

D Emperor 2651

Chapter 2651: Who is the strongest

"Hahaha, Lu Ming, I said, no matter how fast you are, you can't break my defense!"

Jin Sheng laughed.

"Lu Ming really can't break Jin Sheng's defense!"

"The strength is not too different. Jin Sheng is inherently invincible. His defense is amazing!"

Many people lamented that they thought it would be a draw again.

"Jin Sheng, your defense is indeed amazing, but how do you know that this is my strongest combat strength?"

At this moment, Lu Ming's faint voice sounded.

"what?"

Jin Sheng froze slightly.

"See if you can block my shot!"

Lu Ming backed away, and then rushed towards Jin Sheng. The spear shocked, turned into dozens of guns, and stabbed towards Jin Sheng.

However, when his guns were about to stab Jin Sheng, more than a dozen guns were fused together and turned into a gun, stab at Jin Sheng.

puff!

The harsh sound sounded like a layer of leather, punctured.

Then, he heard a roar from Jin Sheng, his body flew away from the distance, and fell to the ground.

"That is..."

Everyone's pupils contracted for a while.

Jin Sheng's defense was broken!

In the heart of Jin Sheng, there is a hole, transparent before and after, just pierced by Lu Ming.

"Sixth level, your crippled divine skills, have already reached the sixth level!"

Jin Sheng struggled to get up, shouting inconceivably.

"Sixth weight!"

Everyone was shocked in his heart, his face was incredible.

Lu Ming, also will attack the incomplete magic skills, to the sixth level.

Speed class, attack class incomplete magic skills, all practiced to the sixth level, the same as Linghu Ye.

Against the sky!

This time, there were actually two such characters.

You have to know that the more incomplete the divine skills are, the more difficult it is to practice, and the stronger the power.

Like Jin Sheng, Yang Chong, and Tiger Tooth, they all control the existence of the divine power. They can control the divine power, and their comprehension is definitely not bad, but they only cultivated to the fourth peak, which is too far away from the sixth.

Many people are unbelievable, but they understand that this is the truth, otherwise, it is impossible to break the defense of Jin Sheng.

Linghu Ye could not be broken, because his divine level was too low, but Lu Ming's divine level was not low.

"Great, great!"

"What a terrifying savvy, there will be unlimited achievements in the future!"

Many people marvel.

"Such characters, I am going to destroy Sword Sect!"

An indestructible Jianzong strong man suddenly spoke.

"Are you immortal Jianzong to be determined? Ridiculously, here, I am the Demon Academy!"

"In my opinion, I am infinitely holy, more suitable for him!"

At this moment, the powerful of the three hegemonic forces have spoken one after another.

These strong men are no different, they see some extraordinary things.

They felt that Lu Ming had not used his full strength.

Lu Ming, although using the Divine Divine Technique to cover up the characteristics and ranks of the dominating divine power, but such strong men have too savage vision, they vaguely feel that Lu Ming's divine power has a profound and unpredictable feeling.

Therefore, they spoke one after another.

Many people are open-mouthed, and some young people are even envious of death.

The assessment has not been completely over yet, and the three hegemonic forces have begun to rob people.

Others, breaking their heads and wanting to join the three major overlords can't, but now, Lu Ming has become a sweet steamed bun. The three major overlords, let him choose, this kind of treatment is really different, it's strange not to envy .

"Demon, ah, unexpectedly, I riot the galaxy, there is such a wicked!"

"Brother, congratulations!"

"Brother Fa, what was wrong in the past, please ask Haihan!"

The riot galaxy, some lords of power, have begun to falter the Fa Ming, especially some lords of power who have had a feast with the Fazu before, and they are full of laughter and flattery.

Just kidding, Lu Ming's entry into the three major hegemonic forces is a stubborn thing, and it will be reused. The influence of Zheng Tianjun will definitely rise.

Kang Ji and Situ Haonan both showed fear in their eyes, and they turned their thoughts in their hearts. What should they do after they have begun to think about it!

"Do you want to fight again?"

Lu Ming's eyes turned to King Kong.

"No war, since you broke my defense, I admit defeat!"

King Kong shook his head and returned to Shitai.

In this battle, Lu Mingsheng.

Now, there is the final battle, that is, Lu Ming against Linghu Ye.

"Lu Ming, do you need to rest?"

Asked the middle-aged man.

"No need!"

Lu Ming shook his head.

"it is good!"

The middle-aged man nodded, then looked at Linghu Ye, and said, "Linghu Ye, are you still fighting?"

The reason why he asks this question is that from the surface strength, Linghu Ye is not Lu Ming's opponent.

The incomplete divine skills that the two comprehend are quite the same, but Lu Mingxiu is slightly weaker and is a semi-god level. However, Lu Ming's divine level is much higher than that of Linghu Ye, and the overall strength still exceeds that of Linghu Ye.

"war!"

Linghu Ye answered very simply and jumped on the battlefield.

"Linghu Ye, actually faced the challenge, he may be difficult to match Lu Ming!"

Some people talked.

In the dream space, artifacts can't be used, and some secret techniques can't be used. In the case of backward power, the only way is to rely on combat skills and consciousness.

Linghu Ye wants to win, unless the fighting consciousness and fighting skills are far above Lu Ming.

But obviously, this is impossible.

Uh! Uh!

The two moved at the same time, fierce confrontation.

Linghu Ye's fighting skills and fighting consciousness are very strong and amazing, but Lu Ming is not bad at all, even stronger than Linghu Ye.

There is no suspense in this battle.

After dozens of strokes, Linghu Ye was hit by Lu Ming and vomited blood and retreated.

"you lose!"

Lu Ming said lightly.

"Lu Ming, I lost today because I lost my divine level. If my divine level is enough, I will not lose!"

Linghu Ye's face looked a little gloomy.

This time, he thought that he could sweep the heroes and take the first place. Unexpectedly, he was defeated by Lu Ming. He was a little unwilling.

Although this is only an assessment, he will not allow himself to lose.

Lu Ming smiled faintly and didn't speak.

"Lu Ming, how about another battle after thousands of years?"

Linghu Ye continued to speak and launched a challenge.

"Anytime!"

Lu Ming said.

"Okay, after a thousand years, you and I will fight, I will definitely lose you!"

Linghu Ye is full of strong confidence.

As long as he is given divine skills, his level of divine power will definitely continue to increase, and even cultivate to the peak state, condensing divine power.

"Okay, this time the assessment is over!"

In the air, the middle-aged man announced.

Many people were shocked and the main event was coming.

Now that the assessment is over, it is time to join Qin Tian's thirteen sects. Many young people are nervous.

Chapter 2652: Reject the three overlords

Especially those who were eliminated in the first round of assessment are even more nervous.

In theory, they also have the opportunity to join Qin Tian's 13 cases, but it depends on luck.

If you are unlucky, you cannot join.

This is about their future in life, can they not be nervous?

"Lu Ming, I will not destroy Jianzong, I sincerely invite you to join!"

"Lu Ming, my Ximo Academy, welcome you!"

"I'm countless holy land, welcome you to join!"

The powerhouses of the three major overlords spoke one after another and invited Lu Ming.

The top ten sects, although very interested, were sighed when they saw that the three overlords had initiated the invitation, and they did not speak.

They understand that the three hegemonic forces have all spoken, and they certainly have no hope, and they speak in vain.

Everyone's eyes fell on Lu Ming, and they were wondering which Lu He would choose to join.

However, Lu Ming frowned slightly.

Now that he has promised Fa Zu, to join Kong Xuanzong, he will naturally not change his mind.

Moreover, Kong Xuanzong ranks first among the top ten sects, even if it is worse than the three major overlords, it is not much worse.

"He didn't choose?"

"It is estimated that he is hesitating. Which one of the three overlords should I choose? If I were to switch to me, I would hesitate!"

"Don't dream about it!"

Most people think that Lu Ming is a time, I do not know which hegemony to choose.

"Lu Ming, as long as you join me Sword Sect, with your talents, surely the big guys are fancy and accepted as disciples, you have to think carefully!"

The invincible Jianzong strong man spoke again.

"Nonsense, isn't it normal for this kind of talent to be seen by the strong? Lu Ming, I think your fighting style is very similar to my Ximo Academy, and joining my Xmoz Academy is your best choice!"

"Wow, you are so shameless in the Alien Academy, what fighting style is similar, you can tell, Lu Ming, I am the Holy Land, is your best choice!"

The **** has started to escalate, and the three powerful overlords have begun to swear.

"Seniors!"

