

D Emperor 5021

Chapter 5021: Another accident?

Before that, no one could have imagined that Xi Tianteng would be defeated in the battle of the God Realm.

Xi Tianteng claims to be undefeated, not just talking about it, he really hasn't been defeated in a battle at the same level.

With the six major forces in the western universe, he has only one opponent, but at most they are tied and have never been defeated.

Today, I was actually defeated, lost in the hands of a human race.

If it weren't for seeing it in person, it would be hard to believe.

The masters of the Jiuyin Demon Spider and the Extreme Evil Race were pale.

The master of the human race, after being shocked, was excited.

Their human race finally has an undefeated master. In the age when the roots were not born, with such a master sitting on the ground, they can really be fearless.

Of course, Liu Weiyang and Pang Xiao didn't think so. At this moment, they roared in their hearts, their faces were extremely ugly.

"Go, leave first!"

Pang Xiao whispered, then slowly backed away with Liu Weiyang, and left quietly.

Lu Ming defeated Xi Tianteng, he instinctively felt that there was nothing good.

"lucky!"

Lu Ming looked at Xi Tianteng and said something.

He was telling the truth, Xi Tianteng's combat power was really strong, and it was a life-and-death battle, and Lu Ming was not sure that he could kill Xi Tianteng.

This battle made Lu Ming once again understand that there are people outside the world, and there are days outside the sky.

Originally, after he cultivated to a great success, especially the three clans of the forbidden area that were forced by one person, he did not dare to fight, especially when he was fighting against the source, not letting the wind fall, so his confidence skyrocketed.

Once thought that in the Divine Master Realm, he should be invincible. At this moment, let him understand that this world is too big and there are too many geniuses.

He has adventures, and others will also have adventures.

He has talent, and others have higher talents.

It is too difficult to be invincible all the time.

"What you won is indeed a fluke. If you are not in the emptiness and void universe, you may not be able to defeat me."

Xi Tianteng said, his eyes still bright.

Lu Ming was taken aback for a moment, and immediately understood.

Most of the creatures in the forbidden land are not creatures of the wild and empty universe, but come from outside the universe.

They will be suppressed in the emptiness and void universe, especially the existence above the origin.

For example, the Celestial Race, below the origin, their talents are extremely high, their combat power is strong, and they are a bit stronger than all the races in the universe, but after reaching the origin, they will be suppressed, and their combat power is not as good as the races in the universe.

Pay attention to the public account: book friends base camp, pay attention to send cash and coins!

The origin of the Exterminating Army has fought many times with the origin of the Celestial Race, and in the first battle at the same level, the origin of the Extinguished Army has the upper hand.

The same goes for Xi Tianteng!

Although he is not a master of the origin, he is already the pinnacle of the gods, and the seed of the origin will be suppressed by cultivation.

There is another reason, Xi Tianteng, may not be born in the prehistoric universe.

Those born in this world will be less repressed.

For example, the Celestial Race, most of the descendants were born in the Primordial Universe, and they already have the mark of the Primordial Universe, so they will be less suppressed.

If Xi Tianteng had not been suppressed, Lu Ming might not be able to beat him.

"However, the winner and the loser, if you lose, you lose. Everything else is a reason. In the final analysis, I am not strong enough. If I am strong enough, no matter what the situation, I will not lose. Today, I am convinced that I lose. oral!"

When Xi Tianteng finished speaking, he looked at the evil cicada again, and continued: "Evil cicada, promise your terms. I have done it. I have tried my best and have a clear conscience. After that, you and I will not owe each other, and leave!"

After that, Xi Tianteng clasped his fists, turned around and walked away, disappearing without a trace in a blink of an eye, without any muddling.

Evil Cicada's face was a bit ugly.

Unexpectedly, if Xi Tianteng was invited to take action, he still couldn't take Lu Ming and wasted one of Xi Tianteng's conditions. It was a blood loss.

Now that Xi Tianteng is gone, what else can he do?

"Evil cicada, I would like to bet and lose, hand it over!"

Lu Ming looked at the evil cicada and said.

"Well, since I lost, I will fulfill what I said, come and bring out Lu Ming's senior sister."

The evil cicada drank.

However, no one responded.

"what happened?"

The evil cicada frowned, and his eyes swept across the masters of other extremely evil races.

"Young Master Evil Cicada, I don't know where Lu Ming's senior sister is!"

"Yeah, I never saw his senior sister at all!"

"I have been guarding the entrance, and I have never seen anyone take his senior sister Mulan back to the terrible place."

Many masters of the extreme evil race spoke one after another.

Lu Ming's face looked ugly.

In his opinion, the extremely evil clan is quibbling and does not want to be handed over.

"Don't play tricks with me, Mosha and them are in my hands. If my senior sister has anything to do, they will all die!"

Lu Ming spoke with an extremely cold voice.

"Who sent his senior sister back, get out of me."

The evil cicada roared.

However, no one in the extremely evil clan responded.

The evil cicada's face is a bit ugly, and under the eyes of everyone, if he can't hand it over, other people will think that he is playing tricks, can't afford to lose, playing conspiracy, then he will be ashamed.

"Lu Ming, you might as well let Mosha come out and ask. He must know who sent your senior sister back to the terrible land. I can assure you that I have absolutely no tricks."

Evil Cicada said, it was almost impossible to swear.

"I hope you didn't play tricks."

Lu Ming said coldly, and then grabbed the palm of his hand and Mosha appeared in his hand.

Mosha looked around with a dazed expression. When he saw that this is a terrible place and saw the evil cicada and others, he immediately shouted: "Evil cicada, come on, you join hands and kill this kid..."

Mosha had been locked up in the Prestige Ring before, and was sealed with his whole body cultivation base. He had no idea what had happened outside before.

"Mosha, shut up..."

The evil cicada yelled, and Mosha was stunned.

He is not stupid. Seeing the attitude of the evil cicada and seeing Lu Ming's appearance intact, he has a bad feeling in his heart.

Couldn't the evil cicada and others help Lu Ming?

Lu Ming's strength is actually so powerful?

Still caring about their safety, throwing a rat restraint, afraid to deal with Lu Ming?

Either way, it was not friendly to him, so he immediately chose to shut up.

"Mosha, who did you send to **** Lu Ming's senior sister Mulan back to the extremely evil land?"

Evil Cicada asked.

"Quizand them, why are they not here?"

Mosha asked.

"Who among you saw the quicksand and they came back?"

The evil cicada asked the other members of the extremely evil clan again, but everyone shook their heads, saying that they did not see the quicksand and others returning.

"Transmitting the sound to me immediately to Liusha and others."

The evil cicada drank.

At this moment, Lu Ming's expression was already very difficult to read.

He observed carefully and found that the evil cicada and others did not seem to be playing tricks or acting.

If it is true, the person who escorted Mulan did not return to the terrible land at all, where would they go?

Could it be that halfway, what happened?

At this moment, Lu Ming's heart moved slightly.

Just now, someone passed the sound transmission jade talisman to him.

Lu Ming calmly took out the sound transmission jade talisman, swept away his spiritual consciousness, and was overjoyed.

It was Mulan who was actually transmitting to him.

Chapter 5022: Escaped by yourself?

Mulan gave Lu Ming a voice.

In the sound transmission jade talisman, Mulan told Lu Ming anxiously that she was okay and had already escaped, so that Lu Ming should not be fooled by Mosha and others, and that Lu Ming should not be threatened by Mosha and others.

"Senior Sister got away!"

Lu Ming's face was silent, but his heart was ecstatic.

Moreover, Mulan could pass the news to him with the sound transmission jade talisman, indicating that Mulan should not be far away from here.

If it is too far, the news of the sound transmission jade talisman should not be able to come.

Hello everyone, our public account will find gold and coin red envelopes every day, and you can receive them as long as you pay attention. Please seize the opportunity for the last benefit at the end of the year. Public Account [Book Friends Base Camp]

"Senior Sister, I'm fine, where are you now?"

Lu Ming returned a message secretly.

"I was hurt a bit, but it's not a big problem. Don't worry, I'm rushing to the Cangqing Divine Realm? Junior Brother, where are you? I originally tried to transmit the sound, but I didn't expect you to receive it. You are not in Cangqing. Divine Realm?"

Mulan answered.

Mulan also knew that Lu Ming would not be far from the Cangqing Divine Realm to receive her voice transmission.

"I'm in a terrible place!"

Lu Ming returned.

"Extremely evil land? Junior brother, why did you go to the extremely evil place, did the extreme evil race find you? You can't stay there for a long time, so leave quickly."

Mulan sounded very anxious.

"Senior sister, don't worry, I'm fine, senior sister, how did you get out?"

"Mosha sealed my cultivation base, and let a few masters of the extremely evil race **** me to go to the extremely evil land, but when I was not far from the extremely evil land, I broke through the ban and restored my cultivation base. , And then broke the siege."

Mulan responded briefly.

Lu Ming knew that although what Mulan said was simple, it must be thrilling and not so easy.

