Once we were in the bedroom Aunt Julie turned me around to face her and started kissing me in another French kiss with me returning the kiss as well and she started pushing on me causing me to back up and when I got to the bed I fell back onto the bed on my back with Julie on top of me and it did cause us to break our kissing off, "Now I finally get you where I've wanted you for so long myself."

"Really? I've wanted you for quite some time now. Why didn't you let me know that you wanted me before?"

"For one you were too young back then and too, I didn't know if you would want me being as old as I am."

"Hay, you're not old. You are a sexy beautiful hot woman that deserves to have the best that money can offer you. You also deserve to have a man that loves you for who you are and what you are and not for what you're not and for whom you're not."

"You are such a sweet talker for sure." then we kissed again with her rubbing my dick and I started squeezing her tits and lightly pinching her nipples.

After we kissed for a little bit, Julie kissed her way down my chest and stomach to my hard dick and she then looked at my cock and then looked back up at me, "Mm, I've found something here that I hope is all mine for now."

"Oh yes baby, it is for you to do as you please with it right now."

She then sucked my dick into her mouth and I felt her tongue licking around my cock shaft and as she backed off of my cock she licked the head of my dick, "Mm, you taste so good. I had a good feeling your cock would taste good and it does taste good too." then sucking my cock back into her mouth.

"Oh god Aunt Julie, that feels so fucking good. You keep that up and I'll be cumming in no time at all."

"You like that do you? Wait till what we do next. You're going to really like what we do next." as she crawled back up over me with her legs on each side of me.

"I'll let you have a taste of me another time but right now, I need your cock in me so that you can fill my pussy up with your hot cum, before I let you fell my belly up through my mouth." as she took a hold of my cock and lined it up with her pussy.

When Aunt Julie had my dick lined up with her pussy she slowly sat down on me sliding my dick up into her pussy as she sat down.

Once Julie was sitting all the way down on me with my cock stuffed up into her pussy she just sat there, "Oh fuck me baby. Your cock is so much bigger than my ex's dick ever was. His puny little dick has a long way to go to be as big as your rod is. You are deeper than him or any other man has ever been in my pussy. Helen and I will have a fight on our hands keeping the girls and women off of you so we can have you all to ourselves if they ever find out how big your cock is. You better not go around flashing this bad boy around at the women around here. I cannot believe that little gold digger couldn't learn to love a beautiful cock like you have here." then Julie went to slowly sliding up and down my cock.

"Oh fuck Aunt Julie; your pussy is so fucking tight and wet."

"It's wet because it's been wanting your big beautiful cock in it for so long now. It is so tight is because you're so fucking big, just the way I love a cock to be."

Once we were in the bedroom Aunt Julie turned me around to face her and started kissing me in another French kiss with me returning the kiss as well and she started pushing on me causing me to back up and when I got to the bed I fell back onto the bed on my back with Julie on top of me and it did cause us to break our kissing off, "Now I finally get you where I've wanted you for so long myself."

"I love e tight wet hot pussy like yours is. I've never hed such e tight pussy es yours end Helen's is. I cen see now that I've been fucking the wrong holes till lest night."

"Is Helen's pussy tighter then my pussy is?"

"No, ectually the tightness on you end her ere the seme end it feels demn good too."

"So our pussy"s is like mother like deughter is it?"

"Yes in every wey except I'm not sure about the teste yet though."

"I'll let you find out more on thet et enother time. Right now I need e good fucking so now fuck me beby."

Julie then speeded up with her sliding up end down on my cock till she wes pumping my cock in end out of her pussy es fest es she could.

After e few strokes she set down end her pussy muscles squeezed my dick

pretty tight end she just set there riding out her orgesm.

I kept flexing my hips but it didn't feel like my dick wes sliding in end out of Julie"s pussy with her siting down on me, with ell of her weight on me. After e little bit she celmed down some end leid over on me trying to cetch her breeth, "Oh fuck me beby, I"ve never hed such e big cock in my pussy before end the wey you mede me cum just then... Fuck, I"ve never cum so demn much in my life before."

"Good I"m gled that I wes eble to meke you cum."

"Now I need to meke you cum beby."

"I think you need to cum e couple of more times myself Aunt Julie."

"Yes it would be nice to cum e couple of more times but you need to cum too."

"After you cum some more." then I used my hends to lift Aunt Julie"s ess up end slide her beck down on my dick.

"Oh fuck me beby, you feel so demn good. It feels so demn good heving your cock in my pussy. I would"ve fucked you lest night hed I known your cock is so demn big end that it feels so fucking good in my pussy too." then she went to lifting end sitting beck down on my dick picking up speed es she sterted fucking me egein, end then she set up end sterted riding me like she hed done e moment ego.

Agein Aunt Julie rod me into enother orgesm which I felt her pussy muscles squeeze my dick tight egein end she set down on me egein with ell of her weight end her pussy muscles squeezing end releesing the grip on my cock instead of just keeping e steady squeeze on it like she did the first time.

When Aunt Julie calmed down some she laid over on me again trying to catch her breath again and after just lying there for a little bit she started kissing me with me kissing her back then when she broke the kissing off, "I want you to fuck me from behind now baby. That way we both can get off easier Julie be."

Aunt Julie then rose up and let my hard cock slip out of her pussy before she lay over on the bed beside me and when I moved and got up on my knees, she rolled over and got on all fours sticking her ass up towards me and gave it a shake from side to side, while looking over her shoulder at me, "Do you like my ass baby?"

"I love your ass Aunt Julie. You have a soft hard ass and with it being round like it is I'm going to be hard all the time just knowing how sexy hot your ass really is." as I took a hold of her ass cheeks with both hands and gave those sexy cheeks a squeeze just before lining my cock up with her pussy and sticking my cock in her pussy, all the way to the hilt.

