D Emperor 2321

Chapter 2321: Zhanxuanyuan

boom!

One punch hit the huge star. The huge star, like a bubble, could not withstand a blow, and was directly blown by Lu Ming.

After exploding the stars, Lu Ming kept on **** and continued to bombard Xuanwu Lin.

Where the punching force passed, the space continued to explode, forming a terrible space storm and rolling towards Xuanwu Forest.

Xuanwu Lin was completely shrouded in Lu Ming's fist, as if the space of the four sides had solidified, making it difficult for him to move.

"how is this possible?"

Xuanwu Lin thought in his heart, and then Lu Ming's fist hit his face heavily.

bump!

Xuanwu Lin flew out directly, flew out of the battle platform, hit the ground heavily, lying there, vomiting blood.

One face was completely deformed, swollen and unrecognizable.

"This..."

Everyone was stunned, watching the landing stunned stunned.

One punch, just one punch, defeated Xuan Wulin.

It is not in a grade at all, it is completely crushed.

You know, the combat power of Xuanwu Lin also has the sixth order combat power of the True Emperor, but it was crushed. Who is this person? I haven't seen it before, how can it be so powerful?

"The power of the flesh, he is an archaic body repair!"

Suddenly, someone exclaimed.

Everyone's heart moved and reacted.

Just now, Lu Ming didn't have any laws to fluctuate. It relied on pure physical strength.

The only way to cultivate physical strength to this level is through archaic body cultivation.

Virtue's eyes lit up.

He was also an archaic bodybuilder, and suddenly saw another archaic bodybuilder, and his combat power was so amazing, he was naturally curious and excited.

"I said, you are too weak and do not want to abuse you, but you want to abuse!"

Lu Ming spoke lightly and gave Xuan Wulin a disdainful glance.

Xuan Wulin even spit out a few more mouthfuls of blood, that was angry.

Today, he was really miserable. He was defeated by two people, one was a 15- or 16-year-old boy, and one, he solved him easily with one punch.

Today, he is destined to become a laughing stock and is ridiculed by others.

"Who else want to start for Xuanyuanyi!"

Lu Ming looked at the young Tianjiao on the scene.

No one spoke.

Lu Mingneng defeated Xuanwu Lin in a boxing fight. The fighting performance was unfathomable. Others were not sure. Who would come forward for Xuanyuanyi?

"Since not, Xuanyuanyi, let's fight!"

Lu Ming looked at Xuanyuanyi.

"Ha ha ha, a little skill, but you want to fight me, you are still far away!"

Xuanyuanyi stepped out and sneered.

In his opinion, a boxing defeat to Xuanwu Lin is nothing.

Xuanwu Lin is only the sixth order of the real emperor. As long as the real emperor has more than eighth-level combat power, he can defeat him with one move.

And he, but the fifteenth rank of the real emperor is much higher than Xuanwu Lin.

Therefore, even if Lu Ming defeated Xuan Wulin by one move, he did not take Lu Ming into his eyes.

"There's so much nonsense, let's go!"

Lu Ming said.

"I said that the sword is blind, and then you accidentally start to heavy, that is your responsibility!"

Xuanyuanyi said coldly, a Fangtian Huaji appeared in his hand.

Boom!

Xuanyuanyi suddenly stepped out, Fang Tianhua halberd slammed down to the landing.

In the process of his severing, Fang Tianhua's halberd grew rapidly, and the length of the kilometer soared to Lu Ming.

Lu Ming stepped on the footsteps, the platform roared, his body suddenly rushed out, and punched out.

In this punch, Lu Ming turned his physical strength to the limit.

boom!

Lu Ming's fists were heavily bombarded with Fang Tianhua's halberd.

A terrifying roar, Lu Ming's body, receded madly, and had been withdrawn for hundreds of meters before stopping.

"This person actually blocked Xuanyuanyi's trick!"

Many people were taken aback. Although Lu Ming fell down and was repelled, everyone was still surprised.

"Who is this person, at least with the power of the thirteenth order of the true emperor, there are such arrogances in the younger generation of heaven?"

True Emperor's 13th-order combat power is also remarkable.

You must know that among the nine young masters, only Lin Xiaofeng and Xuanyuanyi reached the 13th rank of the real emperor, and the third rank was the 10th rank of the real emperor.

This is almost the pinnacle of the youngest generation in the world.

Archaic sports practice, there is such a pride.

Xuanyuanyi's eyes also slightly squinted, flashing a ray of sharp edge.

He did not beat Lu Ming in one move, and he was also very surprised.

"See if you can take me a few tricks, kill!"

Xuanyuanyi shouted, holding Fangtian Huaji, and killed Lu Ming.

"It's still a little worse with the flesh alone!"

Lu Ming whispered.

Today, he practiced "Seven Gods Xuan Gong" to the middle of the fourth layer. With the power of the flesh alone, the combat power is equivalent to the 13th order of the real emperor, and he is not an opponent of Xuanyuanyi.

boom!

Lu Ming burst out with another punch!

But this time, Lu Ming used the "Immortal Gold Body" from the immortal ancient scriptures.

The immortal golden body can turn the body into a miraculous soldier, not only possessing terrible defensive energy, but also possessing a powerful force of attack.

The immortal gold body cooperates with the archaic body to build a strong physical body, and the two complement each other, and the explosive power is extremely amazing.

"The law is the power of the law, what he cultivates is the system of rules!"

"No, his physical body is amazing. It is clearly an ancient body repair. He also repairs both physical body and rules!"

Someone exclaimed, feeling incredible.

It takes a lot of people's energy to practice one of them, but Lu Ming has practiced both, and it seems that they have achieved amazing results.

boom!

At this time, Lu Ming and Xuanyuanyi collided for the second time.

There was another violent roar. This time, Lu Ming and Xuanyuanyi shook their bodies violently and retreated one after another.

Hiss...

A cold breath came out, and many people couldn't help widening their eyes.

have equal shares!

This move, Lu Ming and Xuanyuanyi, was evenly divided.

In the world, some people can fight Xuanyuanyi.

They already felt that Xuanyuanyi had just erupted the fifteenth rank of the real emperor's combat power. Such a combat power was difficult for even Lin Xiaofeng to contend with.

However, Lu Ming was able to contend, and it was equally divided, which means that Lu Ming's combat power is also the fifteenth order of the true emperor.

There is actually Tianjiao in the world, and it is simply amazing to have reached this level.

"Damn!"

Blue City roared in his heart, a little worried.

He was worried that in case Xuanyuanyi was defeated, his plan for today would be ruined, and the hundred chaotic stones, wouldn't he hand over to others?

"Must win!"

Blue City gritted his teeth.

Xuanyuanyi also showed shock in his eyes.

He did not expect that other people in the world could achieve this step.

"I am invincible, this person must die!"

Xuanyuanyi roared in his heart, and there was a cold murder in his eyes.

In the world, there is an arrogance that can fight against him. He must never stay. He does not allow such people to appear.

"kill!"

Xuanyuanyi held Fangtian Huaji and slammed towards the landing.

Chapter 2322: the first

Xuanyuanyi straddled the void, the battle halberd seemed to be able to open the sky, and slammed towards the landing. Wherever passed, the void was directly split into two halves, revealing the terrible dark cracks.

This kind of attack power can be called invincible and unstoppable in the younger generation. Even Lin Xiaofeng must be defeated by this move.

But Lu Ming's face was calm, and to be honest, such an attack did not put him at all.

boom!

The muscles and bones of Lu Ming's body vibrated violently, reaching several hundred million times per second.

The muscles were shaken in this way, and rubbed violently with the air space. Lu Ming's body rushed straight out and punched out.

The fist was once again bombarded with the war halberd. In the violent roar, the war halberd burst, and Lu Ming shook slightly, but Lu Ming also punched out with another punch.

This punch directly penetrated the space, drove the space storm and swept towards Xuanyuanyi.

Lu Ming did not exert the power of the world, there are other magical techniques, just rely on the power of the flesh, plus the immortal golden body.

Xuanyuanyi's face changed wildly, and his body glowed. On the other hand, a handful of Fangtian painted halberds were condensed, and the halberd was cut out, blocking Lu Ming's fist, but his body retreated.

Xuanyuanyi fell into the disadvantage and was attacked by Lu Ming.

Lu Ming's musculoskeletal vibrations did not require any steps at all, and the body naturally rushed towards Xuanyuanyi.

boom! boom! boom!

Lu Ming kept throwing punches, terrifying power, and the space was beaten. Moreover, Lu Ming ignored the defense at all, as long as he attacked with all his strength.

