

D Emperor 3141

Chapter 3141: The final fight

Lu Ming's words made a lot of cold light flash in the eyes of many princes.

After Lu Ming reminded them, they also understood.

From the beginning to the end, the Nine-Knife Heavenly King's Mansion dumped them to play.

They have such masters as young people in white robe, competing for the source of divine power, who can compete with him?

No wonder the Tianjiao of the Nine Sword Heavenly King's House did not intervene in the contention of the Divine Power Source Pearl at the beginning, and the Jiujuue Heavenly King's House killed each other, killed and killed. In the end, the Divine Power Source Pearl still fell into the hands of the Nine Sword Heavenly King's House.

They were thrown and played like a bunch of clowns.

Many people burst into anger.

"Lu Ming, I'm shooting with you. The source of the Divine Power, no matter who it is in the hands, it can't fall into the hands of the Nine Sword Heavenly King Mansion!"

The leader of the Wu family shouted first.

Later, Zhao Mo, as well as the leading figures of his family, followed accordingly.

bump! bump! bump!

Afterwards, several young people stepped forward, parallel with Lu Ming, and filled with a strong breath.

"Okay, join hands!"

These young people have spoken one after another. They are all leaders of other families.

These people are different from Jin Xiang and others. They have no hatred with Lu Ming. At this time, Lu Ming is persuaded to join forces.

"However, that man is very strong, are you sure?"

A young man asked Lu Ming that the man he said naturally referred to the young man in white robe.

"pass it to me!"

Lu Ming smiled, and then stepped out towards the young white robe.

And Zhao Mo, the leader of the Wu family, and others, stood in front of the Tianjiao of the Nine Sword Heavenly King's Mansion, so that they could not interfere with Lu Ming.

At this moment, people are paying attention.

The young arrogance in the large array and all the masters outside the large array gathered their eyes on Lu Ming and the white robe youth.

Watching Landing step by step, the young man in white robe also showed surprise.

He did not expect that Lu Ming really dared to challenge him alone.

"interesting!"

The young man in the white robe opened his mouth.

"It won't be interesting after a while!"

Lu Ming smiled faintly.

"Ten God Sevenfold, with strength like you, is rare in the world, but you are so swelled that you can fight me, you are too confident!"

White robe youth said.

"I will know after the battle!"

Lu Ming's answer is very simple.

"Very well, remember, loser, Yuanyu."

After the young man in white robe finished speaking, with a wave of his hand, the source of divine power flew into the sky and was suspended in the sky.

However, no one dared to compete.

boom!

After Yuan Yu threw out the Divine Power Source Pearl, an amazing breath broke out.

A transparent sword shadow erupted from Yuanyu, rising into the sky and breaking through the deep sky.

"bring it on!"

Lu Ming's eyes showed a strong fighting intention. On the body a few hundred meters high, the divine power spread all over, and the dazzling radiance filled him.

Roar! Roar! ...

Long Yin bursts and Lu Ming's head, there are constantly nine claws Shenlong condensed out.

A total of twenty huge nine-clawed dragons appeared together, and the scene was amazing.

"kill!"

Lu Ming Changxiao stepped out in one step, and the twenty nine-clawed dragons rushed towards Yuanyu first.

Then, nine ice chains flew out and entangled toward Yuanyu.

"Carved insects, break me!"

Yuan Yu drank coldly, the sword came out of the sheath, and came out violently.

The shadow of the sword above his head merged with the sword in his hand, cutting out a tens of thousands of miles.

Daomang cut off, as if splitting the whole world, Daomang brought a wave of endless energy and swept toward the landing.

The wave of endless energy bombarded the Nine Claw Dragon, the Nine Claw Dragon shook violently, and then burst one after another.

boom! boom! ...

The horrible explosion sounded intensively, and the twenty nine-clawed dragons all shattered in almost one breath.

Then there is the chain of ice.

With the sturdiness of the ice chain, it is also difficult to resist the power of Yuanyu's sword, and it resisted a little bit, and all burst.

"Starburst!"

At this moment, Lu Ming exploded with all his strength, exhibiting the "burst star" trick.

A spearman as big as a mountain bombarded the knifeman.

As soon as the gun-man hits the knife-man, it explodes, turning into endless power of destruction, sweeping out.

However, the knife's manpower fell down, and the power of destruction was directly offset.

A tremendous force rushed towards the landing Ming, Lu Ming's body thrilled, backed a thousand miles, a burst of qi and blood, and a trace of blood spilled from the corner of his mouth.

Lu Ming was injured.

The arrogance of Jiu Jue's King's Mansion is all worried.

Lu Ming lost to Yuan Yu. If Yuan Yu defeated Lu Ming, they could only run away.

"Without self-restraint, rely on him, want to fight Yuanyu, idiot to say dreams!"

Duan Jiang sneered disdainfully.

Outside the battle, the smile of the Nine Sword Heavenly King also appeared.

"What a powerful force, is this the second awakening of the original divine factor?"

Lu Ming whispered.

The second awakening of the original divine power factor makes the divine power more terrifying and infinitely powerful.

This kind of divine power, even if it doesn't perform divine skills or occult techniques, the divine power alone is infinitely powerful, the destructive power is amazing, and it can destroy everything.

Just a moment ago, Yuan Xiu's knife directly broke through Lu Ming's various means and was powerful and domineering.

"On this strength, then die, Yu Kong Dao!"

Yuan Yu drank coldly, holding the knife in both hands, and suddenly cut it out with a knife.

Uh!

A silver-white knife light, terrifying and terrifying, slashed to Lu Ming, quickly and absolutely.

At this moment, Lu Ming seemed to feel that the space around him was squeezed, making him want to dodge, and his speed would slow down a lot.

Faced with this knife, only hard resistance.

"Try the power of the Gate of Domination!"

Lu Ming's eyes showed the look of expectation.

He didn't want to expose the door of dominance, but apparently, he is not the opponent of the opponent without the door of dominance now.

"Door Gate, come out!"

Lu Ming snorted, and an ancient stone door appeared above his head as the divine power worked.

Now, Lu Mingshi exhibits the 'Door of Domination', which is already quite popular. The 'Door of Domination' is very solid, like an ancient door, coming across time and space.

As soon as the Gate of Dominance came out, it exuded amazing fluctuations.

"Suppress me!"

Lu Ming waved his hand, and the door of the master flew out, upright, emitting a purple-gold brilliance, slamming toward Yuanyu's sword light.

boom!

In an instant, the silver-white knife light was chopped on the 'Door's Gate'.

The crazy vibrations of the two stimulated a wave of endless energy, sweeping all directions.

boom!

Then, the silver-white knife light shattered, and the 'Door Gate' was also flicked back.

"How can you...?"

Yuan Yu shouted in shock.

He had almost exerted all his strength in the move just now, and was supposed to kill Lu Ming in one move, but unexpectedly, he was blocked by Lu Ming, and Lu Ming did nothing at all.

Not only him, but others who saw this scene were dumbfounded.

"It turns out that Lu Ming still has the cards!"

Many people whispered, and more people were shocked.

Lu Ming's many methods are really shocking.

Chapter 3142: Beat Yuanyu

"Come again!"

Lu Ming shouted, stepped on the void, and walked towards Yuanyu. The 'Dominant Gate' followed Lu Ming, exuding a radiant brilliance, and continued to blast towards Yuanyu.

"Break me!"

Yuan Yu shouted, the sword in his hand was suspended in the air, and his hands constantly pinched the Yin Ju.

Buzz!

The war blade shook, the sword rushed to the sky, and then flew out directly, slashing towards the 'Door of Domination'.

This is a kind of 'royal sword' method, and the attack power is amazing.

Keng!

The sword was slashed at the 'Door of Domination', and the sound of gold and iron struck, and Mars was everywhere.

However, the Gate of Domination was safe and sound, and instead the War Sword flew out.

After the war knife flew, he turned a corner and actually passed the door of the master directly and slammed towards the landing.

He wanted to pass the door of the ruler and directly kill Lu Ming.

But Lu Ming had long expected that he would have this move. Under the flash of the door of the master, the speed returned to the top of Lu Ming's head with astonishing speed, and continued to bombard the sword.

when!

The Saber continued to be blasted out.

Huh...

Immediately afterwards, there was a whispering voice in the door of Domination, and a horror of attraction broke out.

The door to domination, in fact, has only one door frame, which is made of stone, empty in the middle, and completely dark.

At this moment, the dark place rotates like a dark black hole.

The horrible attraction suddenly shrouded the sword, and the sword was buzzing and shaking, but it was resisted by the attraction and it was difficult to move.

boom!

Then, the Gate of Domination killed Yuanyu again.

Yuan Yu's face changed, he lost the sword, and quickly took out a sword from the storage ring and cut it out.

Daoman slashed at the door of the ruler. The door of the ruler only shook a bit, but Daomang broke apart.