Mosha sealed Mulan's cultivation base, and most people would definitely not be able to unlock it. I am afraid that even if they are both invincible gods, it would be difficult to unlock them.

Power is banned, no power can be used, how to lift the ban?

Mulan was able to relieve it, I am afraid that it has suffered a lot, or paid a lot of money.

"Senior Sister, Lu Ming doesn't need to return to the Cangqing Divine Realm for the time being. He will find a hidden place to heal his injuries and wait for me to come and find you."

Lu Ming transmits sound.

Mulan got away, and the injury was probably not minor. He quickly found a place to heal his injuries so that he could not save any future troubles. Before, he was worried about Lu Ming and rushed to the Cangqing Divine Realm.

"You have to be careful, brother, then I will find a place to heal my injuries, and I will give you the detailed address when I find it."

Mulan responded.

After that, Lu Ming quietly put away the sound transmission jade.

Although Mulan got away, but things, can't just leave it alone.

"Quicksand, they are quicksand..."

Suddenly, someone from the extremely evil race screamed.

Lu Ming looked towards the void in the distance, and saw several figures flying over quickly.

There are three people in total, all of them a little vain, obviously injured.

Quicksand, isn't it the one who escorted Mulan? It's a coincidence that he is back now.

"Quicksand, come here."

The evil cicada shouted loudly.

The three of Quicksand quickly flew towards the evil cicada.

"Evil... Evil Cicada, this... what's going on?"

Quicksand glanced around, seeing so many people around here, a little confused, not understanding what happened.

They scanned Lu Ming, but they didn't know Lu Ming, and they didn't know that Lu Ming was the master they were looking for.

"He is Lu Ming!"

The evil cicada pointed at Lu Ming.

"What?"

Quicksand was a little confused, Lu Ming, how could he have come to a terrible place?

Then, Quicksand roared: "Young Master Evil Cicada, this is Lu Ming, who killed Demon Kun...wait...wait..."

The quicksand that was roaring suddenly saw the Mosha that Lu Ming was holding in his hand, and he was once again confused.

what happened?

Why was Mosha caught in Lu Ming's hands like a dead dog?

What happened during the time they escorted Mulan?

They originally escorted Mulan back to the terrible land ahead of time, but it was delayed because of something in the middle of the journey, so it was delayed. What happened?

Mosha, what happened to Lu Ming?

"Quicksand, it's like this..."

Nearby, a young man from a very evil tribe who had made friends with the quicksand hurriedly transmitted a voice to the quicksand and briefly explained the matter.

Then, the quicksand was confused for the third time.

Lu Ming defeated Mosha and Zhu Tian and others, and suppressed Mosha and Zhu Tian, and killed him in the extremely evil land. No one in the extremely evil land is Lu Ming's opponent, and even Lu Ming defeated Xi Tianteng. ...

Is he dreaming?

This is too incredible, right?

"quicksand..."

The evil cicada shouted loudly, making the quicksand sober.

"Let me ask you, Lu Ming's senior sister, where is Mulan?"

Evil Cicada asked.

"Moulin? She escaped."

Quicksand answered subconsciously.

"She escaped?"

Around, the people of the human race, the Nine Yin Demon Spider, the extremely evil race, and the Black Sky Warrior, all looked at each other a little?

Escaped by Mulan?

"Impossible, that Mulan was sealed by me, how could he escape?"

Mosha roared, somewhat unbelievable.

Mulan was sealed by him, and he had no combat power left. Moreover, Quicksand itself was also a master who broke the extreme twice. How could Mulan escape?

"She did escape. Just when we were about to reach the terrible place, that Mulan actually broke the ban by himself, recovered his cultivation, and then attacked me. In a hurry, I was injured by her. , And then she ran away."

Quicksand road.

"How could it be, how could she break my ban? Quicksand, don't talk nonsense."

Mosha roared.

He was a little unbelievable. The ban he personally shot would be rushed away by Mulan. Isn't he very rubbish?

He couldn't accept it.

"This matter is absolutely true..."

Quicksand almost swore on the spot.

Lu Ming knew that what the other party said was true, because what he said to Mulan was right.

"Okay, I get it!"

Evil Cicada waved his hand and looked at Lu Ming: "Lu Ming, your senior sister has already escaped, and I am afraid that she is rushing back to the Cangqing Divine Realm. Since your senior sister is all right, then this matter, forget it, you will also Mosha, let them go."

Lu Ming smiled.

When he laughed, his eyes became colder and colder.

"Forget it?"

"In the beginning, you used despicable means to detain my senior sister, trying to threaten me with my senior sister. Now my senior sister has escaped by virtue of her own ability. You say that this is the case, don't you think it is ridiculous?"

Lu Ming sneered.

At the beginning, he used despicable means to catch Mulan and threaten him. If Lu Ming's strength were lower, he would probably die in the opponent's hands.

Mulan relied on her own ability to escape, but the other party wanted to forget it, and let Lu Ming let Mosha and others go. Is this possible?

"What do you want?"

Evil Cicada asked.

"Originally, Mosha and others were exchanged for my senior sister. Now that my senior sister has gotten away with her own ability, then you have to use other chips to exchange them."

Lu Ming said.

"Lu Ming, don't go too far. It's not good for you to offend my extremely evil race?"

Mosha roared.

Chapter 5023: Exchange it with the top source-level magic medicine

bump!

what!

As soon as Lu Ming pressed his palm, Mosha screamed, and several bones were broken in his body.

"Say, what do you want?"

Evil cicada said.

"I don't want more, two top-level source-level magic drugs, plus twenty ordinary source-level magic drugs."

Lu Ming spoke lightly.

"What? Your lion speaks loudly."

"Two top source-level magical drugs, don't even think about it."

Many masters of the extremely evil race roared.

A top-level source-level magical medicine, a treasure that must be jealous for the existence of the Origin Realm, Lu Ming asked for two plants, and they exploded.

"Two invincible divine masters, plus five or six masters who broke the extreme once and twice, and more than 20 other masters, exchanged for two top-level source-level magical medicines and 20 ordinary source-level magical medicines. It's not too much, if you don't want to change, then you can only collect their bodies."

Lu Ming's eyes were cold.

"you dare!"

Someone from the Evil Race screamed.

They didn't believe that Lu Ming really dared to kill the two invincible **** masters of their extremely evil clan, that would completely offend the extremely evil clan and would never die.

In a few hundred years, the great calamity of the origin is about to pass. By then, the masters of the extremely evil race will be exhausted. Even if Lu Ming has great abilities, it will be a dead end.

Four times to break the pole, under the origin of the catastrophe, perhaps no one can match.

[Book Friends Benefit] You can get cash or credits by reading books, and iPhone12 and Switch are waiting for you! Follow the vx public account [Book Friends Base Camp] to get it!

But once the origin of the catastrophe is over, nothing is left.

They just don't pay, what can Lu Ming do?

"is it?"

Lu Ming's eyes were cold, and he grasped Mosha's palm and suddenly used force.

bump!

Mosha's lower body exploded directly.

Mosha had long been sealed by Lu Ming's cultivation base, without cultivation base, naturally he could not control the top source-level armor.

Therefore, Mosha was undefended at this time, and it was easy for Lu Ming to kill him.

what! ...

Mo Sofa let out a scream.

"you..."

People from the extremely evil race didn't expect Lu Ming to be so bold.

The murderous intent that Lu Ming exudes was too rich, not like a pretense, they had a feeling that Lu Ming really dared to kill Mosha.

Lu Ming did dare to kill, he had nothing to fear.

The three forbidden creatures in the east universe, as well as the Celestial Race and him, are immortal.

None of these forces are weak. Once the origin is over, the masters of the three clans of the Forbidden Land will not let him go.

Therefore, there are not many more evil races, and Lu Ming doesn't care.

"If they don't change, they will die!"

Lu Ming spoke indifferently.

"Okay, change!"

The evil cicada gritted his teeth.

Two invincible **** masters, five or six masters who broke the extreme once and twice, the value is too great.

It's not a big deal now, but they have endless potential, and in time, they will be a top powerhouse.

There is no problem at all for the existence of breaking the extreme once and twice, and practicing to the peak of the origin.

Even one step closer and breaking into the realm of 'crossing the immortal catastrophe' is also very sure.

As for the invincible divine lord who broke the extreme three times, even if he became an immortal, he still had a missed chance.

In the future, it will become the backbone of the extremely evil race, and it is a pity that it is dead now.

Although the top source-level magic medicine is precious, it is a foreign object after all, and you can get it if you lose it.

But the top talents are not so easy to be born and cultivated.

In the end, the people of the extremely evil race took out two top-level source-level magical medicines, plus 20 ordinary source-level magical medicines, and gave them to Lu Ming, and then Lu Ming released Mosha and others.

"Zhu Tian, do you want to?"

After that, Lu Ming's gaze turned to the person of the Nine Yin Demon Spider.

"Of course, you can make a price!"

Jiuyin Demon Spider is an invincible divine master.

