

D Emperor 761

Chapter 761: force

"No, I don't agree, Sovereign, please ask helpers, please other people, why must Qinghe Shuangguai be necessary!"

Ruan Tingting said.

"Please others? Then what master can you invite, talk about it?" Ye Fa sneered.

"I have a few friends who are extremely advanced and powerful, but they can be called to help us!"

Ruan Tingting thought of Lu Ming, Kong Jin and Xie Nianqing.

"Hahaha, Ruan Tingting, you said, wouldn't it be the boys who lived in your other courtyard?" Su Luo laughed aside.

"Yes, it's them!" Ruan Tingting gritted his teeth.

Airborne and Lu Ming, two old Miao families who can easily crush the pinnacle of Linghai's first heavyweight, are definitely above Linghai's twofold strength. Ruan Tingting thought that if they asked for them, they might agree.

"Oh, ridiculous, with the help of those little boys, what can help us? Procrastinating us? But the chick looks good, beautiful like a fairy, don't you want to ask her to make a beauty, haha!"

Su Luo laughed.

"Well, she just wanted to find a reason to shirk away, completely disregarding Zongmen, only herself!" Ye Qing said coldly.

"Well, the two predecessors of Qinghe Mountain are the characters of the four peaks of Linghai and the triple peak of Linghai. Where can we find such a fighting force? Only looking for them is the most stable. This is the matter. !"

Ye hair opening.

"No, I don't agree. Sect Master, who is Qinghe Shuangguai? You don't know, they are two old monsters, the good girls who died in their hands, I don't know how many."

Ruan Tingting shook his head.

"Nonsense, are the two predecessors of Qinghe Mountain, that kind of person? You must agree to this matter!"

Ye Fa's face sank and scolded.

"Yes, Ruan Tingting, those two powerful people in Linghai Realm. It is your blessing to marry them. This is the kind of welfare Zongmen is fighting for you. If you don't thank, just dare to refuse?"

Ye Qing's eyes showed a happy light, cold voice.

"Since it's so good, why don't you marry, since it is for the sake of the sect, then you marry!"

Ruan Tingting stared at Ye Qing and shouted.

"Nonsense, Qingheshan's two seniors are looking at you. Well, this matter is so settled. You go back and tidy up. Two days later, follow me to Qingheshan!"

Ye Fa patted the table, yelled, and made a decision.

"No, I'm not going to marry, because I would rather not marry, unless you killed me and carried my body over."

Ruan Tingting gritted her teeth, her eyes red, and she looked at Ye Fa firmly.

"presumptuous!"

"evil creature!"

"What a white-eyed wolf!"

Several other elders yelled angrily, glaring angrily at Ruan Tingting.

"Hahaha!"

Ruan Tingting laughed suddenly. At this moment, her heart was as cold as ice, and she was completely disappointed with this sect.

"For generations of my Ruan family, I bowed to the wind sword sect and fought hard. I don't know how much credit I made. My elder brother died for the sect. My Ruan family never owes the sect. You don't need to take any favors. Press me!"

Ruan Tingting broke out completely, standing straight and gazing at Ye Fa and several elders. In his eyes, he was completely disappointed.

"You don't need to say any sounding reasons, because everything is for the rise and fall of the sect, you are just for selfishness, you want to send your descendants, these wastes, to Baizun Mountain, their talents , Is Feng Jianzong the strongest?"

Ruan Tingting reached out to Ye Qing and Su Luo.

"Bitch, what do you say, who do you say is waste?"

Ye Qing screamed.

"Isn't it? How many resources did Zongmen spend on you? If these resources were used on me, I would have broken through the Linghai Realm, and you, who had just broken through the peak king, are you not a waste?"

Ruan Tingting shouted loudly.

"Bitch, bitch, you bullshit, I want you to die!"

Ye Qing's voice was sharp, and his face was distorted.

"If the quota obtained this time is really given to those talented disciples, I can promise, but I will never agree to give these wastes!"

Ruan Tingting said.

"The matter of quota, Zongmen arranges freely, will not allow you to come in!"

Ruan Tingting shook his head and smirked.

Her talent is definitely one of the best in Feng Jianzong, but usually she is suppressed everywhere. Any good resources are given to Ye Qing and Su Luo first, because they have backers.

For her, most of the resources are obtained by doing tasks on her own.

In this regard, she would not say anything, different births, fate is like this, she can only rely on herself.

But now, Ye Fa and they are so shameless, they have to sacrifice her in exchange for Ye Qing's chance, she will never agree.

"It's still that sentence, either kill me, I never agree with this matter!"

Ruan Tingting resolutely answered.

"Ruan Tingting, you'd better think about it, you know, your parents are still in the sect, you better think about their safety!"

Ye Fa Shen said.

Ruan Tingting's body was trembling, his face pale, and there was no trace of blood.

Ye Fa, actually using her parents to threaten her, is this the case of the master?

"Despicable, shameless, Ye Fa, you despicable shameless!"

Ruan Tingting shouted.

"Fuck, wanton, Ruan Tingting, two days later, follow me to Qinghe Mountain, otherwise, you will collect the corpse for your parents, and you can go as usual!"

Ye started out, a strong breath filled his body, and suddenly pressed against Ruan Tingting.

Ruan Tingting shuddered, leaving a trace of blood in the corner of his mouth.

There was despair in her eyes.

No way, her parents' lives are in the hands of Feng Jianzong, and she can only compromise.

"Cough, Ruan Tingting, aren't you long and pretty? Now congratulations, and married two powerful men!"

Ye Qing laughed out of misfortune.

"Haha, Ruan Tingting, I will enter the Baizun Mountains in the future, get a chance, and become a peerless strongman, I will definitely not forget your favor."

Suluo laughed, very happy.

"With your commodities, you will never achieve great success!"

Ruan Tingting gave them a cold look, then turned and strode away from the hall of deliberation.

"Huh, bitch, wait for me!"

Ye Qing snorted.

Ruan Tingting walked out of the hall of deliberations, she was in a trance, only to feel very desperate in her heart, the road ahead was long, but she could not see hope.

She flew out of Feng Jianzong in a trance, disappearing into the distance.

She didn't return to the other courtyard until early evening.

"Huh? Tingting, what's wrong with you? Why are your eyes flushed and someone bullied you?"

After seeing Ruan Tingting, Kong Jin quickly asked.

"I'm okay, now, you have to move out of my other courtyard and leave Feng Jianzong!"

Ruan Tingting said coldly.

"Ah? You have to chase us away, why?" Kong Jin was a little stunned.

Lu Ming and Xie Nianqing heard the news and walked out.

Chapter 762: crisis

"How come there are so many why? I hate you, I don't welcome you now, hurry and go, go, I don't want to see you!"

Ruan Tingting sneered, and made a eviction order.

"Tingting, why on earth, it was fine before, what's wrong with you?"

Airborne asked.

"Did I tell you to leave? Didn't you hear it? You are not welcome here. Hurry up. Are you going to rely on cultivation to be advanced and bully me, I am not afraid!"

Ruan Tingting shouted stubbornly.

"Tingting, what is the matter, tell us, I will help you solve it!"

Cried into the air.

Ruan Tingting gritted his teeth and almost wanted to say, but when he thought of Feng Jianzong, there were three ancestors of Linghai Triple, and several strong doubles of Linghai, telling them that they were

not involved in the air, and they did not bite their teeth at the moment. Say, just have to hurry into them.

"Fat man, let's go first!"

Lu Ming walked over, pulled in, and walked out.

"But... Tingting him!"

I'll talk about it again.

"Go, leave and talk!"

Lu Ming pulled the fat man and walked out, Xie Nianqing followed Lu Ming.

Seeing Landing Ming leave them, Ruan Tingting can't help tears anymore, flowing down in series.

...

Lu Ming pulled the air in and out of the mountain gate of Feng Jianzong.

"Lu Ming, why did you pull me out, Tingting must be something wrong with her."

Airway.

"Do you think I can't see it?" Lu Ming said.

"You see, why should you bring me out?"

"There must be an inside story about this matter. She didn't want to say that maybe she was afraid of harming us. We had to come out first and then find a way."

Lu Ming frowned.

"What do you do?"

Airway.

"Now we need to know what happened first, and then we can solve it. Let's go to Juhao City first. Didn't we leave the girl Qiao Xuan's Chuanyuyufu before? She has such a good relationship with Tingting. Maybe we know something. Ask her to inquire!"

Lu Ming said.

