Chapter 3071: Taixu Royal Sanctuary

"Uncle Lan, I want to know, how do you see that I am the descendant of Senior Yu Jing?"

Lu Ming asked out his doubts.

He concluded that he was seen by the blue businessmen when he was fighting the Lengying.

But how did the other party see it?

"Because you cultivate the master power!"

Lan Shang smiled.

"Dominate the divine power?"

Lu Ming wondered.

"Yes, there is a trace of shocking feathers in the master divine power you cultivated. Although it is very light, but I have been instructing Jingyu to cultivate for many years, and I know him very well, so although there is only a hint of shock in your master power I can still feel the mark of Yu!"

"In addition to Jing Yu's successors, who else will have the mark of Jing Yu?"

Lan Shang smiled.

"The mark of Jingyu?"

Lu Ming thought quickly, his eyes suddenly lit up.

He was in Huangquan Mountain at the beginning, facing the statue of Jing Yu at the beginning, enlightening the way of the master, perhaps because of this, there will be a trace of Jing Yu in his master divine power.

"You can get Jingyu's inheritance, because it came from the seal of Huangquan Mountain, Huangquan Mountain, how is it now?"

Lan Shang asked, his eyes complex.

Immediately, Lu Ming explained the matter of Huang Quanshan.

"Hey, it's hard for them. One day, they will see each other again!"

Lan Shangdao, speaking of this, his eyes radiate dazzling glory.

"Uncle Lan, what happened in those days? Who was the one who trapped Senior Yu Yu?"

Lu Ming asked.

Lan Shang shook his head and said, "I don't know, I know, it's almost the same as Jing Yu. At that time, Jing Yu was framed and fell, his cronies, killed by the killing, sealed by the seal, and I, Also deprived of great power, because of some original reasons, I came to the palace of the nine kings!"

Lan Shang sighed that there seemed to be a lot of things happening at the time, and he did not want to mention more.

Then, his voice changed, saying: "At that time, the prince Jing Yu must have been framed. This matter must be investigated!"

"I promised Senior Jing Yu, I also have to investigate this matter, and help Senior Jing Yu to reverse the case. Then, I have to trouble Uncle Lan to help!"

Lu Ming said.

"This is natural, I will definitely help, but now is not the time, this matter does not need to be too urgent. Your current goal is to improve your strength. Your current strength is too weak in the Holy pilgrimage. It is still too weak. ."

Blue Business Road.

Lu Ming nodded, but sighed.

His strength has been improved very quickly, faster than most people, but he always feels that repair is not enough.

"By the way, you said you came from Qin Tian Xingyu. Why did you come to the Starry Sky Camp? Oh, are you going to use the Starry Sky Camp as a springboard to join the Taixu Royal Sanctuary, and then take the Taixu Royal Sanctuary as the foundation to slowly rise Then investigating the case of the Prince Jingyu?"

The blue merchant said suddenly.

"Taixu Royal Sanctuary?"

Lu Ming looked puzzled.

"You don't know the Royal Sanctuary of Taixu?"

The blue business was surprised.

"I don't know, what is it for?"

Lu Ming shook his head and asked.

"The Taixu Royal Sanctuary is the place where the entire Taixu Shengzhao Tianjiao converges. There, not only the top-notch Tianjiao of Taixu Shengzhao, but also the princess of the Taixu Shengzhao, also study there!"

"There, it is the place where the Taixu dynasty trains talents. Almost all the big people of the Taixu dynasty came from the Taixu dynasty. At that time, the prince Jingyu also studied at the Taixu dynasty!"

"But if you want to enter the Taixu dynasty, unless there is a recommendation from the Taixu dynasty, only the starry sky camps of each heavenly palace can enter!"

Lan Shang explained.

Lu Ming suddenly realized that he understood.

He had heard from Wu Zifeng before that they wanted to enter the core of Taixu Holy Cultivation to practice, only to join the Starry Sky Camp first.

If you have not joined the Starry Sky Camp, you cannot go to Taixu Holy Cult to practice.

"I came to Starry Sky Camp, not to enter Taixu Royal Sanctuary!"

Lu Ming said.

"Then what are you here for?"

The blue business was surprised.

"For the treasure of Jiu Jue's King's Mansion, Jiu Jue God Crystal was stolen!"

Lu Ming said.

"Nine Absolute Divine Crystal? I have heard about this matter, how? How have you checked?"

Blue Business asked.

"Still not much clue..."

Lu Ming shook his head. When he was about to experience this time, he said it roughly.

It also included evidence that he suspected the Night Stalker's storage ring, but he searched many times and found nothing.

"Some methods can seal some evidence very deep, you can't find it is normal, so, you give me the storage ring of the Night Stalker, I will help you find it!"

Blue Business Road.

"Thank you Uncle Lan!"

Lu Ming was overjoyed, when the storage ring of Night Stalker was about to be taken out and handed over to the Blue Merchant.

Lan Shang, the teacher of Jing Yu at that time, had an unfathomable training, and his knowledge was broad. Perhaps, he could find evidence.

If we can find evidence to find the people behind the scenes who colluded with the Dark Ice Clan to steal the Nine Peer God Crystals, the safety of Qin Tianxing Realm can be solved.

The blue merchant ended up storing the ring.

"Oh, one more thing."

Lan Shang suddenly changed his voice, and when he said this, he coughed and said, "When Jing Yu was alive, I made an appointment with him. In the future, if he and I have descendants, if they are of the same sex, then Be a brother or sister, if you are of the opposite sex, be a couple."

"Later, Jing Yu fell, and no descendants, and you as a descendant of Jing Yu, is equivalent to his descendants. I will fulfill my promise, Linger will marry you!"

"what?"

Lu Ming was caught off guard and didn't expect the Lanshang to mention it.

"Uncle Lan, don't use it. I met Lan Ling girl only once. No, it's just two sides. It's too rush to marry her!"

Lu Ming waved his hands again and again.

"This is simple, you move together to live together, get along with each other, and will become familiar with it in the future!"

Lan Shang smiled, but was very open.

"No, Uncle Lan, don't hide it, I already have a wife!"

Lu Ming said.

"It's okay, it's normal for a man's big husband to have a third wife and four concubines."

Blue Business Road.

"?"

Lu Ming was speechless. The blue merchant was very open-minded, so he pushed his daughter into the fire pit.

However, Lu Ming has Xie Nianqing and Qiu Yue.

In addition, there are two confidantes, Mulan and Huangling, which are enough for him to have a headache. He doesn't want to have another one.

Moreover, thinking of Lan Ling's expression that he wished to kill him, Lu Ming refused even more.

Live with Lan Ling, joking, don't know when they were killed by the other party.

"Uncle Lan, no, no, no..."

Lu Ming still shook his head.

"Why? You think you and my daughter are not good enough for you!"

Lan Shang's face sank and said coldly.

Chapter 3072: Follow the Millennium

"Why? Linger girl is beautiful and immortal, why can't she deserve me, just... just Linger girl is going to kill me!"

Lu Ming began to spit bitter water.

"To kill you?"

Lan Shang was slightly stunned, and then smiled bitterly: "This girl is really the opposite."

Later, Lan Shang frowned.

Lu Ming prayed secretly, hoping that Lan Shang would dispel the idea of marrying Lan Ling to him.

Although Lan Ling has a long and beautiful national fragrance, it is a man who wants to be excited when he sees it, but Lu Ming asks himself for that blessing.

After a while, Lan Shangdao said: "Well, I am not difficult for you. I let Ling'er follow you for thousands of years and let you cultivate feelings. If you don't want to marry each other or marry each other after the millennium, then this Just leave it alone!"

"This, this...not so good!"

Lu Ming immediately suffered from a face.

Let Lan Ling's crazy woman follow him for thousands of years, making a joke, and Lu Ming grows big when he thinks of this.

"What's wrong, the relationship needs to be nurtured, you are afraid that Linger's girl will deal with you again, rest assured, I will warn her well!"

"In addition, Ling'er's talents are good. Together, you can have a care. Helping Jingyu to turn over the case will also be more grasped. This is the matter!"

Lan Shang waved his hand and settled the matter.

"This, this..."

Lu Ming was completely speechless.

"Hahaha, so be it, Lu Ming, you go out and wait for me first. I called Ling'er to come in and scold her well!"

Lan Shang laughed, almost like an old fox.

Lu Ming despised it. The appearance of the blue merchant looked mild. In fact, he was thinking about abacus, and he wanted to match him with Lan Ling.

