Chapter 5011: The Evil Race and the Demon Spider Slay

"Shao Liu, what should we do now? I'm afraid Pang Xiao will hate us."

A young man next to Liu Weiyang was very worried.

"Of course I took the initiative to find Pang Xiao and apologize to him."

Liu Weiyang said.

"This time Pang Xiao has been humiliated and humiliated. Maybe he may not easily accept our apology."

The young man was still worried.

"Under normal circumstances, this is the case, but if I can get him to retaliate against Lu Ming, or even kill Lu Ming, then Pang Xiao will not blame us."

Liu Weiyang said, his eyes flashed with the taste of conspiracy.

"Shao Liu, is there a way?"

The eyes of the young people lit up.

"Yes, let's go find Pang Xiao!"

Liu Weiyang said.

But when Liu Weiyang and the others saw Pang Xiao, Pang Xiao's eyes were extremely cold, and they almost made a move at them, but when Liu Weiyang said that there was a way to deal with Lu Ming, Pang Xiao's attitude really improved a lot.

"You said you have a way to deal with Lu Ming? What way, tell me, if you dare to lie to me, ha ha, your grandfather can't keep you."

Pang Xiao's voice was cold.

"Brother Pang, don't worry. According to my plan, Lu Ming is mostly cold. Even if he has the power of an invincible god, can he deal with multiple invincible gods at the same time?"

Liu Weiyang sneered.

"Come on, what is the method."

Pang Xiao urged impatiently.

"Brother Pang should know Zhu Tian, right?"

Liu Weiyang said.

"Nonsense, Zhu Tian, the supreme master of the Nine Yin Demon Spider Clan, who does not know? Why? Did Lu Ming offend Zhu Tian."

Pang Xiao said.

"Zhu Tian's younger brother Zhu Shi died in Lu Ming's hands, and a top source-level magical medicine from Zhu Shi was also snatched by Lu Ming..."

Liu Weiyang sneered.

Pang Xiao's eyes lit up.

He understood what Liu Weiyang meant. If he revealed the news to Zhu Tian, Zhu Tian would never let Lu Ming go, and he would probably kill him directly to the Cangqing Divine Realm.

"However, Zhu Tian's strength is strong, but he alone can't help Lu Ming."

Pang Xiao said.

Zhu Tian's strength is absolutely amazing. There is no doubt about it, because Zhu Tian has defeated other invincible gods more than once.

It can be said that both are invincible divine masters and both have broken poles three times. Zhu Tian's combat power is also top-notch.

But don't forget that Lu Ming also defeated Fu Yuan not long ago.

Zhu Tian may not be able to get Lu Ming.

"Brother Pang doesn't need to worry, the invincible divine lord of the Nine Yin Demon Spider Clan is not only Zhu Tian, but Zhu Tian has made friends with many invincible divine lords, and Zhu Tian may not be the only one who will come."

"It doesn't matter if there is only Zhu Tian alone. I speculate that the Devil Kun of the Extreme Evil Race also died in Lu Ming's hands, and the two top source-level magical medicines in Demon Kun's hands also fell into Lu Ming's hands. In this matter, the extremely evil race will never let go."

Liu Weiyang said, a picture of Zhizhu holding it.

"Devil Kun also died in Lu Ming's hands? Can this be confirmed?"

Pang Xiao was suspicious.

"Eight or nine do not leave ten, there is absolutely nothing wrong..."

Immediately, Liu Weiyang talked about the fact that Lu Ming was with them and met Mo Kun and others halfway, and then Lu Ming left for a while to find a reason.

"In the beginning, I didn't doubt Lu Ming too much, because Mo Kun itself was a second-time-breaking existence, and there were other masters present. I didn't think Lu Ming could deal with Mo Kun and them, but it's different now..."

"Lu Ming was able to defeat Fu Yuan. This level of combat power can easily kill Mo Kun and others. I'm sure that at that time Lu Ming left to kill Mo Kun and others and seize two top source-level gods. medicine."

Liu Weiyang cut the gold and iron road.

He was absolutely sure, it was Lu Ming.

In exchange for him, with the power of an invincible divine master, he would certainly not let Mo Kun and the others go.

Those are two top-level source-level magic drugs!

The top-level source-level magical medicine is so precious that the strong of the source realm must be moved, especially for the existence of the peak of the god, it can greatly accelerate the speed and probability of breaking through the source.

After knowing the pinnacle of the god, he was not tempted?

"That said, Demon Kun must have died in Lu Ming's hands. Very good, Liu Weiyang. If you can kill Lu Ming with the help of the Jiuyin Demon Spider and the Extreme Evil Clan this time, your grievances will be written off."

Pang Xiao said, after finishing speaking, his eyes flashed with intense murderous intent, which was naturally aimed at Lu Ming.

"Brother Pang, do you have a way to pass the news to Zhu Tian and the extremely evil people?"

Liu Weiyang asked with joy.

"Don't worry, it won't be long before the Nine Yin Demon Spider and the Extremely Evil Race will be killed."

Pang Xiao said with a cold face.

.....

In an instant, Lu Ming lived in Tianlan Garden for more than ten days.

In the past ten days, Lu Ming has even more discovered that Mulan is extraordinary.

Mulan's current bloodline is very similar to those of the Cangqing Divine Realm. It is very pure and advanced. For Lu Ming's "inferior bloodline", it always exudes strong pressure.

Of course, Lu Ming can ignore this coercion if he uses the taboo power a little bit.

Mulan can have such a powerful, high-level and pure bloodline, entirely because he absorbed the jade liquid of good fortune and transformed it on the ancient road of transmission.

According to Mulan's statement, the Phoenix Spirit has also achieved transformation, and the human bloodline and the Phoenix bloodline have also been greatly improved.

In addition, several of Mulan's treasures also shocked Lu Ming, whose level was absolutely extremely high, especially one of the gems.

Lu Ming couldn't see the depth at all, only felt it was unfathomable.

Lu Ming heard Han Yue say that Mulan used this gem to open the seal of the Cangqing Divine Realm.

On this day, Han Yue suddenly found Lu Ming and informed him that outside the Cangqing Divine Realm, a powerful man named Lu Ming.

"Challenge me? Who challenged me?"

Lu Ming asked curiously.

"It's the Nine Yin Demon Spider and the Extreme Evil Race."

Han Yue said with a worried expression on his face.

"Nine Yin Demon Spider and Extreme Evil Race?"

Lu Ming frowned slightly, thinking of Zhu Shi and Demon Kun.

Did something happen?

"The Jiuyin Demon Spider is headed by Zhu Tian, and the Evil Clan is headed by Mosha... They told... Brother Lu to get out and die, Brother Lu, you must be careful."

Han Yue reminded.

"Zhu Tian and Mosha, what are they doing to challenge Junior Brother?"

Mulan's face also changed.

These two people are both invincible divine masters.

Especially Zhu Tian, once defeated other Invincible Divine Lords more than once, in the Cangqing Divine Realm, invincible Divine Lords were defeated by Zhu Tian.

And Mosha of the extremely evil race is also a terrifying figure. This person's methods are extremely cruel and evil, and the methods are strange and difficult.

Lu Ming, when did you offend these two masters?

Even if Lu Ming had the power to defeat Fu Yuan, Mulan couldn't help but worry.

"It seems that something happened, how did they know? By the way, Liu Weiyang..."

Lu Ming's eyes flashed.

Chapter 5012: Use Mulan to force Lu Ming

Lu Ming suddenly thought of Liu Weiyang.

Liu Weiyang saw him kill Zhu Shi with his own eyes.

There is also Demon Kun. Now that he knows that Lu Ming has the power of an invincible Divine Master, it is not difficult to guess that Lu Ming left halfway for a while, just to kill Demon Kun.

I am afraid that not only Liu Weiyang wants it, but Han Yue can also.

But Han Yue and others had no reason to betray Lu Ming, and only Liu Weiyang was left.

"A lot of people from the two races?"

Lu Ming asked.

"There are at least dozens of people from the two races. They are all masters. I guess, apart from Zhu Tian and Mosha, there may be other three-time masters in secret, Lu Ming, don't be impulsive."

Han Yue said, she wanted to remind Lu Ming not to challenge.

"Junior Brother, I don't think there is any need to fight, anyway, the Cangqing Divine Realm has a powerful formation guard, they can't get in, let them stay outside..."

What Mulan said was more straightforward.

"Rest assured, I will not challenge."

Lu Ming smiled.

He has already passed the age of impulsiveness, and he will not fight to death because of others' yelling.

Although he is not afraid of each other, why can he not do it?

Wouldn't it be better to let the other person scream and scream outside?

After that, Lu Ming continued to live in Tianlan Garden, ignoring things outside the window.

However, as time passed, Cangqing God's territory had spread throughout.

