

D Emperor 3081

Chapter 3081: Beheaded

Lu Ming blasted out with one shot, and a huge rifle pressed toward Jin Yuan.

Jin Yuan was panicked at the moment, and was in a state of chaos. He hurried to resist, but he couldn't even play half of his strength. Finally, he only uttered a scream and was blasted by Lu Ming.

Jin Yuan, fall!

The others in the restaurant gasped in shock, terrified.

event!

They knew that something big happened today.

Several kings of the Jin family have been killed in a row, and now even Jin Yuan, one of the four masters of the Jin family, has been killed. The Jin family knows that it may be crazy.

At the same time, he was also shocked by Lu Ming's horror. The strongman who had just killed the first king of the Jin Family God has now killed even the second king of God.

"Metal life, that's metal life!"

"No wonder, I didn't feel the slightest breath before!"

Some people talked.

"go!"

At this moment, the master of the second king of Yiren clan, with Yixiang, burst out, rushed to the window on the side of the restaurant, and flew out of the window.

Lu Ming had just killed the masters of Jin family and Jin Yuan, Yi Xiang had been scared, and the master of the double king of God, who did not dare to stay, fled with Yi Xiang.

Missed, they knew that they missed, and did not expect Lu Ming to have a terrible metal life.

"Want to escape, today, stay together!"

Lu Ming drank coldly, took the ball, and his figure flashed out of the window.

boom!

As soon as he burst out of the window, Lu Ming shot out.

A huge spearman, like a vast and boundless mountain range, was pressed towards the masters of Yixiang and Yiren.

The airflow of the void was driven, making a violent sound, which alarmed the people nearby.

Nearby, everyone stopped to watch.

"cut!"

When the wings of the Wing-Man clan swayed their wings, a sharp edge was cut into the sky, defeating Lu Ming's gun.

But his speed was also blocked, and his speed was greatly reduced.

The ball seized the opportunity, flew out, and immediately caught up with the two Yixiang.

"Master, you go first!"

The winged human master shouted, turned back suddenly, a pair of wings grew suddenly, filled with infinite thunder, and then the infinite thunder slashed towards the ball.

However, the Thunder has no effect on the ball.

The ball itself carries a terrifying thunder, which is infinitely powerful, so these thunders are directly absorbed by the ball as soon as they hit the body of the ball.

The ball was not hindered by a little bit, the figure rushed past, and then slashed towards the wing human master.

This person did not expect that lightning was useless to the ball at all.

Poof!

The ball was cut with a knife, and the person was cut in half.

"what!"

Yi Xiang screamed terribly.

"It's your turn!"

Lu Ming spoke indifferently, stepped out, and killed toward Yixiang.

"Bold!"

"you wanna die!"

At this moment, there were several roaring sounds all around, and then a few terrifying breaths filled the landing sounds.

Suppressed by these breaths, Lu Ming's body was violently shaken, as if he had been pressed against several gods, almost letting him vomit blood.

Then, a few figures rushed over at a terrible speed, and a flicker came to the side of Yixiang.

A total of three people, three big men!

One is wearing a gold robe, one has thunder wings on the back, and one has scales on the brow.

One is from the Jin family, one is from the Yiren clan, and the other is from the Qin family.

These three people had been guarding on the edge of the Yunzhong building before, but Lu Ming had just killed him, and the ball beheaded the winged human masters. It happened too fast, and even these masters did not react.

After the Wing Terran masters were killed, they reacted and rushed to protect Yixiang in the middle.

"God king triple!"

Lu Ming's face dimmed.

These three people are the three strongest kings of God, and their strength is simply amazing.

With Lu Ming's strength, I am afraid that the existence of the triple **** of the King of Gods will be killed by a stroke.

"Hahaha, arrived, they finally arrived!"

Yi Xiang breathed a sigh of relief, then laughed wildly in his heart, his eyes full of grimace.

"Kill, kill this kid, he killed Jin Yuan, Jin Yuan was killed by him!"

Yixiang screamed.

"What? Jin Yuan was killed by him? Damn it!"

Among them, the big man of the Jin family heard this news and issued a violent roar. A breath like a volcano erupted on his body. The anger was skyrocketing, and the killing was extremely cold.

His body was trembling slightly with anger, and he stared deadly.

Missed, they missed.

They have been guarding near the Yunzhong Tower, watching Landing Ming enter the Yunzhong Tower.

They saw Lu Ming entered the Yunzhong Building alone, so they did not follow up the Yunzhong Building.

There are several **** kings in Yunzhong Tower, and several **** kings are one. It is easy to deal with Lu Ming.

If a master enters with Landing Ming, then they must also enter the Yunzhong Building.

They did not expect that Lu Ming actually followed a metal life.

The life of metal is very peculiar. It is worn on Lu Ming like a piece of jewelry. Unless it is carefully sensed, it can be perceived as greasy.

So they knew that they made a mistake and ran away Jin Yuan.

"Boy, I want to put you down!"

The master of the triple king of Jin family roared, and the violent breath locked Lu Ming. Lu Ming's body seemed to be suppressed by the mountain, and it was difficult to move.

"Ball..."

Lu Ming transmitted the ball to the ball. The ball flew back to Lu Ming's side and turned into a bracelet. It was carried on Lu Ming's wrist. With the help of the ball, Lu Ming's arm shook and broke the opponent's breath.

But at the next moment, the master of the Jin family stepped out, like a golden rainbow rushing towards Lu Ming. His palm turned into golden yellow, and he took a shot towards the landing Ming.

The void made a loud violent noise, terrible strength, like a tsunami.

Divine King is triple, and the divine power is extremely amazing, far more than Divine King.

"Ball, it's up to you!"

Lu Ming passed the ball to the ball.

"Relax, a **** king is only three times, give it to me!"

The sound of the ball sounded, and then the body wriggled, wrapping Lu Ming's fist.

Lu Ming put away his spear and banged out with a punch.

Squeak...

After Lu Ming blasted out, the ball was filled with lightning.

boom!

Lu Ming's fist blasted with the palm seal of the King of the Golden Family Triple King, and a terrifying roar erupted. A terrible wave almost flew out of the Yunzhong Building.

Creak...

The ball is full of thunder. This kind of thunder comes from the bronze of the ancient **** world. It is ancient and powerful, and it is extremely terrifying.

The Thunder flashed and smashed the palm of the Golden Master in one fell swoop, and then the Thunder continued to bombard the Golden Master.

The triple master of Jinjiashen King was hit by a thunder, trembling all over, his body receding again and again, his body tingled and almost vomiting blood.

Chapter 3082: Master move

Lu Ming retired from the master of the Jin family with a boxing fight. This scene almost scared Yi Xiang to death.

"Shoot, you shoot together and kill this kid together!"

Yixiang shouted.

"This kid is evil, let's go together!"

The master of the Triple King of the Jin Family also said.

boom! boom!

The triple master of the God King of the Wing Human Race, the master of the Qin family, also shot at the same time, and an amazing breath broke out.

The three masters of the triple king of the gods shot together, and the momentum was shocking.

Originally, some people on the side watched, and at this time they were constantly retreating, afraid of being affected.

"Come on, come on!"

But at this moment, Yi Xiang shouted at the distance.

I don't know why, he still has a deep heart, mainly because Lu Ming has brought too much fear, even if the three masters of the three kings and triple masters protect him, he still has no heart.

He knew that there must be masters of the three great families around him, and even stronger ones.

These people are used just in case, in the plan, there is no need to shoot.

To deal with a person in the heavenly realm, it is already out of order to mobilize the king of the gods. Isn't it a smirk to mobilize the stronger.

But now, Yixiang only feels very panicked, hoping to call for more powerful people.

"Broken hand of the void!"

"Seven hurt fists!"

"Thunder Slash!"

When Yixiang roared, the three masters shot together, and the three tricks drove past the landing.

Faced with such an attack, let's not say that Lu Ming is just a little god, even if the general **** king is double, there will definitely be no **** to be beaten.

However, Lu Ming has the ball.

"I'm about to explode!"

The ball shouted.

"bring it on!"

Lu Ming snorted and punched.

Creak...

On the ball, there was a terrifying thunder, and the power of the infinite thunder turned into three thunder knives, which were cut out against the three.

This is the ball's trick, the ball has used all its strength.

boom! boom! boom!