He believes that with the beauty of Lan Ling, staying with Tian Tian every day will definitely be able to produce feelings.

"This old guy must have taken a look at my talent. Hey, there is no way. Who will call me a high talent, and the person is long and handsome. I can't help it. Life is hard!"

Lu Ming sighed again and again.

If Lan Shang knew Lu Ming's idea, I'm afraid he would spit out old blood.

Lu Ming walked out of the other courtyard and saw Lan Ling. He said to Lan Ling: "Your father is looking for you!"

"Humph!"

Lan Ling snorted coldly, without looking at Lu Ming, and walked into the other courtyard.

Lu Ming got up in the other garden.

Soon after, I saw Lan Shang and Lan Ling coming out together.

Lan Ling's eyes were red, and after seeing Lu Ming, he stared at Lan Ling with hate, and wished to eat Lu Ming in general.

"Lu Ming, about the evidence, I will tell Ling'er to inform you when I find out. Now, let me send you back, Ling'er, send Lu Ming!"

Lan Shang ordered.

Lan Ling gritted his teeth, reluctantly walked to Lu Ming's side, said coldly: "Let's go!"

Lu Ming smiled bitterly, it seemed that Lan Ling was really reprimanded by Lan Shang, and he seemed more resentful to him.

"Uncle Lan, leave!"

Lu Ming clenched his fists, then stepped into the air and walked towards his own courtyard.

Lan Ling walked side by side with Lu Ming with a cold face. After a while, they left the residence of Lan Shang.

"Lu Ming, what did you say to my father?"

Suddenly, Lan Ling spoke, his voice was cold, and he stared at him bitterly.

"No, I didn't say anything!"

Lu Ming said, this naturally denies.

"Don't say? Then why did my dad scold me? You are a big man, and it's shameless to make a small report in front of my dad!"

Lan Ling hated.

"???"

Lu Ming was speechless and screamed injustice in his heart. The other party would kill him as soon as he saw him. Can't he say it?

"Humph! Erotic, there are already women around, and I want me to follow you, shameless, mean..."

Lan Ling continued to scold.

Lu Ming almost vomited blood.

What was it that made Lan Ling follow him, obviously it was the blue merchants who forced him hard?

"Don't talk nonsense, it's your father who insisted that you follow me for thousands of years, I would have resisted death..."

Lu Ming quickly denied.

"What do you mean is that I have no one to ask for, it's my father's strong fortress, I'm climbing you up?"

Lan Ling's face was colder.

Lu Ming almost vomited blood. This woman's brain hole was so big, he didn't mean it.

"If you want to follow you for thousands of years, you can also, depending on whether you have this skill, if you can take me three strokes without dying, I will follow you for thousands of years!"

Suddenly, Lan Ling's voice turned cold, and a cold murderous opportunity shrouded Lu Ming.

Lu Ming frowned, he felt that Lan Ling really wanted to kill him.

Want to use this reason to kill him.

However, this momentary moment.

Lu Ming's current strength is not much stronger than when he first saw Lan Ling.

"Come on, let me show you your tips!"

Lu Ming's eyes also cooled.

He has been more courteous, but Lan Ling is still pressing, Lu Ming also angry.

Keng!

The long sword came out of the sheath and the sound of the sword shook the sky.

"First move!"

Lan Ling's voice just remembered that a terrifying sword light slammed toward the landing, the power was extremely amazing.

This move, even a half-step king without awakening the original power factor, must be killed by a sword.

Lan Ling started without mercy.

boom!

Lu Ming also exploded with a strong breath, and a spear appeared in his hand.

when!

The spear and the sword light collided together, and a violent roar erupted, and the terrible energy was like a storm.

When the energy dissipated, the bodies of Lu Ming and Lan Ling stood motionless in the void.

"It turns out that the original divine factor has been awakened!"

Lan Ling's gaze narrowed, revealing surprise.

She didn't expect that Lu Ming was only the Sixfold Cultivation Practice of the God of Heaven, and awakened the original divine power factor.

Wait, the sixth god!

Lan Ling thought of something, secretly surprised.

She remembers clearly that when she was in the ancient city of Xingyue, Lu Ming's cultivation practice was only the fourfold of the gods.

How long did it take for Lu Ming to break through two levels and reach the sixth level of Tenjin, which is too fast.

"The adventures he must have in the ancient city of Xingyue, otherwise it is absolutely impossible for him to practice by himself!"

Lan Ling moved.

At this point, she did not guess wrong, Lu Ming did get a chance encounter, otherwise, it would be absolutely impossible for Xiu to improve.

"One move!"

Lu Ming said lightly.

Originally, he could deliberately lose to the other party, so Lan Ling would not have to follow him.

However, Lu Ming is also arrogant, he now wants to teach Blue Spirit, naturally he would not want to let it go.

"Humph, don't think that awakening the original divine power factor will stop me!"

Lan Ling snorted coldly, her breath was stronger and stronger, and her strength was pushed to the extreme by her.

Buzz!

A sword shadow, which is tens of thousands of meters long, vibrates the non-stop vibration of the void, and then slams down toward the landing, which is terrifying and terrifying.

Chapter 3073: Not interested in you

Blue Spirit will repair Xiu to the extreme, cut out a horror trick.

Lan Ling's cultivation practice is extremely advanced, only half a step away from Divine King Realm, it seems that he can break into Divine King Realm at any time.

Moreover, her strength is really extremely powerful, and it is a bit more powerful than when it was in the ancient city of Xingyue. Lu Ming feels that it is stronger than Jin Yuan and not weaker than Chu Baxing.

Obviously, in the ancient city of Xingyue, not only Lu Ming has improved, but others have also improved.

"Cut the moon!"

Lu Ming shouted, instantly triggering four times the combat strength of Zhanzi Jue, let his combat power slash, and then shot down.

A crescent-shaped spearman slashed toward the blue spirit.

boom!

The second collision caused even more shocking fluctuations.

Fortunately, the two have already flown into the sky, otherwise, the entire Starry Sky Camp will be alarmed by the two.

This time, there was still no victory or defeat.

"Second move!"

Lu Ming said lightly.

Lan Ling's face is even more ugly, and his sword is becoming stronger and stronger.

"Sword sword, kill!"

Lan Lingjiao drank, the war sword waved, burst out countless sword shadows, countless swords burst out, and each one was as long as ten thousand meters.

The whole void was covered with her sword shadow.

Then, countless sword shadows slammed down towards the landing, with immense power.

If Lu Ming didn't break through to the sixth level of Tenjin, Lu Ming must be transformed into an ancient **** of green armor in order to block this trick.

But now, Lu Ming doesn't need to.

"Shenlong Faxiang, Frost Chain..."

Lu Ming's thoughts moved, and he continuously exhibited two kinds of secret techniques, namely, the Dragon Fascination and the Ice Chain.

Roar roar...

The sound of dragon chanting sounded through the sky.

Nine nine-clawed dragons flew out, culling Xiang Mantian sword shadow.

At the same time, nine chains of ice, such as the ice dragon dances, the soul around Lu Ming, the terrible cold, will freeze the space, and blocks of ice appear in the space.

Boom!

The dragon's phase, the first to bear the brunt, collided with the sky sword shadow and exploded continuously.

However, soon, the Nine Divine Dragon Facials collapsed in the Mantian Sword Shadow. Then, the Mantian Sword Shadow slashed on the chain of ice, the endless ice burst, and the chain of ice shook endlessly.

"Broken, Broken..."

Lu Ming's spear continued to pierce, and a burst of guns flew out like a meteor, colliding with Lan Ling's sword shadow.

The void continued to roar, and it took a few minutes before the collision stopped.

Lu Ming backed away for thousands of kilometers, but his breath was stable, and he successfully blocked Lan Ling's sword shadow.

Lan Ling's eyes widened, it was incredible.

At the time, in the ancient city of Xingyue, Lu Ming saw her, only escaped, I am afraid that even her one move can not resist, but now, Lu Ming can actually block her three moves.

The point is, she has used her last trick.

Lu Ming's strength has increased too fast.

"Three strokes!"

Lu Ming spoke lightly.

"I don't believe it, I can't suppress you today!"

Lan Ling became angry and shouted, screaming savagely, a terrifying breath bloomed, and he was going to kill the landing again.

"Now, it's my turn!"

Lu Ming's eyes were cold and he exhibited the nine-day Kunpeng technique. Under a flash, he rushed towards the Blue Spirit. During the process of rushing out, his body swelled up sharply, turning into an ancient **** of green armor.

Uh!

