

D Emperor 991

Chapter 991: To Zhongzhou

In the front of the forest, a young man in black robe rushed out, his body was ragged and bloody.

On the shoulder of the young man in black robe, there is a little turtle. The claws of this little turtle clutched the young man's shoulder, rolling his eyes, his body twitching.

bump!

The young man in black robe was very fast, rushed out of the forest, and then fell heavily on the ground, stirring up the dust, and then lying there.

"Dandan, this time you were almost killed!"

The young man lying on the ground said weakly.

This young man was naturally Lu Ming who traversed the chaotic realm all the way.

At this time, seven days had passed since the bloodline of Lu Ming Zhen Yubei escalated. Just as they were going through the mountains and entering the territory of Zhongzhou, they encountered a powerful beast, which is an eighth-level double The fierce beast is equivalent to the spirit **** double.

Originally, they were able to bypass this fierce beast, but they did not die. Dandan discovered that this fierce beast was guarding two strains of Holy Ginseng.

These two Holy Ginsengs are the eighth-grade top-level elixir. Even if they see the existence of the Spirit God's Peak, they must be excited.

So Dan Dan was moved, sneaking away two Holy Ginsengs, but didn't want to be discovered by the powerful beast, who was crazy, chasing Dan Dan crazy, and finally even Lu Ming was implicated.

Lu Ming used all means to escape the fierce claws of the fierce beast, but also suffered a very serious injury. Many bones in his body were broken and his internal organs were injured. However, Zhenyuan had little left and his breath was extremely weak.

Dandan wasn't much better. The heavy beast came a few times and was almost beaten up. At this time, his body was twitching.

The existence of Spiritual Realm is really powerful, and Lu Ming is not an opponent at all now.

Take human warriors for example, those who can step into the spirit divine realm are at least divine-level arrogance. Most of them still awaken the divine-level arrogance of the divine level two or even the bloodlines of the divine level three or more.

This kind of arrogance, when in the realm of spirits, crosses two or three realms against the enemy, there is no problem at all.

The same is true of fierce beasts and demon beasts, all of which have the blood concentration of a few beasts in the body, which is very powerful in itself.

In addition, from Lingtai Realm to Spiritual God Realm, separated by a huge sky, Lu Ming's cultivation at this time is the eightfold of the talented spirit, and it is difficult to cross such a large gap.

In the battle of luck, in the final battle for the three totem poles in the three-eye **** clan, the reason why the emperor gods and others could stop the existence of the three-peak **** clan's pinnacle is because the powerful three-eye **** clan did not completely cross. Entering the Spiritual Divine Realm can only be counted as half a foot, so Emperor God and others can fight against it.

Because in that world, once the Three-Eyed Protoss fully enters the Spiritual Realm, it will be suppressed by the rules of that world.

If it is a complete spiritual god, then the emperor and other people at that time will definitely be unable to stop it.

What's more, the fierce beast Lu Ming faced before is equivalent to the spirit **** double, more powerful, Lu Ming can escape a life, it is already very rare.

"Lu Ming, don't blame me, two ginsengs, one for each of us!"

Dan Dan said while twitching his body.

Lu Ming was too lazy to talk to the egg, just lying there, closing his eyes and Yun Gong to heal.

Not far away, the two young women looked curiously.

"Ale, there is a voice, he doesn't seem to be dead yet, shall we go over and see? See if I can help him!"

A Hui girl said.

"Well, A Hui, be careful!"

Girl Alei is relatively timid and timid.

The two little girls approached Lu Ming carefully, watching Lu Ming's eyes closed, covered with blood, and there was a trace of intolerance in his eyes.

Sensing carefully, A Hui said: "He seems to be very injured, but he still has a breath, and he seems to have been comatose. Otherwise, we will carry him back to the city, otherwise he will stay here alone, and he must be eaten by the beasts. !"

"Well, good!"

Alei nodded.

The two little girls walked towards Lu Ming with a good heart.

At this moment, Lu Ming suddenly opened his eyes, the two little girls screamed in fright, backed away in a hurry, and his face was white.

Lu Ming smiled bitterly. The courage of these two little girls was really small, but the courage was so small that they dared to run into this dangerous mountain range. Lu Ming was a little surprised.

"Don't be afraid, I am not malicious!"

Lu Ming barely got up and smiled.

Lu Ming swept away and found out that the two young girls' cultivation practices were complete in the Linghai. This cultivation practice was regarded as the arrogant figure in the East Wild Land.

"Don't be afraid, Ah Lei, he shouldn't be as good as ours!"

A Hui whispered.

At this time, Lu Ming's breath was extremely weak, and the impression was indeed that it was really low, and it was better than the two little girls.

Lu Ming heard this naturally, and did not justify it.

"Have you been injured by a monster in the mountains? You dare to go deeper than we did, don't you know it's dangerous?"

A Hui girl blinked.

"I had a lasting reason to go deep into the mountains!"

Lu Ming casually said a reason.

"Oh, it seems that you, like us, have something important to enter the mountains. Well, then you know the eight-level beasts, why are you crazy?"

A Hui asked curiously.

She naturally would not have thought that the eight-level beasts were furious because Lu Ming thought Lu Ming was injured by other weak beasts.

"I do not know either!"

Lu Ming shook his head.

"Well, forget it, I think you are quite injured. Where are you from? Do we need to send you back?"

A Hui asked.

After a few chats, Lu Ming didn't feel like a bad person. The two girls became courageous and approached Lu Ming to chat with Lu Ming.

"My home is far away from this place, I'm afraid I can't go back for the time being!"

Lu Ming smiled.

"Oh, since this is the case, why don't you go to Lishui City with us first, Lishui City is nearest to this place, you are in Lishui City to heal, it is still not safe here, I don't know if the fierce beast will go crazy again!"

A Hui said.

"Okay! Thank you two!"

Lu Ming pondered for a while, then nodded and agreed.

When Lu Ming first came to Zhongzhou, he was unfamiliar, and he really needed to find a place to stay, understand the situation in Zhongzhou, and make plans for the next step.

Moreover, it just happened to find a place to heal the wound, kill two birds with one stone.

"What is your name?"

A Hui asked.

"In the lower land Shaoqing, haven't consulted the names of the two girls?"

Lu Ming said a name at random.

In Zhongzhou, most of them also have the eyes of Emperor Tianjing Palace, Lu Ming did not intend to use his real name.

"My name is Xiao Hui, but you can call me A Hui, this is my sister Xiao Lei, you can call her A Lei!"

A Hui said.

Lu Ming found that A Hui looked lively and cheerful, and talked a lot, but A Lei had to be shy and did not talk much, just looked at Lu Ming curiously.

Listening to A Hui saying this, A Lei whispered, "Obviously I am a sister!"

A Hui glared and said, "A Lei, you talk nonsense, obviously I am a sister, and I have always been taking care of you!"

Alei refuted in a low voice: "But Grandpa said I was born a little earlier than you!"

"Grandpa is talking nonsense, hum, I don't care, I am the elder sister, Lu Shaoqing, you just remember that I am the elder sister!"

A Hui pouted.

Lu Ming is a little funny, these two little girls have a naive feeling, not much effort.

Chapter 992: Lishuicheng

"Girl A Hui, girl A Lei, wait for me for a while, wait for my injury to stabilize slightly, and then go to Lishui City with you!"

Lu Ming said.

"Well, you heal, let us help you!"

A Hui said, and then walked to the side with A Lei, for Lu Ming.

Lu Ming smiled at the corner of his mouth, then closed his eyes to heal the wound.

After this period of cultivation, Lu Ming's flesh has reached the peak of the eight-grade flesh body, and its resilience is extremely amazing. Combined with the War Dragon's true recipe, it began to repair quickly.

After half an hour, Lu Ming's injury had stabilized and Zhenyuan recovered 20%.

Of course, with the cultivation practice of A Hui and A Lei, naturally, Lu Ming's cultivation cannot be seen as the realm.