"Perhaps it was because of Feng Jianzong's problem, perhaps because of her loved one's problem, I think she cried!" Xie Nianqing said.

"Go to Juhao City first, and I will send a message to Qiao Xuan girl!"

Lu Ming took out a piece of phonic jade, and at that moment, his eyes moved.

"Girl Qiao Xuan first sent me a message and told us to gather in Juhao City!"

Lu Ming said.

Kong Jin's face changed, and said: "Miss Qiao Xuan is looking for us at this time, there must be something wrong, let's go!"

The three of them flew towards Juhao City very quickly. Soon, they came to Juhao City and saw Qiao Xuan at the gate.

"Brother Kong, Brother Lu, Girl Xie, Tingting, she has an accident!"

Qiao Xuan said anxiously when he saw Lu Ming.

"What the **** happened, Tingting drove us out just now." Kong Jin hurriedly said.

"Tingting came to me just now, and I knew I was crying when I saw it. She didn't want to tell me at first. After I asked again and again, she told me that it was because of Baizunshan..."

Immediately, Qiao Xuan told what she knew.

"The despicable, despicable Fengjian Sect, what kind of lord, what kind of elders, is simply shameless."

After listening, the sky was filled with anger, like a wild beast.

"This sect should not stay in this world!"

Xie Nianqing's voice was also very cold.

"Girl Qiao Xuan, do you think that Tingting will take the risk to save her parents?"

Lu Ming asked.

"With Tingting's character, it may be so!" Qiao Xuan said.

"No, you can guess, how could Feng Jianzong not guess, if Tingting went, there might be danger, we hurried back to Feng Jianzong!"

Lu Ming's face changed.

...

When Qiao Xuan found Lu Ming, Ruan Tingting had already begun to act in Feng Jianzong. She changed into a black robe and turned into a black phantom in the dark, leaping towards the depths of Feng Jianzong.

Turning around the pavilion palace, Ruan Tingting appeared in a separate courtyard.

"Who?"

When Ruan Tingting appeared, a voice came from a room, and then two figures appeared in the courtyard of the other courtyard.

Is a middle-aged couple.

"Tingting, it's you. Why did you come here at night?"

The middle-aged man looked at Tingting and froze.

"Dad, mother, follow me, we leave here, leave Feng Jianzong." Ruan Tingting red eyes.

"Tingting, what happened?"

Middle-aged couples are more puzzled.

"Dad, mother, they want me to marry the Qinghe Mountain Shuangguai, and they threaten me with you..."

At the moment, Ruan Tingting briefly said things again.

"What? How could this happen, my Nguyen family bowed down to Feng Jianzong, and they still treated you like this, no way, I must ask the patriarch to ask clearly."

The middle-aged man said angrily.

"Dad, it's useless. Their attitude is very determined. In their view, using my happiness to achieve their children is justified. Let's go!"

Ruan Tingting said.

This is also the reason why she came over in person and did not send a message to her parents. She was afraid that his father would find Ye Fa directly after receiving the news.

"Yeah, listening to Tingting, such a sect, there is no need to stay!"

Ruan Tingting's mother said.

"Okay, go!"

Ruan Tingting's father gritted his teeth.

The three of them walked out of the Beyond Court carefully and walked outside the Zongmen. They bypassed the Beyond Court and left the core of Fengjianzong. The terrain was widened, but the figure of the three stopped.

In front, Ye Qing and Suluo stood sneering in front, followed by a group of people.

"Ruan Tingting, you are so brave, you actually want to take your parents away from Feng Jianzong, and ignore the rise and fall of Feng Jianzong.

Ye Qing smirked with a smug smile on his face.

"Ye Qing, he is mean and shameless, he admits, don't press me with those sounding reasons, you are just for yourself, even if I die, I won't let you succeed."

Ruan Tingting's face was very pale. She knew that she couldn't go out today.

"Shy, you are a bitch, what is your identity? Dare to talk to me like this, come here, take those two old guys down, and abandon them for cultivation. I think the **** never follows!"

Ye Qing pointedly said.

Suddenly, a few figures came out behind her.

"Rush, rush out!"

Ruan Tingting's father shouted, and his body burst into a violent breath, rushing out.

Ruan Tingting's father also has the cultivation of the peak king.

At the same time, Ruan Tingting and her mother also rushed forward.

Today, only by killing a **** road can we have a chance.

Ruan Tingting's mother, Wu Wang Jiuzhong's cultivation base, and Ruan Tingting, the three of them joined forces to repulse the two big men.

"Dare to fight back, go together!"

Suluo waved his hand.

Suddenly, the people behind them all shot, there were more than a dozen.

Among them, the three pinnacle kings, the others are all kings.

With so many masters, Ruan Tingting and three people couldn't rush out at all for a while.

Chapter 763: Die

Buzz!

At this moment, a small dagger suddenly appeared in Ruan Tingting's hands. The dagger flew in the air, shooting a cold light, which was extremely sharp.

Boom!

A big man was swept over by a sharp edge, one arm was cut off directly, and screamed back.

"Sixth-level spirit soldiers, why do you have sixth-level spirit soldiers, damn, take them, this sixth-level spirit soldier is mine!"

Ye Qing screamed, showing greedy light in his eyes.

Ruan Tingting's spirit soldiers were naturally assigned to the storage rings of those Linghai realm warriors.

Ruan Tingting controls the sixth-level spirit soldiers, and the combat power has suppressed the other peak kings. Seeing it, he will rush out.

But at this moment, the sound of breaking the sky came from behind, and at least dozens of figures flew here as fast as possible.

Two of them, breath like the sea like the sea, is the power of the spirit sea.

Ye Fa, Sovereign of the Wind Sword, and Su Luo's father, Su Tengshan.

Ruan Tingting's family showed a look of despair.

"Your family must not only betray the sect, but also injure the same fellow. The crimes are very evil, all won!"

Ye Fa issued an order.

Behind Ye Fa, more than a dozen figures flew out, and most of them were pinnacle kings.

"Tingting, you go quickly, I'll hold them back!"

Ruan Tingting's father roared and rushed towards the dozen figures.

"father!"

Ruan Tingting shouted.

"Go, go, Tingting, you must not marry Qinghe Shuangguai, go!"

Ruan Tingting's father shouted, and his breath became violent.

"No, he will explode!"

Someone exclaimed.

"court death!"

At this time, Su Tengshan strode out, a palm suppressed, a palm as big as a mountain imprinted on Ruan Tingting's father.

puff!

Ruan Tingting's father coughed up blood and made a clicking sound.

"Dad, don't!"

Ruan Tingting shouted.

"Go, go!"

Ruan Tingting's father, regardless of the injury, rushed past frantically.

"Ruan Zhen, since you are looking for death, then I will fulfill you!"

Su Tengshan stepped out and pointed out with one finger. His terrifying finger, like a sword, shot at Ruan Tingting's father.

puff!

Zhi Jin pierced through Ruan Zhen's chest and broke his heart.

"Quick, go!"

Ruan Zhen spit out the last sentence, extinguished, and landed on the ground.

"No, no, no!"

Ruan Tingting's eyes were red and he yelled wildly.

"Zhenge!"

Ruan Tingting's mother also yelled and rushed towards Ruan Zhen's body.

"Without your parents, you are still going to Qinghe Mountain. I will cut off your parents now and seal your cultivation behavior. Two days later, I will send you to Qinghe Mountain!"

Su Tengshan strode forward and pointed out again.

puff!

As soon as Ruan Tingting's mother caught Ruan Zhen's body, she was pierced with fingers and fell to the ground. She turned to look at Ruan Tingting's last glance, and then her vitality dissipated.

"Dad, mother, ah! I want you to die!"

Ruan Tingting shouted frantically, and his eyes showed a bit of murderous intent, and he rushed towards Su Tengshan frantically, his breath was very furious.

"In front of me, want to explode, how is it possible?"

Su Tengshan snorted with a slap, Ruan Tingting was shocked, coughing up blood, his body flew away from the distance, and his body was cultivated.

A big Han Fei stepped forward and caught Ruan Tingting.

From beginning to end, Ye Fadu looked indifferently.

"Kill me, you better kill me, otherwise, I swear, I must kill you, I must destroy Feng Jianzong and avenge my father and mother!"

Ruan Tingting's eyes showed bitter hatred.

"It's up to you, hey, if you can stand under the Qinghe Shuangguai for three months, I'll lose!"

Ye Qing laughed coldly.