Outside the Cangqing Divine Realm, the Jiuyin Demon Spider and dozens of masters from the extremely evil race gathered, yelling every day, challenging Lu Ming, and couldn't be satisfied.

"It's been several days, so Lu Ming shouldn't fight yet?"

"I heard that Lu Ming's combat power was extremely amazing. After defeating Fu Yuan, would he still be afraid of the opponent?"

Many people talked about it.

During this period, Lu Ming, Liu Feng, Yu Wentai and others fought against Mulan, and Lu Ming defeated Fu Yuan. It has long been spread.

The name of Lu Ming shook the entire Cangqing Divine Realm.

It was really incredible that an inferior bloodline actually defeated Fu Yuan who had the bloodline of Sheng Xi.

Therefore, when the masters of the Jiuyin Demon Spider and the Extreme Evil Race challenged Lu Ming, they immediately shook the entire Cangqing Divine Realm.

"In my opinion, Lu Ming is scared and dare not fight."

"That is, although he defeated Fu Yuan, I guess there was a fluke element, or some explosive secret technique. After using it once, the sequelae was huge, or he could only persist for a short time, and it was normal to not dare to fight. "

"It's too timid, it's a shame that a master who has broken so much for three times, was killed by others at the door of his house and dared not to fight, and was insulted every day and didn't dare to fight."

Cangqing Divine Realm, there were such remarks secretly.

Of course, these remarks were secretly sent by Pang Xiao and Liu Weiyang.

They wanted to urge Lu Ming to take action.

They were also very anxious if Lu Ming couldn't make a move.

Such remarks also reached Lu Ming's ears through several of Mulan's maids.

But Lu Ming smiled faintly and didn't care.

As soon as he thought about it, he knew that it was someone with a heart who was spreading the speech, motivating him to take action.

He just didn't let these people wish.

Isn't it fragrant to stay in Tianlan Garden?

Every month, there are eight drops of Yuanshen medicinal liquid. At other times, he makes great progress by studying Yuanshu.

Through this period of insight, his understanding of Yuanshu has become deeper and deeper, and his understanding has become much clearer than before.

He firmly believes that if he keeps on progressing like this, he might be able to comprehend the origin art before breaking through the origin.

Those who can comprehend the source art before the source, but very few.

For the time being, apart from a few people such as Bone Demon, Xie Nianqing, Gu Changfeng, Ye Immortal, etc., he has not seen anyone else mastering the Origin Art in the Divine Master Realm.

Even those peerless arrogances among the creatures of the Forbidden Land have never seen them.

But Gu Changfeng, Bone Demon, Xie Nianqing and others still lean on the four statues in the sky of Zixiao Cave.

Lu Ming felt heartache when he thought of the four statues.

Now he knew that the four statues were absolutely rare top treasures, very rare.

Otherwise, there are so few people in the universe who can't master Origin Art in the Divine Realm.

Unfortunately, at that time, the four statues could not be taken away at all. Later, the Zixiao Cave collapsed and the four statues also fell into the depths of the void, not knowing where they fell.

In this way, Lu Ming stayed in Tianlan Garden to practice, and it was another month in a blink of an eye.

Lu Ming practiced quietly, but Liu Weiyang and Pang Xiao were furious.

"Trash, then Lu Ming is trash. He doesn't even dare to challenge. It's a trash chicken."

Pang Xiaoqi cursed.

"The inferior bloodline is the inferior bloodline, timid like a mouse, I really looked upon him before."

Liu Weiyang also scolded.

Lu Ming couldn't get out. Isn't it impossible to realize their plan to kill with the sword?

They were so angry that they wanted to pull Lu Ming out and throw them in front of Zhu Tian and others.

"Liu Weiyang, do you have any ideas to force Lu Ming out?"

Pang Xiao looked at Liu Weiyang.

"Forcing Lu Ming to go out?"

Liu Weiyang showed his thoughts, and after a while, Liu Weiyang's eyes lit up.

"Yes, there is no way to force Lu Ming out."

Liu Weiyang said.

"What can I do? Say it!"

Pang Xiao hurriedly urged.

"Moulin!"

Liu Weiyang's eyes flickered, "The relationship between Lu Ming and Mulan is obviously extraordinary. If Mulan is caught by Zhu Tian and others, do you think Lu Ming can sit still? I'm afraid he will take the initiative to kill him. Zhu Tian and others."

"But Brother Pang, once you have a deep love for Mulan, I'm afraid you won't want it."

"The **** is deeply affectionate. The swordman actually likes an inferior bloodline. Sooner or later, I will make her pay the price. Okay, just do it. But how can we make Mulan fall into the hands of Zhu Tian and others?"

"Mulan has always lived in Tianlan Garden and stayed with Lu Ming. How can we separate them?"

Pang Xiao said.

"Don't Mulan and Na Du Ling have a very good relationship? They are as close as sisters. As long as you take Du Ling and force Du Ling to send news to Mulan, leave Mulan alone, leave the Cangqing God Realm, and let Zhu Tian wait. People shot, took down Mulan, and forced Lu Ming to shot."

"The difficulty here is how to communicate with Zhu Tian and others so that they can cooperate."

Liu Weiyang said.

"Leave it to me!"

Pang Xiao said.

Liu Weiyang's eyes flashed, this Pang Xiao seemed to have a good relationship with the creatures in the forbidden area.

"There is one more important thing. After it's done, Du Ling must not stay, so as not to leave any handle."

Liu Weiyang said, his eyes gleaming fiercely.

"Is it something you said? Let's start!"

Pang Xiao sneered.

In a blink of an eye it was another few days.

On this day, Mulan received a message that Du Ling had passed to her.

According to the message, if Mulan was allowed to see somewhere in front of her alone, she was only allowed to go alone. If she brought one more person, Du Ling would be very dangerous.

"Something happened to Du Ling!"

Mulan looked ugly.

Du Ling has a very good relationship with her, as close as sisters. When she first arrived in the Cangqing Divine Realm, she was not familiar with her place. The first person she met was Du Ling.

She must not leave Du Ling alone.

Chapter 5013: I am Lu Ming

Mulan didn't expect that all of this was a conspiracy against Lu Ming. She simply thought that Du Ling had something wrong.

Therefore, Mulan didn't tell Lu Ming the news, so he quietly left Tianlan Garden and headed outside of God Cangqing.

Mulan's direction was specifically to avoid the directions where Zhu Tian, Mosha and others were located, but she was surrounded shortly after she left the Cangqing Divine Realm.

It was Zhu Tian, Mosha and others who surrounded her.

"be cheated!"

As soon as she saw Zhu Tian, Mosha and others, Mulan knew that she had been fooled. These people wanted to take it down and threatened Lu Ming to come out for a fight.

Of course, Mulan wouldn't be able to catch it and break through with all her strength, but although she has the power to break the pole twice, there is a huge difference between the second pole and the third.

What's more, there was more than one person in the opponent's three-time-breaking existence. It was impossible for Mulan to break through, and even Zhu Tian and Mosha had no time to transmit.

.....

"Lu Ming, the big thing is not good!"

On this day, Han Yue rushed into Tianlan Garden, his face a little pale.

Lu Ming's heart sank: "Han Yue, what happened?"

"Senior Sister Mulan was caught, and was caught by Zhu Tian and Mosha!"

Han Yue quickly said.

"what?"

Lu Ming was shocked, his spiritual sense quickly spread out, covering the room where Mulan was, and he realized that Mulan's room was empty.

"Lanxiang, what's going on? When did your miss leave?"

Lu Ming's figure flashed before appearing in front of one of Mulan's maids and asked.

Lu Ming and Mulan were practicing in different rooms, so Lu Ming didn't know when Mulan left.

"I don't know, I don't know when Miss Mulan left."

Lan Xiang shook his head repeatedly.

"Something must have happened, otherwise Sister Mulan will definitely notify me when she leaves."

Lu Ming frowned.

"Lu Ming, what should I do, Zhu Tian, Mosha and others will let you... let you go out and suffer..., otherwise it will be detrimental to Mulan."

Han Yue said.

"Since they want to die, then fulfill them and go!"

Lu Ming's voice was extremely cold.

He and Mulan hadn't seen each other for many years, and he was full of guilt for Mulan. At this time, these people used Mulan to threaten him, and he was completely gone.

Originally, he didn't want to bother about these people, but now he is murderous.

Immediately, Han Yue led the way and rushed towards the exit with Lu Ming.

Outside one of the exits of the Cangqing Divine Realm, two groups of people were facing each other in a void.

One of the waves is naturally the Nine Yin Demon Spiders and the Extreme Clan headed by Zhu Tian and Mosha.

The other wave is the human masters of the Sky God Realm.

Many people in the Sky Divine Realm knew that Mulan had fallen into the hands of Zhu Tian and Mosha. They were furious, and a large number of masters rushed away.