Three consecutive roars, and then several screams rang out.

Then, three figures retreated.

There are two figures in it. After the retreat, they fell directly to the ground, covered with black, without any breath.

died!

Two people were directly killed by the ball.

These two are the master of the Jin family and the master of the Qin family.

The ball used all its strength to explode all the thunder power. That kind of thunder was really terrible. It killed the two **** kings in one fell swoop.

Only the **** king of the winged human race saved his life.

But the situation is also very miserable, because the King of the Winged Human Race also controls Thunder, so it has a stronger resistance to Thunder, but although it is not dead, it is also black, like a piece of black charcoal. Half dead.

"me..."

This time, Yixiang was almost scared to pee. His face was pale and he was trembling.

"This time, see who else will save you!"

Lu Ming stepped out, came to Yixiang's side, grabbed his big hand, and grabbed Yixiang.

"No, dad, dad, save me!"

Yixiang shouted hysterically.

"Release my young master!"

At this time, a long roar came from not far away, which shattered the sky, and the whole Xiangyun area of the earthquake shook, and then, a figure, a terrible speed, rushed towards this side.

The figure has not yet arrived, the terrible breath has already rushed like a wave.

This breath is several times more terrible than the God Triple.

Yixiang shouted just now, and the strong man who was guarding the neighborhood came.

"Sure enough, there are masters, but it is too late!"

A cold light flashed in Lu Ming's eyes, and the big hand grabbed it down, and the violent force crushed to Yixiang. Yixiang only issued an unwilling scream, and vanished in Lu Ming's big hands.

"you wanna die!"

The rushing voice made a terrifying roar, a terrible sharp edge, with the power of thunder, slammed toward the landing, and wanted to kill Lu Ming.

The person who rushed was a master of the Yiren clan family. He heard Yixiang's cry and rushed immediately. He didn't expect to take a step slower. He watched Yixiang killed. Ash.

"What a terrible power, this should be the fourfold of the King of God!"

Lu Ming felt the strength of the other party, and deeply understood that his current strength was too far behind such a master.

The ball's body wriggled rapidly, and finally, turned into a piece of armor, covering Lu Ming's whole body.

boom!

Lu Ming and Ball both tried their best to make a move to resist the opponent's attack.

With a horrible roar, Lu Ming's body flew out like a shell and flew out for hundreds of miles, vomiting blood.

There were cracks in the armor of the ball.

Lu Ming felt that his body was about to split, and his body was covered with fierce wounds, and blood continued to flow out.

If he didn't have the ball protection just now, he would definitely not even have the scum left.

But even if there is a ball protector, the practice of the ball is, after all, only a double of the king, and it can kill the triple of the king, but it is still unable to catch up with the fourth of the king. The opponent's defense is broken by one move. .

Uh!

In the air in front, a dry old man appeared.

This old man, with a pair of thunder wings growing behind him, is naturally a strong man of the wing human family.

At this moment, his body shivered slightly because of his anger, and his body was filled with amazing killings, staring and screaming.

"Kill my young master, die, die!"

The old wingman crowed and rushed to Lu Ming again.

But at this time, behind Lu Ming, a figure burst out, the speed is also amazing, Lu Ming only felt a strong wind flash, in front of him, a figure appeared, took a palm, and the Wings The old man made a trick.

In the sky, like the explosion of a planet, the energy is overflowing, and the figure of the old winged man flew back, and the figure in front of Lu Ming also took a few steps back.

"Wu people, you want to protect this kid!"

After the wingman elders stood in shape, they roared and stared at the figure before landing.

This suddenly appeared in front of Lu Ming, is the master of the Wu family.

"Mr. Lu Ming, I'll take care of it!"

Master Wu Jia firmly said.

"Do you live alone?"

Not far away, an indifferent voice came, and then, there was a figure around, rushing towards this side.

At least there are more than a dozen figures, all of them are middle-aged big men, or old men, all of them have terrible breath, all of them are powerful kings of four or more gods.

Lu Ming glanced and found that there were people from the Jin family, as well as people from the Qin family and the Yiren tribe.

"Oh, your three great families really look at me. In order to kill me, I not only used Yixiang as a bait, but also sent so many masters, Lu Ming is really honored."

Lu Ming's mocking voice sounded.

Around, many people watching and watching suddenly realized that what happened.

Chapter 3083: Lord of the Wing Family

The masters of the three great families have ugly faces to die.

Especially the Yiren clan family and the Jin family. This time, they really suffered heavy losses. Both Yi Xiang and Jin Yuan died.

"I knew that we would stay nearby, and as soon as this kid appeared, he would kill him!"

An old Jin family roared.

They used to stay around, just in case, they hadn't planned to take action, and they never expected that things would evolve like this.

"Since you want to protect this kid, kill you together!"

A winged clan elder screamed, his breath soared, the thunder rolled, and it was terrifying.

Lu Ming has not been able to figure out what the other party is doing. Only one feeling is horror.

This kind of existence is no longer something he can deal with, and he can kill him with just a wave of his hand.

However, Lu Ming came today, but was prepared.

Sure enough, as soon as the voice of the old wing man clan fell, a voice came from one side: "What a big tone, see who you can kill?"

Then, figure after figure flickered, standing around Lu Ming.

All are masters of the Wu family, and there are more than ten in number, each of which is extremely powerful.

In order to help Lu Ming, the Wu family also dispatched a large number of strong men, and they did not hesitate to fight against the three great families.

Lu Ming is really grateful for this.

More than a dozen Wu masters broke out and confronted the masters of the three great families.

"It seems that you Wu family, have been prepared!"

The elders of the wing people cried coldly.

The people of the Jin and Qin families also looked very gloomy.

Seeing this scene, they didn't understand yet, they were counted by Lu Ming instead.

They counted Lu Ming, but Lu Ming calculated it back. Obviously, Lu Ming had expected to be in danger, and he had already joined forces with the Wu family, so that the masters of the Wu family would ambush and respond at any time.

"Your Wu family, for this kid, do you want to fight against our three families?"

An old Jin family spoke coldly, full of threats.

"Start the war, the Wu family, I am afraid you will not succeed?"

A big man from the Wu family responded strongly.

This time, the head of the Wu family personally issued an order. In any case, to keep Lu Ming's life, would they fear the threat of the other party.

Moreover, the Wu family, the Jin family, and the Qin family have always been at odds, and conflicts often broke out in the past.

Would the Wu family compromise before the Jin family and the Qin family?

"Since you are looking for death, then complete you!"

An old man of the Wing Human Race roared, and the wings behind him grew rapidly, and the thunder rolled, and under one fan, it rushed towards the landing.

However, a master of the Wu family strode forward with a wave of palms, ten thousand horses galloping, and a huge war horse condensed out, rushing to the master of the wing human race.

The two collided together, even a few moves, it is difficult to distinguish the outcome.

"kill!"

"kill!"

The other masters of the three great families also moved, and their cultivation behaviors broke out, killing Lu Ming.

"Protect Master Lu Ming!"

An old Wu family gave orders.

Suddenly, more than a dozen Wu Jiaqiang, like a wall, kept Lu Ming behind him and fought against the masters of the three great families.

Suddenly, this area boiled, the breath of terror filled, exuding the power of destruction.

With so many master wars in God Realm, these forces are enough to threaten the safety of a life planet.

However, here is Jiu Jue Tian Wang Fu.

When everyone's battle and the breath reached a certain level, on the ground, there were unexpectedly large runes.

Each of these runes is very thick, like a piece of divine dragon, intertwined on the ground to form a large formation to protect the safety of the planet.

In places like Jiu Jue Tian Wang Mansion, the entire planet has already been laid down in a star formation. Otherwise, there are so many strong men in Jiu Jue Tian Wang Mansion, and war is inevitable.

Without a large array of guardians, the entire planet would have been exploded.

There is a large array of guards, and the power of everyone's war is completely removed by the large array.

The two sides fought fiercely, but the Wu family's masters were dedicated to protecting Lu Ming. They did not seek merit but did nothing. The other party could not kill Lu Ming.

After fighting dozens of tricks, the masters of the three great families backed away, their faces gloomy.

"Okay, very good, Lu Ming killed my wing man clan wing xiang master, see how your Wu family can protect it, pass on the voice to the owner, and report the matter here!"

A wingman clan growled.

"Master Jin Yuan has been killed, and he will pass on a message to the owner!"