"Girl A Hui, girl A Lei, I'm almost ready to go!"

Lu Ming said.

"So fast?"

A Hui said in surprise.

"I didn't hurt too much. Wait until Lishui City, then heal the wound!"

Lu Ming said.

"Oh, that's good, are you little turtle okay?"

A Hui looked at Dan Dan on Lu Ming's shoulder, and then Dan Dan was twitching freely.

"It's okay, this twitch twitch just fine!"

Lu Ming casually said, this made Dan Dan gritted his teeth.

What is convulsions?

Afterwards, the three men rose into the air and left here, heading towards Lishui City.

After flying tens of thousands of miles, what appeared in front of me were rivers and lakes, one after another, dotted on the earth, and looked like pearls in the sky.

This is a water town!

The three of them hurried and chatted, and Lu Ming probably knew where they belonged.

The most powerful force in this water town is Xuankong Mountain.

Xuankong Mountain is a hegemonic force in Zhongzhou.

In fact, Lu Ming came to Zhongzhou and already had a general understanding of Zhongzhou.

The land of Zhongzhou is vast and vast. The area is extremely vast and the area is at least seven or eight times larger than that of the East Wilderness.

Moreover, there are countless talents in the earth, countless celestial blessings, rich auras in the heavens and the earth, the wind of spiritual practice is prosperous, and there are countless geniuses in the past. The strong are like clouds, and they are the center of the continent.

In Zhongzhou, neither the quantity of genius nor the quality is comparable to that of Donghuang.

The ancient continent of Zhongzhou is undoubtedly the oldest and largest force in Zhongzhou.

In fact, tens of thousands of years ago, Zhongzhou was completely under the rule of the ancient holy dynasty.

The ancient holy dynasty has been passed down for a long time, and the legend has been passed down for a million years. Over the past one million years, Zhongzhou is completely under the rule of the ancient holy dynasty, prosperity, strength to the extreme, genius is like a cloud, and the strong is like rain. On the east wilderness.

At that time, not only Zhongzhou, but also the Eastern Territories, Nanming and other four frontier territories were worshiped under the dignity of the ancient holy dynasty.

But all this has undergone tremendous changes tens of thousands of years ago.

Tens of thousands of years ago, an ancient invincible figure appeared in the Xie family of the ancient dynasty and launched a rebellion. An unprecedented civil strife and war broke out in the ancient dynasty.

That battle was terrifying, and there were countless deaths and injuries among the strong, and even the emperor fell a lot.

After that war, the strength of the ancient royal dynasty declined sharply, and they could no longer control the vast territory of Zhongzhou.

After that, Zhongzhou entered the era of the separatists.

For tens of thousands of years, one by one hegemonic forces have seized one side and contended for world domination.

In addition to these hegemonic forces, there are countless smaller forces that depend on the hegemonic forces and fight endlessly.

Today, Zhongzhou is more chaotic than Donghuang.

Xuankong Mountain occupies the huge territory of eastern Zhongzhou. It is a hegemony party, with the emperor sitting in the town. It is extremely powerful and not weaker than the forces of Emperor Tianshen Temple and Tianzong Sect.

Lishui City is a city under the jurisdiction of Xuankong Mountain, and the Xiao family where the two sisters A Hui and Alei are located is a small family in Lishui City.

The two sisters of the Xiao family were very innocent and did not have much ingenuity. They thought Lu Ming was a good person. They regarded Lu Ming as a friend. They asked Lu Ming what they asked.

During the chat, Lu Ming learned that the mother of the two died after they were born, and his father ventured out a few years ago and also fell.

Now they have been following their grandfather, the Xiao family head Xiao Zhan.

However, Xiao Zhan entered a chaotic mountain range because he was looking for an elixir some time ago, but he was unconscious because he was bitten by a colorful poisonous snake.

The reason why the two sisters came to the chaotic mountains was to find the home of the colorful poisonous snakes, find the associated elixir of the colorful poisonous snakes, and save Xiao Zhan. Unfortunately, after searching for many days, even the shadow of the colorful poisonous snakes was not touched. Lu Ming.

"Maybe your grandpa's poison, I can cure it!"

Lu Ming said.

This made Sister Xiao's body shape, his eyes glaring round, said: "You... can you really cure? Master Dan said that my grandfather's poison has been extended to the whole body, unless there is an accompanying elixir of colorful poisonous snakes, Otherwise it will be difficult to save!"

With that, the eyes of the two sisters began to redden again.

"I have practiced a secret technique, and I have a lot of experience in detoxification!"

Lu Ming said.

The Jiulong bloodline can devour all poisonous gas, poison, and poisoning by others, and it can also devour the poisonous gas.

"Really? Do you not allow us to be biased?"

A Hui's eyes showed hope, and the two sisters watched Lu Ming without blinking.

"Ok!"

Lu Ming Zheng focused on the head.

"Great!" The two sisters smiled and smiled.

Two days later, Lishui City appeared in front of him.

Lishui City is very magnificent. Although it cannot compare with the big masters such as Kowloon City, it is not trivial. It is very wide.

On the street, people come and go, one by one, full of spirit, spirit and connotation, and the number of masters is very large.

After just shopping for a street, Lu Ming found a lot of powerful spirits.

On both sides of the street, shops are lined up, and Lu Mingdong looks away, very curious.

The customs of Zhongzhou are very different from those of Donghuang, and are full of exotic customs.

Around a few streets, a huge mansion appeared before the Xiao family arrived.

The two sisters are the baby granddaughter of the head of the Xiao family. Naturally, there is no obstruction. Lu Ming follows the two sisters and enters the Xiao family.

But when he walked through a courtyard, he was stopped by a young man.

The young man is twenty-five or six years old, wearing a royal blue robe, a jade belt around his waist, and gold boots on his feet.

"Xiao Ning!"

The two sisters frowned slightly when they saw the young man.

"A Hui, A Lei, where have you been these days?"

The young man asked.

"Where do we go, I want you to control!"

A Hui's mouth flicked and said.

"Want me to control? Do you know that the two of you are now concerned about the future of the Xiao family, running around everywhere, if something goes wrong, you can't afford it!"

Xiao Ning looked cold.

"Huh, what the future of the Xiao family is your future!" A Hui sarcastically.

"I'm too lazy to tell you more!"

Xiao Ning clapped, opened the fan in his hand, shook it gently, and then turned his eyes to Lu Ming again, frowning, and said, "Who is this person? A Hui, don't bring any cats or dogs to the family, others know Would be a joke."

"This is my friend of Alei and I. The injured come here to heal, you can't control it. Also, Brother Lu can cure grandpa's poison, hum, then it will be a VIP of the Xiao family!"

A Hui raised her head and said proudly.

Chapter 993: Be troubled

Lu Ming stood aside, watching quietly, without making a sound.

Alei whispered to him on the edge that this person was the son of their second uncle, their cousin, and the relationship between them had not been very good.

"Can cure grandpa's poison? Nonsense, many Dan masters can't cure, can this kid be cured? Don't you two be deceived by this kid."

Xiao Ning raised his eyebrows and shouted.

"Well, Brother Lu is our friend, how could he lie to us, and why wouldn't Brother Lu try it out, and how would he know that Brother Lu wouldn't work? Well, you let it go!"

A Hui said nothing, pulled Lu Ming, bypassed Xiao Ning, and walked inside.

Xiao Ning's face was a bit gloomy.

A Hui brought a landing ring, bypassed several courtyards, and finally came to a room, saying: "Brother Lu, you live here first, take good care of the injury, wait for the injury to heal, and help my grandfather detoxify!"

"It is good!"

Lu Ming nodded.

After a few more chats, the two sisters left.

Lu Ming walked into the room, closed the door, sat cross-legged on the bed, and began to exercise his strength.

Zhanlong Zhenyuan runs the whole body and penetrates deep into the flesh. Lu Ming's injury is recovering quickly.

