Chapter 5001: Won't let you go again

Mulan is not only the great benefactor of the Cangqing Divine Realm, but also a top master of the Cangqing Divine Realm as his teacher, and his backing is amazing.

Most importantly, Mulan's own talent is also peerless.

Don't look at her now that she has broken the pole twice, but her potential has not yet been fully developed.

Once judged by big figures in the Cangqing Divine Realm, Mulan has the potential to break the extreme at least three times.

Three times the extreme is so rare, there are not many in the entire universe.

The point is that the prefix 'at least' is added to the front, which is even rarer.

Therefore, even those who are not pursuing Mulan will make friends with Mulan, regardless of men and women.

Therefore, as soon as Mulan broke through, a large number of people came to congratulate him.

Among them, there are Liu Weiyang and several of his friends.

The main purpose of Liu Weiyang's coming was not to congratulate Mulan. He knew that Mulan broke through and Lu Ming would definitely come. If Mulan and Lu Ming were different, they might be able to provoke a dispute between Lu Ming and those suitors.

"That guy Lu Ming, come so slowly, if he doesn't come, these people will have to fight by themselves."

Liu Weiyang muttered, expecting Lu Ming to come soon.

In Tianlan Garden, Mulan looked at the increasing number of people around him, becoming more helpless.

She really hates this situation.

"By the way, Miss, your junior came to you when you were in retreat."

At this time, a maid said.

"My brother? My master is just my disciple, where's the brother?"

Mulan has some differences.

Before the great catastrophe came, she was accepted as a disciple by a great figure in the heavens and gods. This great figure did not accept other disciples before accepting her as a disciple, and shortly after he accepted her as a disciple, the great catastrophe of origin came. After that, that big figure fell into a deep sleep on himself, so where is the younger brother?

"Could it be..."

Suddenly, Mulan's eyes lit up suddenly, exuding a dazzling brilliance, and at the same time, her breathing became a little quick.

But immediately, she became a little nervous.

Is it really possible?

What she thought of was naturally Lu Ming.

Lu Ming always called her a senior sister.

But how could Lu Ming come here?

The universe in the west and the universe in the east are separated by a vast and boundless zone. It is extremely difficult to cross the border.

Besides, isn't Lu Ming in the starry sky of the universe? It's even more remote from the western universe. Without the cultivation base of the **** master peak, it is impossible to span such a long distance.

How many years has Lu Ming been able to reach the peak of God Lord?

The reason she was able to achieve such an achievement was that she was able to gain the chance against the sky and the good fortune against the sky in the ancient starry sky, and she completed the transformation of her body. Later, she entered the heavenly realm and obtained a lot of resource support. There is now this achievement.

Lu Ming's talent is high, but it is only confined to a corner of the cosmos starry sky. It is too far away from the vast universe, the creatures in the forbidden land, and the human Tianjiao in the sky of the gods.

She didn't look down on Lu Ming, she was very confident of Lu Ming.

But when she left, Lu Ming was still developing in a corner of the starry sky of the universe.

Compared with the vast universe, the corner of the cosmos starry sky is so different. Even if she believed in Lu Ming again, she was not sure that Lu Ming could reach the peak of God Lord in more than 10,000 years.

However, deep down in her heart, she was still looking forward to it.

In the universe, besides Lu Ming, who would claim to be her junior?

"He...what's his name?"

Mulan looked nervously and expectantly at the maid and asked, her voice trembling, completely ignoring the people around her.

The maids were very surprised, but they rarely saw Mulan being so calm.

"Miss, that person calls himself Lu Ming, from the eastern universe..."

A servant girl.

"It's really him, it's him..."

Mu Lanfang's heart was beating wildly, his face flushed with excitement, and the constant whispers in his mouth made it hard for himself.

At this moment, there were at least a hundred and dozens of people around, and these people were a little startled when they saw Mulan's expression.

Why is Mulan so excited?

Among the crowd, Liu Weiyang was also a little surprised, but his eyes were constantly scanning the square, and suddenly, his eyes lit up.

coming!

Lu Ming is here!

In the void in the distance, Lu Ming and Han Yue stepped into the air, very fast, and they came close in an instant.

When Lu Ming arrived, he saw Mulan at a glance.

"Senior Sister..."

Lu Ming couldn't help but screamed, without the slightest concealment, the voice came from a distance and reached Mulan's ears.

Mulan's body trembled. She was too familiar with this voice.

The voice she thinks about day and night is absolutely not wrong. It is Lu Ming and Lu Ming.

Mulan looked up in surprise and saw Lu Ming standing in the void, staring at her for an instant.

At this moment, Mulan's heart completely melted.

She stepped in the air and rushed directly to Lu Ming. At this moment, she had only one thought, she wanted to plunge into Lu Ming's arms.

However, when she came to Lu Ming, she couldn't help but stop.

She thought of the past, thought of Lu Ming's attitude towards her back then, thought of Xie Nianqing, thought of Qiuyue...

Thinking of this, she hesitated and watched Lu Ming dumbfounded. After a while, she yelled, "Junior Brother..."

After calling Junior Brother Sheng, something seemed to be stuck in her throat, and she couldn't say anything else.

But the next moment, she felt a strong and powerful arm encircling her slender waist, powerful force surged in, and Mulan couldn't help but leaned into Lu Ming's arms.

She didn't resist, and she didn't want to resist instinctively, so she threw herself into Lu Ming's arms and was deeply embraced by Lu Ming.

"Sister, I finally found you. From now on, I will never let you leave me."

Lu Ming's voice rang in Mulan's ears.

Ok!

Mulan grumbled. At this moment, something seemed to explode in her heart. All the previous complaints, blames and helplessness were forgotten.

The rest is happiness.

She only hopes that this moment will last until the sky is old.

All the people around were stunned, and the boss with many open mouths was stunned.

what's going on?

Even Liu Weiyang, mentally prepared beforehand, was a little dazed at this moment.

And those who pursued Mulan instantly fry the pot.

"Let it go, let it go, small chopsticks, you send me away."

"Remove your dirty hands, you're dead, I'm going to abandon your hands."

"Where is the inferior blood, dare to belittle Miss Mulan, you are looking for death."

Many people roared, their eyes rounded.

What did Lu Ming do?

He actually dared to hold their goddess in his arms, and in front of them.

What a guts!

court death!

In an instant, at least dozens of people forced their way towards Lu Ming, and dozens of murderous auras locked on Lu Ming.

In the crowd, Liu Weiyang was ecstatic.

Chapter 5002: Sweet and angry

Liu Weiyang was really ecstatic and exuberant.

Originally, his purpose here was to find an opportunity to provoke the conflict between Lu Ming and those Mulan's suitors, so as to use the knife to kill people and deal with Lu Ming.

Unexpectedly, before he started to act, Lu Ming would directly seek his own death.

Yes, in his opinion, Lu Ming is completely seeking his own death.

Lu Ming actually dared to hold Mulan in his arms in public. How many people had to be beaten in the face and heartbroken?

There are definitely countless people who can't wait to frustrate Lu Ming.

At this moment, even if Lu Ming knelt down to admit his mistake, it was too late.

Lu Ming was dead, and he didn't need to act.

However, Lu Ming turned a blind eye to the situation around him, and continued to speak: "Senior Sister, I really miss you for more than ten thousand years."

"Senior Brother Lu Ming, is it true that Senior Sister?"

Mulan said softly, her heart seemed to melt away sweetly.

Ten thousand years of waiting were not in vain.

However, the lungs of the people around him are exploding.

Not only did Lu Ming not let go of Mulan, but he also said so intimately to Mulan, completely ignoring them.

court death!

Shoo!

Finally, two of them couldn't help but make a move. Two sharp sword lights pierced Lu Ming's back heart, and the power was amazing.

God's pinnacle!

Lu Ming didn't need to look at it to know that the two attacks possessed the highest attack power of the gods.

However, it only has the attack power of the peak of ordinary gods.

Lu Ming didn't look back, his right hand popped out two consecutive fingers backwards, and two spear lights burst out and slammed into the two sword lights.

Hum! Hum!

The two war swords shook violently, and then the two figures retreated violently, vomiting blood.

At this time, Lu Ming let go of Mulan and glanced back.

It was two young men who attacked Lu Ming just now.

The cultivation bases of the two young men are both the nine-fold divine master, but their combat power has reached the peak of the divine master.

Lu Ming had to sigh, the talents of the human race in the sky and the gods are indeed amazingly high, not comparable to the human race on the other side of the universe.

This is related to their blood.

If Lu Ming is not a taboo body, his talent is definitely far behind these people.