A master of the Jin family also spoke.

Then, the masters of the Qin family followed the voice of the Qin family master.

The face of the Wu family masters has changed. This matter is beyond their control. Now, they can only pass the news to the Wu family owner.

All parties heard voices one after another, and then confronted each other.

"Do you want to come, every house owner?"

The people who watched around were dumbfounded. Unexpectedly, things would evolve to this step.

They continued to retreat, pulling the distance apart so as not to be affected.

Time, one second after another.

Suddenly, a dull breath came from the west, swept over by this breath, and many people felt that their breathing was not smooth.

Before everyone could react, there was a terrible pressure in that direction, and the overwhelming surge came.

It is as if an ant is facing a tsunami hundreds of meters high.

Rumble!

The pressure is getting stronger and stronger, some are weak, and can't help but spit out a bit of blood.

Everyone looked over there in horror, as if over there, there was a terrifying beast flying towards this side.

"someone is coming!"

Someone resisted the fear and whispered.

Then everyone saw that in that direction, there was a middle-aged winged human race, stepping forward.

This person seems to be walking very slowly, step by step, but every step out, there is an endless distance passing under his feet, a few breaths, this person appeared in the sky.

That terrible pressure came from this person.

"Subordinate, meet the owner!"

Seeing this middle-aged man, the master of Yiren clan quickly saluted.

Many people were shocked. This person was actually the head of the Yiren family.

The Yiren clan family is a powerful family in the Jiu Jue Tian Wang Mansion, which has a very long history.

The family head of the Yiren family is definitely one of the overlords of the Jiu Jue Heavenly King's Palace. Their strength is unfathomable. Such a person has come today.

The head of the Yiren family looked at the scene, with an incomparable Sen Han, saying: "Yixiang, was killed?"

Although the voice is still calm, anyone can hear it, and there is a terrible murder in it.

"Yes, it is!"

A wingman clan's answer was trembling.

"Who killed?"

Asked the family head of the Yiren family.

"He, Lu Ming!"

The wingman clan refers to the landing naruto.

"A bunch of waste!"

The winged family heads scolded, the winged human master lowered his head, the atmosphere did not dare to breathe.

Chapter 3084: Pinnacle King

Then, the eyes of the head of the Yiren family looked at Lu Ming, flashing a crazy murderous opportunity.

He knew that he had made a mistake.

Actually calculated by a younger generation, he took his son into it.

It can be said that Yi Xiang gave him Lu Ming to kill.

"Xiang'er, Dad will avenge you!"

The winged family whispered in his heart, and then a strong breath rushed towards the many masters of the Wu family.

"You, get away from this seat, I can spare you a life!"

The owner of the Yiren family drank coldly.

"Master Wing, son Lu Ming, my Wu family wants to protect!"

A Wu family big man gritted his teeth and said that although they faced the winged family head, they had no chance or chance, but they must do what the master told them.

Even if it is a life!

"Since you want to protect him, you can only send you on the road together!"

The voice of the winged family's head was extremely cold, exuding a cold murderous opportunity.

"Wing crazy, you are a big breath, I see how you kill!" Just then, a cold voice came from behind Lu Ming.

As soon as the voice fell, Lu Ming behind them, there was an extra person.

When Lu Ming took a look, he saw a big man in Jinyi, which looked similar to Wu Zifeng, but more majestic.

"Homeowner!"

Seeing this Jinyi Dahan, everyone in the Wu family was overjoyed and quickly saluted.

Lu Ming's heart moved. It turned out that this person was the head of the Wu family, and the same name as the head of the Yi family.

"Junior Lu Ming, I have seen the owner Wu!"

Lu Ming also clenched his fists and bowed to salute.

"Haha, you're welcome!"

The owner of the Wu family smiled, his sleeve robe waved, and a force poured out, holding up Lu Ming.

"Wu Hanyi!"

When the family heads of the winged people saw the head of the Wu family, they whispered and their eyes were cold.

"Wing crazy, are you the master of the family, are you bullying my Wu family no one? Come, come to fight, I will accompany you!"

The head of the Wu family is very overbearing. He stepped out in one step and appeared in front of Lu Ming. They were opposite to the head of the Wing family.

boom!

A breath of breath broke out in the two of them, and the breath met. The whole sky, a million miles away, were trembling violently, as if they were about to collapse.

In the middle of the confrontation between the two, the void is distorted, and the energy is roaring, as if it will be turned into chaos.

The people around me retreated and retreated with a look of panic.

"It's terrifying, is this the strength of the family-level existence? It's amazing!"

"I heard that the master of the family's cultivation practice has all reached the peak of the **** king, overlooking the other **** kings, and the strength is shocking. When I saw it today, it really deserved the name!"

Some cultivated as powerful gods and whispered in shock.

The peak of the **** king, this is the cultivation of the wing man family and the head of the Wu family. Looking down on all the **** kings, it is extremely powerful.

This kind of cultivation practice is very rare in the entire Jiu Jue Tian Wang Mansion, and it is a party overlord.

In Jiu Jue Tian Wang's mansion, although there is an existence above the God of Transcendence, there is very little that kind of existence, and it is rarely shot.

Therefore, the kind of existence that cannot be shot, the peak of the **** king, is the peak strong.

Now, is such a character going to shoot?

The breath of the two is getting stronger and stronger, and they are constantly confronting in the void, and there is a strong explosion in the sky.

boom!

Suddenly, from the other direction, an equally terrifying breath came. This breath, mixed with the breath of the family head of the Yiren family, pressed against the head of the Wu family.

The horror roared, and the face of the Wu family changed, his body shivered slightly, and he could not help but take a few steps back.

In the distance, a golden light came quickly, and a few flashes appeared on the side of the winged family head. The person was filled with golden light, and the terror of the breath was not under the winged family head and the Wu family head.

"Have seen the owner!"

At the scene, the master of the Jin family quickly saluted.

Everyone's heart shook again, and another lord of the family came.

Today, there is really a lot to watch.

After the arrival of the head of the Jin family, his eyes were swept away, and then landed on Lu Ming. His eyes contained an astonishing murderous opportunity.

He has received news that Jin Yuan has been killed by Lu Ming.

Among the younger generation of the Jin family, the four most talented people were actually killed by Lu Ming, and his heart was full of anger.

"Wu Hanyi, this kid killed many of my Jin family's Tianjiao, and also killed his brother's son. He committed a heinous crime and must be executed!"

The owner of the Jin family spoke indifferently, and his voice was full of murderous intention.

"What if I say no?"

The owner of the Wu family said coldly.

"You say no? I'm afraid you can't keep him alone!"

The Jin family said that the whole body is like a golden sun, with a terrifying breath, which makes it difficult for everyone to breathe.

"Yes, you must protect it, then you will be wiped out first. I believe Lord Tian will not blame us!"

At this time, another voice came. This voice did not come from the winged family head and the Jin family head, but another person.

The voice just fell, and on the other side, a figure suddenly appeared.

This is also a middle-aged man's appearance, very handsome, with a scale on his eyebrows, it looks quite strange.

"See the housekeeper!"

The people of the Qin family saluted immediately.

Everyone was mad again.

The head of the Qin family also came, and another figure from the pinnacle of the **** king came.

On weekdays, such people are rare to see. Many people do not want to visit them. Unexpectedly, today came four people at once.

"Haha, Brother Qin, you are here too!"

The Wingren family head smiled, then looked at the Wu family head and said, "Wu Hanyi, now, how do you protect?"

The head of the Wu family frowned, and his face was a little ugly.

Unexpectedly, the three major family heads have come.

He is fearless alone.

But if two shots together, he is definitely not an opponent, three shots, he is dead.

At this moment, even if he wanted to protect, he was powerless.

"Unexpectedly, for the sake of a junior, you are all the masters of the three big families, it is really ridiculous!"

The owner of the Wu family sneered.

The faces of the three main families are also a bit ugly. Today they appear. The three main families are ashamed.

Since it has been embarrassing, Lu Ming must not let go.

"Wu Hanyi, give you another chance to hand over the kid, otherwise, kill you together!"

The winged family heads drank coldly, the breath was more pressing, and the whole body was filled with thunder, like a **** of thunder.

The owner of the Wu family frowned, and now such a situation really makes him difficult to ride a tiger.