However, the people of the human race did not do anything. They were mainly afraid of Zhu Tian and Mosha. Although they were large in number, no one was an opponent of Zhu Tian and Mosha, mainly because there was no strong person who broke the extreme three times.

"Zhu Tian, Mosha, you are really despicable, you actually used a woman to threaten Lu Ming and hand over Mulan to me."

Suddenly, angrily, a human youth strode out.

"It's Zao Wou-Ki, Zao Wou-Ki is here!"

Everyone is overjoyed.

Human race, finally there are three times the invincible **** master has arrived.

"It's ridiculous, that Lu Ming's murder and treasure is truly despicable. Now he is a tortoise with a shrunken head, hiding in your heavenly divine realm. If you send Lu Ming out, we will release Mulan."

Mosha sneered.

"Fart, I will kill you now!"

Zao Wou-ki coldly drank, his body shape kept, and he slammed into Mosha.

Mosha was not afraid, and shot back.

boom! boom! boom!

The two confronted each other for more than a dozen strokes, and there was no victory or defeat.

It was not the first time that the two of them played against each other. They were hard to distinguish between their strengths, and it was impossible to tell the winner in a short time.

"Mosha, do you want me to help you?"

Aside, Zhu Tian chuckled.

"Zhu Tian, your opponent is me!"

In the human race, another figure stepped out, a young man with a big beard.

"Fu Yuan!"

Zhu Tian frowned, a trace of jealousy appeared in his eyes.

"Zhu Tian, you dare to catch our people near the Cangqing Divine Realm, so brave, I think you are looking for death!"

Fu Yuan drank.

"Yes, hurry up!"

"Otherwise, you will all stay!"

Others also yelled.

Mulan was kind to Cangqing Divine Realm, and he was a disciple of a big figure in Cangqing Divine Realm. Zhu Tian and others actually captured Mulan in Cangqing Divine Realm. Most of the people were furious and wanted to take Zhu Tian. Waiting for personality killing.

At this moment, Fu Yuan and Zao Wou-ki are backing them, and they are not afraid.

There are many human races, and there are hundreds of human race masters surrounding here at the moment, and the number is far higher than that of the Nine Yin Demon Spiders and the Extreme Evil Race. If something goes wrong, it is really possible to take the opponent.

The faces of the Nine Yin Demon Spider and the extremely evil race changed, and they couldn't help but backed up and gathered together to prepare for the battle.

"Mulan has been sent away by us. If you dare to act rashly, if anything happens to us, then Mulan will be buried."

Zhu Tian's indifferent voice sounded.

The human master was shocked and could not help but stop.

They are throwing a rat!

Mulan was in their hands, they had to hesitate, even Zao Wou-ki who was fighting against Mosha stopped.

"You are really mean!"

Many people yelled.

"Hand over Lu Ming, and when we kill Lu Ming and avenge my brother Zhu Shi, we will naturally hand over Mulan."

Zhu Tian said coldly.

"If you want my life, it depends on whether you have this ability!"

An indifferent voice sounded, in the void, light and shadow flashed, and a young figure appeared.

It was Lu Ming who arrived.

"Lu Ming is finally here!"

"Haha, great!"

Liu Weiyang and Pang Xiao naturally also mixed in the crowd. Naturally, they would not miss such a lively event. They were overjoyed when they saw Lu Ming coming at this moment.

The eyes of Zhu Tian, Mosha and others were sharp as swords, and they pierced Lu Ming.

"You are Lu Ming!"

Zhu Tian's eyes were extremely cold, cold and murderous, without concealing it.

"I am Lu Ming!"

Lu Ming answered coldly.

"Very well, your head, I want it!"

Zhu Tian pressed towards Lu Ming, and the terrifying cold breath locked Lu Ming on.

"Zhu Tian, leave this to me by Lu Ming."

On the other side, Mosha also forced towards Luming.

It seemed that in their eyes, Lu Ming was a fish on a plate, which could be slaughtered.

Except for Zhu Tian and Mosha, the Jiuyin Demon Spider and the Evil Race

Yes, they didn't know Lu Ming defeated Fu Yuan.

Pang Xiao did not tell them.

The reason why Pang Xiao didn't tell them about Lu Ming's combat power was naturally not a good intention to help Lu Ming.

He naturally has his own plan.

Chapter 5014: Challenge everyone

Pang Xiao felt that Zhu Tian and others might not have killed Lu Ming near the Cangqing Divine Realm, even if there were a few more masters.

Mainly near the Cangqing Divine Realm, there are many human masters, and those human masters may not be indifferent to watching Lu Ming being killed.

Even if Lu Ming is of inferior blood, many people will help.

There are too many people in the Cangqing Divine Realm who are 'fallen' now.

Yes, Pang Xiao believes that those who don't feel inferior and low-blooded are 'degenerate'.

He felt that in the face of inferior blood, they must maintain a noble identity.

Therefore, he didn't tell Zhu Tian and others about Lu Ming's real combat power and record, and made the Jiuyin Demon Spider and the Extremely Evil Clan despise Lu Ming. If he did something like that, the two clan would definitely suffer a big loss, maybe more. The Jiuyin Demon Spider and Extreme Evil Clan died at Lu Ming's hands.

It's best to die a few powerful Tianjiao. That way, Lu Ming and the two clans will really never die, and will attract more powerful men to kill Lu Ming.

That way, no matter how strong Lu Ming's combat power is, there will only be a dead end.

Therefore, the people of the two clans do not know Lu Ming's true combat power.

Of course, they did not despise Lu Ming too much.

Because Mo Kun was probably dead in Lu Ming's hands, and could kill Mo Kun, that shows that Lu Ming himself has at least the power to break the pole twice.

Even break the extreme limit twice.

However, with the two invincible **** masters Zhu Tian and Mosha, even if Lu Ming is strong, there is only one dead end.

"Do you want to deceive less, I will play with you!"

Fu Yuan drank coldly, Guqin appeared, and his breath rushed towards Zhu Tian.

On the other side, Zao Wou-ki was also filled with a strong aura, ready to take action against Shang Mosha.

"It seems that you don't want Mulan's life anymore. Except for Lu Ming, if anyone else dared to make a move, believe it or not, I will immediately send a message and let my people cut off Mulan's head."

Mosha is full of evil people, which makes Fu Yuan and Zao Wou-ki not dare to act rashly.

"Say, Sister Mulan, where is it?"

Lu Ming reluctantly resisted the anger in his heart and asked.

"The dying person, don't need to know so much!"

Zhu Tian sneered, seeing that Fu Yuan didn't dare to do it, Zhu Tian once again forced Lu Ming to come.

"Zhu Tian, this Lu Ming, leave it to me, I want to avenge the demon Kun."

Mosha called.

"He killed my brother, I must cut off his head with my own hands, no one can fight with me!"

Zhu Tian's eyes were crazy.

The crazy eyes made Mosha feel a little chill in her heart, unable to stop her pace.

"Okay, Lu Ming, let me give it to you, but the two top source-level magical medicines in Mo Kun's hand fell on him. After killing him, I will take the two top-level source-level magical medicines. go."

Mosha Road.

"can!"

Zhu Tiandao.

"You are so nonsense. Since you don't hand over Senior Sister Mulan, then I will take all of you and exchange it for Senior Sister Mulan!"

Lu Ming spoke indifferently, the God of War Spear appeared in his hand, and the powerful aura surging out like a volcanic eruption.

Such gestures stunned Zhu Tian, Mosha and others.

This Lu Ming actually wanted to take the initiative, and, listening to what he meant, he wanted to challenge all of them alone.

Arrogant!

ignorance!

These two words flashed through the minds of the Nine Yin Demon Spider and the extremely evil race at the scene.

Even the master of the human race was taken aback.

Although they knew that Lu Ming was very powerful, they defeated Fu Yuan.

But it was just after the confrontation with multiple moves, and barely won by one move, it is really going to be a life-and-death battle, and it may not be able to win the next yuan.

Zhu Tian's combat power was not weaker than Fu Yuan, even slightly stronger than Fu Yuan.

There is also a desert sand.

Both are invincible divine masters, even if their combat power is strong or weak, they will not be too far apart.

For example, Zhu Tian, in the invincible **** master, the combat power is considered to be extremely high, and he has defeated many invincible **** masters.

However, it was defeated one to one.

If he were to face two invincible gods at the same time, he would definitely not be an opponent.

Even if two of the invincible **** masters he defeated were drawn together, Zhu Tian could only fail.

Both are invincible divine masters, not many people can face the combination of two existences at the same level at the same time.

Therefore, although Lu Ming defeated Fu Yuan, he was definitely not an opponent against Zhu Tian and Mosha.

"Lu Ming is so arrogant, he won't die here today, haha, it would be cheaper for him."

Liu Weiyang and Pang Xiao were overjoyed.