No wonder some people in the Cangqing Divine Realm would look down on the inferior bloodlines, which is not unreasonable.

The two young men are definitely not old, but they already possess the nine-fold cultivation base of the Divine Lord, and their combat power is even comparable to the peak of the Divine Lord. They are all top talents in the Celestial Destruction Army, except for Lu Ming and Xie Nianqing. People, not many people can compare.

And there are many such people in the Cangqing Divine Realm.

"Only you two want to attack me sneakily, not at your own discretion."

Lu Ming said coldly.

"It's a big tone, I want to see, where does your confidence come from?"

An indifferent voice sounded, and a purple-clothed youth appeared in front of Lu Ming.

This young man is extremely powerful and possesses an extreme combat power.

"Gu Ji, what do you want to do? This matter has nothing to do with you, get away."

Mulan drank.

"Mulan, this is a matter between our men, so you don't need to worry about it. Are you going to protect him for the rest of your life?"

The purple-robed young man Gu Ji said, his eyes continued to look at Lu Ming, and said, "Boy, now, I want to challenge you. If it's a man, I will fight with me."

There was a fierce light in Gu Ji's eyes, and his heart was about to burst with anger.

Lu Ming actually dared to extend his claws to Mulan, he must abolish Lu Ming's claws.

"Gu Ji, if you want to move Junior Brother Lu Ming, pass me first."

Mulan yelled, a powerful breath erupted, locking the ancient pole.

Lu Ming just injured two Divine Master Jiuzhong Tianjiao with a single move. The combat power was beyond Mulan's expectation, which gave Mulan a considerable surprise.

However, Gu Ji was a one-time-breaking existence, and his combat power was far from comparable to those of the two young men. He was afraid that Lu Ming would suffer.

Among the crowd, one person was also acting, and that was Liu Weiyang.

"Go and invite Pang Xiao, saying that Mulan was held by a man, Pang Xiao will definitely go crazy..."

Liu Weiyang secretly ordered a young man.

Others didn't know Lu Ming's combat power. Liu Weiyang knew a little bit. Yan Cheng was defeated in Lu Ming's hands. Lu Ming definitely had the power to break the pole twice.

Gu Ji is definitely not Lu Ming's opponent.

Not to mention the ancient extremes, even the other Tianjiao who possessed the second-pass extremes might not be able to win Lu Ming.

Therefore, he has to prepare with both hands.

Pang Xiao was also a peerless arrogant in the Cangqing Divine Realm, possessing the power to break the extreme twice.

But Pang Xiao, who broke the pole twice, was different from the other two poles.

Pang Xiao was the top combat power even in the second pole-breaking. It is said that he had fought more than ten moves with the existence of the three-time pole-breaking and retreated.

This kind of combat power is just one step away, and it can break the extreme three times.

The key is that Pang Xiao is also Mulan's loyal suitor. If he knew that Lu Ming dared to hug Mulan in public, he would definitely go crazy.

For some reason, Pang Xiao was late today, so Liu Weiyang would find someone to inform him.

Anyway, Lu Ming will be miserable today.

Seeing Mulan standing in front of him, Lu Ming felt warm, knowing that Mulan was protecting him.

But does he need protection?

"Senior Sister, this kind of stuff, the younger brother can handle it, so don't worry, Senior Sister."

Lu Ming smiled, took Mulan's little hand, and pulled Mulan behind him.

Around, many people stared at Lu Ming La Mulan's hand, eyes bursting with fire, and they wanted to replace it.

Gu Ji's eyes even shot out astonishing murderous intent. If his eyes could kill people, Lu Ming would have had a lot of holes.

"Mulan and Lu Ming have agreed to my challenge, do you want to stop it?"

Ancient Jidao.

"Junior Brother..."

Mulan looked at Lu Ming, but saw the confidence in Lu Ming's eyes.

This confidence is the same as before.

Mulan's heart was settled.

He knew that Lu Ming must be sure.

"Then Junior Brother, be careful..."

Mulan exhorted with concern, and then slowly backed away.

Others are going crazy with envy. If Mulan is so concerned about them, how good would it be?

"Go ahead, I'll let you three tricks!"

Gu Ji said coldly, he was very confident. He had the confidence to easily suppress Lu Ming with just an inferior bloodline and how strong his combat power could be.

Terran's combat power is often tied to blood.

The purer the bloodline, the higher the bloodline level, not only the higher the talent potential, but the stronger the combat power.

That's because some of the high-level exercises and secret techniques of the Human Race are related to the bloodline level. The higher the bloodline level, the higher the level of bloodline level can be to cultivate those exercises and secret techniques to a higher level.

Therefore, among the human races, they care about bloodlines so much.

And Lu Ming is only of inferior blood, how strong will it be?

Those ancient techniques and secret techniques of the human race, inferior bloodlines, simply can't cultivate to a high level.

"Gu Ji, this guy is really an idiot."

Liu Weiyang cursed secretly.

However, he did not speak to remind.

He is not familiar with Gu Ji, why should he remind him, and it is better not to remind him.

Don't remind me, Gu Ji will definitely suffer a big loss and he will be suppressed by Lu Ming, so Lu Ming must have offended Gu Ji to death. Isn't it good for Lu Ming to have multiple enemies?

Chapter 5003: Mulan's surprise

Not only Gu Ji, other people, Liu Weiyang will not remind.

These people suffered a great loss when they were injured in Lu Ming, and they would definitely hold a grudge against Lu Ming.

After Lu Ming offended these people to death, Pang Xiao came and beat Lu Ming half-dead. Isn't it perfect?

"Let me do three tricks? Okay!"

Lu Ming had a strange look on his face. This Guji is really confident.

However, he will not be polite.

Huh!

Lu Ming shot directly, shaped like a bolt of lightning, rushing towards Gu Ji, and at the same time the God of War Spear appeared, suddenly becoming bigger, and then smashed towards Gu Ji.

Gu Ji didn't intend to fight back at the beginning, but intended to take Lu Ming's attack easily with a relaxed and elegant posture, so as to pretend to be in front of Mulan and leave a good impression.

But as soon as Lu Ming shot his hand, his face changed.

The mighty power that the God of War smashed down was so terrifying that the hairs on his body were going to stand upside down.

Horror, powerful, unbearable...ah...

"How could it be so powerful, how could it be?"

Gu Ji yelled in his heart, he couldn't calm down anymore. What's easy and elegant, let him get cold.

The only thing he thought about now was to block Lu Ming's attack.

"The third style of the king's sword, the world is red!"

Gu Ji roared, the blood in his body boiled, his combat power was raised to the extreme, and he cut out a sword.

A sword light rose into the sky, bombarding the God of War Spear.

boom!

The attacks of the two collided.

You can see Gu Ji's sword light and constant tremors. After about three breaths, it crashed. The God of War continued to bombard down.

Gu Ji's face was pale, and at the critical moment, he could only raise his sword and hold it horizontally in front of him to resist.

when!

The God of War spear hit Gu Ji's war sword, Gu Ji's face, flushed suddenly, and a mouthful of blood spurted out, his body, like a cannonball, directly hit the ground.

The ground of the Sky Divine Realm was extremely hard, but Gu Ji still smashed the ground into a big hole.

"what?"

The others around were stunned.

The Guji that broke the extreme once was actually defeated by Lu Ming.

It's just that Lu Ming, who is of inferior blood, is so powerful?

Even Mulan showed an unexpected look.

"Ah, Lu Ming, you are mean, you actually attacked me."

At this time, Gu Ji roared, looking so angry.

Of course, this was pretend. He had fought Lu Ming in a real fight just now, and he knew how powerful Lu Ming was.

The power coming from the God of War Spear is too strong, even if he is fully prepared, it is impossible to block it, and the end will be the same.

Then why did he still slander Lu Ming for sneak attack.

Of course it is for face.

How confident he was just now. He said that he wanted to let Lu Ming use three moves, but he was defeated by Lu Ming with one move. This was really shameful.

Especially in front of Mulan, in front of his competitors.

Of course he wanted to say that Lu Ming was a sneak attack, so it wasn't a question of his combat power, but that Lu Ming was mean.

As for whether other people would be suppressed by Lu Ming because they despised Lu Ming, he didn't bother to care about this.

He is still eager.

Most of the young people around were Mulan's suitors and competitors. He also wished that everyone else would be suppressed by Lu Ming. That way, everyone would be ashamed. What he was ashamed of earlier would naturally not be so obvious Up.

Sure enough, Gu Ji said this, and other people also reacted.

It was indeed Lu Ming who did it just now. It was indeed a sneak attack.

"Despicable, it's really despicable to attack!"

