

D Emperor 1941

Chapter 1941: Total oppression

On the edge of Yansong, sitting was a thin old man with gray hair and dressed in a Chinese suit, which was somewhat similar to Yansong.

Lu Ming guessed that this person should be a national teacher.

The Master's eyes narrowed slightly, with a faint smile, and he couldn't see what he was thinking.

In the middle position, two people are sitting.

One is an old man with white hair, wearing a real dragon robe and wearing a jade crown. It seems that he should be the master of the Mingyan Kingdom.

On the edge of the Mingyan Kingdom, a beautiful woman was sitting. The woman looked in her twenties, with a graceful figure, charming eyes, and extremely charming and enchanting. This person should be Yan Song's sister, Qing Fei.

In addition, there were some people sitting on other seats, all with extraordinary temperament, and they should all be high-ranking figures of the Ming Yan Kingdom.

Ruan Tianjiao strode forward, bowed to the master of Mingyan Kingdom, and said, "Weichen meets His Majesty!"

"Haha, Tianjiao is back, no need to be polite, please sit down!"

Hao Yan, the Lord of Mingyan, smiled.

"Thank you, Your Majesty!"

Ruan Tianjiao said, and then, together with Lu Ming, walked to the next row and sat down.

"Bold Lu Ming, what are you, what are you qualified to sit there!"

Lu Ming had just sat down, and on the other side, Yan Song slapped the table and got up, looking at Lu Ming coldly.

There was a sneer in Lu Ming's mouth. Was it difficult to make it so soon!

"Can't get up, and don't look at where is this place? Who is sitting here? In your capacity, are you eligible to sit here? Don't hurry up and roll to the side!"

Yan Song scolded again.

But Lu Ming didn't seem to hear it. He picked up the wine glass on the table and slowly took a sip, saying: "Good wine, really good wine, but unfortunately there is a wild dog barking, broken interest!"

"You...bold!"

Yan Song was furious, and his eyes were full of fierce murderous opportunities.

"Do you think you are noble? How did you kneel before me?"

Lu Ming smiled disdainfully.

"Shut up, come, and withdraw this person's seat!"

Yan Song shouted, and immediately, someone stepped forward to withdraw Lu Ming's seat.

Lord Mingyan, Qing Fei, Guoshi, and others all looked at it faintly, as if watching a good show.

"Go away!"

At this time, Ruan Tianjiao Jiao sipped, and a battle-stricken sigh came out, leaving the guard who wanted to withdraw Lu Ming's seat stiff and stopped there.

"Lu Ming is my friend. If you want to withdraw Lu Ming's position, then take my position away too!"

Ruan Tianjiao said loudly.

"This..."

The guard was stunned there, somehow.

The identity of Ruan Tianjiao is not as good as Lu Ming, but the marshal of Shenjiao Army, the female warlord of Mingyan Kingdom, how dare he withdraw from Ruan Tianjiao's seat?

"Withdraw, why not withdraw?"

Ruan Tianjiao's eyes were striking and he stared at the guard. The guard's face burst into cold sweat, and he turned to Yan Song, Guoshi and others for help.

"Damn!"

Yan Song was very angry and very jealous.

Lu Ming did not know what medicine was given to Ruan Tianjiao, so that Ruan Tianjiao had been protecting Lu Ming.

"Okay, let's go back. Since this little brother is a friend of Marshal Tianjiao, he can naturally sit here!"

At this time, the national teacher spoke lightly.

The guard, like an amnesty, took a long breath and bowed back.

"Tianjiao, you just came back. The widow has given you a marriage. The day has been set. When you come back, you can just marry Yan Song!"

Above, the sovereign opens.

"Your Majesty, Weichen came back on this trip because of this matter, feelings, and forced to ask, Weichen did not feel Yan Song at all, and also asked His Majesty to take back his life!"

Ruan Tianjiao got up and saluted the host.

"presumptuous!"

Next to the sovereign, Qing Fei sneered and said, "Jun Wuxi, since His Majesty has made a decision, how can he take back his life, Ruan Tianjiao, do you want His Majesty to be a person without words?"

"Weichen dare not!"

Ruan Tianjiao clenched his fists and said, "Weichen must be respected for other things. If we let Weichen go to battle to kill the enemy, Weichen will not frown, but only this matter, Weichen can't take the lead!"

"Tianjiao, Qing Fei also said, Jun Wuxi, and Yan Song are not bad, just match you, this matter, so settled!"

The owner waved his hand and his tone was unquestionable.

Ruan Tianjiao was unbelievable. Unexpectedly, the landlord had to give her to Yan Song so sloppily, without her consent at all. The previous landlord, even though it was groggy, would not be like that.

"Before, Your Majesty has announced the world, and now the whole country knows that the two of you will be married in half a month. This is the matter. During this time, Marshal Tian Jiao lived in the palace.!"

The national teacher followed the opening, as if to settle the matter.

Ruan Tianjiao shook his head and was extremely disappointed with the host.

Originally, when she came back, she wanted to find a statement from the lord to let the lord take back her life, but now she found that the lord was on the side of the mentor.

Lu Ming hadn't said anything. In his eyes, a strange light flashed. He secretly looked at the host and found something interesting.

"Tianjiao, this sovereign, I'm afraid I won't listen to you anymore. That Qing concubine, who is good at prostitutes, has already won the prosperity and has obeyed Qing concubine!"

Lu Ming sent a voice to Ruan Tianjiao.

"what?"

Ruan Tianjiao froze for a moment, then violently, suddenly stood up, a strong breath filled out, glared at the national teacher, and said loudly: "Yankui, and Yan Ping, your bold courage, actually confuse your majesty with the charm technique!"

As soon as this remark came out, the faces of Qing Fei, Guo Shi, Yan Song and others changed wildly.

"Nuan Tianjiao, what are you talking about?"

Yan Song roared.

"Am I talking nonsense, you have a lot of thoughts, words and words, you dare to harm your majesty, secretly control your majesty, no wonder your majesty ignores the government and gives you all the power, I want to announce this matter to the world!"

"Lu Ming, let's go!"

After all, Ruan Tianjiao strode outward.

"Stop him!"

The master's face was gloomy, and he waved his hand. Suddenly, the figure flickered, and the four figures surrounded Lu Ming and Ruan Tianjiao. Each one exhaled a strong breath.

Mingsheng is complete!

Lu Ming knew that without looking at it, all four of them had a complete cultivation practice of Ming Sheng, not weaker than Ruan Tianjiao.

"The four marshals, who are also willing to fall down and take orders from the state master?"

Ruan Tianjiao opened his mouth, his face extremely dignified.

These four people existed in the same name as her. The other four marshals of the Ming Yan Kingdom have powerful combat strength, all of which are well-rounded by Ming Sheng. The combat strength of each individual will not be much weaker than her. She is absolutely invincible.

"Ruan Tianjiao, you are not respecting the purpose, and it is really the ambition of the wolf, and you want to rebel!"

The national teacher spoke lightly and detained Ruan Tianjiao for a major crime.

"You bullshit!"

Ruan Tian Jiao Jiao drank, obviously the national teacher and others were equivalent to rebellion, and actually said that she would rebel.

Chapter 1942: Have you finished?

The master of the country sneered and said, "You don't even listen to your majesty's orders, you don't want to rebel, and you don't want to rebel? And I have received news that you are secretly trying to commit chaos and destroy the Mingyan Kingdom. Damn it!"

"Secluded Luoshui Kingdom? Nonsense, one-sided words, who will believe you?"

Ruan Tianjiao shouted.

"If you want evidence, then I will give you, come out!"

The indifferent voice of the national teacher sounded, and then a strong man about thirty years old came out.

"See your majesty, see your country master!"

The strong man salutes the master and teacher.

"Wang Xing, why are you here?"

Ruan Tianjiao was very surprised, because Wang Xingnai was his escort, following her for many years, but she did not let Wang Xing come to the capital, shouldn't Wang Xing be in the Shenjiao Army?

Ruan Tianjiao had a bad hunch in his heart.

"Wang Xing, tell what you know!"

Guoshidao.

Wang Xing nodded and said, "Ruan Tianjiao did secretly pass through the Luoshui Kingdom. He has been conspiring. When the time comes, he is ready to conspiracy to rebel. He claims to be emperor, but his subordinates are the people of the Mingyan Kingdom. They are only loyal to the Mingyan Kingdom. If you are loyal to your majesty, how can you see such a thing happening? Today, Ruan Tianjiao's wolf child ambition will be made public!"

Wang Xing's voice spread throughout the audience.

"Wang Xing, you dare to defile me!"

Ruan Tianjiao shouted, trembling with anger.

Obviously, Wang Xing has been bought by the National Teacher and joined forces with the National Teacher to frame her.

