

## **D Emperor 1461**

### Chapter 1461: Soul Swing

At this time, Xu Long suddenly exploded the atmosphere of Wuhuang Sizhong. Although it was only the early stage of Wuhuang Sizhong, with his powerful fighting ability, he finally competed with the Feng family.

"Have you hidden your cultivation base?"

In Lu Ming's eyes, a ray of light flashed.

Xu Long had been concealing cultivation behavior before, and was forced to help at this time before being exposed.

The outbreak of Xu Long shocked the Feng family.

Feng Yiguang was cold and said, "Boy, I'll kill you first, I'm trying to deal with other people, die!"

Feng Yi's claws were dark, and he snatched towards Landing.

boom!

Lu Ming threw a punch directly, hitting Feng Yi's claws, with a click, Feng Yi's claws were twisted and deformed, and his hand bones were crushed by Lu Ming's boxing.

Feng Yi screamed terribly.

boom!

Lu Ming punched again, blasted on Feng Yi's Dantian, terrible power erupted, and suddenly destroyed Feng Yi's Dantian, Feng Yi's figure, like a broken kite, flew a few hundred meters, Crushed a small hill, no breath at all.

Although Feng Yixiu is the second peak of the Emperor Wu, there is still a big gap in the combat power with the disciples of Longshen Valley. Not to mention, compared with Tian Yu, such as He Yu and Wang Xiao, in Lu Ming's hands, There is no resistance at all.

"Yier!"

The head of the Feng family shouted, and a violent murderous opportunity broke out.

"Kill the kid for me!"

The housekeeper Feng shouted.

"Boy, die for me!"

An old man who had been besieging Duan Yan and Fu Xing rushed to the landing.

The inky palm print, with a stench, roared towards the landing.

"kill!"

Lu Ming's eyes were bright, the chaotic realm covered the whole body, and he performed the jail-killing skills, and punched out with one punch.

Fisting force passed by, and the stench was swept away.

bump!

The fist intersects with the palm, bursting out of shock.

Then the old man groaned, his body trembling, and Lu Mingzhen flew out. He was in the air, and there was blood in his mouth.

Uh!

Lu Ming rushed towards the opponent, slamming his fists, dozens of punches, and drowned towards the opponent.

The other party roared loudly, struggling to resist, but under Lu Ming's fist like a storm, he seemed vulnerable.

When the fist dissipated, the old man was also torn apart.

A triple-strong Wu Huang was instantly killed by Lu Ming, which shocked everyone in the scene.

"This Lu Ming is really so strong!"

Duan Yan and Fu Xing's eyes flashed, they didn't know what thoughts were turning.

"Brother Lu Ming, come and help me, kill this person!"

At this time, Xu Long shouted.

"it is good!"

Lu Ming nodded, his figure moved, and rushed towards the battlefield between Xu Long and the head of the Feng family.

boom!

A punch came out, the void buzzed, and the terrible punching force blasted towards the Feng Family Master.

The head of the Feng family confronted Lu Ming with a trick, his body shivered, and then took a step back.

"Wuhuang is so important, why is he so strong, this man is the peerless arrogance of Dragon God Valley!"

A horror flashed in the eyes of the Feng family.

"kill!"

Xu Long also launched a fierce attack. Under the joint attack of Lu Ming and Xu Long, the Feng family head fell into the disadvantage.

Jingle Bell!

At this time, above the head of the Feng family, a black bell floated out, and the sound of a tinkling bell sounded.

An invisible wave spread out, suddenly, Lu Ming felt the spirit tremble slightly, and was attacked by an invisible force.

The sound of this bell can actually attack the spirit god. To be precise, it attacks the soul in the spirit god.

However, Lu Ming's soul is so powerful. Moreover, the spirit \*\*\*\* is wearing a jade armor. At this time, the jade armor exudes a layer of light, covering the spirit god.

Xu Long on the other side changed his face, his body shook, and his face became pale.

"Kill, kill!"

Master Feng took the opportunity to launch a fierce attack on Lu Ming and Xu Long.

Lu Ming threw out two punches, blocking the opponent's attack, but Xu Long shuddered, and a trace of blood spilled from the corner of his mouth.

"Brother Lu Ming, you block this person first, I will help Sister Duan Yan they killed those people, then come to help you!"

At this moment, Xu Long shouted and actually retreated, leaving the Feng family owner to Lu Ming alone, and let Lu Ming alone to be exposed to the Feng family owner's attack.

"Haha, it seems that your disciples of Dragon Valley are also intriguing, so you die first!"

Master Feng sneered, the bells on top of his head, the sound of jingle bells, a wave of invisible waves, rushing towards the landing sound, while the palm of his hand was as dark as black, emitting a disgusting smell, and slamming towards the landing sound.

Lu Ming passed a glimmer of cold light in his eyes, but without saying much, Zhen Yuan broke out and fought with the other party.

In an instant, Lu Ming fought dozens of moves with the other party.

"Damn, my soul-dangling bell, why is it useless to this kid, and this kid's combat power is too strong."

The more he fought, the more terrified the Feng family head.

No matter what method he uses, Lu Ming can't help but Lu Ming is like a rock in the sea, standing still.

On the other side, Xu Long rushed to the battlefield of Duan Yan and others, with his four emperors' Wuxi cultivation practice and strong fighting power, he took full advantage.

After a while, he cut three old men in a row, and the situation completely reversed.

Uh! Uh! Uh!

In Xu Long's hand, a sword of warfare flew like a dragon, the sword was amazing, Duan Yan, Fu Xing cooperated with Xu Long, and the attack was like a storm, pouring down towards the remaining four old men.

puff!

Another old man was split in half by Xu Long's battle sword.

The remaining three are not even the opponents of Xu Long.

"go!"

The remaining three people, no longer interested, wanted to escape, but Xu Long each one of them, entangled them.

Soon, the one who fought against Xu Long was also beheaded by Xu Long.

The remaining two old men were successively killed by Xu Long.

At the scene, only the head of the Feng family was left.

"Damn, how could this be?"

The head of the Feng family roared.

This time the fighting power of the people from Dragon Valley is beyond his imagination.

With his request for help from Longshen Valley, the difficulty of the mission should not come to the disciples of Wuhuang Quadruple Dragons and Gods Valley, but I did not expect that one of Xu Long actually concealed the cultivation practice, and his cultivation practice is Wuhuang's fourfold .

And Lu Ming, the fighting power is even more amazing, Emperor Wu Emperor's weight, can actually block him.

Moreover, his strategy was seen by Lu Ming, and Lu Ming did not step into the big formation, which led to the current situation.

"Damn it, fight!"

A fierce color flashed in the eyes of the Feng family head, a mouthful of blood, sprayed on the bell above the head, so that the bell radiated a layer of blood, the jingle bell rang, the power was even stronger.

An invisible force surged towards the landing, attacking his spirit, but they were all blocked by the jade armor.

At this time, Xu Long, Duan Yan, and Fu Xing were standing aside, but did not come to help Lu Ming.

"Brother Xu Long, please come to help, we will kill this person together!"

Lu Ming screamed.

Chapter 1462: Who pits who

But Xu Long was indifferent, and there was a sneer in the corner of his mouth, saying: "Brother Lu Ming, you first entered the Dragon Valley, although your talent is amazing, but after all, the combat experience is insufficient, and you need to hone a lot. , We'll do it for you!"

"Sure enough, there is a problem!"

Lu Ming's heart moved, and there was a cold light in his eyes.

He originally thought that Duan Yan and Fu Xing had problems, but now it seems that Xu Long also has problems.

At the beginning, Xu Long's hidden practice was unpredictable, but now, Lu Ming is alone to deal with the Feng family head. This is clearly to want to borrow a knife to kill people and use the Feng family head to deal with Lu Ming.

The head of the Feng family naturally saw the problem between Lu Ming and others. He seized the opportunity and launched a stormy attack on Lu Ming, mainly killing Lu Ming. He still had a chance.

"Several brothers, I can't stop it!"

Lu Ming yelled, and gave a glance to the head of the Feng family, his figure retreated deliberately, and retreated to Xu Long and others.

Jingle Bell!

The master of the Feng family chased Lu Ming closely, the soul-singing bell vibrated, and the invisible fluctuations enveloped Xu Long and three others.

"hateful!"

The three Xu Long were angry, but in desperation, they could only resist.

"Thank you all for helping me!"

Lu Ming smiled coldly, making Xu Long's face blue.

Jingle Bell!

The sound made by the bells made Xu Long and the three people pale, and it was obvious that the spirit \*\*\*\* had been attacked and even traumatized.