Xuanyuanyi shouted, holding a Fangtian Huaji in his hands, slashing wildly, and engaged in a fierce confrontation with Lu Ming.

After a few strokes, Xuanyuanyi's battle halberd was cut on Lu Ming's shoulder, but Lu Ming's musculoskeletal and tremor shocked at a rapid speed, rebounding this force by half.

At the same time, the defense of the immortal gold body also prevented most of the power. The opponent's halberd could only leave a light white trace on Lu Ming's skin, and even Lu Ming's defense could not be broken.

At the same time, Lu Ming hit Xuanyuanyi with a boxing.

Xuanyuanyi's body was violently shaken, and there was a sound of broken bones in his body. His body retreated and he vomited blood.

Many people took a breath, and their hearts shook.

Defensive power like Lu Ming is also amazing, and Xuanyuanyi is simply not defeated.

The two men had the same fighting strength, one hit each other with one move, but Lu Ming did nothing, but Xuanyuanyi was seriously injured.

"No. 1 in the world? It's such a combat power?"

Lu Ming spoke indifferently, and at the next moment, his figure suddenly rushed towards Xuanyuanyi and launched a new round of assault.

"Damn!"

Outside the battle platform, Blue City roared in his heart, full of anger and cold light in his eyes.

Xuanyuanyi could not be defeated. If Xuanyuanyi was defeated, his plan was ruined. Moreover, he had to take out a hundred pieces to Lu Ming, which he would never allow.

In his eyes, a cold flash of light flashed, his foot stepped slightly, a force, along the ground, rushed toward the landing.

On the side, the other powerful emperors realized this, and their eyes moved slightly, but no one spoke.

Seeing that that force was going to hit Lu Ming silently, then Emperor Hengyu snorted coldly, and his footsteps were slightly stepped, a force poured out from the ground, intercepting the power of Blue City.

boom!

The two forces collided, the piece of ground exploded violently, and a big pit appeared, arrogant.

"what happened?"

Many people were shocked.

"Blue City, as the Emperor of Heaven, actually secretly dealt with a junior, you are really shameless, or you are seeing that Xuanyuanyi is going to lose, and you can't bear the hundred chaotic stones? speak out!"

Emperor Hengyu said coldly.

Many people glanced at Blue City, and when they saw the gloomy Blue City, they suddenly appeared.

It seems that Blue City saw that Xuanyuanyi was about to lose and secretly shot, but was intercepted by Hengyu Tiandi.

"hateful!"

Blue City roared in his heart, but he couldn't attack, and he could not speak with a somber face.

At this time, the battle situation on the battlefield was completely one-sided.

Lu Ming launched a stormy offensive, completely disregarding defense, only attacking.

Xuanyuanyi was not at all enemies, even if he resisted with all his strength, he could not resist a few moves.

bump!

Lu Ming punched Xuanyuanyi's chest with a punch, almost penetrating his chest. Xuanyuanyi vomited blood and his body retreated.

Lu Ming chased up, and punched again.

Xuanyuanyi's body was blown out like a cannonball, and half of his body burst apart. The body flew out of the battle platform and flew toward the crowd.

Blue City's face was sullen, and with a wave of strength, a force curled up, caught Blue City, took him down, and helped Blue City repair his injuries.

Defeated!

Xuanyuanyi was defeated, and Lu Ming defeated Xuanyuanyi with an absolute advantage.

Everyone had a complicated heart. They knew that a more terrifying Tianjiao was born.

Poor Xuanyuanyi had just defeated Lin Xiaofeng, and had just ascended to the throne of Jiujue. Before his **** was hot, he was kicked from the throne.

"Is there any more to challenge me?"

Lu Ming didn't go to Xuanyuanyi again, and turned his eyes to other directions.

No one responds!

Lu Ming's combat power is so terrifying that even Xuanyuanyi can't withstand a blow. Who can be his opponent?

"Since no one is fighting, then this is my first time!"

Lu Ming opened his eyes and turned to Blue City, saying, "Lan Master, since I got the first place, those hundred chaotic stones are mine!"

There was a pain in Blue City's heart. A hundred chaotic stones, that is not a small number. Even the blue house of Nuo Da, it is not easy to take out a hundred chaotic stones.

Originally, he thought that Xuanyuanyi must have made the first place and handed over a hundred pieces of chaotic stone to his son-in-law of Lancheng to help his son-in-law of the blue family to build a higher level. This is naturally not a loss.

However, to give a hundred chaotic stones to others, he was reluctant to give 10,000.

"Boy, who the **** are you? I know you used the technique of disguise, hide your head and show your tail, don't even say the name, and want to get a hundred chaotic stones, it's ridiculous!"

Lan Cheng sneered.

He began to make excuses!

"Hahaha, Blue City, you are going to be ridiculous. You did not say so before. The news you released, as long as you are the younger generation, whoever gets the first place can get a hundred chaotic stones, but now Make so many excuses!"

"I know you start to think that Xuanyuanyi is firmly in the first place, so you only took out a hundred chaotic stones for him, but you took a hundred chaotic stones as a gimmick and attracted others to set off Xuanyuanyi, you are playing the whole world as a monkey!"

Lu Ming mocked.

"Bullshit, dare to slander me, be bold, and show your true body, I want to confirm your identity, otherwise, I don't want to get a hundred chaotic stones!"

Blue City Road.

"Okay, since you want to watch it, then watch it!"

Lu Ming said, what he said, his appearance changed drastically and restored his original appearance.

The breath also recovered.

"Lu Ming!"

After seeing Lu Ming's original appearance, Lan Cheng shouted.

Chapter 2323: Father and son

Blue City, after seeing Lu Ming's appearance, couldn't help but widen his eyes and shouted in silence.

Others were dumbfounded.

"how is this possible?"

"Lu Ming, isn't he dead?"

Blue Cloud, Stellar River, Yuanxin and others are also roaring, somewhat incredible.

Huang Ling, Long Chen, Bubble and others are overjoyed.

"Who am I talking about, with such a powerful fighting force, it turned out to be Lu Ming!"

"It's amazing, how many years has Lu Ming become an emperor, and he has the ability to beat Xuanyuanyi, and his generation is invincible, it's incredible!"

"He just used his physical strength just now, and he didn't use the power of the rules very much!"

"It's true, hiss!"

All around, there was a lot of noise, and the voices of discussion gathered together.

The main reason is that Lu Ming's reputation is too loud. At first, he became an emperor with a variety of rules. Since ancient times, he has defeated one of the nine unique Xuanwu Forests, shaking the entire heaven.

A few years later, he defeated and captured the alien prince outside the two cities. That battle pushed Lu Ming's reputation to the top.

But it is far inferior to today's battle. In today's battle, Lu Ming defeated Xuanyuanyi and climbed to the throne of the two circles of Tianyuan, the first generation of the younger generation.

It seems that every time Lu Ming appears, the combat power will advance by leaps and bounds, and the increased speed is appalling.

"Father...Father!"

At this moment, Lu Shenhuang stood up, his eyes staring at the landing momentarily, his face, with surprise, surprise, expectation, curiosity and other emotions.

Lu Ming, who also heard the voice of Lu Shenhuang, turned to look at Lu Shenhuang. The two of them faced each other.

Lu Ming nodded slightly and smiled.

Lu Shenhuang took a deep breath, strongly resisted the excitement, stepped out, came to the battle platform, and faced Lu Ming.

His mother's comments on his father sounded in his mind.

A world-class hero, the world is unparalleled...

See you today, it really is!

"father..."

Lu Shenhuang spoke again.

"Your mother, is Xie Nianqing?"

Lu Ming couldn't help asking.

Although he basically knew that Lu Shenhuang's mother was definitely Xie Nianqing, he couldn't help but ask a word to confirm.

"Yes!"

Lu Shenhuang nodded firmly.

Lu Ming smiled on his face, looking at Lu Shenhuang, who was similar to him or her, and she felt an inexplicable feeling in her heart.

Unexpectedly, in a hurry to separate from Xie Nianqing for a dozen years, they even have their sons, and they are already so big.

"Shenhuang, you step back aside, wait for me to solve the matter here, and then go find your mother with you!"

Lu Ming said.

"okay!"

Lu Shenhuang nodded and retreated to the seat under the battle platform.

Lu Ming turned and faced the Blue City.

At this time, Lan Cheng's face was veiled with vicious colors, and the murderous opportunity appeared in his eyes.