"Ruan Tingting, you are responsible for all this, and you obediently agreed, how could there be these things, these are all caused by yourself."

Suluo sneered.

"Okay, take it away and shut her up!"

Ye Fa waved his hand.

"Who dare to move Tingting, I want him to die!"

At this moment, there was an earth-shattering roar between the world and the terrifying killing intentions, which came from outside the Fengjian Sect, like a wretched beast.

Four figures appeared here instantly.

Lu Ming, Xie Nianqing, Jin Jin and Qiao Xuan finally arrived.

"Release your dirty hands!"

Kong Jin entered his body, exuding a terrible breath. A big axe in his hand was covered with blood stains. The disciple of Feng Jianzong just wanted to stop him and was cut directly by his axe.

At this time, the fierce color on his body was extremely rich, and his figure appeared before the big man who grabbed Ruan Tingting.

Under that big man's horror, he was about to retreat, but a big hand in the air pulled out and grabbed his neck directly.

With a click, the man who cultivated to reach the pinnacle king was directly pinched off his neck.

Airborne took the opportunity to hug Ruan Tingting in his arms.

"Tingting, are you okay?"

Air Jin looked at Ruan Tingting worriedly.

"Dad, mother!"

Ruan Tingting's tears remained, and she stared dumbly at her father's body.

boom! boom!

Lu Ming's breath, like a mountain, he strode forward, the world roared, and the cold killing opportunity made no secret.

"A bunch of rubbish-like things are going to die today!"

Lu Ming's voice was cold, without emotion.

"It's a few small miscellaneous pieces of you, you dare to trespass Feng Jianzong, and say, are you colluding with the **** Ruan Tingting, plotting me Feng Jianzong!"

Suluo shouted at landing.

"kill!"

Lu Ming shouted and stretched out his palm to give a void grip.

Su Luo suddenly felt that he was bound by a force, and his body flew to Lu Ming quickly.

"Ah, dad, save me!"

Su Luo was frightened and shouted in horror.

"Boy, let me go!"

Su Tengshan strode forward and wanted to rescue.

boom!

Lu Ming's other hand threw a punch, and a punch flew out, flying Su Tengshan back backward.

At the next moment, Su Luo fell into Lu Ming's hand and was held by Lu Ming's throat.

"Say, who killed their second elder?"

Lu Ming pointed to Ruan Tingting's parents' body and asked Su Luo.

"Boy, you are bold, you dare to catch me, let me go down, you are looking for death, do you know?"

Su Luo shouted.

puff!

With a vigorous take-off, Suluo cut off one of his arms.

Suddenly, Su Luo issued a hysterical scream.

"Say!"

On Lu Ming, the cold killing intention was stronger.

"Ah, I said, I said, it was my father who killed me, it was my father, it was none of my business!"

Su Luo screamed again and again, and betrayed Su Tengshan directly.

Su Tengshan looked ugly and shouted, "Boy, let me go, otherwise, I promise, you can't get out of Feng Jianzong!"

At this time, two more powerful breaths came here, two extremely powerful elders of Feng Jianzong.

"Really? I want to see, how can you keep me out of Fengjianzong!"

Lu Ming sneered, his palms burst into strength.

bump!

Suluo burst directly into Lu Ming's hands and turned into a blood mist.

"Luoer, ah, damn, I want you to die!"

Su Tengshan roared with red eyes.

Chapter 764: Come to Japan to avenge yourself

"kill!"

Lu Ming was too lazy to talk nonsense and strode forward to kill Su Tengshan.

"Sovereign, the elders, shot together and killed this son!"

Su Tengshan's face changed, shouting.

He took Lu Ming's punch just now and was quite afraid of Lu Ming.

"Shoot!"

The other two elders shot. At the same time, Su Tengshan also shot. The three joined forces and blasted to the landing.

Those two elders were the spiritual practice of Linghai, and Su Tengshan had the spiritual practice of Linghai.

Ye Fa didn't shoot, he flew around.

The three joined forces, with great momentum, immense power, and terrifying momentum.

But Lu Ming didn't blink, and his face was still cold, staring at Su Tengshan.

When Lu Ming's attack was about to strike Lu Ming, Lu Ming burst into three punches.

Three screams, three of Su Tengshan, vomiting blood in a big mouth, flew away from a distance.

"how come?"

The Feng Jianzong people were stunned and looked at this scene in shock.

This young man was so horrible. One stroke made three elders in the Linghai Realm seriously injured. This is also incredible.

"Today, no one can save you!"

Lu Ming stepped towards Su Tengshan step by step.

Su Tengshan's heart shivered and his face pale.

He stepped back frantically and yelled, "Sovereign, help me!"

Ye Fa looked ugly. Lu Ming struck three elders with a single stroke, even he could not do it.

His cultivation practice was only in the early stage of Linghai's double.

"Retreat, retreat, please invite the ancestor out of the mountain!"

Ye Fa shouted and led people back, regardless of Su Tengshan.

"metropolitan!"

Su Tengshan shouted in despair.

"What's it called?"

Lu Ming stepped out in one step, and his figure appeared in front of Su Tengshan, slamming toward Su Tengshan with a palm.

Su Tengshan tried his best to resist, but to no avail. He was split by Lu Ming and smashed heavily on the mountain below Feng Jianzong, hitting a large pit that was tens of meters wide.

Lu Ming glowed in his hand, and a real condensed spear appeared. With a wave of his hand, the spear shot out, flew down Su Tengshan, and pierced his Dantian.

boom!

Su Tengshan Dantian seemed to make a roar. His Linghai was pierced by Lu Ming and burst apart.

When the Linghai is broken, the repair is a waste.

Su Tengshan screamed hysterically.

The others in Feng Jianzong's face were pale, and an elder in Linghai Realm, in Lu Ming's hands, was as vulnerable as a baby.

In Ye Fa's eyes, humiliation was revealed, but he did not dare to do it. Lu Ming was unfathomable in his eyes. He gave him a huge pressure. He had a feeling that as long as he shot, he would end up like Su Tengshan. .

So he backed away, he had to wait for rescue.

Ye Qing's face was also very pale, but in his eyes, he was jealous.

She was jealous of Ruan Tingting, why did such a great young master come forward for her, but she did not.

"You can't go away!"

The figure of Xie Nianqing suddenly appeared not far from Ye Fa and pressed with one hand.

boom!

The magic field of heaven shone out, and the enormous pressure overwhelmed Ye Fa and others.

Some people screamed directly, under tremendous pressure, the bones broke and coughed up blood.

Even Ye Fa's face was wildly changed, and the true element in the body exploded to resist.

"Rush!"

An elder who had been injured by Lu Ming just now roared and tried to break through the magic field of heaven.

But at the next moment, the others in Feng Jianzong's eyes widened in horror, because they saw that the elder's lower body rushed out, but the lower body remained in place.

He was cut in half.

The elder himself also saw this scene and issued a scream of sorrow and horror, but for a time, he was not dead.

"You better don't move!"

Xie Nianqing said coldly.

Ye Fa's face is earthy, who are these people? It was too scary, he felt that any one could kill him easily.

"Don't Ruan Tingting say to ask a few friends to help Feng Jianzong compare, is it just these people?"

Ye Fa thought, he had a feeling, maybe, this time he was wrong.

But at this point, he could only go on with a scalp.

Now he only hopes that the ancestor of Fengjian Zong will come as soon as possible.

The ancestor of Feng Jianzong, but the practice of the triple peak of Linghai, will certainly be able to cut these children.

Lu Ming reached out and grabbed the half-dead Su Tengshan and threw it in front of Ruan Tingting.

This person needs Ruan Tingting to kill.

And he stepped out and appeared in front of Ye Fa and others.

"Today, you will all die, Feng Jianzong, there is no need to stay in the world!"

In Lu Ming's hands, the Infinite Dragon Gun appeared, and the gun was soaring.

Today, he wants to set foot on the sword sword.

"Lu Ming!"

At this time, a voice came from behind, it was Ruan Tingting's voice.

At this time, Ruan Tingting's banned cultivation practice has been lifted by Kong Jin. Her eyes are cold and her eyes are revealing the murderous opportunity. She said: "Lu Ming, don't kill them, this hatred, I want to report it myself. There is always one In the future, I will personally step on the Fengfeng Sect and avenge my father and mother!"

Lu Ming froze for a moment, then nodded: "Okay!"

Lu Ming understands that this hatred really requires Ruan Tingting to report it herself, so that in her heart, she will not leave a demon, hindering future practice.