Although he knew he was about to bleed, Zhu Tian and others couldn't help but save it.

"Simple, two top source-level magical medicines, Zhu Tian and others, I will pack them and return them to you."

Lu Ming said.

"What? Two top-level source-level magical medicines. We only have one invincible **** master in your hands. Why do you want two top-level source-level magical medicines?"

The invincible divine lord of the Nine Yin Demon Spider roared.

Just now, there were two invincible divine masters in Lu Ming's hands.

The two invincible gods exchanged two top-level source-level magical medicines. They originally thought that only one top-level source-level magical medicine would be enough to exchange Zhu Tian and others.

Unexpectedly, Lu Ming wanted two plants.

"I have heard that Zhu Tian has defeated other invincible gods many times. Is such a character comparable to ordinary invincible gods? The price is naturally higher."

"In addition to the other Nine Yin Devil Spiders, I need two top-level source-level magical medicines. Not too much. I don't want ordinary source-level magical medicines. Just now, the extremely evil race added 20 ordinary source-level magical medicines."

Lu Ming said lightly.

At this time, Zhu Tian was already grasped by Lu Ming, and when he heard this, he almost sprayed out a mouthful of old blood.

what is this?

Has he really become a commodity?

Moreover, he defeated other invincible divine masters before, has also become Lu Ming's bargaining chip?

Is it wrong that he is strong?

Is it wrong for him to defeat other invincible gods?

why treat me like this?

At this moment, Zhu Tian wanted to buy a piece of tofu and hit him to death.

Shame!

"Whether you change it or not, if you don't change it, I will solve them on the spot."

Lu Ming was full of murderous words.

"Change, we change!"

The invincible divine lord of a Nine Yin Demon Spider roared.

They could tell that Lu Ming was a madman at all. He was not afraid of heaven and earth. The threat was useless to Lu Ming. He would really kill Zhu Tian and others.

Two top-level source-level magical medicines, just two top-level source-level magical medicines, were changed.

"We don't carry the top source-level magical medicine. You need to wait for us for a while."

A master of Jiuyin Demon Spider.

"can!"

Lu Ming said.

Ordinary people, who would bring the top source-level magical medicine with them, unless there is such a treasure as Lu Ming.

The top source-level magical medicine stays in the prey, not only will not lose its efficacy, but it can also be practiced to increase its power.

However, treasures such as Honghuangjie are rare in the world.

This is a prehistoric universe, not a small thousand world. Such treasures are very rare.

As Lu Ming's knowledge has grown over the years, he has become more aware of the preciousness of the prey.

At the beginning, Soul Ming, the lord of Minghun Heavenly Court, actually left the Precious Ring to him, and Lu Ming became more confused now as he thought about it.

The top source-level magical medicines for the creatures in the forbidden area are all stocked in the forbidden areas where they are.

Just now, the people of the extremely evil race also captured two top source-level magical medicines from the extremely evil land.

The people of the Nine Yin Demon Spiders must also return to the Nine Yin Demon Ruins to capture the top source-level magical medicine.

Lu Ming waited quietly, during which he sent a message to Mulan and asked Mulando to wait for him for a while.

The Jiuyin Demon Ruins is not too far away from the extremely evil place, and it does not take too long to drive with the wormhole.

About ten days later, the people of the Nine Yin Demon Spider returned and brought two top source-level magical medicines.

Lu Ming checked and was very satisfied. He put the two top source-level magical medicines into the prey, and then released Zhu Tian and others.

After Zhu Tian regained his freedom, he looked at Lu Ming's eyes full of resentment.

But Lu Ming didn't care.

Chapter 5024: Time to settle

Lu Ming didn't care about Zhu Tian's attitude towards him, and he was not afraid of revenge.

He is still eager for the other party to retaliate against him, so he can exchange it for a few top source-level magical medicines, right?

"Senior Sister Mulan is okay, she has obtained four top-level source-level magical medicines and 20 ordinary source-level magical medicines..."

Lu Ming thought.

As a result, Lu Ming's top source-level magical medicine reached twelve.

In a month, there are twelve days that can be used to refine the Yuanshen medicinal solution, and his cultivation speed will definitely rise a lot.

"Lu Ming..."

At this moment, Mosha called out Lu Ming.

Ok?

Lu Ming looked at Mosha, this guy, just regaining his freedom, what tricks does he want to play?

"Lu Ming, do you want to know how we caught your senior sister Mulan?"

Mosha Road.

Lu Ming did not speak, but stared at Mosha.

He knew that since Mosha said so, he would definitely say it.

"Of course, someone from your human race secretly informed us that they used a trick to kidnap a good friend of your senior sister Mulan, named Du Ling, and then force that Du Ling to transmit to Mulan and ask her out. , And then we waited outside and captured Mulan in one fell swoop."

Mosha sneered.

"what?"

Hello everyone, our public account will find gold and coin red envelopes every day, and you can receive them as long as you pay attention. Please seize the opportunity for the last benefit at the end of the year. Public Account [Book Friends Base Camp]

"Who is it, so mean!"

"Damn it!"

The human masters of the Cangqing Divine Realm suddenly fry the pot, and each one is extremely angry.

Doing so is tantamount to betraying the same race, betraying the human race, and it should be killed.

"who is it?"

Lu Ming asked coldly, his voice very cold.

In fact, he already guessed who it was.

However, it is best to let Mosha speak out.

"Pang Xiao!"

Mosha sneered.

The reason why he said it was not to help Lu Ming find the murderer, but to provoke.

Speaking out, Lu Ming would definitely not give up, and would definitely find Pang Xiao's troubles, so that their hatred would become more intense.

Why not let people fight?

As for betraying Pang Xiao, sorry, is he familiar with Pang Xiao?

"Pang Xiao, it is actually Pang Xiao!"

"At the beginning, he lost face in front of Lu Ming, it must be for revenge. I didn't expect Pang Xiao to be so narrow-minded."

Many human races are very upset and despise Pang Xiao.

If this person can betray Lu Ming today, he may betray them in the future.

Many people secretly decided to keep their distance from Pang Xiao in the future.

"Sure enough, it was Pang Xiao, and it is estimated that Liu Weiyang did not contribute much in it."

A strong murderous intent flashed in Lu Ming's eyes.

He didn't know the purpose of Mosha, but he didn't care, Mosha and Liu Weiyang, he would not let go,

"I wonder what happened to Sister Mulan's injury?"

After that, Lu Ming was worried about Mulan's injury, and he said goodbye to Fu Yuan and others, and left here.

After Lu Ming left, Fu Yuan and others also left.

Afterwards, the Nine Yin Demon Spider and the Black Sky Warrior also left.

But Lu Ming's name spread to the six major forces in the western universe at an astonishing speed.

.....

Soon after, Lu Ming found Mulan in a relatively hidden fragment of the mainland.

Mulan's face was still a little pale.

But the breath is firm and there is no major problem.

But Lu Ming knew that when Mulan escaped, his injuries must be serious.

Because it was more than ten days since then, and after more than ten days of healing, Mulan's injury was not healed. Obviously, the injury was serious at that time.

The murderous in Lu Ming's eyes became colder.

"Senior Sister, let's go back to the Cangqing Divine Realm first, and you will heal your wounds in the Cangqing Divine Realm."

Lu Ming said.

Cangqing Divine Realm, some places are suitable for healing and helpful to Mulan.

"Junior Brother, have you been to a terrible place before? Have you fought against Zhu Tian and Mosha?"

Mulan asked with concern. Although Lu Ming stood in front of her intact, she couldn't help but worry.

"Fight..."

Immediately, Lu Ming briefly said what had happened before.

"Sister, what's wrong with you?"

When Lu Ming finished speaking, he found that Mulan's mouth was slightly opened, looking at him with a shocked expression.

"Master... Junior Brother? Did you really defeat Xi Tianteng?"

Mulan asked in a low voice.

"Well, I was lucky enough to win a trick. It's really going to be a life-and-death battle. I may not be able to kill the opponent. After all, the opponent is not a creature of the Primordial Universe and is suppressed by the Primordial Universe. If not in the Primal Universe, I may not be able to beat him..."

Lu Ming said.

However, the shock in Mulan's eyes still did not fade, instead it became more and more intense, and finally turned into a thick admiration.

"Sure enough, Junior Brother Lu Ming is the best no matter where he goes. Originally, I thought I had an adventure and had already surpassed Junior Brother you. It seems that I am naive, and the gap with Junior Brother you has widened. ."

Mulland said.

"Sister, don't think too much, no matter what your cultivation level, I will not let you leave, I will always protect you."

Lu Ming took Mulan's little hand.

Mulan's face was reddened, and the sweetness in her heart couldn't melt away, and her nose hummed slightly.

"Senior Sister, you enter my prehistoric ring, and I will take you back to the Cangqing Divine Realm..."

Lu Ming said.

.....

After more than ten days, Lu Ming returned to the Cangqing Divine Realm.

After returning to the Cangqing Divine Realm, Mulan went to a special place to heal his injuries.