I originally thought that Lu Ming might not die today, but now that Lu Ming dies like this, that's not necessarily the case.

"Don't think that if you can kill Demon Kun, the world will be invincible. I'll kill you!"

A master of the extremely evil clan shouted and rushed towards Lu Ming first.

This person is holding a peculiar weapon. This weapon is like a sword but not a sword, like a sword but not a sword. The whole body is black and exudes an evil atmosphere.

This kind of weapon is a weapon unique to the Evil Race, called the Evil Blade. Under the unique power and secret technique of the Evil Race, its power is amazing.

Huh!

The Evil Blade took Lu Ming's forehead straight.

This is a master who breaks the pole twice, and it is not an ordinary second pole break. In the second pole break, they are all top masters, not weaker than Pang Xiao, and a lot stronger than Mo Kun.

So Zhu Tian and Mosha did not stop them.

Just try Lu Ming's strength.

At this time, Lu Ming's murderous intent was already very strong.

At this moment, Lu Ming's eyes were cold, and the God of War Spear swept out.

boom!

The God of War spear grew sharply, and hit the opponent's Evil Blade with a loud noise, and then a scream rang out.

I saw this strong man of the extremely evil race, his body flew back like a cannonball, and the blood in his mouth continued to spray wildly.

Moreover, one of this person's arms burst open, and the Evil Blade flew out.

One move, hit hard!

what?

Many people couldn't help but stare wide, shocked.

Among them, Pang Xiao was the most shocked.

The master of the extremely evil clan, he knew, and had fought each other before.

But this master who was not weaker than him was so fragile in front of Lu Ming that he was hit hard by a single move.

Doesn't that mean that when he faced Lu Ming, he also suffered a heavy blow.

"This kind of combat power..."

Fu Yuan's heart also jumped.

This level of combat power is stronger than when he fought against him.

Could it be that Lu Ming didn't try his best to fight him back then?

Fu Yuan felt a huge blow.

The people of the Human Race, who originally knew Lu Ming's combat power, were so shocked, the horror of the Jiuyin Demon Spider and the extremely evil people can be imagined.

Even Zhu Tian and Mosha two invincible gods could not help but stare.

Before they could slow down, Lu Ming's offensive had already exploded.

"kill!"

Lu Ming screamed, slapped it with a palm, and used it in a primitive way. A continent formed, appeared on top of Zhu Tian and the others, and suppressed them.

All of a sudden, dozens of masters of the two clans were shrouded in it.

Chapter 5015: String

"Arrange, block!"

Zhu Tian drank.

The figure flickered, and several seats were arranged in a combined attack formation.

The people brought by Zhu Tian and Mosha were not useless, and they were very powerful. In addition to the masters who broke the extreme once and broke the extreme twice, there were also two 21-person team attacks.

The two battle formations together, plus other masters, attacked the prehistoric continent together.

Zhu Tian and Mosha also took action, but their attack was not aimed at the prehistoric continent, but towards Lu Ming.

Behind Zhu Tian, there were eight spider legs. He was wrapped in a pair of armor. Even the spider legs were wrapped in armor. The eight spider legs were like eight spears, and they pierced Lu Ming.

Mosha held the extremely evil blade and slashed towards Lu Ming, whose power was much stronger than that of the extremely evil master just now.

Facing the siege of the two masters, the murderous intent on Lu Ming's face became even colder.

Hum!

The God of War spear shook, and two spear lights burst out, stabbing Zhu Tian and Mosha.

The three invincible divine masters retreated too fast. As soon as the three of them shot, their attacks collided.

Dangdang...

A continuous confrontation sounded, and then the two figures backed backwards.

It is Zhu Tian and Mosha!

Si Si Si...

At the scene, the masters of the human race took a cold breath one by one, as if stormy waves were set off in their hearts, and it was difficult to calm down.

In a head-on confrontation, Lu Ming actually repelled the two invincible divine masters. What kind of terrifying force was this?

At the same time, they can be sure that Lu Ming never tried his best to fight against Fu Yuan.

boom!

At this time, the prehistoric condensed continent finally collided with other masters of the two races.

The earth-shaking roar erupted, and the first to bear the brunt was the formation of two twenty-one players.

The combined attacking formation of the two twenty-one people retreated downwards, then kept shaking, and then collapsed.

The people in the formation vomited blood one by one, their faces pale.

The others who hadn't arranged a joint attack formation also coughed up blood one by one, and suffered heavy injuries.

However, no one died.

The main reason is that Lu Ming deliberately controlled the power.

Because, now is not the time to kill these people, Mulan is in the hands of the opponent after all. If these people are killed, Lu Ming is afraid that it will be disadvantageous to Mulan.

Injuring these people hard first, and holding these people hostage in your hands will make the other party jealous.

This is the best policy!

Among them, the most shocking were Zhu Tian and Mosha.

Lu Ming's combat power was so amazing that they were a little unimaginable.

"kill!"

Lu Ming roared, the man and the spear united into one, turning into several terrible spear lights, and they killed Zhu Tian and Mosha.

The terrifying spear light, huge and incomparable, vertical and horizontal void, disturbing the vast void, the scene is too amazing.

"Spider wheel crack!"

Zhu Tian screamed, his entire body quickly spun, using eight spider legs as blades, turning into an extremely sharp gear during high-speed rotation, cutting away towards Luming.

At the same time, Mosha worked desperately and used a big trick to kill Lu Ming.

Lu Ming's offensive brought tremendous pressure to them, and the two of them tried their best to push their combat power to the extreme.

boom! boom!

With two roaring hands, Zhu Tian and Mosha retreated again, their faces were pale, and the corners of their mouths overflowed with blood.

Of course, Lu Ming still didn't use his full strength to expose his full strength, or not to expose his full strength. After all, Mulan had not been rescued yet.

In order to avoid exposing too strong strength, so that the Nine Yin Demon Spider and Extreme Evil Race feel too strong pressure, and prepare in advance, it will be even more difficult to rescue Mulan.

Just be able to win Zhu Tian and Mosha.

One move wounded Zhu Tian and Mosha, and Lu Ming continued to attack.

Zhu Tian and Mosha both resisted with all their strength. As for the other members of the two races, they were no longer able to help. They had been injured before.

However, even if Zhu Tian and Mosha resisted with all their strength, they did not resist for long.

After more than ten strokes.

bump!

Zhu Tian was swept on the chest with a shot by Lu Ming, his body flew out like a ball, even if he had a top-level source-level armor armor, at least a dozen bones in his body were broken, and he coughed up blood. , Was hit hard.

Huh!

Lu Ming followed Zhu Tian like a bolt of lightning, and the God of War spear struck down again.

Zhu Tian couldn't dodge at all, and was hit by the God of War spear again.

Click!

Zi Zi Zi...

The God of War spear slammed on the top source-level armor, making a harsh sound. Two of Zhu Tian's spider legs were abruptly discounted. If it weren't for the protection of the top source-level armor, I'm afraid it would have been broken.

"go!"

On the other side, Mosha was really frightened, so she didn't dare to stay any longer. With a roar, she flew into the distance, and actually wanted to escape.

An invincible divine lord who was beaten to escape is simply rare.

When Zhu Tian saw Mosha escape, he was furious and roared: "Mulan was taken away by someone from the extremely evil race."

Lu Ming's eyes were cold, and one foot was placed on Zhu Tian's face. With the help of this foot, his figure was like a bolt of lightning, chasing Mosha.

During the previous fight, Mosha was already injured and his speed was also affected a lot, while Lu Ming's speed was at his peak.

Therefore, Lu Ming quickly caught up with Mosha, and shot out with a palm, a continent appeared on top of Mosha's head, and pressed down towards Mosha.

"Damn..."

Mosha roared, although he tried his best to resist, but the result was doomed.

The continent was pressed down, Mosha screamed, terrifying power, through the top source-level armor, bombarded Mosha's body.

Mosha's body made a crackling sound, and I don't know how many bones were broken.

The next moment, Lu Ming appeared in front of Mosha like lightning, fingers like hooks, and he clasped Mosha's neck.

what!

Mosha yelled, struggling frantically, but unfortunately, it didn't help. How could he break free because he was already seriously injured.

"None of you want to leave!"

An indifferent voice came from Lu Ming's mouth. With Mosha, his figure flickering, he rushed to the other members of the two races, and continued to throw heavy hands.

After a while...

The Jiuyin Demon Spider and dozens of masters of the Extreme Evil Race, including Zhu Tian, were all suppressed by Lu Ming.

Lu Ming took out a rope-type treasure, and tied dozens of masters, sturdily, into a string.

Zhu Tian and Mosha were among them.

"Ah, Lu Ming, I don't share the same spirit with you!"

"You can kill me if you have the right, otherwise one day, I will get back ten times in revenge."

Zhu Tian and Mosha yelled, wishing to slap themselves to death.