The ancient **** of green armor, several hundred meters tall, is so huge. The blue spirit is like a ant.

Lu Ming opened a big hand and grabbed it towards Lan Ling.

With the palm of his hand, the sky thundered loudly, terrifyingly.

"Sword sword, cut me!"

Lan Ling shouted, Jianying soared into the sky, constantly slashing into Lu Ming's palm.

However, Lu Ming manipulated the chain of ice, wrapped his own palms and strengthened his defense.

With the chain of ice and the double defense of the blue scale armor of the ancient **** of green armor, Lu Ming has no fear of the blue spirit's sword shadow.

With big hands, Lan Ling's sword shadows shattered.

Lan Ling's face changed a lot, and he wanted to retreat. It was too late. As soon as he caught his big hand, he caught Lan Ling in his hand. Lan Ling struggled desperately, but Lu Ming manipulated the divine power, and the terrible divine power poured into Lan Ling's body. Below, Lan Ling Jiao gasped, feeling that the power in his body was almost dissipated, and his body was shocked.

As a result, he was firmly controlled by Lu Ming and was difficult to resist.

After Lu Ming's current cultivation practice, after turning into the ancient **** of green armor, he has been able to completely suppress Lan Ling.

After controlling Lan Ling, Lu Ming's body quickly shrank and became normal, trapping Lan Ling with a chain of ice.

"Let me go, let me go!"

Lan Ling shouted and struggled frantically, but it was useless, and he couldn't get rid of it.

"Release you? You repeatedly want to kill me. I have been chasing and killing me in the ancient city of Xingyue. I saved you behind me. You wanted to kill me just now. You said, will I let you go?"

Lu Ming sneered, step by step, walked to Lan Ling.

"Then... what do you want to do?"

Lan Ling gritted his teeth.

"What do you want to do? What do you say?"

Lu Ming smiled, his gaze walked on Lan Ling's body.

"You... wicked thief, don't you think about it, I tell you, my dad must be watching here, dare you?"

Lan Ling shouted.

"Your dad? Your dad can't wait for me to put you on the spot!"

Lu Ming said lightly.

On the peak of the star, in the other garden of the blue merchant, the blue merchant just took a sip of tea, and all of them were sprayed out at the moment.

"This little guy... what to say!" Lan Shang murmured, embarrassed.

Yes, everything that happened to Lu Ming and Lan Ling is under the blue merchant's attention.

However, Lu Ming's sentence is really right. If Lu Ming really wants to 'give it' to Lan Ling, he really can't help it.

"You...you...nonsense..."

Lan Ling stared at Ming Ming bitterly.

"But rest assured, I'm not interested in you!"

Lu Ming said lightly, let Lan Ling grit her teeth for a while, and somehow, she had an uncomfortable feeling in her heart.

Lu Ming, not interested in her?

Is she so attractive?

I have to say that women's ideas are strange.

"However, punishment is inevitable. I don't feel comfortable unless I teach you anything!"

Lu Ming smiled, then stepped out, extended his slap, and faced Lan Ling's buttocks with a slap.

Snapped!

There was a clear sound, and it came out.

Lan Ling's body suddenly stiffened, and the expression on his face seemed to be stuck in that man's face, staring at the landing stunned.

"Look at it? It feels good, come again!"

After talking, Lu Ming slapped again.

Snapped!

Another clear voice sounded.

This time, Lan Ling finally reacted and screamed, spreading all over the sky.

"Lu Ming, I'm going to kill you!"

Lan Ling's small face turned red, and even the ears, necks and necks turned red, his teeth and claws spread, and he wished to unload Lu Ming.

"It's still so fierce, it seems that the lesson is not enough, come again!"

Lu Ming continued to reach out and photographed.

Snapped! Snapped! Snapped!

This time, three consecutive sounds sounded, making Lan Ling's body completely stiff, and the blushing will drip.

Chapter 3074: Autumn Moon vs Blue Spirit

She was patted by Lu Ming for three consecutive times. Lan Ling's face was even flushed from the neck, and it was about to bleed.

Her body shivered slightly, her eyes glared round, and she wished to eat Lu Ming and Lu Ming.

"Dare to stare, try staring again!"

Lu Ming pouted, Lan Ling still glared.

"Hey, playing through the pants, the feel is not too good, then take it off!"

Lu Ming waved his palm and muttered.

Lan Ling immediately dared not stare, shouting, "No, don't..."

The thought of Lu Ming was really about to take off, she really had even the dead heart.

"Finally begging for mercy, come and talk, will you dare to kill me when you see me?"

Lu Ming asked.

"No, dare not!"

Under Lu Ming's 'kinky prestige', Lan Ling finally served softly. Although she wished to unload Lu Ming in her heart, under such circumstances, she really dared not succeed.

Up to now, her father's blue business did not appear, she knew that the blue business did not appear intentionally, just want to match her and Lu Ming.

Counting on the blue business means that you can't count on it.

She feels like crying, is there such a dad, can't wait to marry her to others, she is not no one wants.

"It's about the same. Give me a little more honesty in the future. I'm Lu Ming also a gentleman, so it's not difficult for you!"

Lu Ming smiled and waved his hand, and the ice chain was put away.

After all, Lan Ling is the daughter of Lan Shang. Even a lesson is enough. If it is too much, it is not good.

Lan Ling gritted his teeth, suffocated, and despised his heart, scolded Lu Ming thousands of times in his heart, just like Lu Ming, he was kind of calling himself a gentleman.

However, Lan Ling hates to hate, but now, she really dare not start, because it is not Lu Ming's opponent.

"Lu Ming, this account, I remember, when I break through the Divine King Realm, I must find it back!"

Lan Ling vowed secretly in his heart.

"Go!"

Lu Ming said a word, stepped down into the air, and continued to go to the other courtyard where he lived. Lan Ling followed behind honestly.

In the blue merchant's other courtyard.

"Hey, I started to be flirtatious, good sign, good sign!"

The blue merchant smiled 'cheaply'.

If Lan Ling sees the expression of Lan Shang, it is estimated that he really has to vomit blood.

...

Soon after, Lu Ming and Lan Ling came to Lu Ming's other courtyard.

"Master!"

In the courtyard, Qiuyue was dancing swords, and when she saw Lu Ming, she flew out immediately.

"Qiuyue, how is your cultivation?"

Lu Ming greeted him and smiled.

"I'm a lot more skilled. I believe it won't take long before I can take full control. This girl is..."

Qiuyue looked at Lan Ling.

Qiuyue recognized Lan Ling. When she came out of the ancient city of Xingyue, Lan Ling kept staring coldly at Ming Ming. Qiuyue also teased Lu Ming.

At this time, Lu Ming and Lan Ling came back together, naturally curious.

"My name is Blue Spirit!"

Lu Ming hadn't spoken yet, Lan Ling stepped out, spoke coldly, and then stared at Landing Ming, said:
"Lu Ming, I can follow you, she, you have to chase away!"

Just a word, Qiuyue.

Qiuyue froze slightly, revealing her curiosity.

Lu Ming frowned, "You are sick, Qiuyue is my wife, why should I drive her away?"

"Just because she is your wife, you have to drive her away!"

Lan Ling gritted his teeth.

"There is a problem with your brain. Do you want to come or not? Come on your own!"

Lu Ming waved his hand, too lazy to ignore Lan Ling.

Keng!

The blue spirit war sword came out of the sheath, and a strong breath pressed towards Qiuyue.

boom!

Lu Ming stepped out in one step, the continuous vibration of the void, and the powerful breath directly destroyed the breath of Lan Ling.

"It seems that the lesson for you is not enough!"

Lu Ming stared at Lan Ling, his eyes flashing coldly.

He doesn't really care about him, but he doesn't do it with Qiuyue, no matter who the opponent is, he will not be polite.

Seeing Lu Ming's expression, Lan Ling was also taken aback, but if she was as stubborn as her, would she retreat?

"Lu Ming, you have to understand, what are you going to do in the future? You are the one to do the big things, the enemies you face are extremely powerful, so the people who follow you must not be waste, Can't drag you down, understand?"

Lan Ling said coldly.

What she meant was obvious, Qiuyue, not qualified to stay beside Ming Ming.

"Go away, go back and tell Lan Merchant, here, I don't need you!"

Lu Ming drank coldly.

"Lu Ming, you..."

Blue Spirit was furious.

From small to big, no one has treated her like this. She is so beautiful. Any man who sees her will be compliant with her, with the exception of Lu Ming.

"Master, since this girl wants to try Qiuyue's strength, let her try it!"