"Brother Xu Long, you must win the other party as soon as possible!"

Duan Yandao.

Continue to do this, their souls will suffer a lot of injuries, the physical injuries are easy to repair, but the injuries of the soul, it is difficult to recover, the kind of elixir that can repair the soul is amazingly high in value.

"Full shot!"

Xu Longdao.

Uh! Uh! Uh!

The dazzling sword light bloomed from Xu Long's hands and attacked the Feng family.

Duan Yan and Fu Xing are fully cooperating with Xu Long.

At this time, Lu Ming deliberately wandered beside the Feng family, and occasionally made a move.

"Brother Lu Ming, what are you doing? You haven't fully attacked and won this person?"

Xu Long shouted.

"No, I just resisted by myself just now, my vitality was hurt, my energy was weak, and I had no energy. I need to recover slowly!"

Lu Ming made a fuss about it.

Xu Long's face was ugly, knowing that Lu Ming was retaliating and they didn't shoot.

Lu Ming didn't help, and Xu Long and the three of them couldn't win the Feng family at one time. With the passage of time, the three of them became more and more white, and obviously their souls were not hurt.

This kind of soul injury cannot be healed without cultivation for several years.

"Damn!"

Xu Long, Duan Yan and Fu Xing roared in their hearts, and they all blamed Lu Ming. If Lu Ming cooperated with them, he would fight with all his strength. With the fighting power of Lu Ming, he had already won the head of the Feng family. How could their soul be hurt? ?

In a blink of an eye, dozens of moves passed.

"about there!"

A smile flickered at the corner of Lu Ming's mouth, and the black wings behind him suddenly appeared, slashing out.

bump!

The black feather wings are the holy soldiers. How did the Feng family master resist it? They were swept away by the black wings directly, fell to the ground, and spit blood.

Uh!

Lu Ming flashed his body, appeared in front of the Feng family head, and patted nine palms on the Feng family head in succession, sealing off the true element of the Feng family head.

The master of the Feng family suddenly collapsed on the ground.

"Holy soldier!"

Xu Long, Duan Yan, Fu Xing's eyes showed fear.

"Lu Ming, since you have a Paladin, why not use it early!"

Duan Yan stared at Naruto, crying.

"Do you think the Paladin can use it if he wants to use it? It is very costly. I just resisted the Feng family head by myself, and spent too much real money. I just recovered a little bit!"

Lu Ming explained at random.

However, Lu Ming's eyes were bright and his breath was stable. Wherever there was a lack of truth, it was plain nonsense.

But just now they did not help Lu Ming. Lu Ming said this, they really can't refute it, and they can't tell.

Deep in Xu Long's eyes, a flash of cold light flashed, and then a smile appeared, saying: "I believe that Brother Lu Ming has put out all his strength. Now that the Master Feng has won it, we ask him why he wants to kill us! "

After speaking, several people walked to the front of the Feng family.

"Old guy, why do you want to kill us? Without telling the truth, I will be more cramped than peeling, so you can't beg for death!"

Duan Yanyin's fierce opening made his eyes resentful.

Her soul was injured by the Feng family head, and it was difficult to heal in a few years. She really wanted to peel and cramp the Feng family head.

"Hey! Focus on the layout, lose all, I said, I will explain everything!"

Master Feng's family sighed, and looked a bit dismal.

"All this, to start with an ancient ruin that I accidentally discovered..."

Master Feng's family sighed again.

"Ancient ruins?"

Xu Long and Duan Yan's eyes suddenly turned on.

Generally involving ancient ruins, there is a great possibility that treasures will appear and it will be a great opportunity.

"Yes, I was in Liukong Mountain and accidentally broke into an ancient cave mansion. I got a skill from it. I need to practice with the blood and soul of others, so I can make rapid progress!"

Feng family is the master.

"No wonder your cultivation behavior is inconsistent with the record, reaching the fourfold of Wuhuang!"

Xu Longdao apparently believed a little.

"Yes, I just practiced that practice, and that practice records that the younger the arrogant characters are, the greater the role of blood and soul, and the faster the cultivation is promoted!"

Feng family is the master.

"So you just set up and wanted to attract a few disciples in the Dragon Valley to kill, to practice the blood and soul of the disciples in the Dragon Valley!"

Xu Longdao.

"Good!" The master of the Feng family nodded.

"You are so brave, are you afraid of being slapped?"

Duan Yan scolded.

"Hahaha, if I plan to succeed, kill you, cultivate for the great advance, and then sweep the treasures in the ancient ruins, leave Cangzhou, Yuanlu is so vast, and the Dragon Valley, how can we find us, unfortunately, Lost in defeat, lost to the hand of a boy of Emperor Wu!"

Feng family Feng family laughed.

"You said there are treasures in the ancient ruins?"

Duan Yan grabbed the words of the Feng family head and showed greed in his eyes.

The same is true of Xu Long and Fu Xing.

"Not bad!"

Master Feng nodded.

"Hurry and take us!"

Duan Yan said anxiously.

"No, unless you promise to let me go, otherwise, I don't think I will take you there. Without me, you can't find the huge Liukong Mountain!"

Feng family is the master.

"Well, if you don't bring it, I will kill you now!"

Duan Yan's eyes were icy, cold and murderous, covering the whole body of the Feng family.

Keng!

The sword in Xu Long's hand pointed at the head of the Feng family and said, "Take us, otherwise, die now. If there are really ancient ruins, I promise to let you go!"

"You really will let me go unless you find the blood oath!"

Feng family is the master.

call out!

Xu Long's long sword was shocked, and a sword burst forth, cutting off one ear of the Feng family head.

"Nonsense, I said to do it, if you get to the point, die now!"

Xu Long's voice was cold.

Chapter 1463: Hit again

In the end, the head of the Feng family had no choice but to nod and promised to take Xu Long to the ancient ruins.

"Go, you point the way!"

Xu Long mentions the Feng family.

"Go east!"

Feng Jiazhu pointed in the direction, Lu Ming they rose into the sky, flew in the direction of Feng Jiazhu.

Flying all the way to the depths of Liukong Mountain, flying a full distance of more than 100,000 miles, they finally landed in a partly canyon.

They came to a cave deep in the canyon.

This cave is indeed very secret. It is not easy to find if you want to find it slowly.

"This ancient ruin is an ancient cave house, which is very large. I guess it is a retreat for the peerless strong!"

Feng family is the master.

Xu Long's eyes flashed with greed, and said: "What you say best is true, otherwise, you know the consequences!"

"My sentence is true, I got the bell from this cave house!"

Feng family is the master.

These words convinced Xu Long, Duan Yan and Fu Xing a little bit.

That bell is indeed wonderful and can hurt people's souls. This kind of treasure is difficult to buy from outside.

Xu Long put it away politely on the road, without asking Lu Ming who defeated the head of the Feng family.

Lu Ming did not say a word along the way, just followed everyone.

"If you are worried, I can lead the way in first. Anyway, I am repaired as a seal and I can't escape!"

The Feng family head said again.

"Okay, you lead the way!"

Xu Long put down the owner of the Feng family.

The master of the Feng family immediately stepped towards the cave, and Xu Long, Duan Yan, and Fu Xing followed quickly, fearing that there was something in it that might be taken by others.

Lu Ming walked in the end and followed.

Walking into the cave, it is a narrow passageway, going inside. About a few hundred meters later, there is a faint light.

Passing through the passage, the front is suddenly bright, a huge underground cave, and there are gems on the surrounding walls, filled with a faint glow.

Coming here, the Feng family head's face showed a greasy smile, and suddenly strode forward and knelt down.

"Subordinate see Elder Demon Soul!"

The head of the Feng family kowtowed toward a figure.

A figure!

Several people were shocked in Lu Ming.

Only then did they discover that there was a figure sitting in the middle of the underground cave.

It was an old man. It looked very, very old. There were only a few white hairs on the top of his head. His face was shriveled and his wrinkles were piled up like mountains. He didn't seem to have any flesh, like a skeleton, sitting there.

But those eyes, with a strange darkness, stared at them and sounded a deep desire.

In this ancient cave house, there are actually people, an old man like a skeleton.

"Hey, you did a good job!"

The old man, like a skeleton, grinned harshly.

"Thanks to the elders for their praise, this is what their subordinates should do!"

Master Feng's face said flatteringly.

"what happened?"

Several people Lu Ming slowly backed away, Duan Yan shouted loudly.

"We hit the jackpot!"

Lu Ming said in a deep voice.

"Winning?"

Duan Yan was stunned.