Lu Ming continued to control the door of the Dominator to bomb Yuanyu, and Yuanyu could only fight as hard as he could.

The two are completely strong against strong, constantly colliding, full of energy.

However, the attack power alone is similar.

However, the kind of attraction that broke out at the Gate of Domination continued to seriously affect Yuanyu's play. He needed to exert another divine power to resist this attraction. In this way, after more than a dozen moves, Yuanyu has fallen.

Yuan Yu slowly lost ground, backing up again and again, his body trembling slightly, apparently caused by extreme pressure.

The eyes of all the people who saw this scene couldn't help but widen.

Yuan Yu is actually going to lose. Lu Ming's combat strength is too terrifying.

Seven gods, how can such a combat power be?

"Origin secret technique, this is the origin secret technique!"

Outside the large array, the Nine Swords King shouted inconceivably.

Nine swords Uranus, endless years of starry and starry sky, no big winds and waves have been seen, but at this time, he can not withstand the fluctuations of his heart, completely lost his mind.

He has already seen that Lu Ming is the 'source secret technique'.

Last time, Lu Ming was besieged by Duan Jiang and others, and was trapped in a state of life and death, and realized the secret technique of the original source. However, at that time, the door of the Lord had just realized it. If it appeared looming, once it was shot, it broke apart, so The Nine Sword Heavenly Kings and others did not recognize it as a 'source secret technique'.

But now Lu Ming is constantly shooting, and with the knowledge of the Nine Sword Heavenly King, he naturally recognizes it.

"What? The Secret Technique?"

"Oh my god!"

Hearing the words of King Nine Swords, many people exclaimed, it was unbelievable.

This time many Tianjiao entered the big battle, why did you fight for life?

It is to fight for the source of divine power and awaken the original secret technique.

One can imagine how difficult it is to awaken the original secret technique.

Yuan Yu, the talent of the sky, the King of God once awakened twice as much as the original divine power factor. It can be said that it was stunning, but he wanted to awaken the original secret technique, which is still far away.

He wants to get the source beads of divine power, to awaken the original secret technique.

But now, Lu Ming is useless, and actually awakened the original secret technique.

The Sevenfold of Tenjin not only awakened the source divine power factor, but also the source secret technique.

This can no longer be described as a demon, it is simply perverted, monster, miracle...

One can imagine the shock of these people.

"Hahaha, good!"

King Jiu Jue was also shocked at first, and soon reacted, laughing.

Jiu Jue Tian Wang Mansion actually had such an arrogance this time, and it will definitely shine in the Taixu Royal Sanctuary, and even be valued by the Holy Emperor.

The heads of the three families of the Jin family, the Yiren family, and the Qin family, and the masters, looked ugly.

Many of the three great families have died in Lu Ming's hands. It can be said that they never die. The stronger Lu Ming is, the more worried they are.

"We must find a way to get rid of this kid!"

Such thoughts flashed in the hearts of several family leaders.

In the Great Formation, the war continues.

Lu Ming and Yuan Yu fought a dozen more moves. Yuan Yu could not bear it anymore. The sword was struck. The violent power of the Gate of Domination was suppressed. Yuan Yu's body flew out like a cannonball, and he coughed. blood.

"kill!"

Lu Ming shouted, and continued to manipulate the 'Door of Domination' to bombard Yuanyu.

Yuan Yu roared, his palms were like swords, bursting out of swords, slamming toward the door of the master.

However, his wounded body, with his palms alone, could not resist the door of the master.

After a roar, Yuan Yu screamed, his body flew out, his mouth spurting blood, his hands and palms were all bursting apart, flesh and blood flew, and he couldn't bear to watch.

"Lu Ming, I have written down what happened today, and next time, I will give it back ten times!"

Yuan Yu roared, and then turned into a blade of light, and flew directly into the distance. The speed was amazing, flashing a few times, and Yuan Yu's figure disappeared.

Yuan Yu actually fled directly.

Lu Ming did not pursue, in fact, he has no ability to pursue now.

The Gate of Domination, after all, he had just realized it not long after, and after a battle with Yuanyu, he felt almost unable to control it.

If Yuan Yu can persist for a while, I am afraid he will lose.

Running the divine power, the door of the master above Lu Ming's head disappeared.

Lu Ming stepped out in one step and appeared at high altitude, grasping the Divine Power Source Pearl in his hands.

Then, Lu Ming wanted to put the Divine Power Source Pearl into the storage ring, but for a moment, he didn't expect that the Divine Power Source Pearl could not be put into the storage ring.

"How is it possible? How is this possible?"

The arrogance of the Nine Swords King's Mansion can't be more shocked.

Yuan Yu was actually defeated by Lu Ming. In this scene, they couldn't even dream of it.

Zhao Mo, the leader of the Wu family, and others took a long breath, and his mood was extremely complicated.

How strong Yuan Yu is, they know very well that before, Yuan Yu used a trick to easily crush the leading characters of the winged family, but Lu Ming could defeat Yuan Yu. Doesn't it mean that Lu Ming's strength can easily crush them? .

A person with seven gods can easily crush them. If someone said to them before, they must sneer.

Chapter 3143: Thank you for compliments

Lu Ming's eyes looked at those arrogances of the Nine Sword Heavenly King's Mansion.

The arrogance of the Nine Sword Heavenly Palace changed greatly.

At this moment, they shouldn't say to **** the source of the Divine Power, and they don't even have the intention to move their hands.

Yuan Yu was defeated and fled. If Lu Ming joined forces with the people of Jiu Jue Tian Wang Mansion, they would be in danger.

bump!

Lu Ming came out step by step, and the vibration of the void also made the people of the Nine Sword Heavenly Palace jump wildly.

"Lu Ming, Divine Power Source Pearl, we can not compete with you, but don't go too far!"

Duan Jiang shouted.

"Too much? How many of you guys besieged me before, why don't you say it's too much? I have a merit, and I will be rewarded if I have a hatred!"

Lu Ming sneered, stepping faster and faster, heading towards Duan Jiang.

"Shoot together, we shot together, I don't believe it, so many of us are not his opponents!"

Duan Jiang shouted, wanting to instigate the Tianjiao of the Nine Sword Heavenly King's Palace together.

But this time, the arrogance of the Nine Sword Heavenly King's Mansion flashed his eyes.

Lu Ming is too strong, and with the arrogance of the Jiu Jue Tian Wang Mansion, they really want a battle, and they will definitely fail.

"It is not appropriate to be reckless now. Let's retreat first and find a chance to kill him later!"

"Not bad!"

Tianjiao, King of the Nine Swordsman whispered a few words, and then backed away.

"you guys..."

Duan Jiang was shocked and could only retreat with the arrogance of the Nine Sword Heavenly King's Mansion.

But Lu Ming moved quickly, chasing away.

"You can go, but he must stay!"

Lu Ming pointed at the leader of the Qin family and spoke indifferently.

The leader of the Qin family was previously severely injured by Lu Ming. He had been hiding behind the celestial princes of the Nine Sword Heavenly King's Mansion. At this time, he also wanted to follow the people of the Nine Sword Heavenly King's Mansion.

"Don't promise him, save me..."

The leader of the Qin family was shocked and screamed quickly.

"This is an internal matter of your Nine Heavenly King's Mansion. It has nothing to do with us, and we can't control it either."

"Yes, your business, you solve it yourself!"

The people of the Nine Swords King's Mansion shouted.

Lu Ming didn't shoot them, they were still eager.

As for the Qin family leaders, what do they do with them? Are they eager to kill each other?

The people of the Nine Sword Heaven Palace retreated sharply.

"No, you help me!"

The leader of the Qin family shouted and wanted to follow the people of the Nine Sword Heavenly King's Mansion.

"Go away!"

A prince of the Nine Sword Heavenly King drank coldly, slashing at the Qin family leader, forcing the Qin family leader back.

At this time, Lu Ming has chased.

"kill!"

Lu Ming drank coldly, and the huge spears pressed against the leader of the Qin family like mountains.

The leader of the Qin family was originally injured, and could not stop Lu Ming's attack. He fell to the ground with a stroke.

"Cathode pupil!"

Lu Ming whispered, a vortex appeared, and a terrible cold force spewed out, freezing the leader of the Qin family, and then Lu Ming rushed by and killed the leader of the Qin family.

"Damn!"

Outside the large array, the Qin family head and the Qin masters screamed and their eyes were red.

A tremendous arrogance was killed, making them sad.

At this time, the arrogance of the Nine Sword Heavenly King's Mansion had already retreated, and Lu Ming did not pursue it.

He originally wanted to kill Duan Jiang, but at the moment, he was overwhelmed and weak.

The consumption of the exhibition 'Door of Domination' was too great for him, beyond his expectations.

Generally speaking, those who can comprehend the original secret technique are all geniuses among geniuses, and cultivation is at least the realm of **** king, so it is possible to comprehend.