"As for Su Tengshan, today, you will die!"

Ruan Tingting looked at Su Tengshan.

"No, help!"

Su Tengshan shouted.

Ruan Tingting, Ruan Zhen's background, he is too clear, there are no strong friends, so he just killed, unscrupulous, he could not dream of it, will provoke several such terrible evil stars.

Now, he regrets very much.

Boom!

Ruan Tingting's Jian Guang pierced Su Tengshan's heart, and Jian Qi twisted his heart into pieces.

Su Tengshan's eyes widened, he shouted unwillingly, and he lost his breath.

"Ye Fa, you just wait, Feng Jianzong, I will destroy it with my own hands, let you do what you do, and pay the price!"

Ruan Tingting's eyes were extremely cold, revealing bitter hatred and murderous opportunity.

Seeing such eyes, even if Ye Fa lived a lot of age, the heart could not help shaking.

"Wait a minute, this woman, I look very uncomfortable!"

Lu Ming looked at Ye Qing, stretched out his hand, and grabbed Ye Qing in his hand.

"No, don't kill me, don't kill me, father, save me!"

Ye Qing shouted frantically, his face scared pale, and there was no trace of blood.

"Release Qing'er, otherwise, Feng Jianzong and you will never die!"

Ye Fa yelled, Zhenyuan's madness broke out.

"Relax, I won't kill her, her life, I will leave it to Tingting."

Lu Ming sneered and pointed out, directly abandoning Ye Qing's cultivation behavior.

"Don't you want to get the quota and enter the Baizun Mountain? Cultivation is abolished, can you still enter? Get out!"

Lu Ming flicked and threw Ye Qing out.

Ye Qing screamed, despairing.

Her original purpose was to sacrifice Ruan Tingting to complete her and let her step into Baizun Mountain. Perhaps, she could get a great chance in Baizun Mountain, so that she could fly into the sky.

She is full of hope.

But now, there is no hope for everything, but despair. Now even if there are places, it is useless to her.

"Go!"

Ruan Tingting hugged her parents' body, and together with Lu Ming, they flew out Feng Jianzong.

Chapter 765: Hai Yunzong

There are two more cemeteries on a mountain peak 10,000 miles south of Juhao City.

Ruan Tingting knelt quietly on a day and night in front of Ruan Zhen's tomb.

No crying, no tearing.

Lu Ming, Xie Nianqing, Airborne, and Qiao Xuan also stood beside them.

One day and one night, Ruan Tingting got up and mingled towards Landing. Xie Nianqing clenched his fists and said, "This time, thank you all!"

"Tingting, we are friends, we don't need to be so polite, but unfortunately, we are one step late!" Lu Ming sighed.

If they had taken an early step, Ruan Tingting's parents might not have died.

"Tingting, where are you going next?"

Qiao Xuan took Ruan Tingting's hand and asked with concern.

"I don't know, I want to find a place, ascetic cultivation, Feng Jianzong, I must be level!"

Ruan Tingting gritted his teeth.

"Well, Baizun Mountain is an opportunity. We assist a force to get the quota and enter Baizun Mountain to practice. In this way, the speed of your cultivation will definitely increase!"

Lu Ming thought deeply and said to Ruan Tingting.

"This method is good!"

Airway.

"Let's do it like this. You follow me to Haiyunzong. I will tell my father about it. Anyway, my father is asking for foreign aid everywhere during this time. Anyway, my Yunhaizong, it's okay to get a quota. If you join, Can get the quota, and all will be yours, then how about?"

Qiao Xuan said.

"This is fine, but we don't need all the places, four is enough!"

Airborne quickly nodded.

Next, the people left here and flew towards Haiyun Zong, discussing specific details on the way.

After coming to Haiyunzong, Qiao Xuan arranged for Lu Ming's residence, and then she went to report to his father.

After more than an hour, Qiao Xuan came back and said that his father wanted to meet Lu Ming.

Ruan Tingting, many people in Haiyunzong know that they don't need to go. Xie Nianqing is not interested in this, so only Lu Ming and Kongjin follow Qiao Xuan to the Haiyunzong's meeting hall.

In Hai Yunzong's meeting hall, not only Qiao Xuan's father, Qiao Long, but also five or six Hai Yunzong elders were sitting.

"Sect Master, do you really believe that Xuan'er can meet any strong man? A few friends of Xuan'er's girl, don't we know yet? They are all young people about his age."

A middle-aged man against Qiao Longdao.

"Yeah, although my Hai Yunzong's strength is low, I can't ask people to indiscriminately!"

Another elder also said.

"This time, Xuan'er is very serious. She said that he knows these strong men and can easily kill the masters of Linghai's heavy peak. It is unfathomable, so I call you and see you together!"

Qiao Longdao.

Hai Yunzong, among the dozen forces around Juhao City, can only be regarded as the downstream, and the strongest among the martial arts, that is, the repair of the Linghai Second Peak, this time the quota of Baizun Mountain, they are almost There can be no share.

But they are not reconciled. After all, this quota is very valuable for small forces like them. They want to fight for it.

During this time, he has been asking for foreign aid, and he has almost traveled around Juhao City, and even some serious repairs near other cities. He wanted to ask them for help, but almost all of them were rejected.

Those masters, who want to choose, naturally choose those powerful forces.

During this time, he spent a lot of money and cost a lot of money, and he only asked a master in the early stage of Linghai Triple to help.

When he heard Qiao Xuan said that he knew a few strong men who could easily kill Linghai's heavy peak, he naturally felt a little emotional and wanted to see him.

Those who can easily kill the first peak of Linghai Double will not be weaker than the later stage of the second layer of Linghai, or even the second peak of Linghai.

If you can help Hai Yunzong fight, it is also a great fighting force.

"coming!"

An elder spoke out.

Subsequently, Qiao Xuan walked in with Landing Ming and Kong Jin.

The people in the hall were a little dazed immediately.

They did not expect that the person Qiao Xuan brought was actually two young people, and it looked like he was in his early twenties.

"Xuan'er, the strong men you mentioned are them?"

A middle-aged man speaks first.

"Elder Hua, yes, they are Xuan'er's friends!"

Qiao Xuan said.

"Nonsense, Xuan'er, this battle is not the same as Xiaoke. The major forces will come out of the nest and send out the strongest fighting force. It is very dangerous. You... these friends, you are too young. What will happen then? Unexpectedly, how to explain to their elders?"

Qiao Long scolded.

"Dad, Lu Ming, they have a strong combat capability in the air, and they can easily kill the warrior of Linghai!"

Qiao Xuan said.

"Lu Ming?"

Qiao Long's eyes moved. He seemed to think that the name Lu Ming was familiar, but he couldn't remember it for a while.

"Can you easily kill Linghai's first heavy peak warrior? Xuan'er, the more you say, the less ridiculous you are. Do you know how strong Linghai's first heavy peak? How can it be easily killed."

The Elder Hua shook his head and smiled.

Feng Jianzong's affairs have been blocked from top to bottom, so they will not publicize the shameful things, so Qiao Long they don't know what happened to Feng Jianzong.

The other elders also shook their heads and smiled, thinking that Qiao Xuan was still young and did not understand many things. Hearing the story was normal.

They don't think Lu Ming they can easily kill the warriors of the peak of Linghai.

So young, with that combat power, most of them are Tianjiao characters, how could Qiao Xuan know?

"Xuan'er, please take your friends down, you can also play in Haiyun Zong, take them around."

Qiao Long smiled.

"Sect Master Qiao, you haven't tried it. How do you know that Qiao Xuan said it is false? If you miss it, wouldn't you miss the opportunity?"

At this moment, Lu Ming smiled and clenched his fists.

"Yes, Sect Master Qiao, it's not me who blows, let alone Linghai's double peak. If I go down with this axe, even if it is Linghai's double peak, it will be split in half!"

Air Jin grinned.

"Young man, the tone is really big, then let me try you!"

The elder Hua got up and filled with a strong breath.

Early stage of Linghai's double.

This Chinese elder is also a master in Haiyunzong.

bump! bump!

Elder Hua took a few steps in a row, punching into the air with a punch.

This punch, driving the air, is like a big mountain, bumping into the air.

Slightly opened his mouth slightly, punching out at will.

bump!

When the two fists collided, Elder Hua's complexion changed, and his body relented a dozen steps.

Qiao Long and other elders were shocked and stood up from their seats.

