

D Emperor 2311

Chapter 2311: Go to the blue house

In the Chamber of Secrets, there was a figure sitting cross-legged in the air, which was the figure of the Emperor of Chaos.

As soon as Lu Ming came in, the figure turned into a ray of light, which rushed into Lu Ming's eyebrows. Suddenly, there was a piece of information in Lu Ming's mind.

"Chaos!"

Lu Ming whispered, this piece of information is just behind the Chaos Sutra, recording the Chaos Sutra's deduction rules, as well as a series of magical techniques, and a combination of different laws.

Among them, the principle of chaos is dominant.

Lu Ming sat cross-legged and took a closer look.

"The Chaos Sutra contains 18 kinds of laws, which are similar to the immortal ancient scriptures. Unfortunately, it is mainly based on a chaos rule, which is not suitable for me. However, there are many things to learn from!"

Lu Mingsiw!

The Chaos Sutra contains eighteen laws.

Of these eighteen laws, Lu Ming only has four of them.

In the future, Lu Ming wants to control more laws, and he can use the Chaos Sutra to deduce other laws. In this way, the speed is faster than that of comprehension alone.

In addition, some of the magical skills of Lu Ming can also try to practice, which can increase Lu Ming's means of combating the enemy.

Of course, Lu Ming's main cultivation direction still needs to be understood and explored by himself.

After all, he is in control of many of the strongest laws, and he must rely on himself to find out the best of these laws.

After all, since ancient times, there has been no one else, while controlling many of the strongest laws.

One day later, Lu Ming stopped to enlighten.

Don't worry now, when you are free, choose some magical skills to practice!

Lu Ming returned to the main hall, and Tu Yi waited for nine people, waiting there.

"Tuyi, what are you doing?"

Lu Ming asked curiously.

"Nine of us, belonging to nine different elements, are all in the realm of God!"

Tu Yi answered.

"Huh? Ah? God... Heaven Emperor?"

Lu Ming began to nod subconsciously, but immediately reacted, a mouth open, Zhang's boss.

Dumbfounded!

Tu Yi, Jin Yi, Mu Yi...

A total of nine people are all puppets. Lu Ming used to think that Tu Yi and others might be the Great Emperor Realm, and even thought of the Peak Emperor, but they never thought that they were all in the Heaven Emperor Realm!

Nine Heavenly Emperors, what a terrifying force this is?

Chaos Hall is only one of the nine halls of Hunyuanzong. Even if the strength of Chaos Emperor Supreme is heaven, but there are nine puppets of Heaven Emperor Realm below, which is enough to shock.

This shows how amazing the strength of Hunyuanzong was in its heyday.

"Hahaha, good, great!"

Lu Ming was overjoyed.

With the help of Tu Yi and others, he was even more powerful.

"Chaotic Palace, is there anyone other than you?"

Lu Ming asked again.

"Yes, but they are all puppets. We have nine elements, each with a number of one thousand. The name is from one to one thousand, from Emperor Wu Realm to Heaven Emperor Realm!"

Tu Yi.

Lu Ming nodded. At the beginning, Tuyi sent a Tuqian to follow him to the Shenhuang Continent. Until now, Tuqian is still guarding the Shenhuang Continent.

"Seniors, I will go back first. I have one thing. I need the help of the seniors. I will go to the blue house in the middle of Taiqing Tianyu in a few days..."

Lu Ming told the Lan family again, and then asked Tu Yiyi to go to help.

Tu Yi and others naturally agreed.

Lu Ming was overjoyed, and Tu Yi and others went to help. This time, he must ask the Lan family to pay the price.

Subsequently, a force enveloped him, and soon afterwards, Lu Ming returned to his original place.

"It seems that there is a formation array similar to the transmission array on the Hundred Yuan Token. As long as it is activated, it can excite the above transmission array!"

Lu Ming thought.

In the next few days, Lu Ming did not practice and took a good rest.

A few days later, Lu Ming, Hengyu Heavenly Emperor, and the four Taishang elders in Taikoo Xixiu, together with Lu Ming, headed towards the central part of Taiqing Tianyu.

The territory of Taiqing is vast and boundless, not smaller than the entire Yuanlu and roughly divided into five areas.

Southeast, Northwest!

The blue house is in the central area!

Emperor Hengyu took the landing and drove away. At the speed of their emperor, he came to the Blue Moon City where the blue house was located within a few hours.

Blue Moon City, an ancient giant city, belongs to the Blue Family!

This is the headquarters of the Lan family, and the Lan family has taken root here for endless years.

During this time, Blue Moon City was extremely lively and almost crowded.

Lan Jiatian's proud daughter, married to Jiuji's second-ranked Tianjiao, was a big event. Moreover, I heard that the Lanjia invited a lot of Tianjiao. Many people estimated that there would definitely be a grand event.

Emperor Hengyu and others converged, just like a few ordinary people, walked into the Blue Moon City, found an inn, and asked for news.

"This time, there are so many Tianjiao coming. Tianjie, Yuanjie, most of the famous Tianjiaos are here!"

"Lanjia has such a big face, can it invite so many days of pride?"

Someone asked.

"What do you know? Tianjie hasn't had a big event for a long time. Since the selection of Jiuju more than ten years ago, some of the top arrogances haven't collided with each other. This time, just took advantage of this opportunity to confront each other. !"

"Moreover, I heard that this time the Lan family paid a great price. If anyone can get the first place this time, the Lan family will come up with a hundred chaotic stones as a reward!"

"What? A hundred chaotic stones, so big!"

Many people were shocked.

Lan Jiaran must take out a hundred chaotic stones and reward them to the first person. This is definitely a big deal.

At the beginning, outside the two realms, Lu Ming won the other party's prince and only exchanged a hundred chaotic stones.

"The Blue Family, it's really a **** book. Does the Blue Family want to push Xuanyuanyi into the first throne?"

"Yes, Xuanyuanyi is ambitious, and has long wanted to challenge Lin Xiaofeng and take the first throne. This time, most of Xuanyuanyi want to take this opportunity to defeat Lin Xiaofeng. In this way, a hundred chaotic stones will not be wasted , And can push the reputation of Xuanyuanyi to the top!"

"The Lans have a good abacus, but they are not afraid of Xuanyuanyi losing to Lin Xiaofeng and losing to Lin Xiaofeng? In that case, he lost his wife and broke the soldiers!"

"So, this time, most of the time there will be a showdown, so there are so many people coming, and it has attracted a lot of Tianjiao to come here!"

Among the restaurants, many people talked while drinking, and Lu Ming got a lot of news.

"One hundred chaotic stones, not to be missed!"

Lu Ming flashed a gleam in his eyes, showing a smile.

It seems that this time there will be additional gains.

"Several seniors, it seems that we don't have to rush to the door, take down a hundred pieces of Chaos Stone first."

Lu Ming laughed.

After drinking for a while, they left here and found a restaurant to live in.

Time passed day by day, and soon, the day when Lan Xia and Xuanyuanyi got married.

On this day, Lu Ming used the breath technique to change his appearance and change his breath.

Chapter 2312: The head of the nine

Taking Lu Ming's current practice as an example, the characters of the Great Emperor Realm can't be seen at all after performing the Divine Breath.

Even if he is a figure in the Heavenly Emperor Realm, ordinary Heavenly Emperor can only find Lu Ming's appearance, but he cannot see through Lu Ming's true appearance.

Lu Ming didn't plan to show his real body from the beginning. If Lu Ming showed his real body from the beginning, the Lan family would definitely not let him get the hundred chaotic stones.

Change your identity first and get the Chaos Stone.

Emperor Hengyu went first, and he went with several elders who had physical training.

Soon after, Lu Ming came to a square.

The square is hundreds of miles long and wide, but at this time, the square is full of banquets.

Many people sat at the banquet at will.

"Look, there is Tianjiao District over there!"

On the edge, someone chats.

Lu Ming looked over and found that there was an area north of the square where many young Tianjiao were sitting.

"Longchen, Huangling, Huangli, and bubbles..."

Lu Ming looked away and saw many acquaintances.

Lu Ming was overjoyed. Apart from the bubble, he and others had not seen him for many years.

But now is not the time to narrate the old, after this matter, it is not too late to narrate the old.

At the same time, Lu Ming also saw other people.

Such as the Stellar River, Yuanxin, Virtue, Cherk, Destiny...

Most of the top arrogances in Yuanjie are here.

Others are all celestial celestials from the heavenly realm. For example, the ten arrogances in the ten worlds, and the celestial arrogance that followed Emperor Kong Yin to the Yuan dynasty, were also impressively listed.