"Hahaha, I am really honored Lu Ming, actually troubled the three pinnacle kings personally shot, even if it is dead, it is worth it!"

At this moment, Lu Ming laughed loudly, and then stepped out, came to the Wu family head.

"Master Wu, thank you for your kindness, but let the juniors solve it for themselves today!"

Lu Ming clenched his fists to the head of the Wu family.

Chapter 3085: Heavenly Guardian

"Or let the juniors solve it by themselves?"

Lu Ming's voice spread throughout the audience.

Many people are stunned, let him solve it, is not a dead end?

"It seems that he knew he was going to die, and he simply got rid of it. He didn't want to leave Wuwu's family generously and die!"

"It seems that he is quite loyal!"

Some people talked.

"Very good, boy, you can punish yourself, I will leave you whole body!"

The icy voice of the owner of the Yiren family sounded.

Less than a last resort, he really didn't want to do it himself, killing a junior in the heavenly realm, and passing it off.

"Self-regulation? Why should I self-regulate?"

Lu Ming pouted slightly and said, "Since I came to Jiu Jue's King's Mansion, I have been ambushed in secret. After I arrived at the Starry Sky Camp, I was troubled by the arrogance of several of your family. I always wanted to kill me. , Why did you target me and want to kill me, now, I understand..."

Speaking of which, Lu Ming paused and then shouted: "That's because, you are the principal behind the stolen Jiu Jue God Crystal, and I have your evidence on me, so you just want it all the time. Kill me, take away the evidence in my hands, and I'm not even afraid of embarrassment.

"What? Is there such a thing?"

Lu Ming's words shocked many people, revealing surprise.

Some people even look at the people of the three great families with suspicions in their eyes.

Jiu Jue Shen Jing was stolen by the people of Qin Tian Xingyu. This matter has long been a secret.

Only people with some brains can guess that Jiu Jue Tian Wang Mansion must have an internal response, otherwise how can people in Qin Tian Xing Yu steal the Jiu Jue God Crystal?

The key is, who should be inside? This has not found the clue.

Lu Ming said this now, everyone has to wonder, this is due, is it really the Jin family Qin family or the Yi family?

The faces of the three main family heads also changed.

This is a serious sin. If it is true, even the hegemony of the three major families can hardly be blamed.

"Little Bunny, what are you talking about?"

The head of the Yiren family shouted, and the atmosphere was violent.

"I killed you!"

The owner of the Jin family is even more violent, and stepping out, he must kill Lu Ming.

"Do you want to kill people and destroy the mouth, destroy the evidence?"

Lu Ming shouted.

As soon as this remark came out, the figure of the head of the Jin family stopped stiffly, his face extremely cold, and the murderous glimmer in his eyes became stronger and stronger.

He is really depressed to vomit blood, but at this moment, he really can't kill Lu Ming. Once Lu Ming is killed, isn't it true that Lu Ming's words?

"Bullshit, do you know what a sin it is to slander me and wait?"

The Jinjia owner said coldly.

"Aren't you slandering, don't you know?"

Lu Mingsi was not afraid, and his voice spread throughout the audience.

This made the winged family heads and the Qin family heads a little puzzled.

Among them, the owner of the Jin family wanted to kill Lu Ming most. Is it true that Lu Ming said that the Jin family is really an internal response, deliberately dragging them into the water?

The head of the Jin family swept away the faces of the winged family and the head of the Qin family. Wherever they did not know the other party's thoughts, the anger in his heart was even more burning.

"Little Bunny, you said that you have evidence in your hand to prove who was the internal responder who stole the Nine Sacrifice Crystal. Okay, now take it out, take the evidence."

The head of the Jin family shouted loudly, compelling Lu Ming.

"Yes, come up with the evidence. If you are a vulgar, this seat will make you beg for death!"

The family heads of the Yiren family also shouted.

Both of them put on a conspicuous look, but Lu Ming was a little puzzled.

Is it true that these families are not stealing the internal response of the Jiu Jue God Crystal, or is the other party now dying?

"Okay, if you want to see it, then show you!"

Lu Ming shouted loudly, and the voice came from afar.

When Lu Ming's voice fell, the rainbow flashed in the sky, and then a figure appeared beside Lu Ming.

This figure is the blue business.

This is a good negotiation between Lu Ming and Lan Merchants. As soon as the time is ripe, Lan Merchants will appear and make the projection public to the public.

"Blue Merchant, it's you!"

When I saw the Blue Merchants, the Jin Family Heads, the Wing Family Family Heads, the Qin Family Heads, and others, I could not help but exclaimed. Obviously, I knew the Blue Businessmen.

"How? I was surprised to see me?"

Lan Shang said lightly.

"This kid, who are you? You want to protect him?"

The owner of the Jin family asked with a cold face.

Lan Shang used to be Jing Yu's teacher. In the entire Taixu dynasty, they were all high-ranking characters. Their status is not known how much higher than the three masters.

But now, they don't have to be afraid of the blue merchant, a degraded person!

"Lu Ming, is my son-in-law, isn't it?"

Lan Shang said lightly.

"what?"

Many people are stunned.

Lu Ming, the son-in-law of the blue business?

Lu Ming touched his nose, quite speechless.

This guy really wants to sell his daughter to himself? It was said that Lu Ming was his son-in-law.

However, under such circumstances, Lu Ming can't deny that he can only keep quiet.

"The evidence you want is in my hands!"

Then, Lan Shang added another sentence.

Many people's eyes fell on Lan Shang.

Lan Shang, do you really have evidence that the Nine Jue God Crystal was stolen?

If it is, it is definitely a big event and everyone is curious.

"Then take it out!"

The Jin family said, his face was very calm, and there was no abnormal expression.

Both Lu Ming and Lan Shang were a little puzzled. The other party was so calm. Did they guess wrong?

Or is it really hard?

By this time, there was no way out, it depends on who is suffocating.

"Of course I have to take it out, but this is a big deal. Before the evidence is taken out, I want to invite the King of Gods to come and be a witness!"

Blue Business Road.

I want to invite Heavenly Guardian!

Some people's faces changed.

The Heavenly King Divine Guard is a guard of the Jiujué Heavenly King's family. It is directly under the orders of the Jiujué Heavenly King. All of them are composed of extremely powerful existence, and they have great power and are responsible for law enforcement.

If it is discovered who is the internal responder who stole the Nine Sure Divine Crystal, Heavenly King Divine Guardian can directly enforce the law and destroy the other party.

The blue business is to put pressure on the other party. If the three major families really have the internal response, most of them will lose their breath and be blackmailed.

The so-called frankness and leniency, and resistance to strictness.

If you confess first, you might be able to deal with it lightly.

This is the heart of the person. The plan of Lanshang and Lu Ming is to use strong pressure to expose the other party in blackmail.

"Okay, please invite the King of Gods!"

The head of the Yiren family should speak first.

"I agree!"

Then, the owner of the Qin family followed.

"I agree too!"

Finally, the owner of the Jin family also nodded.

This made Lu Ming and Lan Shang glance at each other, revealing their doubts.

Is it really that they made a mistake, and that they should not be the three great families?

Chapter 3086: Make it public

"Okay, please invite the King of Gods!"

Lan Shang said loudly, and then the Wu family and the three great families sent people to invite the King of Gods, and everyone waited quietly.

Time hasn't passed long before, and a rainbow of light flew in the distance.

The rainbow light gathered, and a line appeared in the air.

Several of them are from the three great families and the Wu family, and there are more than a dozen others. They are all middle-aged and big-han. They wear purple gold armor and have a heavy mountainous atmosphere.

Especially the one headed, with a violent momentum, like a **** of war, is terrifying and has a strong breath, and he is not under the control of a few masters.

Obviously, this is also a peak god.

"Master Wang!"

"Lord Wang, long time no see!"

Seeing this person, the Jin family heads and others greeted him one after another.

Commander Wang nodded and said, "You said, there is evidence of the theft of the Nine Sacrifice God Crystal. Where is the evidence?"

"Lan Shang said, he said he has evidence!"

The family of the winged people dominates.

Wang Tongling's eyes looked at the Blue Merchant, slightly surprised, saying: "Blue Merchant, do you have evidence?"

"Not bad!"

Lan Shang nodded, and then a simple axe appeared in his hand.

"This is my son-in-law Lu Ming. He was in a place called Modu Mountain in the Chutian Star Territory, and he got the storage ring of the night devil king of Modu Mountain, which contains this axe!"