But Wang Xing is her escort. If you say it, many people may really believe it.

"Nuan Tianjiao, your conspiracy has been revealed, and you can catch it if you don't have to do it? But I'm willing to spare you if you are thinking of Yansong, as long as you abandon your cultivation practice, marry Yansong, and then hand over the military power, you rebel, I will not announce the world, keep you innocent!"

The master of the country spoke coldly, and a pair of wisdom beads were holding.

For this matter, he has already started layout, all plans, perfect, Ruan Tianjiao has no room for resistance.

The final result is the same, that is, the abolition of Xiu Wei, the surrender of military power, and the marriage of his son Yan Song.

Yan Song's eyes showed triumphantly, looking at Ruan Tianjiao and Lu Ming coldly.

"A bitch, a dog, and want to fight me, I don't know what to do!"

Yan Song laughed, very proud.

In particular, he looked at Ruan Tianjiao's heroic face and perfect figure, and he was very hot in his heart, and he wished to occupy Ruan Tianjiao as his own.

However, soon, he told himself secretly.

"You... mean!"

Ruan Tianjiao was trembling all over with anger, and she understood that the national division not only wanted to marry her, but also to seize her military power.

Now, the other four marshals have turned to the national division. If the Divine Jiao Army is captured, then the Mingyan Kingdom will really become the world of the national division, and no one can check and balance.

Ruan Tianjiao set his sights on the host, but the host didn't look at her, just drinking with a smile from Qing Fei.

Ruan Tianjiao was disappointed.

"anything else?"

At this time, Lu Ming's voice sounded faintly.

"what?"

Guo Shi, Yan Song, and others were all stunned. They didn't understand what Lu Ming meant.

"Don't talk, then you are finished, now that you are done, then it's my turn!"

Lu Ming glanced around, with a faint smile on his face, and said, "This is what happened today. Guo Shi, Yan Song, Qing Fei led the rebellion, killed the sovereign, and intended to replace it. Then Tian Jiao Marshal brought People arrived, beheaded the rebellious state teachers and others, and avenged the host. In the end, the people supported him, and Ruan Tianjiao became the queen of the Mingyan Kingdom."

What?

The National Teacher, Yan Song, Qing Fei, and other people on the scene, including Ruan Tianjiao, were all ignorant.

It took a while to react.

"Hahaha, this kid, dying, seems to be scared crazy!"

Yan Song laughed, and all the tears of laughter came out.

Guo Shi, Qing Fei and others also laughed, full of contemptuous smiles.

Lu Ming meant to kill all of them, and then let Ruan Tianjiao sit on the throne of the queen. How could this be possible?

What a crazy word!

Guo Shi and others shook their heads.

Lu Ming didn't seem to see the expressions of Guo Shi and others, but instead looked at Ruan Tianjiao and said, "Tianjiao, what do you think of my idea, how?"

"what?"

Ruan Tianjiao was stunned, and he didn't react.

"I understand that you are not easy to do, then let me come!"

Lu Ming smiled slightly, then got up and stepped towards Yan Song's side.

"This man is crazy, kill me!"

Yan Song shouted.

"Boy, crazy words, dead!"

A marshal shouted, stepped out, and the ground roared. His burly body rushed towards the landing, like a mountain, and it slammed toward the landing. The momentum was amazing.

But Lu Ming's face was calm, as if he didn't see the marshal's hands-on, any attack from this person came.

"Be careful!"

Ruan Tianjiao exclaimed, but it was too late to rescue.

"Boy, die!"

Yan Song shouted in his heart, his eyes full of pride, wanted to compete with him for a woman, do not know life and death!

At this moment, Lu Ming's eyes turned to the marshal, and there were two dark lights in his eyes, which passed away.

Then everyone saw the marshal's body shuddered and fell to the ground with a thud, without any breath.

died!

The marshal suddenly died, silently. No one saw how the marshal died, and no one saw how Lu Ming did it.

The scene calmed down suddenly.

The Master's eyes narrowed slightly, flashing a cold light.

"Bold, dare to kill the commander of the army, what is not rebellion? Take action, take action together, kill this person!"

At the edge of the country, Qing Fei shouted.

boom! boom! boom!

The other three marshals shot at the same time, and all three of them were successful practitioners of Ming Sheng, and they shot together. The momentum was quite terrifying. They wanted to kill Lu Ming in one fell swoop.

"dead!"

Lu Ming didn't look at the three marshals. His eyes kept looking at Yan Song's side, and he spit out a word gently in his mouth.

The power of the Divine Sword Skill radiated out with the sound and rushed into the three marshals.

The three marshals, like the previous marshal, had a slightly trembling body, the soul was wiped out by Lu Ming, and the body fell down softly, without the slightest breath.

Dead, dead again!

The four marshals, Mingyan's top strongmen, all died instantly, and no one saw how they died.

At the scene, there was a breath of cold breath.

They only heard Lu Ming utter a word of 'death', and the three marshals died.

This is too scary, what magical power is this?

As if Lu Ming is the **** of death, whoever wants to die will have to die.

Yan Song's face changed and became pale like paper, with a terrified look in his eyes.

Guo Shi, Qing Fei's complexion also changed and became very dignified.

They know that they have encountered a tough strong man.

Chapter 1943: One thing

And Ruan Tianjiao is also dumbfounded and unbelievable.

Each of the four marshals is as good as her, but her spirit is higher. She ranks first among the five marshals in terms of combat power, but she is not much stronger.

Four such powerful men died in front of Lu Ming in an instant.

Lu Ming, what is this cultivation? Is Lu Ming the strong man of the Great Holy Realm?

In the past, when she first saw Lu Ming, although Lu Ming felt very extraordinary, she also felt that Lu Ming was at most similar to her.

Unexpectedly, Lu Ming silently killed four top masters.

bump! bump! ...

After Lu Ming killed the four marshals, he continued to step forward and walked towards Yan Song.

Every step seemed to strike on Yan Song's heart, making his heart tremble, and the panic in his eyes grew stronger and stronger.

"Shoot him with a shot, kill him with a shot!"

Yan Song hysterically shouted.

"This man is rebellious, and it is going to kill your majesty. Get out!"

Qing Fei also cried.

Uh! Uh! Uh! ...

In the back of the country's master, as well as the back of the national teacher, some figures were rushed out.

These people have a very strong aura, and many people's cultivation practices are actually full of Mingsheng, not weaker than the four marshals.

These people are the strong men cultivated by the royal family and the strong men cultivated by the national teachers. This is their true strength.

Many masters joined forces, intertwined with strength, like a heavenly net, lingering towards the landing.

"kill!"

At this moment, Lu Ming shouted again, the sound rolled, and came out, rushing in all directions.

Those who killed him in the same direction, just like the previous four marshals, all shook their bodies, and then fell down softly, without breath.

This time, even the national teacher's face changed and became pale.

Speaking of Song, Qing Fei, is already completely afraid.

"Demon, you are a demon!"

Yan Song hysterically shouted.

Lu Ming just spit out a word, so many masters died instantly, which is beyond his understanding.

At this time, Lu Ming was a demon in his eyes.

Lu Ming's eyes were indifferent and he continued to walk towards Yan Song.

Yan Song's body shivered with fear, and kept going back, yelling in his mouth: "Dad, daddy, save me!"

"He can't move you!"

The national teacher spoke indifferently, and immediately, an amazing breath broke out on him.

This breath is stronger than any one before.

"Great Holy Realm, Yankui, you have broken through the Great Holy Realm!"

Ruan Tianjiao cried inconceivably.

The National Teacher, has actually broken through the Great Saint, and can be called the first master of the Ming Yan Kingdom.

She couldn't help worrying about Lu Ming, but Lu Ming's complexion didn't change at all. It seemed that the cultivation of the Great Sacred Realm didn't cause any waves in Lu Ming's heart.

"Brother Jian, let's go together!"

At this moment, the national teacher suddenly spoke.

"Unexpectedly, Ming Yanguo actually had such a character. Fortunately, it is safe to shoot together!"

Behind the Guoshi, an old voice sounded, and then the two old men stepped out and stood with the Guoshi.

boom! boom!

Then, the two old men burst into a breath of breath, a terrible breath, swept through the clouds, and the world changed color.

These two old men actually have the cultivation of the Great Sacred Realm.

At the same time, two long swords like water waves floated above the heads of the two old men.

"Luoshui Shuangjian, you are the unparalleled swordsman of Luoshui Kingdom, Yan Kui, it turns out that you are the one who really colludes with the waters!"

Ruan Tianjiao shouted and was shocked.