"Feng family head, his purpose is estimated to be to bring us here. Before he asked us to bypass him, he only brought us here, completely pretended!"

Lu Ming said.

"Hahaha, boy, you are really smart, yes, I did pretend. My purpose is to bring you here and sacrifice you to the elder soul. If you are taken down, it will be better, If you can't take you away, you're fooled!"

The owner of the Feng family laughed.

Fake, any ancient ruins are fake.

The main purpose of the Feng family is to bring them here.

"Look there!"

Duan Yan suddenly pointed behind the old skeleton, his voice trembling.

Several people looked at Lu Ming, and his heart was shocked.

There was a pile of bones, no, to be precise, a pile of corpses.

It was like the power swallowed by Lu Ming after swallowing.

"This person, take us to recover!"

Duan Yan trembled.

Up to now, where they can't guess the other party's purpose, it is really silly.

Obviously, this old man should have been injured and wanted to use them to recover.

"Who are you? We are disciples of Dragon Valley, if you kill us, the powerful of Dragon Valley will not let you go!"

Duan Yan shouted.

"Hey, Longshen Valley? Eighty thousand years ago, the old man didn't know how much he killed."

The skeleton-like old man smiled coldly.

With this remark, let Xu Long be like a falling ice cellar.

Eighty thousand years ago, this old man lived at least 80,000 years.

The Emperor Wu could not have lived that long. So, the old man is a strong man in the Holy Realm.

They actually encountered a strong man in the Holy Land.

"go!"

Duan Yan and Fu Xing turned around and ran.

"Dead! Die!"

The old Skeleton shouted suddenly, and then an amazing scene appeared.

Duan Yan, Fu Xing's bodies suddenly stiffened and stopped in the air, then the two fell down softly, and there was no vitality at all.

The two, after being shouted twice by the old skeleton, died. They didn't see how the old skeleton shot. Even Duan Yan and Fu Xing didn't have any injuries.

Xu Long's body trembled violently, and he was cold and sweaty.

boom!

At this time, the skeleton old man lifted a vast breath, this breath, like a sea like a sea, like a world, like the laws of heaven and earth.

Holy Realm, the breath of the Holy Realm Powerful!

thump!

Xu Long knelt down directly, knocked his head like garlic, and begged: "Senior, seniors spare lives, as long as the seniors spare the dog's life, the juniors will repay the seniors' endlessness even if they go to the top of the horse, doing cattle and horses!"

Even Lu Ming was a little speechless. This Xu Long, after the old Skeleton exhaled his breath, was directly frightened, and knelt down to beg for mercy, without the dignity of the warrior.

"Oh, if you want me to spare you, you can, please be happy, I will engrave a ban on your soul. You will obey me completely, and I can spare you!"

The breath of the old skeleton skeleton quickly converged, and the shrivelled voice continued to spread.

Xu Long's face was completely pale, and his eyes were unwilling.

If the other party engraved the prohibition on the soul, then in this life, they must completely obey the other party and become the other party's slave.

But if you don't agree, the other party is the Holy Realm Powerful. Didn't you see Duan Yan and Fu Xing just yelling just now?

"Why? You still need to hesitate. I tell you, I am the elder of the sacred cult of evil spirits. It is your great blessing to join me in the sacred cult of evil spirits!"

The old skeleton sneered.

"What? You... are you the elder of evil spirits?"

Hearing this, Xu Long's face changed wildly, and there was an endless panic in his face, as if he heard something terrible.

Chapter 1464: Evil spirits

Hearing the skull old man's words, Xu Long's face was horrified. At this moment, he didn't hesitate anymore, and thumped loudly, and said loudly: "The juniors are willing to surrender to the predecessors, to the cult of evil spirits!"

"Evil Spirit Church?"

Lu Minglu frowned slightly.

He had never heard of this force, but why Xu Long was shocked when he heard the name.

Xu Long's horror emanated from the depths of his heart, not pretending. It means that Xu Long was really terrified when he heard the name of evil spiritism.

Lu Ming speculated that the evil spirit religion may be a great religion outside Cangzhou.

"Hey, it's not too bad for you to know the current affairs, so be happy!"

The old Skeleton smiled coldly, and from his eyebrows, a ray of black light diffused into his body and disappeared.

On Xu Long's face, he immediately showed respect to the skeleton old man and said, "Subordinate Xu Long will definitely die for the elders!"

"Boy, how about you? If you are not happy, you can turn to the old man. Just help the old man to trick more people to come. In the future, the old man will definitely be rewarded!"

Said the old skeleton.

"He is willing to be your running dog, I don't have this interest!"

Lu Ming said quietly.

"What are you talking about, kid, you are looking for your own way!"

The old skeleton was cold.

"Oh, you don't have to scare me, in my opinion, you don't have much power at all now?"

Lu Ming stared at the old skeleton.

The old Skeleton's eyes changed slightly, and said, "Boy, the old man is indeed injured, but the old man is not easy to deal with a martial emperor, it is easy to catch!"

"Really? In my opinion, it's almost the same as the fox and the tiger. When we first came in, you shouted and killed Duan Yan. The method should be to directly kill their souls, and then you deliberately broke out The breath out of the Holy Land is nothing more than to deter us!"

"But if you really have the power of the Holy Realm, why do you need it? You explode the breath of the Holy Realm too deliberately, and you still need the Feng Family Master to deliberately lead us here, so in my opinion, You can't use that kind of method, otherwise, you will be more injured, and you can't leave here, or that sentence will increase the injury, I don't know if I'm right?"

Lu Ming slowly backed away, explaining in his mouth.

The old Skeleton's eyes changed.

Xu Long's face also changed.

"Damn, this Lu Ming, knowing so much, why don't you say it sooner!"

Xu Long roared in his heart.

If Lu Ming said earlier, would he turn to the old Skeleton, fight hard, and maybe escape.

"Little guy, the mind is very meticulous, but still dying, Xu Long, kill him for me!"

The old skeleton called.

Xu Long's face changed and he was not sure about Lu Ming.

"Elder, this man's cultivation is poor, but..."

Xu Long wanted to explain.

"Kill me, kill! Kill!"

The old Skeleton took a cold drink, Xu Long screamed, and seemed to have suffered endless pain, yelling: "Elder Rao, I will kill him!"

"kill him!"

Said the old skeleton.

"Lu Ming, die!"

At the next moment, Xu Long rushed towards Landing Ming with a terrible look.

call out! call out! call out!

The terrible sword light burst out of Xu Long's sword, aiming at the key point of Lu Ming's whole body.

boom! boom! boom!

Lu Ming threw several punches in a row, breaking Xu Long's sword light.

"Lu Ming, what's the use of your rebellion, you are destined to die, even if you fled back to Dragon Valley, you will die, Yinfeng will not let you go!"

Xu Long shouted.

"You really sent it from Yinfeng!"

Lu Ming's eyes were cold.

This Xu Long, who had previously concealed his cultivation practice, was standing by to watch when Lu Ming was fighting with the Feng Family Master later. If he wanted to borrow a knife to kill, Lu Ming doubted it.

At this point, it turned out to be true.

"Originally I wanted to find an opportunity to kill you in one fell swoop while you were unprepared, haha, but now it is the same to kill you!"

As if Xu Long was crazy, he launched a stormy attack on Lu Ming.

He has surrendered to the elders of evil spirit religion. This matter must not be spread. Otherwise, he will definitely die, so Lu Ming must die.

"kill!"

At this moment, Lu Ming's third bloodline emerged, and a force poured into Lu Ming's body.

Then, the realm of chaos erupted, and he performed his magical skills in prison, punching Xu Long.

boom!

This punch directly penetrated all of Xu Long's defenses, and the terrible punching force bombarded Xu Long's chest.

Half of the body of the void exploded directly and flew away from a distance.

This punch, except for a few strokes of the killer, was almost Lu Ming's full blow, enough to kill Wu Qiang's four-strong powerhouse, Xu Long, which could not resist.

With a stroke to kill Xu Long, Lu Ming's black wings appeared, and under one, the figure rushed towards the passageway.

"The realm of chaos is actually the realm of chaos. Unexpectedly, a little Cangzhou, there actually appeared a genius who understands the realm of chaos. Kill, you must kill!"

In the eyes of the old skeleton, an astonishing killer flashed, and a black glow appeared in his eyebrows.

"kill!"

Old Skeleton, with a sudden roar, a black ray of light, instantly punctured the void, appeared behind Lu Ming, and shot towards the landing Ming.

The speed is incredible, like teleport.

Lu Ming was shocked, and wanted to dodge, it was too late.

