

D Emperor 2921

Chapter 2921: Messenger of the Taixu dynasty

"Um, some time ago, just broke!"

Qiuyue nodded, her face also filled with joy, and she finally caught up with Lu Ming.

Lu Ming was amazed. Since Qiuyue awakened the Sacred Heart of Jiuqiao, the speed of cultivation is really amazing.

Even if there is no adventure, the speed of cultivation is a thousand miles a day.

From two hundred years ago, Lu Ming's right to speak in Kong Xuanzong became heavier. Almost nobody said what he said would be violated. Therefore, Kong Xuanzong's various cultivation holy places, Qiuyue can enter and leave at will.

In addition, Lu Ming gave a lot of resources to help, Qiuyue's cultivation behavior is even more improved at an alarming rate.

Up to now, Qiuyue has broken through the gods, reaching the weight of the gods, and is tied with Lu Ming.

In addition, Qiuyue also cultivated the "Quan Kun Wan Dao Jue" to the highest level, and successfully cultivated the dominating divine power. Her combat power is also extremely powerful.

Placed in the major sect gates, that is the character of the **** child level. Of course, no one knows this.

"Qiuyue, these magical methods, you take it to practice!"

Lu Ming gave Qiuyue the magical methods such as "The Invincible Sword Skill", "The Multi-eye God Skill" and "The Most Cold God Skill".

With Qiuyue's talents, it becomes a matter of time to cultivate into multiple divine powers.

And with the mystery of Qiuyue Jiuqiao Sacred Heart, even if you control a variety of divine powers, the speed of cultivation will not be slow.

Putting it on other people, even if there are a variety of divine powers cultivated in the "Qiankun Wanda Jue", his cultivation speed will be slow as snails.

However, Lu Ming has a quantitative formula, Qiuyue is the Sacred Heart of Jiuqiao, and he has no worries in this regard.

"so much!"

Qiuyue was also surprised to see so many magical methods.

"Of course, don't look at who your young master is, what these magical methods are, and give you more in the future."

Lu Ming began to brag.

"Qiuyue knew that the young master was the best!"

Qiuyue's big blinked eyes kissed Lu Ming's lips, and then immediately retracted, but Lu Ming stretched out his hand and stopped Qiuyue's waist, holding Qiuyue in his arms.

"Know the master's power, today, compensate the master!"

Lu Ming smirked.

"Master is going to break it again!"

Qiuyue smiled.

"Then I will show you bad master!"

Lu Ming smiled, holding Qiuyue, and entered a room. Soon, an attractive voice came from the room.

In the following days, Qiuyue, under Lu Ming's instructions, practiced various magical methods and made amazing progress. Even Lu Ming felt ashamed.

In a flash, another three years passed.

On this day, Kong Xuanzong's old mansions suddenly sent news to Lu Ming, saying something important.

Lu Ming rushed to the meeting hall and found Ouyang Qingxiang, as well as all the other saints, were there.

After seeing Lu Ming, Fuguang Shengzi and others looked pale and awed.

"Lu Ming Shengzi is good!"

Fuguang Shengzi and others greeted Lu Ming politely.

Now, Lu Ming said one, they dare not say two.

"Yep!"

Lu Ming nodded at will and swept the audience.

In addition to the saints and virgins, the elders of Kong Xuanzong, and many elders of the inner door, almost all have arrived.

"Lu Ming!"

"Lu Ming Shengzi!"

These elders and inner elders also greeted Lu Ming.

"You guys, get together today, what is the so-called thing?"

Lu Ming asked.

"Lu Ming, I received the news not long ago that the messenger of the Taixu Holy Dynasty is coming to our empty Xuanzong!"

Ouyang Qingxiang said.

"Too virgin pilgrimage!"

Lu Ming's eyes suddenly burst into a brilliant light.

Lu Ming has known for a long time that the Taixu dynasty is a cosmic force that rules a vast territory with countless star fields and vast expanses.

Qin Tianxing is a remote star territory under the rule of Taixu Holy Dynasty.

Because of the startling thing, Lu Ming had to take a trip to the Taixu dynasty sooner or later. Unexpectedly, now the Taixu dynasty suddenly had a messenger coming.

"What was the purpose of the Emperor Taixu Holy Emperor suddenly coming to Xuanzong?"

Lu Ming asked, his heart turning rapidly.

Could it be that the people of Taixu Shengzi knew his relationship with Jingyu because of him?

Impossible, he didn't disclose anything about Jing Yu. People who are too sacred should not know it.

What is that?

"We also don't know that in the vast Taixu dynasty, the Qin Tianxing territory is remote. The Taixu dynasty has always been an attitude of irrespective, and very few will send messengers to come. This time, the messengers are suddenly sent out. For what?"

Ouyang Qingxiang also frowned.

Others also have a dignified face, not knowing that the messenger of the Taixu Holy Descent is a blessing or a curse.

Although Kong Xuanzong dominates one side in the Qin Tianxing domain, compared with the Taixu dynasty, they are ants, the difference between ants and Shenlong, and even worse than ants.

The Taixu Holy Dynasty sent a strong man to destroy the Emperor Xuanzong.

Therefore, their hearts are inevitable.

"It's not the people sent by the royal family of the Taixu Holy Dynasty, but the people sent by the Jiujue Heavenly King Mansion."

At this moment, Yue Wuya said.

"Nine Peerless King's Mansion?"

Some people, including Lu Ming, are showing doubts.

"You may not be clear about the division of the Taixu dynasty, I will explain to you!"

Yue Wuyadao, sorted out his thoughts, and then said: "The Taixu dynasty uses a separate seal!"

"In addition to the Taixu dynasty royal family occupying the core and the best territory of the blockbuster, 27 kings were also sealed. These 27 kings are the top masters of the Taixu dynasty and are also for the Taixu dynasty. A person who made a great contribution to the Holy Dynasty!"

"Twenty-seven heavenly kings have opened up twenty-seven heavenly palaces, respectively ruled a territory, such as the state of the country, and the strength is also very amazing."

"And our Qin Tianxing domain is under the rule of Jiu Jue Tian Wang Mansion!"

Yue Wuya explained.

"It turns out so!"

Lu Ming nodded his head and roughly understood the division of the Taixu dynasty.

Twenty-seven kings are the princes of the Taixu dynasty.

But everyone's face did not relax.

For them, whether it is the Taixu Holy Dynasty royal family, or the Jiu Jue Heavenly King Mansion, it is an irresistible behemoth, no difference.

"The messenger of Jiu Jue's King's Mansion is coming soon, we hurried out to meet!"

Yue Wu Da Dao.

Immediately, all the upper levels of Kong Xuanzong flew out, flying out of outer space, standing in space and waiting quietly.

Roar! Roar! ...

About half an hour later, the sound of Longyin came in the distance.

Then, everyone saw that nine huge dragons, pulling a chariot, came quickly towards this side.

Nine divine dragons, all crimson, ten thousand meters long, the breath is extremely amazing, each one gives a terrible pressure.

"Actually pulling the cart with the **** dragon at the peak of Tenjin!

A veteran sighed.

Chapter 2922: Breaking news

Pulling carts with the nine dragons at the pinnacle of the gods is indeed amazing.

Everyone knows that the messenger of Jiu Jue Tian Wang Mansion is here!

Roar! Roar! ...

Pulling a car in Kowloon, the speed is amazing, and soon came to Lu Ming in front of them and stopped in the starry sky.

Everyone saw that there were more than ten figures on the chariot.

Among them, there are four middle-aged men, who are burly and exude a terrifying breath.

The King of Gods is definitely the King of Gods, and among the Kings of Gods, he is definitely the strongest.

In addition, there are six people, all young people, men and women, all with proud colors on their faces, and a self-proclaimed look.

"The son of Kongxuanzong, Ouyang Qingxiang, led Kongxuanzong up and down, and greeted the messengers of the nine kings!"

Ouyang Qingxiang stepped forward, bowed and clenched her fists.

"Welcome to the messenger of the nine kings of heaven!"

Others of Kong Xuanzong also respectfully clenched their fists.

Naturally, except Lu Ming.

He just clenched his fists casually and looked at the people of Jiu Jue Tian Wang Mansion curiously.

"Zongzi? What about your suzerain? Why didn't you come to meet you?"

A young man with three crimson scales in his heart flew off the chariot and spoke coldly.

However, when his eyes fell on Ouyang Qingxiang's body, a flash of stunning expression flashed.

"Don't dare to hide the messenger, my sect master has fallen hundreds of years ago, and now my sect will be replaced by me!"