At this moment, Lu Ming suddenly opened his mouth and threw a punch at the powerful of the three major overlords, saying: "Lu Ming thank you for your love, but Lu Ming may not be able to join the indestructible Jianzong, Alien Academy, and Infinite Holy Land! "

what?

As soon as this remark came out, the audience was shocked and the scene was silent.

Lu Ming, actually rejected the invitation of the three hegemonic forces at the same time?

Is he crazy?

The three major overlords are absolutely the strongest in the Qin Tianxing domain, except for a few ancient races. How many people can't squeeze their heads, Lu Ming, actually refused?

Most people are shocked.

Kang Ji and Situ Haonan were ecstatic.

"Hahaha, this kid, due to his high talent, turned out to be a fool, and actually rejected the three hegemonic forces!"

"Stupid, it's simply stupid, so that not only can't you join the three major overlords, but also offend the powerful of the three major overlords!"

Kang Ji and Situ Haonan laughed happily in their hearts.

"Am I doing this right or wrong?"

Fazu sighed in his heart, full of guilt for Lu Ming.

If not for his request, Lu Ming will most likely choose to join the three major overlords.

Sure enough, the powerful of the three hegemonic forces all showed displeasure.

"Lu Ming, you better think clearly!"

"Good, think about it again!"

The powerhouses of the three major overlords spoke one after another.

"You seniors, Lu Ming can only thank you for your love!"

Lu Ming clenched his fists and refused again.

The strong men of the three hegemonic powers all had a gloomy face.

"Hum, I don't know if the sky is high!"

"Stubbornness!"

The unpleasant voice came from some masters of the three overlords.

If Lu Ming chose one of the three hegemonic forces, that's okay. Now Lu Ming and the three refused together, leaving them very faceless.

The top ten top sect powerhouses are ecstatic at this time.

Because they have a chance.

"Lu Ming, I am Xuanzong, sincerely invite you to join!"

"I am Lou Lou Zong, welcome you!"

"I Feixue Zong, I sincerely invite you...".....

The top ten ancestors opened to Lu Ming and invited Lu Ming to join.

Lu Ming's eyes swept through the top ten strong ancestors, and finally fell to the empty Xuanzong strong.

"Younger Lu Ming, willing to join Kong Xuanzong!"

Lu Ming clenched his fists.

"He joined Kongxuanzong!"

Someone called.

But more people are puzzled.

Why did Lu Ming not choose the three overlords, but chose to join Kong Xuanzong.

Kong Xuanzong, although it is ranked first among the top ten sect, but compared with the three major overlords, it is still inferior after all.

The three overlords did not choose, but actually chose Xuanxuanzong?

"Perhaps he is old with Kong Xuanzong!"

Many people guess.

The strong Xuanzong is ecstatic.

They did not expect that Lu Ming would eventually choose Kong Xuanzong.

"Okay, okay, okay, come, come here!"

The strong Xuanzong nodded again and again with great joy.

"Senior, but the junior has a request. Several friends of the junior, join Kong Xuanzong together, and invite the senior to complete!"

Lu Ming said.

"Several friends, no problem, which ones?"

The empty Xuanzong strong said.

Lu Ming looked at Xie Nianqing, Xie Nianjun and Tong Xi'er.

Xie Nianqing stepped out and stood with Lu Ming.

"The junior is willing to join Kong Xuanzong!" Xie Nianqing said.

Xie Nianjun's eyes flashed and stepped out, came to Lu Ming, but did not speak.

"Okay, yes, of course!"

The strong Xuanzong nodded.

Just now Xie Nianqing and Xie Nianjun also performed very well, and naturally he would not disagree.

"Lu Ming, I want to join the Golden Chi Sect of the top ten ancestors. My divine power is more suitable for the Golden Chi Sect!"

At this time, Tong Xi'er sent a message to Lu Ming.

Lu Ming nodded, and he naturally respected Tong Xi'er's choice.

Then, Lu Ming and Xie Nianqing and Xie Nianjun came to Kong Xuanzong's area.

"Linghu Ye, I will not destroy Jianzong, I invite you to join!"

"My Alien Academy..."

"I am immortal..."

Then, the three hegemonic forces began to invite Linghu Ye.

Linghu Ye's perception is also surprisingly high. Although the level of divine power is still weak, they also value it very much and have sent invitations to Linghu Ye.

"I join the indestructible Jianzong!"

Linghu Ye opened his mouth and chose the immortal Jianzong.

"Okay, as long as you practice well, I promise you that you will be able to trample that Lu Ming under your feet after thousands of years!"

The invincible Jianzong strong man opened his mouth and glanced at Lu Ming unhappy.

Lu Ming smiled faintly, not speaking.

"It is too early to say that!"

The strong Xuanzong responded coldly.

Lu Ming is now Kong Xuanzong's man, and Kong Xuanzong's strongman naturally needs to protect him.

Moreover, although Kong Xuanzong is not as inferior to Jianzong, it will not be afraid.

Chapter 2653: Empty Profound Star

Between the invincible Jianzong and Kongxuanzong strong, a layer of gunpowder smell permeated.

"Humph!"

In the end, the invincible Jianzong strong waved his sleeve and snorted coldly, without saying much.

Then, the three major overlords, the top ten ancestors, began to invite Yang Chong, Huya, and Jin Sheng.

Finally, Jin Sheng, joined the immortal Jianzong!

Huya, joined the Xiemo Academy!

Yang Chong, joined the Innumerable Holy Land!

Of course, this time the Emperor Xuanzong and the indestructible Jianzong, the biggest gain.

Kong Xuanzong got Lu Ming without destroying Jianzong, and got Linghu Ye and Jin Sheng.

After the top few people were invited, Qin Tian's 13 cases began to perform well for those who had performed well before, and they invited Tian Jiao who they liked.

One by one Tianjiao joined thirteen cases of Qin Tian.

Of course, the three major overlords are the most powerful, but there are also some who join the top ten sect because they are suitable.

Not everyone is suitable to join the three major overlords.

"Situ Feng, my Xiemo Academy, invite you to join!"

At this time, the strong man of the Xiemo Academy looked at Situ Feng.

Situ Feng's savvy is also very high, and was attracted by the strong man of the Xiemo Academy.

Situ Feng was overjoyed.

"The juniors are willing to join the Xiemo Academy!"

Situ Feng quickly bowed.

"Ok!"

The strong man of the Xiemo Academy nodded.

"Senior, junior want to bring a few people, join me in the Xiemo Academy with me, can you?"

Situ Feng asked cautiously.

"Which people?"

Asked the strong man of the Xiemo Academy.

Situ Feng immediately spoke of Kang Long and Situ Xiaoli's information, including the ranking in the first round.

"OK, alright!"

The strong man of the Xiemo Academy carefully considered it and nodded.

"We have joined Xomo College, we have joined Xomo College!"

Outside the dream space, under the big screen, Kang Long and Situ laughed, and they all naturally saw it in their eyes. At this moment, they exclaimed ecstatically, and they were about to explode in excitement.

"Hahaha, okay, okay!"

Situ Haonan and Kang Ji are also ecstatic and happy.

They just feel refreshed and happy.

In this way, they are not afraid of the righteous army.

Lu Ming, actually chose Kong Xuanzong, Kong Xuanzong, just the top sect.

Situ Feng, however, joined the overlord power of Astrology Academy.

Although Lu Ming has been valued by Kong Xuanzong, Situ Feng is now a disciple of the Xiemo Academy, and there is no need to fear Lu Ming anymore.

And their Xiaoyao Sect, Yuan Luo Temple, do not need to fear Zheng Tianjun anymore.

Sure enough, the lords of some forces in the rioting galaxy flashed their eyes, reconsidering their attitude towards Zheng Tianjun, Yuan Luo Temple, and Xiaoyaozong.

Lu Ming, although it will be valued by Kong Xuanzong.

But Kong Xuanzong, after all, is only the top sect, and the Xiemo Academy is the power of the overlord.

The weight of Lu Ming and Situ Feng, who is strong and weak, is not easy to say.

"It's still not a fight between them!"

Many lords of the rioting galaxy think so.

However, after some of the top Tianjiao were selected, after the 13th Qin Tian, they no longer actively invited people.

Anyone who ranks in the top 100 in their respective theaters in the first round can freely choose a sect, as long as the sect agrees and registers.

One by one, young people began to choose 13 cases of Qin Tian to register information.

One day later, all 1,999 people who entered the second round joined 13 cases of Qin Tian.