Although more than ten days have passed, Mulan's injury has healed seven or eight layers, but he is still worried about the future troubles.

"Liu Weiyang, Pang Xiao..."

An astonishing murderous intent burst into Lu Ming's eyes, and his figure flashed before disappearing into the air.

Lu Ming's first target was Liu Weiyang.

However, when he arrived at Liu Weiyang's residence, he found that Liu Weiyang was not there.

"Did you hide? Then go to Pang Xiao's residence, unless you hide, you will never return to the Cangqing Divine Realm!"

Lu Ming's eyes were cold.

Pang Xiao is very famous in the Cangqing Divine Realm, his residence can be known after a little inquiries.

Soon, Lu Ming came to Pang Xiao's residence, outside a palace covering an extremely large area.

Cangqing Divine Realm, vast land and sparsely populated, Pang Xiao's palace is very luxurious.

Lu Ming's spiritual sense spread out, and immediately enveloped the palace, and immediately sensed that there were many people inside. Among them, the aura of Liu Weiyang and Pang Xiao was impressively inside.

boom!

Lu Ming's breath exploded, and cold murderous intent, like a tide, rushed to the hall.

The people in the hall suddenly felt a strong pressure, as if they were being pressed by dozens of stars.

"Pang Xiao, Liu Weiyang, get out of here."

Lu Ming yelled coldly, rushing into the hall with loud noises.

In the hall, Liu Weiyang and Pang Xiao turned pale.

"This Lu Ming, really came!"

Liu Weiyang was a little panicked, and when he thought of Lu Ming's combat power, he felt a little chilly.

"I don't believe him when I go to meet him, he really dares to do something with us, Brother Feng, wait a minute, I have to rely on Brother Feng."

Pang Xiao clasped his fist to a young man beside him.

This young man, named Zhao Feng, is also a super genius, another invincible divine master in the Cangqing Divine Realm.

Chapter 5025: You want to die together?

Zhao Feng is the helper invited by Pang Xiao.

"I will try my best, but if Lu Ming can defeat Xi Tianteng, it may not give me face."

Zhao Feng gave a wry smile.

If it was someone else, he could take a shot and help Pang Xiao block it.

However, Lu Ming was able to defeat Xi Tianteng. Undoubtedly, this level of combat power was four times, and he could only do his best.

If it was a master of the origin realm of Pang Xiao's line, who had been kind to Zhao Feng, Zhao Feng would not want to take this muddy water.

In addition to Zhao Feng, there are other masters who were all invited by Pang Xiao.

"Brother Feng is humble. With so many of you, Lu Ming dare not act rashly. Otherwise, he will offend all of us. From now on, he will be unable to do anything in the Cangqing Divine Realm..."

This book is organized and produced by the public account. Follow VX [Book Friends Base Camp~www.wuxiaspot.com~ to receive cash red envelopes!

Pang Xiao said.

At this point, Pang Xiao is very confident.

After so many years of development, the Cangqing Divine Realm has naturally formed a large and small force.

These invited people are almost involved in the Cangqing Divine Realm's small half-power, and their energy is enormous.

Hh hh hh...

Pang Xiao and others all rose into the air and flew towards the outside of the palace.

Before leaving the hall, I saw Lu Ming standing volley outside the hall.

Seeing Lu Ming, Liu Weiyang and Pang Xiao, I couldn't help feeling tight.

Facing Lu Ming, they couldn't help being nervous.

"He dare not touch me, he dare not touch me..."

Pang Xiao continued to cheer himself up, then stared at Lu Ming, and said, "Lu Ming, you came to my mansion aggressively, doesn't it seem to be in compliance with the rules?"

"Not in compliance?"

Lu Mingsen smiled and said, "What are the rules for killing?"

Lu Ming's murderous eyes made Pang Xiao and Liu Weiyang chill in their hearts, and they couldn't help but back up a few steps.

"Lu Ming, what do you mean? Who are you going to kill?"

Pang Xiao shouted.

"Pang Xiao, are you asking me knowingly? You colluded with Mosha, Zhu Tian and others, and secretly captured Zhu Ling, deceived my senior sister Mulan, and let her fall into the hands of Zhu Tian, Mosha and others. You deserve to die. ..."

Lu Ming spoke indifferently.

"Slander, Mosha is slander, he wants to separate us and cause us to fight inwardly, Lu Ming, I can't figure out that you are a peerless arrogant?"

Pang Xiao shouted.

Of course he would not admit that he pushed all on Mosha, saying that Mosha was slander and wanted to provoke discord.

Even if someone suspects that he did it, he can't admit it. If he admits it, his reputation will be completely stinky. Don't want to get stuck in the Cangqing Divine Realm in the future.

Anyway, as long as he doesn't admit it, who can insist that he did it?

Can you show evidence?

Anyway, Du Ling had been silenced by them.

Pang Xiao sneered inwardly.

Lu Ming also sneered. He knew that Pang Xiao would not admit it, but what?

Today, he came to kill, not to listen to Pang Xiao's defense.

"You don't need to quibble, I'm not here to listen to your quibble, I'm here to kill you, and Liu Weiyang is also involved at this time, and I will send you on the road today."

Lu Ming said coldly, stepping out, cold and murderous, causing the temperature of the scene to drop sharply.

Pang Xiao and Liu Weiyang's faces were pale, and they kept backing away, with a look of horror in their eyes.

Lu Ming was here to kill them. Lu Ming actually came to kill them?

Why is he so bold?

In a few hundred years, the origin of the catastrophe is about to pass, isn't he afraid of death?

However, the murderous intent of Lu Ming can't be wrong, it's too cold, is Lu Ming really going to kill them?

"Lu Ming, you want to wrong me. I didn't do your senior sister's thing at all. You killed innocent people indiscriminately because this was against the entire Cangqing Divine Realm Human Race."

Pang Xiao shouted.

Want to suppress him with the general trend.

However, Lu Ming kept walking, still stepping forward step by step, firm and powerful, and his killing intention was like a tide. Instead of weakening, it became stronger and stronger.

Pang Xiao and Liu Weiyang kept backing away, their faces paler.

"Brother Feng, you help me."

Finally, Pang Xiao looked at Zhao Feng and others.

"Brother Lu, next Zhao Feng!"

Zhao Feng stepped forward, blocking Lu Ming and Pang Xiao, holding his fist.

"Do you want to intervene?"

Lu Ming spoke indifferently.

He has naturally heard the name of Zhao Feng.

There were so few invincible divine masters in the Cangqing Divine Realm, and there were only a handful of them, how could he not know.

Not long after he first came to Cangqing Divine Realm, he had heard of Zhao Feng's name.

But so what?

An invincible god, he would care?

"Brother Lu, it may not be Pang Xiao who did it at this time. It's better to look at my face and forget it."

Zhao Feng said.

"Yes, Brother Lu, how about this matter?"

"Killing Pang Xiao is not good for you, Brother Lu!"

Several other young people also stepped forward.

"Go! Don't go, you and Pang Xiao will die together!"

Lu Ming was too lazy to talk nonsense with them, sneered coldly, the God of War Spear appeared in his hands.

"Lu Ming, you..."

Zhao Feng and others were furious.

They never expected that Lu Ming would be so shameless.

Yes, Lu Ming is strong, breaking the extreme four times, and there is no one in the Cangqing Divine Realm.

But no matter how strong it is, it is only the divine lord. When the origin is over, what is the divine lord?

Behind them, there are powerful masters sitting behind them, and the backstage is very hard, and Lu Ming is too shameless.

It's arrogant to let them go, not to go, and even kill them.

boom!

Lu Ming was too lazy to talk nonsense, and the God of War spear fell directly.

The God of War spear quickly grew bigger, like a mountain range, and went to Zhao Feng and others.

"not good!"

"Block!"

Zhao Feng and others' complexions changed drastically.

They didn't expect Lu Ming to be so arrogant, saying that he would do it, there was no room at all.

They can only resist.

After a roar, the masters headed by Zhao Feng retreated violently, vomiting blood and their faces were pale.

Even Zhao Feng, who broke the extreme three times, also vomited blood.

There was a deep horror in everyone's eyes, strong, too strong, and Lu Ming too strong.

Is this the strength of the four breakthrough extremes? Only by personally fighting can you truly understand Lu Ming's horror.

The invincible God Lord who broke the extreme three times was too far away.

"I said, don't get out, kill together!"

Lu Ming drank coldly.

Zhao Feng and others were pale.

They have a feeling that Lu Ming will really do what he says, if they want to continue to intervene, Lu Ming will really kill them.

"Pang Xiao, I have tried my best, so please do it for yourself!"

Zhao Feng suddenly held a fist, then turned into a rainbow light and disappeared into the distance.

"Zhao Feng..."

Pang Xiao roared, with a look of despair in his eyes.

"Farewell..."

Others also clasped their fists, and then left.

"no no..."

Pang Xiao and Liu Weiyang were really panicked. When they saw Lu Mingsenhan's eyes, they were completely cold.