Therefore, the divine power needed to urge the original secret technique is also extremely scary.

Originally, with Lu Ming's seven-fold cultivation, and the strength of his divine power, there was no way to urge it, and there were so many moves.

Lu Ming is purely relying on the word formula.

He stored a large amount of divine power in the word measurement tactics before he was able to urge it.

But during this period of continuous wars, coupled with the excessive consumption of divine power by urging the 'Door of Domination', he discovered that the divine power he had stored in the quantization formula had all been used up.

Therefore, Lu Ming is actually empty.

If Yuan Yu supports more for a period of time, or if the Tianjiao of the Nine Sword Heaven King's Mansion is not afraid of dying and Lu Ming fights, Lu Ming will be exposed immediately.

But Lu Ming's performance before was too amazing. Even if the bravery of the Nine Sword Heavenly King's House was daring, he would not dare to fight Lu Ming.

After killing the leading figures of the Qin family, Lu Ming grabbed the divine source bead and stood in the air, constantly running "Qiankun Wanda Jue", while waiting to recover his divine power.

The heavenly pride of Jiu Jue's King's Mansion, although looking at the Divine Power Source Beads in Landing Ming's hands, their eyes were fiery, but they did not dare to go up and compete with Lu Ming for Divine Power Source Beads.

The golden elephant, the leader of the Qin family, is a lesson.

Therefore, the scene fell silent, and time passed quickly.

Soon, a month's time is coming.

"Hahaha, it seems that the source of Divine Power is owned by Lu Ming. Nine Swords, your abacus this time has failed!"

The nine kings laughed.

This time, although the contradictions among the major families have deepened, at least the source of the Divine Power, which fell on Lu Ming's hands, was not as miserable.

"Humph!"

King Nine Swords snorted coldly, looking at Lu Ming in the image, his eyes extremely gloomy.

He had planned very well. This time, the plan will not only deepen the contradictions among the main families of Jiu Jue Tian Wang Mansion, but also the source of Divine Power will eventually fall into the hands of Yuan Yu, helping him to awaken the original secret technique.

With Yuanyu's talent, coupled with the awakening of the original secret technique, it will definitely shine when the Taixu Royal Sanctuary is held.

Unexpectedly, a Lu Ming was killed halfway, and the Divine Power Source Pearl was taken away.

This made him very upset, and the killing flashed in his eyes.

"Nine swords, the world has arrived, open the formation!"

The voice of King Jiu Jue sounded.

It was a month.

When Nine Swords King waved his hand, the image in the air disappeared. Then, with his hands pinching the seal, a rune flew out, and fell into a large formation.

The large burst of light dimmed, and the mask that shrouded the earth disappeared without a trace.

The big formation is closed!

As soon as the big formation closed, everyone in the big formation felt it.

Suddenly, a rainbow of light rose into the air and flew towards this side.

The first to fly were some arrogances of the Nine Sword Heavenly King's Mansion, among them Yuanyu.

"Sir King, did not complete the task this time, please punish!"

Yuan Yu, as well as other arrogances of the Nine Sword Heavenly King's Mansion, bowed their heads to seek guilt.

"Fuck!"

The Nine Sword Heavenly King waved his hand.

In front, there were people flying constantly, Zhao Mo, the leader of Wu family, and of course Lu Ming.

As soon as Lu Ming flew, he attracted a lot of attention. Everyone's eyes fell on him, as well as the source of divine power in his hands.

"Little guy, you are fine!"

Nine Sword Heavenly King's eyes also fell on Lu Ming, extremely cold.

Lu Ming felt stared at by a terrifying beast, standing upside down with his hair.

"Thank you for the praise of King Nine Swords!"

Lu Ming clenched his fists and was neither humble nor hyperactive.

Chapter 3144: Taixu Royal Sanctuary

King Nine Swords sneered, and said, "Little guy, the source of magical power, has an effect on this king, so let's make a price and sell it to me!"

The Nine Sword Heaven King actually wanted to buy the Divine Power Source Pearl back.

"Sorry, the juniors don't want to sell!" Lu Ming clenched his fists.

"Not for sale!"

Jiu Dao Tian Wang Man's eyes narrowed and said, "You are rejecting this king!"

The voice was cold, with a high attitude, overlooking Lu Ming.

Under normal circumstances, speaking in his capacity, the other juniors did not dare to refuse, but Lu Ming refused.

"I said not to sell, the king did not understand?"

Lu Ming's temper comes up, no matter who you are, his tone is not good.

Many people jumped in their hearts, Lu Ming actually dared to speak to the Nine Swords King in this tone.

"Oh, the newborn calf is not afraid of tigers!"

The King of Nine Swords chuckled lightly, and everyone could hear the ice-cold murder in the voice.

King Nine Swords is angry.

"Nine swords, others don't sell it to you, do you still want to buy and sell? The king is not afraid of being joked?"

Jiu Jue Tian Wang opened his mouth, and his figure moved slightly, blocking Lu Ming vaguely to prevent Jiu Dao Tian Wang from bursting out.

"good very good!"

The King of Nine Swords was cold and cold, and then glanced at Lu Ming, saying, "The day of the Taixu Royal Sanctuary is approaching. Then, let's see you at the Taixu Royal Sanctum. When that happens, let you see me. The real arrogance of Daotianwang Mansion!"

"If nothing else, please!"

Jiu Jue Tian Wang waved his hand and made a chase.

"go!"

The King of Nine Swords was not staying. With a wave of his hand, a wave of divine power enveloped the pride of the King Sword of the Nine Swords.

"Okay, today's event is over, but the king tells you that the source of the Divine Power is Lu Ming's and belongs to him. If others dare to take the source of the Divine Power by abnormal means, don't blame the King for not polite!"

Afterwards, the eyes of King Jiu Jue glanced at everyone on the scene and warned.

Many people were shocked.

Indeed, before many people remembered the Divine Power Source Pearl, thinking about what method to use to capture the Divine Power Source Pearl in Lu Ming's hands. Now that I heard Jiu Jue Heavenly King saying this, many people dispelled the idea.

In Jiu Jue Tian Wang Mansion, no one can bear the anger of Jiu Jue Tian Wang.

"Lu Ming, give me the source of Divine Power, I will help you to break the above prohibition so that you can put it away!"

Then, King Jiu Jue said to Lu Ming.

"Thank you, Lord Tian!"

Lu Ming bowed and thanked, and then gave the Divine Power Source Pearl to Jiu Jue.

He is very relieved of Jiu Jue Tian Wang, if Jiu Jue Tian Wang wants the source of divine power, he can't keep it.

King Jiu Jue took the source of divine power, and then used the divine power to extinguish the above prohibition, and gave it back to Lu Ming.

Lu Ming took the Divine Power Source Bead, and when he thought about it, he put the Divine Power Source Bead into the storage ring.

Lu Ming was very happy in his heart, which was much more convenient, otherwise it would be too troublesome to grab the Divine Power Source Pearl every day.

"Okay, let's go back. It is less than two hundred years from the date of the Taixu Royal Sanctuary. This is your great chance. Once you can join the Taixu Royal Sanctum, you can not only enjoy top-level cultivation. Resources are also the basis for your flight to Huang Tengda!"

"It is not impossible to open a government and build an army at that time, and become the new King's Mansion in the future. Therefore, during this time, you must work hard to cultivate and improve yourself!"

The voice of the King of Nine Jubilees sounded.

"Yes, King!"

Many people shouted.

Especially the arrogance of the younger generation is even more expectant.

The starry sky camp is just the foundation.

Joining the starry sky camp, you are eligible to participate in the selection of Taixu Royal Sanctuary, otherwise, you will not even have the qualification to select.

Their ultimate goal is to enter the Royal Sanctuary of Taixu.

There, all the arrogance of the Taixu dynasty gathered.

Historically, among the big figures who have appeared in the Taixu dynasty, nine of the top strongmen came out of the Taixu royal holy palace.

At that time, Jiu Jue Tian Wang and Jiu Dao Tian Wang Mansion all joined Taixu Royal Sanctuary and practiced there.

Taixu Royal Sanctuary is the goal of all the arrogance of Taixu dynasty.

"Okay, go back!"

Jiu Jue Tian Wang waved his hand, and then everyone dispersed.

Among them, Lu Ming has a source of magical power on his body, and Jiu Jue Uranus specially sent a master to send Lu Ming back to the starry sky camp.

In the starry sky camp, there are nine masters of the king's palace guarded by the masters, and they are not afraid of being remembered.

After returning to the Starry Sky Camp, Lu Ming immediately shut down, took out a large number of Divine Crystals, devoured Divine Crystals, and restored the Divine Power.

When Lu Ming's divine power recovered almost, Lu Ming received a voice from Lan Shang.

"It seems that Uncle Lan knows the result of competing for the Divine Power Source Pearl this time!"

Lu Ming moved in his heart, and then flew towards the place where the blue merchant lived.