Luoshui Kingdom's unparalleled swordsman is the most terrifying strongman of Luoshui Kingdom. The top two strongmen of the two great sages have appeared beside the state master at this moment. Needless to say, the state master secretly reached Luoshui country, he is the real traitor.

"What do you know? Today, you are all going to die!"

The national teacher spoke indifferently.

"Kill, dad, kill this kid, no, abolish him first, I want him to live better than die!"

Yan Song was stunned at first. Obviously, he did not expect that the cultivation practice of the state teacher actually reached the Great Holy Realm, and Luoshui Kingdom's Wushuang Jiansheng was also on the sidelines.

But immediately, he was ecstatic, shouting ecstatically.

The three great saints, Lu Ming is dead, no matter what means he has.

The Great Sacred Realm, in the Mingyan Kingdom, is a legend and a means to the heavens.

"This is your hole card?"

Lu Ming didn't look at Yan Song at all, and spoke lightly, then stretched out a hand and pressed against the void.

boom!

In the sky, a huge and huge hand suddenly appeared, covering the sky and covering the sky, covering the sky, toward the national division, and the Luoshui Kingdom Wushuang Sword Saint.

The terrifying atmosphere was so vast that the faces of Guo Shi and Luo Shui Guo Mu Shuang San became suddenly pale.

They felt that the breath was not what they could resist.

At this moment, they wanted to escape, but found that the space around them had solidified, and they could not escape at all.

"This this..."

Yan Song, Qing Fei was completely stunned, staring at the big hand like a **** in the sky, their body trembling like a sieve, this power made them desperate.

"Block it!"

The national teacher shouted, he was unwilling, he had to resist.

He stamped his hands and made a terrible palm print.

At the same time, Luoshui Kingdom Wushuang Jiansheng also attacked, and two sword lights, like a big river, rushed towards the sky.

However, Da Sheng Xiao Cheng, in the hands of Lu Ming, is no different from the ants.

When the big hand was pressed, the attack of the three people collapsed in an instant. Finally, the big hand covered the three people and threw heavily on the ground.

boom!

The earth roared, the smoke filled, the gravel splashed.

After a while, the smoke and dust disappeared, and everyone saw that a huge palm print appeared on the ground, which was deeply plunged into the ground. Vomit blood.

Their breath was extremely weak, like three ordinary people. Lu Ming had already abolished their cultivation behavior in the attack just now.

In the eyes of the national teacher, it was all unwilling and hopeless.

When it was over, he knew that everything was over.

what!

Yan Song screamed suddenly, his body turned into a rainbow, and fled towards the distance.

He actually ignored the Guoshi and others and wanted to escape alone.

But Lu Ming flicked his fingers and flew out with a force, piercing Yandan's Dantian, piercing his Dantian, and also abolished his cultivation behavior.

The repair was a waste, and Yan Song couldn't fly. He fell heavily on the ground and issued a hysterical scream.

"You're left!"

Lu Ming stepped towards the Qing concubine and the sovereign.

"Bold, you dare to move my beloved concubine, and widow your Nine Clan!"

The Lord shouted and stopped in front of Lu Ming.

Lu Ming shook his head, and the sovereign had completely lost his mind and left it useless.

Lu Ming flicked his fingers and shot with strength, piercing the eyebrow of the sovereign, killing him.

Chapter 1944: Empress

After killing the sovereign, Lu Ming looked at Qing Fei.

With continual panic in his eyes, Qing Fei looked at Lu Ming, and suddenly smiled and said, "The young man is so young, he has such a cultivation practice, really admire the slave family?"

"Oh?"

Lu Ming whispered softly.

"Yangkui and his son committed chaos and beheaded the king. Fortunately, the son shot and killed Yankui and his father. He took revenge for the king, and his son's cultivation was enough to lead Mingyan. The slaves were willing to assist the son and take the throne. Waiting for the son in the future!"

Qing Fei opened her mouth, and the sound was very nice. The enchanting body twisted like a water snake, and she was about to plunge into Lu Ming's arms. At the same time, she looked at Lu Ming's eyes, and there were strange lights flashing in her eyes.

"Show me the charm, don't try your best!"

Lu Ming spoke lightly. When the last word fell, Lu Ming's eyes glowed like stars.

Qing Fei screamed, flew out of the body, fell to the ground, vomited blood, and his face was pale, revealing a desperate look.

Her practice was also abandoned.

Lu Ming smiled faintly. This woman actually used charm technique against him. It was too self-disciplined. Lu Ming only operated a little power, and the other party was bitten back, and the cultivation was abandoned.

Taking a step out, Lu Ming came to the top of the state teacher, staying at minus zero, overlooking the state teacher, and said lightly: "Your strategy is good, but unfortunately, the strength is too weak, and it is useless."

"God doesn't bless me!"

The national teacher shouted and exhausted, his eyes full of unwillingness and despair.

He tried his best to set this game, which was originally seamless, and Ruan Tianjiao had no chance to make a comeback.

In the future, Ming Yanguo will definitely fall into his hands.

He had never expected that Lu Ming would be killed halfway, and with absolute power, he would smash all his plans.

Faced with absolute power, all the tricks are so ridiculous.

He finally understood why Lu Ming had been drinking calmly there without saying a word when they walked step by step according to plan.

That's just looking at the clown mentality, watching them.

Lu Ming is letting them play, when they think that the overall situation has been decided, and then shot, easily overthrowing all their strategies, all their efforts and all layouts.

He can only blame him, why did someone like Lu Ming appear.

"What the **** are you? Nine Kingdoms in the sea, no one like you?"

The National Teacher shouted unwillingly.

"Who am I? You are not qualified to know!"

Lu Ming spoke lightly.

Later, Lu Ming looked at Ruan Tianjiao and said, "Tianjiao, how to solve it afterwards?"

At this time, Ruan Tianjiao woke up like a dream, Lu Ming shocked her, too strong.

The great saint and strong man, in Lu Ming's hands, had no resistance, and his hands could be destroyed, which really shocked her.

"Kill, kill all!"

Ruan Tianjiao spoke indifferently, and since things had already reached this point, there was no way out.

After the decision was made, Ruan Tianjiao turned into a marshal of blood, stepping forward, Jianguang burst out, killing all the state teachers, Yan Song, Qing Concubine, and even some royal people on the scene, also beheaded by her.

Randomly, Ruan Tianjiao turned into a **** of death and secretly killed him in the depths of the palace, killing all the people in the royal family.

Now that he has reached this point, Ruan Tianjiao understands that there is no way out.

Later, Ruan Tianjiao took the body of Luoshui Kingdom Wushuang Jiansheng and stood on the tower of the deserted city, proclaiming the world, the national division rebelled, secretly Luoshui Kingdom, united the four marshals, Qing Fei and others, and killed the sovereign and the core members of the royal family. , Intending to seek usurpation.

Later Ruan Tianjiao arrived, killing the National Teacher and a group of rebellions, but unfortunately he was unable to return to heaven.

The news shook the world.

A few days later, the whole army of the Shenjiao Army killed the capital and took control of it.

However, the other four marshals also announced to the world that everything was a conspiracy of Ruan Tianjiao. It was Ruan Tianjiao who killed the state division and the host, intending to usurp the throne, and led the army to attack the **** in the name of helping the host revenge. Jiaojun.

However, the four major legions have lost the ranks of marshals, and their cohesion is weak.

Moreover, the Shenjiao Army is now training a true dragon battle array. It has powerful combat strength, and easily defeated the four major legions and conquered the four major legions. By this time, the Ming Yan Kingdom was under the control of Ruan Tianjiao.

After a few days, the Shenjiao Military Department will make Ruan Tianjiao the emperor and be rejected by Ruan Tianjiao on the grounds that the country cannot be unowned for a day.

After a few days, the Ministry will persuade again, but still refused by Ruan Tianjiao.

The third time, not only the generals, but also hundreds of surnames, also came to petition, hoping that Ruan Tianjiao would ascend the throne and take control of Mingyan.

In the past, the Ming Yan State Master was in power, so that the name was not enough, and now the State Master was killed, and the people all celebrated.

And Ruan Tianjiao has always been the title of Goddess of War, and is loved by the people. The people naturally hope that Ruan Tianjiao will take charge of Mingyan.

In this way, Ruan Tianjiao agreed to inherit the throne and ascend to the throne.

The Mingyan Kingdom was very lively and began to prepare for the throne ceremony.

Naturally, Lu Ming would not intervene in these matters. For Ming Yan, he is just a passer-by, and he will soon leave. Now, he only has to wait for the Nine-Parliamentary League and then head to Time God Island to explore the Time God Mountain.

During this time, he practiced quietly.

But soon after, a news came.

The Luoshui Kingdom mobilized a large army and came in a cross-sea battleship to kill the Mingyan Kingdom.