"Lu Ming, don't be impulsive, you are unparalleled in talent, you have broken the extreme four times, you are expected to become a fairy in the future, you have a great future, but you killed me, my grandfather, my father, they will not let you go, you can It's not worth it to die with me..."

Pang Xiao roared.

Chapter 5026: Manyoyama

Pang Xiao yelled, begging for mercy amid threats, and was already a little low-pitched.

Hold Lu Ming first before speaking.

He had decided in his heart that as long as he stabilized Lu Ming this time, he would find a concealed place to stay for hundreds of years, waiting for the origin of the disaster to pass.

As long as the origin of the catastrophe passed, he would break Lu Ming's body into pieces.

"Don't worry, when the source of the catastrophe is over, those people behind you will be honest, if you want to die, I will send them to accompany you."

Lu Ming said indifferently, and then shot it out.

call out!

The sharp spear light directly took Pang Xiao's eyebrows.

"No, no...ah..."

Pang Xiao yelled frantically, and then tried his best to resist.

A piece of armor appeared on him, covering his whole person in it.

At the same time, he played a killer move with all his strength.

There is no doubt that Pang Xiao's magic weapons and armors are all top-notch.

With his life experience and his backing, it is not difficult to get a set of weapons and armors of the top source-level magic weapon.

However, his attack was completely vulnerable to Lu Ming.

When the God of War gun was depressed, his attack collapsed directly.

With a ding sound, the God of War Spear accurately pierced Pang Xiao's eyebrows, and was blocked by the top source-level armor.

However, there are still terrifying powers that bombard Pang Xiao's head through the battle armor.

Pang Xiao screamed, feeling that his head was about to explode, and his head was completely distorted.

Even with a top-level source-level battle armor, it couldn't stop Lu Ming's attack.

With one move, Pang Xiao was hit hard.

"Go, go..."

At this moment, Liu Weiyang was almost scared to death, and ran away frantically.

Taking advantage of Lu Ming to deal with Pang Xiao, he wanted to take the opportunity to escape.

But unfortunately, Lu Ming had already locked him in.

With a palm shot, a piece of mainland appeared on Liu Weiyang's head, suppressed.

[Book Friends Benefits] You can get cash or credits by reading books, and iPhone12 and Switch are waiting for you! Follow the vx public account [Book Friends Base Camp] to get it!

bump!

Liu Weiyang was directly bombarded and fell down and hit the ground. Even if he had a armor body, his body was shattered and shattered like a puddle of mud.

Although he was not dead, he only hung himself in one breath.

"Help, help!"

"Lu Ming is crazy, slaughtering his family, this is a capital crime!"

"Come and save me!"

Liu Weiyang and Pang Xiao let out a scream and cry for help.

In the distance, there were still people watching, but unfortunately, no one dared to rescue Liu Weiyang and Pang Xiao.

One reason is that Lu Ming's combat power is too strong. No one is Lu Ming's opponent in the Cangqing Divine Realm. Even if all the invincible Divine Lords in the Cangqing Divine Realm join forces, I am afraid they will not be able to stop Lu Ming.

The second reason is that Pang Xiao and Liu Weiyang mostly betrayed Mulan.

Although Pang Xiao tried his best to deny it, they were not fools. Such a simple matter can be understood with a little deduction.

Also, some people have specifically looked for Du Ling, but Du Ling seems to have evaporated. Everyone knows that Du Ling was mostly silenced.

When Pang Xiao did such a thing, everyone didn't bother to save it.

Therefore, they did not hear it.

"Today, no one can save you!"

Lu Ming once again killed Pang Xiao.

"Ah, Lu Ming, if you killed me, you won't end well, you have to die..."

Pang Xiao let out a stern roar.

bump!

Lu Ming drew a shot directly, and slapped Pang Xiao.

Pang Xiao's body made a crackling figure, his bones shattered, and his body flew out, but Lu Ming's figure flashed, he had appeared in front of Pang Xiao, and he was swept out with a single shot.

In this way, after several consecutive attacks, terrifying power penetrated the armor, directly blasting Pang Xiao to smash.

Pang Xiao, his body and spirit were destroyed.

Then Lu Ming grabbed it with one hand, and grabbed Pang Xiao's battle armor and divine soldiers in his hands, and of course, Pang Xiao's storage bag.

Then, Lu Ming looked at Liu Weiyang.

Liu Weiyang was almost scared to death, and his courage was shocked.

"Lu Ming, please be forgiving, please go around me, I will be a cow and a horse for you in the future, and after I will saddle you up, I will be your slave, please go around me..."

Liu Weiyang began to plead bitterly.

In the distance, some people despised Liu Weiyang, this Liu Weiyang was too spineless, and his bones were softened in order to survive.

"Now begging for mercy, it's too late. Why didn't you think about the present when you dealt with me three times before? Did you think you could kill me before?"

Lu Ming sneered, too lazy to pay attention to Liu Weiyang's begging for mercy, and shot directly.

Liu Weiyang's combat power was even worse, his defense power was a bit worse than Pang Xiao's, and he was killed by Lu Ming's two moves.

So far, Liu Weiyang and Pang Xiao were all killed.

Lu Ming put away the storage bags of Liu Weiyang and Pang Xiao, and went to Tianlan Garden, waiting for Mulan to leave.

The matter of Lu Ming's killing of Liu Weiyang and Pang Xiao quickly spread throughout the entire Cangqing Divine Realm, causing an uproar.

Some people think that Lu Ming shouldn't kill Liu Weiyang and Pang Xiao, and kill the same clan in the Cangqing Divine Realm. This is not allowed and a serious crime.

It was said that Lu Ming relied on his strength and was too defiant, so he should be punished severely.

Of course, these people only dared to mutter quietly behind their backs, so that they would stand up and shout loudly. They would never dare.

Others believe that Liu Weiyang and Pang Xiao should be killed.

They actually colluded with Mosha, Zhu Tian and others, framed Mulan, and wanted to use Mulan's hand to persecute Lu Ming. This kind of behavior is really despicable, and death is not a pity.

The Cangqing Divine Realm was noisy for a while, then calmed down.

After all, no one came forward for Liu Weiyang and Pang Xiao.

But everyone knows that this is just the tranquility before the storm. Hundreds of years have passed since the original catastrophe. At that time, Liu Weiyang's grandfather and the people behind Pang Xiao will wake up and will definitely not let Lu Ming go. By then, I am afraid. The waves will rise again.

In a blink of an eye, it was a month.

After a month, Mulan finally left the customs, her injuries have been healed, and there is no hidden illness left behind.

After Mulan left the customs, the two immediately set off and left the Cangqing Divine Realm.

That's right, they are going to the Demon Race Holy Land. In less than a year, the restrictions on the Demon Race Holy Land will be weakened, and Lu Ming will enter the Demon Race Holy Land to rescue the Phoenix Spirit.

The holy land of the monsters is called Wanyao Mountain.

According to the information obtained by Mulan, there were several holy places in the prehistoric continent of the last era, the prehistoric monster race.

The most important holy place of the Yaozu is the Dragon and Phoenix Palace.

However, in the ruins of the universe today, there is no trace of the Dragon Phoenix Immortal Palace.

Some people speculate that either it was the shocking battle at the end of the prehistoric period that exploded the Dragon and Phoenix Immortal Palace, or it was the powerhouse of the Demon Race who took the Dragon and Phoenix Immortal Palace away from the prehistoric universe.

And Ten Thousand Demon Mountain, although not the most important sacred place of the Primordial Demon Race, it can also be ranked among the top five.

After a while, Lu Ming and the others came not far from Wan Yao Mountain.

They sat cross-legged in the void and waited quietly.

Ten Thousand Demon Mountain, it didn't look big, suspended in the void, it looked like it was just a ten-thousand-square-foot peak, surrounded by heavy restrictions.

But Mulan said that there is something else in Ten Thousand Monster Mountain.

Chapter 5027: Enter Wanyao Mountain

From the outside, Ten Thousand Demon Mountain does not seem to be big, but as soon as you enter it, you will find that Ten Thousand Demon Mountain has a different dimension, it is huge.

During the Primordial Continent, Wanyao Mountain was a paradise for the demons, inhabited by countless demons, as if it were a country of demons.

It will take about nine months before the prohibition on Wanyao Mountain is weakened.

They were cultivating while waiting. Time passed quickly, and nine months passed in the blink of an eye.

It can be clearly seen that the restrictions around Ten Thousand Demons Mountain are rapidly weakening.

"Senior Sister, as agreed, you will wait for me outside!"

Lu Ming got up, ready to set off to enter Wan Yao Mountain.

This was negotiated by them in advance, and Lu Ming entered the Wanyao Mountain alone.

Originally, Mulan insisted on entering Wan Yao Mountain with Lu Ming, but Lu Ming disagreed.

His reason is that if the two enter the Ten Thousand Demon Mountain together, if there is an accident and both of them are trapped, it will be troublesome. No one can find a help for them.

Lu Ming entered alone, and Mulan waited outside. Once Lu Ming was trapped, Mulan could still find a helper.