What a shame!

The invincible **** master who has broken the extreme three times, and now the pinnacle master in the universe, is actually tied into a string like a chicken.

It's really shameful.

This is a great shame, a shame that is difficult to wash away in a lifetime.

They couldn't wait to sack Lu Ming.

Unfortunately, Lu Ming was unmoved.

The human masters around were also stunned and dumbfounded.

Chapter 5016: Killed in a terrible place

At this moment, the number of human masters gathered around has exceeded 300.

These more than three hundred human races, one by one, were dumbfounded and dumbfounded, including experts such as Zao Wou-ki and Fu Yuan.

Then, many people got excited.

Too domineering, too domineering!

As a human race, it should be so!

Thinking of the prehistoric continent of the last epoch, the human race dominates the world, and the ten thousand races are coming. What a grand occasion?

The human race at that time was also so domineering.

Among them, Liu Weiyang and Pang Xiao's mood is the most complicated.

As a result, Lu Ming's combat power was truly amazing, beyond their imagination, and frightened them.

Secondly, I was a little excited.

Lu Ming treated Zhu Tian, Mosha and others like this, the masters of the two clans would never give up.

[Send red envelope] Reading benefits are here! You have up to 888 cash red envelopes to be drawn! Follow the weixin public account [Book Friends Base Camp] to draw red envelopes!

Later, there will be more powerhouses to deal with Lu Ming.

There are at least a dozen invincible gods from the two clans.

Lu Ming can deal with two, can he deal with three, four, or even a dozen invincible gods?

Not to mention, the two clans still have a large number of combined attack formations.

Lu Ming, he is dead!

"Say, where did you take Senior Sister Mulan?"

Lu Ming glanced indifferently at Mosha, Zhu Tian and others, and their voices were full of murderous intent.

"That Mulan, was taken away by the extremely evil race, it is estimated that he was taken to the extremely evil place!"

A master of the Nine Yin Demon Spider shouted.

"Yes, it's none of our business, please let us go!"

Another young man from the Nine Yin Demon Spider called.

It's really shameful to be **** like this, they all want to get out soon.

"Shut up, you spiders, you really can't believe it, you are as timid as a mouse!"

"You don't want to leave the responsibility on us. You took down Mulan before. You spiders are the most active."

The people of the extremely evil race were upset, and they screamed.

The relationship between the Nine Yin Demon Spider and the Extreme Clan is not good at first, but a competitive relationship, and there has been no struggle between each other.

It was because they wanted to force Lu Ming to come out, so they teamed up. At this moment, it was noisy.

"To shut up!"

Lu Ming drank coldly, and the people of the two races suddenly shut up.

People have to bow their heads under the eaves!

Lu Ming stretched out his hand and grabbed a young man from a very evil race in his hand.

"Where is the worst place, lead the way!"

Lu Ming said coldly.

what?

This young man of the extremely evil race, as well as others, were all taken aback.

What is Lu Ming doing?

Go to a terrible place?

The extremely evil land, but the stronghold of the extremely evil tribe, was a terrible forbidden land during the Primordial Continent.

Now, the extremely evil race has awakened dozens of human race people, it can be said that they are masters.

Lu Ming took the initiative to kill to the most evil place, that is, looking for death.

You know, there are a total of seven invincible **** masters in the extreme evil race, and there are six in addition to Mosha.

In addition, those powerful combined attack formations are more, Lu Ming killed him, it was completely seeking death.

"Lu Ming, no, there are six invincible divine masters in the extremely evil place..."

Han Yue said quickly, wanting to calm Lu Ming.

Now that Zhu Tian, Mosha and others are in Lu Ming's hands, Lu Mingda can send one or two members of the extremely evil clan back to report the letter, and exchange Mosha and others for Mulan.

This is the best policy!

However, Lu Ming shook his head slightly.

He does not intend to do this.

He originally felt guilty towards Mulan.

Except for Qiuyue, Mulan was the first confidante he knew.

When he was still young, it was Mulan who helped him and let him enter the Xuanyuan Sword Sect to practice.

Later, it was Mulan who helped Lu Ming with his own happiness and helped Lu Ming become an emperor.

Mulan helped him too much. It can be said that without Mulan, there would be no Lu Ming today.

But later, because Lu Ming met Xie Nianqing and didn't want to hurt Xie Nianqing's heart, Lu Ming reluctantly alienated Mulan.

When I was young, now as I have experienced more things, both Xie Nianqing and him slowly let go, but Lu Ming still feels guilty towards Mulan.

Now it's hard to find Mulan, the Nine Yin Demon Spider and the people of the extremely evil race, and in order to deal with him, they kidnapped Mulan, which violated his inverse scale.

This matter will not just leave it alone.

He wants two races and pays the price.

At the same time, he must also use this battle to make a name for himself, to frighten Xiao Xiao, so as not to keep troubles later.

He was on his way to this terrible place.

"lead the way!"

Lu Ming's indifferent voice sounded, and his eyes were murderous, making the young man of the extremely evil race fearful.

"Take him!"

Mosha called.

Since Lu Ming wants to take the initiative to go to the extremely evil place, why not take him there?

The master of the terrible land is like a cloud, wait for Lu Ming to go, see how he runs.

"Okay, I will lead the way!"

The young man of the extremely evil race.

Lu Ming let go, and the young man from the extremely evil race flew far away first.

Lu Ming followed behind him with a bunch of people.

"Go, let's go and see!"

"We must go. If the extremely evil race dares to bully the less by more, we will take action. After all, Lu Ming is a member of our human race, and he can't let him suffer!"

"I'm going to make a voice call and call some experts to help."

Many people in the Cangqing Divine Realm called out, some of them took out the sound transmission jade charms, called friends and friends, and headed towards the extremely evil land together.

Even Zao Wou-ki, Fu Yuan and others took out the sound transmission jade talisman, and the news came out.

Soon after, a large number of human masters went to the extremely evil place.

The Cangqing Divine Realm was still quite far from the extremely evil place, and it would take at least half a month at the speed of Lu Ming and the others.

Along the way, I also ran into many other forbidden people.

"What happened?"

These people were dumbfounded when Lu Ming pulled a bunch of people.

"Is such that..."

In the human race, there are many words, and immediately recounted the matter briefly.

"There is such a thing, go, go and see..."

Then, these people followed Lu Ming one after another, toward the extremely evil place.

Moreover, these people also spread news to their relatives and friends.

This news spread at the speed of a hurricane to the six major forces in the western universe.

"I said... could you put us away or cover it with something..."

There was a young man from the Nine Yin Demon Spider roaring.

"Just..."

"Hide us!"

Others also called.

It is really embarrassing to tie them in a string like this and swagger through the market all the way.

They can't wait to find a dog hole to hide, it's better than this.

Lu Ming didn't bother to pay attention to them, and continued to drag these people towards the extremely evil place.

And the extremely evil masters of the extremely evil land also quickly received the news, and suddenly yelled one by one.

"Unreasonable, dare to tie our extremely evil people to death!"

"Then who is Lu Ming, it's so bold!"

"I dare to kill us in a terrible place, come and gather masters. When this person comes, he will be divided into five horses."

The wicked people roared in anger.

Also angry is the master of the Nine Yin Demon Spider.

After the master of the Nine Yin Demon Spider heard the news, the master who mobilized and looked towards the terrible place.

The universe in the west is turbulent for a while!

Chapter 5017: Fight alone the most evil five

In a blink of an eye, half a month passed.

Lu Ming and the others finally came to the terrible place.

When Lu Ming and the others arrived, a large number of figures suddenly burst out of the extremely evil land.

There are tens of thousands of them, and they are all masters of the extremely evil race.

"The people from the Nine Yin Demon Spider are here too, very good!"

Lu Ming swept his eyes to the other side and saw a large number of masters of the Nine Yin Demon Spider.

The Jiuyin Demon Ruins where the Nine Yin Demon Spider Clan is located is closer to the extremely evil land than the Cangqing Divine Realm. Therefore, the people of the Nine Yin Demon Spiders arrived earlier than Lu Ming and the others.

In addition to the Jiuyin Demon Spider, there are also a group of creatures, Lu Ming is relatively unfamiliar.

This group of creatures, about hundreds in number, are adult-shaped, tall and burly, covered in black armor, and behind them, they are also carrying a black war sword.

At a glance, it looked like a group of soldiers.

"Forbidden creatures, knight warriors!"

Lu Ming's heart moved.

There are six great forces in the western universe.

Except for the human race in the Cangqing Divine Realm, the other five forces are all forbidden creatures.

The Black Sky Warrior is one of the five forbidden creatures.

It is said that the number of this clan is smaller than other forbidden areas, but its combat power is very terrifying and its vitality is amazing.

The average strength ranks first among the five forbidden creatures.