"This axe is sealed with a projection, which records how the people of the Qin Tianxing Realm, through the night demon king, should collude with the inside of the palace of Jiu Jue's Heaven and steal the Jiu Jue's crystal!"

Blue Merchant said loudly.

"Then open it and see!"

Wang commanded.

Lan Shang glanced at the head of the Jin family, the head of the Yiren family, and the head of the Qin family, and found that they only stared at him vigorously, without showing a timid or uneasy expression.

Lan Shang frowned, a thought flashed in his heart, perhaps, Neiyang really was not the three.

But by this time, the projection can only be made public.

"it is good!"

Lan Shang nodded, then pinched the seal, the axe glowed, and Lu Ming's projection that he had seen last time emerged again.

Everyone looked at it momentarily, and soon the content of the projection was finished.

"It's really the people in the Qin Tianxing domain who have stolen the Jiu Jue God Crystal!"

"And there is really an internal response!"

"But those should be wrapped in black robes, they can't see clearly at all, and they don't reveal which forces are in the words!"

"But Jiu Jue Shen Jing, finally found it!"

After seeing the projection, the scene fell into a lot of noise, and everyone had a lot of discussion.

"Hehehe, this is your evidence? Although I have found the whereabouts of the Nine Jue God Crystal, but who should be the internal responder? I don't know at all!"

The owner of the Jin family sneered.

"Yes, this kid, dare to slander our three families, and be bold!"

The winged family head followed the cold drink, the breath was cold.

"Boy, I tell you, I want to kill you, just because you kill me Jinjia Tianjiao, today, you must pay your life!"

The owner of the Jin family took a cold drink and stepped out in one step. The violent breath soared into the sky, killing the cold like a knife.

Now, he finally has no worries and can start.

"Yes, you must kill me if you kill me!"

The wing man family head, one wing, thunder billowing, like a **** of thunder.

The Qin family head, flashed, locked the Wu family head, and prevented the Wu family head from interfering.

"It's ridiculous that the Jin family repeatedly targeted me and repeatedly wanted to kill me. Couldn't I resist it and not go back?"

"There is also Yixiang. In the ancient city of Xingyu, he shot my wife and almost killed her. I can't get revenge?"

Lu Ming laughed and faced several masters without any fear.

"I don't care what your reason is, if you kill my Jin family, you will die!"

The head of the Jin family shouted and was very overbearing. The whole body was filled with bright golden light, and one palm protruded out, forming a golden palm, and grabbed toward the landing.

The palms are huge and boundless, covering one side of the void, with a terrifying momentum.

Lu Ming found that his body could not move at all. It seemed that his body was blocked and he couldn't even blink his eyes.

Facing the pinnacle of God King, Lu Ming is too weak, just like a ant.

"stop!"

Aside, the Wu family head shouted and wanted to help, but the Qin family head breath broke out and locked the Wu family head firmly.

As long as the owner of the Wu family shots, the owner of the Qin family will also have a thunder blow.

The owner of the Wu family couldn't do anything.

"The boy named Lu Ming is dead!"

"Unfortunately, a generation of arrogance has actually caused the masters of the three major families to shoot, and there is no hope!"

Many people sighed.

On the edge, Wang Tongling waited for Heavenly King Divine Guardian, his eyes flashed without any intention to intervene.

It seems that the golden palm of the hand must be caught on Lu Ming. If it is caught, Lu Ming will be a dead end even if he is stronger. The gap is too great.

But at this moment, a sword flashed across the golden palm of his hand.

boom!

Jianguang was chopped on the golden palm, and a violent roar erupted. Then Jianguang and the golden palm collapsed and disappeared.

Ok?

The head of the Jin family stared, and then his eyes fell on the blue merchant.

Just now, it was Lan Shang who shot.

"Have you asked me to kill him?"

Lan Shang spoke lightly, slowly stepped forward, and landed in front of Lu Ming.

Lu Ming's body suddenly loosened, and the pressure brought by the head of the Jin family disappeared without a trace.

call!

Lu Ming Chang Song took a breath and found that his body had been wet with cold sweat.

Faced with such a character as the head of the Jin family, he was under too much pressure. The key is that he was difficult to resist at all and was powerless.

"Blue business, do you want to intervene?"

The Jinjia owner said coldly.

"Of course, he is my son-in-law, do you think I will watch him killed?"

Lan Shang said lightly.

"Oh, what do you do if you don't watch?" Do you think you were the blue merchant of that year? Do you rebel against Yu Yu's teacher? That's all past tense!"

"At that time, your star core was abolished, what do you use to stop me?"

The owner of the Jin family sneered with a touch of disdain.

"What? The star core is abolished!"

Lu Ming was shocked.

This is the first time he heard.

It turned out that the star core of the blue merchant was scrapped.

Breaking through the Divine King, Divine Fire condenses into a star core. The star core is the core of a practitioner. If the star core is abolished, it is equal to the cultivation of the abolition.

No wonder Lan Shang, as a teacher of Jing Yu, has not been sealed or otherwise, but has been left free.

What kind of storm can a person with a star core have been abolished?

"For you, even if the star core is abolished, it is enough!"

Lan Shang smiled faintly and appeared very confident.

"Crazy, then I will see, what is the skill of you who was called "Emperor Teacher"?"

The owner of the Jin family took a cold drink and stepped out, and his breath exploded in full.

Chapter 3087: Blue business strength

The atmosphere of the Jin family's masters broke out in an all-round way, emitting a dazzling golden light.

Then, he slashed towards the blue merchant.

boom!

Void riots, continuous explosions, the scene was terrifying.

The strong man at the peak of God King really has the energy to destroy the world and destroy a life planet. It's terrifying at first shot.

In the face of a man whose star core has been abolished, his first move is a horrible trick. This is to completely kill the blue merchant.

However, in the face of this blow, Lan Shang's face was calm, his eyebrows glowed, and the brilliance radiated out, forming a series of runes, which were intertwined and intertwined to form a war sword.

The War Sword broke through the sky and came out in awe, stunning the time.

boom!

The War Sword collided with the broken hands of the head of the Jin family, and a roaring earth shattered.

Buzz!

The war sword kept shaking, and the infinite sword slashed toward the head of the Jin family.

The head of the Jin family's body was violently shaken, and his body retreated like a meteorite. He has been walking back for thousands of miles, and his face is ugly.

He was repulsed by a man whose star core was abolished.

"The power of the soul, how is your soul person so powerful?"

The head of the Jin family snorted.

Just now, the blue merchant used not the divine power, but the power of the soul.

But how can a person's soul power be so powerful? Can repel a peak **** king.

"To deal with you, what if there is no divine power?"

Lan Shang said lightly.

"I don't believe it, break the hand of the void, break the sword of the void!"

The head of the Jin family shouted and exhibited both types of scholasticism.

The golden sword of war shattered the sky, and the golden palm of his hand fell like a sword to the blue merchant.

Two kinds of attacks, the two key points of the attack on the blue business, powerful, shocking.

The same is the hand that cut off the void and the sword that cut off the void. The head of the Jin family exhibited it and it was ten thousand and eighty times stronger than Jin Yuan.

But Lan Shang's face was calm, his eyebrows were gleaming, the power of his soul came out, a rune was condensed, and then it turned into a war sword, and several battle swords came out in a row.

when! when!

The two slammed each other a few times, but the result was that the owner of the Jin family was completely suppressed and backed off again and again, and the golden light on him was dim for a while.

Lan Shang carried his hands on his shoulders and stepped forward, revealing his peerless elegance.

"Don't you all want to shoot, let's shoot together!"

Lan Shang's voice sounded, and the endless runes turned into a huge palm, and he grabbed the head of the Yiren family.

He is going to fight two battles!

A person whose star core has been abolished must fight two battles and two peak gods.

If you don't see it with your own eyes, it's really hard to believe.

The wing man's family screamed, the wings fluttered, the thunder rolled, and the endless thunder slammed into the big hands condensed by the blue merchant.

But the big hand pressed down, the endless thunder annihilated, the terrible palm power, flew away the master of the winged family.

Boom!

Then, the Blue Merchant stepped out, stepped on the void, the void violently shook, the endless runes, condensed two big hands, one rushed to the head of the Jin family, and the other to the head of the winged family.