"Lu Ming, you dare to appear here? Okay, okay!"

Lancheng said coldly.

"Why can't I be here?"

Lu Ming asked with a sneer.

"Several years ago, in the battlefield outside the two realms, you hurt the killers of the realms of heaven and seize their treasures and resources. This is a great sin and you must pay for your lives!"

Lanchengsen cold road.

"Hahahaha, a thief shouted to catch the thief. Since that is the case, then I will explain the matter today!"

Lu Ming laughed, and then how did the Lan family and Yan family kill him, and finally Bai Tai and others arrived, but the Lan family and Yan family killed, and killed Bai Tai and others, saying Over again.

"There is such a thing!"

Many people moved their eyes, revealing their thoughts.

At the beginning, the Lan family declared that it was Lu Ming who killed people and seized the treasure. They were met by the people of the Lan family and the Yan family. According to the rules of the two world cities, they started to fight Lu Ming.

Is there such a secret?

"It's a nonsense!" Lan Cheng scolded.

"A nonsense? I suspect that the people of the Blue family are the instructions of your Blue City, who want to seize my immortal ancient scriptures. When they are finally found, they kill people and kill me, and they blame me. Family, in my opinion, you are to be punished, it is your blue family!"

Lu Ming shouted.

"Ravage, blood-spitting people, dare to slander the emperor, today, if you use your tongue like a spring, you must be punished. Come, take Lu Ming, abandon and repair, and press into the prison!"

Blue City shouted.

bump! bump!

Immediately, in the Lan family, two masters stepped out, a strong breath, emanating, and rushed towards the landing.

These are the two great emperors, very powerful.

"Who dare I think?"

Emperor Hengyu drank coldly, and a terrible breath erupted on his body. With a wave of his hand, a big hand formed and pressed towards the two emperors of the Lan family.

"Hengyu, you want to cover Lu Ming, I'm afraid you can't help you!"

Blue City shouted, rushed out, and the cultivation behavior of a Heavenly Emperor Realm also broke out. When the big hand pressed, a Tianshi roared out and pounced on Hengyu Heavenly Emperor's big hand.

boom!

With a trembling roar, Lancheng's face changed wildly, and his body was directly flicked out, looking at Hengyu Tiandi in shock.

He simply lost his opponent and was repelled by Hengyu Tiandi.

At the same time, the two great emperors of the Lan family were also swept away by the energy of Hengyu Tiandi.

"Hengyu, on your own, do you want to violate the rules of the heavens? Do you want to fight against everyone? Lu Ming has committed a crime and must be punished!"

Blue City shouted.

"It's your blue family that is guilty. It's your blue family that is fighting against everyone in the heavens!"

Lu Ming shouted.

"A lot of nonsense!"

Blue City Road.

"Oh, I'm talking nonsense, then what you said is not farting?"

Lu Ming scolded coldly.

"Bold!"

Blue City roared, Lu Ming, a junior, dare to fight against him everywhere and hit him everywhere. He was so arrogant that he was so angry that he wished to smack Lu Ming to death.

"Dear friends, help me!"

Lan Cheng's gaze looked at Yan Jia Tiandi, Luo Jia Tiandi, the vast palace master and others.

These forces are all forces that have good relations with the Lan family, and even have a marriage relationship with the Lan family.

"Lu Ming murdered the same realm of heaven and seized other people's treasures. In my opinion, he can rise up so quickly. It is by this means that it is simply a sinful sin, and his sins should be blamed!"

Emperor Yan Jiatian stepped out and walked side by side with the Blue City. A strong breath broke out and fought against Emperor Hengyu.

"Yes, Lu Ming today, you have to win it, abandon the repair behavior, and interrogate strictly!"

Emperor Luo Jia also stepped forward.

Then, two others stepped out, both of them are the characters of the Heavenly Emperor Realm, one is the Master of the vast palace, the other is the Master of the Stellar River, and a terrible Emperor of the Heavenly Emperor.

The five powerful emperors of the heaven emperor stand together in an astonishing state.

"Hengyu, I said, today you alone can't stop us, Lu Ming, we must win!"

Lan Cheng sneered, then stared at Lu Ming, stretched out his hand, terrifying power, condensed a big hand, and grabbed the landing Ming.

"you dare?"

Emperor Hengyu Changxiao.

Chapter 2324: Shocked

Emperor Hengyu screamed, and the pressure of heaven and earth burst out. The whole world was shaking and terrible.

boom!

Emperor Hengyu shot, and a sword appeared in his hand, and the sword cut towards the blue city.

"Hengyu, I will meet you here!"

The Master of the Stellar River is an old man in gray robe. He started, and slammed toward Hengyu Heavenly Emperor.

The two made a match and evenly divided them.

The Master of Stellar River is also an extremely terrifying existence. Even among the Heavenly Emperors, they are masters, not weaker than Hengyu Heavenly Emperor.

At this time, the big hand of Blue City is already approaching Lu Ming.

However, Lu Ming stood calmly on the battle platform, his face did not change color, as if he did not see Blue City's attack.

Just then, beside Lu Ming, an old man suddenly appeared.

The old man's face was calm and he punched out.

This punch has no slight surge of energy, nor any power of law, but pure power.

However, when this punch came out, the big hand condensed in Blue City burst directly, and the terrible punch continued to blow toward Blue City.

Blue City's complexion changed, and he quickly used a magical technique to save a Tianshi.

With a roar, Lan Cheng shook his body, retreating back and forth, looking at the old man beside Landing in shock.

"Archaic physical training, you are archaic physical training, physical training of the Emperor Realm, who are you?"

Blue City roared, shocked.

He didn't expect that Lu Ming's side was still accompanied by the existence of a heavenly emperor realm, and he was a strong bodybuilder he had never seen before.

"Physical training of Heaven Emperor Realm!"

In the crowd, Virtue's eyes glowed with excitement.

At the scene, other people were also shocked.

There was actually a physical training of Heaven Emperor Realm, who followed Lu Ming and helped Lu Ming at a critical moment.

Archaic sports practice is almost lost now. There are very few people who practice, and less can achieve success.

Nowadays, there is only one person known for the physical cultivation that can reach the Heavenly Emperor Realm in the Heaven Realm, but it is by no means the person in front of him.

"Don't this strong bodybuilder have been born and have been living in seclusion?"

Someone guessed.

"This brother-in-law, are you going to be an enemy to me and an enemy to my blue family because of a younger generation?"

Blue City stared at the old man and spoke coldly, revealing a hint of threat in his words.

"Who wants to move him, I will punch him to death!"

The old man pointed to Lu Ming, spoke lightly, very simple and clear, but it made people stunned.

Whoever wants Lu Ming to kill him with a punch!

This made many people take a breath, but this is what a divine emperor said, no one would doubt it.

Lan Cheng's face also gloomy, said: "I am afraid that you alone are not enough!"

Emperor Yan Jiatian, Emperor Luo Jiatian, and Lord of the Mangdang Palace also erupted into a terrifying atmosphere, pressing against the old man.

But at the next moment, there were three more old men next to Lu Ming. They were dressed like the old man, and his face was calm, but there was a terrifying breath that broke out, destroying the breath of Yan Jiatian Emperor and others.

The pupils of Lancheng, Yanjiatiandi and others contracted sharply, revealing incredible colors.

Heaven Emperor, all are powerful in Heaven Emperor Realm, and they are all physical cultivation, how is this possible?

At the scene, other people were also shocked, dumbfounded.

Around Lu Ming, there are so many powerful people in Heavenly Realm. This force is too terrifying. The Lan family can't help Lu Ming at all.

"Damn, how is it possible that these strong men came out of there?"

Blue City roared in his heart.

He is a strong man in Tiandi Realm, Taiqing Tianyu. He has basically seen or heard of all the Tiandi, but he has never heard of the old men in front of him.

Where did the physical training of so many Emperor Realms emerge?

"Could it be those hidden old monsters?"

Blue City couldn't help thinking.

In the Taiqing Tianyu, or Yuanjie, there are naturally some hidden old monsters, who are cultivated as terrifying and powerful, and generally practice in the hidden world. Only when the aliens launch a truly terrifying war, these strong men will be born.

At this moment, in the mind of Blue City, thoughts turned around.

"Blue City, you will be on the battlefield that day, chasing me, and those who killed their senior Bai Tai, they will be handed over, and the Yan family, I want to see all of them!"

Lu Ming took a step forward and stared at the Blue City, his voice spread throughout the audience.

At the beginning of those hands-on, Lu Ming will not let go, all will die.