This light directly passed through the chaotic realm, shot into Lu Ming's body, and rushed towards the spirit god.

when!

This ray of light was shot on the spirit god, and the jade armor on the spirit \*\*\*\* radiated a brilliant light, forming a light curtain, blocking the black light.

Lu Ming's body just twitched slightly and continued to rush outwards quickly.

"Spirit defensive treasures, there are such strange treasures, damn, this person must not be allowed to escape!"

The old skeleton skeleton roared, and his body made a clicking sound, actually suspended, like a skeleton sitting for tens of thousands of years, floating up.

"Elder, help me solve the problem, I will help you chase down the kid!"

On the edge, the Feng family called.

"You have no such waste, let's die!"

There was a cold light in the eyes of the old skeleton, with a mouthful of breath, a layer of black light shrouded the head of the Feng family, and the head of the Feng family screamed suddenly and shrivelled at the speed visible to the naked eye, turning into a corpse.

In addition, Xu Long's body, Duan Yan, Fu Xing's body, also turned into a dry corpse, the essence of flesh and blood, all swallowed by the old man, at this time, a little luster appeared on his skin.

"kill!"

He snorted, turned into a black light, rushed out of the cave, and chased towards Landing Ming.

Lu Ming flew out of the cave, and the power of Ding Fengzhu poured in. He performed Feng Yuanshu, with the black wings, and flew away into the distance.

But it didn't fly far, and behind it, there was an amazing sound of breaking the sky, and a black light flew at a rapid speed.

"This old guy, regardless of injury, will come to kill me!"

Lu Ming's face was gloomy, and his speed was reversed to the extreme speed.

Chapter 1465: Soul attack

Lu Ming spread the black feather wings to a width of more than ten meters. Under one fan, Lu Ming turned into a black lightning bolt, which cut through the void, and it was a hundred miles.

This is in Yuanlu, and the speed is already amazing.

But Lu Ming found that the black light behind was faster and approaching him slowly.

"Ding Fengzhu!"

Lu Ming increased the influx of Dingfengzhu's energy, and the speed suddenly increased, barely keeping pace with the old man in the rear.

The two chased and fled, leaving the area of Liukong Mountain in a blink of an eye and heading out into the distance.

This chase and flee is half a day.

"This kid, the speed is so fast, but to maintain this speed, I think when can you hold on?"

In the rear, the old skeleton sneered.

Sure enough, by this time, Lu Ming's speed gradually slowed down.

To maintain such speed and fly at full strength, the consumption is too great.

The continuous operation of Feng Yuanshu, as well as the control of black wings, are extremely consuming real yuan. Now, Lu Ming's real yuan is no longer alive.

The distance between Old Skeleton and Lu Ming is getting closer.

"Boy, even if the old man was seriously injured 80,000 years ago, he hasn't healed yet, but it's still a breeze to deal with you as a little Emperor Wu!"

The voice of the old skeleton came out unusually cold.

"Old guy, do you really think you can catch up with me?"

Lu Ming's voice came out, still calm.

"Really? I want to see, what else do you have!"

The old skeleton sneered.

Wow!

Suddenly, a passage appeared in front of Lu Ming. Lu Ming stepped in one step. The next moment, Lu Ming appeared thousands of miles away.

"The realm of space and time, this is the realm of space and time!"

The old skeleton exclaimed.

That's right, Lu Ming just asked Bubble to help open up the realm of time and space, and suddenly appeared thousands of miles away, pulling away from the old skeleton.

After opening the distance, Lu Ming waved his hand, and a large number of original stones appeared in the air. Lu Ming's palm exploded with a strong swallowing force, swallowed the original stones, and then continued to fly, refining the original stones while flying, supplementing the true yuan.

"Don't try to escape!"

The old Skeleton roared, blazing flames in his sunken eyes.

The two continued to chase and flee, and when the distance between the old Skeleton and Lu Ming drew closer, Lu Ming called Bubble to help open the space-time channel, and the distance between the two opened again.

So many times, the old Skeleton jumped like thunder and couldn't keep up with Lu Ming.

"No, I can't go on like this. I'm seriously wounded. If I go on like this, it's not good for me to recover. I have to get this person quickly. Moreover, this person sometimes helps the ethereal rats. Doesn't the space-time spirit rats die? How did they appear again? Now, while the space-time spirit rat is not strong, kill it as soon as possible!"

The old Skeleton's eyes flickered, and the last time he gritted his teeth, he seemed to be cruel.

"Crack me!"

The old Skeleton growled, and then, a beam of light broke into his body, and he didn't enter the space, flickered and disappeared.

But the breath of the old Skeleton was weakened.

In front, Lu Ming was flying. Suddenly, the space in front of him fluctuated, a black light flashed, and a figure appeared.

Lu Ming's pupil shrank suddenly, and his figure stopped suddenly, the old skeleton.

The old skeleton man actually appeared in front of Lu Ming.

boom!

A strong breath filled the old skeleton, locking Lu Ming.

"Boy, look at where are you going now?"

The old skeleton sneered.

Uh!

Behind him, the sound of breaking the air came, and the black light flashed, and another old skeleton appeared behind Lu Ming.

Two black robes surrounded Lu Ming Tuan.

At this time, Lu Ming discovered that the old skeleton did not have the lower body itself, only the upper body, and the old skeleton wore a wide black robe. He had not found it in the cave before.

"Boy, it's really not easy, understand the realm of chaos, and there are time and space spirit rats as companions. People like you can never let you grow up. Today, die!"

The old skeleton behind him sneered, his eyebrows suddenly shot a dark light.

The dark light, like an Excalibur, shot towards the landing, and the speed was incredible.

Lu Ming's thoughts turned around, the chaotic realm spread out, blocking Lu Ming in front of him.

laugh!

That dark light shot into the chaotic realm and made a sneering noise, but in the end, the chaotic realm weakened a part of its power, and another part, shot into Lu Ming's body, rushed directly to the spirit god.

Boom!

The black light hit the jade armor on the spirit god, causing the jade armor to vibrate.

In the end, the jade armor blocked the black light, but there was still a small amount of power that threw directly on the soul through the black armor.

Lu Ming felt a shock in his soul, and a tingling came.

"What a weird attack, direct attack on the soul. Fortunately, I have jade armor, and my soul is so powerful that I can block it!"

Lu Ming turned his thoughts in his heart.

"Boy, not only has the defensive treasures of spirit gods, but also has a very powerful soul, then you should be \*\*\*\* even more!"

When the old skeleton saw a blow, Lu Ming couldn't help but the killing in his eyes was even stronger.

"Old guy, you were severely wounded tens of thousands of years ago, and you have been breathless for tens of thousands of years. You don't have much strength at all. You haven't found a place to heal. You're looking for death!"

Lu Ming shouted on the other shoulder.

"Hey, even if the old man is seriously injured, there is no strength in it. It is more than enough to kill you!"

The old man in the back sneered. His body filled with a layer of black light. The body began to become unreal, and the black light became more and more prosperous.

Lu Ming's eyes were solemn, and he played a twelve-point spirit.

Although the other party was hit hard in the distant past, after all, it is a genuine Holy Realm strongman, and any Holy Realm strongman cannot be underestimated.

Roar!

The old man in the rear became more and more illusory, and finally turned into a huge black death, holding a death scythe, killing the cold.

Lu Ming's pupils were condensed, and he thought of the Mingzi of the Southern Desert of Shenhua Continent. The bloodline of the Mingzi is a \*\*\*\* of death, which can hurt people's souls.

"Dead!"

Reaper, holding a sickle, chopped towards Landing Ming.

In front of him, the skull sneered, the eyes were filled with blazing fire, and two black swords exploded from his eyes, assassinating Xiang Ming.

"Thunderbolt, flames!"

Lu Ming shouted, the realm of chaos turned into a thunderbolt, forming a realm of thunder and lightning. At the same time, there was a burning flame in the realm of thunder and lightning.

The chaotic realm can transform thousands of realms, except for some equally terrible realms.

According to the other party's exercises, Lu Ming guessed that thunder and fire should be able to restrain the other party.

Zizizi...

Reaper's sickle, and two black swords, bombarded in the field of thunder and fire, making a noisy sound, at the same time, bursts of black smoke came out.

It really works!

Lu Ming's eyes lit up.

"Break me!"

The old Skeleton shouted and breathed.

Chapter 1466: Tough battle

Uh!

Whether it is a death scythe or a black excalibur, the power soared, and suddenly broke through Lu Ming's thunderfire territory and cut to Lu Ming.

Tweet...

Bubbles screamed, and between Lu Ming and Lu Ming, the time and space defense was laid.