The Mingyan Kingdom was shocked from top to bottom. The national power of the Luoshui Kingdom has always been above the Mingyan Kingdom.

Ruan Tianjiao immediately ordered to mobilize the army to meet Luoshui Kingdom.

Lu Ming also set off with the army.

When they arrived in the northern part of the Mingyan Kingdom, they saw several huge battleships flying in front of them. There was a dense army of horses, riding a variety of beasts, and their arms were strong.

"My Luoshui Kingdom and the Mingyan Kingdom have been in contact for generations, and waiting for the chaos thieves to usurp the throne, it is hard to understand. Today, I am Luoshui Kingdom, came to be avenged by the Mingyan Kingdom!"

A voice came from the army of Luoshui Kingdom.

"It's really shameless!"

Ruan Tianjiao shook his head.

The Luoshui Kingdom has been fighting continuously with the Mingyan Kingdom. The Luoshui Kingdom has always attempted to invade the Mingyan Kingdom. Now, the population of the Luoshui Kingdom has become a good relationship between the two countries.

"I want to find a reason to attack our country, and find a better one. This reason is really laughable!"

Ruan Tianjiao's voice came out.

"Rebellious people, it makes sense. Today is your death, kill!"

The commander-in-chief of the Luoshui Kingdom ordered that the army form a battle front to kill the Mingyan Kingdom.

"Arrange the battle to kill the enemy!"

Ruan Tianjiao ordered, the Shenjiao Army set up a large formation, and a real dragon suddenly appeared, and the sky was screaming, and the momentum was amazing.

"This big array..."

The commander of Luo Shuiguo was shocked.

boom!

The legions of the two countries collided fiercely.

Although the number of the Shenjiao Army is less, the real dragon battle array is too powerful. When the two armies collided together, the real dragon shouted and grabbed it, tearing the other battle array into a gap. .

Chapter 1945: Nine Congress

Defeat defeated!

The Luoshui Kingdom's army had not torn apart from the Shenjiao Army a few times before it was torn open, and the battle array was also broken.

Roar!

The real dragon yelled, huge dragon claws stepped on, large sergeants were killed by the dragon claws, and the blood was filled.

"Run away!"

The battle front was broken, and it was even more impossible to resist the God Flood Army. Some people were constantly killed, and the rest were frightened and ran away.

"Damn, kill!"

In Luoshui Junior High School, a roar came out, and an iron armor general rushed out, bursting into a breath of breath.

This person is a powerful man in a great holy realm.

The Luoshui Kingdom is really much stronger than the Mingyan Kingdom. There are many great saints and strong men. Unlike the Mingyan Kingdom, there is only one national teacher.

"I'll play with you!"

Lu Ming stepped out in one step, then waved a button, a huge palm formed, and suppressed toward the other party.

"Ah, no!"

The opponent was so scared that they all flew, trying to escape, but they were directly hit by a palm, and they were torn apart.

Among the army, Ruan Tianjiao secretly shocked.

Lu Ming is simply unfathomable. The characters in the realm of the Great Saint can be killed by raising their hands. Lu Ming, what kind of characters are they?

Sacred Consummation? Or holy?

Ruan Tianjiao was curious, and then shook his head again. How could such a young holy person be?

She estimated that Lu Ming was the pinnacle of the Great Saint, or the successful cultivation of the Great Saint, which was already amazing.

There was no suspense in this war. The soldiers of Luoshui Kingdom were defeated and almost wiped out by the whole army. The remaining people surrendered and surrendered. The huge battleships were also owned by Ming Yan Guo.

The Shenjiao Army defeated Luoshui Kingdom, the news came out, the country celebrated, and Ruan Tianjiao's reputation also reached its zenith.

Taking this opportunity, Ruan Tianjiao ascended the throne as the queen and became the only queen in the Mingyan Kingdom for so many years.

In the following days, Lu Ming practiced quietly, time passed, and half a month passed in a blink of an eye.

At this time, it was finally the day of the sea of nine congresses.

The sea is the title of this sea area. In this sea area, there are nine countries in total, known as the nine countries of the sea, the country of Mingyan, and the country of Luoshui. They are all one of the nine countries of the sea.

This time, the alliance is to select the candidates to go to Shenguang Shendao.

It is said that going to Time God Island is likely to be accepted as a disciple by the strong man of Time God Island.

Time God Island, but Wanhai Realm's most powerful force, none of them, high above, is the holy land of martial arts in everyone's mind.

The location of this alliance is in the capital of Cangshui, one of the nine countries.

The Cangshui Kingdom is the strongest country in the Nine Kingdoms and has always been the leader of the Nine Nations Alliance.

Ruan Tianjiao selected a part of the strong and went to Cangshui Kingdom together with Lu Ming.

Ten days later, they came to the capital of Cangshui Kingdom.

In a few days, the Ninth National Congress was held.

In a square in front of the palace of Cangshui Kingdom, rows of tables and chairs are lined up. The owners of the nine nations of the sea, as well as some powerful ones, have sat down one after another.

The people of the Cangshui Kingdom, sitting on the head, represent the identity of the leader.

"Okay, this time the League, as before, was also selected to enter Time God Island. Our nine countries have a total of 100 places!"

A strong voice came from Cangshui Kingdom.

It was the sovereign of the Cangshui Kingdom. It looked like a fifties, with a burly figure, a thick breath, and full of majesty.

"In my opinion, this time only eight nations are right. The Mingyan nation is not qualified to participate in this alliance, nor is it eligible to travel to Time God Island!"

In the right direction, there was a cold and quiet voice.

The man who spoke was a thin middle-aged man who was the head of the Luoshui Kingdom.

Luo Shuiguo's elaborate plan for many years was destroyed, and several great sages died in a row, and his strength has weakened a lot. At this time, why would he not target Mingyan?

"My Mingyan country is not qualified to join the league? How can you say that?"

Ruan Tianjiao spoke coldly.

"It goes without saying that you Ruan Tianjiao, the wolf child's ambition, committed chaos, beheaded the Mingyan Lord, and replaced it. How can such a person be eligible to participate in the League?"

Lord Luoshui said coldly, and continued to taunt: "The nine kingdoms of the sea have inherited a long time, and the royal family of each country has a noble bloodline. What is your Ruan Tianjiao, what qualifications are you in charge of Mingyan?"

"Oh, you Luoshui Kingdom colluded with my Mingyan Kingdom Master, and wanted to hurt the former Lord, so that the name of Mingyan Kingdom was not alive, and I wanted to harm me later. How can I not resist?"

Ruan Tianjiao sneered.

"Rebellion is rebellion. No matter how much you say, you still cannot escape the fact of rebellion!"

Lord Luoshui took a cold drink, then looked at Lord Cangshui and said, "Cang Brother, Ruan Tianjiao of Mingyan Kingdom, are they eligible to participate in the League? Are they eligible to go to Time God Island?"

The Lord of the Cangshui Kingdom said quietly, "The God of Time Island is a sacred place, and the rebellious people are indeed not qualified to go. Ming Dynasty, please come back!"

Lord Cangshui's remark was obviously standing on the side of Luoshui, which made Ruan Tianjiao's face look ugly.

And people in other countries are all looking at it.

When Ming Yan left, they could have one less competitor, and they would naturally like to see it.

"Oh, it's ridiculous!"

At this time, Lu Ming smiled faintly, and the disdainful voice spread throughout the audience.

"What are you, the sovereigns talking, when is your turn to interject?"

Lord Luo Shui glanced at Lu Ming and scolded.

But Lu Ming was too lazy to look at Lord Luoshui, and regarded him as air.

"What is ridiculous?"

Lord Cangshui, looking at Lu Ming, asked coldly.

"Speaking of rebellion, which of the founders of the Nine Kingdoms is not rebellious? How can there be the Nine Kingdoms without the rebellion?"

Lu Ming said lightly.

Tens of thousands of years ago, there were no nine countries in the sea, but only one country, the sea.

At that time, the Nine Kingdoms ruled the current territory of the Nine Kingdoms, and the ancestors of the Nine Kingdoms later jointly rebelled and destroyed the Nine Kingdoms.

It can be said that the ancestors of the Nine Kingdoms are all rebellious people.

"Bold!"

"Careless, you die!"

"Dare to humiliate the ancestors, kill without amnesty!"

The roars of the sovereigns one after another, a strong breath, enveloped Lu Ming.

"It's all rebellion, what qualifications do you have to explain Yan Country? If Yan State is not qualified, then neither of you are qualified."

Lu Ming was still light and windy, and a voice full of contempt sounded.

"court death!"

On the other side of the Cangshui Kingdom, an old man flew out, and the cold murderous opportunity made no secret. A horrible sword light burst out of his hands and slammed towards the landing.