"As for those who are eliminated in the first round, if there are thirteen cases of Qin Tian in the next few days, they will naturally send someone to spread the news to you. After seven days, if there is no news, they will not be selected!"

The middle-aged man announced.

Many people sighed and could only wait for the news.

"What do you guys do, do it in seven days, and after seven days, go to Wanling City and gather at the station of Kong Xuanzong to take you to Kong Xuanzong headquarters!"

The strong Xuanzong said.

Lu Ming nodded.

Then, all the people quit the dream space, and the screen above Wanling City disappeared.

For the next seven days, Wanling City was very lively.

Some people celebrate, some wait anxiously.

Lu Ming and they joined forces with Fazu to celebrate each other.

Tong Xi'er also successfully joined Jin Chizong.

In a blink of an eye, seven days passed.

Lu Ming, Xie Nianqing and Xie Nianjun came to Kong Xuanzong's station in Wanling City.

Wan Ling Xing, as the largest commercial planet in the Qin Tian Xing field, thirteen cases of Qin Tian are located in Wan Ling Xing.

In a huge mansion, Lu Ming came to meet here.

In addition to Lu Ming and them, there are other people, and the number adds up to about 150 people.

This is the total number of Kong Xuanzong recruiting disciples this time.

The vast territory of Qin Tianxing has screened out more than one million genius characters. In the end, Kong Xuanzong selected only 150 people.

This probability can be said to be very low.

Lu Ming came to them and looked at Lu Ming with their eyes.

Lu Ming and others can be said to be very dazzling.

Lu Ming's talent is amazing. He was the first to be evaluated this time. Xie Nianqing and Xie Nianjun are both beautiful and almost the same length. The three of them stood together, and it was difficult to stand out.

Most people looked at Lu Ming's eyes with admiration, but there were also some people with strong fighting intentions.

After all, the initial assessment was suppressed.

Many people actually have a very high level of cultivation, far above Lu Ming, and their combat power is strong. For Lu Ming, who is not a god, he still has contempt and hostility.

"Brother Lu!"

A young man smiled and greeted Lu Ming.

"Brother Deng!"

Lu Ming also smiled.

This young man was in the first round of assessment, the 20th region, and the final duel with Lu Ming, Deng Yu.

At the beginning, he lost to Lu Ming, and his heartfelt persuasion was oral. He was not hostile to Lu Ming. Later, when Lu Ming got the first assessment, he admired it even more.

Obviously, Deng Yu also joined Kong Xuanzong.

Uh! Uh! ...

At this time, the figure flashed, and several figures appeared.

The headed person is the strong man of the former Xuan Xuanzong. This time, Xuan Xuanzong recruited disciples and has been presided over by the other party.

"Introduce yourself, my name is Huo Quan, an outside elder of Kong Xuanzong. Now, you come with me and take you to Kong Xuanzong's headquarters!"

Huo Quan introduced them at will, and then led them to the ground and sent them towards a place.

Kong Xuanzong is one of the 13 cases of Qin Tian, and is also ranked first among the top ten sects. It is extremely powerful, and it occupies a vast territory.

There are dozens of galactic rivers occupied by the empty Xuanzong, and countless life planets.

The headquarters of Kong Xuanzong is called Kong Xuanxing.

Kong Xuan Xing, a huge life planet, there are eight other huge stars around Kong Xuan Xing, surrounding Kong Xuan Xing.

Chapter 2654: Exterior doors

Wanlingxing is very far away from Kongxuanxing. Even if it has been riding the teleportation array, it takes a month to reach a star around Kongxuanxing.

The teleportation array cannot be directly transmitted to the empty Xuanxing, but only to the planets around the empty Xuanxing.

"That is..."

Standing on this planet, they looked into space and could see that a huge star slowly turned in the void, and that one was the empty star.

call out! call out! call out!

On this planet, a rainbow of light rose up into the sky and flew into space, towards the sky Xuanxing.

Star battleship!

All are star warships. At a glance, most of those rainbow lights are star warships. They rushed into space and flew towards the sky.

At a glance, there are at least thousands of star warships.

This scene is amazing.

"This...was empty Xuanzong!"

Lu Ming sighed, it was difficult to calm down.

The rioting galaxy, Zhengtianjun, really cannot be compared with Kong Xuanzong, which is too far.

Zheng Tianjun, there are only a dozen star warships in total, and they are all the lowest class.

But here, at a glance, I saw thousands of ships.

It is totally incomparable. Zheng Tianjun is like a remote village, and Kong Xuan Xing is like an international metropolis.

Huo Quan took out a star warship. The star warship became larger at a rapid speed and was suspended in the air.

"Let's enter the Star Wars!"

Huo Quandao.

After everyone entered, Huo Quan controlled the starry sky warship and flew towards the sky Xuanxing very quickly.

This star warship is naturally much more advanced and faster than the star warship of the Zhengtian Army.

As you can see from the inside, the empty Xuanxing gradually grows bigger, and finally covers the sky and blocks the view of everyone.

Through the atmosphere of the sky Xuanxing, the crowd exited the star battleship, and under the leadership of Huo Quan, they flew in one direction. Soon, they came to a huge mountain.

This mountain range is endless and immense. It can be seen that various buildings are built on it, and people fly from time to time.

"Here is the outer door area of Kong Xuanzong. The disciples you just joined belong to the outer door disciple of Kong Xuanzong!"

"Only when you break through the real **** realm can you enter the inner gate area and become an inner disciple of Kongxuanzong, enjoying various benefits!"

Huo Quandao.

Everyone nodded. In fact, most of the sects have similar rules and strict ranks, which is also to stimulate the disciples under the disciples to practice hard.

"Of course, if you want to become a disciple of Nei Men, there are limits. If you can't break through the true **** realm within a million years, you will never be eligible for promotion to Nei Men. You can only go to other planets and help Zong Men take care of some industries. !"

Huo Quan said again.

"Million years!"

Many people shook their hearts and then showed firmness.

In a million years, they must break through the true **** realm.

A million years, it seems very long, but for Wushen Realm, it really is nothing.

In Wushen Realm, if there are no natural treasures, or the ultimate divine pill, every breakthrough is very difficult and requires a lot of time.

Especially the bottleneck between the virtual **** realm and the true god. Many people have a card for hundreds of thousands of years, millions of years, or even tens of millions of years.

They are all very young now, all under the age of 10,000, and they are all talented people, but there is no guarantee that everyone can break through the true **** realm within a million years.

If you can't break through the true god, you will have to allocate it to some other planets to help Xuanzong take care of the industry. As a result, under distraction, your future achievements will be limited.

"Within a million years, I will definitely become the true God and become a disciple of the inner door!"

"I have tripled the imaginary realm, and I will definitely break through within a million years!"

...

More than one hundred and fifty young people, with firm eyes and strong confidence in themselves.

Huo Quan looked in his eyes and smiled casually.

He has lived a long time, a genius of one thousand years, he has seen too much, every person has strong self-confidence at the beginning.

However, each time, many people have difficulty breaking through in a million years, the most is stuck at the peak of the virtual **** realm.

Of course, he will not speak out to fight the self-confidence of everyone.

"Come with me!"

Huo Quandao flew towards the mountain in front, followed by everyone, and after a while, came out of the mountain. Two young men, one man and one woman, greeted them.

"Have seen Elder Huo!"

Two young people salute.

"Ok!"

Huo Quan nodded and said to Lu Ming, "You first go to these two brothers and sisters to find a place to live. After you settle down, you will go to the personnel hall to register your information and receive your identity token within three days. Report your affairs now!"

In words, Huo Quanhua turned into a rainbow, and left here.

"Sisters and sisters, our outer disciples live in a place where men and women are separated. Men live in an area and women live in an area. Teachers and sisters, come with me!"

The woman said, then turned and flew towards the mountains.

"Lu Ming, then I'm going!"

Xie Nianqing said to Lu Ming.

"Go!"

Lu Ming nodded with a smile, then Xie Nianqing, Xie Nianjun and other female disciples followed the woman away.

There are more than one hundred and fifty of them, and the number of women is less, about fifty or so, and the remaining more than one hundred are male disciples.

"Brothers, come with me!"

The man said, turned away, and everyone followed.

Soon, they came to the buildings.

Here, there is a separate courtyard, each one is very spacious.

"This is where the outer disciples live. You choose it yourself. There is a sign on the door of every other courtyard. However, if you live there, the sign will be taken off. You choose those with signs, choose at will. Just do it!"

"After the selection, within three days, report to the personnel hall!"

After that, the young man turned around and walked away, seeming to have some scruples.