Although the attack of the old Skeleton is very mysterious, but in the face of the realm of time and space, it is still blocked for a while, weakening part of its power.

Then, directly through the defense of the black wings, heavily bombarded on the spirit god.

Boom!

Jade armor, violent vibration, powerful force, through the jade armor, bombarded on the soul, Lu Ming's face changed, the body could not help backing up again and again.

The other party's attack was indeed terrifying. Even though Lu Ming had jade armor and his soul was dozens of times stronger than ordinary people, he still felt a tear-like pain.

For ordinary people, even with jade armor defense, I am afraid the soul has been destroyed.

"Not yet dead!"

Lu Ming was shocked, but did not know that the old skeleton was even more shocked.

The soul attack he launched, even in the presence of Emperor Wuzhong, the soul must be destroyed by him, but Lu Ming, one Wuhuang in every area, was blocked.

This was an attack he made regardless of the injury, and he was badly hurt to him.

"Kill! You must kill him, otherwise, if it is passed by him, knowing that I am still alive is a big trouble!"

The old Skeleton roared in his heart, and regardless of his injury, he launched an attack again.

The scythe of death, cut again, and the old skeleton skeleton in front, slammed with a palm, and a huge imprint of the palm screamed towards the landing.

This time, he not only launched a soul attack, but also launched an ordinary attack.

"Leave it to me here!"

As soon as he flew out, he opened his mouth, and a cloud of world phantom flew out, slamming into the huge palm print.

At the same time, the bubble shot, a terrifying blade of time and space, slashing towards the other party.

"To fight, then fight desperately!"

Lu Ming's eyes flashed fiercely, ignoring the death scythe in the back, and his wings flew towards the front.

He wants to fight back.

His brow glowed, and a shield appeared in front of him, turning into a huge mountain.

boom!

The phantom of the world that spit out once and for all was the first to be bombarded with the huge palmprint. The huge palmprint blasted down, and the world phantom collapsed. Then, it faced the huge shield that Lu Ming sacrificed.

Boom!

This shield, but the Paladin, is indestructible!

The palm print bombarded the shield, the shield vibrated and was blown out, but the palm print also disappeared.

The palm print was offset.

The time and space blade of the bubble continues to cut towards the opponent.

Lu Ming's eyes lit up, and it seemed that the other party was really weak. Except for the more powerful soul attacks, ordinary attacks were not strong at all.

"kill!"

Lu Ming drank angrily, double fists bombarded continuously, dozens of punches, matched with the time and space blade of the bubble, bombarded the old skeleton.

The old Skeleton's face changed, his whole body was filled with dark light, and a series of palm prints were shot continuously.

boom! boom! boom!

The violent roar sounded, and after the terrible collision, the old skeleton body drifted back.

At the same time, the death scythe also struck Lu Ming, letting Lu Ming's soul burst into tears.

But Lu Ming gritted his teeth and resisted.

"kill!"

With a black wing, Lu Ming killed the old Skeleton in front.

He stared at the old skeleton, completely disregarding the attack of the death scythe in the rear.

Uh!

The black feather wings, like two sky knives, were chopped towards the old skeleton. At the same time, a long spear appeared in Lu Ming's hand and one shot swept out.

Get ready for 13 strikes!

The spear of the level of the Emperor Spirit Soldier vibrates four times in a row, and the four terrible forces burst out in an instant, blasting towards the old skeleton.

At the same time, Dandan and Bubble's attack also arrived, and at the same time crushed towards each other.

The old skeleton yelled and stretched out his skinny claws, shooting continuously.

The terrible collision erupted, and the energy swept in all directions. Finally, the old Skeleton fell down, was blown out, and the black light on his body shook.

"Damn, \*\*\*\* boy, I want you to die!"

The old skeleton yelled wildly, the black light on his body burning like a flame.

At the rear, the huge \*\*\*\* of death turned into a ray of light, and merged into the skeleton old man's body.

boom!

Then, a terrible breath came out of the old skeleton, like the ancient mountain, pressing on Lu Ming.

This is a terrible breath belonging to the Holy Realm.

"No, this old guy, desperate!"

Exclaimed every day.

"Devil Soul Sword Kills!"

The old Skeleton roared, covered with black light, and gathered a tremendous sword, slamming toward the landing.

The giant sword cut through, and the clouds in the sky were split in half.

This huge sword made Lu Ming feel a terrible crisis.

Buzz!

The shield flew out first, blocking it.

Then, Dandan and Bubble lay their defenses separately.

bump! bump! bump!

The giant sword fell and the shield flew out directly, and then the defense of Dandan and Bubble was also defeated.

The giant knife then cut off to the landing.

The black wings are folded in front of them, and above them, the chaotic realm is enveloped.

when!

The giant knife was cut on the black wings, and the black wings were shaken wildly. Lu Ming's body was violently shaken, and a mouthful of blood spewed out. Then, Lu Ming's whole person, like a meteorite, smashed towards the ground.

boom!

Lu Ming hit the ground heavily and smashed the ground out of a big pit.

"Nest, so powerful!"

Lu Ming spit out a bit of blood, feeling that his body was full of blood and blood, and several bones were broken on his body.

The old Skeleton came to the landing Ming Fei, holding an illusory big knife in his hand, a very powerful breath, enveloped Lu Ming, the flame in his eyes, burning in the flames.

Lu Ming is more difficult than he imagined. His cultivation skills are amazing. There are many treasures on his body. There are several pieces of the sage soldiers. It is not like a character of the Emperor Wu.

At the same time, he was carrying a space-time spirit rat and another little turtle, which he could not recognize, but it was absolutely amazing.

Together, Lu Ming's vitality is too tenacious.

When the ordinary Emperor Wu weighs heavily, even if the old skeleton is seriously injured, it can still be turned over, but now, Lu Ming is still not dead.

He ignored the injury and used some taboo methods, but Lu Ming was still immortal.

At the same time as the old skeleton, he was more determined to kill Lu Ming.

"What should I do? It won't work like this, I will be killed by this old guy!"

Lu Ming turned his thoughts in his heart.

"Oh, the prison monument!"

Suddenly, Lu Ming's eyes lit up.

This skeleton old man's practice is obviously biased towards evil Dao exercises, jail monuments, and has a strong ability to restrain evil Dao and Devil Dao.

Lu Ming almost forgot this.

This is also related to the fact that Lu Ming stepped into the Wu Emperor's realm and turned into a spirit body. After Lu Ming turned into a spirit body, he subconsciously ignored the remaining two blood lines.

It is rarely used.

Now Lu Ming suddenly remembered.

Chapter 1467: Emperor Wu

As soon as the thoughts moved, the prison monument came out.

"Suppression!"

Lu Ming snorted, and the jail monument quickly grew larger, and suppressed toward the old skeleton.

"The prison monument is a prison monument. It is impossible. Isn't the prison monument broken?"

Old Skeleton, as soon as he saw the prison monument, yelled hysterically, with endless horror in his voice.

Then, turn around and run.

Old Skeleton, when he saw the prison monument, he didn't dare to shoot, and ran straight away.

boom!

The jail monument shook, and the inscription underneath radiated a tremendous light. The jail monument changed to be as high as the sky, and it immediately appeared on the head of the old skeleton and suppressed it.

"what!"

The old Skeleton shouted in horror, and a terrible black light filled his body. At this moment, the old Skeleton's momentum was so strong that he waved his hand and a terrible sword light towards the prison monument.

This knife is many times stronger than the knife that was cut to Lu Ming before.

Lu Ming's face was solemn, and the knife of the old skeleton was the real desperation.

However, on the prison monument, there was a terrible breath, with all the power to suppress the world, and the sudden suppression of the sword light cut by the old skeleton suddenly collapsed.

boom!

Then, the jail monument was heavily suppressed on the old skeleton, and the old skeleton screamed, and the thin body burst directly into ashes.

Lu Ming was dumbfounded.

Because, at this time, he did not urge the jail monument at all. It was entirely the jail monument that killed the enemy automatically, and it was amazingly powerful. It was much more powerful than Lu Ming's own urge.

The prison monument will kill the enemy automatically, and amazing power has erupted. Lu Ming feels incredible.

Uh!

At this moment, where the old Skeleton body burst, a black light flew out at an alarmingly fast speed, like a broken void, disappearing between heaven and earth in the blink of an eye.

"Boy, wait for the revenge of my evil spirit sect!"

The unpleasant sound of the old skeleton came from afar.

"Not yet dead!"

Lu Ming frowned, the old skeleton body was destroyed, but a ray of soul escaped.

Buzz!