At this time, Lu Ming discovered that this square, countless banquets, also divided into many different areas.

The place where they sit is just an ordinary area.

Lu Ming did not care, waiting quietly.

"Look, it is one of the nine unique Xuanwu Forest!"

"There is Fu Liu, Wang Yi..."

Suddenly someone exclaimed.

Lu Ming looked towards the sky, a few figures came out of the air, full of high attitude.

They were condescending, glanced at everyone, and then landed in that young and proud area.

Among them, several people have seen Lu Ming.

Xuanwu Lin, bald young man, Fu Liu...

They are all natural arrogance of the nine unique skills. Their talents are amazing, and their future achievements are unimaginable.

"It is Lin Xiaofeng, Lin Xiaofeng is really here!"

Immediately afterwards, there was a bigger noise, and the whole audience was in an uproar.

Almost everyone looked at a young man in the sky.

Lin Xiaofeng, Jiu Ju ranked first. In the past years, he was the strongest arrogance in heaven, standing at the top of countless arrogances and unmatched.

It is also the object of Xuanyuanyi who has always wanted to defeat.

Lin Xiaofeng, dressed in black and carrying a long knife, looked cold and landed in the area of the younger generation.

"Brother Lin!"

"Brother Lin!"

Many people went up to greet Lin Xiaofeng.

Lin Xiaofeng nodded slightly, and then sat there, closing his eyes and raising his mind.

Many people were excited, and Lin Xiaofeng was here. This time, he will definitely face Xuanyuanyi to decide the victory or defeat.

More than ten years ago, the two had a collision and started the pinnacle battle. In the end, Lin Xiaofeng was even better and defeated Xuanyuanyi.

Xuanyuanyi has always wanted to defeat Lin Xiaofeng to prove that he is the first in the world.

This time, the Lans were so excited about the teachers that they really took out a hundred pieces of Chaos Stone, just to push Xuanyuanyi to the top. They are very confident.

So many people want to know who can win this time when the two meet.

"Emperor Yanjia is coming!"

"Emperor Luo family comes!"

"The Lord of the vast palace comes!"

At this time, a voice spread throughout the audience.

Everyone was quiet.

Heaven Emperor came, and all beings were quiet.

In the sky, silhouettes came from the sky.

To the east, Emperor Yan Jiatian led the master Yan family here.

To the west, Luo Jia Tiandi led the Luo family masters to arrive.

...

These Heavenly Emperors, and the strong men who followed, descended on the northernmost region.

There is a VIP area, and only people of distinguished status can sit there.

These forces are all good friends with the Lan family.

The Yan family and the Luo family are all married to the Lan family.

After that, powerful forces continued to come, and some forces came from heaven.

During this time, the aliens retreated and were not attacking, so these emperors only had time to come here.

"Hahaha, thank you all for coming, Lanmou has come a long way!"

At this moment, a loud laugh came.

Then, a group of people flew from the depths of the Blue Moon City.

The person headed is the blue family owner, the blue city of the powerful emperor.

Behind the blue city, followed by a large number of strong blue family.

Among them, Blue Cloud is impressively listed.

Next to the blue city, following two young men and women attracted the attention of many people.

Because these two people are the protagonists of today, and two of the nine must be Lan Xia and Xuanyuanyi.

"Brother Lan, congratulations, congratulations to the Lan family, you have to ride the dragon!"

Emperor Yan Jiatian and others stood up congratulations and smiled.

"Thank you! You guys, please sit down!"

Blue City waved his hand.

"Today, it is my blue family Tianjiao Lanxia, married Xuanyuanyi, you don't have to be polite, eat and drink!"

Blue City laughed, and then, immediately, countless people flew out, setting up all the tables and dishes.

Then, it was the wedding ceremony.

Everyone waited patiently, and they all knew that after the ceremony, it was the highlight.

Soon after the ceremony was over, Blue City stood up and faced everyone. The voice came out: "This time, thank you for your presence, especially the arrogance of the younger generation. Most of them have come. It's better to take this opportunity. Let's discuss and let us These old guys, also look at the style of the younger generation today, how?"

"So good!"

"Since the First World War more than ten years ago, many arrogances and few fights have been practiced hard, and today we just look at the results of cultivation!"

"Now gold is flourishing, Tianjiao is gathered, now Tianjiao from the Yuan Realm is added, and the real stars are bright!"

Many people nodded, revealing their expectations.

The young Tianjiao also looked at each other, and a faint war intention came out.

Like Xuanyuanyi, his eyes fell on Lin Xiaofeng, and his strong fighting intentions made no secret.

In his eyes, only one Lin Xiaofeng is worth his shot.

"This time, my blue family will also give some color heads, as a reward, to win the first place, my blue family will take out a hundred chaotic stones and reward the first place!"

"No matter who lives the first place, my Lan family will never say anything!"

Blue City then spoke, and the voice spread throughout the audience.

Lin Xiaofeng's eyes filled with fine light.

This time, he came for a hundred chaotic stones. Who doesn't want to move a hundred chaotic stones?

However, other Tianjiao sighed, they understood that a hundred chaotic stones were destined to miss them, with Lin Xiaofeng and Xuanyuanyi, they could not get the first place.

Most Tianjiao came here, not for a hundred chaotic stones, but only to learn from other Tianjiao.

Chapter 2313: The challenge begins

Everyone's eyes turned, each thought!

"Senior, what rules are there in this competition?"

Someone asked.

"There are no rules, you whoever want to take action, you can come up, who you want to challenge, learn from, challenge who you are!"

"No rules, fight free!"

Blue City explained with a smile, and then waved his hand. In the middle of the square, a huge battle platform emerged.

There is no banquet in the area in the middle of the square. Obviously, it is just for comparison.

"Now, who is going to fight first?"

Blue City said again.

"Then let me throw the bricks and introduce the jade first!"

A voice rang, then, a young man in white shirt rushed to the battle platform.

This young man's eyes were swept towards the area of the younger generation, and his voice spread throughout the audience: "Fang Han, come on!"

"I'm afraid you won't succeed!"

The man challenged shouted and rushed to the battle platform.

Without extra words, the two fought together.

The two are just ordinary arrogances, not considered top arrogances, because they do not control the strongest rules, and the rules of control are all kingly rules.

Both are in the virtual emperor realm, you come and go, the battle is extremely fierce.

The two of them fought a hundred battles, and the young man in white shirt who came to power in the end finally gained a lot of skill and won.

Next, the challenge continues, but the initial shots are all ordinary arrogance. The arrogance that controls the strongest rules has not been shot.

Soon afterwards, Lu Ming saw Long Chen, Huang Li, Huang Ling and others, all of them shot successively to challenge others.

Long Chen, Huang Ling, and others, did not comprehend the strongest rules, but the rules of kingship.

I haven't seen them for many years. Their strength has also made great progress. They have controlled three to four kingly laws, and their cultivation base has reached about four stars.

It is not a natural child of God. It is not easy to realize the strongest law after becoming an emperor. The difficulty is very high.

However, as long as Longchen and Huangling have not become emperors, they have the opportunity to learn the strongest laws.

Around the square, many big men talked while drinking and talking, watching with interest.

In a blink of an eye, three days have passed!

Three days later, ordinary Tianjiao almost played against each other, and finally, Tianjiao, who had the strongest rule, came to the showdown.

Many people immediately cheered up and watched carefully.

The match of the top Tianjiao is undoubtedly more splendid. The cultivation ability of the same level is more powerful than the ordinary Tianjiao.

Lu Ming saw Lan Yun shot, Yan Xi shot, Stellar shot.

Their talents are absolutely top-notch, and they have defeated their opponents one by one.

In particular, the Stellar River, which has continuously challenged several people, has won.

However, Lu Ming didn't make a shot. His goal was a hundred chaotic stones. Now, it's useless. It's useless. Just wait for the last shot.

boom!

Suddenly, a tall and burly figure rushed to the battle platform, covered in darkness, like an iron tower.

Violence!

Lu Ming's eyes moved.

I haven't seen it for many years. Violence has become many times stronger, and my muscles are bulging, full of explosive power.

"Physical training, I did not expect that there is a pride of physical training outside!"

On the edge of Lu Ming, a few archaic elders suddenly became interested, staring at Virtue and looking curiously.

Violence is like a wild dragon, and finally looks at a young gray robe.

"You, come on!"

Violent voice spread throughout the audience.