Ouyang Qingxiang answered.

"Oh?"

The young man with scales on his eyebrows shouted, not sure.

"Excuse me, why are you suddenly coming to Kong Xuanzong?"

Ouyang Qingxiang asked this question rather anxiously.

"I'm about to tell you this and tell you that the treasure of Jiu Jue Tian Wang Mansion, Jiu Jue God Crystal was stolen."

The young man with scales on his eyebrows.

Ouyang Qingxiang and others looked at each other.

What is the relationship between the stolen treasures of the Jiu Jue Tian Wang Mansion?

"After investigations, this time the stolen treasures of Jiu Jue Tian Wang's Mansion, Jiu Jue God Crystal, are the people of your Qin Tian Xing Yu!"

The young man with scales on his brow suddenly froze.

what?

Ouyang Qingxiang, Yue Wuya and others, their faces changed wildly.

The person who stole the heavy treasure of Jiu Jue's King's Mansion was actually the person of Qin Tianxing.

Could it be that the strong men of Jiu Jue Tian Wang's Mansion are the ones they did?

Thinking of this, all the elders of Kong Xuanzong and the elders of the inner door exuded a layer of cold sweat.

"Masters of the messengers, wouldn't you be the one who suspected that I was Xuan Xuanzong? This is impossible. With the number of strong men in Jiu Jue Tianwang Mansion, how could someone in Xuanzong Zong be able to enter and steal the treasure!"

Yue Wuya even said quickly.

"Do you mean to say that the defense of Jiu Jue Tian Wang Fu is not working?"

The young man with scales on his eyebrows sank.

"No, I don't mean that, Master Envoy misunderstood, misunderstood..."

Yue Wuya kept saluting, and his face was cold and sweaty.

He is a master of the double king of God, and he bows his knees in front of a younger generation, but the other party is too big.

"Humph, there is no best!"

The young man with scales and brows sneered, saying, "This time, any of your forces in Qin Tian Xing Yu have suspicions, you must investigate it, no one can make an exception!"

"How do you want to check?"

Ouyang Qingxiang asked.

"It's very simple, call all of you Xuanzong Sect together, take out your storage rings, let us check, and, let go of your sea of knowledge and Dantian, we will also check your sea of knowledge and Dantian , In case you put the treasure in the sea of knowledge and Dantian!"

The young man with scales on his eyebrows.

"What? Check the storage ring!"

"There are also Shihai and Dantian!"

Many people exclaimed, their faces ugly.

If this is the case, they will have no secrets at all.

The storage ring, as well as the knowledge of the sea and Dantian, is the greatest secret of a practitioner, and it is impossible for others to see it.

No one has any secrets.

When the other party opened his mouth, he had to check the storage rings of all Xuanzong people, as well as Zhihai and Dantian, which were really overbearing.

"Why? Do you have an opinion?"

The young man with scales on his eyebrows dulled and asked with a cold face.

On the chariot, others also stepped down, glancing at Lu Ming and others with unsightly eyes.

"No blame if you have no opinion!"

Everyone shouted.

"You messengers, we really haven't stolen the treasures of the Jiu Jue Tian Wang Mansion, even if we gave us a hundred guts, we dare not!"

"Yeah, and our cultivation is insignificant, and we can't steal the treasures of Jiu Jue Tian Wang Mansion, but also ask your envoys to learn!"

Several elders of Kong Xuanzong spoke one after another.

"Nonsense, I control you so much. My mission is to find the Nine Perfect God Crystal, don't whisper with me, and do it immediately as I ordered!"

The youth with scales and brows drank coldly, just like blaming a group of slaves, direct domineering, and no mercy.

Some gods such as Yue Wuya have ugly faces.

The other party is just a young man, and they can see that the cultivation base is no more than the sixfold gods. If they dare to talk to them in other places, they will have been slapped to death.

But the other party is the messenger of Jiu Jue Tian Wang Mansion, and there are terrible masters around them, they dare not dare.

However, they were also unwilling to let them take out the storage ring and let go of Haidantian to the other party to make random investigations.

For a time, the atmosphere at the scene was somewhat dignified.

"Why? Not yet, you Xuanzong Zong want to destroy the door!"

The young man with scales on his eyebrows was angry.

"Great tone!"

A sound sounded, Lu Ming was really intolerable and stepped out.

From the beginning, the other party stood tall and looked down at them. As if he said something, Lu Ming what they all have to do, it really made Lu Ming uncomfortable.

As soon as Lu Ming walked out, the young man with scaly eyebrows stared at Lu Ming, flashing a cold light.

"Boy, what are you talking about?"

The young man with scaly brows said coldly.

"What am I saying, can't you hear it? Ears don't work well?"

Lu Ming said with a cold face, his temper came up, no matter who the other party was.

"As soon as we come here, let us investigate the storage ring and know Haidantian for you. Why? Just by your words? Then, your Dantian Zhihai will show me first!"

Lu Ming then said.

"Boy, you still want to check my Dantian Shihai, what are you? What is your humble ants trash, how can I compare with me, do what I tell you to do, do you understand? trash!"

The young man with scales on his eyebrows shouted and looked like Ding Luming.

"Oh, he said that he is very noble, in my opinion, everyone is the same, there is no distinction between high and low, you have to check us, why can't we investigate you?"

Lu Ming sneered.

"Boy, are you trying to blame the empty Xuanzong for you, do you understand?"

The young man with scales on his face grew colder and threatened.

Chapter 2923: Irresistible force

"You don't have to threaten me, just be at ease!"

"I tell you, I'm empty Xuanzong, I haven't stolen the treasures of the Jiu Jue Tianwang Mansion. You want to search our Dantian to know the sea. It's impossible for practitioners to know that Dantian knows the sea is the most important secret, If you want to search our Dantian to know the sea, you might as well kill us directly!"

Lu Ming shouted.

His Dantian knowledge of the sea contains a lot of secrets.

Thousands of ways to cultivate multiple divine powers.

There are also war word tactics, word measurement tactics, any kind of exposure, must die without a burial place, how can he let the other party search.

"If you really doubt it, we can swear by the origin of life to confirm that we have not stolen the treasures of the Jiu Jue Tian Wang Mansion!"

Finally, Lu Ming made concessions.

After all, he had to think up and down for Emperor Xuanzong.

"I swear on the source of life? Ha ha, I can't believe you, how precious is the treasure of Jiu Jue Tian Wang Mansion, you can sacrifice several lives, it is totally worth it!"

The young man with scaly brows said coldly.

Swear on the origin of life. If you violate the oath, it will not happen immediately, but in the later practice, you may get mad and die.

The other party's meaning is obvious. Even if Kong Xuanzong really stolen the treasures of the Jiu Jue Tian Wang Mansion, he can swear on the origin of life.

But for the treasures of Jiu Jue Tian Wang Fu, it is worth it.

The faces of Yue Wuya and others are a bit ugly. Obviously, the other party will only be relieved if they want to search their Dantian Zhihai.

"In this case, there is nothing to say, please come back, it is impossible to search our Dantian to know the sea!"

Lu Ming's face also froze.

He has made concessions, but the other party is still pressing, and he is too lazy to talk nonsense.

"Hehehe, well, very good, since you want to die, then you will be fulfilled. Anyway, if you are killed, you can still check your Dantian knowledge of the sea!"

The young man with scales on his eyebrows laughed abruptly.

boom! boom! boom! boom!

At this moment, the four great men burst into a terrible breath.

The vast pressure, overwhelming, covered the entire empty mysterious star inside.

"Ah, what's going on?"

"It's a terrible atmosphere, there are terrible strong men coming!"

"Danger!"

There was a chaos in Kong Xuanzong's mountain gate. Many people felt this breath and were horrified. Some people were even practicing. They were crushed by this breath, and their bodies were shaken and they vomited blood.

"God king triple, all are king king triple!"

Yue Wuya exclaimed, shouting in shock.

The elders of other **** king realms also shook their bodies one by one, their faces changed wildly.

These four great men are all terrible strong kings of the three kings of Gods. In the Qin Tianxing domain, that is the dean of the Xiemo Academy, the character of the indestructible Sword Sect Master, is definitely a strong power of the overlord level, but now, Four came at once.

Lu Ming's complexion also changed.

Jiu Jue Tian Wang Mansion, really terrifying, the characters of the triple king of God King can be sent casually, and it seems that the identity is not very high.

"It seems that only bone demon can come!"

Lu Ming's thoughts changed sharply.