The jail monument shook a little, and seemed a little angry. Then it quickly became smaller and flew back to Lu Ming's head, floating quietly.

Lu Ming looked at the prison monument curiously.

It seems that the jail monument is really a trivial matter, and its origins are amazing. Lu Ming did not play the true role of the jail monument at all. What he played may be just the tip of the iceberg.

"The jail monument will automatically attack the enemy. It has never been done before. It is strange that the other party has practiced evil Dao exercises, but before it has encountered evil Dao, Devil Dao, and even ghost Dao. "

Lu Ming frowned.

He felt that it shouldn't be that the other party practiced evil Dao Gong as simple as it would cause the jailstone to attack the enemy automatically. There must be other reasons. It's just this reason that Lu Ming doesn't know yet.

"At the time, in the Shenxu mainland group, the big man of Tianshenzong said that Tianshenzong had a piece of debris from a prison prison. There should be nothing wrong with it. I must find a way to get that piece of debris from a prison prison!"

Lu Ming thought secretly.

However, Tianshenzong is extremely powerful. Some people even said that the 13 top clan forces in Cangzhou, Tianshenzong's overall strength, may be the strongest. It is very difficult to get the fragments of the prison monument.

"Ok!"

Lu Ming's eyes suddenly looked forward, where the old Skeleton flesh was destroyed.

Old Skeleton, left almost nothing, and no storage ring, but now Lu Ming has found a piece of black paper, falling down.

Lu Ming thought about it, put away the blood of the prison monument, his body moved, appeared on the edge of the paper, and grabbed the paper in his hand.

"A secret technique!"

Lu Ming glanced at it, and found that the piece of paper on the paper recorded a secret technique.

"Leave here first!"

Lu Ming put away the paper, black wings, he cut through the void, away from here.

I am afraid that the war just now will attract the attention of the powerful people nearby.

Hundreds of thousands of miles away, Lu Ming found a secret cave house and walked in.

Sitting in the cave house, Lu Ming waved his hand, a large push of the original stone appeared, the power of engulfment exploded, swallowed the original gas of the original stone, and began to refine and recover.

After a few hours, Lu Ming's Zhenyuan has completely recovered, and Zhenyuan's operation is extremely smooth, condensed and mellow, reaching a peak.

"A breakthrough!"

There was a hint of joy on Lu Ming's face.

When he was in Longshen Valley, he refined three Imperial Realm Fruits, both in the field and cultivation, and reached the peak of Wuhuang's first heavyweight, which was only one step away from Wuhuang's second heavyweight.

After this period of time, there was a previous battle with the Skeleton Old Man, which suppressed the potential, and finally broke through.

Lu Ming's palm glowed, and a piece of Heavenly Dao stone appeared, then flew to Lu Ming's head, suspended above Lu Ming's head, and scattered a ray of Heavenly Dao breath.

Lu Ming practiced quietly.

A few days later, a strong swallowing force came out of Lu Ming's body, and the air between heaven and earth madly rushed to the landing Ming, which was swallowed by Lu Ming.

At the same time, Lu Ming also took out a pile of middle grade rough stones to assist in cultivation.

As the original stone continued to be swallowed, Lu Ming's breath skyrocketed.

Wuhuang Duo!

Lu Ming finally broke through again, and the chaotic realm was upgraded to second level, and Xiu Wei also followed the breakthrough to Wuhuang Duo, and his combat power was greatly improved.

However, Lu Ming did not end his cultivation, but continued to practice steadily.

It took another three days for Lu Ming to finish his cultivation. Wuhuang's second cultivation was completely stable.

"Look at the old skeleton, what secret technique is left!"

At this time, Lu Ming took out the paper left by the old skeleton and watched it.

Black paper, I don't know what material it is made of, is very flexible and hard. It is held in my hand, light and fluttering. Lu Ming enters the true element. On the paper, lines of dense small letters appear.

"Soul Attack Mystery, Excalibur!"

After half a noise, Lu Ming put down the paper, and there was a trace of excitement in his eyes.

On this paper, a soul attack technique is recorded. According to the above record, when practicing this mystery technique, the soul will be tempered and its strength will continue to increase. At the same time, it can also condense the soul power in a special way like Excalibur, attack, can attack the soul of others.

Lu Ming couldn't help but think of the old skeleton's attack. In the eyes of the old skeleton, a black light would burst out, attacking his soul like a sword, with amazing power.

This is a priceless treasure, and the outside world can hardly buy it.

Temper the soul, increase the strength of the soul, and can also launch a soul attack.

For Lu Ming, it is simply too suitable. His soul, after being refined by the refining bell of the world, stands behind, and its soul strength is dozens of times stronger than that of ordinary people.

If he practiced the sword skill, he would launch a soul attack and his power would be extremely terrifying.

Immediately, Lu Ming did not hesitate and began to understand.

Chapter 1468: Miss Qingqing?

The time is long, the practice has no years, and in an instant, another ten days have passed.

call out!

Lu Ming, who was sitting crosswise, suddenly opened his eyes. In his eyes, there were two black rays of light bursting out, like two black swords, stabbing forward, flying hundreds of meters all the way, and did not enter the cave. It disappeared on the wall.

"The Excalibur is awesome, I'm so wonderful, I can't reach home now. According to the above records, if I practice to a high level, I can be invisible and invisible. With a loud shout, I can destroy the soul of my opponent and kill invisible!"

Lu Ming whispered, the more he practiced, the more profound and unpredictable Lu Ming felt that the sword was determined.

He remembered the head of the Feng family, and when they brought them to see the old skeleton, the old skeleton shouted, Duan Yan, and Fu Xing died. It should be this kind of ability, a big shout, and destroyed their souls. .

And the second and third grandfathers of the Feng family should have all been killed by their souls, so there was no wound on their bodies.

Lu Ming's eyes showed the look of anticipation, the sword sword tactics, in the future will surely become his killer skill.

"Having been closed for more than half a month, it's time to go back!"

Lu Ming walked out of the cave and looked into the distance.

It was the vast mountains that came into view.

He found that he had lost his way and did not know where it was. Before, when the old Skeleton chased him down, he chose a direction to escape at random, not paying attention to where to go.

"Find someone somewhere to inquire!"

Lu Ming rose into the sky and disappeared here.

Half an hour later, a city appeared in front of him. Lu Ming flew into the city, and soon after, he flew out again.

"Unexpectedly, I actually came to the realm of Tianyu Mozong!"

Lu Ming whispered.

Tianyu Mozong, he thought of Xie Nianqing.

"Since you are here, just go and see Xiaoqing to see how she is doing recently? Why didn't you enter the secret realm of the emperor?"

Lu Ming had a lot of doubts in his mind, and then his body moved, flying in the direction of Tianyu Mozong according to the information he just heard.

Lu Ming flew with all his strength, and after more than a day, in front of him, mountains were in sight.

That's all Magic Mountain!

Tens of thousands of feet of magic mountain broke into the sky, this territory, filled with rolling magical energy.

Here is the mountain gate of Tianyu Mozong.

When Lu Mingfei was approaching, Lu Ming saw an amazing scene.

In the depths of the vast Demon Mountain, there is a pillar of devil qi that rises into the sky and pours into the sky. It is very huge, and it is bigger than many magic mountains.

"Isn't the devil qi here because of the pillar of devil qi?"

Lu Ming murmured in his heart and continued to fly.

"stop!"

Suddenly, with a loud shout, two figures appeared in front of Lu Ming, blocking the way.

Two young people, in their twenties, wearing black robes, carrying magic knives, and a magic pattern on their eyebrows.

A disciple of Tianyu Mozong.

"Come here and stop, then move forward, is the mountain gate of Tianyu Mozong, what are you doing here?"

One of the youths asked.

"The two are polite!"

Lu Ming clenched his fists and said, "I'm here, mainly to find someone!"

"Oh? Looking for someone? Looking for my disciple of Tianyu Mozong? Come on, what's your name, maybe I can help you!"

A youth road.

"Her name is Xie Nianqing, I wonder if the two of you have heard?"

Lu Ming said.

"What? Are you looking for a saint?"

The faces of the two young men suddenly changed and snorted.

"Holy lady?"

Lu Ming looked dazed.

How did Xie Nianqing become the sage of Tianyu Mozong?

He remembered that Xie Nianjun became the sage of the Tenjin Sect after joining the Celestial Sect. Did Xie Nianqing also become the sage of the Celestial Sect?

At this moment, Lu Ming's mind turned to countless thoughts.

"Boy, go, leave here quickly!"

The voice of a young man on the left froze.