"It doesn't make sense, those people, you were the one who killed you, and now you want me to call someone!"

Blue City shouted, and at this time, he was still determined to be Lu Ming's killing for treasure.

"Lu Ming, although I don't know where you found the helper, but my Lan family, I'm not afraid of you!"

Blue City continued to speak loudly, bursting into a breath of breath.

Emperor Yan Jia, Emperor Luo Jia, and Lord of the Mangdang Hall also raised the breath to the extreme. Between heaven and earth, it was filled with terrible pressure from heaven.

bump! bump! bump!

Several physical elders took a small step, and this small step took place, and the whole earth vibrated, and the battle platform under their feet was directly turned into powder.

Several people in Lancheng's face changed slightly and could not help but step back.

In the imposing confrontation, they fell into the disadvantage, which made their faces extremely ugly.

"Everyone, don't you just look at it like this, let Lu Ming be arrogant here, this man kills treasure, his character is extremely bad, but his talent is so high that he can never let him grow up!"

Blue City looked at some others.

Today, there are not only Yanjia Tiandi and Luojia Tiandi, but also a few Tiandi, but the relationship with the Lan family is not so good, so I have not shot before.

At this time, the eyes of these people flashed.

They are considering whether to help the Lan family, or not to help each other.

Lu Ming's talents are so amazing, so if he continues, he will become the pinnacle of powerhouses sooner or later, and beside him, there are many powerful powerhouses to help him.

Offended Lu Ming, if Lu Ming is not dead, they will be the trouble in the future.

Therefore, these people are hesitant for a while.

"Oh, today, those people, I want to make up!"

Lu Ming spoke indifferently, and then sent a message to go out.

Rumble!

Just after Lu Ming sent the news, a deep roar came from the deep sky

Then, the sky split, and a huge palace appeared deep in the sky above it, covered with gray mist.

"This is... Chaos Hall!"

Many people's pupils contracted, showing shock.

Chaos Hall of Chaos Emperor is extremely famous in the heaven.

Although the Emperor Chaos has long since fallen, some powerful puppets have been left. More than ten years ago, he also shot in another battlefield, showing his terrifying strength.

Now, why is Chaos Hall suddenly appearing here?

Everyone was puzzled.

At this time, nine rainbow lights flew out of the Chaos Hall, which were nine figures, and each figure exhaled an amazing breath.

God!

The breath of Heavenly Emperor, the nine figures, are all Heavenly Emperors.

Chapter 2325: I’m not talking about reason

In the blink of an eye, the nine figures emerging from the Chaos Hall stood above the square.

At the scene, everyone held their breath.

Because, these nine figures are all the existence of Heaven Emperor Realm.

Nine Heavenly Emperors came at once, what a terrifying force.

A smile appeared on the corner of Lu Ming's mouth. These nine people were Tu Yi and Jin Yi.

They had already arrived nearby, and Lu Ming just gave them a voice before they showed up.

"It turns out that all the brothers in the Chaos Hall, today my daughter of the blue family got married, but I didn't expect that all the brothers could come here, it was Peng Xushenghui!"

With a bright smile on his face, Lan Cheng greeted Tu Yi and others.

However, Tu Yi and others did not fly into the Blue City, and flew directly to Lu Ming, then bowed like Lu Ming to salute: "See the young master!"

What?

This statement, everyone was stunned.

Most of them showed a look of dementia, glaring their eyes and opening their mouths. At this moment, they seemed to become idiots.

What are the nine emperors of Chaos Hall called Lu Ming? Little Lord?

Nine Heavenly Emperors of Chaos Hall are Lu Ming's men?

At this moment, many people feel that their brains are becoming muddled, making it difficult to think, and even thinking that they are dreaming.

Lan Cheng's expression was also stiff there, his eyes glared round, his eyes full of incredible colors, and then, there was a trace of fear.

Even Emperor Hengyu, a few old men who had physical training, were a little surprised.

They did not expect that behind Lu Ming, there were so many terrible strongmen.

"Lu Ming is indeed Lu Ming!"

Long Chen, Huang Li and others lamented.

"Wo Chao, I want to mix with Lu Ming, I will follow him in life and death, I have my hair!"

Unscrupulous monk, chanting Buddha.

"Is this my father?"

Lu Shenhuang whispered, looking at the characters standing among the many emperors, just like the stars holding the moon, at this moment, Lu Shenhuang was somewhat inexplicably proud.

Because, this person is his father.

Although, today was their first meeting, he still gave birth to pride and excitement.

"Chaotic Palace, damn, all this should be mine, mine!"

Among the crowd, Yuan Xin roared in his heart, his eyes were red because of jealousy.

Tu Yi and others, Yuan Xin had seen that year.

Yuanxin they told him that he must defeat Lu Ming in order to become the young master of the Chaos Palace, but later, instead, Lu Ming defeated him, and he naturally completely lost the inheritance qualification of the Chaos Palace.

What made him unexpected was that Tu Yi and others were actually powerful in Heavenly Emperor Realm, which made him jealous and mad.

If he inherited all this, how cool should it be?

But now, he can only roar in his heart, and he dare not speak out, suffocating.

"Seniors, don't need to pay much courtesy, and bother your seniors today!"

Lu Ming smiled.

"The enemy of the young master is our enemy!"

Tu Yiyi, then turned around and looked at the Blue City and others.

Nine Heavenly Emperors, what a terrifying breath, Lan Cheng and other people's faces changed wildly, and they receded again and again.

There are too many gaps. There are more than a dozen emperors on Lu Ming's side. They completely crushed the blue city and made their faces look ugly.

"Hand over those people from that year, and no one is too small!"

Lu Ming stared at the Blue City, coldly speaking.

"Lu Ming, it is clear that you are killing people and winning treasures. The people of my blue family only pursued the laws and regulations of the heavens before they chased you down. But you have a grudge and want to kill them. Is there any reason why this is true in the world?"

Blue City roared, still quibbling, and grasped the laws of the heaven to suppress Lu Ming.

Lu Ming sneered!

He has lost patience and is too lazy to argue with the other party.

"Blue City, you don't need to quibble here, and press me with the laws of the heavens. I came today, not to reason with you, but to be a person. You don't have to pay it today, do you understand?"

Lu Ming spoke indifferently.

This remark made many people stunned and shocked.

Lu Ming's remarks are obvious. Today, it is not justified to reason, or to be a person. The Lan family must make friends.

This is to force the Lan family to make friends, a person of junior generation, actually force a Heavenly Emperor, no, not just a Heavenly Emperor, but a few powerful forces.

This is almost domineering, many young people, watching the blood boiling.

Lan Cheng, Emperor Yan Jiatian and others, with ugly faces, were dying. If Lu Ming was not around, standing with too many masters, they would have slapped Lu Ming with a slap.

But now, they can only endure.

"Hurry up and call people. Today, if the Lan family doesn't make friends, then I will slaughter the Lan family, the Yan family will each have 10,000 people, and be buried with the senior Bai Tai!"

Lu Ming spoke indifferently, he had lost his patience.

"you dare?"

Blue City, Yan Jiatian Emperor roared.

"Don't you dare? Kill!"

Lu Ming shouted and rushed directly to the Lanjia area, where countless Lanjia children gathered.

"you wanna die!"

The blue city roared and wanted to deal with Lu Ming, but when the soil directly punched out, the mountains appeared, and the blue city roared back.

The characters from the Blue Family who have the Emperor Realm are about to shoot. As soon as Jin appears, a terrible breath erupts.

"kill!"

Lu Ming Changxiao banged out with a punch.

bump! bump! ...

The Lan family, there are seven or eight real emperors in the realm realm, was hit by Lu Ming, flesh and blood flew.

Facing the Lan family, Lu Ming showed no mercy.

Bai Tai was killed by the Lan and Yan families. He must report this hatred.

"Lu Ming, you are mad and mad at the masters of slaughtering the heavens. These people are all the forces against the aliens, but you kill yourself, are you the spy of the aliens!"

The blue city burst into roar, he was almost crazy, and Lu Ming was too decisive, he started to kill the master of the blue family directly.

At this time, the people of the Lan family flew away in horror.

"Hahaha, these wastes can kill several aliens. In the future? I can kill thousands of times with one person, and thousands of times with aliens. I can reach thousands of troops with one person. Kill!"

Lu Ming Changxiao, another punch, several masters of the Lan family were beaten up.

"Run, run!"

Lan Yun was also in the crowd, and fled in panic at this time. In his view, Lu Ming was simply a lunatic.