No matter how bad, you can wait for the origin of the disaster to pass, and go to the Exterminating Army to find Feihuang and others to rescue him.

This is the perfect solution!

In the end, Mulan couldn't help Lu Ming agree, but when things came, she was still worried.

"Junior Brother..."

Mulan wanted to say to enter Wan Yao Mountain with Lu Ming, but was stopped by Lu Ming.

"Senior Sister, my safety is in your hands. Once I am trapped, I hope you will rescue my younger brother."

Lu Ming smiled.

"Then... Junior Brother, be careful!"

Mulan worried.

"Sister, see you in a while!"

Lu Ming smiled, his body turned into a rainbow light, and he rushed towards Wan Yao Mountain.

Soon after, Lu Ming appeared on the left side of Wan Yao Mountain.

Prior to this, Mulan had told Lu Ming about the situation of Ten Thousand Monster Mountain in detail, including the information found by Mulan after checking the classics.

The position on the left is where Mulan and Huang Ling strayed into Ten Thousand Monster Mountain. It should be a particularly weak position. Otherwise, it would be difficult to enter with the cultivation base of Mulan and Huang Ling.

After arriving at the address, Lu Ming rushed in.

Although the prohibition was weakened, it was still there. Lu Ming suddenly felt a pressure, but to Lu Ming, it was nothing.

At the beginning, Mulan and Huang Ling were able to enter, how could it be difficult for Lu Ming to stop.

After rushing through the bans, Lu Ming suddenly enlightened.

What you see is the endless mountain peaks, the vast plains, and those tall and majestic buildings.

In the Ten Thousand Monster Mountain, there really is something else. Only when you enter it can you know how vast it is.

However, there was a dead silence inside. Looking around, no creatures were seen, and even the wild aura was extremely thin. Although there were dense plants growing, no magical medicine was found.

Although the wild aura here can promote the growth of plants, it does not give birth to magical medicine.

This Ten Thousand Monster Mountain looked too desolate.

"Now that the universe has recovered, why is there still such a dead silence in this Ten Thousand Demon Mountain? Is it because of the barriers?"

Lu Ming thought secretly.

Immediately looked for a direction and flew forward.

Mulan told him that they had an accident in a huge palace.

Moreover, in the Ten Thousand Demon Mountain, there are demon spirits.

The so-called demon spirits were actually formed by the indestructible will of the demon clan who died in the Ten Thousand Demon Mountain.

At the beginning, Mulan and Huang Ling escaped to that palace because they were chased by the demon spirit.

And in that huge palace, they strayed into a phantom array, and the two were completely separated.

Mulan was trapped in that palace for many years, and after all the hardships, he finally walked out of the phantom formation, but no trace of the Phoenix Spirit was seen.

She speculated that Phoenix Spirit should still be in that phantom formation.

Fortunately, that illusion is not dangerous. It just makes people fall into many illusions, and even makes people feel like they are in reincarnation and experience different lives.

She estimated that Huang Ling was trapped in the illusion, unable to extricate herself from it, so she still did not get out.

Lu Ming only needs to enter the illusion array and bring out the Phoenix Spirit.

Mulan had already told Lu Ming in detail about the route they had taken. After entering the Ten Thousand Demons Mountain, Lu Ming went straight to the huge palace.

As for the other buildings around, Lu Ming didn't check it out, because Mulan and the others had inspected it before and there was nothing.

Even if there was something, Lu Ming didn't have the mind to check it.

He wants to find that palace and Huang Ling as soon as possible.

Roar! Roar! Roar! ...

Suddenly, the surrounding mountains and rivers roared.

Afterwards, several dark shadows appeared out of thin air and culled at Lu Ming.

Demon spirit!

These demon spirits looked like tigers, but they had longer hair and longer teeth, like sharp swords.

However, their bodies are not entities, but illusory, just like souls.

These are all formed by the demon clan who died in battle, and the indestructible will.

Demon spirit, demon soul, immortal fighting spirit...

Many ancient battlefields, wherever a lot of strong men died in the battle, will form similar strange things.

Therefore, as long as it is an ancient battlefield, a battlefield where many powerful people have died, it will be very dangerous.

Lu Ming has experienced this kind of place more than once.

The power of taboo revolves, condensing a long spear, sweeping out.

Bump!

Several demon spirits exploded directly and dissipated completely.

The demon spirit here is not strong, at least compared to the current Lu Ming, not strong.

Both Mulan and Huang Ling were able to hold it back, and for Lu Ming now, it really wasn't a big deal.

Lu Ming's speed didn't decrease, and he rushed forward quickly, without fear.

Let's not talk about whether there are any demon spirits in the Ten Thousand Demon Mountain whose combat power is above the origin.

Therefore, Lu Ming didn't have to worry about it, and went on a rampage.

He turned into a spear light and flew through the air. Wherever he passed, the demon spirits blocking him were all shattered.

Two hours later, Lu Ming saw a huge palace.

It was the pinnacle where Huang Ling was trapped.

It took Mulan and Huang Ling for half a month to escape here, and it took Lu Ming only two hours.

[Reading benefits] Pay attention to the public.. [Book Friends Base Camp], and get cash/points for reading books every day!

Lu Ming's spiritual sense completely enveloped the palace, and soon Lu Ming found the place of the phantom array.

Huh!

Lu Ming rushed into the hall, like a phantom, shuttled through the hall, and soon came to the back of the hall.

Lu Ming looked at the bamboo forest behind him, his eyes full of thought.

This bamboo forest is the magic array.

Once you enter the bamboo forest, you will fall into a magical array.

"Ball ball, once I fall into the illusion, you have to remind me!"

Lu Ming spoke to the ball.

The ball has always been worn on Lu Ming's wrist in the shape of a bracelet.

The ball is heartless, and ordinary illusions have little effect on him.

Chapter 5028: Dreaming back to Cuiyun Peak, weird and unreasonable

Qiuqiu's mind is relatively simple. To put it bluntly, he is heartless and illusion has little effect on him.

Lu Ming himself was not sure that he could withstand the attack of the phantom array.

If he can't, the ball can remind him, or even attack him, to get him out of the illusion.

At this time, Lu Ming couldn't help but miss Qi Dandan.

If you are here, you don't have to worry about this phantom array.

Sure enough, sometimes, it is reliable.

Lu Ming muttered in his heart.

Then, Lu Ming stopped hesitating, stepped out and entered the bamboo forest.

Suddenly, the surrounding environment changed drastically.

Lu Ming found himself appearing on a mountain peak, and in the distance, the setting sun turned the sky red.

"Brother Ming, come, Yaoer toast you a glass!"

There was a clear voice suddenly beside him.

Lu Ming was taken aback for a moment, and there was waves in his heart.

He was very familiar with this voice, and even in the endless years, he might not forget it.

Lu Yao!

This is actually Lu Yao's voice.

"This is outside Fenghuo City, on Cuiyun Peak."

Lu Ming whispered, his expression a bit complicated.

Back then, it was here that Lu Yao started to turn his face and dug his blood.

It was also from this day that his destiny completely changed.

The magic array actually pulled him here.

Illusion formations generally evolve scenes based on hidden things deep in the hearts of those who enter the illusion array.

Could it be that he has not completely let go of that incident and Lu Yao?

"No, I put it down, Lu Yao, it has completely passed away. After so many years, Lu Yao probably has died of old age and turned into bones..."

Lu Ming whispered in his heart.

Then, he turned his head and saw a delicate and beautiful face.

It's not Lu Yao, who can it be?

Lu Yao was holding the wine glass, her big eyes flashing, her eyes full of admiration, watching Lu Ming.

"The wine is poisonous!"

Lu Ming said lightly.

Lu Yao's hands were stiff in the air, and her beautiful eyes were filled with doubts. Looking at Lu Ming, "Brother Ming, what are you talking about? Are you kidding Yao'er?"

"Just kidding? You invite me to drink a glass of blood snake orchid wine every day. It is nothing more than to nourish my veins. The purpose is to capture my blood. As long as I drink this glass of wine, I will let you kill it, right?"

Lu Ming said coldly.

"Brother Ming, Brother Ming..."

Lu Yao's delicate body trembled, and tears were already in her big eyes. She stared at Lu Ming in a daze, her eyes filled with doubts, disappointments, sadness, pain and inconceivability.

"Big Brother Ming, Yao'er has been so sincere to you for years. Yao'er really didn't expect that Brother Ming would treat Yao'er this way. What did Yao'er do wrong? Why is it so unbearable in Brother Ming's heart..."

Lu Yao couldn't hold back her tears, and went down.

But Lu Ming remained unmoved and sneered: "At this time, are you still acting?"

"Well, since Brother Ming doesn't believe me, I will drink this glass of wine to prove my innocence!"

Lu Yao wiped her tears, picked up the wine glass, and drank it all in one fell swoop.

Lu Ming was slightly shocked, but he didn't expect that Lu Yao would do this glass of wine by himself.