"Why is this, I am really looking for Nianqing!"

Lu Ming said.

"Bold, the name of the saint, can't you just call it, and don't look at what you are, the two emperors of Wuwu, and want to approach the saint, really dreaming!"

The youth on the left scolded.

Lu Ming frowned and said, "The two, I am... your old friends of the saint, from the same place!"

"From the same place?"

The two young men were startled, and the young man on the right said: "Are you from Shenhuang?"

"Good!" Lu Ming nodded.

The two young men glanced at each other and said humanely: "Boy, you better not lie to us, otherwise, your end will be miserable, and you come from the same place as the saint, what is your relationship with her, holy Women are very busy and need to retreat to practice. We can report it. If you find that what you said is not true, boy, you know the consequences!"

"I am Nian Qing's boyfriend!"

Deep in thought, Lu Ming said.

"what?"

"Bold, boy, you are dead!"

Upon hearing this, the two young men roared suddenly, bursting out of their bodies, staring at the landing.

"Boy, dare to blaspheme the saint, and sin should die!"

"What kind of thing are you, one ants, and dare to say that it is a saint's boyfriend, today, you don't want to leave!"

The two young men drank coldly, the magic knife on their bodies came out of the sheath, and the cold breath shrouded Lu Ming.

Both of them are the cultivation practices of the second peak of Emperor Wu.

Lu Ming frowned and said, "I said, the sentence is true, the two can upload your saint, and she said Lu Ming came to see her, she naturally knows!"

"Go to death, dare to lie, kill!"

The youth on the left shouted, and the magic knife in his hand slammed directly towards the landing.

At the same time, the magic knife of the young man on the right also burst out, slamming towards Landing Ming.

It's a complete look to kill Lu Ming.

A cold light flashed in Lu Ming's eyes, and a spear appeared in his hand, sweeping over the two magic knives.

when! when!

The magic knife shook, terrible power poured in, and the two young people shook their bodies, and they retreated backward.

It took dozens of steps back all the time, and the stepped void rumbled before stabilizing.

"Bold, dare to fight back, you are looking for death!"

"Today, don't go out of here!"

The two young men shouted one after another.

"Two people, Lu Ming asked kindly, the words are true, but you want to kill me, why don't you do that?"

Lu Ming said coldly.

If it weren't for Tianyu Demon Sect, they wanted to kill Lu Ming by two people. Just one move, they were already dead.

"What is true, fart, and insult the saint!"

One of them shouted.

Uh!

At this time, another magic light flashed, and another young man appeared.

"what happened?"

This young man, with his hands on his back, has eyes like electricity, and his breath is many times stronger than that of the two gatekeepers.

"Brother Jin Yu, you just happened to have a courageous person who actually said that she was the boyfriend of Xie Nianqing..."

Previously a young man shouted.

"what?"

The young man named Jin Yu's eyes suddenly froze, and the cold killer burst forth, covering Lu Ming.

"Anything like ants, dare to arrogantly say that it is a saint's boyfriend, by this word, you will die!"

Jin Yu stepped out with a strong breath and pressed towards the landing.

The Emperor Wu Emperor's Quadruple Peak!

This person's cultivation practice reached the peak of Wuhuang's fourfold.

Chapter 1469: meet

"Boy, kneel down now and slap yourself for two hundred. I can keep you all dead!"

Jin Yu looked tall, staring at Landing.

"It's ridiculous. Nian Qing and I were originally male and female friends. We have been together for many years.

Lu Ming said indifferently.

Faced with such a problem, will Lu Ming avoid it?

He can see that these young people have a strange idea for Xie Nianqing. Therefore, he will not evade even more. He wants everyone to know that Xie Nianqing is his Lu Ming's girlfriend.

"kill!"

Jin Yu shouted and pressed down.

boom!

A huge devil's palm imprinted and slammed down towards the landing, which was astonishing.

At the beginning, the head of the Feng family was also the four peaks of the Emperor Wuhuang, but compared with Jin Yu, the difference was not clear.

This person is obviously a proud person.

"broken!"

Lu Ming whispered, the spear in his hand came out.

Get ready for 13 strikes!

call out!

A spear, which cut through the void, stabbed on the palm of the magic road.

The four strengths of the spear burst suddenly, and the penetrating power was amazing. It suddenly penetrated the devil's palm prints, allowing the palm prints to dissipate.

"Every Emperor Wuhuang is a double player. He has some strength, but he is still dying!"

Jin Yu's eyes were cold, the breath on his body was getting stronger and stronger, and the magic gas was burning like flames.

"stop!"

Just here, a clear voice sounded.

Jin Yu froze, looking back, his face suddenly changed, bowed to salute, and said: "Jin Yu, have seen the Saint!"

"Subordinates see the saint!"

The two young people who had previously also saluted.

"Holy lady?"

Lu Ming looked over.

A woman came from the sky.

She wore a long black group, graceful posture, fair skin, and very beautiful.

However, it was not Xie Nianqing, but a strange woman.

Obviously, there are more than one celestial celestial maiden.

Very normal, many sects will be called sages, sages, sects, etc. This kind of person is some of the strongest arrogances of the sect, and it is expected to inherit the position of the sect master in the future, but in general, not only one person.

In some schools, there are two, three, or even more.

Each of them is a talented person with strong talents, who compete with each other, and the strongest one can inherit the position of the sovereign.

The woman stepped into the air, came to Lu Ming and said, "What's going on?"

"Liu Yu Sheng Nu, a brave man came here, and she said that she was a boyfriend who missed Qing Qing, I was about to kill this person!"

Jin Yu respectfully said.

Although his cultivation is good, in front of Liu Yu, he is respectful and trembling.

"Nian Qing's boyfriend? Interesting!"

Liu Yu's eyes flashed, and an inexplicable smile appeared on the corner of his mouth. He looked at Lu Ming and said, "Are you really Nian Qing's boyfriend?"

"Yes, it's true or false, I'll know at the first sight!"

Lu Ming said.

"Okay, I believe in you once, but you must know that if you lie, Tianyu Mozong is your burial place!"

Liu Yuzhong revealed a glimmer of opportunity.

"A martial arts double person in my area, how can he have such guts!"

Lu Ming smiled slightly.

"Okay, I'll take you to meet Nianqing!"

Liu Yudao.

"Holy..."

Jin Yu's face changed.

"Shut up, my decision, do you have an opinion?"

Liu Yu glanced coldly at Jin Yu, causing Jin Yu to persevere in cold sweat, and quickly bowed his head, daring not to say much.

"Go!"

Liu Yulian stepped lightly and walked towards the depths of Tianyu Demon Sect. Lu Ming followed Liu Yu.

On the way, someone looked at Lu Ming in surprise, but Liu Yu was the one leading the way, and no one said much.

Crossing the magic mountains, the magic energy is getting stronger and stronger in front.

Soon, they came to a huge magic mountain and landed in front of a huge palace.

"This place is Nian Qing's residence!"

Liu Yu said.

Lu Ming's eyes revealed a look of anticipation.

He and Xie Nianqing haven't seen each other for more than half a year.

The Shenxu mainland group is different, I wonder if the Iraqis are good now?

"Liu Yu Sheng Nu, don't know why you are here, what's the matter?"

A middle-aged woman/woman appeared in front of Liu Yu, slightly indifferent.

"Could you please tell me that someone has come to Nianqing!"

Liu Yujiao said.

"Old friend?"

The middle-aged woman looked at Lu Ming and said, "Is this the person?"

"Yes, this is Master Lu Ming. He said that he is Nian Qing's boyfriend!"

Liu Yu smiled.

"Saint's boyfriend?"

The middle-aged woman's complexion changed suddenly, saying: "Is there a double Emperor Wuye, Saint Liuyu, is it wrong?"

"Here is Tianyu Demon Sect. I forgive him for not lying. It is right or wrong. Let Nianqing come out and see it, no!"

Liu Yudao.

The middle-aged woman's eyes flickered and she groaned a little, saying, "Okay, then I will tell the Saints!"

After all, the middle-aged woman turned and walked into the palace.

After a while, Kung Fu flashed out of the palace and appeared in front of Lu Ming.

"Lu Ming, really you?"

The sound of surprise came out.

An alluring figure stood in front of Lu Ming and looked at him carefully.

"Nianqing!"

A smile appeared on Lu Ming's face.

I haven't seen it for more than half a year, and finally in Yuanlu, I met Xie Nianqing.

I haven't seen it for more than half a year. Xie Nianqing, as always, is all over the country. Even the magical brilliance on his body is more intense. It seems that it has a strange charm. It makes people perplexed by just a glance.