But at the next moment, he shouted in horror, because Lu Ming was staring at him, and appeared on the top of his head instantly, stepped on it, stepped on Lan Yun's face, Lan Yun screamed, his body hit the ground heavily , Screaming.

"Release Blue Cloud!"

Blue City roared, his eyes were red, and Blue Cloud, not an ordinary person, but a top-level Tianjiao.

He struggling towards the landing, but was blocked by the earth.

"Make friends!"

Lu Ming's response, only two simple words, clanging powerfully.

At the moment, the scene was silent, and time and space seemed to freeze.

In everyone's eyes, there is only one person, that is Lu Ming.

Who would have thought that such a scene would happen today, Lu Ming, slaughtering the masters of the Lan family in front of the Blue Emperor and other emperors, but the Blue City was powerless.

Chapter 2326: The Peerless Powerhouse of the Blue Family

Emperor Luo Jia, Master of the Stellar River, and others, looked ugly, but there was no one to do it. The power brought by Lu Ming was too strong. More than a dozen Emperor Emperors, they just went to death.

"Young man, you are too much!"

At this moment, a sound suddenly sounded.

The direction of the sound came from the depths of the Lan family.

The voice was old, as if it was full of the breath of the years, ordinary people have nothing, but Hengyu Tiandi, Tuyi, Jinyi and others, after hearing this voice, their faces changed wildly, revealing a dignified color.

Because of this voice, they put a lot of pressure on them.

"Old Ancestor, Old Ancestor!"

Blue City shouted excitedly.

Many people are thrilled.

According to legend, the Lan family has a peerless strongman who has been lurking in the depths of the Lan family and retired all year round.

That's a four-star heavenly emperor, is this the one?

Is the blue family's peerless powerhouse born?

boom!

Just as everyone was imagining, the atmosphere of the Lan family exploded. This breath, ancient and powerful, was shocking. Even the characters of the Heavenly Emperor Realm felt terrible pressure and their faces were extremely solemn.

boom!

As if it were an ancient heavenly doctrine, it weighed on everyone's mind, and many who were weak were to kneel down.

Then, in the depths of the Lan family, a figure appeared.

This is an old man, wearing a coarse linen, gray hair, fluttering in the wind, coming out of the air.

Every step he stepped on seemed to step on the heart of the person, making his heart beat faster.

"See Ancestor!"

The people of the Lan family saluted one another with ecstasy on their faces.

"Hahaha, my ancestor of the blue family was born, Lu Ming, you dare to kill the people of my blue family, you are dead, you are dead, I want to peel you and cramp, so that you will never be superborn!"

Lan Yun shouted, his face full of madness and grimace.

"Really, so, I can't let you go!"

Lu Ming's face was calm and his indifferent opening was filled with cold murderous opportunities.

Lan Yun's face changed wildly and shouted: "Lu Ming, what do you want to do?"

bump!

Lu Ming slammed it hard and stepped on Lan Yun's face. The terrible power burst out. Lan Yun screamed. The bones in his body were crushed by Lu Ming, and the meridians were also smashed by Lu Ming.

Lan Yun became a pool of mud, paralyzed on the ground, his eyes widened, and his eyes were incredible.

He didn't die, but he couldn't even scream at this time.

Others took a deep breath and watched Landing in shock.

They thought that when Lan's peerless master appeared, Lu Ming would definitely not dare to do it, but, in the face of Lan's peerless master, he hit Blue Cloud with one foot.

"Lu Ming, you are dead!"

Blue City roared.

The ancestors of the Lan family also gloomy.

The other party, actually in front of him, hit Lanyun hard, this is completely hit his face!

"Young people are young and arrogant, no matter how important they are. Now let go of Blue Cloud and kneel down to fix it yourself!"

The ancestor of the Lan family spoke coldly.

"roll!"

Lu Ming's response, only one word, go!

This word makes everyone's face change wildly, Lu Ming is just bold and arrogant, actually called a peerless strongman to roll?

The ancestor of the Lan family, his face completely gloomy, said indifferently: "You are young and don't understand humility, then I will act for your elders and teach you lessons!"

The ancestor of the Lan family made a step and stepped out, rushing towards Lu Ming at an amazing speed.

However, in the next moment, an old man appeared in front of Lu Ming.

An elder who is too elder in physical training.

"Go away!"

The old ancestor of the Lan family drank coldly and found a big hand, grabbing the elder Tai Chi who was in physical training.

He is a peerless powerhouse, and the ordinary Heavenly Emperor is not his opponent at all.

However, this physique elder is too elder, his face is calm and he punches out.

bump!

The elder's fist of physical training collided with the palm of the blue family ancestor, but the result was unexpected. The color of the blue family ancestor changed greatly, and his body shook like an electric shock.

One of his arms was deformed.

The elders in the physical training did not shake their bodies.

Everyone couldn't help widening their eyes.

This strong bodybuilder, who can beat the Lan family's peerless strongman with one punch, is too amazing, is it also a peerless strongman?

Lu Ming's face was calm, and during his physical training, there was indeed a peerless strong who cultivated a line for the archaic body, and the strongest one was an elder.

"It turned out to be a fellow Chinese. Today, I'm going to get some advice!"

The old ancestor of the Lan family spoke coldly, mobilizing all his strength to the extreme.

boom!

The ancestor of the Lan family quickly became larger and turned into a giant in the sky, and a terrible move, a divine light, slashed down towards the elders.

The powerful emperor of heaven can borrow the power of heaven to launch a terrible attack. In this divine light, there is the power of heaven, which can destroy everything.

However, the elders of physical training are still just one punch.

This punch seems to be able to break through the universe and destroy heaven.

boom!

The ancestral light of the Lan family ancestor was directly penetrated, and the terrifying punches penetrated the world.

The ancestor of the Lan family groaned, his body receded wildly, and backed away for tens of thousands of miles.

Everyone took a breath of breath, and there was a storm in his heart.

The ancestor of the Lan family was defeated, and a strong man who had been trained in physical training was completely defeated by vomiting blood.

"How could this be?"

Blue City, as well as other people from the Blue family, Emperor Yan Jiatian and others, all showed shock and incredible.

The ancestors of the Lan family were actually no match, and were injured by a punch.

Blue cloud, despair in his eyes.

"Make friends!"

At this time, Lu Ming continued to speak, the voice became more indifferent.

Hey!

The ancestor of the Lan family sighed, revealing helplessness.

He understands that he is not an opponent of the old man, if he insists on fighting, he must be the one who fell.

"Lu Ming, my Lan family can make friends, but you have to release Lan Yun!"

The ancestor of the Lan family looked at Lu Ming.

"Leave Lan Yun? Waiting for him to take revenge on me? You didn't hear him yelling just now, and it would be better for me to die? And, before, Lan Yun was going to kill me everywhere, I have bypassed him a few times, It’s a cherished opportunity that he doesn’t understand, then there is no future!"

Lu Ming spoke indifferently.

Lan Yun showed a terrified look of despair, trying to struggle.

But the bones and meridians of his whole body were smashed by Lu Ming, making it difficult to move.

boom!

Lu Ming's power erupted and bombarded Lan Yun, and his body exploded and disappeared into ashes.

A top Tianjiao was so beheaded by Lu Ming.

Blue City, as well as other strong families of the Blue family, have red eyes and blood in their hearts.

The Lan family, this generation of Tianjiao came out in large numbers, only two top Tianjiao appeared, but now, one was killed in public.

And in front of the blue city, in front of the ancestor of the blue family, in front of countless masters.

This is Chiguoguo's face.

Chapter 2327: Crush the True Emperor

The ancestors of the Lan family, Lan Cheng and others were frightened, and there was a cold murder in their bodies. They wished Lu Ming could be slapped to death.

However, when they saw the Hengyu Heavenly Emperor, the strong men of physical training, and the nine Heavenly Emperors of Chaos Hall, they held back.

The power of so many Heavenly Emperor Realms, and even the peerless power, this force is enough to wipe out the Lan family from this world.

Therefore, they dare not kill Lu Ming, even if they want to kill Lu Ming in the future, they dare not let others know, otherwise, this force is enough to kill them.

They hate lust, but now, they can only hold everything in their stomachs.

"Make friends!"

Lu Ming spoke again indifferently.

Lancheng almost vomited blood, so did the rest of the Lan family.

The ancestor of the Lan family, with a somber complexion, squeezed a word from his mouth: "Give!"

"Go and find those who were working on Lu Ming!"

Blue City ordered.