Chang Xiao, the master of the two great families, tried his best to explode his strength to the extreme and tried to confront.

However, even if the two of them joined forces, they still lost, and were completely suppressed.

After supporting a few strokes, the two were hit by big hands, and their bodies were thrown away for thousands of miles. Their bodies were trembling, and they vomited blood and were hit hard.

Sisisi...

At the scene, many people took a breath and looked at the figure standing in the void, full of horror and incredible.

A man whose star core has been abolished can rely on the power of the soul to actually reinvent the masters of the two families. What kind of fighting power is this?

If his star core has not been abolished, how strong should it be?

Everyone seemed to be able to see the supreme glory of Lanshang.

At that time, Jing Yu was born, unparalleled talent, rare in the world.

At a young age, he rose strongly and became the top powerhouse of the Taixu dynasty, putting other princes and even princes underneath.

At that time, as a teacher of Jing Yu, it was equally gorgeous, unparalleled in the world, and its strength was unpredictable.

At that time, many people believed that Jing Yu would be in charge of the Taixu dynasty in the future and became the emperor of the Taixu dynasty. Therefore, the Blue Merchant was called 'Emperor Master' by many people at that time.

Originally, after so many years in the past, the Blue Merchant Star was abolished, and many people will soon forget this person, thinking that he will be silent and will disappear forever in the long history.

Unexpectedly, the blue merchant alone was so horrible by his soul.

"Lu Ming, I'm Baoding, you guys, what kill?"

The blue merchant stared at the head of the Jin family and others, and a disdainful voice sounded.

"Damn!"

The head of the Jin family and the head of the Yiren family roared in their hearts.

In both of their families, there is a transcendence of the God King, but that kind of existence, very few and very few, are old antiques that have lived for a long time, and they are completely closed.

If it is because of dealing with a younger generation of the gods and gods, please ask for such a person, really want to be laughed at.

Today, there are blue businessmen, they really can't kill Lu Ming.

"Lord Wang, this Lu Ming, killing many masters of my Jin family, as well as many masters of the Yiren family and the Qin family, so mad and mad, must be punished!"

The head of the Jin family turned around and suddenly clenched his fists towards the king of heaven.

"Yes, my son Yixiang, drinking here, was also killed by this person for no reason, he must be paid for his life!"

The head of the Yiren family followed.

They can't deal with the Blue Merchant themselves, so they can only ask the Heavenly King Divine Guardian.

The Heavenly King Divine Guard has the responsibility of guarding the Jiu Jue Heavenly King Mansion, and here, it also belongs to the Jiu Jue Heavenly King Mansion. The Heavenly King Divine Guardian naturally has the power to intervene.

Wang Tongling frowned, looking at Lu Ming, and said, "Can this happen?"

"We have killed me many times before, and Yixiang, almost killed my wife, I just revenge!"

Lu Ming said.

"Fart fart, it's completely rhetoric. He's all nonsense. When did my Jin family kill him? He wanted to frame us everywhere. Before that, he still slandered us for stealing the internal response of the King's Palace!"

The head of the Jin family shouted, completely pushing the matter of killing Lu Ming before.

"It's really shameless to say such a thing, the owner of the whole family!"

Lu Ming satirized.

The head of the Jin family was somber and said, "Kill the killer to pay his life, and also ask Wang to lead the law enforcement!"

As long as the Divine Guardian stepped in, even the Blue Merchant would be useless.

Heavenly King Divine Guardian, masters are like clouds, even there is a presence beyond the God King, although the strength of the blue business is strong, but it has not reached the level of surpassing the God King.

"If that's the case, Lu Ming, you will come with us!"

Wang's gaze looked at Lu Ming.

"Slow down!"

At this moment, the voice of the Wu family head sounded.

"Master Wu, do you have something to say?"

Wang commanded.

Chapter 3088: Conditions for Lu Ming

"Not bad!"

The master of the Wu family came out step by step and said, "Although Lu Ming has killed several people, don't forget that Lu Ming found the whereabouts of the Nine Sacrifice God Crystals. This is a great contribution, not a few insignificant people's lives can be offset Yes, I think Lu Ming is not only innocent, but also rewards!"

"What? What did you say?"

"You are farting!"

Several heads of the Jin family head and the winged family head roared, staring at the Wu family head, with fire in their eyes.

Lu Ming killed one of the sons of the Yiren family head, and one of the four Jin family masters.

These people, in the mouth of the Wu family heads, became insignificant passers-by.

Does it make sense!

Commander Wang frowned.

The head of the Wu family is right. He found the whereabouts of the Nine Jue God Crystals, which is indeed a great contribution and a reward.

"One yard to one yard, he found the whereabouts of the Nine Sacrifice God Crystal. He did have credit, but credit does not mean that he was lawless, lawless, and innocent!"

The head of the Jin family shouted: "For credit, everyone on the scene, who has no credit for the King's Mansion, but with credit, can't be disciplinary? So, one yard down to one yard, the punishment should be punished!"

"Yes, killing lives, this kid must die!"

The head of the Yiren family also shouted.

"It's ridiculous, the rewards and punishments should be clearly distinguished. Are the two of you who died died important? I think it's important to have nine unique gods and crystals.

The Wu family dominates.

Wang Tongling frowned more tightly.

He was a little embarrassed.

If it is a matter for ordinary people, he can solve it at will.

But now, on the one hand, the family head of the Jin family, the family head of the Yiren family, etc., on the other side, the family head of the Wu family, there is also an unpredictable blue merchant.

This made him embarrassed.

No matter how you sentence it, you have to offend one party.

"You can only try to balance!"

Wang Tongling whispered in his heart, and then shouted: "Lu Ming murdered for no reason, it was a serious sin, and he should have been executed, but when he found the whereabouts of the Nine Absolute Divine Crystals, it would be worth the effort!"

Lu Ming sneered in the corner of his mouth.

Wang Tongling did this to show that both sides were not guilty. In fact, they still favored the Jin family heads and others.

It stands to reason that he discovered the whereabouts of the Nine Sacrifice God Crystal, which is a great contribution.

The Jiu Jue God Crystal, but the treasure of the Jiu Jue Heavenly King Mansion, is so astonishingly valuable. The head of the Wu family is right. The Jiu Jue God Crystal is far more valuable than Jixiang, Jin Yuan and others for the Jiu Jue Heavenly King Mansion.

This was supposed to be rewarded, but the other party's light words were taken away.

However, the Jin family heads and others obviously do not want to forget this.

"No, you must not let him go like this, then I am a hero of the Jin family, isn't it dead!"

"And my son Yixiang!"

The head of the Jin family and the head of the Yiren family shouted, and did not want to let Lu Ming go like this.

"Lord Commander has spoken, what else do you want to do, are you questioning the sanctions of the Divine Guardian?"

The Wu family head said coldly and quietly.

"I haven't questioned Wang's punishment. I'm questioning whether he came up with the evidence of Jiu Jue Shen Jing, whether it was true or whether he forged it himself!"

The owner of the Jin family said coldly.

This remark made many people's eyes move.

Yes, the evidence provided by Lu Ming is true or false, which is difficult to judge.

What if it is fake?

Commander Wang's brow furrowed again.

"If he really wants to make up for the merits, unless he brings back the real Jiu Jue God Crystal, so let me give him a chance. Since he found the whereabouts of the Jiu Jue God Crystal, he will bring back the Jiu Jue God Crystal, Let him do it himself."

The head of the Yiren family opened his eyes, glanced around, and said, "Remember, I mean, give it to yourself, you are not allowed to help him, nor are you allowed to send someone to help him, let him do it by himself. !"

"Brother Yi's proposal, I agree!"

"I agree too!"

The head of the Jin family and the head of the Qin family spoke one after another.

It would be very dangerous for Lu Ming to recapture the Jiu Jue God Crystal himself.

Moreover, they secretly have too many available methods, and they can let Lu Ming die without burial.

"That won't work. I'm against it. Isn't it a child's play to let a person from Heavenly God Realm recapture the Nine Absolute God Crystal?"

The Wu family dominates.

"No, how can I make up for it?"

The owner of the Jin family did not give in at all.

"you..."

The head of the Wu family glared at the head of the Jin family.

"I promise!"

At this moment, Lu Ming's voice sounded.

Many people could not help looking at Lu Ming.

Lu Ming, agreed?