In fact, during the two days on the road, Lu Ming's body was recovering automatically. Up to now, he has recovered a lot.

bump!

Ten minutes later, Lu Ming was healing, the door was pushed open, and a young man stood at the door with a cold face.

Lu Ming's body shook slightly and opened his eyes, a flash of coldness flashed in his eyes.

Xiao Ning, it was Xiao Ning who pushed open his door.

Fortunately, Lu Ming was strong enough to control, and also left a distracted eye. He didn't devote himself to it. Otherwise, he would be disturbed by such abrupt practices in practice, ranging from injury to injury.

"What's the matter with you?"

Lu Ming asked.

"Boy, what's the purpose of you coming to the Xiao family? Could it be that A Hui and A Lei were simple, and they wanted to lie to them? I tell you, if you make this idea, you are wrong!"

Xiao Ning said coldly.

"Brother Xiao misunderstood. I was a friend of A Hui A Lei, and I was injured a bit, and I wanted to use the Xiao family to heal. I happened to know some ways to detoxify, and I heard that the Xiao family was poisoned by the colorful snake. To see if we can help detoxify!"

Lu Ming clenched his fists and explained with a smile.

"Shut up, what do you count? Also deserve to be called my brother and brother? Don't think I don't know, you are looking at the two girls' beautiful and simple, you want to approach them deliberately, there is no door, you better leave the Xiao family as soon as possible, otherwise. .."

Xiao Ning sneered.

"Xiao Ning, what are you doing?"

With a whisper, two beautiful figures appeared.

It is A Hui and A Lei.

"Xiao Ning, Brother Lu is our friend. If you let him go again, be careful I turn my face!"

The two sisters came over and A Hui gritted her teeth.

"Humph!"

Seeing Sister A Hui coming, Xiao Ning knew that he had missed the opportunity, snorted, waved his sleeves, and strode away.

"I heard people say that Xiao Ning was coming here, and I knew that there was nothing good. Fortunately, we arrived in time. Brother Lu, are you okay?"

A Hui said with some concern.

"It's okay!"

Lu Ming smiled slightly.

"Well, I will let people pay attention to Xiao Ning these days. If he comes again, I will turn over with him. Then you have a good rest!"

After speaking, the two sisters and Lu Ming said goodbye.

After Lu Ming returned to his room, he continued to practice healing.

Next, no one disturbs Lu Ming again. Three days later, Lu Ming's injury has healed.

As for Dandan, he was thrown into the mountains and rivers and let him recover himself.

The vitality of this product is extremely tenacious and nothing can happen.

After Lu Ming recovered, he found A Hui and A Lei and walked towards their grandfather's room together.

The grandfather of the Xiao family lived in the main residence of the Xiao family. As soon as the three came to the main residence, they were stopped.

One person is Xiao Ning, and the other is a middle-aged man in his fifties with a slightly cold face.

"Second Uncle!"

A Hui's face changed slightly.

This person is A Hui's second uncle, Xiao Hongyun.

There are two sons under the knee of the Xiao family. One is A Hui Alei's father and the other is Xiao Hongyun.

"A Hui, A Lei, in front of where the father is sick, what are you trying to do with a stranger?"

Xiao Hongyun said flatly.

Alei shuddered slightly and took a step back, apparently somewhat afraid of Xiao Hongyun.

A Hui is much bolder and takes a step forward, saying: "Second Uncle, this is our friend Lu Shaoqing, Brother Lu can detoxify Grandpa, so we brought him to help Grandpa detoxify."

"Nonsense!"

Xiao Hongyun waved his sleeves and scolded, saying, "How many Dan Masters, pharmacists, and how many methods have been invited during this time can't solve your grandpa's poison. How can you solve your grandpa's poison with this kid? , Two little girls, do not understand the sinister world, be careful to be deceived!"

"Second Uncle, if you think too much, Brother Lu will lie to us, why not let him try it, and no loss!"

A Hui strives to be reasonable.

Xiao Hongyun looked light, looking at Lu Ming and said, "Boy, are you a Ming Master?"

"No!"

Lu Ming said faintly.

He had thought about his first arrival, he was kind to others, and in the face of the two sisters A Hui and A Lei, he did not care much about the people of the Xiao family. However, Xiao Hongyun and his son repeatedly made troubles and spoke poorly. Lu Ming couldn't help but also get angry. , The tone is naturally not very good.

"Haha, since he is not a Ming Master, he can also detoxify my father? It's ridiculous to leave Xiao's family quickly, I don't care about this matter!"

Xiao Hongyun laughed contemptuously and waved.

"Who said that the detoxification must be the Ming Master? I have mysteries and can easily detoxify!"

Lu Ming said.

"Nonsense, big talk!"

Xiao Ning interjected ironically.

"We believe Brother Lu, and the second uncle also said that during this period of time, so many Dan masters could not solve the poison of Grandpa. Should we just let it go and let Grandpa die of poison? At this moment, any chance should be Hold on, I must let Brother Lu give it a try. If you are not worried, you can watch it!"

A Hui said, his eyes were firm.

Alei also stepped forward, boldly, staring at Xiao Hongyun.

Xiao Hongyun frowned and pondered for a moment, then said, "Okay, let him try it. We looked at it from the side, but just now a Master Dan came to feed his father a Detoxifying Dan. I will watch it for now. The situation, if dad doesn't get better tomorrow, let this kid try!"

"Okay, then tomorrow!"

A Hui is overjoyed.

"Also, don't run around here for a few days. After a few days, pack your things and follow me to Xuankong Mountain to see Mr. Ling Yunkong!"

Xiao Hongyun's voice changed.

Hearing this, the two sisters of A Hui's face changed greatly.

"Don't go, I'm not going to die in the sky and see Ling Yunkong!"

Cried A Hui.

"Nonsense, what kind of character is Ling Yunkong?? Xuankong Mountain's peerless arrogance is one of the top ten young arrogances of Xuankong Mountain. He is extremely talented and rare in the world. He can see you. It is a blessing from your eight generations. Cherish not understanding."

"I tell you that this is about the future of the Xiao family. I can't allow you to play with your temper and you have to go if you don't want to go. After seven days, follow me!"

After all, Xiao Hongyun waved his sleeve and strode away.

Xiao Ning's smug smile also followed him away.

Chapter 994: Detoxification

The two sisters A Hui A Lei were red with eyes, tears twirling in their eyes.

"A Hui, A Lei, what's going on?"

Lu Ming asked.

"Huh, it's not that Xiao Ning. He wants to send us to Ling Yunkong for his own future."

A Hui wiped away her tears and explained to Lu Ming.

It turned out that Xiao Ning was also a disciple of Xuankong Mountain, but how many geniuses and arrogance are there for the behemoths like Xuankong Mountain? Xiao Ning's talent is average, but in Xuankong Mountain is just an ordinary disciple, and he is not valued at all.

But he can be a man, he can beat the horse, I don't know what method was used, he actually met Ling Yunkong, one of the top ten arrogances of Xuankong Mountain, and helped Ling Yunkong run errands.

On one occasion, Xiao Ning brought Ling Yunkong to the Xiao family as a guest. The Xiao family went up and down naturally, shaking and feasting to welcome Ling Yunkong.

At the banquet, Ling Yunkong took a look at the two sisters A Hui and A Lei at a glance.

Such good things, Xiao Ning naturally helped to introduce.

Ling Yunkong, the unrivaled Tianjiao of Xuankong Mountain, even in the battle of luck in Zhongzhou, has achieved good results. Which girl does not like Tianjiao and does not worship peerless genius?

A Hui A Lei is naturally the same, naturally agreed with Ling Yunkong.

But then I learned that Ling Yunkong actually wanted to marry their sisters together, yes, it was two marrying together.

This made Sister A Hui and A Lei disappointed with two pairs of Ling Yunkong. Later, they learned that Ling Yunkong had been lascivious, and had already married seven or eight concubines. In this way, the two sisters naturally would not agree.