When Lu Ming came to the Lanshang's other courtyard, he didn't see Duoling Ling.

"Ling'er retreat during this time to impact the realm of God King, I must be able to go to the Realm of God King next time I leave the customs!"

Blue Merchant appeared and smiled.

"Uncle Lan, what are you doing with me?"

Lu Ming asked with a smile.

"I heard that you got the source ball of divine power, and also awakened the original source secret technique.

Lan Shangwang landed and said.

"Nature is true. Isn't it normal to do this with my talent?"

Lu Ming said shamelessly.

"Hahaha, it's normal, you put your original secret technique to show it!"

Blue Business Road.

"it is good!"

Lu Ming nodded, then operated to dominate the divine power, and an ancient stone door emerged above his head, exuding the ancient atmosphere of the wild.

"Door Gate, Dominator Gate, Hahaha, Powerful, Powerful, Seven Gods of Heaven, without the help of external force, awakened the "Door Gate", your talent is more powerful than Jingyu!"

Lan Shang laughed, his face full of joy.

The higher Lu Ming's talent, the happier he is naturally.

"Overwhelming, overwhelming!"

Despite being humble, Lu Ming couldn't hide the pride in that face.

It was a pity in his heart that if Lan Ling's stubborn girl saw it now, she didn't know what it would look like.

"Although you have awakened the mystery of the original source, but you control a variety of divine powers, the source beads of the divine power are still of great use to you. You can use it to awaken the original secrets of other divine powers!"

Blue Business Road.

Lu Ming nodded, but he had other plans in mind.

It is already reluctant to use his cultivation practice to manipulate a source secret technique. It is futile to not awaken any more source secret techniques.

He intends to use the source beads of the divine power for Qiuyue, so that Qiuyue can awaken the original secret technique.

"By the way, I am looking for you this time, mainly for the convening of Taixu Royal Sanctuary!"

Blue Business Road.

"Taixu Royal Sanctuary!"

Lu Ming whispered.

Before, the Blue Merchant mentioned it to him, and later he listened to the mention of the King of Nine Judgments, and now the Blue Merchant mentioned it again, showing how much he attached importance to the Taixu Royal Sanctuary.

Chapter 3145: Eligibility of the Kaifu

"Taixu Royal Sanctuary, is it really so important?"

Lu Ming asked curiously.

"Very important!"

Lan Shang Zheng focused on the head and said, "The Taixu Holy Cult, more than 90% of the big figures, have been trained in the Taixu Royal Holy Palace. Me and Jingyu are no exceptions, especially for you, it is more important!"

"More important to me?"

Lu Ming was even more puzzled.

"Yes, the first is the problem of cultivation. You control a variety of divine powers. You should now feel that it is not difficult to cultivate a variety of divine powers. It takes a lot of energy?"

Blue Business Road.

Lu Ming nodded.

He really felt the same about this.

Ordinary people, cultivating a kind of divine power, must exhaust their life energy, need to comprehend the source divine power factor, and also must enlighten the source secret technique.

What's more, he now controls eight divine powers and two other powers.

Cultivation is even more difficult.

Under the guidance of the Blue Merchant, coupled with his own amazing talents, now he has only awakened the original divine power factor of the two powers of dominance and indestructible sword power, and it is only awakened once, other divine powers, Want to awaken the original divine power factor, still a lot different.

This made Lu Ming helpless.

If he gave up other divine powers and majored in two kinds of divine powers, then the advantages of "Qiankun Wandao Jue" could not be exerted.

Could it be that the Taixu Royal Sanctum can help him cultivate divine power?

Sure enough, the Blue Merchant opened his mouth and said, "The Taixu Royal Sanctuary, there is a cultivation holy place, which can greatly help to enlighten the divine power, comprehend the source divine factor, and even increase the chance of awakening the source mystery!"

"There is such a place?"

Lu Ming's eyes lit up.

No wonder Tianjiao everywhere in the Taixu dynasty has sharpened their heads and wants to enter the Taixu Royal Sanctuary. It turns out that the Taixu Royal Sanctuary actually has such a cultivation holy place.

In the ancient city of Xingyue, the Pantheon Cliff also has a similar function, but it only opens once a long time, and it can only be practiced for three years at a time. The time is too short, and the help is very limited.

And it is only very helpful to people who do not have the awakening source power factor. After awakening once, the effect is very weak.

But the cultivation holy ground of Taixu Royal Sanctuary, the effect is not so weak.

Moreover, this is just a cultivation place for the Taixu Royal Sanctuary. There are many other mysterious places.

"Another one is a question of future development!"

Lan Shang continued to explain, "If the Taixu Royal Sanctuary develops well, it will even be able to open a family, and occupy its own territory and create a power!"

"Kaifu Lizu?"

Lu Ming was shocked.

"Yes, now the 27th Heavenly Mansion of the Taixu Holy Dynasty, do you think it has been established since the Taixu Holy Dynasty? Not so, part of it was sealed when the dynasty was established, and part of it was the Kaifu Lizu, and then slowly Strengthen, and finally successfully promoted to the King's Mansion!"

"For example, Jiu Jue Tian Wang Mansion and Jiu Dao Tian Wang Mansion are all the same. They were created by Jiu Jue Tian Wang and Jiu Dao Tian Wang, respectively, and they are promoted step by step to Heavenly King Mansion!"

Blue Business Road.

Lu Ming dumbfounded, did not expect Jiu Jue Tian Wang Fu and Jiu Dao Tian Wang Fu, was actually created by Jiu Jue Tian Wang and Jiu Dao Tian Wang, he had always thought that it was divided when the Taixu Sheng Dynasty was established.

For example, Jiuyou Heavenly King Mansion, which was sealed during the establishment of the Taixu Holy Dynasty, evolved from the original Jiuyouzong.

"So, the Nine Nether Heavenly King's Mansion and the Nine Sword Heavenly King's Mansion are considered weak in the Twenty-seven Heavenly King's Mansion, after all, the background is too shallow!"

"In addition, there are the forces of the Kaifu Li clan, occupying a territory and developing forces. Although they are not as good as the 27th Heavenly King Mansion, they are also very strong. As long as they accumulate enough strength to become the 28th Heavenly King Mansion, even 20 Nine Heavens Palace is also possible!"

"In addition to having great credit, there is also an opportunity for the Kaizu Lizu, that is, when the Taixu royal pilgrimage is held, there will be countless days of arrogance, a gathering of turbulence, and the Holy Emperor coming in person, as long as he is in Taixu. When the Royal Sanctuary is convened, the top ten places will be granted, and you will have the qualification of Kaifu!"

"And if you want to reverse the case for Jingyu, you must not only find out the truth of what happened that year, but also have strong strength and sufficient knowledge, so that you can reverse the case for Jingyu!"

"So, my request to you is that on the date of the Taixu Royal Sanctuary, get the top ten places, have the qualifications of the Kaifu, and then use this as a basis to strengthen your power only when your power is strong enough, and even after becoming the new Tianwang Mansion, the chance of reversing the case for Jing Yu will be enhanced!"

Lan Shang said a lot in one breath.

"Is the top ten of Taixu Holy Cult, qualified for Kaifu?"

Lu Ming whispered, and then Zheng Jiantou said, "Uncle Lan is assured, I will succeed in the top ten!"

"You can't carelessly enter the top ten, but it's not so easy. With your current strength, it's impossible!"

"You know, this time for the source of the divine power, only the Jiu Jue Tian Wang Mansion and the Jiu Dao Tian Wang Mansion are the first heavy or less than the weight of the **** king. The two major kings, but there are more than one king of the heavenly arrogance!"

"Moreover, in the twenty-seven heavenly palaces, the strength of the Jiuju Heavenly Palace and the Nine Swords Heavenly Palace are weak, the strength of the other Heavenly Palaces is even more amazing, and the Tianjiao is more!"

"In addition to the 27th King's Mansion, there are many forces that have not reached the level of the King's Mansion, such as the Junhou Mansion and the General Mansion, and there are many geniuses. Together, they are very amazing!"

"The most important thing is the Taixu dynasty itself. The Taixu dynasty itself occupies a huge and rich territory. It is the core of the Taixu sacred dynasty. There are other monarchs' palaces, and the arrogance of the general's palace is more and stronger, this time, you understand how difficult it is to enter the top ten!"

The Lanshang solemnly warned.

Lu Ming's brows also wrinkled, and listening to Lan Shang said, it was really difficult to get into the top ten.

"There are still about two hundred years. During this time, you will step up your cultivation and use your talents, you may not have a chance. Once you become the top ten, you will get more resources after you enter the Taixu Royal Sanctuary. Being able to have the qualifications of the Kaifu people is very important for your future development!"

Blue Business Road.

"I understand!"

Lu Ming Zheng focused his head, his eyes firm.

In the top ten, he must enter.