At this time, Qiuyue spoke, stepped out, and landed in front of Lu Ming.

Qiuyue, she is actually arrogant, but she put away her arrogance in front of Lu Ming.

But it does not mean that other people can insult her and underestimate her.

Especially look down on her in front of Lu Ming, thinking that she is not qualified to follow Lu Ming.

Therefore, Qiuyue intends to shoot.

Lu Ming's eyes flickered and did not stop him.

Qiuyue's temper was naturally understood.

And Qiuyue is not the same as before. If you fight in World War I, you may not lose to Lan Ling.

"Okay, be careful!"

Lu Ming urged.

"Ok!"

Qiuyue nodded, facing Lan Ling, and said, "This girl, let's go, try your best to show it!"

"Very good, then let me see, the woman Lu Ming fancy has some skills!"

Lan Ling gritted his teeth and cultivated himself, and it broke to the extreme.

I don't know why. As soon as she saw Lu Ming treat Qiuyue so well, she felt an uncomfortable discomfort in her heart. She wished to defeat Qiuyue immediately and prove that she was stronger than Qiuyue.

call out!

Lan Ling shot, a sword shadow came out violently, the oppressed void rumbled and exploded.

However, at the moment Lan Ling shot, Qiuyue also shot.

The weapon used by Qiuyue is a machete.

The machete cuts out, the sword shines like a moon, and the snow is dazzling.

when!

Daoguang and Jianying were chopped together, inspiring the endless swordsmen and swordsmen, and after a loud noise, the two figures retreated a dozen steps.

In the first move, the two split equally.

Fortunately, Qiuyue, in Lan Ling's eyes, shocked.

She never imagined that Qiuyue's strength was so powerful.

Qiuyue is only the ninth **** of heaven, not only awakening the original divine power factor, but also blocking her attack.

This aroused her vigor even more.

"Come again!"

Lan Lingjiao drank, turned the divine power to the extreme, and used his magic tricks, the sword was determined.

Hey! Hey! call out! ...

Scary sword shadows burst out continuously and cut towards Qiuyue.

There was a long roar in Qiuyue, and there were nine colors of radiance on her body, which combined with the sword technique, turned into a ray of sword and launched a counterattack.

The two stunning beauties, fierce battle in the air, immediately alarmed the people in other courtyards.

Chapter 3075: Conspiracy of the Jin Family

One figure after another flew out of those other courtyards. When he saw the battle between Qiuyue and the Blue Spirit, he was stunned.

Two stunning beauties, fighting in the air, are not only pleasing to the eye, but also terrible in strength.

"Nest, what a terrible strength!"

"The original divine factor, both of them awakened the existence of the original divine factor. God, this is too strong? Who are they, they are so beautiful!"

"I know that a woman who seems to be a new member Lu Ming entered the ancient city of Xingyue and crossed the Tianmen!"

"No, she was the second **** at that time. Now she has reached the 9th god. How did you cultivate?"

"Fairy!"

There is no doubt that Qiuyue's cultivation behavior has shocked everyone, which is really surprising.

Some people even suspected that Qiuyue practiced some kind of hidden cultivation method. When he first entered the ancient city of Xingyue, he concealed cultivation practice.

The top of Xingfeng is closer to the top of Xingfeng. There are some other courtyards here, and the arrogance of Xingkong Camp is also inhabited.

However, these arrogant cultivation practices are even more terrifying, and many have reached the realm of God King.

This is the most terrifying arrogance of the Starry Sky Camp.

However, at the moment these people were also alarmed and flew out of the other courtyard to watch from afar.

"The two beautiful women! What a great strength!"

These people were surprised when they saw it.

There is such strength under the King of God, which is a great threat to them.

when! when! when!

Qiuyue and Lan Ling are still at war, and in a blink of an eye, the two battled hundreds of moves.

Although Qiuyue's cultivation base is weaker, only the **** of heaven has nine weights, but she controls a variety of divine powers to completely make up for the lack of cultivation base.

However, Qiuyue is not as good as Blue Spirit in the understanding of divine skills. However, Qiuyue has the nine-color divine light unique to Jiuqiao Sacred Heart, which will greatly increase Qiuyue's attack power.

For a time, the two were hard to beat.

Qiuyue's original control of divine power was not so familiar. With the war, Qiuyue's control of divine power became more and more familiar, applied, and more and more handy, and his strength became stronger and stronger.

In the end, Qiuyue has slowly gained the upper hand.

"How could this be?"

At this moment, Lan Ling was shocked.

Qiuyue's strength is beyond her expectation. Not only can she fight against her, but she also has the upper hand.

What struck her the most was that Qiuyue's cultivation practice was only the **** of heaven.

Lan Ling has always been invincible at the same level, and there are very few who can fight her at the same level, not to mention that the cultivation base is lower than hers.

Her self-confidence was severely hit.

"The light of extermination!"

Suddenly, Qiuyue whispered, exposing the light of extermination.

Qiuyue will destroy the light of God, attached to the machete, and cut it out with one knife.

when!

This knife was cut on Lan Ling's war sword, causing her war sword to shake violently. The sword energy on it was all dissipated. Lan Ling's body shook, and his body flew backwards. When she came down, there was a ray of blood at the corner of her mouth.

"You lost!"

Qiuyue did not continue to pursue, standing in the air, a clear voice came out.

Lan Ling's face was ugly and dying, and he bit his lip tightly, tears twirling in his eyes.

She also questioned that Qiuyue was not qualified to follow Lu Ming's side. Facts proved that Qiuyue was more qualified than her.

"I lost, but in the future, I will definitely beat you!"

Lan Ling said something, then turned around and left, leaving no face.

When Lan Ling left, Lu Ming was relieved. If Lan Ling insisted on living in his other courtyard, he would have a headache.

"Master, it seems that a pretty girl is thinking of you again!"

Qiuyue came to Lu Ming and smiled slightly.

"What? Are you jealous?"

Lu Ming quipped.

Qiuyue blushed slightly and said, "It's not there. Young Master is so good. There must be many girls who like it. As long as Qiuyue can follow him, he will be satisfied!"

Lu Ming was warm in his heart, took Qiuyue's little hand, and walked into the other courtyard. Afterwards, naturally, it was a 'fight.'

After that, Lan Ling never came again, but Lu Ming was happy to retreat, concentrate on retreat and practice, and comprehend the "Overlord Shootout".

...

To the east of the Starry Sky Camp, there is a land full of spirits, large and large luxurious palaces, built in this place.

This place is the headquarters of the Jin family in the Jiu Jue Tian Wang Mansion.

In a large hall, the head of the Jin family, as well as several strong members of the Jin family, plus Jin Yuan, are discussing matters.

In the hall, the atmosphere was very depressed, and the Jin family head exuded a cold breath.

"I just closed a period of time, and there was such a big thing, saying, who was killed by Jin Xing, who has the courage to dare to kill me Jinjia Tianjiao!"

The deep voice of the owner of the Jin family sounded, and there seemed to be a terrible storm in his voice.

Jin Xing, one of the four masters of the Jin family, has an unlimited future in the future, but now, in the Starry Sky Camp, he was actually killed.

It's strange that he is not angry!

In front of the head of the Jin family, pride is like a gold dollar, and the atmosphere does not dare to breathe at the moment.

"The owner, who killed Jin Xing, is a man named Lu Ming!"

Jin Yuan answered honestly.

"Lu Ming? Which force belongs to Jiu Jue Tian Wang Fu, there is no Lu family!"

Asked the owner of the Jin family.

"This person is not from a family, but from Qin Tianxing domain!"

Jin Yuandao.

"Why could a person in the Qin Tianxing domain kill Jin Xing, and Jin Xing was killed, why didn't you kill the kid to avenge!"

The head of the Jin family stared at Jin Yuan with a dazzling look.

Jin Yuan shuddered, sweating, and replied honestly: "Homeowner, disciple hands on, but...not his opponent!"

"You are not his opponent? Qin Tianxingyu, has such a strong arrogance?"

The owner of the Jin family was slightly surprised.

"This man is extremely evil, he only has the five-fold cultivation practice of the gods, but the excessive strength of the battle, not only defeated me, but also defeated the Tianjiao of other heavenly palaces, and got a treasure..."

Immediately, Jin Yuan talked about what happened in the ancient city of Xingyue in detail.

"There is such a thing!"

The head of the Jin family and several masters of the Jin family were stunned.

They were really shocked.

"Devil, this person must be a demon with great fortune, and such a person, once offended, must be removed!"