"That is, it will only rely on sneak attacks. How can such a despicable person be qualified to pursue Mulan!"

"Lu Ming, get out of me and die!"

Many people yelled, and others stepped forward, with a strong breath permeating.

Those who stepped forward were all masters, all of them had broken extremes at once, and there were four in total.

These people are not really stupid. Even if Lu Ming can defeat Gu Ji by a sneak attack, his combat power is definitely not weak. Ordinary divine masters cannot be Lu Ming's opponent.

Therefore, those who do not have the power to break the extreme are just swearing in their mouths, but they dare not really do it.

Those who dared to force Lu Ming to leave were all possessed of impeccable existence.

However, several of the strongest Tianjiao, such as Liu Feng and Ubun Tai, did not force Lu Ming to come.

They relied on their identities and wanted to show their face, not wanting to join forces to deal with Lu Ming.

Lu Ming smiled, stepping out, and the God of War spear stabbed out suddenly.

Four spear lights burst out, piercing the four existences that once broke the extreme.

He actually shot four Tianjiao who broke the extreme once at the same time.

[Reading books to receive cash] Follow vx public. Public account [Book Friends Base Camp], reading books can also receive cash!

The four Tianjiao who broke the extreme one at a time were furious, and the four shot at the same time, raising their combat power to the extreme and hitting the strongest blow.

However, the result is doomed, even if the four people join forces.

After the spear light collided with the attack of the four Tianjiao, the attack of the four Tianjiao was directly defeated, and the spear light continued to pierce out.

"not good..."

The faces of the four Tianjiao changed wildly, at this time, they regretted it.

Only after fighting against Lu Ming did he really know Lu Ming's horror.

Too strong, with Lu Ming's combat power, he used to deal with Gu Ji, wherever he needed a sneak attack, he could crush Gu Ji into **** from the front.

They were pitted by Guji.

Unfortunately, it is too late to regret at this time.

Although they tried their best to resist, they still coughed up blood and retreated, suffering serious injuries.

The audience fell silent, and many people watched Lu Ming in shock.

They are not fools, they are not blind, how can they not understand that Lu Ming's combat power is really powerful.

This time, Lu Ming was not a sneak attack, but a frontal attack on the four Tianjiao who broke the extreme one time at a time, and wounded the four Tianjiao who broke the extreme one time with one enemy four.

With such combat power, against an ancient pole, why sneak attack?

Does Lu Ming have the ability to break the pole twice?

If it weren't for the second break, how could it be possible to injure four Tianjiao who broke the most once?

"Junior Brother..."

Mulan looked at Lu Ming, her eyes brightened again and again.

He didn't expect Lu Ming's combat power to be so powerful.

Could it be that Lu Ming also has great opportunities in these years?

The expressions of Liu Feng and Yu Wentai also became serious.

Before, they hadn't put Lu Ming in their eyes, but at this moment, they had already regarded Lu Ming as their opponent.

Lu Ming's performance is qualified to be their opponent.

Of course, it's just qualified.

They can also damage four people with one stroke and break the extreme.

And seeing that the four who broke the extreme at one time only suffered some minor injuries, Lu Ming's combat power was not too strong, and they were confident to deal with it.

"Lu Ming, your strength is good, why don't you fight me twice?"

A voice sounded, and the flow wind stepped out.

Liu Feng is about to make a move!

Many people were shocked.

Although there are a hundred and dozens of people gathered around, Liu Feng and Ubun Tai are undoubtedly the two strongest existences.

"Leave it to me!"

Yu Wentai also stepped out.

Chapter 5004: Emperor Ji Jingshilu

Yu Wentai also stepped out, a powerful aura filled Lu Ming.

A cold light flashed in Liu Feng's eyes, and he looked at Yu Wentai uncomfortably: "Yu Wentai, are you fighting with me again?"

"Liu Feng, I'm afraid that you are not Lu Ming's opponent, so I should be safe."

Ubun Tai smiled.

Liu Feng's heart burned with anger and roared, how much do you think you are better than me?

Wouldn't it be a little better than me, if I wasn't for Lu Ming's opponent, could you?

However, he Zeng Jin was indeed defeated by Yu Wen Tai, and he really couldn't refute Yu Wen Tai's words.

"You don't have to fight, let's make the shot together, lest I do it one by one, trouble."

Lu Ming spoke lightly, as if he was talking about something insignificant, but it made everyone on the scene tremble.

Lu Ming, actually want to challenge Yuwentai and Liufeng at the same time?

Are you crazy or overconfident?

"Could it be that Lu Ming didn't use his full strength just now, but he also hid his power?"

"He doesn't look like a fool. He should be very clear about how strong his second-pass battle is, but he still challenges Yuwentai and Liufeng. He is either a madman or something to rely on."

"But, he is only inferior blood, how can he have such a strong combat power?"

There was a lot of discussion at the scene.

At this moment, no one dared to underestimate Lu Ming.

How can one underestimate an existence that can damage four people with one stroke.

However, they still couldn't believe it, they couldn't believe that an inferior bloodline had such combat power.

"Junior Brother..."

Mulan wanted to say something, but when she saw Lu Ming's bright and confident eyes, she stopped.

She knows Lu Ming too well, maybe Lu Ming is really sure to deal with Yu Wentai and Liu Feng at the same time.

Others were puzzled, puzzled, and surprised, while Yuwentai and Liufeng were furious.

Lu Ming, he actually wanted the two of them to go together. How despised is that?

If Lu Ming was a peerless Tianjiao with a very high bloodline, that would be the past, but Lu Ming is just an inferior bloodline.

An inferior bloodline did not take both of them to heart at all, and challenged both of them at the same time. If this spreads out, they will be ashamed.

"Okay, very good, Liufeng, why don't we join forces once!"

Yuwen Tai smiled furiously, looking towards Liu Feng.

"Okay, I mean it too!"

Liu Feng also said coldly.

There was a grievance between them, it was impossible to join hands, but for the sake of their own face, they planned to join hands.

Only this one time!

Both thought silently.

"Go ahead!"

Lu Ming slanted down his spear, staring at the two of them, and said lightly, his expression casual and relaxed.

This makes Yuwentai and Liufeng even more unhappy.

"kill!"

Yu Wentai shouted, stepped out, trembling in the void, and then, with a halberd, he slashed towards Lu Ming.

At the same time, Liu Feng also took action. His figure resembled a wisp of breeze, surprisingly fast. In a flash, he appeared on Lu Ming's right side. Several sword lights, like lightning, pierced Lu Ming. .

Although the two of them were angry, they didn't dare to despise Lu Ming.

The two teamed up, one was powerful and the other was lightning fast, and the coordination was seamless. If the other masters who broke the extreme twice faced this blow, they might be injured.

The onlookers couldn't help but hang up, their eyes widened, staring at the battlefield for a moment, for fear of missing something.

Lu Ming, so confident, can he stop this trick?

Hum!

The God of War spear vibrated and stirred the void, and several spear lights burst out, stabbing Yuwentai and Liufeng respectively.

Several continuous roars aroused thousands of vigor, and the people around couldn't help backing back again and again for fear of being engulfed by the powerful vigor.

Only Mulan was filled with a layer of glow, like a nine-day fairy descending to the mortal dust, blocking all the energy and standing motionless in the void.

Afterwards, the two figures retreated backwards.

These two figures are Yuwentai and Liufeng.

Lu Ming didn't move.

what?

Everyone at the scene was shocked.

Lu Ming not only blocked the combined blow of Yuwentai and Liufeng, but also repelled the two of them, which was incredible.

Horror, too horrible, this is Lu Ming's combat power.

Could it be that Lu Ming can really defeat Yuwentai and Liufeng?

Is this still inferior blood? How could an inferior bloodline have such a powerful combat power?

"Is this the amazing power that comes out of the practice of "Emperor Class Shocking Record", it is really powerful!"

Lu Ming whispered in his heart.

He didn't use his full strength in the move just now, it was just a test.

He had known before that most human races practiced "Emperor Class Shocking Record".

This is a supreme method, which was created by the king of Shengxi.

This method is highly compatible with the blood of the human race. After successful cultivation, a powerful force can be cultivated, called the 'power of shocking the world'.

"Emperor Class Shocking Record" is divided into nine levels. The higher you practice, the stronger your shocking power will be.

Of course, the higher you want to practice, it is closely related to your blood.

Only the higher the level, the purer the blood, and the higher the talent, the higher the level of cultivation.

It is said that once the "Emperor Grade Shocking Record" is cultivated to the seventh level, with some extremely strong secret techniques, it may break through three times and become an invincible divine master.

