Chapter 35: Not a

At the end, I want you to vote by commenting the name of the celeb you'd like. The one with the most votes will be chosen as Aarav's love interest. If you want someone outside the age group, feel free to suggest that female as well. I just need help selecting Aarav's love interest.

As I Myself am a Noob in Romantic Life, with 0 experience and a single boy forever so please vote a girls name using the power of your imagination and please do this.

I want to cry because I am unable to select any lead.

Here are some leads, which I generated from ChatGPT so you could even choose from here too.