"Okay, I have to tell you that there are so many. Next, do you have any questions for me? Just ask!"

Lan Shang smiled slightly, the atmosphere relaxed.

Of course, Lu Ming has questions to ask. Immediately, Lu Ming consulted Lan Shang in detail about the cultivation and understanding of the 'Dominant Gate'.

Lan Shang also explained one by one that Lu Ming's comprehension of the 'Dominant Gate' has rapidly increased.

Chapter 3146: Blue Spirit Breakthrough

Lu Ming stayed here at the Blue Merchant, and he wholeheartedly asked the 'Door of Dominance'. His insights and insights into the 'Door of Dominance' quickly improved, and his use of the 'Door of Dominance' was also improving.

With the deepening of the understanding of the 'Door of Domination', not only will its power become stronger, but when it is used, the divine power required will also decrease.

In addition, when comprehending the 'Dominant Gate', Lu Ming's understanding of the dominance of the master is also deepened. Lu Ming's dominance of the master has been cultivated to the limit of one awakening, and now Lu Ming feels away from the second awakening, Getting closer.

In a blink of an eye, Lu Ming practiced in the place where the blue merchant lived for half a month.

On this day, Lu Ming was practicing, and suddenly there was a strong breath behind the place where the blue merchant lived.

The breath is filled with great coercion of the **** king.

Someone is breaking through the King Realm!

As soon as Lu Ming moved, he immediately understood.

"It was Ling'er who was breaking through the **** king. This girl closed for a while and finally succeeded!"

There was a smile on Lanshang's face.

"It turns out that Lan Ling is breaking through!"

Lu Ming moved.

"Go, let's go and see!"

Lan Shangdao, then headed towards the back of the other courtyard, Lu Ming followed.

Behind the Lanshang residence is a purple bamboo forest.

At this moment, the blue spirit plate sits in the purple bamboo forest, surrounded by the divine light, beautiful and incomprehensible.

She radiated powerful waves constantly, and the bamboos around her were bent.

However, this kind of purple bamboo is very tough and has not broken.

With the passage of time, Lan Ling's breath became stronger and stronger, especially her Dantian was shining brightly. Lu Ming seemed to see a star core at the position of Dantian.

Yes, at this moment, the fire inside the blue spirit has been completely transformed into a star core, which means that the blue spirit has almost succeeded in breaking through.

Huh...

Suddenly, Lan Ling's body exploded with a strong attraction, and the spirit between heaven and earth madly gathered towards Lan Ling's body.

Fortunately, above the star peaks of the Starry Sky Camp, the richness of the spirit can't be opened, and there is no worry about the lack of the spirit. A large amount of the spirit is absorbed by the Blue Spirit and transformed into divine power.

About half a day later, Lan Ling made a squeaky drink, rising from the sky, standing on a purple bamboo, fluttering with immortality.

She successfully broke into the realm of God King, and has been completely stable.

"Ling'er, congratulations!"

Lan Shang smiled.

The **** king is a barrier to the practitioners of the vast universe.

The False God, True God, and Tenjin are a process of condensing the **** fire and expanding the **** fire. It can be said that it is the basis for the cultivation of the **** realm. In the vast and vast world, it is only the lowest level of existence.

The Divine King Realm, condensing the star core, is equivalent to mastering the key to the stronger. This is already considered to be a hall of entry for the entire Divine Realm practice.

The vast universe, various races, countless existences, and it is difficult to break through trapped in the heaven and earth.

Nothing can break through the realm of God.

Once you cross the king, it is another level.

Blue business is naturally happy.

"Thank you dad!"

Lan Ling's crisp voice sounded, and then his eyes fell on Lu Ming, revealing a cold and proud look, saying: "Lu Ming, you are here, too, very good, just counted the original account, I said, I reached After the King Realm, I will not let you go!"

After words, Lan Ling exuded a strong breath of volatility, and an ancient and old breath filled out, pressing toward the landing.

"Ling'er, you..."

Lan Shang was about to speak, but was interrupted by Lan Ling.

"Dad, don't plead for him. It's useless for anyone to plead today. The shame he gave me, I must return it!"

Lan Lingdao, thinking of Lu Ming's slap in some parts, she gritted her teeth.

"That was not what I meant..."

Lan Shang was helpless for a while. He knew that Lu Ming had defeated all the gods of Jiu Dao Tian Wang Fu and Jiu Jue Tian Wang Fu. Even if Lan Ling broke through, he was not Lu Ming's opponent.

He wanted to persuade Lan Ling not to start with Lu Ming, but unfortunately, he just broke up and was interrupted by Lan Ling.

"Dad, don't say anything, I won't listen!"

Lan Ling stubbornly said.

Lu Ming said with an inexplicable smile on his face, said: "Uncle Lan, you don't want to intervene, let Ling Ling take a good shot, otherwise she will not be angry!"

Lan Shang looked at the terrible smile on Landing Ming's face and couldn't help mourning for Lan Ling.

However, he is really irresponsible as a dad. He thought about it, whether it was a scolding or a love, maybe Lu Ming and Lan Ling were playing, and then they had feelings?

Therefore, he showed a helpless expression and sighed: "It's okay, how can you young people love it, my old man can't control it, take a step first!"

After finishing talking, the blue business figure disappeared without a trace.

The fact that Lan Shang went so simple made Lu Ming stunned for a while.

This kind of fatherhood is really unreliable, and Lu Ming despised it.

"Huh, Lu Ming, no one is here now. Take it, I will let you do three tricks!"

Lan Ling's breath became stronger and stronger, covering Lu Ming.

Breaking through the Divine King Realm, coupled with her awakened original divine power factor, made her strength soar many times. Although Lu Ming's strength was strong, she had full confidence to suppress Lu Ming.

"Today, I want you to beg me for mercy!"

Lan Ling silently muttered.

"Let me three strokes, are you serious?"

Lu Ming seemed to be laughing.

"Shoot, otherwise you will have no chance!"

Lan Ling looked cold and arrogant, confident.

"Well, since you have such a strong request, then I'm welcome, look!"

Lu Ming took a sip, dominated the riot of divine power, and then the 'Door of Domination' emerged.

As soon as Lu Ming shot, he used the strongest trick 'Dominant Gate'.

boom!

The door of the master shook and directly suppressed towards the blue spirit.

As soon as the door of the ruler came out, the horror fluctuations were overwhelming toward the blue spirit.

"You... are you the original secret technique?"

Lan Ling followed the Blue Merchants all the year round, and his knowledge was still very broad. As soon as he saw the door of the Master, he recognized that it was a kind of source secret technique.

She couldn't believe her eyes. Lu Ming was the **** of heaven. She had already awakened the original secret technique.

At this moment, she finally knew what Lan Shang's expression and Lu Ming's expression meant.

But it was too late.

She exploded with all her strength, exerting her strength to the extreme, and wanted to resist the attack of the 'Dominant Gate'.

However, Lu Ming used the door to dominate, and even Yuanyu could be defeated. The original divine power factor of Blue Spirit was only an awakening. There was a big gap compared to Yuanyu, not to mention Lu Ming.

boom!

The Gate of Domination was suppressed, and all attacks and defenses of the Blue Spirit were unable to withstand a single blow, and were instantly destroyed.

Chapter 3147: Lu Ming is stupid

Lu Ming used the door to dominate and instantly defeated Lan Ling's attack and defense. The huge force fell on Lan Ling.

Of course, Lu Ming controlled the power of the Gate of Domination and did not suppress it with all his strength. The power of the Gate of Dominance was just the sorrow of the blue Ling's body, which made him unable to exert power and fell towards the ground.

Uh!

Lu Ming performed the nine-day Kunpeng technique, and in a flash, he took Lan Ling in his hands.

"What do you want to do? Let me go?"

Lan Lingjiao drank, the expression of panic had already appeared in her eyes, tears were spinning in her eyes, and she was almost crying.

She really wanted to cry, so she couldn't break through the God Realm, her strength soared, thinking that she could finally suppress Lu Ming and avenge her hatred.

Unexpectedly, Lu Ming actually awakened the original secret technique, her strength increased even more amazing, she was completely vulnerable.

She was wronged, helpless, wanted to cry...

Does Lu Ming really restrain her?

"What do you want to do? Of course, to teach you..."

Lu Ming pouted, then slapped at a part of Lan Ling.

Snapped!

The clear sound rang through the purple bamboo forest.

For a moment, Lan Ling's face and neck turned red, and his eyes were extremely ashamed and angry.

"Dad, daddy, this maniac bullies your daughter, come and help me, daddy..."

Lan Ling yelled, wanting to call Lan Shang to help her.

In the other court, the Blue Merchant sat cross-legged, the treasure was solemn, and he kept muttering: "I'm in retreat, I can't hear, I'm in retreat, I can't hear..."

If Lan Ling saw this scene, it was estimated that he would vomit blood.