Then he observed Lu Yao carefully and found that Lu Yao had nothing to do, not like a sign of poisoning.

"what happened?"

Lu Ming grabbed the wine glass, dipped a little bit of the remaining wine in his hand, and savoured it in his mouth.

It is indeed blood snake orchid wine, but it is non-toxic!

"How can this be? Why is it non-toxic?"

Lu Ming was puzzled.

"Brother Ming, are you hiding something from Yao'er? Have you been bewitched by others? The bewitched person is really hateful..."

Lu Yao gritted her teeth, with a bitter expression, without the slightest sign of acting.

Lu Ming ignored Lu Yao, his brows furrowed.

"What's going on? It doesn't match the facts that happened in the past. Is the magic array deliberately changed? But the magic array is generally a reflection of the deep heart of those who enter the formation, a weakness deep in the heart that is unwilling to face..."

No money to read novels? Give you cash or points, and receive it in 1 day within a limited time! Follow the public-public-number **【Book Friends Base Camp】** , get it for free!

Most creatures have a fragile side deep in their hearts, but most of the time, they are deliberately hidden.

The magic array is to magnify this part of the fragility, so as to defeat the inner defense of the person, making people trapped in it and unable to extricate themselves.

Therefore, Lu Ming couldn't figure it out.

Why did he enter the illusion, the first illusion, will be on Cuiyun Peak, will be Lu Yao...

Moreover, Lu Yao has not poisoned him yet.

Could it be that in the depths of Lu Ming's heart, he still missed the past, the relationship he had with Lu Yao in his youth, and even Lu Yao, hoping that Lu Yao didn't harm him back then and didn't want to seize his blood?

"No, it's not, I have already let go of the past, it must be the phantom array at work."

Lu Ming kept admonishing himself.

"Brother Ming...Brother Ming..."

Lu Yao kept calling from the side.

Lu Ming looked at Lu Yao here.

To be honest, this phantom array is very powerful, everything doesn't look like illusion, it's completely real.

Lu Yao's small hands grasped his palms, which were gentle, soft and tangible.

There was a trace of trance in Lu Ming's eyes, as if he had really returned to his teenage years, and the scenes of the years he spent with Lu Yao also appeared in front of him.

"I thought I had forgotten it completely, but I didn't expect it to remember so clearly. Didn't I really let it go? No, it was just a nostalgia. Lu Yao, has it already turned into a bone?"

Lu Ming whispered in his heart.

At the beginning, the Heaven Realm and Meta Realm faced a catastrophe of destruction, and he once transferred most of the creatures in the Little Thousand World to the Primordial Universe.

However, there is no Lu Yao among them.

Needless to say, with Lu Yao's cultivation base, he can't live for such a long time, it has already turned into loess.

"Everything is illusory, dissipate!"

Lu Ming suddenly yelled, like a spring thunder, the earth trembling thunderously trembling.

Then, cracks appeared in the earth and the void, and they continued to collapse.

Lu Yao's figure continued to become illusory.

"Brother Ming, what's the matter? What's wrong with Yao'er? Brother Ming, I'm afraid, save Yaoer..."

Lu Yao looked at her fading body, panicked, her big beautiful eyes were full of fear.

She stretched out her hand to catch Lu Ming, but her body was illusory, and she swept through Lu Ming's palm.

"Brother Ming, Yao'er is afraid, do you want Yao'er? Are you going to abandon Yao'er again?"

Lu Yao kept grasping Lu Ming with both hands, her eyes filled with fear and longing, eager for Lu Ming to save him.

"what happened?"

Lu Ming couldn't calm down, and there was a wave of waves in his heart.

This is not right.

This illusion has been clearly broken by Lu Ming. According to common sense, Lu Yao will not do anything next, and will only dissipate with the illusion.

But now, something is wrong, everything is too real, Lu Yao, it seems to be a real...

Lu Ming couldn't figure it out, it was beyond his cognition.

Lu Ming didn't know, that puddle of blood stains on that yellow mud road kept shining brightly at this time.

Chapter 5029: Prehistoric monster

"Brother Ming, Lu Ming, I hate you..."

Finally, Lu Yao yelled, and her body completely dissipated.

Before dissipating, Lu Ming clearly saw that Lu Yao's eyes were full of resentment, as if resenting, why didn't Lu Ming save her.

"What's the matter? What's the matter? Deep down in my heart, I still can't let go of Lu Yao, or because of this phantom array, it was deliberately created by this phantom array?"

Lu Ming frowned, puzzled.

At this point, the previous scene has disappeared, and another scene has changed.

This scene is naturally reflected in Lu Ming's inner reflection, which also attacks Lu Ming's weakness.

Originally, with Lu Ming's tenacious mind, it was completely defensible, and he would not fall into an illusion.

However, in his mind, the resentful look in his eyes when Lu Yao was about to disappear from time to time.

That look is so real!

Therefore, there was a flaw in Lu Ming's line of defense.

After a flaw in the line of defense in his mind, he unknowingly fell into an illusion.

Suddenly, Lu Ming's wrist felt painful, and the bones of his wrist were about to break.

The surrounding illusion suddenly collapsed, and Lu Ming broke free from the illusion.

"It was the ball that saved me, so dangerous!"

Lu Ming let out a long sigh, secretly saying a fluke.

Fortunately, bring the ball together, otherwise it will be in trouble.

"Next, I can't be careless."

Lu Ming shook his head, throwing away the picture of Lu Yao in his mind, and changed his mind without distracting thoughts again.

Soon, Lu Ming fell into a new illusion.

However, this time Lu Ming was prepared, did not fall into the illusion, and soon broke through the illusion.

In this way, Lu Ming experienced nine illusions.

When the ninth illusion disappeared, the bamboo forest in front of Lu Ming's eyes reappeared.

pass!

Lu Ming understood that he had broken through the illusion array.

Ok?

Suddenly, Lu Ming's eyes moved, because in front of him, Lu Ming saw a dark whirlpool.

Portal!

Lu Ming knew at a glance that this was a portal.

"Could it be that Huang Ling has already passed through the illusion array and entered this portal?"

Lu Ming thought.

However, he was not sure.

What if the Phoenix Spirit is still in the phantom formation, or in that bamboo forest?

He had been trapped in an illusion before, and he had no chance to find the Phoenix Spirit at all.

"Lu Ming, if you want to go into this bamboo forest and look for it, I shouldn't fall into the illusion..."

The ball faced Lu Ming.

"Okay, then you be careful!"

Lu Ming nodded.

This can only be done, in case the Phoenix Spirit is still in the bamboo forest.

The ball didn't say much, and flew out directly into the bamboo forest.

Lu Ming didn't wait too long. After half a day, the ball came back again.

Lu Ming felt relieved, the ball was fine, and then he looked at the ball with some expectation.

"Lu Ming, I've been around, and I haven't found a trace of Huang Ling. In fact, there is not a single creature in this bamboo forest."

Ball fairway.

"No, did Phoenix Spirit really break through the phantom array and enter this portal?"

Lu Ming thought.

Since he was not in the bamboo forest and did not leave, he could only enter this portal.

But where does this portal lead?

Wan Yao Mountain, is there a secret?

Lu Ming finally decided to enter the portal.

Now that you have already walked here, there is no reason to retreat, and now retreating, isn't it because the Phoenix Spirit is left behind?

impossible!

With a thought, the top source-level armor emerged, covering Lu Ming's body, and the God of War Spear was also held in his hand by Lu Ming. The power of the taboo was running, and he was prepared to deal with the danger. .

The next moment, Lu Ming appeared in a strange place.

"here is?"

Lu Ming discovered that he was standing on a mountain peak.

The peaks are extremely high, and you can see far away.

What you see is all lush mountains with lush vegetation and vigorous vitality.

Moreover, Lu Ming felt that the aura was extremely rich.

It is richer than the current prehistoric universe.

At the same time, Lu Ming discovered that a very high point in the sky was a piece of rock.

Yes, the firmament here is not the sky, but a solid rock.

On the rocks are inlaid with special stones, emitting bright rays of sunlight, like rounds of small big suns.

"Here, is it inside the Ten Thousand Demon Mountain, inside the Ten Thousand Demon Mountain, it's a world of its own?"

Lu Ming made such a conjecture.

It is speculated from the rocks in the sky that this place is very much like the inside of Ten Thousand Demons Mountain.

Or, Ten Thousand Demon Mountain has a special structure, which can absorb the wild aura outside of Ten Thousand Demon Mountain and store it inside Ten Thousand Demon Mountain.

This can explain why the universe is now recovering, and the surface of the Ten Thousand Monster Mountain is still dead.

Roar...

Suddenly, several loud roars interrupted Lu Ming's contemplation.

Between the mountains and forests, a few giant beasts soared into the sky and rushed towards Lu Ming.

"Monster..."

Lu Ming's heart moved.

There are three giant beasts, two are like giant wolves, and one is like a gorilla.

The two giant wolves have a height of ten meters and a length of more than twenty meters.

The gorilla is also more than twenty meters tall.