Soon after, some real emperors of the Lan family came here, all of them were those who killed Bai Tai and started to fight Lu Ming.

At this time, these people looked at Landing with horror.

"Yan family, what about your people?"

Lu Ming looked at Emperor Yan's family and spoke coldly.

"The people of our Yan family are not here. It will take time to be called!"

Emperor Yan Jia said.

"I'm waiting here!"

Lu Ming spoke lightly and really waited here.

At the scene, everyone talked in a whisper, no one left, they all waited here.

Time passed day by day, and finally, a rainbow came from afar, and the Yan family arrived.

Some of them were the ones who started Lu Ming.

When they saw Lu Ming, their faces changed wildly, which was a little weird.

They thought Lu Ming was dead. Unexpectedly, Lu Ming did not die, and he was still alive and well.

Then, a master of the Yan family told the people of the Yan family again, but they did not tell them before because they were afraid to resist and escape.

At this moment, the Yan family showed a terrified look, and could not believe it. Lu Ming forced the Emperor of the Yan family to hand them over.

At the beginning, it was the Emperor Yan who ordered them to do something with Lu Ming, but now, Emperor Yan Jia went to hand over them to protect themselves.

But they did not dare to say anything. This was the decision of the emperor. The fate of the emperor could not be violated. They also had family and friends.

The Lan family and Yan family gathered together, there were dozens of people.

Lu Ming glanced at these people, and he remembered each one clearly.

When Lu Ming's eyes were swept away, these people showed a terrified look.

boom!

Lu Ming stepped out, and the void shuddered.

"I can give you a chance to fight against me, as long as you can kill me, you will naturally live!"

Lu Ming spoke indifferently.

The Lan family and the Yan family, their eyes light up.

Even the ancestors of the Lan family, Lan Cheng, Emperor Yan Jiatian and others, their eyes lit up.

Although Lu Ming defeated Xuanyuanyi, Xuanyuanyi was only the 15th order of the real emperor, and these people had the 17th order of the real emperor, and even one of them made breakthroughs in the past two years to reach the real emperor. Eighteenth order combat power.

Among them, there are more than a dozen people in the 16th rank of the real emperor and 15th rank of the real emperor.

Such strength is enough to kill Lu Ming.

This is an excellent opportunity. This is Lu Ming's own death. If he kills Lu Ming, the Emperor of Chaos Hall, and the Emperor of Physical Training, he has nothing to say.

"Promise him, seize the opportunity to kill him, as long as anyone can kill him, I will be rewarded, I will do my best to help you become an emperor!"

Blue City spoke to those people.

Those people's eyes brightened, especially the strongest masters, and they were extremely bright.

This time, maybe he will be blessed by misfortune. As long as Lu Ming is killed, he will be rewarded.

bump! bump!

Lu Ming stepped on the void as if it were a huge wild beast walking on the sky. At every step, the void exploded and forced to the real emperors of the Lan and Yan families.

"Do it!"

One of them suddenly shouted and slammed towards the landing.

Taking one shot and moving the whole body, one person started, and led the others, and they all rushed towards the landing.

There are dozens of true emperors, and the weakest ones are the tenth-order combat power of the true emperor.

Dozens of attacks, from all directions, bombarded toward the landing, to overwhelm Lu Ming.

"Can Lu Ming be the opponent?"

Everyone's eyes were fixed on the field.

boom!

At this moment, Lu Ming moved. He completely ignored the attack and rushed past with a brutal attitude.

Those attacks fell on Lu Ming, and they all collapsed.

"kill!"

Lu Ming Changxiao, his fists slammed in a row.

A fistful of fists struck towards the front. In front, there were five or six figures. The body was like a big watermelon, which was directly hit by Lu Ming in the air.

"So strong!"

Many people tremble in their hearts, but those five or six people are all of the rank 10 of the real emperor, even one of the rank 15 of the real emperor, but they are still hit by Lu Ming.

After killing five or six people, Lu Ming kept standing and continued to kill him.

Lu Ming applied the power of the flesh to the extreme, and at the same time, he exploded the power of the world, and also used several rules.

Lu Ming only used four rules, but these people could no longer match.

boom!

A boxing force, as thick as a mountain, blasted the void out of a large cave, crushing it forward, and five or six people were killed where the boxing force passed.

Among them, including a strong man of the 16th order of the true emperor.

This made everyone breathe.

Everyone finally understood that Lu Ming and Xuanyuanyi had not used their full strength before, otherwise, one move could kill Xuanyuanyi.

Xuanyuanyi's ugly face is dying!

"Retreat below the 15th order of the real emperor, attack with long range, and attack above the 15th order of the real emperor!"

Someone shouted.

Suddenly, they temporarily formed a formation, and the people below the 15th order of the True Emperor retreated and landed in the rear direction to launch the attack.

The Zhendi, who had more than fifteenth order combat power, launched a fierce attack on Landing Ming.

In particular, there are two Zhendi 17th-order combat powers, and there is one Zhendi 18th-order combat power. The combat power is the most amazing.

"dead!"

Lu Ming did not shy away, and punched out with a punch.

A real emperor of the seventeenth order, his attack was directly defeated by Lu Ming. Lu Ming kept fighting and crushed on him.

He uttered a scream of despair, his body was intact.

Uh!

Lu Ming's body turned, and his right leg swept out like a long whip, sweeping towards another strong man of the seventeenth order of the real emperor.

This person was also vulnerable, and like the previous one, Lu Ming was swept away by tens of thousands of miles with one leg, and then burst apart.

"what?"

Everyone was shocked and shocked.

Especially those who started with Lu Ming were shocked, showing a terrified and incredible look.

In front of Lu Ming, the two powerful men of the seventeenth order of the emperor could not withstand a blow, just like a baby.

Lu Ming's combat power is too terrifying!

Chapter 2328: Chaos Stone, bring it

Others who fought against Lu Ming were shocked and almost scared to death, especially the master of the eighteenth order of the true emperor.

He could not easily kill the seventeenth-ranking forces of the two true emperors, and he could not do it. Lu Ming's fighting power was far above him.

"Run, run!"

For the rest, there was only such an idea in his heart, and he turned and ran away.

"Want to go!"

In Lu Ming's eyes, a cold flash of light flashed, and six feather wings emerged. Under one fan, Lu Ming's figure caught up with the man of the Eighteenth Order of the True Emperor.

Seeing that the powerful Emperor of the eighteenth order could not escape, he turned around and shouted, bursting out all the power, and drove to the landing.

But everything was in vain. Lu Ming fell down with a punch and directly defeated the opponent's attack, punching through the opponent's body, terrifying strength, and tearing the opponent's body.

Lu Ming took a closer look and grabbed the other party's heart of the world.

True Emperor's eighteenth order combat power was also spiked.

Many people are shocked and difficult to speak. This kind of combat power is really terrifying.

What is the eighteenth order of Zhendi?

That is to say, if there is one law that is the strongest law, and at the same time control nine kinds of kingly laws, it is the eighteenth order of the true emperor.

Those who can achieve this step are top-notch Tianjiao.

Some people only realized the strongest rule after becoming an emperor, but they were also terrible arrogances, and their future achievements were difficult to limit.

Obviously, convenience is such a character.

The hearts of Lan Cheng and others are bleeding.

Today, they have successively lost Blue Cloud, and the strong man just now, which is absolutely unimaginable.

But they can only watch those people, slaughtered by Lu Ming.

"kill!"

Lu Ming Changxiao, six feather wings constantly fanning, the speed is almost to the extreme, killing the remaining people.

Those people screamed, pleaded, but unfortunately useless, regretted that they were hunted one by one by Lu Ming.

Soon after, dozens of strong men all fell, and the heart of the world was robbed by Lu Ming.

"What kind of fighting power is this? The eighteenth order of the True Emperor has no power to fight back, which is amazing!"

"Since then, no one in the younger generation can compete with Lu Ming. His opponent will be an older generation!"

"The so-called Jiu Jue, in front of him, is vulnerable!"

At the scene, countless people talked about it.

"How could this be?"

The stellar river, Yuanxin, etc., these Tianjiao with Lu Ming, facial dementia, widened eyes, incredible.

In the battle of the ten places, Lu Ming was strong, but he was stronger than them.

Moreover, Lu Ming cannot become an emperor. They are confident that they will surpass Lu Ming in the future and crush Lu Ming.

However, it has been only a few years since Lu Ming's strength has reached a height that they can't reach, which is too far apart.

Today Lu Ming can kill them with one finger.