Zizhulin, Lu Minggao smiled: "Come on, no one will take care of you if you call your throat broken. Apologize for losing. I will let you go in the future."

"Come on!"

Lan Ling glared at Lu Ming.

Snapped!

Lu Ming took a slap, Lan Lingjiao's body shivered, his face flushed, his teeth gritted.

Lu Ming slapped several times in a row, Lan Ling still glared at Lu Ming, Lu Ming was speechless, this girl was really stubborn.

"This is the end of today, remember, if there is a next time, it is not such a lesson, hehe hehe!"

Saying that, Lu Ming's eyes glanced at Lan Ling several times, making Lan Ling's body tense.

Then Lan Ling flew out, Lu Ming's body rose into the sky, and quickly went away, the voice came out: "Uncle Lan, Lu Ming will come again to ask for advice..."

The voice fell, and Lu Ming had gone far.

"Hey, what did Linger's girl think, Lu Ming was so good, why couldn't she look down on it?" Lan Shang murmured. At the next moment, Lan Ling rushed over angrily, glaring at Lan Shang.

"Dad, why didn't you help me just now?"

Lan Ling asked.

"Ling'er, you also know that your father's star nucleus is abolished, and you are too old to hear it!"

Lan Shang sighed.

"you..."

Lan Ling's chest with anger was up and down. Although the Blue Merchant's star core was abolished, the soul power was amazing, and even the strongest of the God King's Peak could be suppressed.

"Is this still my dear?"

Lan Ling wailed in his heart and could only tremble away.

Lu Ming went all the way back to the other courtyard where he lived.

But as soon as he approached his own courtyard, he felt that there was a great breath in the other courtyard, and at the same time, the spirit between the heavens and the earth madly gathered towards the other courtyard, like a bottomless cave, engulfing the heaven and earth. Demeanor.

"Breakthrough God King, Qiuyue broke through God King..."

Lu Ming was overjoyed.

Through the breath, he easily judged that this breath came from Qiuyue.

And it is impacting the God Realm, and, at the last moment, Qiuyue is almost over.

Outside the other courtyards around, there were a lot of people watching this place, and they were all surprised.

Lu Ming was too lazy to ignore these people, stepped into the other courtyard, and waited quietly.

It didn't make Lu Ming wait for a long time. Within half a day, Qiuyue's breath quickly converged, then Qiuyue's door opened and Qiuyue came out.

"Qiuyue, did you break through?"

As soon as Qiuyue shot, Lu Ming greeted him.

"Master, I broke through!"

Qiuyue replied, his face also hung with joy.

She was not happy because she became stronger. She was happy that she became stronger and could help Lu Ming.

"Amazing!"

Lu Ming heartily sighed.

I think when Qiuyue brought Qiuyue from the rioting galaxy to Kong Xuanzong, Qiuyue's cultivation practice was very different from that of him.

But since Qiuyue awakened the Jiuqiao Sacred Heart, Qiuyue has risen faster than sitting on a star warship, especially after gaining the inheritance of God's Eye Tianjun.

Now, Lu Ming is still in the Seventh Heaven of God, Qiuyue has already broken the God Realm.

At this speed, I really want to scare people to death.

"Qiuyue, give you a good thing!"

Lu Ming said, and then took out the Divine Power Source Pearl.

Lu Ming intends to send the source beads of the divine power to Qiuyue, so that Qiuyue can awaken the original source secret technique.

"Master, what is this?"

Qiuyue curiously looked at the source beads of divine power.

"This is the source of divine power, which can help people to awaken the secret of the source from the source of divine power~"

Lu Ming explained the function of Divine Power Source Pearl again.

"Can help people awaken the original secret technique, that is not necessary!"

Qiuyue's eyes turned.

"no need?"

Lu Ming was surprised, what do you mean?

"Because I have awakened the original secret technique!"

Qiuyue smiled.

"what?"

Lu Ming was speechless and almost silly.

Qiuyue awakened the original secret technique, right?

Breaking through the King of God, also awakened the original secret technique?

"Master, look!"

After Qiuyue finished speaking, she controlled the divine power, and her body exuded a purple-gold brilliance, and then an ancient machete appeared on the top of her head.

This scimitar seems to be actually stone, with traces of years engraved on it, filled with a rich and ancient atmosphere.

"The original secret technique is really the original secret technique!"

Lu Ming couldn't help widening his eyes.

He has awakened the door of the master, and he will never admit his mistake. This is the secret technique of the source.

The same kind of divine power, different people, the awakening of the original secret technique may also be different.

It is not the person who controls the divine power. The awakening of the original secret technique is the door of the master, and it may be other.

"My secret technique is called the 'Master's Blade'!"

Qiuyue explained.

"good job..."

Lu Ming doesn't know how to describe his mood now.

He worked hard and died nine years in a lifetime, only in the fierce fighting, he awakened the original secret technique.

Qiuyue turned out to be just a retreat, not only breaking into the realm of God King, but also awakening the original secret technique.

Of course, the stronger Qiuyue, the more happy Lu Ming is.

"Master, Qiuyue can help you now!" Qiuyue is also quite happy.

"of course!"

Lu Ming nodded.

With Qiuyue's current strength, I am afraid he is no longer Qiuyue's opponent.

He controls a variety of divine powers, and Qiuyue also controls a variety of divine powers. His strengths are the "word of war" and the method of measuring words, as well as the ancient **** body.

However, Qiuyue has such terrible means of extinguishing the god's light, coupled with the **** king's heavy cultivation, the blade of domination, the combat power will definitely be terrifying.

Chapter 3148: Han Xuanbing Lotus Seed

"By Qiuyue, how can you wake up the original secret technique so quickly?"

Lu Ming asked curiously.

"I don't know. I inherited the inheritance of God's Eye and Heavenly King. When I broke through the crystal realm of God, it seemed that I would have a piece of experience about the awakening of the original secret technique in my mind. Then, I naturally awakened. Now!"

Qiyue Road.

Lu Ming nodded, Qiyue was originally the Jiuqiao Sacred Heart, and his talent was terrifying.

Coupled with the experience of God Eye Tianjun, the awakening of the original secret technique is also normal.

You know, God Eye Tianjun, but the giant in the Temple of Heaven, is placed in the entire wilderness universe, that is the pinnacle of power, hegemony.

This is the benefit of getting the inheritance of a supreme strongman, no one else can compare.

"Master, you still have the source of the Divine Power, you still have other Divine Power, use it!"

Qiyue Road.

"Okay, you just made a breakthrough, and you need to consolidate!"

Lu Ming said.

The two chatted a few more words, and each went back to the room.

Lu Ming returned to the room and played with the Divine Power Source Pearl in his hand. After thinking for a while, Lu Ming put away the Divine Power Source Pearl.

He does not intend to use the divine power to source beads now.

Now, in addition to dominating the divine power, as long as he does not awaken the sword power to awaken the source divine factor, using the divine source beads to awaken the source occult skill, he can only awaken the source occult skill with the indelible sword power.

However, Lu Ming did not use a sword, but a gun, and awakened the original secret technique of indelible sword power, which was not particularly helpful to Lu Ming.

After Lu Ming wanted to awaken the 'overlord's gun power' to its original divine power factor, he used the divine power source beads on the overlord's gun power. This is the biggest improvement to Lu Ming.

What's more, there is now a 'Door Gate', which is enough for Lu Ming.

His current cultivation level is still low, but he is not capable of manipulating a 'Door of Domination'. He is more awakening a kind of original secret technique, and he doesn't have such a strong divine use.

Simply keep the source beads of magical power and use them later.

Lu Ming continued to practice retreat.

Time rushed, and twenty years passed.

"Practice this way, progress is too slow!"

Lu Ming frowned. What he was not satisfied with was the improvement of cultivation.

Although the quantification method is constantly refining the stellar nucleus, he controls ten divine powers, and even if the energy of the stellar nucleus is constantly replenished, his cultivation is still very slow.

"If you want to quickly improve your cultivation, there is only one way to find the coldest treasure and speed up the refining of the star's core!"

Lu Ming thought.

In any case, cultivation is the fundamental, only cultivation is improved, the power of other magic skills and mysteries will also become stronger.

It is getting closer and closer to the date of the Taixu Royal Sanctuary, but his cultivation level is too low, only the sevenfold of the **** of heaven, placed in the vast Taixu Holy Pilgrimage, it is not enough to see.

He must speed up the cultivation of cultivation, and it is best to break through to the eighth level of Tenjin and even the ninth level of Tenjin on the day of Taixu Royal Sanctuary.

"Go to Zifeng and ask them, see where you can buy the treasures of the most cold in Jiu Jue Tian Wang Mansion!"

Lu Ming thought, thinking of this, Lu Ming left the starry sky camp and secretly headed for the Wu family.

Came to the Wu family, successfully met Wu Zifeng.

"Want to buy the most precious treasure?"