Into the air, he repelled Elder Hua with a single punch.

"Hey, uncle, do your best, it's boring!"

Into the air casually.

"Okay, watch fist!"

Elder Hua looked serious and took a deep breath. His body was filled with blue light. The artistic conception combined with Zhenyuan, and he punched into the air with a punch.

This punch is several times stronger than before.

However, the air advance was still a random punch, and as a result, the elder Hua was retreating. This time, the retreat was farther away, and he retreated for a few dozen steps.

Chapter 766: This person is Lu Ming

Qiao Long and others stared in shock.

Just now, Elder Hua has exerted his full strength, but he is still easily knocked back by a punch of air, and air, still looks very casual, how strong is air?

"Linghai one heavy, Linghai one heavy cultivation, is so powerful, is it a peerless arrogance?"

Qiao Long muttered to himself.

In the Linghai Realm, it is absolutely impossible to fight across levels.

In Kowloon City, there are a large number of people under the age of 30 who break through the Linghai Realm, but most of them are ordinary martial arts, which are at most outstanding, not considered arrogant.

And Qiao Long decided in his heart that air advance is definitely a arrogance.

His heart was hot.

Air advance is the arrogance, what about Lu Ming?

"Lu Ming! Lu Ming?"

Suddenly, Xu Long's eyes glared sharply, and his eyes shone brightly, but in his heart, he jumped.

Remembered, he remembered.

Some time ago, he listened to friends chatting. This time the battle of the Kings List has ended, and the new Kings List has come out.

The strongest king in this ranking is called Lu Ming.

But now in Jiulong City, various holy places for cultivation are opened, and the eyes of countless forces are staring at those holy sites, large and small, and the top-ranking Linghai Realm Tianjiao.

Now, he finally remembered.

Heavenly King List is the strongest, and it is now normal to break through the Linghai Realm.

"Is that really Lu Ming?" Xu Long's heartbeat accelerated.

If it is really the strongest king, how strong should the fighting power be after breaking through the Linghai Realm? It's totally unpredictable.

"Okay, so good young man, haha, I serve!"

Elder Hua was kicked back with a punch and was not angry. He adjusted his breath and laughed.

"Senior, accept!" Kong Jin grinned.

"Senior, shall I try it?"

Lu Ming looked at Elder Hua.

Elder Hua's face was stiff, and he was a little bit confused.

Lu Ming smiled, and suddenly the tower stepped forward, his palms emptied.

call...

Lu Ming's palm is clearly chopped in the air, but the void is like a wave of water, rippling out of a circle of ripples, as Lu Ming's palm traverses, the ripples ripple into the distance.

The hearts of Qiao Long, Elder Hua and others suddenly jumped and their eyes widened.

A random split of the palm can actually stir the void. Such strength is really terrifying.

"Haha, enough, enough, the strength of the two little brothers, let us open our eyes, admire, admire!"

Qiao Long laughed.

"Master Qiao, are we qualified to play for Haiyun Zong?" Kong Jindao said.

"Of course, of course, it is an honor for me Hai Yunzong to invite two people."

Qiao Long laughed.

"Not both of us, we still have a friend, join together!"

Lu Ming said.

"One more person?"

Qiao Long said in his heart, "I don't know how many people help me Haiyunzong fight, what are the conditions?"

"The conditions are very simple, we need four places to enter Baizun Mountain!" Lu Ming said.

"Four places?"

Qiao Long exclaimed, "The two of you don't know. This time, a total of 36 forces participated in the competition. Only the top six will have the quota, and the sixth place will have the three quotas, the fifth and sixth. There are only four places."

"Sect Master Qiao does not have to worry about it, as long as he gets the top three, there are more than four places. We want four places, and the rest of the places belong to you!"

Lu Mingdao, in the tone, very confident.

The forces around Juhao City probably have a number in his heart.

In the first three places, he is sure.

Qiao Long and others looked at each other, and Lu Ming was too confident.

"Okay, this condition, I promised!"

A little deep in thought, Qiao Long agreed.

Without the help of Lu Ming, they would not be able to win the top six, and at that time, there was no quota.

"This competition is a team battle, comparing the overall strength of a force. Each force sends nine masters to fight at the same time and defeat their opponents to win. Therefore, the battle is very important!"

"This time, with three of you, I sent six more masters, but I don't know when you have time to practice battle together?"

Qiao Longdao.

"Sovereign Qiao, I have a battle line here. As long as it is displayed, it can form a strong defense. Perhaps it is suitable for this competition. You can let others practice first!"

Lu Ming took out a jade card, reached out and waved it on the jade card, injected the large-scale exercise law enforcement into it, and threw it to Qiao Long.

Qiao Long took a look, his face changed.

He also had some accomplishments in the way of refining, and he saw at a glance that this set of formations was extremely mysterious. It was a six-level formation, which was much more subtle than the one he got.

"Haha, thank you Lu Shaoxia, what else does Lu Shaoxia have to ask, just mention it!"

Qiao Long was in a good mood and smiled.

"No, Lord Qiao, we will leave!"

Lu Ming clenched his fists, and Hejin entered the place and returned to his residence.

"Sovereign, these two people, in my opinion, are definitely Tianjiao. Although Qianjiao has no two names, recently there have been many new Tianjiao."

Elder Hua.

"Well, there's nothing wrong with it. You haven't heard of it. The strongest king in this king list is named Lu Ming!"

Qiao Longdao.

"what?"

Others were even more shocked.

Of course, there is ecstasy.

If this is the case, their Haiyunzong found the treasure this time.

Regardless of whether he can get a ranking this time, being able to make such a peerless arrogance is also beneficial to a small force like Hai Yunzong.

After Lu Ming and Kong Jin returned to their residence, they practiced separately.

After Ruan Tingting experienced this, his practice became more painstaking and he stayed in the room every day to practice hard.

However, Lu Ming did not participate in the exercise of the battle front because they were not necessary at all. Qiao Long thought that Lu Ming was familiar with the battle front and did not say much.

In a blink of an eye, seven days have passed, one day before the competition.

At this time, Qiao Xuan came to invite Lu Ming to tell them to meet with the other six people who participated in the competition and get acquainted.

Haiyunzong, a huge square.

The three Lu Ming came here and saw six figures. In the square, they stepped on different positions, their bodies flashed, their breaths intersected, and they blended together.

They are practicing the kind of battle Lu Ming gave Qiao Long.

One Linghai triple early stage, two Linghai dual double peaks, two Linghai dual middle and early stages, and one is Linghai heavy double peak.

Elder Hua is also one of them. Qiao Long stood aside and watched.

"Three young heroes, you are here!"

Qiao Long looked at Lu Ming and smiled.

Several people nodded.

Huh...

A moment later, the battle array exercise ended, and a grey-haired old man walked over.

"This person is the foreign aid my dad invited. His name is Yu Bo, and Linghai Mie's preparatory work was in the early stage!"

Qiao Xuan introduced them to Lu Ming quietly.

Chapter 767: One trick is enough

"Sect Master Qiao, these three stinky little guys, won't you be the foreign aid you said?"

Yubo glanced at them contemptuously.

"Senior You, the three of them!"

Yu Bo's attitude made Qiao Long frown, but he still answered.

"Huh, Sect Master Qiao, I don't know what you think. Actually invite three little guys. Even if you don't want to compete for places, don't make jokes about the lives of the rest of us and get on the battle platform, but it's very dangerous. What does it mean that three wastes are dragging us down?"

Yubo said very badly.

"Hey, old fellow, who do you say is waste? What is he who is waste!"

Hearing that Yubo actually said that they were waste, empty air suddenly became angry.

"Junior, do you dare to talk back? I ask you, why haven't you come to practice battle together, you are not waste, not to drag us down?"

You Bo shouted loudly, looking like you are old and old.

"Oh, we don't practice battles because we don't need to practice at all. Do you know what the main purpose of this battle is?"

Lu Ming smiled, said lightly.

"The purpose of the battle front is, of course, to increase the combat strength and fight against the opponent." Yu Bo said.

"wrong!"

Lu Ming shook his head and said: "The purpose of this battle is to strengthen defense. To put it bluntly, it is to let you strengthen defense and achieve self-protection. It is enough to let us deal with the enemy."

As soon as this remark came out, not only did the others froze, but Yubo and Qiao Long also froze.

Qiao Long realized that Lu Ming's purpose was to allow other people to strengthen their defense, and did not expect them to help defeat the enemy.