As for the eighth level, very few people in history have successfully cultivated.

As for the ninth level, that is almost a legend. Throughout the entire history of the human race, there are very few who can successfully cultivate.

According to legend, King Xuanyuan, Queen of the Ages, when in the realm of the gods, all practiced "Emperor Class Shocking Record" to the ninth level.

This method played a vital role in the rapid rise of the human race in the prehistoric continent of the last era.

This is the most important cultivation method in the human origin realm.

These, Han Yue told him when he was practicing under the Holy Scroll of Shengxi.

Lu Ming speculated that Yuwentai and Liufeng should have cultivated the "Emperor Class Shocking Record" to the sixth level, and the condensed power of shocking power was already terrifying.

However, it was far worse than Lu Ming's taboo power.

Repulsed by Lu Ming, Yu Wentai and Liu Feng were extremely frightened.

"kill!"

"war!"

The two yelled again, urging their combat power to the extreme, urging the halberd and the long sword to continue attacking Lu Ming.

The halberds and long swords in their hands are undoubtedly source-level magic weapons.

The heavenly divine realm is much richer than the exterminating heavenly army, demons, or the celestial race, and it is not too short of source-level gods.

Some of the top talents almost all have a source-level magic weapon.

"It can be over!"

Lu Ming whispered.

The temptation has been tried, and the shocking power of the two is still too weak, and it doesn't make much sense to continue to test.

And just now, Lu Ming had sensed that a stronger person had arrived in secret.

That person was obviously observing in secret.

Then release some more power and draw the stronger one to do it.

This time, I just showed some more power, and stood up in one fell swoop, saving trouble in the future.

Chapter 5005: Descendants of the King

Therefore, when Lu Ming moved on, he used even more force.

Two huge spear lights pierced Yuwentai and Liufeng respectively, and the terrifying force immediately defeated the two attack.

Huh!

The figures of Yuwentai and Liufeng retreated like lightning, and they retreated hundreds of miles in succession before they stood firm and couldn't help but spit out blood.

Si Si Si...

At the scene, a sound of cold breath sounded.

Shocked, really shocked.

The blind could see that Lu Ming completely crushed Yuwentai and Liufeng.

What kind of combat power is this defeating Yufumi and Liufeng so easily?

The limit for the second break?

This kind of combat power almost almost broke three times.

Among the crowd, Liu Weiyang's face became pale.

"Damn, why is Lu Ming so strong? Is Pang Xiao an opponent?"

Liu Weiyang yelled in his heart, and at the same time he felt a strong anxiety.

He was a little uncertain whether Pang Xiao was Lu Ming's opponent.

Pang Xiao's combat power is very strong. There is no doubt about this. He is at the limit of the second breaking extreme, close to the third breaking extreme. He has fought with the existence of the third breaking extreme with more than ten moves and retreats.

With Pang Xiao's combat power, he can easily defeat the joint efforts of Yuwentai and Liufeng.

However, he was not sure if Lu Ming had used all his strength just now.

He never expected that Lu Ming's inferior bloodline would become so strong.

In their cognition, inferior bloodlines are almost impossible to be such.

Because of the inferior bloodline, it is very difficult, almost impossible, to cultivate "Emperor Level Shocking Record" to the top.

Bloodline and "Emperor Class Shocking Record" are complementary.

The original king of Xuanyuan had an inferior bloodline, but through constant transformation and sublimation, his bloodline became higher and higher, and finally he could cultivate "Emperor Level Shocking Record" to its peak.

And Lu Ming is clearly inferior, so it is impossible to cultivate "The Emperor's Shocking Record" to a high level. Then, how can he have such a strong combat power?

Although in the history of the Primordial Continent, there are also some people who are not high in blood, but have mastered some other powerful forces, but that is too few and can be counted.

Is that what Lu Ming is like?

At this time, Yuwentai and Liufeng's faces were pale, and there was a look of depression in their eyes.

They knew very well that they weren't Lu Ming's opponents at all. If the battle continued, the outcome would not change.

"Do you still want to fight?"

Lu Ming asked lightly.

"I surrender!"

Finally, Yu Wentai lowered his head.

He is still arrogant and principled. Since he has lost, he happily admits that he has failed.

Although Liu Feng was unwilling, he gritted his teeth when he saw Yuwen Tai surrender.

You can't lose your demeanor in front of Mulan, in front of his competitors.

"Hahaha, interesting, interesting..."

At this moment, a loud laugh came out, and then a figure appeared in the air out of thin air.

A big beard!

The man here has a big beard, but he is not very old, he is a young man.

Lu Ming was not surprised. He had sensed that someone had arrived in secret before, it was this person.

However, others were shocked.

"Fu Yuan, it's Fu Yuan!"

"Fu Yuan actually came. He and Mulan seem to have nothing to do with each other. Is it because he heard the news or just passed by?"

Many people exclaimed.

"Fu Yuan is here too!"

Mulan's face paled slightly, revealing a worried look.

Because Fu Yuan's combat power was too strong, he was an invincible divine master who broke the extreme three times.

It is the current peak combat power in the Cangqing Divine Realm, and the entire Cangqing Divine Realm can be side by side with Fu Yuan.

According to legend, Fu Yuan is the descendant of the Saint Xiren King for many generations. He has the blood of the Saint Xiren King, and his talent is amazing.

Moreover, he was very belligerent. Every one of the top arrogances of the Cangqing God Realm was defeated by him. As long as he saw the strong, he couldn't help but fight.

Now, when he sees that Lu Ming has such combat power, how can he hold back?

This is why Mulan is worried. Although Lu Ming is strong, can he compare with Fu Yuan?

But Liu Weiyang was ecstatic.

Finally someone wanted to clean up Lu Ming.

"Lu Ming, this person is a multi-generational descendant of King Shengxi, and he has the blood of King King. He has already broken the extreme three times. If you can't fight, don't fight with this person."

Mulan quickly transmitted to Lu Ming, but as soon as she spoke, she regretted it.

She knew Lu Ming, and saying this might arouse Lu Ming's fighting spirit.

"The Descendants of the King..."

Sure enough, Lu Ming's eyes flashed, revealing a strong interest.

Lu Ming was looking at Fu Yuan, and Fu Yuan was looking at Lu Ming, and the interest and fighting spirit in his eyes were obviously stronger.

He has fought against the Tianjiao of the Cangqing Divine Realm and against the Tianjiao of the forbidden creatures, but he has never fought against a human inferior bloodline.

Lu Ming just watched the fight with Yu Wentai and Liu Feng just now.

It's incredible that an inferior bloodline has such a strong combat power.

Moreover, based on his keen intuition, he felt that Lu Ming hadn't used his full strength just now, which made his interest even more intense. The cells all over his body became excited, and he wished to fight Lu Ming immediately.

"Go ahead and fight with me."

Fu Yuan couldn't help but speak.

"Are you also a suitor of Mulan World?"

Lu Ming asked curiously.

"Mullin's suitor?"

Fu Yuan was taken aback for a moment, and then laughed loudly: "Hahaha, my interest is not so vulgar. I pursue the ultimate combat power and become the world's unparalleled war fairy!"

"Your interest is vulgar..."

Many people are slanderous.

Among them is Lu Ming.

"Come on, stop talking nonsense, I know you didn't use all your strength just now, let's do it, I hope you can make me happy..."

Fu Yuan couldn't wait.

Lu Ming didn't use all his strength just now?

Many people can't believe it, but since Fu Yuan said so, is it true?

"Since you want to fight, then I will accompany you."

Lu Ming flicked his sharp gun, also showing strong combat power.

The top human master, Lu Ming also wanted to know, what did Fu Yuan have?

He has fought against the creatures in the Forbidden Land, and the ancestors of the Celestial Race, but he has not yet fought against the top masters of the Human Race.

"Very good, hahaha!"

Fu Yuan laughed, and a battle axe appeared in his hand.

The tomahawk was pitch black and huge, like a door panel.

"I want to open the sky!!"

Fu Yuan shouted, his body and axe united, and he slashed towards Lu Ming.

A terrifying crack was cut into the void, and a jet of black light slashed towards Luming at a terrifying speed.

With this axe alone, Wei Neng is much better than the combination of Yuwentai and Liufeng.

But Lu Ming didn't care too much. He knew that Fu Yuan's axe seemed powerful, but he didn't use his full strength.

He didn't know Lu Ming's true combat power, so this axe was obviously a test.

Hum!

Lu Ming brandished the God of War spear and swept out.

Chapter 5006: Zhan Fuyuan

Lu Ming swept out with a shot, and a curved spear light collided with Fu Yuan's battle axe.

when!