After hearing this, Wu Zifeng frowned and thought about it. After a while, his eyes lighted up and said: "Brother Lu, if you want to buy the treasure, you will have a chance recently. In the Tianwang District, a large auction every 10,000 years To begin, at the auction, there may be a treasure to the extreme cold!"

"auctions?"

Lu Ming looked.

"Yes, this auction is held by Jiu Jue Tian Wang Fu, and it is only held once every ten thousand years. At that time, there will be a variety of different treasures, even the coldest treasures are naturally indispensable!"

Wu Zi closed.

"How long afterwards!"

Lu Ming was also interested.

"Ten days later, Brother Lu can stay with the Wu family, and then we will go together!"

Wu Zi closed.

"it is good!"

Lu Ming nodded and stayed at the Wu family.

Ten days passed.

This time, many people from the Wu family went to the Tianwang District, many of which had a strong presence. Lu Ming and Wu Zifeng went to the Tianwang District with the Wu Jiaqiang.

Tianwang District is still bustling and lively.

They walked around in the Tianwang District, and when the auction started, they left for the auction.

The auction is huge, and there are hundreds of thousands of people at a glance.

The Wu family is a big family and naturally has a dedicated VIP room.

They waited quietly in the VIP room.

Soon after, the auction officially began, and the person who presided over the auction let people take out treasures.

This auction is worthy of the largest auction of the Jiu Jue Tian Wang Mansion. There are too many treasures, and there are so many things to see.

Many treasures are very hot to watch Lu Ming. Even many high-level **** kings have participated in the competition. At that price, Lu Ming can only stare.

After half a day, Lu Ming did not buy a treasure.

Mainly low-level treasures, Lu Ming can't look down on it, high-level treasures, a bunch of gods are competing, and he can't get in.

It is the master of the Wu family. He shot a few times and bought a few good treasures.

"The next kind of treasure, called Hanxuanbing Lotus Seed, is the most cold treasure. You need to buy it immediately!"

The person in charge of the auction took out a jade box, and after opening the jade box, it was neatly guarded against dozens of lotus seeds.

"There are thirty-six icy lotus seeds in total, with a base price of 360,000 top-grade Shenjing. Each bid should not be lower than 20,000 top-grade Shenjing. Let's start!"

The host shouted.

As soon as the words fell, the bids started.

"Three hundred and eighty thousand top-grade **** crystals!"

"400,000 top-grade **** crystals!"

.....

The prices have risen steadily, and soon came to 500,000 top-grade Shenjing.

"Thirty Hanxuan Ice Lotus Seeds!"

Lu Ming's eyes glowed fiercely.

He decided to buy it, which is absolutely useful for him to refine the star core.

Fortunately, although Han Xuanbing lotus seeds are precious, they are of little use to those high-level **** kings, so there is no high-level **** king to compete. Lu Ming wants to buy it, which may not be impossible.

During this time, he killed a lot of strong enemies. The top-grade God Crystal on his body was millions.

"800,000 top-grade **** crystals!"

Lu Ming spoke directly, pushing the price to 800,000 top-grade Shenjing.

When the scene was quiet, so many top-grade **** crystals were added all at once, which showed that ambition must be gained, and many people began to hesitate to add it.

"one million!"

After a while, someone spoke.

"1.2 million!"

Lu Ming immediately followed.

Then the man fell silent.

The host even asked a few words, no one bid, Han Xuanbing lotus seeds, Lu Ming was successfully photographed at the price of 1.2 million top-grade Shenjing.

Soon, the money was paid, and thirty-six Hanxuanbing lotus seeds fell into Lu Ming's hands.

Chapter 3149: Was missed

When I bought thirty-six Hanxuanbing lotus seeds, Lu Ming had a smile on his face. This trip was worthwhile.

Thirty-six Hanxuan ice lotus seeds may help him refine a large number of stellar nuclei and allow his cultivation to go further.

However, at this time some people were talking in secret.

"That voice was familiar just now, it seems like I heard it somewhere!"

"It's Lu Ming, it seems like Lu Ming's voice!"

"It's indeed him, I won't get it wrong, he is a man of heavenly realm, really rich!"

Some people are talking.

"Lu Ming!"

In the auction, several young people's eyes flashed.

The auction will continue. In the next auction, Lu Ming barely shot, because the prices of many treasures are so high that he can't do it.

It was not until the end of the auction that he shot several times to buy a few treasures with cold attributes, but the quality was no better than Han Xuanbing lotus seeds.

The auction ended, and everyone left the auction.

Lu Ming still follows the Wu family and intends to return to the Wu family first, and then back to the starry sky camp.

However, when they were walking on the street, they were blocked by a group of people.

"Jin Family, what do you want to do?"

Wu Zifeng said with a cold face.

Blocked in front of them were a group of people wearing gold robes, who at a glance knew that they were from the Jin family.

"I have something to find Lu Ming!"

In the Jin's family, a young man stepped out, walking in a dragon and walking in a tiger, with extraordinary temperament.

"Find me!"

Lu Ming looked cold.

"Brother Jin, your speed is really fast!"

Just then, in the other direction, a group of people came out of the air.

Headed by a young man with extraordinary temperament.

This new man has wings behind him, and he is a member of the Yiren family.

"Brother Wing!"

The youth headed by the Jin family smiled slightly.

The people of the Jin family and the Yiren family were in front of the Wu family. This scene attracted people from around to watch.

"It's the Jin family and the Yiren family. What are they doing to block the Wu family? Do they want to start?"

"That's Lu Ming. Lu Ming is among Wu's family members. Is their goal Lu Ming?"

Many people talked secretly.

"What are you doing with me? Are you fighting? Sorry, no time!"

Lu Ming said.

"Don't fight today, make a deal with you!"

The young Jin family smiled and stared at Ming Ming, and said, "Lu Ming, you have already awakened the original secret technique. It is useless to keep the Divine Power Source Pearl, why not sell it to me? The price is free!"

"Sell to me, the price is easy to say!"

Then, the young man of the Yiren family also spoke.

Lu Ming suddenly realized that he understood that the other party was thinking about the source of the Divine Power.

Lu Ming glanced at the youth of the Jin family and the youth of the Yiren family. He felt that these two youths had a very strong atmosphere, and the cultivation base was likely to be above the weight of the **** king, so they did not participate in the competition for the source of the divine power.

The day of Taixu Royal Sanctuary is getting closer and closer, everyone is focused on improving their strength.

The awakening of the original secret technique will undoubtedly make the power skyrocket, so they naturally miss the source of the Divine Power of Lu Ming.

And Lu Ming had awakened the original secret technique, so they concluded that Lu Ming's divine source beads should not be used yet.

"Not for sale!"

Lu Ming said coldly.

"Don't sell it? Lu Ming, you have awakened the original source secret technique, and it is useless to keep the source of the Divine Power. Why not sell it? Only to show its value!"

The young Jin family said indifferently.

"Not bad!"

The youth of the Yiren family also spoke coldly.

"Even if it's worthless, why should I sell it? And, even if I want to sell it, why should I sell it to your Jin family? The Yiren family? You have such a big face, and your face is bigger than the Nine Sword Heavenly King?"

Lu Ming asked back, full of ridicule.

At the beginning, the Nine Swords King wanted to buy Divine Power Beads, but Lu Ming didn't sell them. They wanted to buy them, which was ridiculous.

Moreover, the Jin family and the Yiren family have a life and death feud with Lu Ming. Will Lu Ming sell them?

"you..."

The youth of the Jin family looked ugly.

"Lu Ming, don't toast or eat fine wine!"

The voices of the youths of the Yiren family have cooled down.

"Why? Want to force buy and sell? Lord Tianwang said that the source of the Divine Power was obtained by me, which is my thing. Do you want to disobey Lord Tianwang's orders?"

Lu Ming sneered.

The people of the Jin family and the Yiren family looked ugly.

With so many people present, they did not dare to move Lu Ming. At that time, Jiu Jue King said, if anyone dares to **** Lu Ming's divine source, he is against him.

In Jiu Jue Tian Wang Mansion, who dares to fight against Jiu Jue Tian Wang.

"Lu Ming, if you keep the source of the Divine Power, you don't need it. Isn't it a waste of waste? Instead, let it out and give it to the other arrogance of Jiu Jue Tian Wang Mansion. Wang Fu's strength is even stronger. He raised his head in front of other Tian Wang Fu and got rid of the penultimate title!"

The Jin family youth shouted.

This remark made many people around think about it.

The Jiu Jue Tian Wang Mansion was developed from the back, and its foundation is insufficient. In the 27 Tian Ji Wang Mansion, it has always been the penultimate.

The penultimate is the Nine Sword Heavenly King's Mansion.

Jiu Jue Tian Wang Mansion has been held up by other Heavenly King Mansion.

When the Taixu Royal Sanctuary was held, it was actually a competition between the major emperors.