Obviously, the Black Sky Warriors were also closer to the Extreme Evil Race, and arrived one step earlier than them.

As for the other two forbidden creatures, there are only a few people, obviously far away.

"You people are so courageous, who dare to treat us like this, do you want to go to full-scale war~www.wuxiaspot.com~Welfare] Give you a cash red envelope! Follow the vx public [Book Friends Base Camp] to receive it!

A master of the extremely evil race yelled and glanced at the master of the human race behind, evil and cold.

"Yes, provoke our two races at the same time. Do you think your human race is still the human race of the Primordial Continent period?"

A master of the Nine Yin Demon Spider Clan shouted.

"If you start a war, start a war, I'm afraid of you!"

The masters of the human race were also aroused and scolded one after another, and the atmosphere on the scene suddenly became tense.

"This matter is my personal matter and has nothing to do with Human Race!"

At this time, Lu Ming spoke.

He discovered that although some of the human races in the Cangqing Divine Realm have inferior character, such as Liu Weiyang and Pang Xiao, who show superiority in the face of inferior bloodlines, most of the human races are still good. It is not because he is of inferior bloodlines. And look down on him.

Moreover, they are still very united.

Otherwise, there would not be so many people coming to a terrible place with Lu Ming.

The purpose is to cheer for Lu Ming.

Therefore, Lu Ming didn't want to hurt Human Race because of his personal affairs.

With the strength of the human race, it is definitely not the enemy of the Jiuyin Demon Spider and the Extreme Evil Race. Once a battle begins, the Cangqing Divine Realm will definitely suffer a big loss.

"Boy, if you want to take the responsibility down by yourself, you can't resist it!"

The people of Jiuyin Demon Spider coldly drink.

"Boy, let go of my people!"

The extremely evil clan shouted.

"Let my senior sister go first, and I will let them go."

Lu Ming said.

"Hehe, I have reached my terrible place, and I want to negotiate terms with us. You are afraid that you are not qualified..."

A young man from the extremely evil race sneered and continued to persecute Lu Ming. The terrifying and evil aura filled the void.

Undoubtedly, this is a terrifying master, and it is definitely an existence that has broken the extreme three times.

In addition to this person, there are other masters from the Extreme Evil Race, who are also forced to come.

All are invincible gods!

They are arrogant, but in fact they dare not care.

Didn't you see Zhu Tian and Mosha tied into a string?

"Hmph, if you don't pay, then I will call you to pay."

Lu Ming snorted coldly, waved his hand, and urged the precepts to take Zhu Tian, Mosha and others into the precepts.

"Boy, you are looking for death!"

Seeing Lu Ming put away Mosha and others, a member of the extremely evil tribe, they immediately exploded.

Huh hoo...

The Evil Blade was unsheathed, and in an instant, there were five terrible attacks, and they screamed towards Lu.

The five invincible divine masters of the extremely evil race simultaneously shot.

"Despicable, I want to bully the less with more."

"Five people against one, what kind of arrogance?"

Fu Yuan, Zao Wuji and others shouted, their bodies filled with divine light, they wanted to go up to help Lu Ming.

Terran came this time with three invincible gods.

Lu Ming happened to have seen them all, they were Fu Yuan, Zao Wou-ki, and Wordless.

"It's not your business, it's better not to interfere."

An indifferent voice sounded, and several figures forced them towards Fu Yuan and other wicked people.

A master of the Nine Yin Demon Spider Clan.

They blocked Fu Yuan and others, preventing Fu Yuan and others from helping Lu Ming.

After such a delay, the attack of the five masters of the extremely evil race was approaching Lu Ming.

Seeing that Lu Ming was about to be attacked by these five ways, he would lose a lot of money.

At this moment, some people's hearts were lifted, while others were in ecstasy.

This ecstatic person is naturally Liu Weiyang and Pang Xiao.

They also followed, the main purpose was to see with their own eyes Lu Ming was killed by a master of the extremely evil race.

Now, it's going to happen soon.

Five invincible **** masters of extremely evil races join forces, who can be the enemy in the world?

Unless it is a master who broke the extreme four times.

But in the entire western universe, the six major forces can break the pole four times, and there are only two in total.

Those two represented the peerless pinnacle of the Divine Master Realm.

Although Lu Ming was strong, he was definitely far behind those two.

At this moment, Lu Ming shot.

Everyone only felt that a terrifying aura suddenly burst out of Lu Ming's body.

This breath is peerlessly powerful and shocking, like the energy produced by the explosion of tens of thousands of stars.

Then, this energy turned into five spear lights and pierced the masters of the five extremely evil races.

Every spear light collided with an extremely evil blade.

Boom boom boom boom!

The sky was shaking and erupting, and the rays of light were extremely dazzling.

Afterwards, everyone saw the five figures and retreated violently.

what?

At this moment, despite the glare, everyone's eyes widened in horror.

Because the five people who retreated are actually the five masters of the extremely evil race.

The five masters of the extremely evil race were actually repelled.

The five teamed up to attack Lu Ming, but he was actually repelled by Lu Ming. Moreover, Lu Ming stood in the void and did not retreat even one step.

how can that be?

Many people rub their eyes vigorously, thinking they are dazzled.

Even Fu Yuan, Zao Wou-ki, Wordless, and the invincible divine lord of the Nine Yin Demon Spider, their pupils shrank sharply, and the eyes were incredible.

"This...."

Liu Weiyang and Pang Xiao opened their mouths even more, unable to speak a word.

"kill!"

Lu Ming screamed, angrily charged into the galaxy.

He held the gun in one hand, and the power of taboo continuously poured into the God of War Spear, which grew bigger and bigger, and finally smashed it towards the five masters of the Extreme Evil Race.

Yes, there is no extra fancy, simply smashed down, arrogant.

The huge God of War spear, entrained with incomparable violent momentum, enveloped the five masters of the extremely evil race under the spear.

Chapter 5018: The terrible master appeared

The five masters of the extremely evil tribe have their pupils widened, and their heart is chilling.

"Exterminate Tiansha!"

"Qianqiu evil kill!"

.....

The five masters of the extreme evil clan roared, urging their combat power to the extreme, and delivered the strongest blow, hoping to block Lu Ming's attack.

Five ultimate moves, rushed to the God of War Spear, colliding with the God of War Spear.

Rumble!

The world trembled violently, and the Void was torn into hideous cracks by the terrible energy.

The attack on both sides continued for a breath.

[Book Friends Benefit] You can get cash or credits by reading books, and iPhone12 and Switch are waiting for you! Follow the vx public account [Book Friends Base Camp] to get it!

But after one breath, the ultimate moves of the five great masters of the extreme evil race trembled violently and collapsed.

The God of War spear kept on rolling down.

Bang bang bang...

The five masters of the extreme evil race retreated violently, coughing up blood one by one, and their faces were pale.

"Breaking the sky!"

Lu Ming's offensive kept on, displaying a breaking style, turning into a sharp spear light, and stabbing one of the extremely evil races.

This extremely evil clan has been injured, how can he avoid Lu Ming's blow?

With a puff, the body of this extremely evil tribe was stabbed by a spear light, almost pierced by the spear light, and it was shot tens of thousands of miles away.

Had it not been for this person to have a top-level source-level armor body, he would have been killed.

Then, Lu Ming's spear changed, and he swept out, hitting a very evil family.

The body of this extremely evil race flew out like a meteorite, flew into the extremely evil place again, hit a big mountain, almost smashed the mountain apart.

The remaining three people were shocked and involuntarily backed away.

"Want to go!"

Lu Ming's eyes were cold, and he shot out a palm, turning in a prehistoric manner, a continent emerged, suppressing one of the invincible gods of the extremely evil race.

This person yelled and resisted with all his might, but when he came in contact with the mainland, he still trembled and vomited blood.

Then, Lu Ming grabbed it with a big hand, a huge palm came out, grabbed the person, and grabbed the person in his hand.

The remaining two invincible **** masters of the extremely evil race finally seized the opportunity and withdrew from a hundred thousand miles away.

"This..."

The people at the scene took a deep breath, and they were terrified.

Facing Lu Ming, the five invincible **** masters of the extremely evil race were actually defeated by Lu Ming.

The two were hit hard, one was taken by Lu Ming, and the two retreated in a hurry.

These are five invincible gods.

What is invincible divine master means that they are invincible in the divine master realm.

Picking one out alone is invincible, and they can even fight against the origin across borders.

Such a character, five teamed up, was actually defeated by others.

Break four times!

A word flashed in everyone's mind!

Yes, only four breaks can have such a combat power.

However, how difficult and rare is it to break the pole four times?

Even in the prehistoric continents of the last era, there were very few of them. In this era, there are only two of the six major forces.

Both of these came from the creatures of the Forbidden Land, but the creatures of the Forbidden Land were not people of this age at all. They didn't know when they were self-appointed and only awakened in this age.