But Xiao Ning finally climbed the big tree of Ling Yunkong, how could such a once-in-a-lifetime opportunity be missed.

As long as Ling Yunkong married this pair of sisters flowers, he will definitely have a lot of rewards for him, and he will be more valued in the future, then he Xiao Ning, in the Xuankong Mountain, will be able to go straight.

Therefore, Xiao Ning and Xiao Hongyun have tried their best to marry the two sisters to Ling Yunkong, but this matter, Xiao Zhan, the old man of the Xiao family, strongly opposed it. This matter has been dragging on for so long.

Now that Xiao Zhan was poisoned in a coma, how could Xiao Ning and Xiao Hongyun miss this opportunity, and naturally began to urge the two sisters to marry Ling Yunkong.

Lu Ming nodded, suddenly realized.

It turned out that this was the case. No wonder the two sisters had a very bad relationship with Xiao Ning.

The three chatted and then returned to their rooms.

Xiao Hongyun and Xiao Ning bypassed several yards and chatted with each other.

"Dad, how did you promise to let that kid detoxify Grandpa? In case that kid really detoxified Grandpa, with his bad temper, he will definitely oppose us to give A Hui A Lei two girls to Ling Yunkong ."

Xiao Ning said anxiously.

"What are you in a hurry? The colorful poisonous snake is extremely rare, and the toxicity is very special. Now the toxicity has spread to the whole body of the old guy, and has penetrated into the depth of the musculoskeletal blood. During this time, so many Dan masters and pharmacists have been helpless. How can that kid detoxify? In my opinion, that kid also took a fancy to A Hui's two girls, and wanted to act in front of them."

"When he fails to detoxify tomorrow, we will find a reason to blast him out of the Xiao family!"

Xiao Hongyun said.

"Dad is right!"

Xiao Ning showed a happy smile.

...

One day passed quickly, and the next day, the poison of Mr. Xiao's family showed no signs of subside.

The next afternoon, Lu Ming, Sister Alei Ahui, and Xiao Hongyun, Xiao Ning and his son walked towards the room of the Xiao family.

Opening the door, Lu Ming saw an old man lying on the bed.

The old man looks more than sixty years old and has a burly figure, but now his breath is weak.

On him, it was covered with colorful, colorful, and covered the whole body, very strange.

This is the poison of the colorful viper.

"grandfather!"

Sister A Hui A Lei saw the appearance of Xiao Zhan, his heart hurt, his eyes were red, and tears could not help flowing down.

"The poison of the colorful venomous snake has spread to all parts of the body, even the musculoskeletal blood deep!"

Lu Ming's face also changed slightly.

This old man was very poisoned. If he had to rely on the advanced cultivation, he would have been poisoned long ago. Even so, it would not last long. Lu Ming predicted that the old man would be poisoned and die in another month at most.

"Brother Lu, can you safely save my grandpa?"

A Hui said with a cry.

"I give it a try!"

Lu Ming said, then walked over.

Lu Ming waved his hand, Zhenyuan came out, holding up Xiao Zhan's body, Xiao Zhan got up from the bed, Lu Ming sat cross-legged behind Xiao Zhan, palms pressed against Xiao Zhan's back, the power of engulphment suddenly broke out.

The force of engulfing wrapped around Xiao Zhan's body and penetrated into every inch of skin and flesh and blood of Xiao Zhan's body.

Sister A Hui A Lei, as well as father and son Xiao Hongyun, four pairs of eyes, all staring at Ming Ming with a nervous look.

However, the tense things are different.

A Hui A Lei was nervous that Lu Ming could not solve Xiao Zhan's poison.

Xiao Hongyun and his son were nervous because they were afraid that Lu Ming would detoxify Xiao Zhan.

"Poison, the poison has begun to retreat!"

Suddenly, A Hui's eyes lit up and shivered.

First of all, I saw the colorful color on Xiao Zhan's face, which actually began to fade slowly, as if something was sucked out of the body.

"how is this possible?"

Xiao Hongyun and Xiao Ning's faces changed wildly, revealing incredible colors.

Can Lu Ming really solve the poison of Xiao Zhan?

In the eyes of the two, various lights continued to flash, somewhat cold.

Sister A Hui and A Lei were overjoyed, and the two clasped their palms tightly together, hoping to watch Landing Ming and Xiao Zhan.

As time passed, Xiao Zhan's face became more and more colorful, and Xiao Zhan's breath became stronger and stronger.

Half an hour later, the colors on Xiao Zhan's face had all disappeared.

The colorful spots elsewhere on the body also disappeared.

Xiao Zhan's breathing calmed down, and he could even hear his thumping heartbeat.

call!

Lu Ming took a long breath and stopped swallowing.

Xiao Zhan's poison, unexpectedly difficult to penetrate, penetrated every inch of flesh and blood throughout the body. Even the engulfing power of the Jiulong bloodline took half an hour.

Fortunately, in the end, Xiao Zhan's poison has been completely engulfed by the blood of the Nine Dragons and turned into nothingness.

"Brother Lu, my grandpa his poison..."

A Hui asked with some concern.

"Your grandfather's poison has been completely removed by me, and I will wake up soon, but Senior Xiao has been poisoned for so many days and his body is very weak. I am afraid that it will be difficult to recover to the heyday's cultivation in a short period of time. It will take some time to recuperate! "

Lu Ming laughed.

"Poison detoxification? That's great, it's so good, just detoxification. Thank you, Brother Lu!"

A Hui smiled and was very excited.

Alei is similar, his eyes full of joy.

But Xiao Hongyun and his son were diametrically opposite, without a smile, and their eyes were somber.

Lu Ming got up and walked out of bed.

At this moment, Xiao Zhan's body suddenly shuddered, spit out blood, and then slowly opened his eyes.

"Grandpa woke up, Grandpa woke up! Grandpa!"

A Hui almost jumped up in excitement, and quickly ran to the bed with A Lei.

Chapter 995: Ridiculous

Xiao Zhan glanced at the two sisters, showing a smile, and said, "A Hui Alei, my poison has been resolved? Who helped me solve it?"

He also knew very well that the poison of the colorful viper was difficult to solve, and he thought he could not wake up, which was quite surprising at this time.

"It's Brother Lu, Brother Lu helped you!"

A Hui looked at Lu Ming and said.

Xiao Zhan also looked at Lu Ming. When Lu Ming was so young, he was also a little surprised.

So young, is it a great Dan Shi?

"Senior Lu Shaoqing, have seen Senior Xiao!"

Lu Ming clasped his fists slightly.

"Young heroes don't have to be polite, you saved my life, I should salute you!"

Xiao Zhan struggled quickly and wanted to salute Lu Ming. However, he was so weak that he couldn't even raise his hands.

"Seniors don't need to be polite. I and Ahui Alei are friends. It's okay to save each other. The seniors are now weak and should take a good rest!"

Lu Ming said quickly.

At this time, Xiao Hongyun's face changed a bit, and then suddenly smiled pleasantly, stepped forward and said: "Dad, Daddy, you are awake, it's so good. During this time, the child really cares about day and night, and can't sleep at night! "

"Ok!"

Xiao Zhan glanced at Xiao Hongyun and nodded lightly.

Xiao Hongyun's eyes flashed gloomy, but there was a smile on his face, saying: "Dad, you just got the poison on your body, the body is weak, you have a good rest, we will not disturb, I will order someone to make up for you The elixir of invigorating Qi comes!"

After speaking, she looked at Sister A Hui and said, "A Hui, A Lei, let's go out, don't disturb Grandpa to rest!"

"Grandpa, then you have a good rest, let's leave first!"

A Hui was reluctant.

"Go, Lu Shaoxia, wait for the old man to recover some time, and thank you now!"

Xiao Zhandao.

"Senior is polite!"

Lu Ming clenched his fists, and then everyone quit the room.

"Lu Shaoqing, right, I have something to tell you!"

As soon as he left the room, Xiao Hongyun's face froze.