This person has the perfect cultivation of Ming Sheng.

"roll!"

Lu Ming shouted, the opponent's sword light collapsed, his body trembles, he flew back at a faster speed than when he came, and vomited blood.

The sovereigns of the nations, as well as other masters, all have their eyes condensed, revealing a dignified color.

With a loud shout, he wounded a master of the Mingsheng's consummation. Does this person have a young man's cultivation behavior?

Chapter 1946: Megatron

In particular, the Lord of Luoshui Kingdom was shocked, is it possible that Luoshui Kingdom has fallen several people in succession?

For a time, many powerful people seemed to forget to speak.

Lu Ming got up and looked around. His eyes were as bright as stars. He said: "I am too lazy to talk nonsense with you. You can make a blood oath. From today on, the ally of the nine nations in the sea will be Mingyan, and Ruan Tianjiao will be the lord. This time, the quota of Time God Island will be determined by the Mingyan Kingdom!"

After the last state teacher's incident, Lu Ming understood that there was no need to listen to these people's nonsense, or nonsense with these people. Pure and broken is a waste of time. It is better to directly deter with force.

What?

After Lu Ming's words fell, the other eight people on the scene were stunned.

They stared at Landing in a daze, like a fool.

This is not a fool? Let them make a blood oath directly, proclaiming Yan Kingdom as the leader. This time, the quota of Shengguang God Island will also be arranged by Mingyan Kingdom?

This is simply not known, is a big joke.

Does Lu Ming think that he can shout loudly and shock a man who is consummate to Ming Sheng, and he is invincible in the world?

It's ridiculous.

Especially the people of Cangshui Kingdom have a particularly gloomy face.

The leader of the Nine Nations has always been the Cangshui Kingdom. What does the Mingyan Kingdom mean? Still want to usurp the position of leader of the nine countries? act recklessly!

"In my opinion, this kid is completely insane, and here is crazy talking, the Mingyan country is already incurable, it is better to send a master directly, destroy the Mingyan country, how to support one person in charge of the Mingyan country?"

The Lord of Luoshui Kingdom said coldly.

"There is a lot of nonsense. Since this is the case, I declare that Luoshui Kingdom is out of the game and is not eligible to participate in the Nine-Parliamentary League, nor is it eligible to set foot on Time God Island, get out!"

Lu Ming glanced at Luoshuiguo and said coldly.

Everyone looked at Lu Ming again like a fool.

This is especially true of people in Luoshui Kingdom.

"Do not go, do not go, then clean it up!"

Lu Ming said coldly, his voice falling, and he stepped in the direction of Luoshui Kingdom.

"Arrogant, kill him!"

The Lord of Luoshui Kingdom drinks coldly.

Suddenly, behind him, several strong men were killed.

Two great sages and three great sages are perfect. This is the only top expert left in Luoshui Kingdom.

The five masters joined forces with a breath of breath, and they wanted to bomb Lu Ming in one fell swoop.

"That kid, it's dead!"

There is a sneer on the face of the sovereign of a country, but the sneer on his face disappears in the next moment. Instead, it is consternation and extreme consternation.

I saw that Lu Ming punched out, the void shook wildly, the air was squeezed together, and then burst out, forming a terrible punch.

Fisting and crushing, the five strong men of Luoshui Kingdom exploded directly, leaving no bones.

Hiss...

The sound of inhalation of cold breath sounded, everyone's expression was stiff there.

"Do not.."

After half a ring, Lord Luoshui issued a scream of tragic humanity.

These five people, but Luoshui country's five strongest people, the death of these five people, Luoshui country's power has weakened sharply, reduced to the worst power of the nine countries, sooner or later to be annexed by other countries.

He was bleeding with heartache.

But when he saw Lu Ming continue to step towards him, he was frightened and yelled: "Brother Cang, help, this person is lawless and must be removed!"

"stop!"

The Lord of Cangshui shouted loudly.

But Lu Ming didn't seem to hear it. He stepped out and appeared on the side of the Lord of Luoshui Kingdom.

Lord Luoshui wanted to escape, but Lu Ming stepped out, Lord Luoshui screamed, and was stepped heavily on his face by Lu Ming, vomiting blood and twitching all over.

"Come on, kill me!"

The Master of the Cangshui Kingdom was furious. He already stopped, and Lu Ming didn't even bird him.

"kill!"

"kill!"

In the Cangshui Kingdom, two loud shouts came out, and two figures stepped out, a terrifying breath blooming in the void.

"Dasheng Pinnacle, Dasheng is complete!"

Someone exclaimed, shocked.

People in other countries tremble secretly.

The Cangshui Kingdom deserves to be the leader of the Nine Kingdoms. For tens of thousands of years, it has been firmly seated as the No. 1 throne of the Nine Kingdoms. Its strength is amazing. With one shot, it is the Great Sheng Dacheng, the strongest of the Great Saint Peak.

One such strong man is enough to destroy a small country.

Ruan Tianjiao, as well as other people in Mingyan Kingdom, could not help getting nervous.

Although Lu Ming is powerful, is he the opponent of Dasheng Peak Powerhouse?

But in the face of such a strong man, they are helpless and can only watch.

Two masters of the Cangshui Kingdom approached Lu Ming at a rapid speed.

"Release Lord Luoshui!"

The strong man of the Great Saint Peak shouted, volleying a finger, a terrifying finger, and pierced into the eyebrows of Landing Ming.

"Find your own way!"

Lu Ming spoke indifferently, then punched again.

This punch is more terrifying than the previous punch.

The Void vibrated and squeezed past. The strong man at the peak of the Great Saint exploded directly in the body, as did the Great Saint and the Great Man behind him.

At this moment, everyone at the scene, heart and body, were shaking, uncontrollable shaking.

Everyone's eyes were fixed on Lu Ming, and it was difficult to move.

One punch, another punch, the strong man at the pinnacle of Da Sheng, with his bones crushed, is like the one of Da Sheng Xiao Cheng before, as if in Lu Ming's hands, the cultivation of those people is strong or weak, there is no difference.

"Strong, too strong, Lu Ming is too strong!"

On the edge of Ruan Tianjiao, several of his ministries will tremble, not knowing whether they are excited or excited.

"Lu Ming, where is your limit?"

Ruan Tianjiao's voice also shivered.

The longer she got along with Lu Ming, the more she discovered that Lu Ming's unfathomable, like Lu Ming's combat power, endless.

Starting from knowing Lu Ming, no matter what kind of opponents he faces, Lu Ming is light and calm, and his opponent is already dead without a second move.

The Lord of the Luoshui Kingdom, at Lu Ming's feet, his body trembling and sweating coldly.

At this moment, he almost scared to death.

What a terrible monster this is, it simply cannot resist.

"I surrender, I swear to follow Mingyan all my life, and regard Mingyan as the leader!"

The Lord of the Falling Water shouted, afraid that Lu Ming would trample him to death.

Lu Ming didn't even look at him. His eyes looked at the Cangshui Kingdom and said, "It seems that the Cangshui Kingdom would also like to be out of the game, then I will accomplish you all!"

Talking, stepping out, heading towards the Cangshui Kingdom.

Lord Cangshui, his face pale.

The Great Saint Peak is the strongest person in the Cangshui Kingdom, but in front of Lu Ming, he was unable to withstand a blow and was instantly killed.

"Lu Ming, I still accept it when I see it well, otherwise it will do no good to both of us!"

The Lord of the Cangshui Kingdom spoke.

"Really? I'm a little curious. How do you make me useless?"

With a faint smile on Lu Ming's face, he continued to step forward.

Lord Cangshui's face changed for a while, then suddenly got up and clenched fists at the two old men behind him, saying: "Two seniors, please get rid of this person, Cangshui must have a good reward!"

Chapter 1947: One after another

Lord Cangshui bowed down to salute the two old men sitting behind him, respectful and stunned.

Cangshui Nation, Nine Seas Nation, ranked first, and the most powerful person in the Nine Seas Nine Seas, who can make him so low-profile?

Everyone's eyes fell on the two old men, but the faces of the two old men were very ugly.

Lu Ming also had a faint smile, looking at the two old men, saying, "Are you sure you want to shoot?"

The two old men squeezed a little smile on their faces, got up and clenched their fists at Lu Ming, one of them said: "Lu Shao laughed, how dare we dare to do it with Lu Shao!"

That's right, these two old men, also foreigners, appeared on the same island as Lu Ming when they first entered, but they saw Lu Ming bombard the Jinwu clan's prospective emperors.

They are only the most holy consummate practice, where dare to start with Lu Ming, isn't it to find death?

The attitudes of the two old men made Lord Cangshui's body stiff there and looked at the two old men inconceivably.