The God of War spear bombarded the battle axe, erupting into a thunderous roar, and terrible energy swept all directions. This time, even Mulan did not dare to stand still, she quickly backed away to avoid the engulfing energy.

As for the others, they stepped back further.

At the collision, the divine light was shining, and the two silhouettes were separated at one touch and withdrew thousands of meters back.

blocked!

Many people's eyes widened, and they became more horrified.

Lu Ming actually blocked Fu Yuan's attack, at least judging from the trick just now, the two were equally divided.

Does Lu Ming really have the power to break the extreme three times?

Mulan's beautiful eyes are also brilliant. To be honest, although she knows Lu Ming well and has confidence in Lu Ming, Lu Ming's combat power is completely beyond her expectations.

In that starry sky in the exhausted universe, how could Lu Ming achieve such an achievement?

It seems that the cosmic starry sky has also undergone abnormal changes over the years. In these years, Lu Ming must have gone through a lot and obtained the opportunity to go against the sky.

Otherwise, how could Lu Ming have achieved such an achievement in the original universe and starry sky.

Mulan's thoughts turned sharply, and many thoughts turned away.

But Liu Weiyang was horrified.

"How could Lu Ming's inferior bloodline have such combat power? No, it's impossible..."

Liu Weiyang yelled in his heart, wishing it was a dream, but unfortunately, he knew clearly that this was real, not a dream.

"No, Fu Yuan hasn't used all his strength yet. His real trick hasn't been used yet. The battle axe is just a method he uses to confuse the enemy..."

Thinking of this, Liu Weiyang's eyes showed hope again.

"Okay, interesting, come again!"

After Fu Yuan retired, his fighting spirit became stronger, and he shouted loudly and continued to wave his battle axe to kill Lu.

He was enveloped by a rich golden light, and even the battle axe was enveloped by a rich golden light, launching a stormy attack on Lu Ming.

Lu Ming waved his spear to resist.

Dangdang...

The speed of the two is astonishing, they collided dozens of strokes in one breath, and it was always a win-or-loss situation.

"Human race broke the extreme three times, just like that?"

Lu Ming shook his head slightly, disappointed.

Of course, he didn't use his full strength, he had been testing Fu Yuan's strength.

Fu Yuan's power is very strong, especially the golden power of shocking the world, which should have reached the seventh level of "The Emperor's Shocking Record", the power is very amazing.

But although the shocking power is amazing, the power of the attack is very ordinary.

On the whole, even though Fu Yuan's combat power surpassed the second breaking pole, it was not as strong as Ye Immortal, or the invincible divine masters of the Yuanguang Clan and Yin Sha Clan?

Isn't the human race better than forbidden creatures?

Lu Ming thought it was impossible. If so, how could the human race dominate the world in the prehistoric continent?

"Are you still hiding your strength, then you are forcing you."

Lu Ming smiled secretly and suddenly added a bit of strength.

Hum!

The God of War spear vibrated, and terrible power burst out. The moment it collided with the battle axe, the terrible power rushed to the opponent through the battle axe.

Fu Yuan's face changed, the golden light on his body trembled, and his body retreated involuntarily.

And Lu Ming's figure just swayed slightly.

This scene made the onlookers even more shocked. Lu Ming could actually force Fu Yuan back?

Terrible, terrible.

Fu Yuan's face also became rare and solemn, but the fighting spirit in his eyes was stronger and stronger to the extreme.

"Okay, great, Lu Ming, your strength hasn't let me down, you have indeed broken the extreme three times, you are qualified to see my strongest killer move."

Fu Yuan laughed instead, and then the battle axe in his hand disappeared, replaced by a piano.

This is a guqin, which seems to be full of traces of time, but there is a horrible spirit permeating out.

Top source-level magic weapon!

With Lu Ming's eyesight, it was natural to see at a glance that this was a top source-level magic weapon.

Fu Yuan's ultimate move was actually Guqin.

Does he want to play the piano?

It's just that his image is too unsuitable, right?

It is conceivable that a burly man with a big beard, playing the qin, is too violent.

But obviously, Fu Yuan's ultimate move is this Guqin.

The guqin glowed and hovered in front of Fu Yuan. Fu Yuan had a serious expression, pressing his hands on the sound of the guqin.

clank...

The guqin rang, like a gold and iron fighting, and like a gold and iron horse.

When the guqin sounded, there was a bright glow on the guqin, and then the glow turned into sharp blades and rushed towards Lu Ming.

Suddenly, there seemed to be hundreds of sharp blades, killing Lu Ming.

This was just an attack on the surface, and in the dark, there was an unintentional ripple, directly at Lu Ming, attacking Lu Ming's soul.

Two attacks of light and dark, one attacking the soul and the other attacking the body.

Power instantly surpassed the tomahawk that Fu Yuan had just used.

"Come here, Fu Yuan's killer is here."

"The legend says that the old Saint Xiren King used a guqin to sweep the world and suppress the forbidden land. No one is invincible."

"Fu Yuan, worthy of being a descendant of the King of People, his ultimate move is also based on the piano!"

Many people exclaimed.

Liu Weiyang's eyes also lit up, full of expectation, Fu Yuan's ultimate move appeared, and he looked forward to seeing Fu Yuan suppress Lu Ming.

Hh hh hh...

Lu Ming shook the God of War spear, stabbing hundreds or thousands of spears in an instant, and hundreds of spear lights burst out, blocking all those sharp blades.

As for the soul attack, sorry, it won't work for him.

His soul is scattered among the sixty trillion cells above and below his body. Unless he attacks sixty trillion cells at the same time, it can have a significant impact on his soul.

Fu Yuan's eyes condensed, and the golden light on his body became more vigorous, and he kept rushing to the Guqin.

The sound of the piano came up again. This time, amidst the glow of the sky, thousands of troops and horses rushed towards Lu Ming.

These thousands of troops and horses are all shrouded in heavy armor, just like a sergeant of hundreds of wars.

It seems that in the prehistoric times, the army of the human race went out and was invincible.

"Interestingly, this is only three times, the real combat power!"

Lu Ming smiled.

At this moment, Fu Yuan's revealed strength is much stronger than just now. This is the style of the invincible divine master, even stronger than some of the weaker invincible divine masters of the three tribes of the Forbidden Land.

However, this kind of combat power does not have the slightest pressure on Lu Ming now.

Lu Ming didn't even trigger the Zhan Zi Jue.

"Breaking style!"

Lu Ming used the sky-breaking style, with spears bursting out, sweeping the world, and the thousands of troops and horses were constantly being defeated by spears.

With thousands of troops and horses, it is difficult for Lu Ming to do anything.

Fu Yuan's face became more and more solemn, and the hands of Fu Qin became more and more urgent, and the offensive became more and more violent.

However, all the attacks were completely blocked by Lu Ming.

Prehistoric!

Chapter 5007: Come for abuser

The two clashed with hundreds of moves. Lu Ming found that Fu Yuan had almost reached the limit. His combat power, and the golden light all over him, had already carried a blood-red luster.

[Get the red envelope] The cash or coin red envelope has been issued to your account! Follow the public account on WeChat [Book Friends Base Camp] to receive!

This shows that Fu Yuan has reached the limit, so this battle should be over.

Lu Ming showed off the wild style!

A continent formed on top of Fu Yuan's head, and was pressed down towards Fu Yuan.

The continent is small, but very solid and terrifying.

"This is... the Primordial Continent?"

"I once saw an old map, it was a map of the Primordial Continent. Why is his trick so similar to the Primordial Continent?"

"Even the breath is similar!"

"What kind of trick is this?"

People around, frying pan.

It was unheard of that someone could condense the primordial continent to attack the enemy.

Fu Yuan's face was also unprecedentedly solemn. He shouted, pouring all the power in his body into the guqin.

In the end, on the Guqin, the sky filled the sky, turning into two sword lights, one attacking Lu Ming and the other attacking the prehistoric continent.

boom! boom!

The sword light that attacked Lu Ming was blocked by Lu Ming.

The sword light that attacked the wilderness continent violently collided with the wilderness continent, and eventually it collapsed, and the wilderness continent exploded.

However, the prehistoric continent exploded and formed a powerful force, still rushing towards Fuyuan.

Fu Yuan's body shook wildly, carrying the guqin, and retreated violently.

He kept backing a hundred miles before he stood firm, leaving a trace of blood on the corner of his mouth.

The scene fell into a deadly silence.

After a long while, someone reacted.

There was an uproar at the scene.

Fu Yuan vomited blood, which shows that Fu Yuan was defeated.