The gray-robed young man was the one who went to Yuan Realm with Kong Yintian Emperor, and what he cultivated was also the ancient system of cultivation.

At that time, the young gray robe alone challenged the Virtue, Cherk and Ancient Demon, and easily defeated them.

In this regard, Virtue has always been nagging. Now that he has cultivated for many years, and his strength has greatly increased, he will naturally challenge the opponent and find his place.

Uh!

The gray robe rushed to the battle platform.

"This time, I will beat you alone!"

The virtuous eyes were fierce and full of fierce colors, like a giant beast, with a terrifying breath.

"Shoot!"

The gray robe youth spoke, and a strong breath broke out on his body.

boom!

The two moved at the same time and collided fiercely.

On the battle platform, a loud roar broke out, and then the two figures could not help but retreat one after another.

The first move, equal share!

"Come again!"

The two bombarded each other again.

In the Quartet, many people watched with great interest, even some of the Great Emperor Realm, the powerful of the Heavenly Emperor Realm, looked at it seriously.

Because both of them are practicing the Taikoo system!

Violence, archaic body repair!

Gray robe youth, Taikoo martial arts!

The two beat each other with strength and strength, with dozens of tricks in a blink of an eye.

In these years, the violent Germany is much stronger than that of that year, and it is actually possible to fight against the gray-robed youth. For a time, it is difficult to distinguish the winner.

You know, the young people in gray robe could easily abuse them.

This reminds Lu Ming of Emperor Kong Yin's words. Some of the top arrogances in Yuanjie are not weaker than the celestial arrogance of the celestial realm, but only have limited resources, so the cultivation ability is relatively weak, so the combat power is far inferior to the celestial arrogance. .

But now, Tianjiao's Tianjiao has been cultivated by Tianjie's resources and cultivated as a top, and it has quickly caught up. Now, it has been able to truly fight with Tianjie Tianjiao.

"This black boy, good!"

Next to Lu Ming, an archaic body-building old man opened his mouth, showing interest.

"It is indeed good. His physical training method is not very clever, but he has such achievements. It is indeed a peerless talent for practicing physical training. If he is well tuned, his achievements are difficult to limit!"

Another old man also spoke.

Obviously, several old people have a strong interest in violence.

Roar!

On the battle platform, the violent virtue roared like a mad beast, the offensive was like a madness, and even afterwards, regardless of its own defense, it madly attacked and took a strategy of losing both sides.

This made the gray robe youth look dignified, and finally made a few consecutive moves with the violent virtue, and then floated back and withdrew from the battlefield.

"No more, I admit defeat!"

Gray robe said youth, and then returned to the seat.

"Hahaha!"

Bruce grinned wildly, and finally glanced at some other young people.

He wants to fight again!

"Violet, you're enough, now it's my turn!"

A voice sounded, and then a figure rushed to the battle platform, but it was Chek.

Baode smiled and went off the battle platform. Then, Chek challenged a heavenly pride.

And also defeated the other party.

"What do these people from Yuanjie want to do? Do you want to challenge my heavenly arrogance?"

In the Tianjiao area of youth, a young man said coldly.

Many of the heavenly arrogances of the realm changed their face slightly, and they looked at the heavenly arrogance of the Yuanjie, such as destiny, yuanxin, and bubbles.

But Destiny and Yuanxin didn't open their eyes, and looked at the battle platform.

The bubble turned his little head and looked around. He didn't even look at other people's eyes.

Chapter 2314: The Strongest Emperor Controversy

Next, Gu Mo shot, he also defeated an opponent.

This makes some of Tiantian's arrogances look a little difficult.

Uh!

Another figure rushed to the battle platform.

"Yuanxin!"

Many people's gazes, especially those who know the inside, know that Yuanxin is the top Tianjiao in Yuanjie, ranking third.

In recent years, with the constant growth of Yuanjie Tianjiao, in Tianjie, the influence has become greater and greater.

Lu Ming became an emperor with a variety of rules.

And the destiny, the bubble and others, the strength has rapidly increased, and in the younger generation of the world, the fame is also growing.

Naturally, there are more people to understand the arrogance of the Yuanjie generation, and the record of the ten battles in that year was also exploded and well known by many people.

Yuanxin, ranked the third in Yuanjie, was second only to Lu Ming and Destiny. The talent is absolutely amazing. Even in Tianjie, they are the most top.

Some people even think that he may be able to compete with Jiu Ji in the future.

Now, who will he challenge?

Yuan Xin's eyes fell on Destiny.

"Fate, come out to fight!"

Yuan Xin's voice sounded.

Many people's gazes were a bit unexpected.

Many people think that Yuanxin will also challenge the celestial arrogance of heaven. Unexpectedly, he actually wants to challenge the fate of heaven.

"At that time, Yuanlu ten battles, Yuanyuan defeated in the hands of fate, he must want to challenge each other, defeat each other!"

"indeed!"

Many people nodded.

Destiny, dressed in white, personable and handsome, attracted many young women's frequent eyes.

He got up, stepped out, and landed on the battle platform.

"Yuanxin, you were not my opponent. Now, you are not my opponent even more!"

Destiny spoke lightly and was full of strong confidence in himself.

"Don't talk too much, today, I will beat you to prove that I am better than you, but unfortunately Lu Ming is dead, otherwise, I will beat him to prove to everyone, who is the first in Yuanjie! "

Yuan Xin opened his mouth, his eyes shone with a strong sense of war.

His heart is higher than the sky, but when the ten places will fight, he can only get the third place.

"Shoot!"

Destiny spoke lightly, his face calm and indifferent, as if he didn't put Yuanxin's words in his heart.

boom!

Yuan Xin burst into a strong breath, which was much stronger than when he battled Lu Ming in the ancient city of Luguang.

In him, there are four different laws, which rushed towards the destiny. The four different laws, led by the law of chaos, constituted a terrible magical art.

boom!

Yuan Xin punched out, and the mountains of chaos were suppressed toward the destiny.

On the destiny, there was a dazzling white light, and he pointed it out, and a bright light burst out and burst into those mountains.

boom! boom! boom!

The mountains exploded by fate, fell apart and burst.

"defeat!"

Then, destiny stepped forward abruptly, pressing fingers one by one.

boom!

A horrible coercion pressed toward Yuanxin, and at the same time, there was a bright light, like the stormy waves, towards Yuanyuan.

This is also a terrible magical power, dominated by the law of fate, plus other laws, the power is amazing.

Yuan Xin roared, and broke his strength to the extreme, bombarded with crazy shots.

However, his attack, under the light diffused by the fingers of destiny, kept breaking apart and breaking apart.

In the end, those lights hit Yuanxin.

Yuan Xin's body thundered and heaved a spit of blood and was blasted out of the battle platform.

The scene was suddenly quiet!

Many people looked at Destiny in shock, especially those from the Yuan Realm, and were most surprised.

Destiny's strength is terrifying!

Actually beat Yuan Xin in a few strokes.

At that time, when the Ten Realms in Yuanjie battled, Destiny had to spend a lot of tricks to defeat Yuanxin, and even use the final trick to defeat Yuanxin.

But now, it is easy to defeat Yuanxin. Obviously, in these years, the speed of destiny's progress has far exceeded Yuanxin.

"No, impossible!"

Standing in the air, Yuan Xin looked at a loss, apparently unable to accept all this.

This time, he also wanted to defeat Destiny, to prove to everyone that he was the first in Yuan Realm, but the final result was his fiasco, and it was only a few strokes, the defeat was extremely miserable.

His strength is far from destiny.

"Yuanxin, you are too weak!"

Destiny spoke lightly. This remark made Yuanxin spit out another blood and his body shook.

Then, destiny is no longer looking at him, glancing at the other young Tianjiao.

In the eyes of Destiny, except for Jiu Jue, the faces of other youths have changed.

Judging from the shot just now, the strength of Destiny is simply unfathomable, and I don't know where it has reached.

Next, who will he challenge?

Finally, Destiny set his sights on one of the youths!

Ou Yebing!

It has always been known as the strongest virtual emperor in the younger generation of Heaven Realm!

Of course, since Lu Ming's rise, he has not been the strongest virtual emperor. After Lu Ming became emperor, he defeated him with one shot.

Destiny, do you want to challenge Ou Yebing?

"Ou Yebing, come out to fight!"

Sure enough, the voice of Destiny sounded.

"Do not control yourself!"

Ou Yebing spoke indifferently, stepped out, and appeared on the battle platform.

In his eyes, there was a ray of sharp flash, and there was a trace of grief.