The Jinjia owner said coldly.

"However, the other party has been staying in the starry sky camp now, it is not easy to start!"

An old man in the Jin family frowned.

"Homeowner, the elder, this Lu Ming is very close to the Wu family, and in the ancient city of Xingyue, the wing man clan master Yi Xiang offended Lu Ming. Lu Ming always wanted to kill Yi Xiang. The Wu family's people inquired about the news of Yixiang, this may be an opportunity..."

Jin Yuan turned his eyes and proposed.

The eyes of the head of the Jin family were also bright, and said, "You mean, you want to use Lu Xiang to lead Lu Ming out?"

Chapter 3076: Storm brewing

"You want to use Lu Xiang to lead Lu Ming out?"

The owner of the Jin family stared at the landing.

"Yes, if Lu Ming wants to kill Yixiang, he will definitely leave the starry sky camp. When that happens, arrange a few more substitutes for the dead ghost. There is a reason and opportunity to kill him!"

Jin Yuan replied, with a cold murder in his eyes.

"Okay, just do it!"

The head of the Jin family laughed.

"The owner, Lu Ming, also killed the Qin family for several days. This matter can be brought to the Qin family to shoot together!"

Jin Yuandao.

"I understand that I will go to the Yiren family's side. You go to invite the masters of the Qin family to discuss!"

In the end, the head of the Jin family ordered a golden parent to be honest.

The old golden parent led his life and rushed to the Qin family.

The owner of the Jin family rushed to the Yiren family.

In fact, in the past two days, there was a storm in the Qin family. Several top-level arrogances of the Qin family died in Lu Ming's hands. The Qin family's high-level officials were also angry and wanted to deal with Lu Ming.

The people of the Jin family came here naturally, and immediately, the owner of the Qin family went out and rushed to the Yiren family to discuss how to deal with Lu Ming.

In the hall of the Yiren family, the masters of the three great families gathered together, just to discuss with a younger generation.

"What is your solution?"

The winged family head, stared at the gold head and asked.

"Let Yixiang leave the Yiren family and walk outside. It is best to lead Lu Ming to a murderous place in a lively place. Once he kills, we have a hundred reasons to kill him, and Xingkong Camp cannot protect him!"

The Jinjia owner said coldly.

bump!

The family head of the Yiren family slapped the table heavily and stared at the head of the Jin family with unsightly eyes, saying, "You mean, I want to sacrifice my son Yixiang and let Lu Ming kill?"

"Haha, Wing Brother misunderstood, of course not, Master Wing Cheung, it's just bait. You can arrange a master to protect him at Wing Cheung Master, and then arrange for a few unimportant people to be killed by Lu Ming. !"

The owner of the Jin family laughed.

"It's about the same. The kid, who wants to kill me, wants to get rid of it as soon as possible!"

The owner of the Yiren family nodded.

Immediately, the heads of the three major families discussed specific matters.

For all this, Lu Ming did not know.

Over the next ten days, Lu Ming devoted himself to the "Overlord Shootout" and finally made great progress.

The Bawang gun is the first one, he succeeded in cultivation, and then, as long as he slowly nurtures it.

Then, Lu Ming took out the magic skill of "God of War" and watched it carefully.

At this moment, Lu Ming's expression moved and ended his enlightenment.

Just now, he felt that someone had sent a voice to him before he ended his cultivation.

"Yixiang, there is news!"

Lu Mingling swept the jade symbol, and his eyes lit up.

It was Wu Ming who sent him the news.

Before, he asked Wu Ming and others to explore Yixiang's news, but now he finally found out.

Lu Ming left the other courtyard, and really, outside the door, saw Wu Ming, Wu Yue and Wu Zixiong.

"Several Brother Wu, where is Yixiang? Back to the Starry Sky Camp?"

Lu Ming asked.

"No!"

Wu Ming shook his head and said, "We found out that some time ago, Yi Xiang has been nested in the family of Yiren people, but he left the family of Yiren people seven or eight days ago. During this time, he has been active in the Xiangyun area! "

"Xiangyun area!"

Lu Ming's eyes moved.

Coming to Jiu Jue Tian Wang Mansion, Lu Ming naturally understood Jiu Jue Tian Wang Mansion.

The whole planet, the palace of the nine kings, is extremely vast.

However, the above is also divided into different areas.

For example, the core royal palace area of Jiu Jue Tian Wang Fu, as well as the headquarters area of major families.

In addition, there are some areas, where ordinary people gather, or commercial areas, areas for human consumption.

The Xiangyun area is a commercial area, where restaurants, square cities, auction houses, and places of wind and moon have everything and are extremely prosperous.

It is also the area with the largest number of people.

"Brother Lu, that Yixiang, who had been in the family of Yiren before, dared not come out, and then suddenly appeared in the Xiangyun area, swaggering in and out of various restaurants and places of Fengyue all day. I am afraid that there is fraud, and I must not act rashly! "

Wu Zixiong frowned.

Lu Ming nodded.

He also thought of this.

He wanted to kill Yixiang, but Lu Ming also had many enemies. Perhaps, the other party also wanted to kill him.

But in the Starry Sky Camp, the other party is not easy to start, maybe he wants to lead him out, and then kill him.

Lu Ming's thoughts changed sharply, thinking about countermeasures.

Yixiang, he must kill. If he doesn't, he can't breathe easily.

However, it depends on how to kill?

"Well, wait a second, look at the situation and talk!"

Lu Ming said.

He is not an impulsive person, knowing that there may be a conspiracy, and killing him silly.

"This is the best. If anything, we will notify you immediately!"

Wu Mingdao.

"Several thanks, thank you!"

Lu Ming thanked with clenched fists.

"You're welcome, Lu Ming, your business, my Wu family owner already knows, his old man talks and tells you what help, despite the opening, my Wu family will definitely help!"

Wu Zixiong said.

"Wu family head?"

Lu Ming was stunned for a moment. Unexpectedly, all his affairs were passed to the Wu family heads. Perhaps, there was Wu Zifeng's credit.

"Several, thank you, Master Wu, for me. If something is wrong, Lu Ming will not be polite!"

Lu Ming smiled.

Subsequently, Wu Ming several people said goodbye.

After Wu Ming and several people left, Lu Ming was about to return to the room. In the direction of the peak of the star peak, a figure came out of the sky.

"What are you doing again? Didn't you learn enough last time?"

Lu Ming glanced at Lan Ling and said coldly.

"you..."

Blue Aura's chest fluctuated, and she hadn't been so unpopular.

"Lu Ming, you think I want to come, it's my father who wants to see you!"

Lan Ling gritted his teeth.

"Senior Blue Merchant, is it?"

Lu Ming's eyes lit up suddenly.

Has the Blue Merchant found clues from the Night Stalker's storage ring?

"My news has been communicated, whether you come or not, follow you!"

After Lan Ling finished speaking, he turned and walked away, like a proud swan.

Lu Ming smiled slightly, too lazy to ignore Lan Ling, and followed him step by step.

Soon, Lu Ming came to the other garden where the blue merchant lived for the second time.

"Senior, you come to me, but there is a clue about the Jiu Jue God Crystal?"

As soon as he saw the blue merchant, Lu Ming couldn't wait to ask.

"Yes, there are clues!"

Lan Shang smiled slightly and said, "The Night Stalker, it is a good way to seal a projection into an ordinary artifact!"

After talking, in his hands, there appeared a quaint axe.

This axe is just an ordinary top-grade artifact.

"Seal in this axe?"

Lu Ming was surprised.

Chapter 3077: I have found the Nine Wonders Crystal

Looking at the axe in Lanshang's hand, Lu Ming was surprised.

This is indeed an axe of the Night Stalker's storage ring. Lu Ming has also checked it before, and after a few inspections, nothing has been found.

"Look!"

Lan Shang said something, and then the axe floated in the air, and Lan Shang's fingers continued to depict, and a rune flew into the axe.

Buzz!

The axe shook slightly, and a rune appeared on it.

The runes on the axe are intertwined, exuding repeated brilliance, which forms a projection in the air.

"That's the Night Stalker, and the Dark Ice Clan!"

Lu Ming saw the shadow of the night demon king on the projection.

Moreover, there are several figures beside the night demon king, but the dark ice clan.

Lu Ming had seen people from the Dark Ice tribe, so he could recognize them at a glance.

However, both the Night Stalker and the Dark Ice Clan are respectful of several figures.

Those figures, covered in black robes, couldn't see clearly.