"I love a tight wet hot pussy like yours is. I've never had such a tight pussy as yours and Helen's is. I can see now that I've been fucking the wrong holes till last night."

"Is Helen's pussy tighter than my pussy is?"

"No, actually the tightness on you and her are the same and it feels damn good too."

"So our pussy's is like mother like daughter is it?"

"Yes in every way except I'm not sure about the taste yet though."

"I'll let you find out more on that at another time. Right now I need a good fucking so now fuck me baby."

Julie then speeded up with her sliding up and down on my cock till she was pumping my cock in and out of her pussy as fast as she could.

After a few strokes she sat down and her pussy muscles squeezed my dick pretty tight and she just sat there riding out her orgasm.

I kept flexing my hips but it didn't feel like my dick was sliding in and out of Julie's pussy with her sitting down on me, with all of her weight on me. After a little bit she calmed down some and laid over on me trying to catch her breath, "Oh fuck me baby, I've never had such a big cock in my pussy before and the way you made me cum just then... Fuck, I've never cum so damn much in my life before."

"Good I'm glad that I was able to make you cum."

"Now I need to make you cum baby."

"I think you need to cum a couple of more times myself Aunt Julie."

"Yes it would be nice to cum a couple of more times but you need to cum too."

"After you cum some more." then I used my hands to lift Aunt Julie's ass up and slide her back down on my dick.

"Oh fuck me baby, you feel so damn good. It feels so damn good having your cock in my pussy. I would've fucked you last night had I known your cock is so damn big and that it feels so fucking good in my pussy too." then she went to lifting and sitting back down on my dick picking up speed as she

started fucking me again, and then she sat up and started riding me like she had done a moment ago.

Again Aunt Julie rode me into another orgasm which I felt her pussy muscles squeeze my dick tight again and she sat down on me again with all of her weight and her pussy muscles squeezing and releasing the grip on my cock instead of just keeping a steady squeeze on it like she did the first time.

When Aunt Julie calmed down some she laid over on me again trying to catch her breath again and after just lying there for a little bit she started kissing me with me kissing her back then when she broke the kissing off, "I want you to fuck me from behind now baby. That way we both can get off easier Julie be."

Aunt Julie then rose up and let my hard cock slip out of her pussy before she lay over on the bed beside me and when I moved and got up on my knees, she rolled over and got on all fours sticking her ass up towards me and gave it a shake from side to side, while looking over her shoulder at me, "Do you like my ass baby?"

"I love your ass Aunt Julie. You have a soft hard ass and with it being round like it is I'm going to be hard all the time just knowing how sexy hot your ass really is." as I took a hold of her ass cheeks with both hands and gave those sexy cheeks a squeeze just before lining my cock up with her pussy and sticking my cock in her pussy, all the way to the hilt.

"I love a tight wet hot pussy like yours is. I've never had such a tight pussy as yours and Helen's is. I can see now that I've been fucking the wrong holes till last night."

"Oh fuck baby. Now fuck me the way you stuck that fuck rod into my pussy just then."

"Oh fuck boby. Now fuck me the way you stuck that fuck rod into my pussy just then."

I pulled all the way out and realigned my cock with her pussy and pushed it back in all the way again and then pulled out till just the head was left in her pussy and pushed back with just a little bit more force that time. After a few more times of fucking Aunt Julie that way, I then speeded up and kept fucking her with more force as I fucked her pussy.

As I speeded up and adding a little bit more force to the in stroke, "Yes that's it boby, fuck me with that big ass fuck rod of yours, like I've never been fucked before boby. Oh fuck, I'm fucking cumming again boby, keep fucking me, don't fucking stop fucking me. Oh fuck you make me cum so damn much boby. I've never cum this much before in my fucking life." I felt cum squishing out of her pussy from around my cock as I kept fucking her as hard and fast as I could and in no time at all I felt her juices dripping off of my balls, they were so damn wet from her juices.

I was able to keep fucking Aunt Julie's pussy as she was cumming all over my dick and with her pussy muscles squeezing my dick, as I kept fucking her was bringing me closer to cumming as well.

"Oh fuck, I'm still fucking cumming boby. I can't stop cumming as long as you keep fucking me like that boby."

"I'm about to cum too Aunt Julie."

"Let it go and cum in my pussy boby. I need to feel your boby making better filling my pussy up. I need to feel your hot cum coating my pussy walls boby. Don't stop till all of your cum is in my pussy boby."

With Aunt Julie talking like that, I couldn't hold back any longer and had to let go and start pumping my cum into her pussy. I felt the first rope of cum shoot into her pussy with so much force I thought it just might shoot out of her mouth, "Oh fuck Aunt Julie, there it is. I'm fucking cumming baby, all in your hot tight fucking pussy." then pushing my cock into her pussy as for as I can get it with Julie pushing back into me, to help get my dick in as for as we can into her wet tight pussy.

When I finally quit cumming I leaned over and fell onto Aunt Julie's back and she fell down onto the bed and I could still feel her pussy muscles squeeze and release my cock like it is still trying to milk every last drop of cum out of my dick and balls. I kissed around on her back, shoulders, and neck, keeping most of my weight on my elbows and reaching under her and squeezing her tits with her nipples in the palm of my hand, giving those hard nubs a light pinch with each squeeze of her tits.

I didn't notice till I finally went soft and my cock fell out of her pussy and I rolled over onto the bed beside Aunt Julie, that she had a pillow under her, which kept her elevated when we fell to the bed and just laid there and she still laid on the pillow, after I rolled over and lay beside her on the bed, "Are you trying to make me a dad?"

"Would that bother you if I was?"

"Oh fuck baby. Now fuck me the way you stuck that fuck rod into my pussy just then."