"Oh?"

Lu Ming nodded, and everyone left the main house and came to a courtyard outside.

"Lu Shaoqing, now that my father's poison has been resolved, and your injury is gone, there is no need to stay with the Xiao family. Please leave!"

Xiao Hongyun's first sentence was to directly issue a guest order.

Sister A Hui and A Lei's eyes widened, revealing incredible colors.

"Second Uncle, what do you mean? Brother Lu just helped Grandpa detoxify, you have to chase him away, he is now the benefactor of our Xiao family, how do you treat the benefactor of the Xiao family?"

A Hui said something incredible.

"At a young age, what do you know? Do you really think he really helped his father to detoxify? He did so for a purpose."

Xiao Hongyun scolded, and then looked at Lu Ming again, saying: "Lu Shaoqing, your purpose is these two girls, my Xiao family and two daughters are indeed beautiful, you are close to them on purpose, and help my father detoxify, purpose, It is nothing more than to get the favor of these two girls, and want to have a double-edged sword. These two girls are not involved in the world. You can hide them, but can you hide me?"

"I tell you, these two girls are already people in the sky and mountains, you better die this heart, otherwise, you do not know how to die, so, now, leave the Xiao family!"

Xiao Hongyun looked at Landing indifferently, and his tone gradually increased.

Lu Ming smiled.

This is really ridiculous.

He came to Xiao's house, nothing more than an invitation from sister A Hui. He happened to find a place to heal, and he helped Xiao Zhan detoxify.

He had planned to leave Xiao Zhan after detoxification.

But now in Xiao Hongyun's eyes, he actually became a ulterior motive, the purpose is actually to obtain the Xiao family sister, how ridiculous is this?

He is now benevolent to the Xiao family. Xiao Hongyun didn't thank him, and he immediately issued a guest order.

"Okay, I'm leaving now!"

Lu Ming sneered.

Since others are not welcome, why should he stay here.

"Brother Lu, don't listen to the nonsense of your second uncle, you saved your grandfather, and grandpa said he would thank you!"

A Hui said anxiously.

Alei also showed anxious eyes.

"What nonsense? Two ignorant girls, you are now the son of Ling Yunkong, but you are so close to this boy, what would you think if you were known by Lingyun Kongzi? Do you want to trap the Xiao family in danger? Do you want to destroy the Xiao family?"

Xiao Hongyun scolded loudly.

"You... you bullshit, when did we become Ling Yunkong's people? It's all your wishful thinking!"

A Hui refuted loudly.

Xiao Hongyun's face was even more gloomy, looking at the landing Ming Ming: "You still do not leave, do you want to be here?"

"Boy, you solved my grandfather's poison. This middle-class Austrian crystal is just your reward, and hurry up!"

Xiao Ning waved his hand, and a medium-quality Austrian crystal spar towards the landing.

Lu Ming burst out a gleam in his eyes, smashing this piece of mystic crystal into smash, and coldly swept Xiao Ning and Xiao Hongyun, and finally looked at Sister A Hui, saying, "A Hui, A Lei, thank you in the past few days Hello, leave!"

After saying nothing, his figure moved into a rainbow, and left the Xiao family.

"Brother Lu!"

A Hui shouted, then stared at Xiao Hongyun and his son with hate, and said, "The Xiao family treats the benefactor like this and spread it. I am afraid it will become a joke. Also, even if we die, we will not go to the mountains to see you." Ling Yunkong's, you die this heart, Alei, let's go!"

When A Hui pulled A Lei, she ran away from the Xiao family.

Lu Ming flew all the way, flew by hundreds of miles, came to a street north of Lishui City, and then chose a restaurant, selected some side dishes, eat and drink.

In his current state of mind, naturally he will not be in a bad mood because of Xiao Hongyun's affairs. The Xiao family has nothing to do with him, but he is only passing through a post. The only thing he is worried about is the two sisters A Hui.

The two girls are very simple, and I am afraid that they will become the tools of Xiao Hongyun's father and son.

"What? Boy, can't you put those two girls?"

Dandan didn't know when to appear on the table, and he chewed up with a chicken leg.

After a few days, Dandan's injuries were basically healed.

"Yes, I'm really worried. I recently planned to practice near Lishui City. If you have time, please help me pay attention!"

Lu Ming nodded.

"Yes, but elixir can't save me!"

Dandan's mouth was full of oil, and after a while a big chicken drumstick was eaten by Dandan.

With enough wine and food, Lu Ming found an inn nearby.

Xiao family, in a room, Xiao Hongyun and Xiao Ning are discussing matters.

"Damn, I didn't expect that Lu Shaoqing's kid could really solve the old guy's poison!"

Xiao Hongyun's face was a bit gloomy.

"Dad, what shall we do now? The old guy woke up and would definitely object to us giving those two girls to Ling Yunkong."

Xiao Ning said anxiously.

Chapter 996: Sister Xiao's Crisis

"Now, we can only start by being strong. You can ask Ling Yunkong now and let him send someone to take the two girls of A Hui A Lei to Xuankong Mountain, wait for the raw rice to cook mature rice, see the old guy Why do you object!"

In Xiao Hongyun's eyes, the light of conspiracy continued to flash.

"Okay, dad, I'll do it now!"

Xiao Ning nodded again and again, and hurriedly left the room.

...

Lishui City, surrounded by water, infinity rivers, waters, lakes, and land converge, this territory is full of water vapor.

The next day, Lu Ming left Lishui City and went north.

After tens of thousands of miles, countless lakes came into view.

This area, called Wanhuyuan, is said to have more than 10,000 lakes here.

The endless lakes are large and small, and the large square is full of miles, and the small is only a few miles, all over this vast area.

Lu Ming came here to understand the artistic conception of water.

At a glance, you can see a lot of people walking on the lake.

call out! call out!

From time to time there is sword gas and the water curtain shines, and some martial arts warriors are killing the water demon in the lake.

Wanhuyuan, there are countless lakes, and naturally there are many monsters in the water.

hiss!

A huge catfish, more than thirty meters long, drilled out of the lake, opened his mouth wide, biting towards the landing Ming, trying to swallow Lu Ming.

When the True Elemental broke out, Lu Ming stepped out and directly stomped this catfish to death, then the force of engulfment exploded, devouring the blood of the catfish.

As for other demon powers, blood, etc., Lu Ming did not devour it, because that kind of scene is so amazing, I am afraid it will spread.

And now Lu Ming is difficult to improve because of the relationship between artistic conception and devours that energy, which has little effect.

Of course, there is another way to make Lu Ming's artistic conception of water increase rapidly, that is, kill other warriors and devour their artistic conception.

Near this area of Lishui City, there are many people who comprehend the artistic conception of water. Just look for one, that is, comprehend the artistic conception of water.

However, Lu Ming would not do this.

If it is an enemy, Lu Ming will naturally not show mercy, but let him kill others to improve his artistic conception because he has improved his self-cultivation. Lu Ming can never do such a thing.

Stepping on the lake, feeling the water vapor surrounding him, Lu Ming's mind sank into it, constantly comprehending the mood of water.

Next, Lu Ming realized the artistic conception of water in this boundless water.

Seven days passed in a flash.

Today, Lu Ming's perception is so terrifying that every day, he has made great progress.

Seven days later, Lu Ming sat cross-legged on a huge lake.

The water in this lake is strange, automatic without wind, and seems to be spiritual.

The water vapor in this lake is also the most intense, and the comprehension of the artistic conception of water is also extremely clear.

Therefore, it has attracted many people to practice here.

Lu Ming also sat cross-legged on the lake, quietly feeling, to understand.

"The third level of entry is at its peak!"

There was a smile on Lu Ming's mouth.

The mood of water has reached the peak of level three entry.

"Look, that is the disciple of Xuankong Mountain!"

At this moment, someone whispered suddenly, attracting many people's attention, looking up at the sky.

Lu Ming also looked up and saw that there were some figures walking in the air and heading towards Lishui City.