He was defeated by Lu Ming at the beginning, and his reputation was greatly reduced, so he did not like the Tianjiao from Yuanjie, just like Lu Ming.

Now, Destiny has to challenge him again, he will give the other party an unforgettable lesson.

bump!

The destiny stepped out in one step, and an amazing light burst out all over the body.

Then he pointed out with one finger, the dazzling light, and suppressed toward Ou Yebing.

"The Divine Soldier Seals!"

Ou Yebing shouted, his hands quickly sealed, and a giant pagoda condensed out, towards the suppression of destiny.

boom!

The giant tower and the light in Destiny's fingers bombarded together, and a terrifying roar erupted. Then, the giant tower condensed by Ou Yebing vibrated wildly and made a clicking sound, which was covered with cracks.

Ou Yebing's face changed, and his hands flicked the seal quickly, and a vase appeared. A large amount of sword gas was sprayed from the mouth of the vase.

Then, another battle sword appeared, slashing destiny.

"Long fate!"

At this time, Destiny used a unique trick, a long river of destiny. He stood in the long river of destiny, as if he was immortal, controlling his destiny.

Destiny's move is much, much stronger than it was then!

At that time, it was just a law of fate, but now, other laws have been added, and the power is very amazing.

boom! boom! boom!

Destiny and Ou Yebing, the two started a fierce confrontation, the battle was extremely fierce.

The two used their own methods, exhibited unique tricks, and kept on confronting each other. On the battlefield, various weapons flew and various lights burst out.

Chapter 2315: Bubble strength

In a flash, Destiny and Ou Yebing fought dozens of battles, and at this time, Destiny began to gain the upper hand.

"Fate, what a terrible combat power, can actually suppress Ou Yebing!"

Many people are very shocked.

You know, Ou Yebing was the strongest virtual emperor in the younger generation of Heaven Realm!

Although Lu Ming was defeated that year, it was just that Lu Ming was too perverted, not that Ou Yebing was weak.

Now, Destiny can actually suppress Ou Yebing!

"Fate, it is worthy of the second arrogance of Yuanjie, which is amazing, and terrible with high talent!"

"Yes, if there is a more abnormal Lu Ming in Yuanjie, he will be unmatched!"

"The law of destiny, every one is perverted, grow up, achievements are hard to limit!"

All around, there was a voice of discussion.

Many people lamented that the terrible nature of the destiny and talents will certainly be comparable to Jiu Ju in the future, and even surpass some of Jiu Ju's, but immediately, everyone thought of Lu Ming.

Although destiny is strong, it is still suppressed by Lu Ming.

Everyone sighed, not because the destiny was not strong, but Lu Ming was too perverted to understand with common sense.

what!

Ou Yebing roared, he was actually suppressed by destiny, he was not reconciled, to break out of full force, crazy offensive, want to get back the disadvantage.

He condensed all kinds of magic soldiers and attacked destiny, but unfortunately, these magic soldiers continued to burst and shatter under the attack of destiny.

The fate of the war is getting stronger and stronger, and the advantages are constantly increasing, completely suppressing the European soldiers!

bump!

In the end, Ou Yebing was shot and vomited blood and was blasted out of the battle platform.

Ou Yebing, defeated!

This arrogance, known as the first Emperor of the Emperor Xu, was once again defeated.

"What a great strength, Yuanjie, really has a few days of pride!"

"Except Lu Ming, Destiny should be regarded as the strongest Emperor Xu!"

"Yes, there is no one in the Emperor Void!"

Many people argue that the reputation of Destiny has risen to its peak.

Some people in Nine Jue, looking at the destiny, are full of dignity.

Destiny will step into the True Emperor in the future, and there will definitely be a major threat to them.

However, Xuanyuanyi and Lin Xiaofeng had calm eyes and showed strong confidence.

Destiny didn't continue to challenge, and got off the battle platform and returned to his seat.

"Now, let's start the battle between Jiu Ju's turn!"

Many people think in their hearts and look forward to it more and more.

But at this moment, a small figure appeared on the battle platform in a flash.

"That's... time and space rat!"

Many people watched.

"Bubble!"

Lu Ming's mouth also showed a smile.

Bubble is about to shoot.

I haven't seen Bubble shot for many years, and Lu Ming also wants to see how powerful Bubble is.

The top ten war beasts, the talents are absolutely amazing, and now they have been given the guidance of the heavenly power, and the progress is absolutely amazing.

Bubble's gaze glanced and finally landed on the stellar river and Yuanxin.

"The two of you come up, I let you join forces! Tweet!"

Bubble pouting, clear voice, ringing the audience.

"This guy really wants to challenge the stellar river and Yuanxin!"

Lu Ming smiled.

Stellar River and Yuanxin have an enemy with Lu Ming. At that time, they have been targeting Lu Ming, and the bubble is naturally remembered in his heart.

The faces of Stellar River and Yuanxin are a little difficult to look at.

"Huh, the men who defeated that year, against you, I am enough for one person, why both?"

Yuan Xin spoke indifferently and rushed to the battle platform.

"You can't do it, one move defeats you!"

Lightly pouting, revealing disdain.

"Hahaha, one move defeated me? Ridiculous, ridiculous!"

Yuan Xin laughed wildly.

Bubble, actually said that he would defeat him by one trick, even destiny could not be done, she thought she was a joke.

"Go ahead, I will let you go first, otherwise you will have no chance, chirp!"

Bubble said, it seems that he did not put Yuanxin in his eyes at all.

Yuan Xin is furious!

"Then I will fulfill you!"

Yuan Xin shouted and rushed towards the bubbles, and at the same time, broke out the strongest fighting power.

Facing the space-time spirit rat, Yuanxin dare not carelessly, and once shot, it is the strongest fighting power.

He was surrounded by various laws and killed bubbles.

However, just halfway through, he was stiff in the air.

The laws covered in him disappeared without a trace.

Yuan Xin's face changed drastically, he roared, and manipulated the law again, but as soon as the law appeared, it disappeared again.

"The law of time is the law of time!"

"With the law of time, control the power of time, shuttle the time, and return to the moment when the other party does not mobilize the law, so as soon as the law of Yuanxin comes out, it disappears!"

"very scary!"

Many people saw the doorway and were shocked.

This is already the power to mobilize time. It is just the Emperor Emperor, who can do this step. It is indeed a space-time spirit rat.

At this time, the figure of the bubble appeared in front of Yuan Xin, and the little feet kicked on Yuan Xin's face. Yuan Xin's figure, like a sandbag, flew out directly, and flew out of the battle platform. Fell to the ground, vomited blood, and a face was completely swollen.

Failed, Yuanxin failed, Bubble really only used one trick!

Many people are shocked, the bubble's combat power is beyond thinking.

Destiny's eyes also glared slightly, looking at the bubbles, full of dignity.

"useless!"

Bubble whispered, not looking at Yuanxin, which made Yuanxin spit out another blood.

That's mad!

Today, Yuanxin has been hit hard.

Originally wanted to defeat the destiny, the shame of Yixue.

But in the end, he was easily defeated by Destiny, and that's all, but now, he is defeated by a bubble.

At that time, Bubble was defeated by his men, but now, he defeated him by one move, making him unbearable.

Bubble ignored him, his eyes glanced among the remaining youths, and his face was changed by him.

"Will he challenge destiny?"

Many people think so.

But in the end, the bubble did not challenge the destiny, her eyes fell on Ou Yebing.

"You, come out for a fight!"

Bubble pointed at Ou Yebing.

Ou Yebing's face was somber.

Bubble actually challenged him?

But today, in the face of challenges, a battle is necessary. He can't back down, otherwise his reputation will be completely stinky.

He stepped out and landed on the battle platform.

"Your time-space law, although mysterious, depends on who your opponent is. If your opponent's strength exceeds you, your time-space law will not work. I am not Yuanxin, and I will use strong power to break you directly The Law of Space and Time!"

Ou Yebing said.

Many people moved in their hearts, indeed!

The law of time and space is extremely mysterious, unpredictable, and the power of time and space can be adjusted, which is terrifying.

However, no law is truly invincible. When the power is strong to a certain degree, all laws can be broken.

As long as the strength is strong enough, you can break the law of time and space.

Chapter 2316: Nine Battles

"There is so much nonsense, if you don't shoot, then I will shoot!"

Bubble whispered, and then rushed towards the other party, and the speed was almost to the extreme, it was just to travel through the void.

Ou Yebing didn't dare to carelessly, displayed the Divine Soldier's Seal, and surrounded his body with various weapons.