Faced with this situation, Bone Demon can only get shot, repel the opponent, and then take empty Xuanzong up and down, find a place to avoid.

There is no other way but this method.

"Oh, a group of country gangsters, who haven't seen the world, a few **** kings triple, just scare you like this!"

Seeing Lu Ming's face change wildly, a pair of frightened, young men with scales and brows in their hearts, could not help but ridicule.

"Now, give you the last chance to open your storage ring and Dantian Zhihai, and show us to you, so you won't die!"

The young man with scales on his eyebrows continued to cry out.

The elders of Yuewuya and other empty Xuanzong, the elders of the inner door, and their complexions changed.

The opponent has four powerful triple kings, and once they start, they will definitely die.

Therefore, they have hesitated, and compared with being killed, it is not unacceptable to be inspected by Dan Tian to know the sea.

However, Lu Ming's attitude was very firm, making them hesitant.

Behind Lu Ming, there is such a presence as Youlong.

"Give you three breaths, and after three breaths, don't agree, die!"

"three!"

The young man with scales on his eyebrows said indifferently.

Yue Wuya and other people's faces changed greatly. Looking at Lu Ming, and then looking at the young men with scales on their brows, they were very anxious for a while.

"two!"

A young man with scales on his eyebrows opened his mouth again, and a cold murderousness burst into his eyes.

"Qin Wu hurt, you are such a great majesty, ran to the Qin Tian Xing domain to be a blessing, ha ha!"

Just then, there was a mocking voice in the distance.

"Who?"

The young man with scales on his eyebrows drank coldly, his gaze looked in the direction of the sound.

In that direction, there was a sword light, flying towards this side at an amazing speed.

At the next moment, the sword light converged, and a battle sword appeared in the starry sky.

The War Sword is 10,000 meters long and extremely huge. Five figures are standing on the War Sword.

A young man and four big men.

"Wu Zifeng!"

Lu Ming, Ouyang Qingxiang and others were a little surprised.

The young man on the War Sword is really Wu Zifeng.

"Girl Qingxiang, Lu Ming, Grandpa Yue..."

Wu Zifeng stepped down, greeted Lu Ming Ouyang Qingxiang, and finally saluted Yue Wuya.

"Zifeng, you are here, well!"

Seeing Wu Zifeng, Yue Wuya was overjoyed, and the three sounds were good. The whole person seemed completely relaxed.

"Wu Zifeng, it's you!"

Seeing Wu Zifeng, the young man with scales on his eyebrows seemed to know Wu Zifeng when he exclaimed.

"Qin Wu hurt, now, let me go!"

Wu Zifeng drank coldly.

The young man with scales on his brow is named Qin Wushang.

"Wu Zifeng, this time I am investigating the case of the stolen Jiu Jue Tian Wang Fu Zhong Bao, do you want to intervene?"

Qin Wu hurt coldly.

"Don't hold Jiu Jue Tian Wang Fu against me. You can't cheat others, you can't cheat me. An ordinary disciple of the Qin family in your area can't represent Jiu Jue Tian Wang Fu.

Wu Zifeng sneered.

At the same time, the four big men behind the seal of Wu Zi also burst into a breath of breath.

"It seems that Wu Zifeng also came from the Taixu Holy Pilgrimage!"

Lu Ming moved.

Before, he knew that Wu Zifeng was not a person in the Qin Tianxing domain. It was originally from the Taixu dynasty, which was bigger than he thought. Qin Wusheng was quite ashamed of Wu Zifeng.

"you..."

Qin Wucheng's face was ugly.

Jiu Jue Tian Wang Mansion, the territory is vast and boundless, under his command, there are naturally powerful forces.

These forces exist in a family situation.

A large and ancient family helped Jiu Jue Tian Wang Fu rule the vast territory.

Chapter 2924: The Heavenly Pride of Jiu Jue Tian Wang Fu

These ancient families have inherited endless years, profound heritage, unfathomable strength, far from comparable to Qin Tianxing.

The Wu family and the Qin family are all such families.

However, Qin Wushang's status in the Qin family is not high. As Wu Zifeng said, he is not good in the Jiu Jue Tian Wang Mansion. He just came to the Qin Tianxing domain to play prestige, which does not represent the Jiu Jue Tian Wang Mansion.

"Wu Zifeng, it seems that you must intervene, but this is about Jiu Jue God Crystal. Once something goes wrong, you can't afford it. Don't say you. Even your Wu family can't afford it!"

Qin Wu hurt coldly.

"This point, you don't have to worry about it, and I can guarantee that Kong Xuanzong is not the murderer who stole the Jiujie God Crystal. Now, you can get away."

Wu Zi closed.

"Okay, okay, I can go, but..."

Qin Wuxing gritted his teeth. Halfway through, his gaze suddenly swept to Lu Ming, and then his figure trembled, rushing towards Landing Ming like a stream of light, and patted Landing Ming with a palm.

The energy was roaring, and the palm force was pressing against Lu Ming like mountains and rivers.

"Sixfold Heavenly God, Divine Power..."

In an instant, Lu Ming judged Qin Wucheng's strength.

At a critical moment, Lu Ming had no time to think about it.

However, Lu Ming did not expect that Qin Wu injury would suddenly send him trouble, and in a hurry, he could only take up 30% of his divine power.

boom!

When the palms intersect, Lu Ming's body shakes sharply, and he retreats backwards. He has retreated for thousands of kilometers before standing firm.

"Qin Wu hurt, what are you doing?"

Wu Zifeng was angry.

"What are you doing? This humble ant, who doesn't understand respect and humble, actually hit me. Today's Kong Xuanzong, I can't pursue it, but this person must die!"

Qin Wu hurts to drink, his face is grim, full of powerful murderous opportunities.

After speaking, Qin Wu injury's breath was stronger, stepping forward, strong pressure, and wave after wave of pressure towards the landing.

"This person is not weaker than the Supreme Universe!"

Lu Ming turned a thought in his heart.

Qin Wushang's cultivation practice is the sixfold of the **** of heaven. The divine power under his control is the divine power. This is a genius of the same rank as the supreme universe.

However, listening to Wu Zifeng's tone, Qin Wu hurt at Qin's house, it seems to be mixed.

Such a natural arrogance is only common in the Qin family. How many geniuses must the Qin family have?

In other words, how many geniuses are there in Jiu Jue Tian Wang Mansion, or even the entire Taixu Holy Dharma?

For a time, Lu Ming had some fantasies, and even had a psychological desire.

Now in the younger generation of Qin Tianxingyu, Lu Ming has almost stood at the peak.

Such as Devil Nine Nights, Promise of Kendo, Cangyan Pojun and others, as long as the opponent has not yet broken through, he will have a full grasp of the victory.

Therefore, he longs for stronger opponents, which can put pressure on him and make him stronger.

"With me here, you never want to move Lu Ming a sweat!"

Wu Zifeng said indifferently, and then waved his hand.

bump!

After Wu Zi sealed his body, a big man stepped out, bursting into a violent breath, and blocked Qin Wusheng all at once.

But immediately afterwards, a big man behind Qin Wucheng also stepped out, and his breath erupted like a volcano, suddenly bursting away from the Wujia master's breath, Qin was not injured and regained his freedom.

"For the younger generation, let them solve it for the younger generation. For our older generation, just look at it!"

The big man of the Qin family said coldly, staring at the master of the Wu family.

The masters of the two sides confronted each other, but the people brought by both sides were similar, and their cultivation practices were similar. They just formed a confrontation and could not intervene in Lu Ming and Qin Wu hurt.

"Haha, yes, the younger generation's things will be resolved by themselves. I'll look at it. What a humble ant in the Qin Tian Xing domain gave you the courage to talk to me like that!"

Qin Wusheng laughed, and the six-fold cultivation of the **** of heaven was elevated to the peak.

Just a moment ago, he knocked Lu Ming back, and he could see that Lu Ming was nothing but a heavy cultivation of the god.

"Qin Wu hurt, how dare you..."

Wu Zifeng shouted, but his cultivation behavior was not as good as Qin Wu hurt, and he could not wipe his hands at all.

"Brother Wu, since he is going to fight, then I will accompany him to fight, you don't need to intervene!"

Lu Ming raised his hand and stopped Wu Zifeng.

"Oh, boy, a little guts, but with the **** like you, still want to fight me, kneel down for me!"

Qin Wucheng snorted coldly, raised his hand again, a huge palm print was formed, pressed down towards the landing, and wanted to kneel down Lu Ming.

"You should kneel!"

Lu Ming's indifferent voice sounded, and at the same time, within his body, ten magical fires were burning.