The Liu Yu on the edge, although equally gorgeous, stood with Xie Nianqing, and in the invisible, he was compared and opened the distance. The eyes of others would naturally move away from Liu Yu. Turn to Xie Nianqing.

In Liu Yu's eyes, there was a flash of deep jealousy, but there was a smile on his face. He said, "Sister Nianqing, this person says that it is your boyfriend. It seems not false!"

"Not bad!"

Xie Nianqing nodded.

"Giggle, then I want to congratulate Sister Qing, but Sister Sister is a little weird? Your boyfriend, cultivation base is too low, only Wuhuang Duo..."

Speaking of this, Liu Yu stopped, with a meaningful meaning, with a touch of sarcasm in his tone.

"In my mind, Lu Ming's talent is much stronger than you, and it won't take long before it will surpass you, well, sister, please come back!"

Xie Nianqing said that his voice was a little cold, and it seemed to be at odds with Liu Yu.

"Giggle, Sister, then Sister will leave first."

Liu Yu smiled and walked away.

"Lu Ming, come with me!"

Xie Nianqing took Lu Ming's hand and entered the palace.

Behind the palace, there was an elegant courtyard. Xie Nianqing leaned on Lu Ming's shoulders. Lu Ming hugged Xie Nianqing's slim waist and printed it on Xie Nianqing's ruddy lips.

The scene is gentle!

Long time, lip points!

The two snuggled up and told each other.

"Xiaoqing, how did you become the sage of Tianyu Mozong?"

Lu Ming asked curiously.

Chapter 1470: Smell to compare

"After I came to Tianyu Demon Sect, I inadvertently clashed with other people and fought a battle. Unexpectedly, my master, my master, was the master of Tianyu Demon Sect. She accepted me as a true disciple, Later, I found out that it was a rare congenital body, so I was established as the celestial goddess of Tianyu!"

Xie Nianqing explained.

"Innate demon, is it a kind of innate spirit?"

Lu Ming moved.

This is possible. On the Shenhua Continent, after all, the level of cultivation is too low. Some talents against the sky cannot be discovered at all, nor can they be discovered.

But in Yuanlu, it was different.

Moreover, there are many kinds of innate spirits.

The innate spirit body like Yinfeng is the worst among innate spirit bodies. It can only be transformed into a lower-level spirit body after breaking through the Empress Wu.

Some strong innate spirits can transform into medium-level spirits, even superior-level spirits, and even stronger.

Xie Nianqing's congenital body is likely to be unusual, so he was called the Saint of the Heavenly Demon Sect.

Moreover, Lu Ming found that Xie Nianqing's cultivation practice is higher than him, and has reached the amazing Wuhuang triple peak, only one step away from Wuhuang Sizhong.

Lu Ming finally knew why Xie Nianqing did not go to the emperor's secret realm. It is likely that Xie Nianqing had already broken through the Emperor Wu Emperor and could not enter the emperor's secret realm at all.

Then, Lu Ming briefly recounted his own experience along the way.

"Xiaoqing, that Liu Yu, seems to be at odds with you?"

Lu Ming asked.

"Yes, she and I are both saints, both qualified to compete with the future master of Tianyu Mozong. She brought you over to meet me. She just wanted to crack down on my reputation. It wasn't good intentions!"

Xie Nianqing explained.

In Tianyu Mozong, although there is no rule that the saint can't communicate with others, in general, she hopes that the saint can try not to communicate before breaking through the holy realm, because she will be distracted.

Liu Yu deliberately brought Lu Ming in to find Xie Nianqing, just to let others know that Xie Nianqing has a boyfriend and is in contact. In this way, Xie Nianqing will be bad in some high-level impressions of Tianyu Mozong, and will be discounted. The probability is smaller.

This is the purpose of Liu Yu bringing Lu Ming in.

Xie Nianqing slightly smiled at the corner of her mouth and said, "She wants to compete for the suzerain, she will compete, anyway, I don't care what the suzerain is!"

"Xiaoqing, whether you have a heart or not, you have to be more careful in the future!"

Lu Ming said with concern.

"Ok, I know!"

Xie Nianqing nodded.

The two chatted for a while.

At this time, about the arrival of a strange man, it was just the emperor Wu Emperor's second cultivation practice, which was the boyfriend of Saint Xie Nianqing. It spread throughout the Tianyu Demon Sect, causing a big wave.

"A martial emperor's double rubbish/garbage is actually a boyfriend of a saint girl, so why not?"

"Toad wants to eat swan meat, and I want him to understand that he is not worthy of the saint."

Voices spit out from young people, full of anger and jealousy.

Of course, all this, Xie Nianqing and Lu Ming, did not know.

The two are still in warm memory.

After a few hours.

"Lu Ming, you rarely come to Tianyu Demon Sect. I take it around. There are some places in Tianyu Demon Sect. It is still very good!"

Xie Nianqing said.

"Okay!"

Lu Ming nodded.

The two went out of the palace, held hands, walked in the sky, and wandered in the Tianyu Mozong.

But it didn't take long to visit, and was stopped by a young man.

"Bold fanatic, dare to frivolous saint, \*\*\*\* it!"

The young man roared, and when he saw Lu Ming and Xie Nianqing holding hands, there was even a fiery jealous fire in their eyes.

Xie Nianqing, in Tianyu Mozong, is a legend.

He came from a small continent and was recruited by the emperor of the Tianyu Demon Sect. Once he came, he was accepted by the Master of the Demon Sect of Tianyu as a true disciple. Later, it was even verified that it was a rare congenital demon body in ancient times and was directly sealed as Virgin.

Moreover, Xie Nianqing Qing Guo Qing Cheng, Tian Yu Mozong originally some glamorous women, compared with Xie Nianqing, could not help but be overshadowed.

Naturally, Xie Nianqing became the goddess and admired object of the countless young men in Tianyu Mozong.

However, Xie Nianqing is cold by nature. To everyone, he looks cold and has a strange temper. Without any young talent, Xie Nianqing can win a smile.

Now, a boyfriend of Xie Nianqing suddenly appeared, holding hands with Xie Nianqing, which caused this young man to almost explode his lungs, and he was spitting blood enviously.

"roll!"

The cold voice came from Xie Nianqing.

"Holy lady, this person is a waste, you have to think twice, don't be deceived!"

The youth shouted.

"Go, you only have three breaths!"

Xie Nianqing spoke indifferently, a terrible breath filled her body.

The young man looked ugly, gave Lu Ming a warning look, and then turned away.

"Xiaoqing, it seems that you are in Tianyu Mozong, very popular!"

Lu Ming muttered.

Xie Nianqing gave Lu Ming a white look, smiled slightly, and had a variety of styles. If the youth of Tianyu Mozong saw this look of Xie Nianqing, it would be stunned.

"How? Jealous? Stressed? I am in Tianyu Demon Sect, but there are many people who pursue it, and there are even other ancestors of Tianjiao, some, but the presence of Wuhuang Peak!"

Xie Nianqing blinked his eyes and watched Landing Ming.

"It's a bit jealous, but is it stressful? No, these people are not in my eyes at all. In a few years, these people are not my opponents!"

Lu Ming smiled, full of confidence.

"It's really beautiful!"

Xie Nianqing smiled, but his face was filled with a happy smile.

At this moment, Lu Ming suddenly looked forward.

In front of me, a rainbow of light pierced the sky. Even if they were far apart, Lu Ming could see that they were all young men, all flying angrily towards this side.

Lu Ming's mouth slightly raised, and said: "If you say I'm so beautiful, then I'll show you how beautiful!"

After saying that, Lu Ming put Xie Nianqing's waist straight and put Xie Nianqing in his arms.

"Bold, let go of your stinky hands!"

"Humble ants, daring daring, your hands, I am abolished!"

"Quick release!"

In front of Lu Ming and Xie Nianqing, youths appeared. These people saw Lu Ming actually hug Xie Nianqing, and fire burst out in their eyes. His face was flushed and he wanted to eat Lu Ming.

Damn it, the holy and noble, the noble lady above him, was actually held in the arms of this guy. When they thought of this, they could not wait to unload Lu Ming.

"You guys, leave me alone. My business is not your turn!"

Xie Nianqing sneered coldly.

"Holy lady, you are young, don't be fooled by this man."

"Yes, you are extremely talented, rare in the world, you should look for a man with the same talent, such as me, this person is just a double emperor's garbage!"

These young people spoke one by one.

"Magic!"

Lu Ming found an acquaintance in the crowd, Mo Jie, who was the leader of the Emperor Tian Yu Mozong that time.