Even if he guessed Lu Ming's identity, he still thought Lu Ming was too confident?

"Hahaha!"

Yu Bo laughed wildly and said, "Ignorance, big talk, arrogance, just a few of you guys, I want to see, what skills do you have?"

"Fat, such a thing, I am not interested, I will give it to you, five strokes, no problem!"

Lu Ming walked into the air.

"Five moves? One move is enough!" Kong Jin grinned.

"give it to me!"

Xie Nianqing spoke and walked out.

Yubo simply tilted his mouth, what happened to these boys? It seems that he is muddy, saying five tricks there, one trick to get him, when he is a decoration?

"Little girl, get away!"

Yu Bo shouted, the powerful breath of Linghai tripled, burst out.

The other people's faces changed, and they all receded.

boom!

Yu Bo probed his hands, forming a huge claw, and grabbed Xie Nianqing.

Xie Nianqing stretched out a small snowy hand and pressed gently towards the front.

Buzz!

The terror pressure of the sky magic field suddenly came, and immediately, the power of destruction and cutting broke out.

Xie Nianqing's conception of destruction and the conception of wind have long been successfully integrated. At this time, he broke through the Linghai Realm. The magic field of heaven and the power of destruction and cutting are stronger than before.

bump! bump!

Ubona's big hands that united with the artistic conception burst, and the power of destruction and cutting hit him. He almost cut him in two. He yelled, his body flew out, he coughed up blood in his mouth, and looked at Xie Nianqing, A look of panic.

Just now, he really felt like he was almost cut in two.

He did not know that Xie Nianqing was merciful just now, otherwise, he has really become two.

"Let's go!" Lu Ming turned around and left.

Xie Nianqing and Air Jin followed Lu Ming away, leaving only a bunch of dumbfounded people on the scene.

It was terrifying, they had already overestimated Lu Ming as much as possible, but in the end, they found it was still underestimated.

The fighting power of Lu Ming's several people is simply unfathomable. Even the early stage of Linghai Triple Triple was easily defeated, completely crushed.

They couldn't help but look forward to this competition, maybe, can they really rush into the top three?

Yubo's face was blue and red, and he waved at the end, said: "Sect Master Qiao, since you have such a proud character, what do you ask me to do? This time, the old man withdrew, and the treasures you gave me, the old man refused to accept! "

After words, stride away.

However, Qiao Long did not mean to retain.

If it had been before, he would definitely want to keep desperately. After all, Yu Bo was the master that he had spent a lot of thoughts on before he was invited. He was also the only Linghai triple player who participated in the war.

But now, he found that it was not necessary.

When Yu Bo is present, it seems that he has little influence on the overall situation. When Yu Bo is gone, he can just find a warrior from Linghai Realm and add it.

As long as Lu Ming and the three of them are present, it is enough.

...

In a day's time, it was a flash.

The battle for the quota of Baizun Mountain officially started.

This time, around 36 cities including Juhao City, a total of 36 forces participated in the competition. Only the top six can get the quota.

First place, there are eight Minger.

Second place, there are six places.

Third place, there are five places.

The fourth and fifth places have four places, and the sixth place has only three places.

A total of 30 places.

The place was held at a mountain peak at the junction of the three cities. This peak, called Juping Peak, is very flat. It has a huge battle platform, and there are many auditoriums around it.

Any major events in the three major cities will be held on Juping Peak.

On this day, people gathered on the peak of Pingping.

Thirty-six forces, Jing Wei and Wei are distinct, sitting around.

Lu Ming, Xie Nianqing, and the airborne three sat in the crowd of Hai Yunzong and looked around.

Not far from them, separated by two forces, is Feng Jianzong's people.

"Qinghe Shuangguai, Feng Jianzong did not know what method was used, and actually invited Qinghe Shuangguai."

Qiao Xuan looked in the direction of Feng Jianzong and whispered.

Lu Ming looked over and saw that there was a lot of disciples, elders, etc. of Feng Jianzong on the side of Feng Jianzong.

Two of them, dressed in green robes, were skinny old men with cold eyes, and from time to time they aimed at the landing.

Inside Feng Jianzong, Ye Qing was awesome, and she looked at Lu Ming with them, full of resentment.

"Tingting, you can rest assured that this time, as long as the people of Feng Jianzong meet us and promise to kill them, they want to get the quota, that is impossible, and, what is the Qinghe Shuangguai, is dead."

Kong Jin showed a greasy smile.

"Ok!"

Ruan Tingting nodded his head, showing his bitter hatred.

Fengjianzong area.

"The two seniors, the three juniors of Hai Yunzong, can't be underestimated. They have a strong combat power.

Ye Fa blamed the Qinghe River.

"Relax, hey, that chick is really beautiful, even more beautiful than Ruan Tingting's girl, our two brothers must take it into their hands!"

Qinghe Shuangguai's boss sneered, a pair of evil fire eyes, looked at Xie Nianqing.

"As long as the two boys are killed, the chick is not playing with two seniors!"

Ye Fa laughed, cold light flashing in his eyes.

Chapter 768: Team battle begins

This time, Ruan Tingting was lost, and he spent another significant price before finally asking Qinghe Shuangguai.

He was heartbroken at the thought of the price he paid.

It's all Ruan Tingting's bitch, it's Lu Ming that they intervene, otherwise, why should he pay such a big price.

This time, he is determined to win.

In addition to his daughter Ye Qing, he also has two sons. He must fight for his two sons to enter the place of Baizun Mountain, so that his Ye family can always prosper.

"and..."

A faint sneer appeared in the corner of Ye Fa's mouth. Others didn't know that his Ye family ancestor actually broke through a few days ago, from Linghai triple to Linghai quadruple, the fighting power increased greatly.

As a result, Feng Jianzong's strength greatly increased.

This time, his Feng Jianzong not only had to win the top six, but even got into the top three, or even the first.

Just as he imagined, a figure appeared at high altitude, and the pressure of terror spread out.

The referee is here.

They compare, in the depths of Kowloon City, they will send people to preside over.

Deep in the Kowloon City, there are three dragon veins. There, it does not belong to any force, but belongs to the Emperor Heaven Guard, which is the direct force of Emperor Yiwuhuang.

Even the six ancient families are not qualified to mobilize, and that force is extremely terrifying.

This referee belongs to the Emperor Heaven Guard.

Emperor Heaven Guard can also be said to be the core power of Emperor Heaven Divine Guard.

The leaders of the thirty-six forces all stood up to meet.

"Well, without further ado, the Baizun Mountain places are competing. Now, a total of thirty-six forces, each of your respective personnel, stand up. If there is a war dead on the way, you cannot continue to replace people."

The referee announced.

Suddenly, thirty-six forces of personnel fought up one after another and flew to the middle battle platform.

Lu Ming and the six other members of Hai Yunzong flew onto the battle platform and stood in a row.

Everyone's eyes looked at the people on the battle platform one after another, observing the opponent, and observing the masters of the opponent.

"This time, a lot of powerful loose repairs were invited, and the major forces really paid a lot of money."

"Yeah, look, Feng Jianzong, please move the Qinghe Shuangguai, the boss of the Qinghe Shuangguai, but the strong four of the Linghai is a strong enemy!"

"There is also Chiyuemen, and Chiyuemen please move the six fingers to disperse people, and is also a powerful four-layered spirit."

"The most terrifying thing is Wu Nian Fu. Wu Nian Fu has always been known as the strongest force of the 36 forces. There are two strong players in Linghai. This time, a few strange faces appeared in the team. , I don't know what it's like?"

Many people, looking at the battle platform, have a lot of discussion.

Thirty-six forces around the three cities such as Juhao City are all small forces. Generally, the strong people with the triple peak of Linghai sit in the town, and they are all considered to be the superior forces. Top power.

"Haha, you see, Hai Yunzong actually sent three young people in his twenties. It seems that Hai Yunzong is really nobody."

"Yeah, haha, but with the strength of Hai Yunzong, it's just focusing on participation. I don't expect to win any places!"

"It is estimated that this is just a matter of making up!"

Many people saw Hai Yunzong's lineup and laughed.

None of the thirty-six forces at the scene, except Haiyun Zong, were young people under thirty.

"Haha, Qiao Long, if you Haiyun Zong are nobody, then you can go on your own. Why should you ask a few juniors to die?"

A force beside the Haiyun Sect is called the Iron Bone School. At this time, the Sect Master of the Iron Bone School laughed and looked at Qiao Long.