They are still in the Emperor Emperor Realm, and Lu Ming, even the powerful Emperor of the eighteenth order, can be killed, completely incomparable.

"Awesome, I will mix with him in the future, my hair!"

The unscrupulous monk kept calling.

"We have to work hard, otherwise, Lu Ming will only be thrown farther and farther away!"

"indeed!"

Long Chen, Huang Ling and others sighed again and again.

"Father, father, mother-in-law is right, the father is really unparalleled in the world, no one can reach!"

Looking at Lu Ming in the air, Lu Shenhuang was excited and clenched his fists.

Lancheng, Emperor Yanjiatian, Lanzu ancestors and others, with their anger in their hearts, had infinite murderous opportunities, but at this time, they could only resist.

"go!"

The ancestor of the Lan family snorted coldly, turned and stepped out, and left.

The same is true for Blue City and others!

"Wait!"

Lu Ming's voice sounded.

The blue family ancestors and others stopped.

"What else do you have?"

Lan Chengqiang held back his anger and asked.

"Master Lan is really forgetful. I won the first place. Let me give you the hundred chaotic stones!"

Lu Ming said lightly.

"you..."

Lan Cheng almost vomited blood. Lu Ming killed so many people in the Lan family today. Now, he still asked him for the Chaos Stone.

"Why? What do you Blue Family say, don't you want to admit it, can't you fart? Or, do you treat other people as monkeys?"

Lu Ming said lightly.

Blue City almost blew his lungs.

"give him!"

The ancestors of the blue family.

Finally, Blue City had no choice but to take out a storage ring and threw it to Lu Ming. Lu Ming took a look and it was a hundred chaotic stones.

"Thank you, thank you, these Chaos Stones can bring my cultivation closer, haha!"

Lu Ming laughed.

Lancheng's eyelids and lips kept shaking, thank you a big head ghost, if not forced by the situation, would he give Lu Ming a hundred chaotic stones?

That was for Xuanyuanyi.

"go!"

Lan Cheng held out a word from the back of his throat and turned and walked away.

The people of the Lan family, the people of the Yan family, and the forces related to the Lan family all left, and entered the vast palace deep inside the Lan family.

Lu Ming did not let Tu Yi, Jin Yi, and the strong men of physical training to leave each other.

With their strength, the Lan family and the Yan family, after all, are great forces, inheriting the ancients. There are several Heavenly Emperors. For the Heaven Realm, they still have a great role.

If Lu Ming because of the incident of Bai Tai, completely flattened the Lan family, I am afraid that other Heavenly Emperor will intervene to block.

Moreover, the ancestor of the Lan family is a peerless strongman. If they flee desperately, they are not sure to leave each other. Instead, a crazy peerless strongman takes revenge, which is too scary.

But now, the other party is afraid of Lu Ming's strength here, and certainly dare not retaliate, at least, dare not blatantly retaliate.

All around, everyone sighed again and again. Unexpectedly, what happened today would evolve like this.

Today, the Lan family was the protagonist, and Xuanyuanyi was the protagonist.

Xuanyuanyi defeated Lin Xiaofeng and set foot on the top, becoming the world's first arrogant.

But everything happened because of Lu Ming's appearance.

In the end, the Lan family and the Yan family suffered heavy losses and left in disgrace. Lu Ming became the only protagonist today.

"Hahaha, Lu Ming, long time no see!"

The unscrupulous monk rushed out with a smile on his face.

Long Chen, Huang Ling, Huang Li, Ouyang Wushuang and others also stepped out of the air and came to Lu Ming.

Lu Ming greeted everyone.

"Brother Long, this is for you!"

A jade bracelet appeared in Lu Ming's hand and handed it to Long Chen.

This is Longchen's fiancee, Xie Nianlin asked Lu Ming to bring it to Longchen.

When Lu Ming was in Shenhuang Continent, he took the time to see Xie Nianlin and told Long Chen the current situation. To facilitate Lu Ming, he brought a bracelet to Long Chen.

Long Chen's eyes flickered, took the bracelet, clenched his fist to Lu Ming, said: "Thank you!"

"You are welcome, Xie Nianlin asked me to bring you a sentence, she said, she will wait for you, no matter how many years!"

Lu Ming said.

Long Chen didn't say much, but Tiger Eyes burst into tears.

"father!"

At this time, a voice sounded, Lu Shenhuang came over.

Chapter 2329: Jian Nianqing

"Shenhuang!"

Lu Ming looked at the past and asked, "Where is your mother now?"

"Just in Taiqing Tianyu, not far from here!"

Lushen Road.

"Okay, let's leave here first, you take me to see your mother!"

Lu Ming said.

Then, everyone left the Blue Moon City, hundreds of thousands of miles away, Lu Ming and Long Chen and others, as well as Tu Yi, Jin Yi, Hengyu Tiandi and others quit, alone with Lu Shenhuang in one direction go with.

Along the way, the father and son chatted a lot, and Lu Ming also learned that it turned out that Xie Nianqing came to Taiqing Tianyu more than ten years ago. Over the years, he has been practicing in Taiqing Tianyu and taught Lu Shenhuang. Practice.

Lu Ming also secretly marveled.

In just over ten years, Xie Nianqing was able to bring Lu Shenhuang's cultivation practice to the Samsung Emperor, and his fighting power was even more amazing.

Lu Shenhuang's talent is undoubtedly very amazing, but most of the methods taught by Xie Nianqing also have a lot to do with it.

"Shenhuang, have you been any abnormal in these years?"

Lu Ming asked.

"Have!"

Lu Shenhuang nodded, and his face was dignified. He said, "There are two people in my body, they sometimes love me a lot, sometimes they are cold to me, but they have one thing in common, they will teach me seriously Practice!"

"Is that so?"

Lu Ming whispered, feeling a little heavy in his heart.

He remembered that when he was in the Land of Ten Thousand Devils, Xie Nianqing was not like that. The day before, they were okay, but later, they were going to kill him, as if they had changed.

Up to now, Lu Ming still does not know what is going on.

This is exactly the same as Lu Shenhuang said.

The two hurried while chatting.

The father and son met for the first time. They were still a bit rusty, but chatting and chatting, I felt that the relationship was getting closer.

They were fast, and a few days later, they came to a mountain range, the highest peak, with a lake.

The lake is like a mirror, dotted on the top of the mountain, making this place look like a paradise.

There was a figure standing on the shore of the lake, a black gauze skirt fluttering, exposing a pair of beautiful legs like jade, slender and straight.

A long black hair and waist, fluttering in the wind, like a goddess.

Xiaoqing!

Lu Ming trembles in his heart, a burst of joy comes to his heart.

That figure is definitely Xie Nianqing, Lu Ming will not admit his mistake, even if it is just a back figure, Lu Ming will not forget.

It has been more than ten years, and it has been more than ten years since the land of magic was different.

"mother!"

Lu Shenhuang called out and flew towards Xie Nianqing.

"Shenhuang, you are back, what can you gain from this trip? What arrogance did you encounter..."

Xie Nianqing spoke, a clear voice sounded, and then turned around.

It is exactly the same as that of the past, but after a decade or so, Xie Nianqing's face has not changed at all, and he is still fascinated.

Lu Ming stared at Xie Nianqing in a daze.

When Xie Nianqing turned around, he also saw Lu Ming.

Her words came to an abrupt halt, and she stared at Landing in a daze.

"Lu...Lu Ming..."

Xie Nianqing whispered, as if she was a little unbelievable, she would meet Lu Ming here, and Lu Ming also came with Lu Shenhuang, which exceeded her expectations.

"Mother, look at who I brought!"

Lu Shenhuang flew past.

"Lu Ming!"

Xie Nianqing whispered, tears in her eyes, and deep thoughts, and then she walked into the air and came towards the landing.

Lu Ming also flew past.

However, when Xie Nianqing flew halfway, her body shivered, and at this moment, her eyes changed and became cold, and when she looked at Lu Ming, she was full of murderous opportunities.

"Humble ants, die!"

The sound of coldness like a sword came from Xie Nianqing's mouth, and a black sword light slammed toward the landing.

"not good!"

Lu Ming's face changed wildly, and Xie Nianqing's move brought him a fatal threat.

He felt that if he was hit by this trick, he would definitely be dead.

Retreat!

Lu Ming retreated!

At this moment, Lu Ming exploded out all his strength, and his body retreated like a lightning, but the black sword light, like the cone of bone, followed the landing naming at a faster speed than him.

Block!

In Lu Ming's hands, a spear was condensed.