Ten divine powers, running crazy, converging together, rushing towards Landing Ming's arm.

call out!

Lu Ming pointed out with a finger, a gun burst into the sky, straight through the sky of Jiuxiao, even brighter than the meteor.

bump!

Gunmang collided with Qin Wushang's palm prints, and a violent roar erupted. Qin Wushang's palm prints exploded and dissipated into the invisible.

"what?"

Qin Wuhan was shocked.

Lu Ming's breath suddenly multiplied several times, and the outbreak of the attack was also astonishing. He defeated his attack in one fell swoop.

Those who came with Qin Wu hurt couldn't help but widen their eyes and were shocked.

"It's amazing, Lu Ming is getting more and more powerful!"

Wu Zifeng was also surprised.

"You, with this strength, I thought that the genius of Jiu Jue Tian Wang Mansion, how strong is it?"

Lu Ming's faint voice sounded, full of ridicule.

"Boy, a little bit of strength, but I didn't use my full strength just now. Now, regret it for me, Seven Injuries!"

Qin Wuhan shouted, his offensive changed, his palm turned into a fist, and his body was filled with strange glory, converging on his double fists.

boom! boom!

Qin Wushang blasted two punches in succession, two punches, like two shooting stars, blasted towards Lu Ming.

The speed is fast, but the power is amazing.

This kind of combat power is no longer under the full shot of Supreme Qiankun. In the Qin Tianxing domain, it is definitely the top Tianjiao.

However, with Lu Ming's current strength, it can be said that it is easy to deal with opponents like the Supreme Universe.

Even Lu Ming's ancient **** body and the war character tactics have many times the fighting power, so they are not needed.

With ten divine powers, as well as various divine skills and secret techniques, it is enough.

"Shenlong Faxiang!"

Lu Ming also banged out with a punch.

Roar!

There was a dragon chant, and it sounded all over the sky, and a huge nine-clawed dragon appeared, roaring towards Qin Wu hurt.

Immediately afterwards, Lu Ming burst out with another punch, and another nine-clawed dragon appeared.

The two nine-clawed dragons twisted forward and pounced forward. The nine dragon claws in the abdomen were continuously drawn out, sending out a terrible howling, as if the sword was broken.

In fact, this is indeed the case, and now Lu Ming is cultivated into the "Indestructible Sword Skills" to control the indestructible sword power. The divine power contains a terrible sword attack.

The indestructible sword power acts on the claws of the Nine Claws Dragon, which makes the claws of the Nine Claws Dragon as sharp as the sword, and makes Lu Ming's attack power even higher.

Chapter 2925: Strong repression

boom! boom!

The claws of the Nine-claw Shenlong continued to catch on the fist prints, bursting out of roar, the fist prints kept shaking, and there were Dao cracks.

"How is it possible? How is it possible?"

Qin Wu shouted sadly, it was unbelievable.

He has used ten successful forces, and used a trick, but now, it is still at a disadvantage, which is simply incredible.

He is the sixth celestial god, and he also controls the divine power, and Lu Ming is only one celestial god.

An existence that he regarded as a ants, such an amazing fighting force broke out, so that his self-esteem was greatly hit.

"I can't lose, how can I lose to a ants in Qin Tianxing domain, seven wounded fist, seven wounded superimposed!"

Qin Wu's heart burst into roar, his face pale, and he suddenly spit out a few mouthfuls of blood.

After spitting out blood, Qin Wu hurt his face pale, but his boxing strength was stronger.

boom! boom! boom! ...

Qin Wuxing continued to punch his fists continuously, with a terrible punch, constantly bursting out, blending with the previous fist prints, so that his fist powers skyrocketed, exuding brilliant glory.

"In exchange for self-injury, in order to increase the attack power, the secret technique of good brain damage, ha ha!"

Lu Ming sneered, then stepped out suddenly.

"Shenlong Faxiang, come out!"

Lu Ming shouted.

Roar! Roar! Roar! Roar!

In the sky, the sound of Longyin continued, and there were four more Longyin in succession. Then, on top of Lu Ming's head, four Nine Claw Dragons emerged.

In addition to the previous ones, there are a total of six nine-claw divine forms.

After more than two hundred years of cultivation, Lu Ming has already cultivated six divine forms. The true power of divine forms is gradually revealed.

Six Nine Claws Dragon Famers, rushed to Qin Wu injury, the vast dragon power, so that the Qin family pulled the nine Nine Dragons in the car, showing fear, and backed out again and again.

This is the suppression of the ranks. In the dragon family, the nine-claw dragon is undoubtedly high.

The power of the six nine-claw dragons is so amazing.

Moreover, Lu Ming has control of the Warrior's Word, even if it does not trigger multiple times of combat power, and exerts any divine skills and mysteries, he can be blessed by the Warrior's Word, and his power will be stronger.

The attacks of the two sides met in the void, and an amazing collision broke out. Then, Qin Wusheng's fist prints continued to burst and shatter.

puff!

Qin Wu wounded and vomited blood, and his body retreated.

Lu Ming stepped out, six nine-clawed dragons screamed, chasing.

"Quick, come and help me, suppress this ants together!"

Qin Wu hurt shouted, until now, he still feels that he is above the top, Gao Luming is first.

This is the common problem of these people born in big powers.

Just like the arrogance of the Qin Tianxing domain, when faced with the people of the rioting galaxy, the same is true. The people who look at the rioting galaxy with a bird's eye view are consciously high and distinguished.

And those who walked up from the beginning will not have such a mentality.

"kill!"

There were five young people who came with Qin Wuhang, and at this time they all slammed towards the landing.

As soon as these five youths started, they shocked Kong Xuanzong's people.

Because, these five young people, all are terrible arrogance.

All control of the divine power, three gods sixfold, two gods fivefold.

The strength of the three gods Liuzhong is no weaker than Qin Wu injury.

The six masters teamed up and launched their own tricks to kill the landing.

"Boy, let me die, seven fists!"

Qin Wuxing shouted, he was injured by Lu Ming, but his punching power was stronger.

What he cultivates is the secret technique unique to the Qin family. The more injured he is, the stronger his punching power will be.

However, in the face of such an attack, Lu Ming's complexion remained calm.

"War word strategy, double the combat power!"

Lu Ming's thoughts triggered a double combat power of Zhanzi Jue. A powerful force erupted in his body, flooding the whole body.

The six nine-clawed dragons roared, and the body twisted suddenly bulging sharply, and the body became larger in a circle, and the power was stronger.

Six nine-clawed dragons rushed to the six youths.

Lu Ming himself, a spear in his palm, huge like a mountain, pressed down on one of the young men.

The young man was fighting against the Nine-claw Divine Dragon with all his strength. He had no ability to resist the attack of the spear. He was directly depressed by the gun, and was blown out like a sandbag. He was hit hard and his breath was weak.

Then, Lu Ming shot again, pressing against another young man.

After Lu Ming triggered the double combat power, such a thing as Qin Wu injury was no longer Lu Ming's opponent and was easily crushed.

bump! bump!

Lu Ming fired guns continuously, and each gun could suppress one person.

In an instant, the five young men who shot behind were all blown out by Lu Ming and were hit hard.

Finally, Lu Ming's cold eyes swept to Qin Wu hurt.

"what!"

Qin Wusheng screamed scared, turned and ran.

"Want to go before kneeling?"

Lu Ming spoke indifferently and manipulated six magical dragons to surround Qin Wuduan.

"Boy, don't stop!"

At this time, a big man of the Qin family drank and stepped out, and he had to deal with Lu Ming personally.

However, a big man from the Wu family stopped him.

"Let the younger generation let them solve it for themselves, and the older generation, it is better not to intervene!"

The big man of the Wu family sneered.

This sentence was spoken by the Qin family's big man before. Now, the Wu family's big man gave it back intact.

"you..."

The Qin family man was furious, and then stared at Lu Ming, coldly said: "Qin Wu hurt, but the Qin family's child, although not the core child, but you let him kneel, you have to think about it, whether you can take it! "

The voice was cold and full of threats.

Even if Qin Wushang is not the core child of the Qin family, he is also a person of the Qin family, representing the face of the Qin family. Letting Qin Wushang kneel is the face of the Qin family.

"The Qin family, I haven't heard of it. I only know that if I want others to give, I must prepare myself to give. When he wants me to kneel, I must prepare to kneel and kneel for me. !"

Lu Ming drank coldly, not giving face at all.

Six nine-clawed dragons, huge dragon claws, continuously suppressed.