Fu Yuan was actually defeated by an inferior bloodline. This is really incredible.

Fu Yuan's combat power was almost invincible in the Cangqing Divine Realm, and it was only a handful of them that could rival Fu Yuan.

Such a person would be defeated by an inferior bloodline. If they hadn't seen it with their own eyes, they would not believe it.

An inferior bloodline is so strong.

Obviously, Lu Ming also broke the pole three times.

An inferior bloodline can actually break the pole three times, unprecedented.

Yes, everyone believed that Lu Ming's combat power was three times more extreme, because Lu Ming controlled it well, and the displayed combat power seemed only slightly stronger than Fu Yuan.

Lu Ming still had the plan to hide his strength. He didn't want to expose all his hole cards as a last resort.

If everyone were to know Lu Ming's true combat power, he didn't know what his expression would be.

But even so, everyone's expressions are already very exciting, and Mulan's beautiful eyes are so beautiful. Needless to say, Liu Weiyang's face is pale with no trace of blood.

He opened his mouth wide, as if something stuck in his throat.

"Awesome, really amazing!"

At this moment, Fu Yuan wiped off the blood stains on the corners of his mouth and looked at Lu Ming. Instead of fading away, the war intent in his eyes became stronger.

"Lu Ming, I have determined that you are my opponent for life. In this life, I will aim to defeat you. Next time, I will definitely defeat you."

Fu Yuan said loudly.

Lu Ming was speechless.

Brother, you don't have to be so serious.

However, he could see that Fu Yuan was not hostile to him, and seemed to treat him purely as an opponent.

In other words, be an opponent that promotes your own progress, not an enemy.

"Well, I wait for the day you beat me."

Lu Ming smiled.

Although he said so in his mouth, he didn't take it seriously.

He didn't think that Fu Yuan could defeat him in the future, even if the opponent had the blood of Wang.

This is his belief in invincibility.

"You are very confident, I like it, haha, I suffered a little injury today, I will invite you to drink another day."

Fu Yuan laughed, waved his hand, put away the guqin, turned around and walked away, disappearing without a trace in a blink of an eye.

It came suddenly, and left!

"Not good, Pang Xiao!"

Seeing Fu Yuan leave, Liu Weiyang's face suddenly changed, thinking of Pang Xiao.

He had asked someone to invite Pang Xiao before, and originally planned to use Pang Xiao's hand to suppress Lu Ming.

But now even Fu Yuan is not Lu Ming's opponent, and Pang Xiao is here, isn't it looking for abuse?

And it was he who asked someone to come, which means he made Pang Xiao look for abuse, then what would Pang Xiao do to him?

Thinking of this, Liu Weiyang turned pale.

"Transmission, right, right, fast transmission..."

Liu Weiyang quickly took out the sound transmission jade talisman to transmit the sound to his companion.

Hope it's too late!

Liu Weiyang roared and prayed silently.

"Who else wants to challenge me, come together."

Lu Ming glanced around, and his voice spread throughout the audience.

"You are Lu Ming? You are very arrogant, I want to see, what are you capable of arrogant?"

At this time, a grim voice sounded.

Hearing this figure, Liu Weiyang's face changed wildly.

It's over, it's Pang Xiao.

Pang Xiao arrived so soon.

Huh!

In the void, a figure appeared.

This was a young man wearing a black robe with a hooked nose, and his eyes were cold, like those of a goshawk, extremely sharp.

His eyes fell directly on Lu Ming.

"It's Pang Xiao!"

The people around also recognized Pang Xiao, and all of them looked strange.

What is Pang Xiao doing?

Is it to find Lu Ming to fight?

However, Fu Yuan was defeated, isn't Pang Xiaolai looking for abuse?

Obviously, Lu Ming had just started with Fu Yuan, and Pang Xiao didn't know.

Lu Ming looked at Pang Xiao and said calmly, "Yes, I am Lu Ming!"

"Very good, very good, today, I am going to scrap your paws..."

Pang Xiao said indifferently, his eyes were sharp, full of murderous intent.

He heard the news before that Lu Ming dared to hug Mulan in public, which made him angry.

He was in retreat, but he immediately ended the retreat and came.

"Really, I hope you have this strength."

Lu Ming spoke lightly.

Such an attitude made Pang Xiao even more angry.

"Hope I have this strength? Ha ha, you are very confident."

Pang Xiao sneered, his eyes swept over Liu Feng and Yu Wentai, and mocked: "It looks like you are defeated? Haha, it's really useless. You can't deal with even an inferior bloodline."

"Really, I hope you will avenge us."

Liu Feng responded with a sneer.

Yu Wentai was too lazy to answer, they did not remind Pang Xiao that Lu Ming defeated Fu Yuan just now.

Pang Xiao is not a good person, he is usually arrogant and domineering, and has offended many people. Many people wish him to be abused.

"just wait!"

Pang Xiao replied, and his disdain grew stronger, and he stepped out and screamed towards Lu.

He is still very confident.

What if Liufeng and Yuwen are defeated? He can also easily defeat Liufeng or Ubumi Tai.

He is the one who can retreat from the three-time battle.

Only one person is the most nervous, and that is Liu Weiyang.

He deeply knew that Pang Xiao was definitely not Lu Ming's opponent, and the gap was huge.

Chapter 5008: Pang Xiao

Pang Xiao's strongest record is that he fought more than ten moves in the hands of the Invincible Divine Master and retreated.

That just insisted on more than ten tricks. That invincible divine lord, because there was nothing to pursue, if he continued to fight, Pang Xiao would definitely lose, and he would lose miserably.

As for Lu Ming, he defeated a powerful invincible divine lord head-on, and the two were not a concept at all.

So, seeing Pang Xiao as he was about to do something, Liu Weiyang rushed up and stopped Pang Xiao, with a smile on his face that was uglier than crying, and said, "Pang Xiao, in my opinion, let it go. People like you don't need to be inferior to an inferior bloodline at all."

Pang Xiao's sharp eyes stared at Liu Weiyang and said: "If it's something else, I don't even bother to pursue an inferior bloodline, but he made a terrible mistake and dared to get involved with Mulan. This is his own death. Forgive, Liu Weiyang, get out of the way."

"Pang Xiao, forget it, forget it."

Liu Weiyang continued to persuade.

"Liu Weiyang, what's the matter with you? You sent someone to call me, and now you stop me, why? Are you afraid that I am not Lu Ming's opponent?"

Pang Xiao's face was completely cold, and he could see that he was already very upset.

"No, I didn't mean that..."

Liu Weiyang said.

He was really afraid of Pang Xiao.

Although he has a backer, Pang Xiao's backer is stronger than him, and Pang Xiao is not afraid of him at all.

"You show me that within ten strokes, I will definitely abolish Lu Ming's claws."

Pang Xiao spoke indifferently, and a powerful aura exuded, forcing Liu Weiyang to retreat again and again.

And Pang Xiao continued to walk towards Lu Ming.

Seeing that Pang Xiao couldn't be stopped, Liu Weiyang gritted his teeth and shouted, "Brother Pang, before you came, Lu Ming and Fu Yuan had already fought each other?"

Pang Xiao's figure as he was walking suddenly stopped, his body stiffened, and then he turned slowly, staring at Liu Weiyang, and said; "Who are you talking about? Fu Yuan? Lu Ming and Fu Yuan fought each other. ?"

"Yes, it is..."

Liu Weiyang can only bite the bullet and nod.

"impossible!"

Pang Xiao subconsciously felt that it was impossible, but Liu Weiyang would never lie to him about this kind of thing, because after a little inquiries, he would know the true and false, and then continued to ask: "How many tricks did they fight against?"

He had clearly observed Lu Ming just now. Lu Ming was unscathed, with a strong aura, and against Fu Yuan, how could he be unscathed?

He felt that Lu Ming might have just confronted Fu Yuan with one or two tricks and a test or two.

Unfortunately, Liu Weiyang's answer shocked his jaw.

"More than a hundred moves!"

Liu Weiyang said.

"Impossible, Liu Weiyang, do you dare to lie to me?"

Pang Xiao couldn't help but roar finally.

Fighting Fu Yuan with more than a hundred moves, and still unscathed, even if he can't do it, how could it be possible for a low-ranking bloodline in Luming's district?

His first reaction was that Liu Weiyang lied to him.

Liu Weiyang was scared and quickly explained: "No, I didn't lie to you. Everyone here has seen it. If you don't believe it, just find someone to ask."

Pang Xiao glanced at the other people and found that they all looked at him like a good show. He knew that what Liu Weiyang said was true.