The three giant beasts are extremely fast and have amazing aura, bringing a violent wind.

Huh!

Lu Ming stretched out his hand and grabbed it. A huge palm was formed, and he grabbed at the three giant beasts and enveloped the three giant beasts.

boom!

The palm of his hand collided with the three giant beasts, and Lu Ming felt a slight shock in his palm.

"What a strong power, this is definitely the prehistoric monster race, much stronger than the monster race in the Xiaoqian world!"

Lu Ming flashed a thought.

These giant beasts are all the first-tier cultivation bases of the gods, but their power is amazing, and their blood is boiling.

Moreover, they can make terrible attacks, which should be magic.

The prehistoric demon clan, born to control all kinds of powerful magic arts, passed on from generation to generation.

Far from being comparable to the monster races in the Little Thousand World, it is also much stronger than the major races in the universe and starry sky.

Lu Ming was even more certain that this was inside the Ten Thousand Demon Mountain.

Inside Wanyao Mountain, there are still prehistoric monsters.

Lu Ming exerted a little force, and the three prehistoric monsters were pressed to the ground.

Then Lu Ming turned into a ray of light, rushing forward, and at the same time his spiritual consciousness spread out and he began to search for the Phoenix Spirit.

Ho Ho Ho!

Along the way, I kept hearing roars.

They are all prehistoric monster races, their cultivation bases are strong and weak, the weak are under the divine realm, and the strong have reached the divine master.

However, none of these monster races could stop Lu Ming, and none of them could keep up with Lu Ming's speed.

Lu Ming was too lazy to entangle these monster races, while flying, while looking for the Phoenix Spirit.

There are many magical medicines in this land, and Lu Ming didn't bother to pay attention.

Now, it is not a source-level magical medicine, and Lu Ming is not interested.

In less than an hour, Lu Ming flew a long distance.

Unfortunately, no trace of Lu Ming was found.

"This Ten Thousand Demon Mountain is huge. I'm looking for it like this. It's undoubtedly a needle in a haystack. It's better to let these monster races help me find..."

Lu Ming pondered.

Chapter 5030: Yaozu master killed

These monster races in Wanyao Mountain are natives here. If they 'help' to find the Phoenix Spirit together, the efficiency would definitely not be comparable to that of Lu Ming alone.

Of course, how could these monsters 'help', so Lu Ming had no choice but to take action.

bump!

Lu Ming slapped out a slap, and pressed a large cyan eagle to the ground.

"Human Race, how did you break in?"

The cyan great eagle roared, his voice filled with doubts.

"Don't worry about how I got in. Now, I want you to find someone for me."

Lu Ming said.

"I want my noble Demon Race to help you, an inferior Human Race, no way."

The cyan big eagle yelled, holding a huge head, very arrogant.

Lu Ming curled his lips. Sure enough, it was said that during the period of the Primordial Continent, the Primordial Monster Race looked down on the Human Race, and it seemed correct.

Even though the human race dominates the prehistoric continent and overwhelming the demon race, many demon races still look down on the human race and think that they are the most noble.

It is believed that the human race only developed when the monster race and the witch race went to war and took advantage of the fire.

The big cyan eagle in front of me is obviously like that.

bump!

Lu Ming was too lazy to talk nonsense with the other party, stepped on the head of the blue eagle, and then waved his hand, and a forbidden force flew into the center of the blue eagle's eyebrows.

"Despicable human race, what have you done to me?"

The cyan great eagle roared.

"With a force in your sea of consciousness, I can cut off your soul as long as I move my mind. You'd better be honest with me."

Lu Ming said coldly.

"you..."

The cyan big eagle's eyes changed for a while, but after all, he lowered his arrogant head.

No way, life is important.

"Whoever you want me to find, you should always give a portrait!"

Cyan big carving road.

"Have you seen this woman!"

Lu Ming waved his hand, and the portrait of Huang Ling appeared.

"I haven't seen it, but I can find it for you."

Cyan big carving road.

"If you can get news sooner, I will help you take out that power earlier. If you delay it too late, I'm afraid I will not be able to control that power..."

Lu Ming said meaningfully.

The cyan Great Eagle's face was ugly, and he wanted to beat Lu Ming violently, but finally succumbed to Lu Ming's power, obediently bowed his head, flapped his wings, and disappeared into the sky.

After that, Lu Ming did exactly what he had done, controlled other prehistoric monster races, and helped him find the Phoenix Spirit.

In three days, there were at least a few hundred wild monsters, controlled by Lu Ming, and scattered out to help him find the Phoenix Spirit.

"Which human race kid, dare to control my monster race, it's really looking for death!"

Suddenly, there was a loud roar in the sky far away, like thunder, the sky was rumbling, and a few violent auras swept toward this side.

Five or six head monsters flew towards Lu Ming.

The two monsters flying in the front, one is a flying snake, with a pair of wings, and the body is extremely huge.

Another demon clan looks like a tiger, but the whole body is white, like a white tiger, perhaps with the blood of a white tiger.

The White Tiger is also a powerful race among the prehistoric monster races.

"God Lord Peak!"

Hello everyone, our public account will find gold and coin red envelopes every day, and you can receive them as long as you pay attention. Please seize the opportunity for the last benefit at the end of the year. Public Account [Book Friends Base Camp]

Lu Ming's eyes moved.

These two monster races have the cultivation base of the peak of the gods.

As for the four monster races behind, Lu Ming actually knew all of them.

Because these four monster races were all controlled by Lu Ming and used to find the Phoenix Spirit.

It seemed that these four monsters were unwilling to be controlled, and they found a helper.

"Not bad..."

Lu Ming was not angry but rather happy.

It is more useful to control a monster clan with strong power than to control a monster clan with weak power.

The powerful monster race can go and order other monster races. Then, isn't it faster to find them?

Lu Ming wanted to find a powerful monster, but he didn't find it.

The other party came to the door by himself.

The Flying Snake and the Baihu Demon Race were extremely fast, and in an instant, they came to Lu Ming not far away, with a violent aura, constantly rushing towards Lu Ming, like a stormy sea.

However, to Lu Ming, this was like a Buddha's face with a breeze, without any impact.

"Human race, how did you get in?"

The white tiger stared at Lu Ming, his eyes rounded.

"You first help me find the person I want to find, and I'll tell you."

Lu Ming said.

"You are not qualified to negotiate terms with us, kid, say it obediently, and then take out the power of their sea of knowledge, we can let you go."

The flying snake drank coldly, with a sharp, piercing voice.

"Leave me alone? Haha, I'm afraid you don't have the ability."

Lu Ming sneered.

"Don't talk nonsense with him, just take him down, he will naturally give in."

The white tiger yelled coldly and rushed forward. The huge body, like a flash of lightning, rushed towards Lu Ming, and the huge sharp claws grabbed to Lu Ming, with violent energy.

"One break!"

As soon as Bai Hu took the shot, Lu Ming sensed that the opponent's combat power was probably a breakthrough, equivalent to the combat power of the strongest Heavenly Monarch.

Of course, it's just a preliminary judgment. If the opponent still saves his strength, it's hard to judge.

Only when the power is fully revealed can one be judged.

On the surface, Lu Ming is no different from ordinary God Lord Pinnacle.

Lu Ming banged out with a punch and collided with Baihu's sharp claws.

boom!

Click!

After the violent roar, there was a sound of bone fracture, and one of the white tiger's claws was deformed and twisted, and the huge body retreated violently.

"you..."

Bai Hu looked at Lu Ming in shock.

He had used almost 80% of his power with that blow just now, and Lu Ming was also the pinnacle of the gods, he did not dare to underestimate Lu Ming.

But unexpectedly, he was injured as soon as he played against it.

However, his claws squirmed quickly and were covered by a layer of white light, recovering quickly.

"So strong resilience, prehistoric monster race, powerful bloodline talent, not just talking."

Lu Ming was a little surprised.

According to the innate talents of the three great tribes, the monster race and the witch race are much stronger than the human race.

The demon race has blood inheritance. When a demon race was born, in his blood, he inherited various geniuses from his ancestors. When he grows up, he can almost learn it without a teacher.

As for the Wu Clan, the flesh is inherently powerful, destroying the world.

Human race, innate talent is much weaker than monster race and witch race.

However, human races can continue to improve their talent potential through acquired cultivation, especially after the birth of the Holy Ruins Holy Scroll.

"This person is powerful, and join forces to deal with him."

The flying snake drank coldly, flapped its wings, and slaughtered towards Lu Ming.

At the same time, the white tiger yelled and rushed towards Lu Ming, using ten percent of his combat power.

The two demon races work together to perform their own ultimate moves, and the coordination is seamless.

"It seems that I have used all my strength, and it is still a breakthrough."

Lu Ming flashed a thought, and then grabbed the empty palm of his hand, and the force of the taboo condensed a long spear, sweeping out two shots in a row.

Two spear lights pressed towards the two monsters.

Boom!

The spear light directly shattered the opponent's attack and bombarded the two monster races.