These two old men appeared in the Cangshui Kingdom some time ago, and the strength they showed was simply earth-shattering and unfathomable. He was shocked to be a man of heaven and regarded as supremely powerful.

But such a character, now in front of Lu Ming, trembling, how is this possible? Who is that young man?

The heart of Lord Cangshui kept sinking.

"You also want to go to Time Mountain?"

Lu Ming then spoke, and the two old men nodded.

"Very well, now, you shot, killed them, I will give you two places!"

Lu Ming spoke coldly, pointing to the masters of Cangshui Kingdom and Cangshui Kingdom.

Lord Cangshui's face changed wildly, shouting: "Senior, don't!"

"kill!"

"kill!"

The two old men glanced at each other, then broke out, and went to the Lord of Cangshui and others.

In the face of the strongest sage, the Lord of Cangshui and the masters are simply difficult to resist, and they are killed directly, even if they are the characters of the Great Holy Realm. They have no resistance at all.

In an instant, the masters of the Cangshui Kingdom and the masters of the Cangshui Kingdom were all killed, and the rest were weak, trembling and pale.

So strong!

At the scene, people from other countries looked at the two old men in shock.

Too strong. The cultivation of the two elders is unfathomable. There are many great masters in the Cangshui Kingdom, but in the hands of the two elders, there is no strength to fight back, and they are killed instantly.

But in front of Lu Ming, such a strong man was respectful and shouted Lu Shao.

Many people tremble in their hearts and start sweating.

In particular, the other seven countries secretly rejoiced that fortunately they had no cheap mouths just now, and offended Lu Ming, otherwise it would be miserable.

At this time, the Lord of the Falling Water was trembling, and his face was pale, afraid that Lu Ming would kill him with a wave of his hand.

Ruan Tianjiao, everyone in the Mingyan Kingdom, was also shocked.

Lu Ming, in the end what identity, even the two powerful old men, respectfully respect Lu Ming, Lu Ming in their eyes, the more mysterious.

"I just said that the Mingyan Kingdom is the leader of the Nine Kingdoms. The quota of Time God Island is determined by the Mingyan Kingdom. Do you have any opinions?"

Lu Ming spoke lightly, glancing at the audience.

"No opinion, no opinion at all, Lu Shaowei pressured the world, unparalleled in the world, no ancients, no comers, to lead the nine countries, who dares to have an opinion, I can't spare him the first!"

Lord Luoshui finally seized the opportunity and yelled the first and gave Lu Ming a ruthlessly.

Many people accused the Lord Luoshui of being shameless. They used to ridicule Lu Ming for being a fool. Was he crazy? Now he immediately took Lu Ming to the sky.

"No opinion, the Cangshui Kingdom thinks that it has some strength and is aggressive. It should have given up the position of the leader of the alliance!"

"Yes, the position of the leader of the alliance is done by the Mingyan Kingdom, which is just right!"

"The quota of Time God Island is also determined by the Mingyan Kingdom!"

The proprietors of the other seven countries spoke one after another, and remembered that they patted on the horse.

Just kidding, Lu Ming is so powerful, how dare they disagree.

The world of martial arts, no matter where it is, follows a rule. Weak flesh and strong food. Only strength is truth.

"You make a blood oath, otherwise I will leave the next day, who knows if you will attack Mingyan!"

Lu Ming said lightly.

"Dare not dare!"

"Who dares to attack Mingyan Kingdom, I and him desperately!"

The sovereigns expressed their opinions one by one, and then issued blood vows, sincerely supporting Mingyan as the leader.

At this point, it is important that they keep their lives, and dare to have the slightest opinion.

Ruan Tianjiao, just like that, sat on the throne of the Allied Leader of the Nine Kingdoms.

During this time, she felt like she was dreaming.

First, he took the seat of the king of the Mingyan Kingdom, and then he took the throne of the leader of the Nine Kingdoms. If he had not personally experienced it, where would he dare to believe?

"Lu Ming, who are you?"

Ruan Tianjiao whispered, she felt inwardly, and she left Lu Ming with her instinct on that day. It was the most correct decision and the most important decision in her life.

Otherwise, she has been framed by the National Teacher and died.

The next thing is simple.

Ruan Tianjiao sat on the throne of the Allied Lord and chose a weaker prince in the Cangshui Kingdom to support him to sit on the throne of the kingdom. This person naturally followed Ruan Tianjiao's instructions everywhere.

Then began to select the candidates to go to Time God Island.

After everything was over, they stayed in the Cangshui Kingdom and waited for the arrival of Time God Island Messenger.

Lu Ming and Ruan Tianjiao are drinking in a huge courtyard.

"Tianjiao, your spirit body, should be the lower heaven spirit body!"

Lu Ming said.

"Yes!"

Ruan Tianjiao nodded.

Ruan Tianjiao's spirit body is extremely rare in the Nine Kingdoms of the sea, otherwise, it is impossible to be so young, he practiced to the state where the Mingsheng is perfect, and is known as the female **** of war of the Mingyan Kingdom.

"I have a treasure that can make your spirit evolve, but how much you can harvest depends on yourself!"

Lu Ming said.

He intends to use the Dayan Pill to help Ruan Tianjiao refine the spirit.

Acquaintance is a fate. He wants to help Ruan Tianjiao improve some strength as much as possible, otherwise he will leave. Ruan Tianjiao's strength is not enough to deter the masters of other countries.

"Can the spirit evolve?"

Ruan Tianjiao was shocked, and there was such a treasure in the world.

Lu Ming smiled and waved his hand, and the Dayan Dan furnace appeared and landed on the ground.

"It will be very painful to temper with Danhuo, and I can't help it, just tell me!"

Lu Ming said.

"What is pain?"

Ruan Tianjiao smiled, then entered the Dayan Pill, Lu Ming waved his hands, poured a lot of holy medicine, and began to help Ruan Tianjiao refine the spirit.

Ruan Tianjiao's willpower is very strong, and every time, he insists to the end.

In a blink of an eye, half a month later, Ruan Tianjiao's spirit body successfully evolved to become a medium-day spirit body, and due to the evolution of the spirit body, her cultivation practice also broke through in one fell swoop and broke into the realm of the Great Saint.

Chapter 1948: Come to time **** island

After Ruan Tianjiao broke through, Lu Ming took out two pieces of the Great Paladin to Ruan Tianjiao, so Lu Ming was relieved.

With Ruan Tianjiao's current cultivation practice of Dasheng Xiaocheng, plus the medium celestial body, and the most holy soldiers, it is enough to compete with the strong men at the peak of the Dasheng. In the place of the Nine Kingdoms, there are no opponents, enough to deter other countries and sit. Stabilize the throne of the lord.

Half a month later, a warship came out of the air and stopped above the capital of Cangshui Kingdom.

The messenger of Time God Island is here.

One hundred people heading to Time God Island are ready.

Among them, most of them are young people.

Because it is said that when you go to Shengguang God Island, you can get the guidance of the strong existence of Time God Island, and even have good luck. You can be taken as an apprentice by the strong people of Time God Island and stay in Time God Island to practice.

Ruan Tianjiao is also in the quota.

She is a rare natural arrogance, and naturally does not want to miss the opportunity to go to Time God Island.

Everyone boarded the warship, and then the warship broke away and disappeared into the waters of the nine kingdoms.

The speed of the warship is amazing, like a ray of light, piercing the void.

Standing on the warship, looking at the boundless sea below, it went away instantly.

This flight took more than ten days, and the speed of the warship suddenly slowed down.

"Time God Island, it's coming!"

The messenger of Time God Island spoke.

"Coming soon?"

Everyone was stunned, because looking around, where there is a shadow of the island, at a glance, it is an endless ocean, no island at all.

Buzz!

At this moment, the warship vibrated slightly, as if passing through a barrier. At the next moment, everyone's eyes widened in surprise.

Because in the air ahead, a huge island appeared. This island was actually suspended in the air.

A floating island.

"It turns out there is a formation!"

Lu Ming smiled slightly, and this sea area had a powerful formation, without special means, he could not enter at all, and could not see Time God Island.

No wonder there are rumors that without the introduction of the messenger of Time God Island, other people simply cannot find where Time God Island is.

The warship flew into the island of Time God and stopped in an open land, and everyone got off the warship.

"You come with me, and I will take you to the place where you live. In a few days, there will be a strong man of God Island to test you!"

The messenger said nothing and flew forward.

Everyone followed, and soon after, came to a place full of palaces.

At a glance, they are huge palaces, each of which is separated by a certain distance and is quite luxurious.

"Every palace here has a logo name. You live in a palace in the nine kingdoms of the seas. Go find it yourself!"

The messenger left a word, and emptied away and left here.

The people landed and began to look for them in many palaces.

Inukai Six Kingdoms!