Qin Wu injury, where he resisted, barely resisted a few moves, he was controlled by the Nine Claw Divine Dragon law, thumped, volleyed down on his knees and knelt in front of Lu Ming.

Ahhhh...

Qin Wusheng made a roar that killed pigs.

This is really a shame.

He was in the Qin family, and he was not a core child, and it was not good to be mixed. If this matter is passed back to the Qin family, he is expected to be worse and become a shame for the Qin family.

At this moment, he wanted to die.

The other five young people of the Qin family, with pale faces and horrified faces, secretly rejoiced in their hearts. Fortunately, they were not the first ones in their early days. Otherwise, they would not be much better in the end.

Chapter 2926: Star Zone Crisis

"get out!"

With a wave of his hand, a burst of strength threw Qin Wuheng out.

A Qin family man reached out to catch Qin Wu hurt, his face extremely cold.

"Boy, you are a kind, I hope you will not set foot in Jiujuewangfu in your life, otherwise, you will regret what you did today, go!"

The Qin family man left a sentence, took Qin Wuxing and others, and flew onto the chariot.

Then the nine dragons screamed, pulling the chariot, rolling away, and disappeared.

call!

Yue Wuya and others took a long breath, but in their hearts, they were still very heavy, pressing a big rock.

Although Kong Xuanzong is temporarily safe, they know that this matter is far from over.

The treasure of Jiu Jue Tian Wang Mansion was stolen, which is definitely a big deal.

Immediately, they welcomed Wu Zifeng and the Wu family to Jin Xuanzong.

After understanding, Lu Ming knew that when Yue Wuya was young when he was young, he accidentally made friends with Wu Zifeng's grandfather. The two had taken adventures together and had a life-long friendship.

Later, Yue Linglong and Wu Zifeng even meant to marry the belly. Therefore, Wu Zifeng often ran to Kong Xuanzong, and Yue Linglong also went to Wu's house for a long time.

"Zifeng, what is going on here?"

In a hall, Yue Wuya asked Wu Zifeng.

"I am not very clear about the specifics of this matter. I only know that a few months ago, the treasure of Jiu Jue Tian Wang Mansion, Jiu Jue God Crystal was suddenly stolen. The person who robbed the treasure was extremely clever, and no one was found. !"

"However, the other party still left a trace of spiders and horses. Based on that trace of spiders and horses, the strong man of Jiu Jue Tianwang Mansion came to a conclusion that the person who robbed the treasure was probably from Qin Tianxing."

Wu Zi closed.

"How is this possible? The defense of Jiu Jue Tian Wang Mansion, how secret, masters are like clouds, Qin Tianxingyu, who can steal the treasure in Jiu Jue Tian Wang Mansion?"

Yue Wuya and others do not believe it at all.

In the Qin Tianxing domain, the triple king of the **** demon, such as the demon of the demon academy, is the pinnacle of masters. However, this kind of cultivation practice, placed in the palace of the nine kings, is far from enough.

Not to mention that the King of Gods is triple, even if the King of Gods is fourfold, the Fivefold is far from enough.

Qin Tianxing domain who has this ability, can steal the treasures of Jiu Jue Tian Wang Mansion?

"I am also very puzzled about this point, but the clues point here, Jiu Jue Tian Wang Mansion, it will never give up. This time, not only the Qin family came, but other families also sent people to come!"

Wu Zi closed.

Everyone's face is more dignified, this matter is not easy.

The people chatted for a while and dispersed.

Sure enough, a few days later, a piece of news spread in the Qin Tianxing domain.

Jiu Jue Tian Wang Fu, people from all major families, not only Kong Xuanzong was patronized, but all the powerful forces of Qin Tianxing domain were patronized.

Such as the three major overlords, as well as the Bingpo tribe and the Chiyan tribe.

The people of Jiu Jue's King's Mansion are powerful and overbearing. No matter what the force is, they must check the storage ring and Dantian Shihai.

Other forces, unlike Kong Xuanzong, were assisted by the Wu family. In the face of the huge family of Jiu Jue Tian Wang Mansion, all forces were helpless and could only be obediently accepted. They were inspected for storage rings and Dan Tian Zhi Hai.

Even the Chiyan and Bingpo tribes are no exception.

But the result was that nothing was checked.

There is no clue about the Jiu Ju God Crystal.

The people of Jiu Jue Tian Wang's mansion were furious and sent out words to give Qin Tian Xing Yu a ten-year period. After ten years, if they still did not surrender Jiu Jue God Crystal, they would send a large army to calm Qin Tian Xing Yu.

For a time, everyone in Qin Tianxing was in panic, and everyone was in danger.

"Whoever stole the treasures of Jiu Jue Tian Wang's Mansion and didn't hand it over yet, want to kill everyone?"

"Which **** killed, for the sake of one's own self, has harmed the entire star field, not to die!"

Many people scolded.

Qin Tianxing, the wind is raging, but nothing is found.

Soon after, another news spread throughout the Qin Tianxing domain.

During this time, the arrogance of the major forces of the Nine Jupiter's Mansion entered the Qin Tianxing territory one after another.

Even Tianjiao challenged the Tianjiao of Qin Tianxing in the ring of Wan Lingxing.

As a result, it was naturally that the Tianjiao of Qin Tianxing was crushed and did not win a victory.

"The ants are the ants, really incompetent!"

"What arrogance is all waste!"

The heavenly arrogance of Jiu Jue Heavenly King's Mansion is extremely powerful, and it is worthless to devalue the heavenly arrogance of Qin Tianxing.

Some people were furious and challenged the pride of Jiu Jue Tian Wang Mansion, but the result was doomed, and no one defeated.

This makes the arrogance of Jiu Jue Tian Wang Fu more arrogant.

"The younger generation of Qin Tianxingyu, if they can overcome us, we can extend the deadline to a hundred years or a thousand years!"

Finally, some arrogance of Jiu Jue Tian Wang's Mansion spoke.

This makes the powerful players of Qin Tianxing's major powers move.

If they can really extend the time, they may have the opportunity to find the treasure thief and avoid being destroyed.

For a time, the top arrogances of all major forces were dispatched and rushed towards Wanlingxing.

For example, the **** sons of the three overlords, as well as the top arrogance of the Bingpo clan and the Chiyan clan, dare to go to Wanlingxing.

Of course, all major forces, some have secretly traveled to Wan Lingxing.

For a time, Wanlingxing, the largest trading planet in the Qin Tianxing domain, became very lively.

Lu Ming, Qiuyue, Ouyang Qingxiang, Yuelinglong, Wu Zifeng and others also came to Wanlingxing.

"We are going to take a look at the ring under the heavenly pride of the Jiu Jue Tian Wang Fu in the central square!"

Lu Ming said.

Soon after, they came to the central square.

The central square, a huge open space, in the middle of the open space, there is a huge battle platform.

During this time, this area is full of people.

On the side of the battle platform, there was a row of seats, on which were seated a group of young men and women.

These young men and women, all looking arrogant, glanced at the crowd in all directions, with a slight disdain in their eyes.

They are all from the arrogance of the major families of the nine kings.

"There are quite a lot of people, but it's a pity that it's all waste, and none of them are decent!"

A young man in golden robe, a faint voice spread throughout the audience.

"Yeah, it's too wasteful, how to say, it's also a side star field, just such a few cats and dogs? What a disappointment!"

Another youth disdain.

The people around Qin Tianxing's territory were all angry when they heard it.

"Huh, my true genius in Qin Tian Xing Yu, hasn't come yet, don't be arrogant!"

Someone couldn't help it.

"Oh? There are real geniuses? Is it something you brag about, hahaha!"

The young man in gold robe laughed, full of disdain.

"Who brags, those arrogances, I believe they will arrive soon, and when that happens, they may not be able to fight you!"

Qin Tianxing's humanity.

Chapter 2927: Gathering of gods

"There is so much nonsense. If you have the skills, let people come out!"

The Jinpao youth was cold.

"This kid, this kid..."

Suddenly, on the battle platform, a young man yelled and stared angrily at the landing.

That's right, it's staring and landing.

The young man, who had scales on his brows, was one of the six young men who went to Kong Xuanzong with Qin Wushang before.

In fact, Lu Ming saw this young man when he first came, but Lu Ming didn't mean to avoid anything.

When he came here, he was looking for an opportunity to fight, why should he avoid it?

"Ok?"

Suddenly, the eyes of the young people on the battle platform all turned to Lu Ming.

"It's this guy who defeated you? Still humiliating Qin Wu hurt?"