And Lu Ming is a human, obviously from this era.

In this era, someone can break the extreme four times?

The people at the scene felt stormy waves in their hearts.

Even the masters of the Jiuyin Demon Spider, and Fu Yuan and others, could hardly calm down.

The master of the Nine Yin Demon Spider, involuntarily backed away, and distanced himself from Lu Ming.

Fu Yuan, Zao Wou-ki, and Yan Wudao looked at each other with complicated eyes.

Especially Fu Yuan smiled bitterly.

Dare to love Lu Ming before, he didn't regard him as a real opponent at all, and he didn't use much strength at all.

If Lu Ming's combat power is fully deployed, he may not be able to block a single move.

Lu Ming, how did he cultivate, how could he be so strong?

His bloodline is obviously not high.

The human race in the Cangqing Divine Realm couldn't figure it out.

Among them, Liu Weiyang and Pang Xiao were even more pale.

Lu Ming's combat power completely exceeded their expectations.

This kind of combat power, in this era of no origin, as long as it does not fall into the source-level formation, it is impossible to be killed.

They want to borrow a knife to kill people, too naive.

At the same time, they were a little worried about Lu Ming's revenge.

"No, there are still hundreds of years to pass. If he dares to move me, my grandfather will never let him go."

Liu Weiyang comforted himself.

Liu Weiyang thought so, and Pang Xiao was even less worried. His background was much tougher than Liu Weiyang.

"Hand over Senior Sister Mulan, otherwise, I'll kill this person!"

Lu Ming's voice spread throughout the audience. With a taboo force, he gathered a big hand to grasp the master of the extremely evil clan, and with force, the master of the extreme evil clan would spit out a mouthful of blood.

"hateful!"

"Damn it!"

People from the extremely evil race glared at Lu Ming, and roared in his heart.

However, none of the tens of thousands of extremely evil races dared to step forward and attack Lu Ming.

If Lu Ming really broke the pole four times, no matter how many of them they had, they would have nothing to Lu Ming.

The twenty-one team attack formation, no matter how much they went, would not pose much threat to Lu Ming.

Unless Lu Ming was trapped in the source-level formation.

But Lu Ming couldn't be so stupid, and obediently enter the source level formation.

Or, it is a combined attacking formation involving 36 people.

However, the extremely evil clan didn't have such a combined attack. Like the Yuanguang clan, refining a combined attack with thirty-six players was too cost-effective.

And if the source of the strong is not self-proclaimed to be asleep, then the combined attack formation is of no use.

However, it was a shame that the invincible divine lord was caught by the opponent and threatened by the opponent.

Unfortunately, they couldn't help Lu Ming at all.

"Senior Cicada is here!"

"It's the evil cicada!"

Suddenly, there was a commotion behind the Extreme Evil Race, and many people looked behind.

In the rear, two figures appeared, stepping into the air.

Two young people, one of them, is a bald head, wearing a black robe, and showing a strong evil spirit all over his body.

"Evil cicada!"

When Fu Yuan, Zao Wuji and others saw this bald young man, their pupils shrank, revealing deep fear.

Evil cicada, known as the number one master of the extremely evil clan **** master realm.

The limit of breaking the pole three times is stronger than Zhu Tian of the Nine Yin Demon Spider Clan. It is said that the evil cicada wants to break the pole four times.

There are a total of seven invincible divine masters from the extremely evil tribe who have broken the extreme three times. In addition to Mosha, there are also five who jointly attacked Lu Ming before. The last one is the evil cicada.

It is said that this person is extremely evil and the methods are extremely vicious. Anyone who offends him will end up miserably.

However, when everyone's eyes turned to the young man next to the evil cicada, their eyes widened.

"Xi Tianteng, it's Xi Tianteng!"

"Why did Xi Tianteng of the Tianyinteng clan appear here?"

Many people exclaimed.

"not good!"

Fu Yuan, Zao Wou-ki, Han Yue, and others, their expressions changed drastically, as if they had seen something terrible.

Chapter 5019: Four-breaking clashes

Lu Ming's gaze also looked at this young man for the first time.

Lu Ming's keen sense of spirit told him that this person was very dangerous.

As for the evil cicada, he ignored it directly.

Three times of breaking the extreme, did not put it in his eyes.

The young man's eyes also looked at Lu Ming, and the two eyes collided in the void like sharp swords.

"interesting!"

Xi Tianteng smiled and looked at Lu Ming with great interest.

Soon, the evil cicada and Xi Tianteng came not far in front of Lu Ming.

"Brother Xi, this time, I have to ask you!"

The evil cicada gave Xi Tianteng a fist.

"Relax, since I have read your evil sword monument and promised to do something for you, of course I will make a move this time, but after this move, you and I will be cleaned up."

Xi Tianteng said, his voice was very gentle, as if he didn't rush to do anything.

"Okay, it's a deal!"

Evil Cicada nodded, and then looked at Lu Ming: "Lu Ming, right? You can save people if you want. Fight with Brother Xi. If you win, you can naturally take them away."

what?

Xi Tianteng is going to fight Lu Ming?

Many people get excited.

Today's six major forces in the universe, masters are like clouds, and the six parties add up to dozens of invincible gods.

But there are only two people who are truly unbeaten.

Two peerless talents who broke the extreme four times.

Xi Tianteng is one of them.

Xi Tianteng is too strong, and the invincible divine lord is vulnerable in front of him.

Normally, he rarely takes shots. Legend has it that between the four breaks of the two, the two will often discuss each other in private, but others can't see it at all.

There is a legend that Xi Tianteng's heart is higher than the sky, and he wants to change his fate against the sky and break through the source under the catastrophe.

According to ancient legends, anyone who breaks through the origin under the great calamity of the origin will be transformed, will be turned against the sky, and will go further in the future.

There is another saying that if you can break through the origin under the great calamity of the origin, the chance of becoming immortal will be greatly increased. As long as you don't fall halfway, becoming immortal is almost a certainty.

However, if you want to break through the origin under the great calamity of the origin, is it so desperate, and it is very, very dangerous.

In history, I don't know how many amazing talents and talented Tianjiao, whose hearts are higher than the sky, wanting to break through under the great calamity of the origin, and win a great way to the sky, they died in the end.

"Fu Yuan, Xi Tianteng has broken the pole four times, you have to think twice!"

Han Yue couldn't help transmitting to Lu Ming.

"thanks for reminding!"

Lu Ming sent a voice to Han Yue, then his eyes swept across the evil cicada and landed on Xi Tianteng, saying, "Good, war!"

Lu Ming's answer was very simple, with only two words, but it was sonorous and powerful.

He had no reason to refuse this battle.

Needless to say, this battle is about Mulan, even if there is no Mulan, he would not refuse.

Break four times!

In this western universe, there were actually four breaches, which was beyond his expectation.

None of the three forbidden lands in the east of the universe had a four-time break.

He always wanted to know if his combat power had broken four times.

Before, no one was able to confirm it, but now that an opponent confirms it, would he refuse?

boom!

Suddenly, between Lu Ming and Xi Tianteng, a powerful aura burst out, an astonishing aura, collision in the air, extremely terrible energy.

The strength is like a violent wind, sweeping across the square.

"Retreat!"

Around, the others retreated crazily, afraid to stay nearby.

Even the Invincible Divine Lord did not dare to get too close for fear of being involved.

The existence of breaking the extreme four times, full shot, mighty and terrifying, even the invincible divine lord, too close, may be injured.

Everyone retreated far, leaving a large area between Lu Ming and Xi Tianteng.

"I hope Xi Tianteng can kill Lu Ming!"

Liu Weiyang and Pang Xiao roared and prayed secretly.

Lu Ming's combat power was too strong, and it chilled them.

There are backers behind them, but these backers are now self-proclaimed to be asleep, in case Lu Ming goes crazy...

It's better to be cut off.

Lu Ming's heart moved, the invincible divine lord of the extremely evil tribe he had caught was taken into the prey, the God of War spear trembled slightly, and the power of taboo appeared on the surface.

Xi Tianteng volleyed with his right hand, and a black long sword appeared in his palm.

This long sword has a peculiar shape, thin and long.

It is only one finger wide, but it reaches three meters long.

Hum!

Xi Tianteng raised his right hand slightly, and terrifying power poured into the black long sword, and the long sword made a terrible sword chant.

The aura of the two of them became stronger and stronger, and they kept colliding in the void, suddenly...

The two moved at the same time, like two rays of glow, rushing towards each other, the spear light and sword light soared at the same time, colliding in the void.

Keng! Keng! Keng! ...

The continuous clash of gold and iron sounded, and the speed of the two was too fast. In an instant, they fought dozens of moves.

With every collision, subtle sword aura and spear light burst out, sweeping across all directions.

With the battle between the two as the center, the surrounding void was completely messed up and chaotic.