The iron-bone school has always complained with Haiyun Zong, although it is slightly stronger than Haiyun Zong, this time, I also invited a few masters. Now that Hai Yunzong has called up even a few juniors, it is natural to grasp Chance to taunt.

"Maybe, Brother Qiao just wanted to go through the game. As soon as the contest started, he immediately conceded defeat. It wouldn't be a problem."

On the other side, the owner of Chiyue Gate laughed.

In general, the patriarchs of the major forces and the head of the family will not fight. After all, they are the masters of a door. If they fight, if the war dies, the impact will be great.

"Huh, there is no war yet. Don't talk so early, so you don't get off stage when you get it!"

Qiao Long said calmly.

"Haha, Qiao Long, according to this, those juniors, can it be a peerless arrogance? Haha!"

The Iron Bone Sect Master laughed louder, full of ridicule.

Tianjiao? What can be called Tianjiao is not much in the whole East Famine.

As for the Tianjiao reaching the Linghai Realm, only the Qianjiao ranked in the top 600, and even if some new rising stars are added, it will not exceed 1,000.

Among these thousand people, the Celestial Sect and Fu Yangzong occupy a part. Emperor Tianshen Palace is only a part of it. A small Haiyun Sect can invite Tianjiao characters?

Not only did the Iron Bone Sect Master not believe, but the people of other forces also did not believe.

"Huh, look down on people, and let Lu Ming give them a good look, and surprise them!"

Qiao Xuan and Ruan Tingting sat together, pouting and snorting, very unhappy.

"Well, sit back!"

The referee in the sky glanced and nodded.

Lu Ming they returned to their seats.

"The rules this time are very simple. You have a total of thirty-six forces. I will name them later. If you click on the two forces, those two forces will play against each other. If you win, you will be promoted. There are eighteen forces left, and the same two pairs of battles to determine the top nine!"

"In the end, the top nine players will take turns, ranking according to their record, and ranking the top six, you can get the quota of Baizun Mountain. Now, let's start!"

After the referee announced, he glanced at the court and named: "Chiyue Gate, to Zhang Family!"

Immediately after the point arrived, two forces came on stage, one at Chiyuemen and one at Zhangjia.

"The Zhang family lost, and the Zhang family's strength was not strong. At Chiyuemen, there were two ancestors from the triple peak of Linghai sitting in town, and they even invited Liuzhi scattered people. This time, they hope to enter the top six. what!"

"Good, but this is reasonable, weed out the weak and strong promotion!"

Everyone was talking, looking at the battle platform.

The nine members of the Zhang family were very dignified. As soon as they came to power, they changed shape and formed a battle array, and the light was flowing.

"Hey, the difference in strength is so great, how can a battle formation change, attack directly and defeat them!"

In Chiyuemen, there is a green-haired old man with six fingers.

He strode forward, tyrannically, and defeated the Zhang family's battlefield in a brutal manner.

The Zhang family, the strongest of the two Linghai triple warriors in the mid-term, simply lost their opponents. Soon, the battle array was defeated, and one of their triple warriors in the Linghai triple was strongly killed by the three fingers.

Others were frightened and hurried to confess.

In a nine-player team fight, there is a rule that as long as five of the nine are called to admit defeat, they can admit defeat, and more than half of them admit defeat, otherwise, the opponent can continue to attack without counting admit defeat.

Chapter 769: Fat man soars

Chiyuemen easily won, and then the referee ordered two forces to play.

The two forces also differ greatly in their strengths, and it is easy to distinguish the outcome.

Next, the competition began continuously.

In a blink of an eye, the competition was over ten.

"Next, Hai Yunzong is against the Iron Bone School!"

The referee's voice came.

"Haha, Qiao Long, I didn't expect to play against you Haiyunzong, it's exactly what I want!"

The Iron Bone Sect Master laughed.

Qiao Long stunned for a moment, then sneered: "This sentence is exactly what I want to say, just what I want!"

Uh! Uh! ...

The figure flashed and nine people from each side jumped onto the battle platform.

Lu Ming and Xie Nianqing stood behind the formation and looked at each other.

The Iron Bone School has invited several strong men. There are two strong players in the later stage of Linghai Triple, in addition to Linghai Triple, and one person.

On the other hand, Lu Ming and their side, the strongest is only the peak of Linghai Erzong, and Linghai Yihe is as heavy as five people.

"Ha ha ha, Hai Yunzong, I advise you to admit defeat, this scene, there is no suspense!"

In the iron-bone school, a burly big man laughed.

"You said it well in the next sentence. There is no suspense in this game, but it is you who lose. You hurry to admit defeat and reduce some losses!"

The fat man carried the battle axe into the air, grinning.

"Haha, fat man, what do you say, tell us to admit defeat? Are you having a problem with your head?"
The iron-bone man laughed, full of ridicule.

Around the battlefield, other forces also laughed out loud.

The lineup of Hai Yunzong is really terrible. There are actually five people in Linghai, which can be said to be one of the worst forces out of thirty-six forces.

And the fat man, who was actually too big-hearted to say that the iron-bone confessed? It's so funny.

"Dare you speak to Uncle Ben, hey, Uncle Ben remember!"

Kong Jin looked at the big man and grinned awkwardly.

"Don't shoot, I am enough to defeat them!"

The big man in the iron-bone door showed a cold color and stepped forward.

boom! boom!

As he stepped forward, the battlefield roared, and the breath of the triple body of the Linghai completely exploded, and the mighty, a battle axe also appeared in his hand.

With his later cultivation of Linghai Sanzhong, one person is enough to defeat the lineup like Haiyunzong.

"Lu Ming, don't you do it, let me be alone!"

With a loud voice in the air, carrying the battle axe, he rushed up.

The people watching around were speechless. This fat man was really speechless. He made a lot of effort in the Linghai area, and actually threatened to defeat the nine people of the iron bones.

how is this possible?

The iron-bone people even showed a mocking smile.

"kill!"

The iron-bone man shouted loudly, thundering like a thunder, and axe hacked into the air.

The air entertained a grin, and he waved with one hand, as big as a tomahawk on the door, and then cut forward.

when! bump!

The two tomahawks were cut together. The first thing was a bang, and then an amazing scene appeared. The tomahawk in the hands of the burly man exploded and turned into debris scattered shots/shots. , Continue to hack.

"Do not!"

The burly man yelled in horror.

Boom!

At the next moment, he was directly split in half by the airborne tomahawk.

The whole scene calmed down at once, and everyone's eyes suddenly glared out, staring dumbfounded at all this.

Into the air, this heavy sea warrior of Linghai, actually killed a warrior in the late stage of triple sea of Linghai in one move, how is this possible? It's incredible.

"kill!"

Before the crowds could react, Airborne had already carried the battle axe and sent everyone towards the iron bones to fight, like a mad beast, the offensive of the battle axe was as violent as a storm.

"Arrangement, Arrangement!"

The iron-bone people just reacted and shouted in horror.

The remaining eight people hurriedly set up the battle array and wanted to block the air advance.

But they are useless after all. The air attack is too violent. He understands the broken mood and the earth mood. These two moods merge, and the destructive power is unimaginable.

boom! boom! ...

It was just a few tricks, and the large array of iron-bone factions was hit by air strikes.

puff! puff!

The tomahawk waved, and another strong player in the late Linghai triple was killed, and another strong player in the early Linghai triple was also killed.

Airborne is like a violent beast, unbeatable.

"Acknowledge defeat, we admit defeat!"

The remaining six, yelling wildly, were terrified.

"Humph, I don't want to fight."

Kong Jin pouted, some uncomfortable, carrying a battle axe, walked back.

All around, everyone could only widen their eyes, stared at the scene with a stunned look, and stared at the air into the froze.

Too strong, one person defeated the iron bone faction.

The iron-bone school is really pitiful. Just now the big man said that he would defeat Haiyun Zong by one person. In the end, he was defeated by a single person.

"How is it possible? How is it possible?"

In the Iron Bone School area, the Iron Bone School patriarch looked pale and looked at this scene in disbelief, muttering to himself.

"Haha, didn't I just say it? No war, don't talk too much, or you won't be able to step down."

Qiao Long looked at the Iron Bone Sect Master and laughed.

"Tianjiao, this is definitely Tianjiao, Qiao Long, you Haiyunzong, how could you get such a person?"

The Iron Bone Sect Master said with red eyes.