Lu Ming and others were puzzled, but did not care, and walked towards those other courtyards.

Squeak!

At this time, the gate of a different courtyard opened, and several young people walked out of it, watching the land with a playful look at them.

"The newcomer of the millennium is here again!"

One of the young men smiled and came to the landing Ming Ming they came.

"Meet a few seniors!"

Some people greet a few young people. After all, they have just arrived at first sight.

"Ok!"

Several youths, apparently headed by one person, a young man in a yellow robe with a eagle-hook nose, looked quite shrewd. He nodded and looked at Lu Ming and others, saying, "Now, you are not qualified Pick another house!"

"I haven't qualified to choose another college, but the brother just now..."

Humane.

"Nonsense, I'm in charge here!"

The young man in Huangpao's eyes froze and scolded: "If you want to choose another courtyard, you can pay 10,000 pieces of God Crystal!"

"What? Ten thousand **** crystals!"

Someone exclaimed.

Ten thousand **** crystals are not a small number.

Chapter 2655: blackmail

"Yes, 10,000 yuan per person. After you hand it over, you can choose to stay in the other courtyard. Those who do not pay will not be eligible to stay. I tell you that those who do not stay in the other courtyard are not disciples of empty Xuanzong. Got Xuanzong, do you understand?"

The yellow robe said coldly.

Blackmail!

This is the blackmail of Chiguo Guo.

Moreover, the appetite is amazing, each person has 10,000 **** crystals, and more than one hundred people are more than one million **** crystals. What a huge sum of money?

"You...you are extortion, I want to tell Huo Zhuangzong the old thing!"

Someone shouted, not willing to be blackmailed.

"Fart, what kind of blackmail? You first entered the Xuanzong, do you understand Brother Xiaojing?"

The young man in the yellow robe scolded, with a ray of sinister light flashing in his eyes, saying: "You can be filial, and dare to tell the elders, or you can, but in the future, you should be more careful in Kong Xuanzong, when you are abandoned, don't blame me for nothing Remind you first!"

Threats!

The threat of Chiguoguo!

Fear flashed in the eyes of some people.

When they first arrived, they were unfamiliar and could not compete with these old disciples. If the other party specifically troubled them, no one could eat it.

"Quickly pay, whoever doesn't pay, I promise you guys in Kongxuanzong, can't stay!"

Yellow robe youth threatened.

"Nuo University's Kong Xuanzong, I don't believe that no one is in charge. I will go to Huo Zhuangzong and let him preside over justice!"

A burly young man roared and turned away.

"Death!"

The young man in yellow robe drank coldly, and as soon as his figure flashed, he rushed towards the burly young man, his palm like a knife, and his palm chopped toward the burly young man.

The palm wind roared, and the power was amazing.

"Five levels of False God Realm!"

Lu Ming's eyes moved.

The cultivation behavior of the Huangpao youth is the fivefold of the virtual **** realm.

The burly young man turned and shouted, punching and punching.

However, the cultivation of the burly youth is only threefold in the imaginary realm, which is too far away from the yellow robe youth, and the palms of the hands intersect. The burly youth vomited blood in a big mouth, and his arms were broken, flew out of 100 meters, fell to the ground, and coughed. Blood.

"Whoever does not follow, this is the end!"

The young man in Huangpao gloomed and glanced at Lu Ming and others.

Lu Ming looked calm.

But other people's face is very unsightly.

Domineering, too domineering!

Moreover, the cultivation behavior of the young man in the yellow robe is extremely profound, with five levels of false **** realm.

No one in their group surpassed this practice.

Thirteen cases of Qin Tian are enrolled once every thousand years. Therefore, their ages are not large. Many of their cultivation time are not more than a thousand years. Even if they are longer, they are not more than two thousand years, and their cultivation performance will not be very high.

Among Lu Ming and his group, the highest cultivation level is also the five levels of the virtual **** realm, which is equivalent to the youth of the yellow robe.

However, the young Huangpao joined Kong Xuanzong long ago, and must have practiced the incomplete divine skills, and the fire must have been shallow. Therefore, even the five-fold virtual **** realm is probably not the opponent of the young Huangpao.

After all, there are too few characters such as Jin Sheng and Hu Ya, and at a young age, Xiu Wei has reached the ninth level of the virtual **** realm.

In some other courtyards around here, some old disciples also came out to observe spiritual knowledge.

"Huang Wu, it's really overbearing, and he started working on the new disciples again!"

"Is there any way, who told him to have a big brother, the backstage is tough, and the others want face, but he doesn't want face, shameless!"

"Yes, I can only blame the newly-introduced disciples who are out of luck. They paid 10,000 pieces of God Crystal. Buy it safe. A thousand years ago, I also paid 10,000 pieces!"

Some old disciples around them secretly communicated.

"Hurry up, I don't have so much time to spend with you!"

Huang Wu, a young man in Huangpao, glanced at Lu Ming coldly.

"Pay, I will!"

Finally, someone was shaken, took out 10,000 pieces of God Crystal, and handed it to Huang Wu.

"I also pay!"

"I pay!"

One after another, many people stepped forward and handed over ten thousand **** crystals.

People have to bow their heads under the eaves, so they should spend money to eliminate disasters.

"Boy, it's your turn!"

A young man by Huang Wu's eyes swept coldly to Lu Ming.

"Sorry, I have no God Crystal!"

Lu Ming casually spread his hand, and then walked to think of a private courtyard.

"Boy, stop!"

Huang Wu drank coldly.

But Lu Ming didn't seem to hear it and moved on.

"I told you to stop, are you deaf?"

Huang Wu shouted.

"Of course I am not deaf!"

Lu Ming walked and glanced back at Huang Wu. He said, "However, if you tell me to stop, stop. Do you think, who are you?"

what?

Huang Wu froze!

Lu Ming, how dare you talk to him like this?

A new rookie who dares to talk to him like this?

Not only him, but the old disciples watching around him were also very surprised.

"This kid is really stunned, dare to say that Huang Wu, his ending will probably be very miserable!"

"It's hard to say, dare to ignore Huang Wu so much, is he from a arrogance of a big force?"

"This...not good!"

Those old disciples were all moving, and it was not impossible.

In addition to several extremely terrifying races, there are also 13 powerful Qin Tian dynasties in Qin Tian Xingyu, and some powerful forces and races. These racial forces will also choose young Tian Jiao to join 13 Qin Tian dynasties.

This is the case with the Tigers!

If it comes from a powerful race, it is normal to have such confidence.

After Huang Wu froze for a moment, apparently thought of this.

In his eyes, flashing continually flashed, glancing at Lu Ming, said: "Boy, you have a species, which galaxy are you from?"

"Riot Galaxy!"

Lu Ming said lightly.

"What...what? Riot Galaxy, the ruined Galaxy?"

Some old disciples, as well as Huang Wu, were all stunned.

"He really came from Riot Galaxy?"

Huang Wu asked another new disciple to confirm.

"Yes, yes, he did come from the Riot Galaxy!"

The new disciple nodded.

Huang Wu felt relieved.

"That kid, coming to an end, from the rioting galaxy, dare to be so arrogant, really..."

An old disciple shook his head.

In their view, it's already a miracle that a riotous galaxy can join Kong Xuanzong, and dare to be so arrogant.

Sure enough, it was a person who walked out of a small place, short-sighted!

Some old disciples secretly said.

Huang Wu's eyes burst into cold murder.

"Boy, kneel down and apologize for the sentence just now, and then hand over one hundred thousand **** crystals. This matter can be counted like this, otherwise, I will interrupt your limbs and make you pay!"

Huang Wu's grudge.

"moron!"

Lu Ming spoke lightly, turned around and continued to walk.

"you wanna die!"

Huang Wu was furious, and looked like a goshawk. He rushed to Lu Ming, and his palm was like a knife, slashing to Lu Ming.

Uh!

Lu Ming held the palm of his hand in a void, and the divine power condensed a long gun, which was swept out.

Chapter 2656: Photographs are correct

Lu Ming swept it out with one shot. With this shot, Lu Ming used the incomplete divine skill and exerted the fourth-level power. The nine-level power surged out and collided with Huang Wu's palm.

boom!

With a violent roar, Lu Ming stepped back, stepped continuously, and the ground stepped exploded.

And Huang Wu also retreated!

The blow was evenly divided.

"This kid is so strong!"

The new disciples were okay. They knew Lu Ming's strength. The old disciples around him were all taken aback. Lu Ming could actually block Huang Wu's blow and repel Huang Wu.

This strength is amazing.