"This time, we will arrange it. When the time comes, Nine Jue God Crystal will be hidden by your Dark Ice Clan!"

Among them, a black robe spoke.

Lu Ming's eyes lit up, and he was really negotiating about the theft of the Jiu Jue God Crystal.

Several Dark Ice tribes, as well as the Night Stalker, naturally bowed back and forth.

Several people discussed it again, all about the theft of Jiu Jue God Crystal, but unfortunately, from beginning to end, they did not know the identity of several black robes.

"Nine Jue God Crystal, it really belongs to the Dark Ice Clan!"

Lu Ming's eyes lit up, showing joy.

Although I don't know who is colluding with the Dark Ice Clan, I finally found the whereabouts of the Nine Jue God Crystal. As long as the Dark Ice Clan is exterminated and the Nine Jue God Crystal is recaptured, Qin Tianxing Realm will be fine.

"Lu Ming, what are you going to do?"

Blue Business asked.

"How to do it? Of course, take this projection and make it public!"

Lu Ming said.

"It's too simple to do this. We may be able to plan and elicit the forces that colluded with the Dark Ice Clan and wiped it out!"

Lan Shang smiled.

"Leading people behind the scenes? I think so, but what is the way?"

Lu Ming asked.

"This, it's up to you to think about it, I just propose it!"

Lan Shang smiled, just like an old fox.

Lu Ming was speechless, but at the next moment, his eyes lit up and he thought of a method.

Lu Ming had been intercepted by a group of people when he first came to Jiu Jue Tian Wang Mansion.

Now that I think about it, the other party probably guessed that there was evidence in the Night Stalker storage ring.

However, the other party probably does not know the evidence left by Night Stalker, what is it?

Perhaps I don't know anything about Fang. The evidence left by the Night Stalker only reveals the Dark Ice tribe, but not the people behind the scenes.

The other party did not know, so he rushed to kill Lu Ming and snatched the evidence.

Well, based on this, it may be possible to use the evidence left by Night Stalker to lead the other party out, or to blackmail the other party to admit it.

Moreover, Lu Ming suspects that the person behind this scene is probably the Jin family or the Qin family.

After Lu Ming came to the Starry Sky Camp, he was targeted by these two everywhere and wanted to kill him everywhere.

Perhaps the other party wanted to kill him and take away the Night Stalker's storage ring.

"Then this time, the Yixiang thing may be used..."

Lu Ming's thoughts turned around.

Yi Xiang suddenly swayed outside, and Lu Ming suspected that it was likely to join forces with the Jin family and the Qin family, trying to attract him out, and then kill him.

So, can he just take the plan and make things bigger, and then blackmail the other party and let the other party show themselves.

However, in order to carry out this plan, he must have strong power behind him, otherwise, the plan has not yet been launched, I am afraid that he will be slapped by the other party.

Thinking of this, Lu Ming told the blue business about Yixiang and his plan.

"Yes, yes, this is a good way..."

After listening to the blue business, he nodded again and again, watching Landing Ming's gaze, becoming more satisfied.

Being able to think of such a method in such a short time is not something that ordinary people can do.

If you want to reverse the case for Jingyu, you need not only strength, but also a mind. Without a mind, you can't go far.

"Okay, just follow this plan. Your safety will be given to Uncle Lan!"

Lan Shang smiled, full of confidence.

"However, if you want to make things bigger, only I can't do it. You have a good relationship with the Wu family, you can borrow their power!"

Then, Lan Shang reminded again.

"it is good!"

Lu Ming nodded, then discussed the details of the plan with Lan Shang, and then left here.

Afterwards, Lu Ming found Wu Ming and Wu Yue, and repeated his plan.

"Okay, this matter, leave it to us, and we will send a message to Master Zifeng!"

Wu Mingdao.

Immediately, Wu Ming sealed the news to Wu Zi.

Soon after, Wu Ming got a reply.

"Brother Lu, you can rest assured that the owner of the house will help you. If necessary, the owner of the house will take action in person!"

Wu Mingdao.

"Thank you!"

Lu Ming was overjoyed.

With the help of the Wu family, this time the plan can be carried out smoothly.

"Yixiang, your life, I want it!"

A cold light flashed in Lu Ming's eyes.

...

Xiangyun area is the largest commercial area of Jiu Jue Tian Wang Fu.

Here, the streets are vertical and horizontal, and the shops are in a forest, which brings together a large population and is extremely prosperous.

The Yunzhong Building is the largest restaurant in the Xiangyun area, but it is also a land of wind and moon.

The Yunzhong Tower, as its name suggests, floats in the clouds all year round, and the area is very large.

Anyone who drinks here will be accompanied by a young and beautiful girl, and the wine and food are also unique, naturally attracting a large number of customers.

On the third floor of Yunzhong Building, the area is very huge. The luxurious tables and chairs are almost filled with guests.

On one of the tables and chairs, Yixiang and some friends are drinking.

Beside them, there was a beautiful woman.

Yi Xiang hugged a young woman, and the devil's claws walked around her, causing the woman to smile.

"Hahaha, come, beauty, have a drink with me!"

Yixiang laughed, picked up the glass, and asked the woman to drink it.

"Master Yixiang's wine, the slave family is welcome!"

The woman took the glass and drank it.

"Okay, good wine!"

Yixiang clapped his hands in praise, wantonly arrogant.

But occasionally, in the depths of his eyes, a ray of sharp light flashed, glancing around.

"Lu Ming, I hope you can appear. Once you appear, it is your death!"

Yi Xiang roared in his heart, and his chances were infinite.

Before, because he was afraid of Lu Ming, he was hiding in the Yiren family, and even the Starry Sky Camp dared not return. This matter has become his laughing stock.

He hated Lu Ming, he could be described as a bone.

Chapter 3078: Strong shot

This time, the reason why Yixiang swung to the Xiangyun area was to attract Lu Ming out.

Once Lu Ming came out, it was his death.

It's just that for several days, Lu Ming hasn't come yet, which makes him anxious.

"This guy, who said he was going to kill me, but he didn't dare to show up, was also a waste!"

"Huh, but this useless woman is really beautiful. I have a chance, I must get that woman and play with it!"

Wing Cheung's mind turned vicious, and when he thought of Qiuyue's extraordinary beauty and perfect look, his eyes showed a blazing flame.

Compared with Qiuyue, he suddenly felt that the beautiful women in his arms were vulgar and vulgar, and there was no way to compare them, one heaven and one underground.

Stepping on...

At this time, the footsteps of the stairs heard the sound of unhurried footsteps spreading across the entire third floor.

Many people looked curiously towards the stairs.

This is the palace of Jiu Jue Tian Wang. The worst people all have a virtual **** realm. People who reach this realm still have footsteps wherever they walk.

But now, when someone walks and makes such symmetrical footsteps, it is obviously intentional, and naturally attracts the attention of others.

Soon, a young man appeared from the stairs and slowly walked to the third floor.

"Lu... Ming!"

Seeing this young man, Yi Xiang's eyes lit up and slowly spit out two words.

That's right, this young man who came up from the stairs was Lu Ming.

Lu Ming walked up to the third floor step by step, his eyes locked on Yi Xiang at once, and then stepped out, the cold killer, unexplainedly diffused out, pressed toward Yi Xiang.

"Yixiang, you finally won't shrink in the family of Yiren people, very well, today is your death time!"

Lu Ming spoke coldly, his voice cold.

In the restaurant, many people felt a shock in their hearts, and a sound of discussion sounded.

"Who is this kid? Want to kill Yixiang?"

"Yixiang is the young man of the Yiren family, this person is really bold and unwilling to live!"

"And Yixiang's self-cultivation behavior is also extremely amazing. This kid, looking at the breath, is not very high-cultivation, and wants to kill Yixiang, not self-confidence!"

"Look, there is lively to watch!"

In the restaurant, there was a lot of discussion, and the look of the bustling was not too big.

"Bold, kid, what are you saying?"

Before Yi Xiang opened his mouth, a young man in his thirties suddenly slapped the table, and then got up, a violent breath, squeezing towards the landing.

Half Step God Realm!

This young man in his thirties looks like a half-step God King Realm.

"This kid wants to kill Young Master Xiang, it seems that he is living impatiently!"

On the side, another young man spoke coldly, and it looked like he was in his thirties.

However, these young people had exceeded their ages and had not joined the Starry Sky Camp. Naturally, they did not know Lu Ming's record. Otherwise, they would not dare to speak like that.

"Lu Ming, do you want to kill me?"

Yi Xiang said lightly, still drinking, his face calm.