Minghai Three Kingdoms.

Xuan Ling goes to the country!

...

They saw that different halls have different signs outside.

Soon, they walked to a palace, and the palace gate read: Nine Kingdoms!

Their palace has arrived.

However, the gates of the palaces were open, leaving them slightly stunned.

It stands to reason that the door should be closed before they have moved in.

Everyone's heart flashed with curiosity, and then walked in.

As soon as he walked in, he found a few figures sitting in the courtyard drinking tea. When Lu Ming came in, they looked at them like electricity.

"This is already our residence, you hurry up!"

A tall young man waved his hand casually, as if chasing a group of rednecks.

This tone makes people in the nine countries of the sea look a little unsightly.

"Everyone, it is clearly written here that it is the palace where the nine nations of the sea live. Have you gone wrong?"

Ruan Tianjiao clenched his fists.

"Are you blind when I am blind? I certainly know that this is the palace of the Nine Kingdoms of the Sea, but now, we belong to the Xuan Ling Shang Kingdom, we have many people, and the original palace can't live. As for you, you can find it in the wild. Live somewhere!"

Gao Daqing's young understatement.

Ruan Tianjiao and others looked ugly.

But at the same time, they also showed shock.

Xuan Ling Shang Guo, what can be called Shang Guo, is a very powerful country, ruling a vast territory.

Even if the nine nations of the sea are united, they are far away.

"Everyone, this is the temple of Time God Island assigned to our nine nations in the sea. You just occupy it like this. It's not very good. If we go to Time God Island, even if Xuan Ling goes to the kingdom, it's not easy to explain! "

Ruan Tianjiao said calmly.

"Are you threatening me?"

The tall young man's eyes flashed repeatedly, staring at Ruan Tianjiao.

"Dare!"

Ruan Tianjiao said.

"Dare not, then leave me alone!"

The tall youth scolded.

"Then we can only find the messenger of Time God Island!"

Ruan Tianjiao spoke coldly and turned away.

"presumptuous!"

The tall young man shouted, and suddenly stood up, a strong breath filled out, scolded: "It's really shameless to the face, every sea of nine countries, garbage-like sea area, dare to threaten me!"

Every time a word is spoken, tall young people take a step, and their momentum is getting stronger and stronger, which makes many people in the nine countries of the sea look a little ugly.

The Great Realm!

Tall and young, it seems that they are so young, they have achieved the cultivation of the Great Holy Realm.

The tall young man's eyes were indifferent and high above his eyes. He glanced at Ruan Tianjiao and said, "You are a woman, she looks good. I will give you a chance, kneel to admit your mistake, and then serve me for a few days. I can do so for this matter!"

"Damn!"

The youths of Mingyan were furious.

Apparently, the other party occupied their place of residence. Ruan Tianjiao only said that he was looking for the messenger of the Temple of Time. The other party was aggressive. He actually asked Ruan Tianjiao to kneel to admit his mistake and serve him for a few days.

What is wrong with them is clearly the fault of the other party!

"What are you talking about? Looking for death!"

The tall young man looked at the young man of the Ming Yan Kingdom with his eyes like a knife, and then stepped out, striking at the young people of the Ming Yan country with a figure like electricity, and a terrible knife slashed at this young man.

This is a means to kill in one blow.

The tall young man is too bully, and if he doesn't agree, he will kill.

At this time, Ruan Tianjiao's figure moved, and the sword light in his hand bloomed, slashing toward the sword light of the tall young man.

when!

When the swords collided, the tall young man was shocked and stepped back a few steps, being blocked by Ruan Tianjiao.

"Bold, dare to fight back, I will kill you first!"

The tall young man drank coldly, the assault offensive erupted, and he was killed towards Ruan Tianjiao. He cut out hundreds of knives in an instant.

But Ruan Tianjiao's face was calm, with Long Yin coming out of his body, the sword in his hand was cut out, and a sword light turned into a huge dragon shadow.

Long Ying threw himself out, all the knife lights shattered, the tall young man's body retreated a dozen steps, and a ray of blood spilled from his mouth.

Chapter 1949: Was beaten up

In one stroke, the tall young man fell into the wind and spit blood.

The cultivation practice of tall young people, like Ruan Tianjiao, is also a great success. However, the spiritual body of tall young people is only inferior celestial bodies, while Ruan Tianjiao's current spiritual body is a medium celestial body, and the other side naturally loses.

"you wanna die!"

The tall young man roared, and his eyes were filled with rich murderous opportunities.

An ant of nine nations in the sea actually wounded him. It is unforgivable.

Before, he had a pair of people standing high, looking down on the people of the Nine Kingdoms, but now, he was injured by Ruan Tianjiao.

If it was defeated in the hands of an elder figure, it is still said in the past, but Ruan Tianjiao's age looks younger than him, which makes him feel that he has lost his face.

"Kill, you will all die today!"

The tall young man shouted and killed Ruan Tianjiao again, but after a few moves, he was repelled by Ruan Tianjiao again.

"Bold, dare to hurt Tian Jiao of my Xuan Ling Shang Guo, sin should be dead!"

On the other side, several people who had been with tall young people also stood up, their faces cold.

Uh! Uh! ...

In the palace, there were constant shadows rushing out, and some of the old men were violent and powerful.

"To tell you to leave, you don't want to leave, it's just to find your way!"

One of the old men looked indifferent and stepped towards Ruan Tianjiao. With terrible breath, Ruan Tianjiao retreated back and forth.

"Holy!"

Ruan Tianjiao's voice interfered and could not help exclaiming.

The other people in the nine countries of the sea also changed their faces wildly.

The strength of Xuan Ling's kingdom is really too strong, even the most holy.

"Let me come!"

At this time, Lu Ming spoke, stepped out, and appeared in front of Ruan Tianjiao, blocking the other party's breath.

At the moment, Lu Ming is quite speechless.

How can I get to this idiot who pretends to be high?

In fact, in this world, there are indeed many such people. With a little power and status, looking down on those with lower identities, you will feel a sense of superiority in front of lower identities.

Once I met someone with a higher status, I immediately changed to a humble look.

There are too many of them!

Seeing Lu Ming's back, I don't know why, Ruan Tianjiao suddenly calmed down.

"Finally give you a chance, get out!"

Lu Ming spoke lightly.

"Little miscellaneous, you are not crazy, since you are looking for death, then I will complete you first!"

The most holy old man, with a cold color flashing in his eyes, slammed toward the landing.

With the palm of your hand, the space roared wildly.

The people of Xuan Ling went to the country and showed a smug smile. With this palm, Lu Ming will die. They seem to see the scene where Lu Ming was killed.

But at the next moment, their smiles froze.

I saw Lu Ming stretched out one hand and grabbed the other's palm, and the old man's palm stopped in the air.

The old man's face changed, and he became a little frightened, because Lu Ming's palms remained motionless as he let his holy power explode.

how can that be?

He is the most holy, the most holy one, and how old is Lu Ming, how could he have such strength?

"Give you the opportunity to cherish it, sadly!"

Lu Ming spoke indifferently, Shengli broke out, and suddenly flung.

The old man's body was thrown out and smashed heavily on the floor, the earth roared, and the floor exploded. The old man's body was thus embedded in the big pit, twitching constantly.

Everyone's expressions are stiff there.

Even though the people of the nine countries of the sea knew Lu Ming's unfathomable strength, he witnessed a legendary sacred strongman who was easily smashed to the ground by Lu Ming and was half dead. This kind of scene is too special. Impact force.

Xuan Ling went to the country, the tall young man, pale and trembling.

He can hardly believe that there are such powerful people in every region of the sea that can beat one of the most holy figures.

bump!

Lu Ming stepped out and stepped heavily on the holy old man. The terrible power shattered the holy heart of the holy old man.

The sacred heart was broken, and the cultivation was abandoned.

The most holy old man screamed in despair.

"you wanna die!"

Xuan Ling's other old man shouted, and his voice spread far away.

call out! call out! ...

At the next moment, the sound of breaking the sky began, and a figure descended here.

These are the strong people of Xuan Ling's kingdom, and they lived in their own palaces before, but did not live here. They arrived at this time. After learning that Lu Ming abolished a holy holy, he was shocked at the same time. There was a cold murder.

"Dare to offend my Xuan Ling to the country, kill!"

One of the old ladies with white hair shouted and killed like a sword.

Xuanling Going to the Kingdom is the most powerful country in the whole Wanhai Realm. One of the few great powers, except Time God Island, can almost dominate Wanhai Realm.

Now, there are nine nations in the sea, who dare to abolish the people who go to the kingdom of Xuan Ling, and they do not know what to do.

In an instant, there were at least ten strong men in the most holy realm, and the breath broke out. I am afraid that the pressure will be pressed against Lu Ming.