With Linghai's heavy cultivation, it can actually kill a master of Linghai's triple stage. This kind of combat power has even reached the level of Linghai's quadruple. This is not only Tianjiao, but also not ordinary Tianjiao. , But the kind of top-notch Tianjiao.

How could Haiyunzong come to such a powerful Tianjiao?

"This, you don't need to worry about it!"

Qiao Long sneered, his heart was very comfortable.

At this time, the helmsmen of the other major forces are also discussing.

"That fat man is definitely a top-notch Tianjiao, straddling two multi-levels and beheading his opponents. It is incredible that ordinary Tianjiao can't do it!"

"His combat power is estimated to have reached the level of Linghai quadruple. The weight of Linghai is actually equivalent to the quadruple combat power of Linghai. This is too horrible!"

"Not necessarily, in my opinion, his powerful axe smashed the opponent's spirit soldiers in one fell swoop, and the opponent was stunned for a while before he was killed by his stroke. His combat strength may not have reached Linghai IV. Heavy, but also infinitely close."

"It makes sense!"

The people around them talked about that on the battle platform, Hai Yunzong's other people who participated in the war were also a little dazed.

They stood for a while and even won't even have a battle front.

It's too easy to win.

"Don't waste it!"

Lu Ming flashed his body, and put away the storage rings of the three warriors who were slashed into the air. At the same time, he smelt blood and swallowed it.

This is the blood of the Linghai triple warrior, Lu Ming doesn't want to waste it.

"Fat, three storage rings, one for each!"

After that, Lu Ming threw one into the air, then gave Xie Nianqing one, and left one for himself.

Now, he is too short of spirit crystals to let go.

Others showed envious eyes.

Chapter 770: Don't be too strong

"This battle, Haiyun Zong wins!"

The referee announced.

Lu Ming then stepped down to greet the Haiyun Sect's cheers, while the other Zongmen looked at Hai Yunzong, revealing a dignified color.

Hai Yunzong, the others didn't care, and it was tricky to have a flight.

The competition continued, and Lu Ming sat in the stands and tried his best to refine his blood.

The essence blood of the three Linghai triple warriors is really too rich, Lu Ming is the first time to swallow such a strong and powerful essence blood.

He used the power of essence and blood to enhance the second bloodline.

He intends to first raise the blood of the prison prison monument to the **** level, so that the power of the prison prison of heaven will rise greatly, and then, the Kowloon bloodline will be upgraded.

The powerful essence and blood constantly poured into the blood of the jail monument.

The time passed quickly, and soon after, the first round of the competition was over, and the top eighteen were all born.

The victorious one showed a happy face, because he was one step closer to the top six.

If you fail, you lose your head and lose your chance.

The referee allowed the major forces to rest for an hour before proceeding to the second round.

The second round is still arranged by the referee.

The referee seemed to be intentional. The most powerful forces were not arranged together at the beginning, but separated, so that it seemed fair.

If those powerful forces are encountered from the beginning, there will be forces that can impact the top six and be eliminated in advance, which is a bit unfair.

The second round of competition, continue.

Eighteen forces have nine matchups.

Hai Yunzong is scheduled for the seventh game. At this time, the blood in Lu Ming's body has been refined.

Although the essence blood of the three Linghai triple warriors is rich, it is impossible to promote the blood of the jail stele to the **** level, but only to achieve the king level nine completeness.

In this game, Hai Yunzong's opponent is the Canglang Gate. This force has a strong peak of Linghai Triple, and there are several masters of Linghai Triple.

At the beginning of the competition, the opponent formed a battle front, with defense first.

On Haiyunzong's side, Airborne launched a stormy offensive. Others only assisted the attack. Lu Ming and Xie Nianqing never shot, following the crowd.

This is their strategy. First of all, it is enough to move in and out.

Their goals are those stronger forces, and now it is not their turn.

In this battle, under the air storm storm attack, the opponent's battle line was defeated. The warrior of the triple peak of the Linghai was seriously injured and almost cut by an axe into the air. Fortunately, they lost in time.

In this way, Hai Yunzong has locked the top nine.

The last two games ended soon, and the top nine have all come out.

Wu Nian Mansion, Haiyun Sect, Chiyue Gate, Feng Jian Sect, Shijia...

In the process of entering the top nine, the most surprising thing is Feng Jianzong.

The Wind Sword Sect not only has the Qinghe Shuangguai, but also an ancestor of the Wind Sword Sect broke out in this battle, revealing the fourfold cultivation behaviors of the Linghai, which shocked everyone.

Feng Jianzong, who actually possesses two strong fours of the spirit sea, is considered by everyone to be most likely to enter the top three, or even impact the top two.

Wu Nian Fu is undoubtedly considered the strongest.

After entering the top nine, the next step is to take turns, each force must play against the other eight forces, ranking according to the record.

The order of the battle is drawn by lot.

In the first battle, Wu Nian Fu confronted the Shijia.

The Shi family, which is the family of Shi Kai, is also very powerful. It has a ancestral ancestor with four ancestors in the sea. However, this battle is against Wu Nian Fu, and there is no suspense at all. Directly admit defeat.

Now it is a ranking battle, not a elimination battle. Of course, we must concede defeat.

Otherwise, if you lose a few masters, how do you compare?

Therefore, it is wise to admit defeat to an opponent who is incapable of defeating the enemy, such as Wu Nian Fu.

No one will look at the light stone home.

In the second battle, Feng Jianzong appeared, and his opponent also conceded directly.

Wu Nian Fu, Feng Jian Zong, easily won a victory.

As long as they have won three games in a row and entered the top six, there will be no problem.

Both Feng Jianzong showed a smile, Ye Fa, and a smile on his face.

Only one person's face is more intense, and that is Ye Qing.

Her cultivation practice was abolished. Even if Feng Jianzong achieved the best results, no matter how many places there were, she did not have her share. As a result, her hatred for Ruan Tingting and Lu Ming was stronger.

The game, one game at a time.

"Haiyunzong, to Chiyuemen!"

The referee's voice was heard from afar.

In the first game of the ranking battle, I actually met Chiyuemen.

"Qiao Long, your winning streak is over!"

Chiyuemen, looked at Qiao Long coldly.

"Really? Don't be embarrassed like the bone just now!"

Qiao Long sneered in response, looking at the Iron Bone Sect Master.

The iron-bone patriarch's teeth were tickling. He was said in a sentence, Qiao Long pulled him back again, making him depressed.

"You Haiyun Zong, don't you just rely on that fat man? As long as you send someone to hold him back, other people can easily defeat Hai Yunzong and others, and then join hands against the fat man to win, easy!"

The Chiyue Gate Master smiled faintly.

"is it?"

Qiao Long responded coldly without saying much.

On the battle platform, Lu Ming and the Chiyuemen stood opposite each other.

"Fat, Chiyuemen will definitely send the four masters of Linghai to entangle you, and then others will come to defeat us, and then join hands against you, wait a minute, don't you be too strong, our goal, but the wind Jianzong, you are too strong. When Feng Jianzong meets us and admits defeat directly, it will be difficult to handle."

Lu Ming voiced Kong Jin.

"Lu Ming, rest assured, wait a moment, I will 'difficultly' defeat my opponent."

Kong Jin grinned and sent a voice to Lu Ming.

Lu Ming also smiled faintly.

This time, their goal is Feng Jianzong.

Feng Jianzong wants to enter the top six, and unless he is very lucky, he will not meet them until the back. If they are encountered in advance, they will not be able to enter the top six.

"Do it!"

In the Chiyue Gate, the six-finger scattered people snorted, their bodies flickered like lightning, and flew towards the air.

The eight others at Chiyuemen quickly slammed towards the landing.

Chiyuemen's strength is very strong. In addition to the six-finger scattered master of the Linghai quadruple, the master of the triple peak of Linghai, there is also one, and there are some other masters. The comprehensive strength is not weak.

"Arrange!"

Lu Ming shouted.

The eight of them set up a large array, the light shining, and a light curtain enveloped them.

"kill!"

Airborne and six fingers scattered people, fierce battle together.

The others at Chiyuemen also attacked.

boom! boom! ...

The masters of Chiyue Gate attacked them with all kinds of attacks, but their battle array was inherited by Lu Ming from Lian Cang's seal in his mind. It was extremely exquisite.

In addition, Lu Ming and Xie Nianqing broke out a little strength, and combined with the battle array, they blocked the attack of Chiyuemen one after another.

The air advance also deliberately suppressed the strength, and tied with the six fingers.

For a time, the two parties were in a stalemate.