"Okay, Wu Hanyi, this kid has agreed, what else do you have to say?"

The Jin family is the master.

The owner of the Wu family glanced at Lu Ming, and finally shook his head.

Lu Ming agreed, he still has something to say.

Lan Shang's eyes flickered, and he didn't stop him.

"Remember, it's up to you. The blue business can't help you, the Wu family can't send someone to help you, understand?"

The Jin family is the master.

"of course!"

Lu Ming said.

"Very good, then we are waiting for your "good news", if you can't get back the Jiu Jue God Crystal, just wait for your life!"

The Jin family is the master.

"Yes, then that's it!"

In the end, Wang commanded the finale.

"Humph!"

"go!"

The head of the Jin family, the head of the Yiren family, the head of the Qin family, and others, glanced coldly at Lu Ming, and then took the masters of the three major families, turned around and left without a trace.

A turmoil has subsided.

Subsequently, King Tong also led people away.

"Lu Ming, what you just promised is too impulsive!"

Lan Shang sighed.

"What did you do if you didn't agree?"

Lu Ming smiled slightly.

"Dark Ice Clan's strength should not be weak, can you be sure?"

Lan Business asked.

"Although you can't help me, you haven't said that I can't borrow other powers. The power of Qin Tianxing Realm can still be borrowed. It should be possible to deal with the Dark Ice Clan!"

Lu Ming said.

"I'm afraid of the Jin family, the Yiren family, and the Qin family secretly started against you!"

Blue Business Road.

"This is reassuring. During this time, I will send people to stare at the three great families and the masters above their ***** king."

The head of the Wu family walked over and said.

"However, they will obviously send people to stare at us, so this matter can only be done by yourself!"

The Wu family dominates.

"Well, this time, I would like to thank Master Wu for his shot. The younger generation are grateful!"

Lu Ming thanked with clenched fists.

"Haha, you and Zifeng are friends, that is my Wu family's friends, how can I just sit back and ignore them?"

Wu family head smiled.

Then, both parties said goodbye, and the owner of the Wu family returned to the Wu family.

Lu Ming, also with the Blue Merchant, returned to the Star Camp.

"Lu Ming, I have a hunch, I am afraid you will not be too calm on your trip, this treasure, you hold it!"

In the blue merchant's other court, the blue merchant urged a sentence, and then waved his hand, a small tower flew out.

Chapter 3089: Encounter Yuan Xiu

"this is...?"

Lu Ming stared at the small tower suspended in front of his eyes, revealing a puzzled look.

"This is the town king tower, which can greatly influence the star core of the **** king. I personally refined it. If you take it, it may be useful!"

Blue Business Road.

"Zhenwang Tower!"

Lu Ming's eyes lit up.

This type of treasure, Lu Ming once saw it in Modu Mountain.

At the beginning of the Battle of Modu Mountain, some young generations of Tianjiao used similar treasures when they besieged the Night Stalker.

This kind of treasure can affect the god's star core, make the god's star core unstable, and reduce the strength of the other party.

In the beginning, the Night Stalker was killed in this way.

"Of course, this town king tower can affect the **** king fourfold, or the **** king fivefold **** king, and the higher the cultivation, the smaller the impact, you have to watch it!"

Blue business warned.

Lu Ming nodded, but still put it away with joy, this town king tower can make a comeback at a critical moment with good use.

Then, he chatted with Lan Shang again, and then left.

When I left, I saw Lan Ling. Lan Ling still snorted as before, ignoring Lu Ming.

Lu Ming was happy, returned to his place of residence, and said goodbye to Qiuyue.

Lu Ming did not intend to take Qiuyue back to Qin Tianxing.

Qiuyue has just made a big progress and needs time to retreat and practice.

And Lu Ming feels that this trip will not be calm, or he will act better alone.

However, after hearing Qiuyue, she also wanted to go back with Lu Ming, and finally Lu Ming shook her head firmly before Qiuyue stopped.

Saying goodbye to Qiuyue, Lu Ming embarked on a teleportation array back to the Qin Tianxing domain.

After a long journey, Lu Ming finally returned to the Qin Tianxing domain and stepped out of Wan Lingxing's teleportation array.

"Qin Tianxing, I am finally back!"

Lu Ming took a deep breath and smiled.

This time, he returned to the Qin Tianxing domain. Not only was he going to destroy the Dark Ice Clan, to recapture the Nine Peer God Crystal, but some old accounts should also be calculated.

"Go back to Xuanzong first!"

Lu Ming moved.

Then continue to ride the teleportation array, toward the empty Xuanzong.

Teleport to a planet not far from the Sky Profound Star, then Lu Ming rose into the sky, crossed the void, and rushed towards the Sky Profound Star.

Taking Lu Ming's current practice as a virtue, crossing the universe through the flesh, that's a small meaning.

Now, his speed of crossing the starry sky with his flesh is faster than many starship battleships, just like the starry sky battleship in Lu Ming's hands, the speed is not as fast as his flesh.

Like a phantom, flying in the cosmic sky, in front of a planet slowly grows, that is the sky Xuanxing.

Huh...

Just then, a meteorite crashed towards the landing.

This meteorite, with a huge diameter of thousands of miles, had been floating in the starry sky before, but suddenly hit Lu Ming.

"Someone attacked!"

Lu Ming's eyes narrowed slightly, and then he punched at the meteorite.

Roar!

A nine-clawed dragon drew out roaring for ten thousand meters, the body was meandering, rushed towards the meteorite, and collided heavily with the meteorite.

boom!

With an earth-shattering roar, the meteorite exploded directly and turned into small pieces of stone, flying in all directions.

Lu Ming, a meteorite with a diameter of thousands of miles, can easily be broken.

"Who?"

Lu Ming drank coldly and glanced around.

"Hey, Lu Ming, I haven't seen you for a while, but Xiu Wei has grown a lot!"

A sneer sounded, and there was an old man in the place where the meteorite burst.

The old man, with a cold look on his face, cried.

"Yuan Xiu, it's you!"

Lu Ming's eyes flashed.

This old man, no one else, is the inner elder of Yuan Xuanzong, Yuan Xiu.

His disciple won the position and was once killed by Lu Ming, while Tian Hong Shengzi supported by Yuan Xiu was also beheaded by Lu Ming.

After Lu Ming beheaded the Tianhong Son, Yuan Xiu turned to the Supreme Son.

Later, the Supreme Head of the Family betrayed Kong Xuanzong and was utterly killed by Lu Ming. However, in that battle, Yuan Xiu just happened to go out, and fortunately escaped the disaster.

He knew that after the Supreme Master was destroyed, he would never dare to return to Kong Xuanzong again.

However, his hatred for Lu Ming can be described as monstrous. All these years, he has been wandering around the empty Xuan Xing, just want to wait for Lu Ming to order, kill Lu Ming, and let out his hatred.

But at that time, he had arrived at Jiu Jue Tian Wang Mansion, Yuan Xiu waited for so many years, Huang Tian did not live up to his heart, he was finally waited for by Lu Ming, and he was ordered.

He shot without hesitation.

Just now the meteorite was pushed by Yuan Xiu.

"Hey, hey, Lu Ming, today is your death time!"

Yuan Xiu sneered, and the opportunity was cold.

"Don't you want to kill me?"

Lu Ming said lightly, with a trace of disdain.

When Lu Ming had just entered Kong Xuanzong, Yuan Xiu was indeed high above him and could not be climbed. He could kill him by flipping his hand.

But after these passed, Lu Ming grew up quickly, but Yuan Xiu, the peak of Tenjin, did not put his eyesight at all.

"Lu Ming, if someone has been helping you all the time, killing you and turning your back!"

Yuan Xiu drank coldly, the breath on his body fully bloomed, and a strong coercion permeated between this heaven and earth.

"Half Step God!"

Lu Ming whispered.

"Hahaha, yes, half-step **** king, thanks to you. Under great pressure, I broke through and stepped into half-step **** king. Even if your talent is high, in my eyes, it will be a hit!"

Yuan Xiu laughed wildly.

In his mind, Lu Ming is no matter how talented and evil he is, but it is only a few years before that Lu Ming is absolutely impossible to be his opponent.

After killing Lu Ming, he thought of mastery and found a place to practice hard, maybe he could break through to the realm of God King and become a master of the Qin Tianxing domain.