The point is that they swept their minds and found that Lu Ming was only a semi-divine state of cultivation, and even more shocked.

"This kid..."

Huang Wu's eyes were also condensed.

He just saw that Lu Ming was only a semi-god-level cultivation practice, so he did not use his full strength in the first move, but with his cultivation practice, even if he did not use his full strength, he could easily suppress the existence of the four layers of the ordinary virtual god. Lu Ming was repelled by a stroke.

"Boy, there is some strength, but I was far from using my full strength just now. Let me show you now, what is brother, what is rookie!"

Huang Wu spoke indifferently, and his divine power surged out.

bump!

His body rushed towards the landing, slashing out again.

A blade of light burst out of his palm and slashed towards Lu Ming.

With this move, Huang Wu almost exerted all his strength and exhibited incomplete divine skills.

He has been practicing for many years, and he has cultivated the incomplete divine skills to the fifth level, with amazing power.

Lu Ming's eyes narrowed slightly.

To be honest, Huang Wu's strength is amazing, and the divine power under his control is Wangpin's divine power, and he has cultivated incomplete divine skills. It is far from the Zhengtian Army. The five virtual **** realms of Yuanluo Temple are comparable.

Lu Ming did not hesitate at all, and directly triggered the double combat power of the "word of war", instantly, Lu Ming's combat power increased greatly.

boom!

Lu Ming's spear collided with Huang Wu again. This time the vibration was bigger and stronger.

The two bodies were shocked again and backed up again and again.

"What? Block it again!"

"This time, Huang Wu used all his strength and was actually blocked. Is that kid still a human?"

"This is a demigod class, kidding me!"

The old disciples who watched in secret were dumbfounded.

Even those new disciples, who had seen Lu Ming shot during the appraisal, were also shocked with wide eyes.

During the assessment, Lu Ming was not so strong.

This is natural. During the assessment, Lu Ming could not use the war character tactics. Now he can use the war character tactics. Of course, his power is stronger.

"How is this kid? I don't believe it!"

Huang Wu shouted in his heart, his eyes were extremely unbearable, and he killed Lu Ming again. His palm was like a knife, and the knife was vertical and horizontal, constantly slashing towards Lu Ming.

Lu Ming condensed the spear with divine power, without any fear, and went towards Huang Wu.

At the same time, Lu Ming will use his incomplete magic skills to the extreme, urge to the sixth level, fight with Huang Wu, the two immediately confronted dozens of moves, Lu Ming began to gain the upper hand.

"Sinister, what is this sinister?"

Those old disciples almost bit off their tongues.

A demi-god, can actually suppress Huang Wu of the five levels of the virtual **** realm, and Huang Wu is not an ordinary five levels of the virtual **** realm, but a character of Tianjiao.

The two young people who followed Huang Wu couldn't get in the way at all, and their practice was not as good as that of Huang Wu.

"Boy, I want to abolish you!"

Huang Wu growled.

A sword of war appeared in his hand. This sword was a sixth-order inferior artifact.

Artifact in hand, his strength has skyrocketed.

"An artifact, only you have it?"

Lu Ming spoke indifferently, a spear appeared in his hand.

This spear was obtained by Lu Ming from Tianshen Cave Mansion, a ninth-order inferior artifact.

Buzz!

The spear was shocked and displayed incomplete magic skills. In an instant, the thirteenth power burst out.

when!

Huang Wu's body shook violently, backing up again and again, the arm holding the knife was sore, and almost shattered.

"Ninth-order inferior artifact!"

Huang Wu shouted, staring at the long spear in Ming Ming's hands.

The ninth-order inferior artifact, in the market, how can one hundred thousand **** crystal.

Lu Ming, a demi-god, actually has a ninth-order inferior artifact.

"Boy, hand over the artifact, this time, I can do so!"

Huang Wu shouted.

"Idiot, you want to forget this, I don't want to!"

Lu Ming said indifferently, using Peng Wing Technique, his body flashed, and he attacked Huang Wu.

"you..."

Huang Wu was furious and could only resist it.

when! when!

Lu Ming took out the ninth-order inferior artifact, and his combat power was undoubtedly stronger. He completely suppressed Huang Wu. After a few strokes, the sword of Huang Wu flew out of his hand. He vomited blood and flew back.

bump!

Lu Ming swept across the ground, pumped on Huang Wu's body, Huang Wu fell to the ground, vomiting blood in a big mouth, a look of anger in his face.

"Boy, dare you hurt me, I want you not to die!"

Huang Wu roared.

"So much nonsense, get out!"

Lu Ming swept it out, and Huang Wu was like a cannonball. He was swept away and turned into a black spot, which could not be seen.

After sweeping away Huang Wu, Lu Ming took a deep breath and put away Huang Wu's sword.

The sixth-level inferior artifact is not low in value, and can be exchanged for many artifact fragments for the ball to eat.

With the improvement of the ball level, this guy's appetite is getting stronger and stronger. The artifact fragments with lower levels are rejected by this guy. They must eat artifact fragments higher than his own level.

"Boy, you dare to hurt Huang Wu, do you know who he is? You are dead, do you know?"

A young man from Huang Wu shouted.

"Go away, if you don't go, even fight with you!"

Lu Ming glanced coldly at the two young men.

The two young men shivered, showing fear, daring not to say much, and walked away in vain.

"This new guy is really crazy!"

"There is such a terrible fighting power in the Realm of Demigods. It is estimated to be a peerless genius. However, Huang Wu's origin is not small. His elder brother is the most outstanding figure among the

disciples of the inner door, and he is also a person of the Holy Son faction, I am afraid that this newcomer will have a hard time in the future!"

"Good, unless he also has a backstage, otherwise, it's over!"

Some old disciples talked.

Some new disciples were also stunned. Unexpectedly, Lu Ming was so strong that even the old disciples dared to fight.

Many people's eyes flickered, and then they went to another courtyard without saying a word. They dared not walk too close to Lu Ming, fearing that Lu Ming would be affected.

"Brother Lu, thank you!"

At this time, Deng Yu came over and clenched his fists.

"Thank you? I just don't want to give Shenjing!"

Lu Ming smiled.

"Brother Lu, still have to be careful. Those few people dare to blackmail the new disciples. I'm afraid the beginning is not small. I'm afraid there will be revenge behind!"

Deng Yu reminded.

"The soldiers will block it, the water will cover it!"

Lu Ming smiled.

He walked all the way, what did he not experience? What risks have not been encountered? His mentality has been very firm.

Chapter 2657: Is it a demigod?

Next, Lu Ming randomly found an empty yard to stay.

At the entrance of the other courtyard, there was a sign with the number '86' written on it. Lu Ming took down the sign and put it away, which means that someone lived here.

"It seems that it is necessary to break through as soon as possible and reach the virtual **** realm!"

Lu Ming thought.

On his face, there was no expression on his face. In fact, there was still a sense of urgency in his heart.

Although he is strong, but here is Kong Xuanzong.

One of the thirteen cases of Qin Tian, Tianjiao is like a cloud.

Those who can practice here are all Tianjiao figures. It is difficult to count how many Tianjiao have accumulated in countless years.

If you don't become the true God in a million years, you will be sent to other planets to take care of things.

That is to say, this outside door alone has many Tianjiao accumulated in nearly a million years, how many will there be?

Every one thousand years, more than one hundred people.

In a million years, it will exceed 100,000.

Moreover, Kong Xuanzong's enrollment of disciples is not entirely based on the assessment once in a thousand years. Usually, there are some strong people who walk through various life planets and look for those with good talents, which can be directly entered into the sect.

In this way, the number is not small.

In millions of years, the number is amazing.

Even if there are a lot of people who break through the true **** halfway and become disciples of the inner door, there are still many left.

I am afraid it is close to 100,000 people.

These are all powerful and talented people. In the face of these arrogance, Lu Ming's ability to leapfrog and fight will be greatly reduced.

Lu Ming sat cross-legged, and his power was adjusted.

At this time, the battle between Lu Ming and Huang Wu was also spread among some outside disciples.

"What? A disciple who just started, defeated Huang Wu?"

"Huang Wu's five-fold cultivation practice for the Deficiency of the God of God is incomplete, and he has also reached the fifth level. His strength is very strong. A new disciple who has just started can defeat Huang Wu. It's not easy!"

"It's really not simple, it won't be a natural pride from a certain clan!"

Many people guess.

After all, in the thirteen cases of Qin Tian, every thousand years, a group of disciples are recruited. Those with talent and strength will generally participate, and they will not be too old.