Lu Ming could actually fight against Fu Yuan unscathed in a hundred battles. This kind of combat power was definitely above him.

Damn it, **** it.

Pang Xiao kept roaring in his heart, Lu Ming has this kind of combat power, how can he do it?

He didn't dare to do it. Then he killed him aggressively before and even said ten moves to suppress Lu Ming. Isn't it a joke?

It's a shame.

He was furious and froze there for a while, his eyes fluctuating and his face was constantly distorted.

Tangled!

"Well, Brother Pang, Lu Ming and Fu Yuan were not injured in the battle, they also defeated Fu Yuan."

Liu Weiyang reminded in a low voice.

He watched Pang Xiao tangled, fearing that Pang Xiao would not be willing to fight Lu Ming, he would definitely have to be suppressed by Lu Ming. Instead of being humiliated then, he might as well remind him now.

What?

what?

Pang Xiao looked at Liu Weiyang in shock, and then at Lu Ming, thinking that he had heard it wrong.

I thought it was incredible that Lu Ming could fight against Fu Yuan without any damage.

He never expected that Lu Ming would defeat Fu Yuan.

He really thought he was dreaming.

But he knew that all of this might be true.

In the public, Liu Weiyang couldn't lie.

It's no wonder that he didn't see Fu Yuan's figure. Most of them were Fu Yuan defeated and left.

Why is an inferior bloodline so strong?

why?

He couldn't figure out ten thousand.

What should he do at this moment?

Retreat?

But he was aggressive and confident, and he slipped away dinky before he did it. He was destined to be a joke.

People like Liu Feng and Yu Wentai will never let go of such an opportunity and will definitely publicize his ugly attitude.

In the future, let alone continue pursuing Mulan, it would be good to be able to raise his head in the Cangqing Divine Realm.

No way!

He would never allow this to happen.

He not only has to prove himself in front of Mulan, but he also has to play his reputation so that everyone knows how good he is.

His mind turned sharply, and soon thought of an idea.

"Pang Xiao, right, what are you doing there? You want ten tricks to suppress me, don't you do it?"

At this time, Lu Ming's faint voice sounded.

Everyone looked at Pang Xiao and looked at Pang Xiao, depending on how he responded.

To fight, he was destined to be suppressed and abused by Lu Ming.

Retreat without fighting, that is a joke.

Blame him for being too self-confident, he was too full of words before.

Now there is a dilemma.

"Lu Ming, right, do you know the strength of my Pang family in the Cangqing Divine Realm? My Pang family has at least five origins, and one super master above the origins. After hundreds of years, they will all wake up. "

"You have to be clear about the fate of offending me, no, you dare to hug Mulan, you have already offended me, now give you a chance to redeem your merits, pretend to fight against me, and then lose to me after a hundred moves, this matter, I You can forget about the past..."

At this time, Pang Xiao's voice rang in Lu Ming's ear.

Pang Xiao was transmitting to him, so he wanted to pretend to lose to Pang Xiao?

Is this guy an idiot?

Lu Ming looked at Pang Xiao like an idiot.

"Lu Ming, you'd better think about it carefully. You have to know the fate of offending me, offending me, and when the source of the disaster is over, I will let you live and die..."

Pang Xiao continued to threaten with sound transmission.

This is the perfect way he thought of in a haste.

Lu Ming defeated Fu Yuan. If he can defeat Lu Ming, what does it mean?

It shows that his combat power surpasses Fu Yuan, and he can take the opportunity to become famous in one fell swoop.

Not only did he perform well in front of Mulan, but he also played an invincible reputation.

Chapter 5009: Not threatened

Pang Xiao also knew in his heart that this method was actually very low-level, but it was actually a threat!

If it is for the other Tianjiao in the Sky God Realm, especially the Tianjiao who can defeat Fu Yuan, it is impossible for him to use this trick, because it is definitely useless.

But for Lu Ming, that's not necessarily the case.

Before he came, he had learned from Liu Weiyang's Hupengou friend that Lu Ming had come from the eastern universe.

In this western universe, Lu Ming can be said to be alone, unaccompanied, and without any backing.

Without any backing, Lu Ming had to lie on his stomach no matter how strong he was.

The strong dragon does not suppress the ground snake, his Pang family is extremely powerful, and the master is like a cloud. Although he professed to fall asleep during the Great Tribulation of the Origin, the Great Tribulation of the Origin was still several hundred years away.

By then, the masters of the Origin Realm will wake up, what is Lu Ming?

It's not just arbitrary kneading.

Therefore, he threatened Lu Ming.

But how did he know that Lu Ming would be threatened?

Lu Ming hated being threatened by others in his entire life.

"Hahaha, Pang Xiao, you actually threatened me, telling me to pretend to lose to you, it's ridiculous, it's ridiculous that you're still a second-time arrogant arrogant, you actually said such a ridiculous joke."

Lu Ming laughed, his voice spread throughout the audience.

Rumble!

Pang Xiao felt his brain thunder, like thunder, almost stunned him.

His face suddenly turned red.

"Lu Ming, you...you damn..."

Pang Xiao roared furiously.

He never expected that Lu Ming would directly speak out his threatening words.

He originally thought that Lu Ming had at least a 50% chance. He would be afraid of his threats and would agree to his request.

Even if he didn't agree to his request, he would never say his threats directly, because it would offend him, and it would be an endless situation.

But now?

He was ashamed, not only ashamed in front of Mulan, but ashamed in front of his competitors, soon, this matter will spread throughout the entire Cangqing Divine Realm.

Pang Xiao, he will become a real joke, which is even more ridiculous than his defeat by Lu Ming.

When everyone around him looked at Pang Xiao, they were full of contempt.

Pang Xiao wanted to dig a seam in the ground.

Damn damn...

It's all Lu Ming, all these **** chores.

Pang Xiao yelled crazy in his heart, and his face became extremely hideous because of the distortion.

At this moment, his hatred for Lu Ming was monstrous.

But does Lu Ming care?

No one should offend him, nor would he offend others, but Pang Xiao, if he sent him a face, would he refuse?

As for the master behind Pang Xiao, that is still hundreds of years later.

Hundreds of years later, he will take Mulan back to the station of the Exterminating Army.

At that time, Feihuang awakened, and those masters who killed the Heavenly Army, how could he fear the masters behind Pang Xiao.

He is not afraid of forbidden creatures.

It's just offending Pang Xiao's line, not the entire Cangqing Divine Realm.

What's more, Mulan's master is a top-notch figure in Cangqing Divine Realm. At that time, Mulan will not help himself?

"Lu Ming, wait for me!"

Pang Xiao left a harsh word, turned and left.

Before leaving, he gave Liu Weiyang a cold glance.

This time, the reason why he was so embarrassed was entirely because of Liu Weiyang.

Otherwise, he is in retreat, how can he run here to be ashamed?

Liu Weiyang was swept by Pang Xiao's cold eyes, shivering violently, his face suddenly turned pale, showing a smile that was uglier than crying.

Pang Xiao left, Lu Ming did not stop.

There is no need to stop, his words just now are more effective than the brutality of Pang Xiao.

After Pang Xiao left, Liu Weiyang also left in despair.

"Farewell!"

"Farewell..."

Subsequently, everyone else also left.

What are they still keeping for it, shameful.

A fool can see that Lu Ming and Mulan have an extraordinary relationship.

Before Lu Ming hugged Mulan, Mulan didn't look angry at all. What if he tried to change him?

It is good not to be interrupted.

Do they stay as light bulbs?

In a blink of an eye, no one left, only Lu Ming, Han Yue, and a few of Mulan's maids were left.

"Lu... Brother Lu, then I'll leave too."

Han Yue clasped his fists, stuttering.

She was mostly too surprised.

Surprised at the relationship between Lu Ming and Mulan, and even more shocked at Lu Ming's combat power.

Lu Ming's combat power completely exceeded her expectations.

What did she see before?

Lu Ming actually defeated Fu Yuan, my God...

Her heart can't calm down at all.

After Han Yue left, several maids also found reasons to leave. They were not stupid people. They knew that the relationship between Lu Ming and Mulan was extraordinary, and it seemed that they hadn't seen each other for a long time, so naturally they would not stay in the way.

Soon, there were really only Lu Ming and Mulan left near Tianlan Garden.

Lu Ming walked over and directly grabbed Mulan's little hand.

Mulan's body trembled slightly, and then Lu Ming grabbed it.

"Senior Sister Mulan, it's been a long time since I saw you, Sister Sister has become more beautiful and moving."

Lu Ming looked affectionately into Mulan's eyes and said.

"I haven't seen you for many years, Junior Brother, you are still so glib. Over the years, have you deceived many girls..."