The weapon shook and broke the void, preventing the bubble from attacking.

Ou Yebing's strength is indeed much stronger than Yuanxin's, and its combat power is amazing. It can already affect the bubble's time-space law.

Therefore, the bubble cannot naturally defeat Ou Yebing as easily as Yuanxin.

However, after the two played against each other, the bubble still fully prevailed.

The shape of the bubble flickered, no matter how Ou Yebing attacked, he couldn't hit the bubble. Even under the influence of the time and space law of the bubble, Ou Yebing's speed was much slower, and the speed of condensing the magic weapon seal was also much slower. After dozens of tricks, he was blown out by a bubble and was hit hard.

Ou Yebing, defeated again!

He was about to vomit blood.

Today, he suffered two losing streak, all lost to Tianjiao in Yuanjie.

"The talent of the space-time spirit rat is really amazing. This is how many years it has actually reached this step!"

"This is natural, and the top ten war beasts have grown up and are all pinnacles!"

"You said, how is the combat power of the space-time spirit rat compared with the destiny?"

"It's hard to say, I feel that the space-time spirit rat is stronger!"

"Not necessarily!"

Many people talked about it in shock. At the same time, they could not help comparing fate with bubbles.

Both of them defeated Ou Yebing. It can be said that they stood at the peak of the virtual emperor realm.

But it is really not easy to compare the two who are strong and weak.

Judging from the law, the law of destiny is indeed stronger than the law of space and time.

However, a law also depends on who is using it.

Space-time spirit rats naturally control the law of time and space, and no one has any soul. In the application of the law of time and space, they can compare with the space-time spirit rats.

Those so-called sons of God control the laws of space and time, but they are far inferior to the spirit rats of space and time in the application of the laws of space and time.

So, who can win is hard to say.

Many people are curious. Next, will the bubble challenge the destiny?

However, everyone was finally disappointed. Bubble did not challenge the destiny. As if playing enough, she flew out of the battle platform.

After the bubble went down, no one in the Emperor's Realm went up to challenge.

Many people showed their expectations.

Next, is the highlight, the showdown between the nine must.

This time, the reason why so many people came to see the duel between the nine must.

More than ten years ago, the Jiu Jue confronted each other, ranking out. In the past decade, the Jiu Jue has rarely played.

Everyone wants to see if the ranking between the nine must have changed in the past ten years.

Uh!

A figure rushed to the battle platform.

Xuanwulin!

"Sure enough, he was the first shot, Xuanwu Lin was among the nine, and ranked the last!"

"I don't know if he can rush up this time!"

"It's hard to say, there is no weaker among the nine must, I won't know until after the battle!"

Everyone expressed their views.

Next, Xuan Wulin started to challenge. The Tianjiao he challenged was ranked eighth among the nine.

The two fought a lot of battles, but in the end, Xuan Wulin was defeated, not the opponent of the other.

Xuanwu Lin was unwilling to challenge the seventh-ranked Tianjiao after taking the Elixir to adjust his status to the peak, but he was still defeated by the opponent.

In the end, he was helpless and did not continue to challenge, the ranking remained unchanged at ninth.

Next, there were all nine finals, and fierce fighting continued.

Jiujue, all of which has long since entered the real emperor's realm, has high combat strength and attracted everyone to watch it seriously.

Especially the Tianjiao below the Emperor Xu, if you watch carefully, you can learn a lot.

Wonderful showdowns, one after another.

However, there are few changes in the ranking.

In the past, the higher the rankings, the more powerful the combat power is.

There was only one change that took place. A Tianjiao in the fifth place defeated a Tianjiao in the fourth place and replaced the other party.

Others, basically the ranking has not changed.

Soon, the third-ranked Tianjiao defeated his opponent who challenged him. He looked at Xuanyuanyi and Lin Xiaofeng.

In the end, he challenged the second-placed Xuanyuanyi.

"Do not control yourself!"

Xuanyuanyi stepped out and landed on the battle platform.

"Within ten moves, I will beat you!"

Xuanyuanyi spoke indifferently, full of strong self-confidence.

"Ten moves, Xuanyuanyi, you are too confident!"

Tianjiao ranked third. His face is a bit ugly.

"I said ten tricks, I already praise you, do you understand!"

Xuanyuanyi spoke indifferently and suddenly rushed towards the third-ranked youth.

Ranked third is a young man in a blue shirt. He was out of town in the two realms, and he fought against the prince of an alien race.

At the beginning, he had the eighth order of the true emperor.

Today, his combat power is undoubtedly stronger.

boom!

The blue shirt youth broke out with all his strength and attacked the terrible magical art.

"True Emperor's Tenth Order Power!"

Someone exclaimed.

Compared to the battle with the alien prince, the blue shirt youth was much stronger, and it has greatly improved the two-tier combat power to reach the tenth-order combat power of the true emperor.

At this age, such a combat capability is already extremely amazing.

Unfortunately, he encountered Xuanyuanyi!

The power of the world surged in Xuanyuanyi, and the laws were pervasive, and a Fangtian Huaji appeared in his hand.

boom!

Fang Tian's halberd is so huge that it becomes as big as a mountain, and he slashes towards the blue shirt youth.

Fang Tian painted the halberd, invincible, extremely powerful, and slashed down. All attacks and defenses of the blue shirt youth were like nothingness and completely collapsed.

boom!

The young man in the blue shirt receded frantically, and was directly bombarded for tens of thousands of meters, his face extremely pale.

A deep wound appeared on his body, with bones deep and blood flowing.

In one move, he was hit hard!

"I'm already merciful, or you're already dead. I said, it's worthy of being defeated by ten moves, otherwise, one move!"

Xuanyuanyi spoke lightly, youth blue shirt, his face ugly.

One move, really a move, Xuanyuanyi defeated him, the combat power between the two, the difference is too far.

The scene was silent, and many people gaped. This result greatly exceeded their expectations.

The blue shirt youth, ranked third in Jiu Jue, actually had a big difference from Xuanyuanyi and was defeated by one move.

In people's original imagination, even if the blue shirt youth lost to Xuanyuanyi, the two should be able to fight each other, but the result was completely one-sided.

"The tenth order of the real emperor's combat power was unbearable and was easily crushed. What level of power did Xuanyuanyi reach?"

"At least it is the 12th-order combat power of the true emperor, otherwise it will not be easily crushed, and even more than the 12th-order combat power of the true emperor!"

"No wonder this time the Lan family will give out a hundred pieces of Chaos Stone as a reward. Can Xuanyuanyi really beat Lin Xiaofeng!"

Many people were shocked by the discussion and speculation.

Chapter 2317: Nine Unique First

This time, although many people have speculated in advance, Xuanyuanyi must have made great progress, and the fighting power is amazing, otherwise the Lan family will not come up with a hundred chaotic stones as a reward.

But I really saw that Tianjiao, ranked third, was still shocked when Xuanyuanyi could not withstand a blow.

Perhaps Xuanyuanyi can really fight Lin Xiaofeng!

Blue City, as well as some of the seniors of the Blue family, smiled, especially Blue City, with a beard, a smile on his face, and a confident face.

Xuanyuanyi, standing on the battle platform, is slender and full of strong self-confidence.

His gaze looked at Lin Xiaofeng, a firm but confident voice came from his mouth.

"Lin Xiaofeng, let's fight!"

Xuanyuanyi's voice spread throughout the audience.

"as you wish!"

Lin Xiaofeng's words just fell, and his figure was already on the battle platform.

"Lin Xiaofeng, more than ten years ago, you were lucky to win me. Today, I will step on you and let everyone know, whether it is Tianjie or Yuanjie, who is the strongest Tianjiao?"

Xuanyuanyi spoke, proud and confident.

"One hundred chaotic stones, I'm done!"

This is Lin Xiaofeng's answer, also full of confidence.

Everyone's eyes fell on the two young figures on the battle platform.

These two people are the heavenly realm, the metaverse, the strongest arrogance, and none of them.

Their future achievements are limitless and cannot be estimated.

These two people, a dozen years ago, had launched a pinnacle battle. That battle was impressive, and it has been memorable so far. After a lapse of more than ten years, the two men have to fight again.

This time, who is strong and who is weak?

boom! boom!

In Xuanyuanyi and Lin Xiaofeng, a strong breath broke out, and the breath converged in the void, sending a fierce roar.

"Burst God!"

In Xuanyuanyi's hand, a handful of Fangtian painted halberds appeared. The Fangtian painted halberds suddenly became larger and towered into the clouds. Surrounded by Tao law, the breath was amazing.