Another young man spoke indifferently, his eyes cold.

This young man also has scales on his eyebrows, which turn into silvery white, shining in the sunlight.

Obviously, this young man is also from the Qin family.

This person is called Qin Wuyou!

"Yes, it's him, this guy!"

The young man who went to Kong Xuanzong roared.

"Okay, so good!"

Qin Wuyou's indifferent voice sounded, and there was a cold murder in his body.

boom!

He suddenly stood up from his seat, a violent breath filled with overwhelming.

"Shenpin divine power, he is divine divine power, so terrifying breath!"

"Oh my god, this is a **** child!"

Around the battlefield, many people shouted.

God-level figures, in the Qin Tianxing domain, are few and far between, each of which is a peerless heavenly arrogant, the presence of a famous starry sky.

Now, the other person stands up casually, just such a person, which is really shocking.

"You, dare to humiliate my disciples of the Qin family. Although it is a waste, it is not your turn to humiliate. Now, get me up and die!"

Qin Wuyou's icy voice sounded, looking at Lu Ming's eyes, becoming more and more cold.

All of them looked at Lu Ming together.

"Who is this?"

Qin Tianxing, many people do not know Lu Ming.

After all, the battle in the galaxy competing for the nucleus was only spread in a small area. Most people didn't know that Lu Ming had fought against the evil demon in the magic school, and even suppressed the other party.

"I know him. He is a son of Kong Xuanzong. He is said to be very talented!"

"Kong Xuanzong's son? The gap with the other party is too big, he would not dare to fight?"

"Yes, the other party is the Son of God, isn't it going to die?"

Around the battle, many people talked.

"who are you?"

Lu Ming's face was calm and he spoke lightly.

"Qin Family, Qin Wuyou!"

Qin Wuyou said.

"Sorry, you misunderstood what I meant, I mean, what are you, if you want me to fight, I will fight?"

Lu Ming said with a smile.

"what did you say?"

Qin Wuyou's complexion instantly gloomed down, and the murder was chilled several times.

"Easy ears?"

Lu Ming said lightly.

All around, many people in the Qin Tianxing domain jumped in their hearts, admiring Lu Ming's guts.

Some people are still thinking, although Lu Ming did not dare to go to battle, but the courage is really big, dare to talk to the other party like this.

"you wanna die!"

Qin Wuyou's voice became extremely cold, and his voice fell, his body rushing down like an angry male lion, rushing towards his prey.

"Ten Gods Sixfold!"

Lu Ming's eyes narrowed slightly.

As soon as the opponent shot, he saw the other's cultivation behavior.

The **** of the heavens has six weights and is in control of the divine power. This person is likely to be a character of the level of Devil Jiuye. The combat strength is far above Qin Wu injury.

Lu Ming's inner power is about to move.

"Want to do it, I will meet you later!"

Suddenly, a sound came from Lu Ming not far from them. Then, a burly figure burst out, and the hot breath filled the sky.

boom!

The two figures meet in mid-air and collide fiercely.

If two meteors collide, forming a circle of shock waves, rushing in all directions, terrifying.

Then, both figures shuddered and drifted back.

"It's him!"

Lu Ming moved.

The one who rushed out and Qin Wuyou slammed at the same time was the innumerable Holy Land Divine Son, and Cang Yan broke the army.

"It's Cang Yan's broken army, he shot!"

"God-child characters are here, haha, some of them are watching this time!"

"Lu Ming's luck is very good, otherwise it is dangerous!"

Many people were overjoyed to see Cang Yan breaking the army.

Cang Yan breaks the army, as the pinnacle of the younger generation of Qin Tianxing, his combat power is far superior to other Tianjiao. With his shot, he can finally fight with Tianjiao of Jiu Jue Tianwang Mansion, and will not be crushed so miserably.

"It's kind of interesting. I didn't expect that there is a decent opponent in Qin Tianxingyu!"

Qin Wuyou stared at Cang Yan and broke the army, showing a strong fighting intention.

"Let's talk nonsense, let's do it, I'll see how strong the arrogance of Jiu Jue Tian Wang Mansion is!"

Cang Yan Po Jun drank coldly, the hot breath on his body was getting hotter and hotter, and his fighting spirit was stronger than the other party.

Boom!

Cang Yan broke the body shape, rushed to the battle platform, the meaning is self-evident.

"Want to die, I will fulfill you!"

Qin Wuyou's unbearable Tao, flashing, also rushed to the battle platform.

boom!

Without redundant words, Cang Yan broke the army and Qin Wuyou fought fiercely together.

"Seven hurt fists!"

Qin Wuyou glowed all over, and shipped out Seven Injuries.

Two terrible fist marks burst out, crushing towards Cang Yan and breaking the army.

Qin Wuyou also exhibited the Seven Fists of Divine Fist, which is much stronger than Qin Wushang.

"Cangyan burst fist!"

Cang Yan's military use is also boxing, but his boxing is different. He is directly overbearing. Each boxing is like a star burst, and the power is endless.

The two confronted each other with fierce bombardment, and the huge battle platform was filled with their fists.

In a blink of an eye, the two battled dozens of moves without a win or loss.

boom!

In the end, with a roar, the two retreated and separated the sides of the battle platform.

"Interesting, I didn't expect Qin Tianxingyu, there is a decent opponent, but there is only one, it is not enough, there are no decent masters, come out together!"

In Jiu Jue's King's Mansion, the young man in golden robe stood up, languidly speaking, glancing at all directions.

Keng!

As soon as the other party's voice fell, a sword sound came from a short distance away. Then, a sword light came quickly, and a young man with a sword appeared over the battle platform.

This young man, who looks handsome, is the godson of the immortal Jianzong, and his sword is infinite.

Kendo Wuji just appeared. In another direction, a magic light flashed, and a young man in black robe appeared over the battle platform, but it was the **** of the magic demon college, the devil nine nights.

The **** sons of the three overlords gathered together.

"Interesting, is there anything else?"

Jinpao Youth asked again.

"Since you want to see, see you now!"

At this moment, a cold voice came, and in the sky, a chill spread, and a young man in white robe walked.

Chapter 2928: Millennium Gambling

Every step of this young man in white robe, a snow-white **** bird emerged from his feet, setting off his fluttering fairy.

"Similar to Bingqing!"

Lu Ming moved.

"It's the ice fairy, the seven sons of the ice soul family, the strongest arrogance, ice fairy!"

Someone called out.

"Sure enough!"

Lu Mingsi wonders, no wonder and Bing Qingchang are somewhat similar.

At the beginning, Bing Qing told him that in the ancient **** world, four people cultivated into ancient **** bodies, and his seventh brother was one of them.

However, this name is really feminine.

However, Bingxian's temperament is quite in line with this name.

boom!

Bingxian just came out, on the other side, there was a hot breath, a heat, diffused, and then, a burly young man, step by step, appeared on the other side of Bingxian.

"Chiyan Mosong!"

Someone spoke and said the person's name.

This young man is the peerless arrogance of the Chiyan tribe, and exists in the same name as Bingxian.

The appearance of Bingxian and Chiyan Mosong made the eyes of the young Jinpao slightly condensed.

Because, the two brought him a lot of pressure.

"Interesting, I didn't expect that Qin Tianxingyu actually gave birth to so many interesting Tianjiao!"

The young man in Jinpao said coldly, but his expression finally became more cautious, without showing his lazy expression.

"Do you still count what you said before?"

At this time, Lu Ming spoke.

What he asked was naturally that the other party said that as long as the Tianjiao of Qin Tianxing domain could defeat them, they would give Qin Tianxing domain some time for this matter.

"Natural calculation, as long as you can beat us, we can give you a hundred years of grace!"

Golden Robe said.

"One hundred years is too short, as long as we defeat you, you will always withdraw from the Qin Tianxing domain and never commit anymore!"

Lu Ming said.

"Withdraw forever, you have a big tone, this is impossible!"

The young man in Jinpao's face sank with a cold voice.

"Why? You have no confidence?"

Lu Ming sneered.

"Joke, although you have a few geniuses, but with you a few, you want to beat us, it's a joke!"

Jinpao youth sneered again and again.

"How dare you agree!"

Lu Ming sneered.

"No, it's a matter of principle. It doesn't mean that you have a chance to win and you will always quit. It's absolutely impossible, but I can reflect to you that it will be delayed for a while!"

After speaking, the Jinpao Youth took out a piece of Jade Tone, and heard a message, and then waited quietly.