He just waited for Lu Ming to come, naturally he didn't panic at all.

"Nonsense, dare to move me Lu Ming's woman, your ending is already doomed!"

Lu Ming said coldly, after talking, stepping forward, the killing was more intense.

Uh!

Suddenly, a young man appeared in front of Lu Ming, and the violent breath kept pressing against Lu Ming.

"I spoke to you, didn't you hear?"

The young man grumbled.

"Don't want to die, get out!"

Lu Ming drank coldly.

"Boy, what are you talking about? Looking for death!"

The young man snorted coldly, turning his fingers into claws, and one clawed toward the landing head.

At the moment of grabbing, the young man's claws turned golden yellow, and the claws pierced the air, making a terrible roar.

"The people of the Jin family, hehe, it seems that the layout led me out!"

Lu Ming sneered, and then punched out.

Roar!

In Lu Ming's fist, there was a Long Yin, and then a nine-claw Shenlong rushed out and collided with the young man's claws.

At the next moment, the young man uttered a screaming scream, because his claws exploded directly.

Then the nine-clawed dragon kept rushing towards the young man, and the dragon claw strenuously tore the young man's body directly.

Jinjia youth, fell!

In the restaurant, there was a slight silence, and many people showed a surprised expression.

Unexpectedly, Lu Ming's strength is so powerful, and when he raised his hand, he killed a half-step **** king.

"Lu Ming, you dare to kill, find death, find death, shoot, kill him together!"

Yixiang roared.

Of course, he pretended to be violent, and Lu Ming was killing people, just as he intended.

These people around him were originally sent to die.

When Lu Ming killed people, they had a hundred reasons to kill Lu Ming, and Starry Sky Camp had nothing to say.

"kill!"

"Slain this kid!"

Beside Yixiang, three young men roared, and a violent breath broke out, rushing to Lu Ming.

These three people didn't know Yi Xiang's strategy at all. When they saw Lu Ming dared to kill them, they were furious and killed Lu Ming.

"Really dead!"

Lu Ming spoke indifferently, a spear appeared in his hand, the spear shocked, and the gun burst out.

puff! puff! puff!

The three guns easily defeated the opponent's attack and penetrated the opponent's eyebrows.

The three young masters were instantly killed.

"Yixiang, it's your turn now!"

Lu Ming's indifferent gaze stared at Yixiang. The spear shook, and another gun stab at Yixiang.

At this time, only one young man was left beside Yixiang.

This young man also looked like he was in his thirties, with a pair of wings behind him.

At this moment, the young winged man moved, and his figure flashed before him, and a wing swept out like a blade.

boom!

The wings were chopped on Lu Ming's guns, and they directly crushed Lu Ming's guns.

boom!

Then, there was a violent breath filled with this person, and the restaurant was immediately shrouded by a terrible pressure.

"It's the God King!"

"Still the second king!"

Some people exclaimed.

This young winged man has the double cultivation of the **** king.

"Sure enough, there are masters around!"

Lu Ming's eyes moved.

He had long known that it would not be so easy to kill Yixiang this time, and beside him, he really arranged a master.

"Lu Ming, you are so brave, and you dare to commit murder in broad daylight. This time, the Starry Sky Camp cannot protect you!"

Yixiang finally got up and yelled at landing.

"It's true, plain and unscrupulous murder, and also killing the people of my Jin family, the crime should be dead!"

At this time, a voice came from the building.

There are five floors in the Yunzhong Building, and the sound comes from the fourth floor.

The voice hadn't fallen yet, his figure flickered, and beside him, there were already more people.

The one headed, wearing a golden robe, has a handsome and cold face, and is one of the four masters of the Jin family, Jin Yuan.

Beside Jin Yuan, followed by several middle-aged men, the breath was as thick as a mountain.

Chapter 3079: King of Gods

Jin Yuan appeared beside Yixiang with a few big men, staring coldly at the landing.

"Has it finally appeared?"

Lu Ming whispered, with a sneer in the corner of his mouth.

Seeing Jin Yuan, Lu Ming knew that he guessed right, and the other party had deliberately arranged it to attract him.

"It seems that you have been waiting for me here!"

Lu Ming spoke lightly.

"Lu Ming, you have no reason to kill my Jin family, and you want to kill Brother Yixiang. It's a bold and generous act. Where are you going to be the King of the Nine Heavens? Now, you don't even have to fight, do you still want to wait for us? "

Jin Yuan sneered and sneered.

The people just now were all from the Jin family, but the talents were so ordinary that they were launched by the Jin family and let Lu Ming deliberately kill them.

Lu Ming was the first to kill people, and then they killed Lu Ming, and no one would say anything, even if Lu Ming was a Star Camp.

Sure enough, Lu Ming calculated that everything went in the direction they envisioned.

"Jin Yuan, you called so loudly, then come, you come to take me, see your defeat, can you take me?"

Lu Ming looked at Jin Yuan lightly, with a mockery on his face.

This remark made other people in the restaurant surprised.

"What does Lu Ming mean? Did he beat Jin Yuan?"

"No, Jin Yuan is one of the four masters known as the Jin family. He awakened the original divine power factor early. This Lu Ming can defeat Jin Yuan?"

"It is possible, otherwise would Lu Ming dare to say so?"

The people in the restaurant had a lot of discussions, and their eyes were constantly glancing at Jin Yuan and Lu Ming.

Jin Yuan's face was extremely gloomy and his murderous chance was extremely strong.

"Lu Ming, now is not the time to fight alone with you, you are now the person who killed my Jin family, it is when you pay your life, come and come and take me down for him!"

Jin Yuan waved his hand.

boom!

Next to Jin Yuan, a big man stepped out, his body burst into a strong breath.

This is a strong man with a heavy weight, and his breath is as thick as a mountain. His skin expression is golden and shiny like a golden person.

boom!

King Jinjia, slamming toward the landing with a palm, the violent vibration of the void, the violent force, like the wave, pressed against Lu Ming.

Lu Ming felt it as soon as he shot it. Although the Jin Family, the King of God, is similar to the Night Stalker, but its combat power must definitely be above the Night Stalker.

In an instant, all the divine power in Lu Ming exploded, and triggered the war word tactics four times the combat power.

"Cut the moon!"

A low drink came from Lu Ming's mouth, and then a crescent-shaped spear burst out.

when!

The crescent-shaped spears were bombarded with the palms of King Jinjia, and a dull roar erupted. Where the two collided, the strength swept across the world like tide.

The whole restaurant shuddered, but at the next moment, the walls of the restaurant and the floor were filled with ambilight, and dense runes appeared, blocking all the overflowing energy waves.

The Yunzhong Building, the largest restaurant in the Xiangyun area, has a very different origin. It is supported by great forces behind it. The entire restaurant is a treasure, full of large formations, without fear of others fighting in it.

However, the precious tables and chairs on the side of the two did not have a large array of guards. In the wave of power of the two, they turned into a fan.

The others in the restaurant also retreated one after another.

However, there are also masters among them. The King of Gods is not a few, and they are running their magical powers, blocking Lu Ming's aftermath of their attacks.

Buzz!

The long spear in Lu Ming's hand kept shaking, and a powerful force came in, making Lu Ming's figure drift back.

And the other person's figure just flicked a little, and then he stabilized.

It didn't turn into an ancient **** body, and Lu Ming fell slightly in the frontal battle.

But it also shocked others.

Now, many people see Lu Ming's cultivation behavior clearly. Lu Ming's cultivation behavior is only the sixfold of the **** of heaven.

"kill!"

After the King of Jinjia repelled Lu Ming, he immediately launched a fierce attack. The golden palm broke the air and killed Lu Ming. The offensive was like a storm.

However, Lu Ming did not confront him hard. He exhibited Jiutian Kunpeng. His body expression showed a Jiutian Kunpeng. His figure flashed, and Lu Ming's figure flew towards Yixiang.

Yixiang, this time, he will kill!

Uh!

Lu Ming's speed was astonishing. He rushed towards Yixiang like a lightning bolt. Before he arrived, he was the first to kill Yixiang.

"help me!"

Yixiang was shocked.

By the side of Yixiang, the **** king of the winged human race had been prepared for a long time. Thunder wing fanned out like a blade, slashing towards Lu Ming's gunman, and defeated Lu Ming's gunman.

However, immediately there were nine chains of ice, such as long snakes flying, sweeping towards Yixiang.

"court death!"

The Wing Human Race God King screamed and burst into a powerful breath, covered with lightning.

boom! boom! boom! ...