This spear, composed of nine rules, is Lu Ming's strongest magical power, the infinite dragon gun.

At the same time, the power of Lu Ming's physical body and the power of the world all burst out.

call out! call out! ...

The long gun vibrated. At this moment, Lu Ming stabbed hundreds of guns, hundreds of guns, and stab the black sword light.

This is arguably Lu Ming's current strongest combat strength.

Under this trick, no real emperor can stop it.

boom! boom! boom!

Hundreds of guns were continuously bombarded on the black and black sword light, and continued to explode and roar.

However, that dark black sword light, extremely sharp, Lu Ming's gun, actually burst into pieces and was swept away.

call out!

Although Lu Ming resisted with all his strength and retreated at a rapid speed, there was still a ray of light that hit Lu Ming.

Rao is Lu Ming's immortal golden body, coupled with the body's defense, it can't resist. The body was almost cut in two, and a deep wound appeared, even the bones were cut off.

Lu Ming vomited blood violently, his eyes full of shock.

Emperor!

He can clearly perceive that Xie Nianqing's cultivation practice has actually reached the emperor realm.

This speed is too fast.

You know, Lu Ming's cultivation speed is already amazing, it can be described as a thousand miles a day.

Chapter 2330: the truth

Father and son, standing on the same place, looking at each other, do not know what to do!

"Lu Ming!"

At this moment, a sound rang, Lu Ming turned to look around, and saw a graceful figure, wearing a white dress, almost the same as Xie Nianqing's, Fenghua peerless.

"Xie Nianjun!"

Lu Ming gaped, he never thought that Xie Nianjun was actually nearby.

At the beginning, in the land of Yuanshan, Lu Ming went to the Ancient Saint Clan to find Xie Nianjun. The purpose was to inquire about Xie Nianqing, but the people of the Ancient Saint Clan informed that Xie Nianjun had left and disappeared.

It turned out that Xie Nianjun actually came to heaven.

"Auntie!"

Lu Shenhuang showed a smile and flew past.

Obviously, Lu Shenhuang and Xie Nianjun have known each other for a long time.

Xie Nianjun came from the sky and came to Lu Ming, looking at Lu Ming curiously.

"Lu Ming, I haven't seen you in years. Your cultivation behavior has improved a lot!"

Xie Nianjun smiled.

"Not as good as you!"

Lu Ming said, he looked at Xie Nianjun, his eyes were more surprised.

Unfathomable!

In his eyes, Xie Nianjun was unfathomable, and he didn't know Xie Nianjun's realm at all.

But it is definitely not a true emperor, and it is even more impossible to be a true emperor, absolutely above the true emperor.

Great Realm!

It is very likely that Xie Nianjun's cultivation practice is also an emperor's realm.

Thinking of this, Lu Ming dumbfounded.

How is this going? Xie Nianqing and Xie Nianjun's cultivation speed, why is it so fast, you must know that Lu Ming has experienced countless hardships, only today's cultivation behavior.

The other Tianjiao in the Celestial Realm are weaker, such as Xuanyuanyi, which only has the fifteenth-order combat power of the True Emperor, but except Lu Ming, it is already the strongest.

However, Xie Nianqing and Xie Nianjun are about the same age as Lu Ming, but Xiu Wei has actually broken into the realm of the emperor.

If this is spread, I am afraid to scare the dead.

"Lu Ming, do you really want to know, why is Xie Nianqing now?"

Xie Nianjun smiled.

"You know?" Lu Ming's eyes lit up.

"Of course I know, let's talk aside, boy, don't follow me!"

Xie Nianjun finally said to Lu Shenhuang, and then stepped towards the center of the lake, Lu Ming followed.

The two came to the center of the lake and stood above the lake.

Lu Ming looked at Xie Nianjun and waited for her answer.

"Do you know the past and present?"

Xie Nianjun asked back.

"Past and Present?"

Lu Ming was shocked.

Xie Nianjun didn't answer, just looked at Lu Ming with a smile.

"You mean reincarnation, past and present life?"

Lu Ming asked.

"Good, reincarnation, past and present life!"

Xie Nianjun nodded.

"How is it possible? As far as I know, although there is a law of reincarnation in the world, no one can reincarnate. Once it falls, the death is gone and everything is empty!"

Lu Ming said.

By Lu Ming's current cultivation practice, he has learned more, and there is no one in the world who can reincarnate, and at most he can only take advantage of it.

Even the invincible powerhouse at the peak of the Heavenly Emperor has no return.

Moreover, Lu Ming once asked the reincarnation emperor, and the reincarnation emperor also gave a similar answer.

"No return, those people are too weak. As long as the cultivation level is reached, everything is possible!"

Xie Nianjun said, revealing a touch of disdain.

Lu Ming gaped, not knowing how to answer for a while.

Too weak, the invincible strong man at the peak of Heavenly Emperor, is too weak in Xie Nianjun's mouth?

The peak of Heavenly Emperor is already the invincible strong of this world. According to Lu Ming's knowledge, it seems that there is only Zulong above Heavenly Emperor.

Is it possible to reincarnate above Heavenly Emperor?

"You mean, Xiaoqing is a reincarnation of a strong man, and now the memory of previous lives is awakened?"

With Lu Ming's mind, I suddenly thought a lot.

"Yes, Xie Nianqing is indeed a reincarnation of a strong man. Moreover, the memory of her previous life has been awakened, which is why you see Xie Nianqing, as if there are two people in his body!"

"Originally, the awakening of memories of previous life is to be merged with the memories of this life. Finally, the memory of previous life is the dominant one, and we will re-enter the path of supremacy, and even surpass the previous life, there is a great possibility!"

"However, Xie Nianqing is reluctant to integrate past and present life, because once the integration is past, the memory of the previous life will dominate. At that time, I am afraid that Xie Nianqing is not the current Xie Nianqing, so it will be the current situation!"

Xie Nianjun explained.

"It turns out this way, it turns out this way!"

After Xie Nianjun's explanation, Lu Ming suddenly realized.

In the world, there is actually a reincarnation, and Xie Nianqing is awakening the memory of the past and present, but he is not willing to blend in the past and present.

Xie Nianqing must not be able to let go, so he is unwilling to blend in. Therefore, there seem to be two people in Xie Nianqing's body.

One will be manipulated by memories of previous lives, and one will be manipulated by memories of this life.

Xie Nianqing's previous life was definitely a very powerful person, but he was possessed by Lu Ming and took away his virginity. The other party felt humiliated, so when he saw Lu Ming, he would kill Lu Ming.

Lu Ming turned his thoughts.

Also, in the magic sea of the Devil's Land, those black-robed people seized the ancient coffin and put Xie Nianqing into it. It is likely to help Xie Nianqing awaken the memory of the past life.

All in all, Lu Ming figured it out.

call!

Lu Ming took a deep breath and looked at Xie Nianjun, saying, "Are you also a strong man's reincarnation?"

"Good! And in the previous life, Xie Nianqing and I, but also sisters!"

Xie Nianjun smiled.

Lu Ming was slightly taken aback. In the previous life, Xie Nianjun and Xie Nianqing were actually sisters, and they were all reincarnated. After reincarnation, they are also sisters. No wonder they are so similar.

And obviously, Xie Nianjun, the memories of past and present lives have been merged.

However, in the history of Celestial Realm, are there such two strong men?

"What was your realm in the past? Is it the realm above the emperor?"

Lu Ming was extremely puzzled, and more doubts came up in his heart.

"On top of Heavenly Emperor? Ha ha, forget it, I won't say this, you don't understand it, I still teach you how to help Xie Nianqing!"

Xie Nianjun said.

"You have a way?"

Lu Ming's eyes lit up.

"That's of course, you only need to help her and let her memories of past and present life merge, and that's it!"

Xie Nianjun said.

"No, according to what you said, the memory of past and present life will be merged, and the past life will be the dominant. At that time, Xiaoqing will not be Xiaoqing, no!"

Lu Ming shook his head.

This makes him difficult to accept.

"Who said that after the fusion, it must be dominated by the previous life?"

Xie Nianjun pouted and said: "Now, Xie Nianqing is two kinds of memories, competing for control, as long as who has the upper hand and devours each other's memories with absolute advantage, then the side that wins naturally will be the dominant one!"

"For example, Xie Nianqing's memory in this life has the upper hand and engulfed the memory of the previous life. That is equal to that she only has one more memory. It has no effect on personality and the like. Xie Nianqing is still Xie Nianqing. Do you understand? "

Xie Nianjun explained.