Therefore, every time a person who participates in the assessment of enrolled disciples has a very long cultivation period, and cultivation will not naturally be too deep.

There are not many historical disciples who can beat the strength of Huang Wu just after joining.

"Wei Qing, you were present at the beginning, but you know what Lu Ming is, what origin is it from?"

Someone asked a young man who was present.

"From the riotous galaxy, I heard him say this!"

Wei Qingdao.

"What? From the riot Xinghe? The riot Xinghe, there are such characters, does his cultivation behavior exceed Huang Wu?"

"Wei Qing, did Lu Ming's cultivation practice exceed Huang Wu and reach the sixth level of the virtual **** realm, or would he be Huang Wu's opponent?"

"Thirteen cases of Qin Tian have never been opened to the riotous galaxy. There are some arrogance in the riotous galaxy. It is not impossible to cultivate to reach the sixth level of the virtual **** realm for nearly ten thousand years!"

"Yes, it must be so!"

Many people are convinced that Lu Ming must have practiced for nearly ten thousand years, and he can only defeat Huang Wu if he cultivates more than Huang Wu.

"He cultivated, did not exceed Huang Wu!"

Wei Qing was quite speechless.

"What? Didn't exceed Huang Wu? Isn't it the fivefold of the False God Realm? At the same level as Huang Wu, you can defeat Huang Wu just after getting started? Really fake!"

An old lay disciple, some unbelief.

"If this is really the case, this person's perception will be amazing, and he will definitely practice the incomplete divine skills to a very deep level, or he will have adventures a long time ago and get other incomplete divine skills to practice for many years before he can be defeated. Huang Wu!"

Another veteran disciple guessed.

"Hey, let me tell you, Lu Ming, not even the existence of False God Realm!"

Wei Qingdao.

"Isn't it the False God Realm? Wei Qing, are you wrong? Isn't it the False God Realm, is it the True God Realm, a person who has been practicing for less than ten thousand years, can reach the True God Realm?"

"Moreover, even if it is the true divine realm, it is impossible to come to the outside door, it is estimated that he has become a disciple of the inner door!"

Many outside disciples despised.

"Who says he is the true **** realm, he is not the true god, nor the imaginary god, he is the demigod, do you understand the demigod?"

Wei Qing was anxious and spoke out in one breath.

There was a moment of silence on the field.

Then everyone laughed.

"Hahaha, Wei Qing, are you crazy? Half god? A half god, can defeat Huang Wu?"

"Wei Qing, are you talking about dreams?"

"When we are three years old, are we fooled?"

Everyone sneered, didn't believe it at all, and ridiculed Wei Qing.

Wei Qing blushed and shouted loudly: "This is the case, Lu Ming, the semi-god-level cultivation practice, defeated Huang Wu. Not only did I see it before, but also others saw it!"

"Also, the disciples who have just started, within three days, have to go to the Personnel Hall to register, receive an identity token, and will also test their cultivation behavior. If you don't believe it, we will go to the Personnel Hall and wait for Lu Ming to go. I knew that I didn't lie!"

Seeing Wei Qing's expression, the others were silent.

Is it true that Wei Qing said?

However, they still could not believe that a demi-god could actually defeat Huang Wu.

In fact, even Wei Qing himself couldn't believe it unless he had seen it with his own eyes.

"Go, let's go to the personnel hall and wait, I won't believe it!"

"go!"

A group of people are heading towards the Hall of Personnel and waiting in the Hall of Personnel.

...

A few hours later, Lu Ming returned to her peak state, and she got up and walked towards the personnel hall.

The Personnel Hall, Kong Xuanzong's outer disciples, everyone knows where they are. Just ask someone to find out. Lu Ming easily found the Personnel Hall.

The personnel hall is a huge hall.

"Come, Lu Ming is coming, that is Lu Ming!"

As soon as Lu Ming arrived, Wei Qing said to Lu Ming.

"That kid is Lu Ming? I want to see, what is his cultivation method?"

An outside disciple extends spiritual knowledge and wants to explore Lu Ming's cultivation behavior.

Ok?

Lu Ming felt it instantly, and Lingzhi rushed out too, blocking the man's prying eyes.

The man's spiritual consciousness shrank back and said, "I was discovered by him, and no detection was found. Then we will wait and see!"

Lu Ming glanced at the group of people, and then stepped into the palace.

Wei Qing et al. followed.

In fact, there are many others as curious as Wei Qing and they all stood and watched casually.

Lu Ming came to a counter.

At the counter, an old man looked at Lu Ming and said, "Is it a new entry disciple?"

"Yes!"

Lu Ming nodded.

"Name, age, from that galaxy...all reported!"

The old man said.

"Lu Ming..."

Lu Ming reported his information again.

"In this crystal ball, enter the divine power, and you can measure your cultivation behavior!"

The old man took out a crystal ball and gave it to Lu Ming.

Lu Ming nodded, took the crystal ball, and input the divine power into it. Suddenly, the crystal ball radiated light.

"Demi god?"

The old man was a little surprised, and then registered Lu Ming's information.

"Half God, you see, really half body!"

Those old disciple disciples who watched nearby were dumbfounded and dumbfounded.

Lu Ming, it was really a demigod.

Chapter 2658: Tianhong Shengzi

Those old disciples were stunned!

Before they did not believe that Lu Ming was a demigod, at this moment, they had to believe.

Because, that crystal ball test can't do fake.

Lu Ming, actually defeated the five-fold Huang Wu of the False God Realm by virtue of the semi-god-level cultivation behavior. How is this possible?

This is like a fantasy!

The evil, the real evil!

Many people looked at Lu Ming's eyes, full of dignity.

There was a smile on the corner of Lu Ming's mouth. Of course, Lu Ming knew the purpose of those around him.

The reason why he defeated Huang Wu in the past was also Li Wei's meaning.

Lu Ming walked all the way and experienced too much. He naturally understood that wherever he went, newcomers would be bullied. Therefore, only when he showed great strength and other talents would be in awe, his troubles would be much less.

Otherwise, a bunch of people often come to provoke him, how to practice?

In this way, among the disciples outside, dare to provoke him, there will no doubt be much less.

After registering the information, the old man gave Lu Ming an identity token. After receiving the identity token, Lu Ming turned and left here.

"Brother Lu!"

Lu Minggang just walked out of the personnel hall, and behind someone shouted, Deng Yu caught up.

"Brother Deng, is there something?"

Lu Ming smiled.

"Brother Lu, I just heard that Huang Wu's background is nothing short of extraordinary!"

Deng Yudao.

"Oh? What background does he have?"

Lu Ming asked.

"I heard that Deng Yu's elder brother is a Tianjiao figure among the disciples of Neimen. He is very strong. Also, the master of his elder brother is an elder of Neimen. His strength is terrifying!

Deng Yu said solemnly.

Lu Ming raised his eyebrows, and he did not expect that Huang Wu had such a history, but since he did it, there was nothing to be afraid of. The soldiers came to cover the water.

"Brother Deng, thank you!"

Lu Ming smiled.

Knowing Huang Wu's background, Deng Yu dared to come and tell him that he was very nice and worth paying, and that he had been far away from Lu Ming without seeing anyone else.

While chatting, the two returned to their place of residence.

Back in the room, Lu Ming sat cross-legged.

As soon as his thoughts moved, a beautiful dagger appeared in Lu Ming's hands.

This dagger was given to him by Fazu, and he brought it to a woman called Kong Xuanzong, a woman named Yuexin.

However, according to what Fazu said, Yuexin was the daughter of a great figure of Kong Xuanzong, most of them were not outside the door. He is now outside the door, so it is not easy to find that Yuexin.

"If you have time, find someone to investigate!"

Lu Ming secretly said, then put away the dagger and took out a jade bottle.

In this jade bottle, it is the Zhuangshen Pill.

The Zhuangshen Pill can greatly accelerate the strength of the divine power and refine the divine power, which is of great help to the breakthrough of the virtual **** realm.

Cultivation is, in fact, after reaching the level of demigod, there is no need to understand what 'Tao' is, especially demigod, imaginary god, as long as the divine power is continuously tempered, the divine power will become more solid and condensed, and cultivation will naturally improve.

However, if there is no magic pill or Tiancaidibao help, this process will be very slow.

After serving a strong pill, Lu Ming began to refine it.

The Zhuangshen Pill turned into a wave of energy and poured into the ray of magic fire in Lu Ming Dantian, which was continuously quenched by the magic fire and then transformed into divine power.