Then, Fang Tian painted the halberd and severely slashed towards Lin Xiaofeng.

Keng!

Above Dao Ming, it resounded throughout the audience.

Lin Xiaofeng's knife came out of the sheath, and a knife rushed back, slashing towards the other party.

boom!

Two terrible attacks, fierce bombardment together, let one side empty, vibrate endlessly, even the battle platform, issued a fierce roar.

Endless energy, swept out to the west.

Both Xuanyuanyi and Lin Xiaofeng were very trembling, and stepped back a few steps.

However, as soon as the two bodies stopped, they each stepped on the battle platform heavily. Like two rainbow lights, they rushed towards each other.

boom!

The two collided together in the middle of the battle platform, as if the two stars collided together.

Daomang, the light of battle halberd, sweeping all directions.

when! when! ...

Then, the two started a fierce confrontation, and the battle was endless.

In a flash, the two had dozens of battles.

"Good combat strength, this combat strength is already the thirteenth order of Zhendi!"

"Yes, it is indeed the 13th rank of the real emperor. At a young age, he actually achieved such a combat power, which is really amazing!"

Many seniors sighed.

In the past, in the younger generation, at this age, let alone the thirteenth order of the true emperor, even if he could become an emperor, it would be good.

This era is really a crazy era.

The two were fighting fiercely on the battle platform. With the battle, the two people's breath became stronger and stronger, and the fighting power they showed became stronger and stronger.

In the end, the combat strength of the two actually exceeded the stage of the 13th order of Zhendi and entered the 14th order of Zhendi.

This makes many people take a breath!

The combat power of Lin Xiaofeng and Xuanyuanyi has actually reached the rank 14 of the real emperor.

The fight was even more intense. The two men fought more than two hundred moves, regardless of victory or defeat.

"Lin Xiaofeng, is this your ultimate fighting power? It is really disappointing!"

At this time, Xuanyuanyi's voice came out.

"You are nothing more than that. It is impossible to win me!"

Lin Xiaofeng said.

"Really? Lin Xiaofeng, today, is destined to be the day of my rise, and since then, I am the first in the world!"

Xuanyuanyi shouted and shouted suddenly.

boom!

Fang Tian draws a halberd in his hand, the power suddenly soars, and a halberd explodes, colliding with Lin Xiaofeng's war knife.

In the violent roar, Lin Xiaofeng's battle knife, crazy shaking, and finally burst, bursting apart, and Lin Xiaofeng's body retreated at a rapid speed until he reached the edge of the battle platform, and then stopped, his chest was up and down, and his eyes were exhausted. It was shocked to look at Xuanyuanyi.

"True Emperor's fifteenth order combat power, have you reached the rank of fifteenth order?"

Lin Xiaofeng's incredible opening.

The scene was also in an uproar.

Xuanyuanyi, actually reached the fifteenth rank of the real emperor, which is too terrifying. At such a young age, this step was reached.

The fifteenth-order combat power of the True Emperor is almost at the peak of the True Emperor. Once he reaches the peak of the True Emperor, he can start to impact the realm of the Emperor.

Many senior figures do not know how long it will take to reach this step.

Xuanyuanyi, in less than a hundred years, has reached this point, which is too horrible.

The third-ranked young man in the Blue Mountains has only tenth rank of the real emperor.

It is very different from the fifteenth order combat power of the True Emperor.

"Horrible, too horrible, is this the true combat strength of Xuanyuanyi?"

"No wonder the Lan family, so confident, at this age, there is the fifteenth order of the true emperor, who can be the enemy?"

"The Lan family took out a hundred chaotic stones, which seemed generous. In fact, they were sure that they would be obtained by Xuanyuanyi, and they could push Xuanyuanyi to the top in one fell swoop. This is a brilliant move!"

Many people talked about admiring the Lan family's methods.

Lan Cheng swung his beard, his face full of smug smile.

After this time, their Lan family will have two arrogances among the nine, and one is still the first arrogance in the world. Their Lan family's prestige will definitely be stronger and reach its peak.

The Lan family will become stronger and stronger in his hands.

Blue City is very comfortable!

"Unfortunately, it's a pity that Lu Ming's boy died and didn't get the immortal classic!"

Blue City sighed.

boom!

At this time, Xuanyuanyi stepped out, with a strong breath, pressed towards Lin Xiaofeng.

"Lin Xiaofeng, I said, this time, I will step on you and prove to everyone that I am the first in the world!"

Xuanyuanyi shouted loudly, and Fang Tian painted a halberd in his hand, becoming stronger and stronger.

"war!"

Lin Xiaofeng shouted, and was unwilling to fail, and the people were united in a knife, killing Xuanyuanyi.

However, it is difficult to bridge the gap in combat power.

The fourteenth-order combat power of the True Emperor and the fifteenth-rank combat power of the True Emperor are differences in actual combat power, not cultivation.

The two fought a few more battles, but Lin Xiaofeng was completely invincible and was blasted out, vomiting blood.

In the end, Xuanyuanyi was bombarded and flew off the battle platform.

Xuanyuanyi defeated Lin Xiaofeng, who was originally the first!

Chapter 2318: Lu Ming's son

Xuanyuanyi stands on the battle platform, holding Fangtian Huaji, like an invincible **** of war, Qiyu Xuanang, and Ni Nixia.

On the contrary, Lin Xiaofeng's face was pale and full of depression.

He lost, and since then, he is no longer the first in that world.

The younger generation, the first day of arrogance, from now on!

"Hahaha, good, good, good!~"

Blue City laughed even more, and laughed.

All this, as he expected, remained unchanged. Xuanyuanyi really defeated Lin Xiaofeng and won the title of the world's first day of arrogance. The prestige will reach its peak, and the prestige of their blue family will also rise.

"Are there any Junjies coming up for a fight? If not, this duel is completely over!"

Blue City stood up, smiling, and his voice spread throughout the audience.

"I come!"

At this moment, a clear voice sounded, and outside the square, a rainbow of light flew extremely fast and landed on the battle platform.

This is a fifteen or sixteen-year-old boy, personable and extraordinary temperament.

However, after seeing the appearance of this teenager, many people were stunned.

"Lu... Ming!"

Long Chen, Huang Ling, Huang Li, Bubble and others, all a little stunned, stunned.

At the same time, Blue Cloud, Stellar River, Yuanxin and others, including Blue City and others, also have the appearance of dementia.

Even Lu Ming almost bit his tongue and his eyes widened.

Because this young man looks like Lu Ming!

It looks similar to Lu Ming, but it's more elegant.

"No, he is not Lu Ming. He is only fifteen or sixteen years old. It cannot be Lu Ming!"

Immediately, someone said.

A person's appearance can be changed at will.

However, the breath, or breath of life, will not change. From the breath of life, one can clearly know a person's age.

This young man is definitely not big. He should be 15 or 16 years old. 15 or 16 years old, naturally, cannot be Lu Ming.

"My hair, this boy, won't it be Lu Ming's illegitimate child?"

The unscrupulous monk chanted a buddha and muttered in a low voice.

However, all the experts present were clearly heard by others.

Many people moved in their hearts, maybe this is really possible, because the two are really alike.

"This monk..."

Lu Ming touched his nose speechlessly, glanced contemptuously at the unscrupulous monk, and it was really blind, Lu Ming thought.

But at this time, the youngster's eyes turned to the unscrupulous monk and clenched his fists: "Master, do you know Lu Ming?"

"Of course, Lu Ming is my brother. I have known each other for decades. What's the relationship between you and Lu Ming?"

Unscrupulous monk.

"It's my father!"

Juvenile Road.

puff!

Lu Ming was originally drinking a sip of wine, and at this time he sprayed it out directly, staring at the teenager in amazement.

The teenager actually said, his son?

son?

Does he have a son?

Lu Ming was dumbfounded, and at the same time his thoughts turned sharply.

"Xiaoqing!"

Suddenly, Lu Ming shuddered, and he thought of Xie Nianqing.

He had only had a relationship with Xie Nianqing, and counting time, just coincided with the young age.

Moreover, Lu Ming looked closely and found that there was a bit of Xie Nianqing in the eyebrows of the teenager.

"Aren't... really my son?"

Lu Ming felt an inexplicable feeling in his heart, which was very wonderful and beyond description.

Others, such as Long Chen, Huang Ling, and Bubble, are also dumbfounded.

"Brother Lu Ming, there is a son, Xiao Lu Ming? Really like it, tweeted!"

Cried the bubble.