Mulan said.

Although his mouth said so, his heart was as sweet as honey.

Junior Brother Lu Ming's attitude towards her is completely different from before, saying that distance can produce beauty, which seems to be true.

"Why, the younger brother has been thinking about Senior Sister all these years."

Lu Ming said affectionately.

How difficult it is not to see the two of them, there is naturally some kindness and sweet talk behind them.

a long time...

"By the way, Senior Sister, Huang Ling and Senior Sister walked together, where is she now? Is she in the Cangqing Divine Realm?"

Seeing that it was almost done, Lu Ming asked his doubts.

The reason why he didn't ask Huang Ling at the beginning was because of course he was afraid that Mulan would be jealous.

"Huang Ling... hey!"

Mulan sighed when Lu Ming mentioned Huang Ling.

Lu Ming's heart was tense, and a bad feeling arose spontaneously.

Could it be that Huang Ling has suffered an accident?

Lu Ming didn't dare to think about it, and asked quickly: "Senior Sister Mulan, is Huang Ling already?"

The voice was full of worry.

"Junior Brother, don't think too much about it. Huang Ling may not be in an accident. She is trapped in some ancient ruins."

Mulland said.

"Fell into some ancient ruin? Senior Sister Mulan, what's going on? What happened to you?"

Lu Ming continued to ask.

"Junior brother, don't worry, I will tell you slowly, when I ventured together with Huang Ling, I strayed into an ancient teleportation formation. I didn't expect the teleportation formation to be activated accidentally. Huang Ling and I were teleported by the teleportation formation. Go, teleport to an uninhabited continent, and found it impossible to teleport back. We waited on the fragments of that continent for decades. Seeing no one was coming, we could only move on..."

Immediately, Mulan briefly recounted her experience over the years.

Chapter 5010: Holy Land

The route that Mulan and Huang Ling traveled is the same as that taken by Lu Ming.

Mulan and Huang Ling teleported to the first mainland fragment, and originally wanted to take the teleportation array to return, but unfortunately, the other end of the teleportation array burst. They couldn't return, so they waited on that continent fragment.

They naturally wanted to wait for the other Lu Ming to discover that they were missing, repair the teleportation array, and pick them up.

Unfortunately, at that time, Lu Ming, and anyone Lu Ming knew, could not repair the teleportation formation. They waited for decades and did not wait for Lu Ming, so they could only continue to advance through the teleportation formation.

Halfway through, they came to a stone house, where they got the chance against the sky.

The two of them not only obtained a few treasures respectively, but also absorbed the jade liquid in the jade pond, and their bodies had undergone earth-shaking changes.

Not only did they have a huge improvement in their cultivation base, their talent and potential have also undergone earth-shaking changes.

They stayed in that stone house for a few years, and then continued on the road until they came to the western universe.

At that time, the ruins of the universe had not yet recovered, and the forbidden creatures had not yet appeared.

The entire western universe is silent.

They wandered cautiously in the western universe, trying to find a way back. In the end, they strayed into an ancient ruin. In that ruin, they stayed for many years, and finally the Phoenix Spirit was trapped in that ruin. , Mulan got away by chance.

When Mulan left the ruins, he discovered that forbidden creatures had appeared in the universe. Although they were few in number, they were powerful.

Mulan didn't dare to meet these forbidden creatures. She wandered carefully in the universe, and later unintentionally opened the seal of the Cangqing Divine Realm. Later, Mulan naturally stayed in the Cangqing Divine Realm and was caught by a big man. Accepted as a disciple.

Through Mulan's account, Lu Ming had a timeline in his heart, which became clearer and clearer.

At the beginning, Mulan and Huang Ling entered the ancient teleportation road, got the chance against the sky on the ancient teleportation road, and then came to the western universe.

At that time, the creatures in the forbidden land of the western universe had not yet awakened, the universe had not yet recovered, and the origin of the catastrophe had not yet arrived.

Then the two women strayed into an ancient ruin and stayed there for many years. During the period Huang Ling was trapped and Mulan got away.

When Mulan got away, forbidden creatures had already begun to appear, but the number was still very small.

Because at this time, the universe began to recover and the cultivation conditions improved.

Then, Mulan inadvertently opened the seal of Cangqing Divine Realm, and the human race of Cangqing Divine Realm was born.

For many years, the powerful Nine Yin Demon Spider Clan broke into the ancient teleportation road, and then Dan Dan repaired the teleportation array. The Nine Yin Demon Spider appeared in the stars of the universe...

"In this way, the forbidden creatures in the western universe awakened earlier than those in the eastern universe..."

Lu Ming turned a thought, and then asked, "Senior Sister, where is the ancient ruins where Huang Ling was trapped? Isn't it dangerous?"

Lu Ming was really worried.

According to Mulan, Huang Ling had been trapped in that place for tens of thousands of years, so Lu Ming was not worried.

"It's hard to say whether it's dangerous or not. Over the years, I have checked a lot of data and finally found out the origin of that ruin. That ruin should be a holy land of the prehistoric monster clan in the last era. The Phoenix Spirit has Phoenix blood. , Phoenix is one of the strongest races among the monster races on the Primordial Continent. I believe the Phoenix Spirit should be fine."

Mulan explained.

"The holy land of the wild demon race!"

Lu Ming was shocked.

The prehistoric monster tribe is one of the three great prehistoric tribes.

Lu Ming couldn't help but worry.

Although the Phoenix Spirit possessed the Phoenix bloodline, he knew very well that the Phoenix bloodline in the Phoenix Spirit was only the Phoenix bloodline of the Little Thousand World.

The bloodlines of the monster races in the universe starry sky and the small thousand world are not pure, and it is likely that they evolved from the flesh and blood of the prehistoric monster race after their death in battle.

There is a huge difference from the real prehistoric monster race.

Even if it is the blood of the Phoenix, it is also the blood of the mixed-blood Phoenix, which is very different from the Phoenix in the famine period.

Can this become the amulet of the Phoenix Spirit?

Everything is hard to say.

Lu Ming couldn't wait to rush to rescue Huang Ling immediately.

"Where is the holy land of the prehistoric monster race? How long does it take to start from here?"

Lu Ming asked quickly, he didn't plan to let Mulan go with him, he planned to go alone to solve Huang Ling.

But would Mulan not know Lu Ming's thoughts?

"Junior Brother Lu Ming, you want to solve Huang Ling alone, I know you are eager to save people, so why not, but now in the past, I can't enter that demon holy land at all."

Mulland said.

"Can't get in? Senior sister, what's the matter?"

"In recent years, through various data investigations and personal inspections, I found that the holy land of the prehistoric demon tribe is shrouded in many restrictions. Only at certain times will the restrictions weaken. Then, is the time to enter!"

"The last time Phoenix Spirit and I entered, it happened to be when the restraint was the weakest. The next time the restraint becomes weaker, it will be a year later. This time I broke through and broke the pole twice, and I am planning to enter the Demon Race one year later. Holy land, solve the Phoenix Spirit."

Mulan explained.

"one year later..."

Lu Ming whispered, a little helpless, it seemed that he could only wait for a year.

More than 10,000 years have passed, and if Huang Ling is still alive, I believe it will be a year too.

"Senior Brother Lu Ming, how did you come here? Your combat power has actually broken three times, which really surprised Senior Sister? You must have experienced a lot over the years."

After the topic changed, Mulan looked at Lu Ming confidently.

I haven't seen him for more than ten thousand years. Lu Ming is still the same Lu Ming, but her temperament has changed a lot. She wants to deeply impress Lu Ming's appearance in her heart.

"Since Sister Sister, you left..."

Lu Ming also briefly recounted his experience over the years. Although Lu Ming had already briefly talked about it, Mulan was still thrilling.

After that, Lu Ming did not return to his residence, but instead lived in Tianlan Garden.

When this news came out, many arrogants of Cangqing Divine Realm were heartbroken.

Lu Ming actually lived in Tianlan Garden, and his relationship with Mulan was extraordinary. What would happen between the two?

Thinking of what might happen between the two of them, those young arrogances, jealous of them, go crazy and want to replace Lu Ming.

Among them, the most upset is of course Liu Weiyang.

After Liu Weiyang went back, he felt restless and could not sleep or eat.

This time Pang Xiao has been humiliated and humiliated by him. Will he hold a grudge against him and retaliate against him?

The more I think about it, the more I am afraid.

Lu Ming, it's all Lu Ming!

Liu Weiyang roared in his heart and cursed Lu Ming viciously, before turning his mind to find a way to eliminate Pang Xiao's revenge.