"It's so strong, is this the power that broke the extreme four times? I'm afraid the origin, but that's it!"

"It's terrible!"

Many people talked about it.

"Four times breaking power? You think too much. This is just a test. I'm sure they haven't used their full strength yet."

An invincible **** master sneered.

what? It's so horrible, haven't you done your best?

Many people were shocked.

But they didn't doubt that the eyes of ordinary people were naturally far from being compared with Invincible Divine Lord.

Even people with a weak cultivation base could not see Lu Ming and Xi Tianteng. They could only see Xia Guang, in the void, turning left and right, up and down, constantly clashing.

In a blink of an eye there are dozens of moves.

Suddenly, two rays of glow, back at the same time, revealing the two figures.

"Xi Tianteng, don't hide and tuck, use your full strength, otherwise you are not my opponent."

Lu Ming said.

"This is what I want to tell you, let's fight with all my strength!"

Xi Tianteng's voice was sonorous, his aura became stronger and stronger, and he could see that his eyes had changed.

One eye is as dark as an abyss, and the other eye is as red as a sea of blood.

At the same time, his left hand volleyed and another long sword appeared.

The shape of this long sword is almost the same as the previous one, thin and long.

However, the color of this long sword is different from the previous long sword. The color of this long sword is blood red and bright red.

"kill!"

Xi Tianteng yelled loudly, and the two long swords slashed towards Lu Ming from two different directions.

In the process of being cut out, the two long swords have undergone tremendous changes.

The two long swords actually split.

One fork, two forks...

When approaching Lu Ming, the two long swords had at least dozens of forks, making the two long swords look like two canes.

Chapter 5020: Battle of the Top

The two long swords seem to have turned into two canes, one black and one blood red...

The vines of the cane, like tentacles, grabbed the void, and with a sudden shake, the void was actually caught.

Those emptiness, like objects that turned into substance, were caught by the cane and slammed into Lu Ming suddenly.

The void around Lu Ming completely collapsed, forming a destructive force that bombarded Lu Ming.

"Genius!"

Lu Ming's eyes narrowed slightly.

This is not simply smashing at him with 'space', but a source technique, grabbing the void, just a manifestation of this source technique.

Lu Ming was sure that there was nothing wrong with it. This must be the source technique.

This was the first time Lu Ming had encountered a forbidden creature in the Divine Lord Realm, who would use the Origin Technique.

No wonder Xi Tianteng was able to break the pole four times, his own combat power was very strong, coupled with the source technique, the combat power far exceeded other invincible gods.

Lu Ming didn't dare to be careless, and directly triggered the battle strength of the Zhanzi Jue nine times, raising his combat strength to the peak.

Huh!

Lu Ming swept the army with the God of War Spear.

An arc-shaped gun light swept across the four directions.

Rumble!

The Ares Spear and Xi Tianteng's attacks continued to collide, and eventually blocked the opponent's attack.

However, Xi Tianteng's offensive was like a violent storm, and one move was blocked. The two vine sword offensives changed again and continued to extend. Not only could they seize the void in the square, but also seize any energy to attack Lu Ming.

Xi Tianteng stood far away, but the storm-like offensive completely enveloped Lu Ming.

Lu Ming constantly wielded the God of War spear to resist the storm's offensive.

"Lu Ming is downwind!"

"Xi Tianteng is really strong, he deserves to be one of the two undefeated masters. Although Lu Ming is strong, he is still way behind!"

Many people talk about it.

Liu Weiyang and Pang Xiao showed joy. They both expected that Lu Ming could not resist and be beheaded by Xi Tianteng.

Even if Lu Ming was not beheaded by Xi Tianteng, he would be seriously injured.

If Lu Ming was seriously injured, the masters of the Jiuyin Demon Spider and the Extreme Evil Race would never let him go.

Once Lu Ming was seriously injured, without Xi Tianteng killing him, Lu Ming would only have a dead end.

"What do you know? Xi Tianteng seems to have the upper hand, but he may not win."

An invincible ***** master said coldly.

"What? You may not win?"

Many people showed doubts.

Didn't Xi Tianteng completely have the upper hand?

"Xi Tianteng's offensive was violent and seemed to have the upper hand, but Lu Ming did not show his defeat. He was resisting, looking for an opportunity to fight back."

"Yes, Xi Tianteng's offensive is violent, but it consumes a lot of time. After a long time, the successor will be weak. Lu Ming seems to be in the wind, but when he resists it, the consumption will not be so large. As long as Xi Tianteng's offensive slows down, Lu Ming It will launch a fierce counterattack."

"It depends on whether Xi Tianteng can completely defeat Lu Ming before his successor becomes weak."

Several invincible gods commented one after another.

That's it!

Liu Weiyang and Pang Xiao began to worry again.

In fact, these invincible gods said that the difference is not bad, the only thing that is incorrect is that Lu Ming is not completely powerless to counterattack now.

Lu Ming is now able to fight back with all his strength, and he can still fight back with Xi Tianteng.

But it is not necessary.

To be honest, Xi Tianteng's offensive is indeed very strong, not weaker than Lu Ming's full-strength shot, and there is no need to fight Xi Tianteng.

As a result, Lu Ming wanted to observe the opponent's source technique.

Secondly, it is not easier for him to launch a counterattack after the opponent's offensive slows down.

In a blink of an eye, more than ten minutes passed.

Xi Tianteng's offensive lasted more than ten minutes.

Even Lu Ming had to marvel that these forbidden creatures were truly gifted and blessed.

The body of Xi Tianteng is Tianyin Teng, a kind of plant life.

In terms of the strength of the divine power or the power of origin, plant life should be at the forefront.

However, no matter how strong it is, it will be exhausted.

After more than ten minutes of continuous attacks, Xi Tianteng's offensive finally slowed down.

"Breaking style!"

Lu Ming finally grasped a gap in the opponent's offensive, displayed the sky-breaking style, the man and the spear united, and stabbed out.

With a touch, Lu Ming directly broke through Xi Tianteng's offensive, and his peerless sharp spear light grabbed Xi Tianteng's eyebrows.

Xi Tianteng's face changed, and with a wave of his right hand, the pitch-black rattan sword, which was originally thousands of miles away, suddenly retracted.

Yes, the speed was so fast that even Lu Ming was surprised. It was much faster than Lu Ming's attack speed.

In an instant, he retracted back to Xi Tianteng.

Xi Tianteng's wrist shook, and the vine sword continued to rotate, forming a heavy epee shadow, like a shield blocking him.

Lu Ming's peerless spear light pierced the sword and shield.

With a boom, Lu Ming's attack was blocked.

But Xi Tianteng was also uncomfortable. He hurriedly deployed defenses, unable to completely block Lu Ming's attacks. The pitch-black Teng Sword vibrated endlessly, and his body shook wildly, retreating violently.

However, as Xi Tianteng retreated, he waved left and right, and the blood-red vine sword swept towards Lu Ming.

The vine sword split and extended dozens of vines. Each vine seemed to be a peerless sharp sword, slashing towards Lu Ming.

Prehistoric!

Lu Ming took a palm of his left hand, and a continent formed, rushing towards the blood red vine sword vertically, blocking the blood red vine sword.

But Lu Ming kept rushing towards Xi Tianteng without stopping.

Huh hoo...

The spear vibrated, and a series of terrifying spear lights moved toward Xi Tianteng.

Xi Tianteng continued to retreat, and while retreating, he swung his black rattan sword to resist.

He had two long swords, one red and one black, one offensive and one defensive. They were perfectly matched. It was not easy for Lu Ming to take the opponent for a while.

The two quickly confronted each other with full combat power, and in a blink of an eye they confronted dozens of moves.

The two have already fought more than a hundred moves from the start.

Gradually, Lu Ming finally gained a clear upper hand.

The prehistoric and heaven-breaking styles were performed in a series, and the offensive was violent, and Xi Tianteng could only resist while retreating.

Finally, Xi Tianteng revealed a trace of flaws under Lu Ming's violent storm.

Lu Ming seized the opportunity and exerted his power to break the sky, turning into a peerless spear light, attacking this flaw.

Although Xi Tianteng tried his best to resist, it was finally difficult to completely stop it.

With a pop, a figure retreated violently.

It's Xi Tianteng!

I saw a blood hole in his chest, and blood kept flowing out.

In the battle between the two just now, they didn't use the top source-level armor. This was a tacit understanding between the top masters.

It's not a fight between life and death. What's the point of using a top-level source-level battle armor? For oneself, it won't get too much temper.

Lu Ming did not continue to shoot, but looked at Xi Tianteng calmly.

"I lost!"

Xi Tianteng sighed, his expression complicated.

Wow!

There was an uproar at the scene.

This scene was too unexpected.

In the Divine Master Realm, Xi Tianteng, known as the undefeated, was actually defeated.