Among the people of the nine nations in the sea, the two old men who came in from the outside shook their heads silently.

But they knew Lu Ming's strength. This Xuan Ling went to the country, and he dared to treat Lu Ming with this attitude. They were just looking for death. They seemed to have seen Xuan Ling's miserable state.

"kill!"

The old woman with white hair took the lead and shot a terrible attack to Lu Ming.

At the same time, the other most powerful saints also took action. They attacked Lu Ming with more than a dozen attacks. They needed a blow to smash Lu Mingbang to pieces.

"Sinners do not live!"

Lu Ming spoke indifferently, then, with a punch, the void shook and formed a terrible strength, destroying more than ten holy attacks.

"how is this possible?"

All masters of Xuan Ling Shangguo were shocked.

In one move, more than ten holy attacks were destroyed. What is this strength?

not good!

They were shocked, cold all over, with a bad feeling, and some people even retreated, but it was too late.

boom! boom! ...

Lu Ming threw his fist continuously, rushing out with fists, and rushed towards those people with an irresistible momentum.

bump! bump! bump! ...

Every one of the most holy, without even screaming, was bombarded in the air with fists, leaving no scum left.

In an instant, more than a dozen holy ones, leaving only the old woman with white hair.

At this moment, the old white-haired woman was frightened and fled wildly.

"stop!"

At this moment, a loud cry came from the far air, full of anger.

But Lu Ming didn't seem to hear it, and punched again.

The white-haired old lady was directly exploded, destroying her form and spirit.

All around, falling into deathly silence, everyone looked at the landing terror in horror.

More than ten holy ones were killed in an instant, which is too horrible.

"Lu Ming, where is your limit?"

Ruan Tianjiao seemed to be numb, only with a wry smile and endless curiosity.

"Bold!"

In the air, an angry roar came, and then more than a dozen figures appeared.

Chapter 1950: Conflicts

More than a dozen figures emerged, led by a young man in a golden robe.

"Brother!"

Seeing this young man, Xuan Ling's tall young man in the kingdom showed ecstasy.

His elder brother finally arrived.

His elder brother came to Time God Island six years ago. With his amazing talents, he was accepted as a disciple by Time Emperor Island and is now a disciple. Now in Time God Island, he is aloof.

When his elder brother arrived, he was finally relieved.

"not good!"

Seeing this young man, Ruan Tianjiao's face changed wildly.

"Lu Ming, this person is wearing a gold robe, and his cuff is embroidered with a pattern of a long river of time, which is the symbol of the core disciples of Time God Island!"

Ruan Tianjiao quickly sent a voice to Lu Ming.

The core disciples of Time God Island are the highest level of disciples of Time God Island. There are not many whole Time God Island and their status is amazing.

This young man obviously also came from Xuan Ling's kingdom. This time, he was in trouble.

Xuanchuan is the name of this young man.

At this time, Xuanchuan was extremely angry, full of endless killing opportunities.

Today, he just happened to go out and wanted to see the people of Xuan Ling Shang Guo, and his brother also came, but unexpectedly, after coming, he saw Lu Ming killing Xuan Ling Shang Guo's master.

More than a dozen sages, even if Xuan Ling goes to the kingdom, he can't afford to lose it. This is definitely more than half of Xuan Ling's strong kingdom.

"Boy, I will let you die without a burial place, as well as those of you in the Nine Kingdoms, all will die!"

Xuan Chuan stared coldly at Landing Ming and wished to unload Lu Ming.

"It's you who went to the kingdom of the mystic spirit, occupying the palace where we live, and it's yours who went to the kingdom of the mystic spirit to start first. How can we not fight back?"

Ruan Tianjiao cried.

"Shut up!"

Xuanchuan drank coldly, his eyes cold, and said, "So what? Even if it occupies your palace, even if you want to kill you first, then what? You shouldn't fight back, fight back, you will die!"

Xuanchuan is overbearing.

They don't even care about the cause process, he only cares about the result.

As a result, the strong men of Xuan Ling's kingdom were killed, then Lu Ming, they were going to die.

"Brother, you must avenge the elders!"

The tall young man shouted.

"rest assured!"

Xuanchuan said indifferently, "Nine nations in the sea are lawless, openly on the island of time and space, killing the powerful of other countries is all a crime of death, not to mention killing!"

"Yes!"

Behind Xuanchuan, a few people walked out, a breath of terror burst out.

These people are actually the strongest of the most holy consummation.

These people are all powerful islands of Time God Island. Their faces are indifferent and they don't care who is right or who is wrong.

Xuanchuan said to kill, they will kill!

Xuanchuan was aloof on Time God Island, and was loved by many emperors. His words are law and reason!

The nine nations in the sea, including Ruan Tianjiao's complexion, are ugly.

Time God Island is no better than other great powers. Time God Island is the first force in Wanhai Realm. Its strength is unpredictable. There are many Holy Emperors sitting in the town and offended Time God Island. They will be removed from the Nine Kingdoms.

Lu Ming frowned slightly.

He himself is fearless, he is worried that it will affect the nine countries of the sea.

"Kneel down and convict!"

A strong man with the most holy consummation, indifferently opened his mouth, photographed with a palm, and a huge palm formed, pressing down toward the landing.

Lu Ming banged out with a punch and crushed the huge palm.

Condensed in Xuanchuan's eyes, this Lu Ming, such a strong combat power, can block even the strongest of the Sacred Consummation.

"Is this man from outside?"

Xuanchuan moved.

In his identity, he naturally knows many things that others do not know. During this time, many strong men who suddenly came to Wanhai Realm, one by one, cultivated deep and powerful, and the fighting power of many people was not weaker than Time God. Saint Emperor of the island.

He learned from the mouths of some old people that these people might come from outside the world.

At first, he was extremely shocked.

If Lu Ming also came from heaven, things would not be easy.

Xuanchuan frowned.

"My Xuanling people can't die in vain!"

Randomly, Xuanchuan's fists clenched together.

What about coming from heaven? Won't he be afraid of Time God Island.

"Shoot together!"

With a wave of his hand, a few of the most holy consummate powerhouses once again killed Lu Ming, all of which were tactics.

"You are looking for death!"

Lu Ming spoke indifferently. Just now, he had backed down and didn't fight back, but the other party obviously had to get in.

He understands that for such a person, it is useless to give back, and the other party will be afraid only if it is suppressed by irony.

bump!

Lu Ming stepped on his feet, his body rushed upwards, and a punch came out, and a shadow of the jail monument appeared, suppressing it to a powerful person with the most holy consummation.

The strong man's attack collapsed instantly under the shadow of the prison monument, and the shadow of the prison monument suppressed. The person screamed and his body was torn apart.

Then, Lu Ming took another punch, killing one of the most holy consummates.

"how is this possible?"

Xuanchuan roared, Lu Ming's combat power was too horrible, even the most holy consummation, can be killed.

That tall young man, as well as other people in Xuan Ling's kingdom, were also bloodless.

In their eyes, Lu Ming is a killer.

"Let the signal, let the signal, call the God Island Strong!"

Xuanchuan backed wildly and shouted at the same time.

"kill!"

Lu Ming stepped on the void and killed towards Xuanchuan.

"Lu Ming, it's you, kill!"

At this moment, a loud roar sounded, and then, a terrifying sword light, chopped from a distance, was extremely terrible, as if to split the entire island of Time God in half.

Lu Ming's eyes narrowed, and a Sword of the Holy Paladin appeared in his hand.

boom!

The violent roar, with endless sword energy, spread out.

call out!

In the distance, a light flashed, and a middle-aged man appeared in the air.

On this person, the lights lit up one by one, hundreds of sacred soldiers were suspended around him, and at the same time, a river of law surrounded him.

"Thousands of people!"

Lu Ming's eyes narrowed slightly.

It seems that many masters who have entered Wanhai Realm, like him, have all arrived at Time God Island, apparently to explore Time God Mountain.

"River of Laws, that is...Holy Emperor!"

"God, the Holy Emperor appeared!"

"Is it the Holy Emperor of Time God Island!"

A cry came out.

Quasi-Emperor, known as Shengdi in Wanhai Realm, is the most powerful in Wanhai Realm.

Because Wanhai Realm has no Emperor Wu, immortality is a legend.

Ruan Tianjiao and others were also shocked.

The Holy Emperor shot, Lu Ming, can it be beaten?

Ao!

At this moment, a roaring roar came out, and in the distance, the giant wolf, as big as a mountain, came from the sky.

This giant wolf is also surrounded by rivers of law.

call out!

Then, on the other side, a purple light flashed, and an old man in purple robe appeared, covered with purple light, and the river of law also surrounded him.