"Oh, since you are so confident, then I will give you a chance, take a shot, attack me with your strongest strength, or let you die!"

Lu Ming said lightly.

"Boy, what are you doing?"

Lu Ming's calm self-confidence caused Yuan Xiu's eyes to be slightly condensed, a little suspicious, and he glanced around, fearing that others would be present.

"Relax, only me, no one else!"

Lu Ming said lightly.

"Huh, boy, whatever tricks you play, in the face of absolute power, everything is virtual, die!"

Yuan Xiu shouted and punched toward him.

A punch, like a beam of light, roared towards the landing, and the speed was almost extreme.

At first sight, Lu Ming will be submerged.

Roar!

A sound of Longyin sounded, and a nine-clawed Shenlong coalesced out, Yang Tianchangxiao, rushed to Yuan Xiu's punch.

The Nine Claws Dragon's breath is violent, several times stronger than Lu Ming's smashing meteorite just now.

boom!

Nine-claw Shenlong crashed into Yuan Xiu's fist strength, directly crushing Yuan Xiu's fist strength, and Nine-claw Shenlong itself had nothing at all.

Chapter 3090: Bone Demon's current strength

Lu Ming condensed a Nine Claw Dragon, easily defeating Yuan Xiu's attack, and the Nine Claw Dragon was nothing.

"You... your cultivation? How is it possible?"

Yuan Xiu's eyes widened and he cried out inconceivably.

This result is completely different from what he imagined.

In his imagination, this trick was enough to crush Lu Ming and crush Lu Ming's powder.

But it turned out that his trick was easily broken by Lu Ming, and Lu Ming exuded a frightening breath.

He couldn't believe it. It was only in such a short time, how could Lu Ming's strength reach such a point.

"Why? With this strength, it's my turn now!"

Lu Ming spoke indifferently, and his voice was full of murderous opportunities.

Yuan Xiu's strength, in his opinion, is unbearable.

Although Yuan Xiu reached the Half-Step Divine King, the divine power he controlled was very common, but it was only Wang Pin's divine power. The strength was not as far away from that of the Starry Sky Camp's Half-Step Divine King, let alone compared with Lu Ming.

"Run, run!"

At the moment, there is only one word in Yuan Xiu's heart, that is, 'escape'.

His body collapsed and rushed in the other direction.

But Lu Ming's figure flashed and appeared in front of him, blocking his way.

what!

Yuan Xiu shouted in horror, an old face twisted into a ball, all in horror.

"Lu Ming, Rao Ming!"

Yuan Xiu roared for mercy.

"kill!"

But Lu Ming responded with a murderous word.

Roar!

A nine-clawed God Dragon roared towards Yuan Xiu. As soon as the dragon claws caught, he grabbed Yuan Xiu, and then struggling to tear Yuan Xiu in Yuan Xiu's fearful roar.

Yuan Xiu had already been evaded by him. If he didn't appear on his own initiative, Lu Ming would have forgotten this person, but he jumped out and killed himself, but it was exactly what Lu Ming wanted.

After killing Yuan Xiu, Lu Ming felt relieved and continued to fly towards Kong Xuanzong.

It didn't take long for me to fly, and I saw a few rainbow lights flying towards the sky in the sky.

"It's them!"

Lu Ming smiled slightly.

Several old men came, one of them was Yuexin's father, Yuewuya.

The other two are also the elders of Kong Xuanzong.

Obviously, the war just now was felt by them, so they came in a hurry.

"Lu Ming Shengzi!"

"Seen Lu Ming Shengzi!"

Yue Wuya and others saw Lu Ming, slightly surprised, and quickly saluted, quite surprised.

"Several elders, don't come unharmed!"

Lu Ming smiled.

"Lu Ming Shengzi, just now I felt the fluctuations of the war ahead, did you find out?"

Yue Wu Da Dao.

"Yuan Xiu just now, he wants to kill me!"

Lu Ming smiled.

"Yuan Xiu!"

Several of Yue Wuya's faces changed and said, "Holy Son, are you okay? What about Yuan Xiuren?"

Despite seeing Lu Ming okay, they still showed concern.

Yuan Xiu was the inner elder of Kongxuanzong, and there was the peak of the god.

"It's okay, Yuan Xiu has been killed by me!"

Lu Ming said lightly.

"What? Kill... kill?"

Several people in Wuwuya froze, and then glanced around Lu Ming to see if Lu Ming had a helper together.

They could not believe that Yuan Xiu was killed by Lu Ming.

"Let's go back to Xuanzong, I have something to explain!"

Lu Ming said, after he finished, he flew towards Kong Xuanzong first.

Yue Wuya and others can only resist the doubts in their hearts.

"Most of the other masters are with the Son, but they just don't want to show up!"

A few thoughts flashed in the hearts of Yue Wuya. They still did not believe that Lu Ming could kill Yuan Xiu.

Soon after, Lu Ming and others returned to Kong Xuanzong and immediately summoned Kong Xuanzong's top management.

Although Lu Ming's identity is only a holy son of Kong Xuanzong, its influence is comparable to that of the master, because everyone knows that behind Lu Ming, there is a terrifying dragon.

After the high-level congregation of Emperor Xuanzong, Lu Ming told the story of Jiu Jue Shen Jing.

"What? Jiu Jue Shen Jing was actually stolen by the Dark Ice Clan!"

"The abominable Dark Ice Clan, Qin Tianxing was almost killed miserably."

After everyone heard Lu Ming's words, there was a lot of discussion.

"You guys, this time I come back, I want to destroy the Dark Ice Clan, recapture the Nine Judgment God Crystal, and keep the Qin Tianxing domain safe, so I need the cooperation of Kong Xuanzong up and down!"

Lu Ming said.

"Holy Son rest assured, empty Xuanzong up and down, will definitely do his best!"

Yue Wuya is the first to speak.

"Wait, I will cooperate with you!"

Other veterans also spoke one after another.

As for Ouyang Qingxiang and others, naturally they will not object.

"Well, that's good. During this time, you will start to gather people!" Lu Ming nodded.

"Lu Ming Shengzi, the Dark Ice Clan, but the big clan fighting with the Bing Soul Clan at the beginning, is extremely strong. We alone are empty opponents, I am afraid it is not an opponent!"

Yue Wu Da Dao.

"Relax, then I will go to the Bingpo clan, I believe the Bingpo clan will be very willing to cooperate!"

Lu Ming said.

"That's good!"

Yue Wuya and others nodded.

Subsequently, many veterans left and began to prepare to go.

And after leaving here, go to a place of Xuan Xuanzong, that is the secret realm of the dragon.

Bone Demon occupies the body of the dragon, has been practicing in the dragon's secret realm, and restores the strength of the dragon. I don't know how much strength the dragon has recovered for so long.

This time, I might need the help of Bone Devil.

As the car got familiar, Lu Ming entered the secret realm of the dragon and flew towards the closed place of the bone demon.

Soon afterwards, Lu Ming saw a huge dragon, lying on the ground, like a mountain, his body radiating light.

"Lu Ming, you are here!"

As soon as Lu Ming arrived, Youlong's huge body moved, and his huge eyes looked at Lu Ming.

"Senior Bone Demon, how is your strength of this ghost dragon recovered?"

Lu Ming asked.

"Hey, you feel it!"

Bone Demon smiled, and then a huge dragon-wee emanated from the ghost dragon.

The strength of this dragon's prestige was almost shocking, and the entire secret of the dragon was trembling violently.

Horror, extreme terror, let Lu Ming have the kind of characters facing the pinnacle of the king family, the family head of the Jin family, the family head of the winged family.

"This...this is the pinnacle of God King?"

Lu Ming trembled.

"Oh, boy, I still have some insights. Yes, the power of this dragon has been restored to the peak of God King by me!"

Bone Devil smiled, full of pride.

"Great, great!"

Lu Ming was ecstatic.

Lu Ming never expected that the bone demon had already restored the strength of the Youlong to the peak of the God King. This kind of strength, let alone Qin Tianxingyu, even in Jiu Jue Tian Wang Mansion, it was a hegemony, walking sideways. Role.

The existence above the **** king cannot come out, this is invincible.

"Unfortunately, this ghost dragon has been suppressed for many years, and the source of consumption is serious. Even if I use all my means, I can only recover to this point at most. Is it beyond the king!"

Bone Devil sighed.