It didn't take long for the young man in Jinpao to receive a reply, and he said with a look, "If you can win us, you can be granted up to a thousand years of grace. This is the longest limit. Of course, you have no chance." !"

The Jinpao youth is still full of confidence.

"Is there a chance to know after a war, a millennium is a millennium, then a battle!"

Lu Ming agreed directly.

Devil Nine Nights, Promise of Kendo, Cangyan Broken Army, as well as Chiyan Mosong, Bingxian and other strongest arrogances, have no openings, which is considered the default.

Many people are very surprised. Lu Ming's self-proclaimed appearance, Mo Jiuye and others, actually did not stop.

In front of these god-children, can Lu Ming have this qualification?

They naturally did not know that Mo Jiuye and others, but knew Lu Ming's strength, they had long regarded Lu Ming as a character of the same level as them.

As for Bingxian, Chiyan Mosong didn't fight Lu Ming, but with their well-informed information, they naturally knew that Lu Ming and Mo Jiuye were fighting.

So Lu Ming agreed, they did not stand up to object.

It would be great if we could fight for a thousand years, which is much better than ten years.

"Wait a minute, this is not the time for World War I. This battle is set three months later. The location is here!"

The young man in golden robe suddenly said.

"After three months, okay!"

Lu Ming thought, and nodded.

He understands that the reason why the other party delays for three months is mostly due to the fact that Tianjiao has not yet arrived, but why doesn't he need time?

"Three months later, how to fight? What are the rules?"

Bingxian asked.

"It's very simple. Let's fight in a ring battle. The two sides defend the ring. Which side stands on the platform last, even if the side wins, of course, the number of both sides must be limited, otherwise the competition will be endless!"

"So, I will give you a chance. We have nine people, but you can have eighteen people, how?"

Golden Robe said.

"Okay, that's it!"

Bingxian immediately agreed.

It's a **** to be cheap and not to occupy. Although in the top-level Tianjiao matchup, the number of people often does not have much effect, but this is a battle in the ring.

How much still works.

"Then it is so decided. Three months later, here is a battle. Let me see, what kind of combat strength do you Qin Tianxingyu young generation have, go!"

The young man in the gold robe turned into a golden brilliance, rose into the sky, and left here.

"Huh, kid, someone helped you today, but not every time you have this opportunity. I hope you won't touch me in the next battle," Qin Wuyou glanced at Lu Ming with a cold eye.

"Qin Wuyou, I am afraid that you have made a mistake in your abacus. I promise that this kid will not dare to fight next time!"

Another young man from Jiu Jue Tian Wang Man sneered.

"There is no need to use such a low-level militant method. I will definitely participate in the next battle!"

Lu Ming said lightly.

"hope so!"

Qin Wuyou left a sentence, and left here, and the people of Jiu Jue Tian Wang Mansion left.

"Let's talk about it. Three months later, let's choose the candidate!"

Bingxian's gaze looked at Chiyan Mosong, Mo Jiuye, Promise of Kendo, Lu Ming, and Cang Yan breaking the army.

"Candidate, please discuss it, as long as you leave me a quota."

Lu Ming left a sentence, took Qiuyue and others, and turned to leave.

"Lu Ming, is he really going to fight? He really ate the bear heart leopard guts, and if Cangyan broke the army just now, he was dead!"

"For the sake of face, in front of so many people, being provoked by the face to face, should not fight, isn't the face lost!"

"That's too, but it's unwise to take your own life for the sake of face!"

People around, there are many discussions.

"Huh, these people, where do you know the master is great!"

Qiuyue raised her mouth upset after hearing it.

"Anyway!"

Lu Ming smiled slightly, but did not care.

They left here, found an inn, and stayed.

Lu Ming lived alone in a room and sat cross-legged on the bed.

"Old volume, it's been two hundred years. How is the energy of the star core, how are you refining?"

Lu Ming asked.

Chapter 2929: Tenjin Mie

Taking his current practice as an example, Lu Ming did not have the slightest certainty to participate in this battle.

The arrogance of Jiu Jue Tian Wang Mansion is unfathomable, and I don't know how many powerful ones exist.

This time, it is likely that it is only nine cows and one hair, Lu Ming wants to promote himself to the strongest state.

Lu Ming needs to use the energy of the star core to impact the realm.

For the past two hundred years, Lu Ming has not used the energy of the star core. He has been absorbing energy to practice himself, otherwise, his cultivation will not be so slow to improve.

After two hundred years, how much of the word measurement method has refined some energy?

"Refining is a bit of refining, but not too much, it is because you cultivated too low, so that the speed of refining of the old lady is greatly reduced!"

Measure word tactics complained.

"It should be enough for me to strike Tenjin!"

Lu Ming muttered, why did he come to the end, blamed him.

"Your cultivation practice has reached the peak of Tenjin's first and impacted the second of Tenjin. That is naturally a matter of ten things and nine stable things, but you are now in control of ten kinds of divine power.

Measure the word.

"There is already so much energy? Come on, give it a try!"

Lu Ming's eyes lit up.

If he can raise a higher level of realm, his grasp will be one more point.

"Then you are ready!"

The sound of the Quanzi Jue sounded, and then, the word "quan" in the sea was recognized, exuding a dazzling brilliance, a pure and strong energy, rushing out into the body of Lu Ming's limbs.

Lu Ming fully operated "Qiankun Wandao Jue" and began to absorb this energy to impact the realm.

This energy was too strong. Lu Ming felt that his entire body swelled up and was filled with violent energy.

"Good rich energy, such rich energy, actually only a small part of the star core has been refined!"

Lu Ming was not surprised but rejoiced.

This energy is very pure. Although it is very strong, it absorbs very quickly.

Under the influence of Qiankun Wandao Jue, this energy was quickly absorbed and transformed into Lu Ming's divine power. In the Dantian, the flames of ten **** fires became brighter and brighter, and the flames rose.

boom!

In Lu Ming's body, there was a roar, the flames of ten gods of fire strung together.

In an instant, Lu Ming's breath improved a lot.

Tenjin is double, breakthrough!

After breaking through the double of Tianshen, Lu Ming did not stop because there was still a lot of energy left in him.

Lu Ming continues to refine this energy, and his cultivation is rapidly improving.

Tenjin double solid, tenjin double early, tenjin double mid...

Soon, Lu Ming hit the second peak of Tenjin.

It is not far from the triple god.

There is still some energy left in his body, but it is not enough to be used to impact the triple god.

"Slamming..."

Lu Ming's eyes showed a firm color, and with a wave of his hand, a large number of **** crystals appeared on the ground.

These divine crystals are all middle-class divine crystals, and the richness of the divine spirit in them is many times stronger than the divine divine crystals.

This is a rare opportunity, and Lu Ming wants to make a bang and attack the triple gods.

bump! bump! bump! ...

A large pile of Shenjing burst and turned into a rolling spirit. Lu Ming opened his mouth together. The spirit was like a rolling wave, rushing into Lu Ming's mouth and swallowed by Lu Ming.

Rumble!

Lu Ming began to work hard to refine this spirit.

He wants to use this divine power to cooperate with the remaining energy before to strike the triple gods.

Time has passed day by day.

In a flash, three months is coming.

Lu Ming has refined Shenjing and has accumulated a lot of energy.

"Start!"

A move in my heart, refining the energy of the Divine Crystal, merged with the previous energy, and began to impact the Triple God.

...

The three-month period is coming, and a large number of creatures are gathered on the central square of Wanlingxing.

Qin Tianxing domain, there are all races, crowds.

This time, even the top experts of the major forces have arrived.

For example, the elders of all major forces are observing in secret.

After all, this battle is not only a showdown for the younger generation, but also related to the safety of Qin Tianxing.

"The people from Jiu Jue Tian Wang Fu are here!"

Suddenly, someone called.

In the distance, a rainbow of light flew towards this side.

There are dozens of them.

Among them, there are more than a dozen older people, all of which are amazing powers at a glance.

The rest are all young people.

These people, standing above the battle platform, looked around proudly.

Compared with the number of people around the square, their number is really pitiful, but their momentum, in turn, suppresses the Qin Tianxing domain.

"Qin Tian Xing Yu, are you going to fight? Come out!"

It was still the last time the young man in gold robe stepped out and his voice spread throughout the audience.

Bingxian stepped out and appeared in the air.

Then, Chiyan Mosong, Mo Jiuye, Kendo Wuji and others came out one after another.

A total of seventeen people.

Almost all of them came from Chiyan Clan, Ice Soul Clan, and Tianjiao of the three major overlords.