There are a total of eight people, not very young, mostly in their thirties.

"Xiao Ning!"

Lu Ming frowned, and he saw Xiao Ning in the crowd.

"These are the disciples of Xuankong Mountain, and together with Xiao Ning, are they the people of Ling Yunkong?"

Lu Ming frowned, and he thought of Sister A Hui and A Lei.

"Go and see!"

Lu Ming got up, walked on the lake, and followed behind.

Soon, he came to Lishui City, Xiao Ning and others, walked directly into the air.

When Lu Ming rushed to the Xiao family, he saw that the door of the Xiao family was already full of people.

"The people who hang in the sky come somehow?"

"That first person is called Ling Kai. I have seen him, but Ling Yun is empty!"

"What? Ling Yunkong? Ling Yunkong, one of the top ten arrogances of Xuankong Mountain?"

There was a cry of exclamation around.

"Yes, I heard that Ling Yunkong took a fancy to the Sister Xiao and wanted to accept them as concubines, but the Sister Xiao always disagreed. This time, it is estimated that the Sister Xiao was taken away directly!"

"Take it away, so domineering?"

"Nonsense, who is Ling Yunkong? What happened to his overbearing? Who dares to resist?"

"The same is true. I heard that Ling Yun Kong was naturally romantic, and the sisters of the Xiao family were indeed alive and well, and Ling Yunkong was able to get away. It was a sheep!"

As soon as Lu Ming arrived, he heard a lot of discussion around.

Zhenyuan is running, and the people in front of Lu Ming are squeezed away by Lu Ming silently, and Lu Ming walks forward.

"I won't go, I won't go to death!"

Lu Ming had just walked to the front, and heard a whisper.

When I heard it, I knew it was A Hui's voice.

Lu Ming looked forward and saw some young people standing in front of the door of the Xiao family, while opposite, stood the two sisters Xiao Hongyun and A Hui A Lei.

At this time, the two sisters of the Xiao family were angry, staring at the young man hanging in the sky, and Xiao Hongyun and Xiao Ning.

"Don't go? Fool things. Lingyun Kongzi looks up to you. It's your blessing. I don't know how many women envy you. How dare you go? Just wait for Lingzi, what do you want in the future? Various cultivation resources , Everything!"

Xiao Hongyun scolded with a calm face.

Among the crowd, many people secretly shook their heads, what Xiao Hongyun said was not necessarily.

If you really love Tian Tianjiao of Xuankong Mountain and form a husband and wife, it is naturally like Xiao Hongyun said, but Ling Yunkong, this person, is romantic, likes new and dislikes old, follow him, it is not necessary to end well.

"Don't go if you're terrific, go to yourself, Alei, let's go and find Grandpa!"

When A Hui pulls A Lei, she will run to the Xiao Family Mansion.

"Dirty beasts, you did this to put the Xiao family in a dangerous position. How can you allow you to do something wrong and stop me!"

Xiao Hongyun stepped out in one step and stopped in front of the two sisters. With a strong breath on his body, a wave of his hand burst out, and Zhenyuan burst into a cage, trapping the two sisters.

"Today, you have to go if you don't want to go, Master Kai, these two girls, I will leave it to you!"

Xiao Hongyun glanced at Ling Kai at a glance.

"Well, the two little girls haven't seen the world, and they will be honest after Yun Yunzi's training!"

Ling Kai smiled, it would be thousands.

"What are you doing?"

Just here, a roar came from the Xiao family, and then a group of people followed an old man and came out.

That old man was Xiao Zhan.

After seven days, Xiao Zhan apparently has not fully recovered, but his breath has become stronger than he did seven days ago. I don't know how many times he has apparently recovered.

At this time, Xiao Zhan was like a mad lion, staring at the eyes and staring at Xiao Hongyun.

"grandfather!"

Cried A Hui A Lei.

"A Hui A Lei, don't be afraid, Grandpa is here!"

Xiao Zhanyan glared at Xiao Hongyun and shouted: "You are a beast, but they are your nieces, are you so eager to send them out?"

Chapter 997: Lu Ming shot

Xiao Hongyun frowned, and said, "Dad, look at what you said, this is also for the Xiao family's sake!"

"For the Xiao family? I think you are for yourself, for your son!"

Xiao Zhan roared.

"Dad, Ning'er is also your grandson!"

Xiao Hongyun frowned.

"Grandson? I haven't bowed my knees all day and exchanged my loved ones for a promising grandson. I don't have the strength of a warrior. How can I achieve anything?"

Xiao Zhan shouted.

These words made Xiao Ning's face ugly and dying, and the fierce light flashed in his eyes.

"Old guy, I advise you to get acquainted. This time, Master Yunkong has already spoken. You must take these two girls back. You have to block them, just don't give Yunkong Gongzi face, don't give us the face of the mountain!"

At this time, Ling Kai spoke, his eyes cold.

"This young man, the old man did not have the idea of not giving Xuankong Mountain a face, but he didn't dare, but feelings like this need two emotions. Since my two granddaughters have no intention of dealing with Yunkong, why do you insist on it? What about?"

Xiao Zhandao.

"Emotions need to be nurtured. I will take them back and get along with Yunkong for a while. There will be no emotions!"

Ling Kai sneered.

"Can Master Yun Kong know that the media is getting married and list the two girls as true wives?"

Xiao Zhandao.

Ling Kai frowned, coldly said: "Enough, old guy, what are these two girls? Being able to scold Yun Kong son is already a blessing to the heavens, and also think that the media is marrying and is listed as a regular wife. ?"

"Okay, old guy, let go!"

In words, Ling Kai's eyes were as strong as electricity, and his breath was compelling.

Spiritual Realm is twofold.

Lu Ming saw at a glance that Ling Kai's cultivation practice had already reached the level of the second spirit.

At Ling Kai's age, it is obviously a proud figure to be able to achieve this cultivation practice.

"No, you as disciples of Xuankong Mountain, do you want to rob?"

Xiao Zhan walked to the side of A Hui and A Lei, blocking them in front of them.

"grandfather!"

A Hui and A Lei showed a terrified look in their eyes, grabbing Xiao Zhan's arm.

"A Hui, A Lei, don't be afraid, Grandpa is here!"

Xiao Zhan comforted, with a strong breath in his body.

Although Xiao Zhan did not fully recover, but the breath is strong, not weaker than the triple spirit, and confronts Ling Kai.

Other disciples of the Xiao family who followed Xiao Zhan also stood beside Xiao Zhan, staring at the disciples of Xuankong Mountain.

"Old man, it seems that you are toasting and not eating fine wine. You dare to fight against Yunkong with your Xiao family like ants, really looking for death!"

Ling Kai's eyes gleamed coldly, stepped out, and his breath was stronger.

Although he cultivated weaker than Xiao Zhan, he had a very strong breath and actually suppressed Xiao Zhan.

This is the strength of Tianjiao characters.

Xiao Zhan stared at Ling Kai dignifiedly, his body tight, as if he would be attacked by Ling Kai at any time.

"I counted three times, no more, no one, no one, kill you, Xiao family, three!"

Ling Kai said coldly.

Xiao Zhan, the sisters of Xiao family, and others of the Xiao family looked ugly, Ling Kai, too domineering.

"two!"

Ling Kai said.

All around, others were silent. This was Ling Yunkong's business. Ling Yunkong was one of the top ten arrogances of Xuankong Mountain. Who dare to intervene?

Xiao Zhan et al.'s face was even more ugly, and Xiao Zhan clenched his fists, but did not speak out.

"One!"

Ling Kai spit out a word of "one", and then, the chance was great.

"It seems that it is no longer paid, find death, kill!"

Ling Kai waved his hand, and next to Ling Kai, a young man stepped on his feet, his body shot like electricity, and a sword light pierced the void, piercing a disciple of the Xiao family.

Too fast. The Xiao family disciple didn't even react. At the next moment, everyone saw a head flying high, and blood was shooting.