On his body, there was a lightning bolt thick and thin, which struck the chain of ice.

The dense roar sounded, and nine ice chains exploded continuously. In an instant, all nine ice chains exploded, dissipating into a burst of cold air.

The winged human king is a powerful king with a double king.

The Divine King is twofold, its strength is really strong, and it is one heavier than the Divine King, so much stronger.

The so-called Guanda level crushed people, this sentence is also suitable for describing the God King Realm.

In the realm of God King, cultivation is one higher, and it is absolutely possible to suppress the existence of the lower one with absolute advantages. Even if the general arrogance controlling the divine power, it is difficult to leapfrog.

Unless some extremely arrogant arrogance, it can be done.

Therefore, the tenacity of your ice chain is defeated by the other party.

"kill!"

Then, the other party drank coldly, pressed his palm, and thundered to Lu Ming.

However, when the opponent started, Lu Ming shook his figure and rushed to the other side.

This time, instead of killing Xiangxiang, it's...Jin Yuan!

Yes, this time, Lu Ming killed Jin Yuan.

In fact, the reason he just launched an attack on Yixiang was only an illusion. His real target was Jin Yuan.

In the process of rushing out, Lu Ming's body bulged sharply.

Lu Ming is turning into an ancient **** body.

Curiously, the height of the third floor of the restaurant was originally only ten meters.

However, as Lu Ming's body heightened sharply, the height of the restaurant also rose sharply, and finally it became several hundred meters high, and its length and width also became several times larger.

In the Yunzhong Building, there are often conflicts, and even hands-on battles, of all races and sizes.

Therefore, the entire Yunzhong Building is a treasure, not only covered with formations, but also changes in size freely.

Buzz!

After turning into an ancient **** body, Lu Ming's combat power skyrocketed, and his spear swept out, sweeping toward Jin Yuan.

The spear hasn't arrived yet, the terrible wave of strength, Jin Yuan's face that has been pressed has changed wildly.

Chapter 3080: Frightened

"Broken hand of the void!"

The King of Jinjia, who had previously worked with Lu Ming, shouted, his palms glowed, cast off the hands of the void, and slammed into Lu Ming.

Boom!

The attack of the two men bombarded together again.

This time, the wave of strength ignited was even more terrifying and swept the Quartet.

Then, a figure retreated and vomited blood.

This time, the king of the Jin family retreated.

Jinjia Shenwang, a heavy practice for God King, although stronger than the Night Stalker, but not much stronger. When Lu Ming did not turn into an ancient **** body, although it fell in the downwind, it fell only slightly. Once turned into an ancient **** body, the combat power completely surpassed the opponent.

what?

Seeing this scene, all the people around them widened their eyes.

The strength of Lu Ming's exposure just now is terrifying, but now, the strength of Lu Ming's exposure can only be described by shocking vulgarity.

One stroke, wounded a **** king.

After Lu Ming injured the opponent, he continued to step forward, and his violent momentum swept toward Jin Yuan like a storm.

Jin Yuan's face changed wildly and became extremely ugly.

Lu Ming's strength has been greatly improved compared to when he was in Xingyue Ancient City, which makes him envious and jealous.

"Kill, kill me, shoot together!"

Jin Yuan shouted.

"kill!"

"kill!"

Several big men around Jin Yuan shouted and shot together, one after another bursting out of breath.

All of these big men have the realm of God King.

They radiated golden light all over, and slammed towards the landing together.

"Ice Chain!"

As soon as Lu Ming thought, nine ice chains condensed out again and flew towards the front, blocking the attacks of several big men in the Jin family.

The **** king is heavy, and it can't break the chains of ice.

Blocking the attacks of several people with a chain of ice, then Lu Ming stared at one and killed.

"Cut the moon!"

Lu Ming shouted, almost using all his strength, and shot at one of the big men.

Lu Ming is now striving to cut the moon with all his strength, how amazing the power is, he broke through this big man's defense at once, splitting his body in half.

A **** king, fell!

This is the first time Lu Ming has used his own strength to slash the God King.

At first, although Lu Ming killed the Night Stalker, that was Lu Ming's sneak attack, and the Night Stalker was killed by Lu Ming when he was seriously injured.

Now, Lu Ming completely depends on his own strength to kill the other party.

how is this possible?

This scene shocked Jin Yuan and others.

"kill!"

Lu Ming Changxiao, momentum like crazy, mad vibration of the spear, constantly slashing out.

In an instant, Lu Ming exhibited three strokes of 'cutting the moon', three crescent-shaped spears that cut to the three great men.

Although the three heroes were prepared and tried their best to defend, they were still hit hard and flew out, coughing up blood.

Such as Jin Yuan and other figures, the combat power is enough to fight a **** with a heavy weight, and even can prevail.

And Lu Ming was enough to crush Jin Yuan when Tianshen was fivefold, and even defeat the stronger Chu Baxing and others.

Now, Lu Ming has broken through to the sixth level of Tenjin. Compared with when he was in the ancient city of Xingyue, his combat strength is stronger. It is easy to deal with the general **** king.

Several consecutive King Shen's heavy guards were killed by the killing, the heavy damage was the heavy damage, Jin Yuanxi shivered, and quickly retreated.

"Jin Yuan, die!"

Lu Ming spoke indifferently, stepped out in one step, and the spear pressed down with the pressure of Mount Tai.

Jin Yuan was shocked and was about to fight with all his strength. At this time, a figure suddenly rushed from the other side, standing in front of Jin Yuan, and the whole body was filled with dazzling golden light.

Boom!

The man hit with a palm and hit the spear. Lu Ming felt a strong force coming from the spear. His body was shocked and he could not help backing up again and again.

"Divine King Double!"

Lu Ming's eyes narrowed slightly.

The person who shot at the back is also a big man, and undoubtedly the master of the Jin family.

Jin family, there is also the double existence of God King mixed in the restaurant.

"God king double, ha ha ha, kill, kill that kid!"

Jin Yuan hysterically shouted, just now, he was almost scared to urinate by Lu Ming.

"Master Jin Yuan rest assured, today, he is dead!"

The masters of the Jin family are so cold that they are as dazzling as a golden person.

Divine King is double, much stronger than Divine King.

Although Lu Ming was able to kill the existence of God King Yizhong, it was definitely not the opponent of God King II.

Divine King is double, against Divine King is definitely a spike, there is no suspense.

bump!

Jin Jiashen Wang's double master, stepped, his body rushed towards the landing blast, a palm blasted out, a huge palm print, slammed toward the landing blast, the trembling emptiness tremored.

The same is the hand that breaks the void, and the second king of the gods is displayed, which is much stronger than the first king of the gods.

However, Lu Ming did not shy away, and his body moved towards the other party.

"He's crazy!"

A thought flashed through many people's hearts, thinking Lu Ming was crazy.

With Lu Ming's fighting power, it was obviously not the opponent of God King's Double, but he dared to rush towards the other party, didn't he die?

"court death!"

The fierce colors flashed in Jin Yuan's eyes.

"dead!"

The master of the second king of Jin Family God, screamed, and his palm strength was stronger.

"Ball!"

At this time, Lu Ming snorted.

Then, it turned into a ball with bracelet on Lu Ming's wrist and moved.

Uh!

The ball rushed out directly and turned into a round ball. On the round body, a tentacle was stretched out and turned into a battle knife, which came out in one fell swoop.

The ball of the ball turned into the palm print of the master of the Jin family, and the palm print condensed by the master of the Jin family was completely unbearable. It was cut in half like tofu.

"this is..."

This scene shocked the masters of the Jin family.

He gave it his full strength, how powerful it was, and was easily broken by a metal ball.

He was so shocked that he was doomed.

The ball was like an electric light, rushed to the master of the Jin family, and the sword continued to be cut.

"what!"

The master of the Jin family only made a roar, and as soon as a layer of defense was laid, he was struck by the ball.

Poof!

The defense of the masters of the Jin family was like paper, and the whole person was directly split into two halves and fell on the spot.

The strength of the ball is terrible, even in the God Realm, you can kill the enemy across levels.

Now, the ball breaks through to the double of the king of God, and kills a person of the same level, with ease.

"This this..."

Seeing this scene, Jin Yuan was completely stunned, and his mind became a paste, completely stunned.

He could not have imagined that a **** king double strongman of the Jin family was so beheaded.

"Run, run..."

The next moment, he roared wildly in his heart, trying to back away and escape.

But Lu Ming, how can he make him wish?

boom!

A huge spear, pressed down on Jin Yuan.