"There are only seventeen people. You seem to be missing one person. Why didn't the arrogant kid come last time?"

The young man in Jinpao swept his eyes and smiled lightly.

Bingxian and others glanced at each other, their eyes also sinking.

They did lose one person, that's because Lu Ming hadn't come yet.

"It's Lu Ming, Lu Ming didn't come!"

"Lu Ming, he will not dare to come at the critical moment!"

"He must have dared not come, he offended the Tianjiao of Jiu Jue Tian Wang Mansion, where dare to come, there is a dead end!"

"I guessed that he must be just hard-mouthed, and he didn't dare to fight!"

Qin Tianxing people suddenly whispered, most people felt that Lu Ming was afraid to come.

"Oh, that kid, only one mouth, the courageless!"

Qin Wuyou sneered and sneered.

"Who said that Master did not dare to come?"

At this time, there was a soft drink from a distance, and then a few figures came step by step.

It was Lu Ming, Qiuyue, Ouyang Qingxiang and others.

It was Qiuyue who spoke just now.

A faint smile hung on Lu Ming's face. Not long ago, he finally slammed into the triple gods, and because of the triple gods, he was late for a while.

"He really dare to come?"

Many people's eyes looked a little unexpected.

"well!"

In the eyes of Qin Wuyou, the fierce light flashed, and he licked his lips. The cold killing made no secret.

"You are waiting for me here!"

Lu Ming told Qiuyue they stepped out and came to Bingxian and others.

Eighteen people gathered here on the Qin Tianxing field.

"What about your nine people? Which nine people are you?"

Asked the ice fairy.

bump! bump! ...

As soon as the voice of Bingxian fell, nine young masters stepped out of the palace, and young people stepped out. With the young man in gold robe, Qin Wu hurt, a total of nine people.

Nine people, seven men and two women.

Bingxian and others glanced at nine people, their faces dignified.

Because of some of them, they simply cannot see the depth.

Chapter 2930: gap

"People have arrived, let us defend first!"

The young man in gold robe nodded to a young man with a horn on his head.

The young man nodded, his figure moved, and fell on the battle platform.

"Jiujue King's Mansion, Xu Huo, who will fight?"

The young man with a horn on his head shouted, glancing at Lu Ming and others, and a strong breath broke out.

Ten gods!

The one-horned youth Xu Huo is a six-fold existence of a deity, and the divine power controlled by the breath should be the divine power.

"I will meet you here!"

A cold voice sounded, and then, a sword flashed, and a young man with a long sword appeared on the battle platform.

This young man comes from the immortal Jianzong.

"Indestructible Jianzong, excellence!"

The young man carrying a long sword, a sword rising from the sky, does not lose to Xu Huo at all, and it is also a arrogance of the six gods of a god.

This excellence, the reputation of the indestructible Jianzong, is not inferior to that of Zhuo, and it is also a heavenly arrogance second only to Kendo.

"It seems that you are a sword repair, interesting, let's go, let me see, what kind of fighting power does the sword repair of Qin Tianxingyu!"

Xu Huo licked his lips, his eyes brightened.

"Complete you!"

Excellent cold hum, as soon as the voice fell, the war sword behind him came out of the sheath, amazingly fast.

Many people did not see how his war sword was unsheathed, only saw a sword light, such as flying fairy outside the sky, killing the sky and killing Xu Huo.

However, Xu Huo's speed is not slow at all.

Uh!

In his hand, a snow-white blade of light bloomed, dazzling and cut forward.

when! when! when!

In the next moment, the two confronted each other. The sword light and the knife light collided continuously in the air. Between two breaths, the two people collided at least a few hundred strokes.

At the next moment, the two figures separated at the same time and drifted back.

"Who's winning?"

Everyone quickly observed carefully.

From a bright perspective, both of them are the six gods of heaven, the divine power of control is also the divine power, and the strength should be similar.

at this time...

puff!

The outstanding figure shivered and a sip of blood spewed out.

Keng!

He supported his body with a war sword, so that he could not let himself fall.

"Excellent defeat, how is it possible?"

Many people were shocked, and when they looked closely, they discovered that there was a deep knife mark on the excellent chest, which almost split him in half.

The terrible knife strength, also constantly drilling into the body of excellence, so that he had to use his full power to resist.

On the other hand, Xu Huo was calm, calm, and had nothing at all.

"You can take me a wave of attacks without dying, you are pretty good, but, as a sword repairer, this attack power really disappoints me!"

Xu Huo spoke lightly, with a touch of disdain in his tone.

puff!

Excellence spit out another bit of blood, and his eyes showed a daze.

As a sword repairer, he was known for his strong attack power.

But in the collision just now, he was completely downwind and completely lost to the opponent.

You know, they are at the same level, and the divine power controlled by Xu Huo is only holy divine power, not divine divine power, which makes him a little difficult to accept.

"This Xu Huo, the use of divine power, is too strong, resulting in no matter whether it is divine skills, or mysterious techniques, the power is very amazing."

Bingxian said solemnly.

"It is indeed the arrogance of Jiu Jue Tian Wang Mansion, and it is really amazing in the use of divine power."

Mo Jiuye also spoke, his face dignified.

Although the strength of the divine power is the same, but the use of different power, the power is also very different.

Just like having a hundred pounds of strength, an ordinary person can only attack indiscriminately with brute force, but a martial arts master can use this hundred pounds of strength precisely and explode several times. The combat power naturally differs. Great.

Therefore, excellence seems to be comparable to Xu Huoxiu, but was easily defeated.

"See if you can take me for a wave of attacks without dying. I won't kill you, get out!"

Xu Huo waved.

"Brother Desk, please step back!"

Kendo Promise opened his mouth, and resignedly resigned.

"Who else, come fight!"

Xu Huo shouted.

"I come!"

In the Xiemo Academy, a young man stepped out and landed on the battle platform.

This young man is also a peerless genius. Whether it is a divine level or a cultivation base, it is a level of excellence.

Unfortunately, this person is not Xu Huo's opponent, fighting dozens of moves, this person was hit hard by Xu Huo, panic fled off the battle platform, pale.

Two-game losing streak!

This made all the hearts of Qin Tianxing domain sink.

The other party just dispatched a figure of the six-fold Saint child of the **** of heaven. On the side of the Qin Tianxing domain, the figure of the same level was dispatched, but it showed a one-sided situation.

How do you fight this? At this time, it is necessary to move the characters of the **** child level?

In this way, the situation is too passive.

"Now, we can't do it yet, otherwise we are too passive, and continue to send people to consume his divine power. He continues to use tricks, and the divine power will definitely consume quickly!"

Bingxian and others secretly discussed, and finally decided to continue to send experts.

Then, the Infinite Holy Land sent a Tianjiao to fight Xu Huo.

This time, the eighteen people who played in the Qin Tianxing domain are at least of this level of excellence. The three major overlord forces, as well as the Ice Soul Clan, the Chi Yan Clan can be described as a genius.

This time, the arrogance of the immeasurable holy land did not bump into the other party, but used the way of fighting to consume the other party's divine power.

The two sides struggled for nearly a hundred moves. After all, they were still invincible in the immeasurable Holy Land and were bombed off the battle platform.

Three-game losing streak!

The other party just dispatched a Tianjiao and defeated them in a row.

If the arrogance sent by the other party behind is all invincible at the same level, how can it be compared?

"I come!"

At this time, a Tianjiao of the Ice Soul Clan set foot on the battle platform.

As soon as the Tianjiao of the Bingpo tribe shot, the entire battle platform was frozen, and even the space was blocked by ice.

What Xu Huo displayed was a sharp knife, a quick shot, and a very fast body shape, which was just restrained by the Tianjiao of the Bingpo clan. His shot speed was greatly slowed down.

Moreover, he has fought three games in a row, and the consumption of divine power is also extremely serious. For a time, he actually fell.

"There is a play!"

This made many people in Qin Tianxingyu's eyes bright and felt that they had hope of winning.

The Tianjiao of the Bingpo tribe, after controlling the scene, launched a stormy general attack, and Xu Huo repeatedly retreated.

puff!

An ice sword crossed Xu Huo's shoulders and brought blood.

"Defeat me, Ice Sword Art Online!"

The Tianjiao of the Bingpo clan used a trick to condense hundreds of ice swords, block off all directions, and enveloped towards Xu Huo.

Xu Huo quickly cut out the sword and defeated the ice sword.

But there are too many ice swords, which can't be blocked.

puff!

Finally, an ice sword stabbed Xu Huo's stomach and took him out of the battle platform.