A Xiao family was killed without any resistance.

The young man who hangs in the sky is the one with the most important spirit.

"Do not!"

Xiao Zhan roared like a mad lion, his eyes were raging.

But he was suppressed by Ling Kai's strong breath and could not help him at all.

As soon as he shot, Sister A Hui was about to be taken away by Ling Kai.

"It still doesn't seem to be paid? Kill!"

Ling Kai's voice continued to sound.

Jianguang started, screaming came out, and another Xiao family disciple was killed.

In Xiao Zhan's eyes, fire was about to burst out.

Xiao Hongyun and Xiao Ning stood aside, eyes cold and indifferent.

"No, don't kill, we will follow you!"

Sister A Hui's eyes were whirling, and A Hui shouted.

"No, grandpa can't send you into the tiger's mouth, otherwise, how can it be worthy of your father and mother!"

Xiao Zhan shouted, his eyes flushed.

"Old guy, I think you really want to find death, kill, continue killing, until killing the people of the Xiao family, I don't believe it today, he dare not pay, today, just kill him!"

Ling Kai shouted full of murderous opportunities.

call out!

Jianguang burst out again, but this time no screaming came out, because the hand holding the sword was held by someone.

A young man in black robe suddenly appeared in front of the young man in Xuankong Mountain, holding his wrist.

"enough!"

The black robe said coldly.

"Brother Lu!"

A Hui whispered.

This young man in black robe is Lu Ming.

"Brother Lu, go away, this matter has nothing to do with you!"

At first glance, Xiao Zhan was Lu Ming, but there was no joy, but Lu Ming was asked to leave.

Lu Ming looked like he was in his twenties, while the other party was such a huge beast as Xuankong Mountain, and Ling Yunkong was one of the top ten arrogances of Xuankong Mountain, and Lu Ming couldn't fight it at all.

Lu Ming is kind to him, he does not want to involve Lu Ming.

Sure enough, Ling Kai's eyes gloomed.

The young man who was held by Lu Ming's wrist burst into a murderous eye and scolded: "Boy, dare to attack me to find death!"

True Yuan burst out, the black light flashed, the young man intended to shake Lu Ming away, and kill Lu Ming with a sword.

Click rub!

Lu Ming's wrist shook, the young man's arm twitched and twisted like a piece of dough, and the sound of the broken bones was rubbed. The whole person screamed and flew away from the distance, falling heavily on the ground like a The dying wild dog is generally howling.

There was a sudden silence around, and many people were taken aback.

The young man in Xuankong Mountain is not weak. Although he is not considered as a proud character, he can be regarded as a leader among the spirits. Even Lu Ming can't stop him.

Who is Lu Ming? So strong?

A Hui and A Lei opened their mouths slightly, a little dazed.

They originally thought that Lu Ming's strength was similar to them, and at most a little stronger. Unexpectedly, a master with a heavy spirit was easily defeated by Lu Ming.

There was a trace of surprise in Xiao Zhan's eyes, but his eyes remained dignified.

A warrior with heavy spirits is nothing. Ling Kai is the pinnacle of the double spirits, and he is a arrogant figure. It is not comparable to the young man just now.

"Boy, dare to sneak shots and hurt my disciples in Xuankong Mountain. I think you are eating real gentian. Now I will give you a chance to kneel and kowtow to admit mistakes, and then self-defeating, I can spare your life!"

Ling Kai said eerily.

Chapter 998: Shameless

Lu Ming smiled faintly and said, "Xuankong Mountain is the power of the overlord. I didn't expect that the disciples under the door were so unbearable. It was really disappointing to grab a famous girl!"

Lu Ming shook his head and sighed.

Ling Kai's face was somber and shouted: "Boy, you dare to despise me from the hanging mountain, now you have no chance to live, you will die!"

"Why do you despise? The fact is, if Xuankong Mountain is like you, or Ling Yunkong, it's not far from destruction!"

Lu Ming smiled faintly, loudly.

The people around him twitched and breathed cold.

Lu Ming's courage is too big, actually dare to say Ling Yunkong and Xuankong Mountain.

Although they thought so in their hearts, they dare not say half a word at all.

"I'm not ashamed, what are you, and dare to criticize Yunkong son, and Xuankong Mountain, kill, kill me!"

Ling Kai spoke coldly and waved his big hand.

Behind him, five young men rushed out at the same time, and five long swords blew towards the landing.

These five young people, like the previous ones, look like they were in their early thirties. They are not arrogant, but their combat power is not weak, and they are all masters of the spirit.

Lu Ming also secretly sighed that Zhongzhou is indeed the center of the Shenhuang Continent. There are really many masters in cultivation holy land.

There are not many Donghuangs in their thirties who reach the spiritual womb, but here they are continuously encountered.

"roll!"

Lu Ming spit out a word, a spear appeared in his hand, the spear shuddered, and five spears appeared, stabbing at five young men.

puff! puff! puff! ...

Blood splattered, and the five young men screamed and flew back.

On their shoulders, there was a blood hole, blood flow.

The five youths had pale faces, and their eyes were horrified.

If Lu Ming's guns pierced their throats just now, they were dead.

"Now, get out!"

Lu Ming drank coldly, staring at Ling Kai with a gaze like electricity.

"Boy, you are dead!"

Instead of retreating, Ling Kai was more aggressive.

Buzz!

Over Ling Kai's head, a big fish emerged.

This fish is extremely grim, like a war sword, with a slender figure and fierce eyes.

Ancient swordfish, this is the blood vein of Ling Kai, on which there are three golden chakras shining, Ling Kai Nai is the strong man who awakened the god-level third blood vein, is the arrogance of the heavenly arrogance, even if Lu Ming showed the power Already not weak, he is still fearless.

With his combat power, it is enough to deal with the strong quadruplets.

Keng!

The sword light exploded, the bright sword light bloomed from Ling Kai's hands, and countless sword qi scattered towards the landing.

The spear shook, the space buzzed, and the endless spear appeared.

when! when! when! ...

The sound of rapid metal intersection came out densely, and there were hundreds of sounds. Then Ling Kai's figure retreated, and there were several holes in him, blood flowing.

His face was pale and extremely gloomy.

Obviously, Lu Ming was merciful, but Ling Kaifei was not grateful, but more resentful.

In his heart, Lu Ming didn't dare to kill him at all, because he was the man in the hanging mountain, and Lu Ming didn't kill him, for granted, but Lu Ming wounded him, made him embarrassing, and made him unable to explain to Ling Yunkong, It is the sin of heaven.

"Boy, you wait, you wait for me!"

Ling Kai roared, took the others to turn around, and left, disappearing into a few sword lights in the sky.

Lu Ming did not pursue him. If he was alone, these garbage kills would be killed. Lu Ming would not frown at all, but he had to take care of the Xiao family, so he was merciless.

A Hui, A Lei, and Xiao Zhan were a little dazed.

They did not expect Lu Ming to be so powerful, even Ling Kai was not Lu Ming's opponent and was easily defeated by Lu Ming.

Xiao Hongyun and Xiao Ning were also in a daze for a while, but at the same time, their faces were extremely ugly.

"Boy, you are so brave, you dare to hurt the Tianjiao of the Hanging Mountain. It doesn't matter if you want to find death, but don't take our Xiao family into it!"

At this moment, Xiao Ning strode out, his face gloomy, referring to Da Ming's curse.

Lu Ming frowned, deep in his eyes, flashing a ray of murderous opportunity.

"Shut up, Brother Lu is to save us!"

Xiao Zhan scolded.

"Grandpa, you're always confused. What saved us is clearly harmful to us. Just let Ling Kai take Ahui Alei, the best choice. In this way, our Xiao family will straighten Qingyun up, now it's all right. Destroyed by this kid, our Xiao family will be in great trouble."

Xiao Ning yelled, his face ugly.

"You...you...Sinner!"

Xiao Zhan stared at Xiao Ning, shaking with anger.