At the same time, the surrounding space, the incomparable spirit, also continuously gathered to the landing Ming, poured into Lu Ming's body, refined by Lu Ming, and slowly transformed into divine power.

A few days later, Lu Ming completely refined a strong pill before the cultivation ended.

"The air of Xuan Xuan Xing is too rich. I am practicing here at a speed several times faster than that in the rioting galaxy. If I continue this way, I will become a **** in less than a year!"

Lu Ming smiled.

After several days of cultivation, Lu Ming felt that the fire within the body had grown a little, with a trace of divine power, overflowing from the fire and flowing into the meridians of the whole body.

Demigod, to the virtual **** realm, is an accumulation of tempering, is a slow process.

Most people must stay for a short time.

However, the air of Xuan Xuanxing is very rich, and with the help of the strong **** Pill, Lu Ming is confident that he will become a **** within a year.

"Someone?"

At this time, Lu Ming felt that someone flew outside the other courtyard, and then stopped at the door of his other courtyard.

Wow!

The door of his other court was pushed open directly.

Lu Ming frowned, his figure flickered, and left the room and came to the courtyard of the other courtyard.

Outside the gate, a young man came in.

The man was dressed in a Chinese costume and his face was cold and arrogant. He glanced at Lu Ming and smiled: "Are you Lu Ming?"

Although this person is smiling, his tone still reveals a high meaning.

"Yes, this is Lu Ming, was it from Huang Wu who sent you?"

Lu Ming asked.

"Do not!"

The Chinese youth shook his head and said, "Huang Wu is not yet qualified to send me. Someone wants to see you. For you, it may be a great opportunity!"

"Someone wants to see me? Opportunity?"

Lu Ming stunned.

When he first arrived, he didn't know anyone.

"Good, come with me!"

The youth in the Chinese costume finished and turned away.

Lu Ming frowned. Originally, the attitude of the young man in Huafu made him uncomfortable. He didn't want to go, but he was really curious in his heart.

Deep in thought, Lu Ming stepped up to keep up.

They walked out of the other courtyard and rose into the sky. Soon after, they landed in a luxurious other courtyard.

This other courtyard is very luxurious. It is more than ten times larger than the other courtyard of Lu Ming, and its location is also very good.

Lu Ming and Huafu youth walked into the other courtyard, and they saw that there were several tables and chairs in the other courtyard. Several young people sat on the tables and chairs, drinking wine and talking to the sky.

"Win big brother, people bring!"

The young man in a Chinese suit gave a fist to a blond young man and then sat down at a table.

Sitting on the head, is a blond young man, with a majestic look and a strong breath, he knows it is a master at a glance.

"You are Lu Ming?"

The fair-haired youth and several other youths looked at Lu Ming.

"Not bad!"

Lu Ming said.

"sit!"

The fair-haired youth waved and pointed to a table and chair.

Lu Ming was puzzled. He was sure that he had not seen these people, but Lu Ming was not afraid. He sat down on a table and chairs.

"I heard that you ranked first in the 13 assessments this time?"

The fair-haired youth took a sip from the glass and smiled.

"Fortunately!"

Lu Ming said.

"No matter what, being number one means you have a good talent. Let me tell you the truth, we are under the command of Tianhong Shengzi and belong to the Tianhong faction!"

Blond youth said.

"Tianhong Son? Tianhong faction?"

Lu Ming looked puzzled.

"You just came, maybe you don't know yet, I will talk to you!"

The blond youth said: "Xuan Xuanzong, with strong strength, incomparably large, and masters like clouds, and in addition to the head, there are some elders too, below, divided into various factions, headed by the major sons and saints. .."

Chapter 2659: Different factions

The fair-haired youth talked about Lu Ming in detail.

In the Emperor Xuanzong, as long as you control the divine power, or the arrogance of the divine power, and cultivate to reach a certain level, you can form a faction.

The person who controls the divine power is called the Son or the Virgin. .

The one who controls the divine power is called the Son of God.

These sons and goddesses can be said to be candidates for the future suzerain, and the future suzerain must have been born from these people.

These sons and goddesses are equivalent to the princes of an empire.

Everyone, in Xuanxuanzong, has a lot of support.

The disciples outside, the disciples inside, the elders outside, and even the elders inside have their own supporters.

As long as the people they support will become suzerains in the future, people of this faction will naturally rise to heaven.

It can be said that these factions, in Xuanxuanzong, have tremendous strength.

In fact, this is not only the case of the Emperor Xuanzong, but also the 13 cases of Qin Tian, as well as other sects.

The fair-haired youth and others belong to one of the Sons, the Tianhong Sons faction.

They heard that Lu Ming was the first in this assessment and wanted to win Lu Ming to join the Tianhong faction.

"How is it? Joining the Tianhong faction will benefit you a lot!"

Blond youth said.

"Sorry, I haven't planned to join a faction yet!"

Lu Ming said.

He came to Kong Xuanzong mainly to cultivate with the help of Kong Xuanzong's resources, but he was not involved in the struggle of various factions.

Hearing Lu Ming's refusal, the blond young man and several other young men frowned.

"Lu Ming, I know that you offended Huang Wu a few days ago, and I tell you, Huang Wu's head is not small, his elder brother is a Tianjiao among the disciples of the inner door, his elder brother's master, is

a The powerful elders of the inner door, and, they belong to another faction of the Holy Son, the faction of the Holy Son of the Floating Light. Later, Huang Wu will definitely avenge you!"

"You can get our asylum only by joining Tianhong Shengzi, and Huang Wu can't help you!"

Blond youth said.

"Sorry, I really didn't plan to join a faction!"

Lu Ming shook his head again and refused.

Needless to say, once you join a certain faction, it becomes a thug and a tool of a certain faction, selling lives for a certain son, Lu Ming is not interested.

In addition, the attitude of the young man in Chinese clothes made Lu Ming very uncomfortable. Lu Ming also had a bad impression of this person of the Tianhong Shengzi faction.

And although the blond young man smiled, his tone was very arrogant, as if standing tall, looking down at Lu Ming.

"Boy, don't give your face a shame, don't think that if you get the first appraisal, there will be nothing great. There are thirteen cases of appraisal of disciples, once every thousand years, for countless years, like you, you have caught a lot!"

The young man in Chinese clothes patted the table and scolded with a cold face.

"Yes, we invite you to join the son of Tianhong Shengzi, because you are worthy of you, don't take yourself too seriously, and you won't know how to die!"

Another young man said coldly.

"Oh, since it is not welcome, then I will go!"

Lu Ming said lightly that he would leave when he stood up.

"Stop, come whenever you want, leave where you want to go, what do you think is this place?"

The young man in Chinese clothes suddenly stood up and scolded.

"Oh, it's ridiculous. You just invited me to come, otherwise, do you think I will come?"

Lu Ming sneered.

"Boy, what is your attitude? Seek death!"

The youth in the Chinese clothing drank coldly, the divine power was running, and the strong divine power burst out, pressing against Lu Ming.

Seven levels of virtual **** realm!

This young man in Chinese clothes has seven levels of cultivation of the virtual **** realm, which is extremely powerful and much stronger than Huang Wu.

Lu Ming works with divine power and is ready to shoot at any time. Even if the opponent is strong, Lu Ming won't catch it.

"Why? This is the style of the Celestial Saint Child faction. If you don't agree to join, you will have to take action. If this is passed on, see who else will join the Celestial Saint Child faction!"

Lu Ming said coldly.

"You... dare to threaten me?"

The eyes of the youth in Hua fu are even colder, and they are about to start immediately.

"Let him go!"

At this moment, the voice of the blond young man rang.

"Win Brother..."

Hua fu Youth Express

"Let him go, the people of our Tianhong Shengzi faction will not be difficult for the strong!"

As soon as the blonde youth raised his hand, the youth in the Chinese clothing had no choice but to take away the breath.

Lu Ming did not turn his head back, striding away.

After Lu Ming left, the young man in Hua fu said a little uncomfortably: "Winning Brother, why don't you let me teach Lu Ming, this guy, somehow..."

"Yes, this person can be the first, and his talent is good. If he is allowed to join other factions, it will not benefit us!"

Another young man also said.

"Relax, don't join our faction, if you join other factions, it is the enemy, such a person cannot stay in the world!"

"Notify others that if you meet this person outside, you will have a chance to kill it. However, he may not be able to pass the level of Huang Wu, and we will wait to watch a good show!"

The fair-haired youth said coldly, the previous smile was gone, and some were just murderous.

Originally, Lu Ming won the first assessment, and his talent is certainly not weak. He also wanted to recruit Lu Ming to the son of Tianhong Shengzi.