"Nest, I started to guess wildly, but I didn't expect to be hit by me!"

The unscrupulous monk himself almost glared his eyes.

"Lu Ming..."

Huang Ling sighed, his heart was complicated.

"Lu Ming's son..."

Lan Yun, Stellar River, Yuan Xin and others, with cold light in their eyes.

The Emperor Hengyu, several archaic elders, all looked at Lu Ming strangely.

Lu Mingqiang resisted not rushing out.

It's not the right time, even if the other person is really his and Xie Nianqing's sons, and it will be the same when they meet later.

He is going out now, showing his body. I am afraid that the one hundred chaotic stones will not be his part. The Blue City and others will definitely not let him challenge Xuanyuanyi.

In the hearts of the people, there was a lot of thoughts.

"Senior, you know, father Lu Ming, where is now?"

The teenager looked at the unscrupulous monk and continued to ask.

"This...he retreats in a secret place and can't get out for the time being!"

Unscrupulous monk Hu Huo.

"What retreat? I tell you, Lu Ming is dead!"

A cold voice sounded, but it was blue cloud.

The teenager was actually Lu Ming's son, and he looked upset.

"What are you talking about? You talk nonsense, my mother said that my father is unparalleled, younger generation, no one can be enemies, how could he die?"

The teenager glared at the blue cloud.

"What a **** is unparalleled, really deceiving yourself!"

Lan Yun despised.

"In my opinion, you must have been defeated by my father, or even mistreated, otherwise he would not belittle him so deliberately!"

The young man's eyes flashed light, coldly.

"you..."

Lan Yun's face was flushed, and the words of a teenager just hit his sore spot.

He was abused by Lu Ming more than once, and each time was miserable, causing him to lose face.

"Hahaha, Xiao Luming, you're right, he was mistreated by Lu Ming. He just knelt and begged for mercy, crying his father and calling his mother, and betrayed his ancestors!"

The unscrupulous monk added fuel and vinegar directly to the Lan family, which made the blue city look ugly and could not help slapping the unscrupulous monk.

And blue cloud, a face is green and green.

"Okay boy, you are going to challenge, who are you going to challenge?"

Blue City quickly diverted the topic.

The youngster's gaze, patrolling among the pride of many young people, finally fell on Xuanwu Lin.

"I want to challenge him!"

The young man pointed to Xuanwu Forest.

what?

Everyone was shocked, young man, actually had to challenge Xuanwu Lin.

The young age is only fifteen or sixteen years old. At this age, how strong you can cultivate and become an emperor is already rare and rare, and you have to challenge Xuanwu Forest.

No matter how Xuanwu Lin is, it is also one of the nine masterpieces. Xiuwei broke into the True Emperor long ago.

At this age, I have to challenge Jiu Ju, how is this possible?

Xuan Wulin's face was gloomy, and he was actually challenged by a fifteen or sixteen-year-old boy.

"At a young age, he is so overwhelming, so he has to challenge Jiu Jue. There is really no self-knowledge, just like your father!"

Lan Yun was very upset, seizing the opportunity at this time, sneering and sarcasm.

"Oh, in this case, then I will challenge you first, you come down to fight!"

The teenager turned his gaze to Blue Cloud again.

"Are you going to challenge me?"

Lan Yun's face changed slightly.

"Nonsense, you, come down for a battle, you will not dare to answer my challenge!"

Juvenile Road.

Chapter 2319: Lu Shenhua's combat power

The young man challenged Lan Yun with his aggressive method.

But knowing that this is a radical method, Lan Yun also had to accept it.

The other party is just a 15- to 16-year-old boy who challenges him in public. If he dare not fight this, he will not have to mix up afterwards and will be laughed at by others.

"Since you want to fight, then I will fulfill you!"

Lan Yun said coldly, stepped out, and landed on the battle platform.

Lu Ming's palms could not help tightening, and some worried for the teenager. He was ready to take out the falling star bow at any time. If the teenager was in danger, he would help.

Bubbles and others are also staring at the field, especially Bubbles, he will not let the teenagers have anything to do.

"At a young age, the tone is very big. I want to see what you have!"

Lan Yun Yin said coldly, the boy was only 15 or 16 years old, he did not believe that the other party could match him.

He is also a top-level arrogant, and he has achieved such achievements after decades of hard work.

He had never heard of it. Fifteen or sixteen years old, he could have achieved something like this, which has never happened in ancient times.

"Take a shot, take a shot, you will naturally see my skills!"

The young man said lightly, his face calm and indifferent, as if he hadn't put Lan Yun in his eyes.

The anger in Lan Yun's heart became heavier and heavier.

"Find yourself, then I will fulfill you, kill!"

Lan Yun roared, the whole body of light burst, and then, the endless light gathered into a giant lion, and flew towards the teenager.

The giant lion is as big as a mountain, and its momentum is very amazing.

As soon as Lan Yun shot, he used a trick. If he was hit, the teenager would die.

Since the teenager said that Lu Ming's son, then send him on the road!

The fierce color flashed in Lan Yun's eyes.

Seeing that the giant lion was about to hit the young man, at this time, the young man shot.

A layer of black light filled him, and then a black sword light burst out, slashing towards the giant lion.

puff!

The giant lion transformed by the blue cloud supernatural power seems to be made of tofu.

Moreover, the black light kept on, and continued to kill the blue cloud.

The speed of the dark light is amazing, and the blue cloud is inevitable.

"how is this possible?"

Lan Yun roared, his fists blasted out continuously, and a giant lion pounced out, but they were all swept away by the black light and fell apart.

call out!

The black light hit the blue cloud, and the blue cloud screamed, his body retreated, but it was useless. The body was directly cut into two parts by the black light, and fell to the ground, howling.

Hiss...

Many people took a deep breath and looked at the boy's eyes, shocked.

One trick, just one trick, the teenager cut the blue cloud in two.

This is too shocking.

You know, Blue Cloud is a top-level arrogant, and it controls one of the strongest rules. Today's cultivation practices have even reached the five-star virtual emperor.

This is how amazing it is to lose to the youth.

And some senior figures see more.

"What is that power, what a terrifying power, this young man's cultivation behavior is the Samsung Emperor, but the strength of cultivation is terrible!"

"Good, a bit like the power in the Taikoo cultivation system, but more condensed, sharper, and more terrifying!"

Some senior figures have a lot of discussion.

At the age of a young man, Xiuwei reached the Samsung Emperor, which was extremely amazing.

However, the power of youth cultivation is even more eccentric.

Juvenile shots, there is no fluctuation of laws. Obviously, juvenile cultivation is not a system of laws.

But it is not the Taikoo cultivation system, because the power of young people is more terrifying than the power of the Taikoo cultivation system.

Some senior figures, surprised discussion.

"Wo Nest, it's so powerful, it's so amazing, it's really Lu Ming's son!"

"It's really awesome to beat Lan Yun!"

Unscrupulous monks, Long Chen and others were also shocked.

"This power..."

Only Lu Ming's eyes narrowed.

Because of this power, he had seen it once.

At the beginning, after he had a relationship with Xie Nianqing, the next day, Xie Nianqing seemed to be a different person and attacked him.

This is the power used by Xie Nianqing.

Invincible, the attack power is extremely strong, and even the laws can be penetrated.

"He really is my son!"

At this moment, Lu Ming concluded that he was inexplicably excited.

Suddenly there was a son, and no one could be calm. Lu Ming could not wait to rush out immediately, recognize him, and then inquire about Xie Nianqing's whereabouts.

When the teenager came here, Xie Nianqing must have been in Tianqing.

He must make things clear.

However, for the time being, I'm not in a hurry. It's not too late to talk about things after the Lan family resolves them.

At this time, a master of the Lan family already saved Lan Yun. With Lan Yun's cultivation practice, his body was cut into two pieces. It was only a trivial matter, and healed easily.

The biggest blow to him was that he was defeated by a teenager.

"Impossible, impossible!"

Lan Yun's continuous roar in his heart was difficult to accept.

He was defeated by a fifteen or sixteen-year-old boy, and it was a shame.

"Unbearable!"

The teenager shook his head, his eyes turned to Xuanwu Lin again.

"Now, you can fight!"

The teenager spoke.

Xuan Wulin narrowed his eyes slightly, stepped out, and set foot on the battle platform.

Buzz!

Xuan Wulin was surrounded by stars, with a total of 360 stars covering his entire body.

Facing the teenager, Xuan Wulin was afraid to carelessly.

Keng!

The sound of the sword sounded, and a dark war sword appeared in the young man's hand.

