and I finished peeing Helen lifted herself up some making me think she was done peeing but then she took a hold of my hard cock and stuck it into her wet tight pussy as she sat back down with my dick in her pussy, "Oh yes baby, your big hard ass cock feels so damn good stuck up in my pussy. I'm so close to cumming from just having your cock vibrate on my

clit like that." then Helen started lifting up then sliding down on my dick.

"Helen, Roger, breakfast is ready to eat. You two better come on in and get it." we heard Aunt Julie call from the kitchen doorway.

"Oh darn. Sorry about not being able to finish us off." Helen said as she stood up, "Here we better clean your cock off before we head to the kitchen." getting the water adjusted in the sink as I stood up and flushed the toilet.

Helen had lathered up her hands with soap and started rubbing them all over my hard dick till she had my dick washed, then she started rinsing the soap off with a wet washrag. When Helen finished washing and rinsing my hard dick off, she took a towel and dried my dick off then dried her hands off and as she hung the towel back up, "Your all cleaned up for breakfast now." taking my hand and leading the way toward the kitchen.

Stepping into the kitchen with Helen holding my hand I saw mom and Aunt Julie sitting at the table putting syrup over their pancakes and both women were nude as the day they were born, as Helen and I are.

"Mmm, Kandy doesn't that look good enough to eat there too."

Mom's mouth just dropped open for a moment before she uttered a sound, "Uh uh... That... is... Julie! That is my son! I don't ... think he wants... me to lo... look at his package like that."

"Go ahead mom because I must say you look sexy as all get out setting there in the nude like that. I'm going to have a hard time keeping my eyes off of you your so sexy and hot looking. I wish I could've seen you look this good every morning a long time ago. I'm going to enjoy looking at you, Aunt Julie, and at Helen, with the three of you looking so sexy hot, so go ahead and

look all you want to at me too."

"Good I'm glad for that. Now mom and Aunt Kandy Julie want to test it out to see if I'm right or not." sliding close enough for her pussy and butt to cover my hard dick and removing her hand from between us, "Now pee for me baby."