After all, there is also a reward for soliciting a Tianjiao character. Unexpectedly, Lu Ming is so stubborn.

...

"Unexpectedly, in Kong Xuanzong, the relationship will be so complicated, no matter, increase the strength first and then say!"

Back at the other court, Lu Ming frowned.

Kong Xuanzong's water is very deep, and he can only fear the wind and waves outside if he is powerful.

Immediately, Lu Ming continued to refine the Zhuangshen Pill and cultivated it.

Empty Xuanzong outer gate area, another luxurious courtyard.

This other courtyard is Huang Wu's other courtyard.

Now, Huang Wu's injury has healed, and he is discussing with a few dog legs.

"Lu Ming, I want him not to die!"

Huang Wu said coldly.

"Brother Huang Wu, do you want to tell Brother Huang Wen this matter and let Brother Huang Wen send someone to deal with Lu Ming?"

A dogleg suggested.

Huang Wen is Huang Wu's eldest brother.

"My elder brother has been in retreat to hit the realm recently. I don't need to disturb him for such a trivial matter. Go, call the Liu brothers and let them go to waste Lu Ming!"

Huang Wudao.

"Brother Yingming, the Liu brothers are all six levels of the False God Realm, and the two teamed up to crush Lu Ming. I will call it!"

A dogleg said.

Lu Ming Bieyuan, he was refining the power of Zhuangshen Pill, and suddenly, a loud roar came from outside.

"Lu Ming, get out of here!"

The sound was rolling, and Lu Ming's other courtyard shook slightly.

Lu Ming suddenly opened his eyes, a flash of chill flashed in his eyes.

Anyone who is disturbed during cultivation will not be in a good mood.

After Lu Ming finished his practice, he walked out of the other courtyard and saw several figures standing in front.

"Huang Wu!"

Lu Ming saw Huang Wu at a glance.

Chapter 2660: Huang Wu

In addition, on the edge of Huang Wu, followed by two young people.

The two looked a bit similar, but their bodies were completely different.

One was short and fat, the other was tall and thin, and both stared at Naruto with a bad look.

"It's you again, come find the abuse again!"

Lu Ming glanced at Huang Wu indifferently.

"Boy, you are very good, this time, see me not to waste you, you go, interrupt his limbs, I want him to cry on the ground!"

Huang Wu said ruthlessly.

It's not that he didn't want to kill Lu Ming, but Kong Xuanzong has rules. Within Kong Xuanzong, disciples of the same door cannot kill each other.

However, fighting is not forbidden, as long as you don't kill, don't abandon the cultivation behavior, and others are at will.

If not, Huang Wu can't wait to get Lu Ming down.

"Brother Huang Wu, rest assured, I will interrupt his limbs and make him cry on the ground like a waste man!"

The chunky young man said with a terrible voice, and his divine power burst out. The whole person was like a big mountain, pressing against Lu Ming.

In addition, the tall and thin young man also exploded in divine power and stepped towards the landing.

Six levels of virtual **** realm!

Both the chunky youth and the tall and thin youth are the sixfold existence of the virtual **** realm, and the divine power that they control is undoubtedly the king of divine power.

Lu Ming frowned slightly.

With his current cultivation practice, he is facing opponents with six levels of imaginary **** realm and controlling the existence of Wangpin's divine power.

"Kneel down for me!"

"Kneel!"

The chunky youth and the tall and thin youth shouted, shot at the same time, and yelled towards the landing. Both of their weapons were a giant hammer, and they waved with amazing power.

boom! boom!

The gusty wind roared, terrifying strength, and rolled towards the landing.

Lu Ming stepped on his foot, and his body retreated quickly.

"Want to leave, stay!"

The Liu brothers shouted and followed, and the big hammer roared to the landing like a storm.

This is also a kind of incomplete magic skill, the two cooperate, the power is doubled.

"Who said I was leaving?"

At this moment, Lu Ming stopped suddenly, then waved his hand and shouted; "Smash!"

In Lu Ming's hand, a bracelet flew out, turned into a huge ball, and slammed towards the chunky young man.

"roll!"

The chunky youth shouted, and the hammer continued to hit, hitting the ball.

boom!

There was a huge roar, and then I saw the eyes of a pair of chunky youths burst out, and then screamed, the body was like a broken kite, flew out, hit the ground heavily, and couldn't get up for a long time.

The ball is naturally a ball.

These days, the ball has swallowed a lot of artifact fragments and metallic refining materials, and it has once again advanced.

Now, the ball has reached the five levels of the virtual **** realm!

With the strength of the ball, there is no problem with the five-fold virtual **** realm, and the short and fat youth who defeated the six-fold virtual **** realm.

Unless the opponent reaches the seventh level of the virtual **** realm, and also controls the power of Wang Pin, he can resist the ball.

After the chubby youth flew away, the ball hit the tall and thin youth again.

As a result, just like the chunky youth, he was directly smashed by the ball and fell to the ground to vomit blood.

"what?"

Huang Wu's eyes almost burst into shock.

"That is, metal life?"

The movement here has long disturbed the outside disciples in some other courtyards. The scene where the ball smashed the Liu brothers just now is naturally seen in the eyes.

Those people were taken aback.

Unexpectedly, Lu Ming still has such a powerful metal life.

"Now it is your turn!"

Lu Ming's indifferent eyes swept towards Huang Wu.

Huang Wu was almost scared to death, turned and ran.

However, his speed, where there is a ball fast, the ball flew directly over, hit the head, Huang Wu tried to resist, but was also blasted out, fell to the ground and vomit blood.

"Just now, you said you would interrupt my limbs. Now, I will try it on you!"

Lu Ming stepped forward, condensing a spear with divine power.

"Lu Ming, dare you, do you know who my elder brother is? My elder brother is Huang Wen, the arrogance of the inner disciples, you dare to hurt me, my elder brother will not let you go!"

Huang Wu shouted and threatened Lu Ming.

"talkative!"

Lu Ming spoke indifferently, and the spear was drawn out, which was drawn on Huang Wu's legs.

Huang Wu screamed, his legs were broken, bones and scum could be seen, and blood was flowing.

Although this kind of injury will soon heal for him, the pain is real and will not be relieved at all.

"Ah, boy, you're dead, I'm going to crush you..."

Huang Wu roared.

bump! bump!

Lu Ming waved the gun again, pulling off the bones of Huang Wu's arms. Huang Wu was lying on the ground like mud.

"What a guts..."

All around, the other outside disciples took a breath.

Knowing Huang Wu's identity, and dare to play such a ruthless hand, is really a ruthless person.

"get out!"

Lu Ming kicked it out and flew Huang Wu out, turning it into a black spot in the air.

If there is no provision for Emperor Xuanzong to be able to beheaded, Lu Ming absolutely beheaded Huangwu without any politeness.

"Cruel, really ruthless, he will definitely take revenge on Huang Wu like this!"

"Yes, please invite his elder brother to come and invite an expert from outside, then Lu Ming is in danger!"

"Too impulsive, unwise!"

Other outside disciples talked in secret.

Lu Ming looked at some people and was about to go back to the room to continue his cultivation and strive for an early breakthrough.

At this time, a rainbow of light flew in the distance, and a middle-aged man appeared in the sky.

"All disciples who are less than 3,000 years old will immediately gather at the square at the foot of the mountain!"

The middle-aged man speaks, and his voice rolls through the area.

After speaking, the middle-aged man repeated it twice, and then turned away.

"The entry is within three thousand years?"

Lu Ming was surprised and didn't understand why.

"It seems to be going to that place, envy!"

"Yeah, if I can go again, I am afraid that my cultivation will break through!"

Some veteran disciples suddenly had a lot of discussion, and many people showed envy.

And like Lu Ming, who had just joined, they were all surprised, but without asking much, they flew towards the foot of the mountain.

At the foot of the mountain, there is a huge square where they meet.

"Xiaoqing!"

When Lu Ming arrived, he saw Xie Nianqing and Xie Nianjun.

Both Xie Nianqing and Xie Nianjun are women.

"Lu Ming!"

Seeing Lu Ming, Xie Nianqing also smiled and flew over.

Many people cast their eyes on Lu Ming and Xie Nianqing.

"What a beautiful woman!"

"Unfortunately, there is already a famous flower, who is that kid, actually has such a blessing!"

"I'm jealous!"

Many male disciples cast their eyes on Lu Ming with envy and jealousy.

Many more people flew to the female disciples, greeted those female disciples, and took the opportunity to get closer.