The more geniuses, the stronger the strength, the greater the natural fame, and more masters will join, and the strength of the Tianwang Mansion will naturally become stronger and stronger.

And a source of divine power can definitely create a terrible arrogance.

Although Lu Ming awakened the original secret technique, the cultivation base was too low. No one thought that Lu Ming would do anything on the day the Taixu Royal Sanctuary was held.

But if the Divine Power Source Pearl is given to a Divine King with double or even stronger Tianjiao use, then there will be a terrible Tianjiao. On the day of the Taixu Royal Sanctuary, the sky will fly, so that the Jiu Jue Tianwang Palace will also Raise your eyebrows.

Jin Family Youth, this is to push Lu Ming out, even if they don't get it, let Lu Ming sell the Divine Power Source Pearl to others.

If Lu Ming doesn't sell, he doesn't think about Jiu Jue Tian Wang Mansion or the fame of Jiu Jue Tian Wang Mansion, so that Lu Ming can be pushed to the opposite of other families, so that other families don't like Lu Ming.

What a vicious trick.

But will Lu Ming care about this?

"roll!"

Lu Ming scolded coldly.

"You... what are you talking about?"

The youth of the Jin family was furious.

"I told you to go, can't you hear?"

Lu Ming said coldly.

"Lu Ming, to say this, you don't want to sell the Divine Power Pearl anymore, you are too selfish and disregard the honor of the Heavenly King Mansion, you are still practicing in the Starry Sky Camp, the Heavenly King Mansion cultivates you like this, you just give back to the Heavenly King Mansion ?"

The young Jin family shouted and continued to buckle Lu Ming's hat.

"On the day of the Taixu Royal Sanctuary, I will naturally let the Heavenly King's Mansion rush up, and will not be suppressed by other Heavenly King's Mansion!"

Lu Ming said lightly.

"It's you? Hahaha, it's you? What do you count? Although your talent is high, but it's a junk. In front of real arrogance, it's nothing!"

The Jin family youth laughed and taunted.

Chapter 3150: Blue maple

"A wild dog barked, Zifeng, let's go!"

Lu Ming said a word lightly, then stepped into the air and stepped forward, too lazy to bother about the Jin family and the Yiren family.

Now, it's useless to say more, and it's enough to prove it by actual action.

"What... do you say? Damn it!"

The youth of the Jin family roared with a somber face, and they wished to slap Lu Ming to death.

However, now he really dare not take action against Lu Ming, now against Lu Ming, I am afraid that Jiu Jue Tianwang will not bypass him.

No matter how angry he was, he could only watch the landing go away.

"Let you be arrogant now, one day, let you die without a burial place!"

The youth of the Jin family and the youth of the wing family secretly cursed in their hearts.

...

Lu Mingxian and Wu Zifeng returned to Wu's house, and then secretly returned to the Starry Sky Camp.

"Old volume, can these Hanxuan ice lotus seeds accelerate the refining speed of the star nucleus?"

In the room, Lu Ming and Liang Ziju exchanged ideas.

"Relax, you can merge a part, enough to make you ascend to the gods!"

Measure the word.

"Then good, these Hanxuan ice lotus seeds, you absorb it!"

Lu Ming devoured thirty-six Hanxuan ice lotus seeds to Liangziju, and then reassured all kinds of magical techniques, waiting for Liangziju to refining energy.

With the energy of Han Xuanbing's lotus seeds to neutralize the star's nucleus, the speed of refining energy by the quantification formula has skyrocketed. In just three years, a lot of energy has been refined.

Lu Ming continued to absorb this energy and turned it into his own divine power, and then began to impact the eight gods.

After a few days of shock, Lu Ming burst into a strong breath, the breath of Tenjin.

Lu Ming's cultivation practice broke another weight and reached the eighth level of Tenjin.

Ten kinds of divine powers broke through together, which made Lu Ming's divine power rich.

With strong divine power, Lu Ming exerts a variety of magical skills and secret techniques, especially the original secret technique "Dominant Gate", it is much easier. Lu Ming's strength goes further.

"Unfortunately, Han Xuanbing's lotus seed neutralizing energy has been used up. Next, I have to practice slowly by myself!"

Lu Ming sighed.

Compared with other people, his rate of improvement is already amazing, but he is still not satisfied.

It is too difficult for him to do things. After 180 years, he will enter the top ten on the day of the Royal Sanctuary of Taixu. This is extremely difficult. Even if he breaks through the eightfold of Tenjin, there is no hope. .

Nowadays, we can only do our best to take one step at a time.

Lu Ming closed his eyes and continued to practice.

In the place where Blue Merchant lived, an unexpected guest came.

A young man, dressed in a Chinese costume, carrying his hands on his back, with extraordinary temperament, descended on the blue merchant's other court.

This young man is not a disciple of Xingkong Camp.

It stands to reason that it is difficult for a person who is not a starry sky camp to enter the starry sky camp, but this person enters the starry sky camp, but no one stops.

In the courtyard, Lan Shang frowned at this person and said coldly, "What are you doing here?"

"Uncle, don't come unharmed!"

Youth smile.

"Don't call me my third uncle, I was kicked out of the blue family by you long ago, and I broke off the relationship.

Lan Shang spoke indifferently, but his voice was full of ridicule.

The young man smiled slightly, disappointed, and said: "In my heart, you will always be my third uncle!"

"Don't come to me with such hypocritical things, let's say, you are not staying in Taixu Sheng, and go to Jiu Jue Tianwang Mansion to do it? I don't believe you will come to see me specifically!"

Lan Shang said coldly.

The young man is called Lan Feng, and his character is clear to the blue merchant. He is gentle on the surface, insidious and cunning in the background, and has a vicious means.

"The third uncle said it well. I did not come to see you specially. I have two main things in Jiujuetianwang Mansion. One of them is related to the cousin Lan Ling!"

Lan Feng smiled faintly. He didn't have any respect for Lanshan's third uncle.

"Related to Ling'er? What's the matter?"

Lan Shang's eyes narrowed, and he had a bad hunch in his heart.

"Uncle San remembers three hundred years ago, you took the cousin Lan Ling and went to the Holy Capital!"

Speaking of which, Lan Feng paused for a moment and smiled, "Cousin Lan Ling's national beauty Tianxiang, as soon as he arrived in the Holy City, shocked the young Tianjiao of the Holy City, and how many people let him fall!"

"Among them, Wu Fan, the son of the Master of the National Master, is extremely talented, but he is a peerless arrogant. In these years, he missed the cousin Lan Ling, but he never missed it. , To give Blue Spirit cousin Xu Wufan one purpose of my trip is to bring Blue Spirit cousin back to the Holy City and marry Wu Fan."

boom!

Hearing this, a violent breath erupted on the blue merchant. His eyebrows glowed, and the power of the horrible soul swept toward the blue maple like a gust of wind. The oppressed blue maple retreated one after another.

"It is impossible for Lan Ling to marry Wu Fan!"

The blue merchant must have his hair open, his eyes full of angry flames, like a mad lion.

He was really angry.

At that time, he was Jing Yu's teacher and Lan Jia's peerless arrogance, known as the future of Lan Jia.

But later, Yu Yu was framed and fell, and he was also implicated. The star core was scrapped and almost became a scrapped person.

At the same time, in order to get rid of his association with the Lan family, so as not to be implicated, he told the world to expel the Lan business from the Lan family.

But now, the Lan family, actually promised to marry Lan Ling to Wu Fan, why?

"Blue business, this is the decision of the senior blue family, you are not qualified to refuse!"

Lan Feng shouted.

"No qualification to refuse? Hahaha, ridiculously, the Lan family had already expelled me from the Lan family. My Lan business was no longer a person of the Lan family. What qualifications do you have to decide Linger's life?"

Lan Shang laughed.

"The blue family ousted you, not the blue spirit. The blue family's blood ran on the blue spirit, and the blue family had the right to decide for her!"

"You have to understand that Wu Fan is the only son of Guo Shi, and Guo Shi is the teacher of Prince!"

Lan Feng shouted.

Lan Shang sneered.

The Lan family, although they are the ancestors of the Taixu Holy Capital, have inherited endless years and profound heritage, but they are still a bit different from the national teacher.

The national teacher, not only has his own strength, but also the teacher of today's prince, has a powerful power.

Wu Fan took a fancy to the Blue Spirit. The Lan Family wanted to marry the Blue Spirit and the State Master to make the Lan Family's strength more stable.

However, the blue merchants have been expelled from the blue family long ago, and the blue family's move is simply shameful.

"Ling'er is my daughter. It has nothing to do with the Lan family. It is even less likely to marry Wu Fan, you, get me off!"

Lan Shang's face grew colder and colder.

"Blue Merchant, don't be obsessive..."

Lan Feng shouted.

"Don't go away, then I will do it myself!"

The cold light flashed in the eyes of Lan Shang, and the power of the soul continued to spread out. The pressed Lan Feng couldn't stand up.