"Remember, who defeated you, Lu Shenhua!"

The young man's voice sounded, Jianguang shouted out, pierced the void, and slashed towards the Xuanwu Forest, the speed was almost extreme.

"Lu Shenhua!"

Lu Ming shivered slightly.

Is this Xie Nianqing, the name given to the teenager?

Shenhua, meaning Shenhua Continent, also means that Lu Ming and Xie Nianqing, where they know each other and love each other, they have experienced unforgettable years in Shenhua Continent.

"Zhou Tianxing Quanquan!"

Xuanwu Lin shouted, waving his hands, stars one after another, bombarded the landing god.

call out! call out! call out!

The Lushenhuang sword was shocked, the sword gas was roaring, and the black sword light slashed towards those stars.

bump! bump! ...

Those stars burst like fireworks.

Xuan Wulin's face changed, and he exploded with all his strength. More stars stared at Xuanwu Lin.

Each star contains the power of his law, but Lu Shenhuang's sword light is amazingly powerful and can easily tear apart his power of law.

The two shot quickly, and the sky was full of sword light and star light. In a blink of an eye, the two played dozens of moves.

"What a terrifying power, Tianzong Wizards, Tianzong Wizards!"

Some senior figures lamented, of course, lamented Lu Shenhuang's combat power.

Cultivation is only a Samsung Emperor, but it can compete with Xuanwu Lin. This kind of combat power is not only scary, but also incredible.

Everyone at the scene was stunned, shocked beyond reproach.

Chapter 2320: Lu Ming Challenge

"My hair, nest, this is too abnormal! It's too bad!"

The unscrupulous monk has been talking nonsense.

"It is worthy of Lu Ming's son, younger than blue, even more powerful than Lu Ming!"

Long Chen sighed.

Really so, Lu Shenhuang's ability to fight over the ranks is stronger than Lu Ming's.

When Lu Ming broke through Wu Emperor, he hit the four-star virtual emperor in one fell swoop, then fought against Xuan Wu Lin, and finally merged with nine rules to defeat Xuan Wu Lin.

However, the Xuanwu Forest at that time was not as strong as it is now. At that time, the Xuanwu Forest had only the third-order combat power of the True Emperor.

Obviously, Lu Shenhuang's combat power is stronger than that of Lu Ming.

Of course, Lu Ming's various laws are now deepening, and he has practiced the archaic body cultivation, and his physical strength has skyrocketed. Now Lu Ming's ability to fight over the ranks is stronger than it was back then. I don't know how much.

"it is good!"

Seeing that Lu Shenhuang is so powerful, Lu Ming was also overjoyed.

"Damn, how could this be?"

Some people rejoice, others worry.

Stellar River, Yuanxin, Blue City and others roared in their hearts, unbelievable.

Lu Ming is enough perverted, but his son is even more perverted, why is this so?

They roared in their hearts, mad with jealousy.

bump! bump! bump! ...

Lu Shenhua and Xuan Wulin fought fiercely and roared continuously.

But the greater the battle, the stronger the strength of Lu Shenhua, his whole person, filled with a layer of black light, united with the war sword, the sword light is extremely sharp, and constantly destroys the stars that Xuanwu Lin hit.

In the end, Jianguang defeated the stars faster. Xuanwulin hadn't had time to condense the stars. Lu Shenhua rushed to Xuanwulin and cut it with a sword.

With a scream, Xuan Wulin coughed up blood and retreated. His body withdrew from the battle platform, leaving a deep scar on his body, blood flowing.

Xuanwulin, defeat!

The front was defeated by Lu Shenhua, and from then on, the position of Nine Jue will be replaced and replaced by Lu Shenhua.

Xuan Wulin's ugly face was dying, which was a major blow to him.

Lan Cheng's face was also very unsightly, and said with a cold face: "Lu Shenhua, do you want to continue to challenge?"

"No fight!"

Lu Shenhua shook his head, then rushed down the battle platform, landed on a seat, closed his eyes and adjusted his breath.

"Are there any challenges? If not, then today's first place is Xuanyuanyi!"

Blue City got up and announced that the voice spread throughout the audience.

"I come!"

As soon as Lancheng's voice fell, he was interrupted.

At this moment, Lu Ming stood up, stepped out and landed on the battle platform.

Many people's eyes fell on Lu Ming, but after seeing Lu Ming's appearance, they were slightly stunned.

Because of Lu Ming's appearance, they haven't seen it, another Tianjiao that hasn't appeared before?

Some figures of the Emperor of Heaven showed surprise.

Based on the cultivation of Heavenly Emperor Realm, Lu Ming should be able to dress up, but they couldn't see Lu Ming's original appearance.

"Good smart transfiguration!"

Some emperor whispered.

"Do you want to challenge? Who do you want to challenge?"

Blue City asked.

"To challenge, of course, to challenge the first place, Xuanyuanyi, come down to fight!"

Lu Ming's eyes looked at Xuanyuanyi.

what?

Many people are mad at heart!

Someone wants to challenge Xuanyuanyi!

The combat strength of Xuanyuanyi is obvious to all, and it has reached the fifteenth rank of the real emperor. This kind of combat power is undoubtedly unmatched by the younger generation.

But now, someone is going to challenge Xuanyuanyi, is it crazy!

Many people originally thought that Lu Ming came to the stage to challenge, just like Lu Shenhua, just challenge a few masters, hone himself, or gain a reputation.

But now, Lu Ming has to challenge Xuanyuanyi, which is far beyond everyone's expectations.

"This kid is definitely a sensation, wanting to challenge Xuanyuanyi and enhance his reputation, even if he loses badly, his reputation will rise!"

"Yes, it must be!"

Some people talked.

Xuanyuanyi's eyes narrowed slightly and rushed to the battle platform.

"Boy, the sword has no eyes. You challenge me. In case I miss, I will kill or kill you. That is your responsibility!"

Xuanyuanyi coldly said.

His mood was not very good. He had already beaten Lin Xiaofeng strong and took the first place. All of this was perfect.

But now, someone actually challenged him to make all this seem to be flawed and not perfect.

So, he took the killing opportunity. Wait a minute, he wants to kill Lu Ming and kill the chickens and monkeys to let everyone know and challenge his consequences.

"Little guy, what's your name?"

At this time, Blue City asked.

"Nameless people, don't mention it!"

Lu Ming smiled faintly.

"Anonymous people dare to challenge Brother Xuanyuan. It's really overwhelming. In my opinion, this person is a sensation, and Brother Xuanyuan doesn't need to fight at all. Let someone blast him out!"

A voice sounded, but it was Xuanwu Lin who was speaking.

Xuan Wulin was just defeated by Lu Shenhuang in public just now, and it is estimated that he would withdraw from the ranks of Jiu Ju.

At this time Lu Ming rushed out, he saw Lu Ming extremely uncomfortable, and directly spoke sarcasm.

"Not even a 15- to 16-year-old boy, there is still a face yelling here, if I were you, it would be a waste to repair it directly!"

Lu Ming looked at Xuan Wulin and mocked.

"You... kid, I don't need Xuanyuan brother to take action today, let me teach you!"

Xuanwu Lin was furious and rushed directly to the battle platform. He took a fist at Xuanyuanyi and said, "Brother Xuanyuan, against an unknown person, why don't you take it personally, I will teach him for you!"

"Alright!"

Xuanyuanyi nodded and moved to the battlefield.

In his view, Xuan Wulin had the best shot, so as not to start.

"Are you going to shoot?"

Lu Ming looked at Xuanwu Forest Road.

"Yes, I want to see, what skills do you have, dare to challenge Brother Xuanyuan!"

Xuanwu Lin said coldly.

"You can't, you are too weak, I don't want to abuse you!"

Who knows, Lu Ming shook his head, a look of contempt.

The Xuanwu forest lungs are all exploding.

Who is he, one of the nine must.

But today, at the beginning, he was defeated by Lu Shenhua. Now, even an unknown person looks down on him like this. He is so angry and so murderous.

"Boy, whoever doesn't speak big words, use your skills!"

Xuanwu Lin roared, and hundreds of stars appeared all over his body. Hundreds of stars gathered together and drove towards the landing, which was quite remarkable.

As soon as he shot, Xuan Wulin used a killing trick to blast Lu Ming into ashes.

boom!

The huge stars, like falling meteorites, dragged out their long tails, and they were very terrifying.

But at this time, Lu Ming moved!

There is no energy fluctuation or any law fluctuation in him, just a simple punch.

This punch depends on the power of pure flesh.