"Ning'er is right, boy, you know you are uneasy and kind, frame my Xiao family, and now offend Mr. Ling Yunkong, we will all be in trouble!"

Xiao Hongyun stepped out, said coldly.

"Hahaha, frame your Xiao family, let you have the catastrophe of the Xiao family? Ridiculous, really ridiculous, who just killed the Xiao family's children? Me?"

Lu Ming laughed.

Xiao Hongyun and Xiao Ning are really shameless.

The disciples of Xuankong Mountain just killed a few people of Xiao family, but Xiao Hongyun and Xiao Ning didn't put one fare apart. Now Lu Ming helped Xiao family to repel Ling Kai and others. The two of them jumped out to accuse him. Thing?

"What's the matter of dying a few Xiao family's waste? Who told them to be disobedient!"

Xiao Ning sneered.

Snapped!

Lu Ming's backhand was to slap Xiao Ning's face, turn Xiao Ning's pump in the air for dozens of laps, and then fell heavily on the ground, while his face was swollen like a pig's head, and he looked dumbfounded Naruto.

Lu Ming dare to beat him?

"In my eyes, you are also a waste, why don't you die?"

Lu Ming looked down at Xiao Ning and said coldly.

"Bold, I will take you down now, abolish your cultivation behavior, and personally send you to indemnify Lingyun Kongzi!"

Xiao Hongyun shouted, the breath of his body came out violently, stepped, rushed to Lu Ming, and slammed down to the landing sound.

The spirit fetus is fivefold, and Xiao Hongyun's cultivation practice has reached the spirit fetus' fivefold realm.

Taking his cultivation as an example, he could completely stop Ling Kai just now, but he did not move at all, but now he wants to win Lu Ming.

"stop!"

Xiao Zhan shouted and rushed to the crown, he did not expect that Xiao Hongyun and Xiao Ning were so shameless, he almost vomited blood.

But he did not fully recover, and it was too late to stop Xiao Hongyun.

Facing Xiao Hongyun's palm, Lu Ming remained motionless, as if he had no intention of returning.

Xiao Hongyun burst into his heart slightly and had a bad hunch.

"This kid, young and never heard his name, I don't believe it, he is my opponent!"

At the end of his thoughts, Xiao Hongyun's palm was stronger, and he roared towards the landing.

When Lu Ming was about to hit Lu Ming, Lu Ming's footsteps moved slightly, and Xiao Hongyun's palm was evaded by Lu Ming. At the same time, Lu Ming reached out his palm and grabbed Xiao Hongyun's face and pressed it against the ground.

boom!

The ground vibrated, and Xiao Hongyun's face came into close contact with the ground, knocking the ground out of a big pit, and the smoke filled it.

Xiao Hongyun made an unpleasant scream, as if a lazy toad had been stepped on.

Chapter 999: Close contact with the ground

The smoke dispersed, and Xiao Hongyun was lying on the ground like a dead dog. A face was completely deformed, blood was oozing out of his mouth, and his body was twitching. It was terrible.

The people who watched around were speechless and speechless.

Xiao Hongyun, who is in the fivefold realm of the spirit, has no resistance in Lu Ming's hands. Lu Ming's strength suddenly becomes unfathomable in the hearts of everyone.

"For people like you, what's the use of staying in the world, let you go on the road!"

In Lu Ming's eyes, a cold killer burst out.

Xiao Hongyun felt Lu Ming's murderous tremor, shivering a lot, and awake a lot, frightened by the cold sweat, and desperately crawled towards Xiao Zhan, shouting: "Father, father, save me, save me, I will never dare again, this time I was wrong, help me."

Xiao Zhan's eyes were complex, and finally he sighed and threw a fist at the landing, saying, "Brother Lu, can you spare him this time?"

After all, Xiao Hongyun is his son, and he is also his last son. Looking at him to be killed by Lu Ming, Xiao Zhan always couldn't bear it.

Lu Ming shook his head in his heart, he knew this result long ago.

Xiao Zhan is too affectionate. Although he is disappointed with Xiao Hongyun, he does not want to watch him die.

"Since Senior Xiao spoke, I will spare him once!"

Lu Ming said.

In his eyes, it doesn't matter whether Xiao Hongyun kills, because he didn't care about it at all.

What can you shoot with a slap?

"Brother Lu, I didn't expect you to be so powerful."

A Hui trot over and watch the landing admiration.

Alei also stood behind A Hui, blinking her eyes, peeking at Lu Ming.

Lu Ming's strength is far beyond their expectations. It seems that even their grandfather is not Lu Ming's opponent.

Lu Ming smiled slightly, then looked at Xiao Zhan and said, "Senior Xiao, what do you plan to do next?"

Obviously, Ling Yunkong will not be willing to give up.

"Brother Lu, let's go in and chat!"

Xiao Zhandao.

Lu Ming nodded and fought against Xiao, and the sisters A Hui and A Lei walked into the Xiao's mansion.

"Ling Yunkong should not be so fast. I plan to dismiss the Xiao family, and then take A Hui and A Lei to the end of the world. It's just that this time it has affected the little brother.

With that, Xiao Zhan bowed to Lu Ming.

Lu Ming waved his hand, and a real one came out, dragging Xiao Zhan, saying: "Seniors don't have to be polite, I and A Hui A Lei, also considered friends, can't see them being taken away by the people who hang in the air, And the juniors are alone, so they are not afraid of them hanging in the mountains."

Xiao Zhan felt the vast truth of Landing Ming. He found that he couldn't stand it at all. He was shocked secretly. Lu Ming was even more unfathomable in his eyes.

"Little brother's great grace, old age is really unrequited!"

Xiao Zhan clenched his fists.

Lu Ming detoxified him before, and this time he saved sister A Hui, and he really showed great gratitude to them.

After a few more chats, Xiao Zhan ordered the Xiao family to pack things up and down, planning to wait for the night and take advantage of the night to run away in batches.

Lishui City, Xiao family, must not stay.

Half a day passed, and night fell.

The disciples of the Xiao family escaped into the night in batches and disappeared.

Lu Ming, Xiao Zhan, and sister A Hui A Lei, sitting in the courtyard, drinking tea slowly.

"Master, let the old slave stay and take care of you!"

An old man with white hair stood beside Xiao Zhan and begged.

The old man is very old, but full of energy, but now, his eyes are full of sadness and reluctance.

"All Grandpa!"

A Hui A Lei, also full of reluctance.

The old man was called Feng Quan. He had been with the Xiao family for hundreds of years. Now he is the housekeeper of the Xiao family. He grew up watching A Hui and A Lei and had a deep affection for the Xiao family.

"Aquan, following us is very dangerous. You can't wait for a long time. You still have a family. Hurry up. Let's get together again if we have a chance!"

Xiao Zhandao, he was helpless, but now it is the only way.

Stay, after Ling Yunkong brings people, they will all die, only leave, there is a ray of life.

Xiao Zhan's attitude was firm, and he was helpless. Afterwards, Lao Wei teared himself up and said goodbye to Xiao Zhan and others.

"Grandpa, we all blame us!"

A Hui and A Lei wander in tears.

If it were not for them, how could there be such a thing?

"Two silly girls, don't think about it!"

Xiao Zhan chuckled, and then looked at Lu Ming, said: "Brother Lu, it's not too late, you are almost gone, we wait for the early morning hours, out of the city in Yirong!"

Lu Ming has helped them a lot, he does not want to continue to involve Lu Ming.

Lu Ming hadn't spoken yet, and footsteps sounded in the courtyard.

At the next moment, Xiao Hongyun, Xiao Ning and his son appeared and walked in.

"What are you guys doing here? Don't hurry up!"

Xiao Zhan shouted coldly.

thump! thump!

Surprisingly, Xiao Hongyun and Xiao Ning knelt down directly in front of Xiao Zhan.

"Dad, the child was wrong. The child knew it was wrong. In the past, the child was blinded by lard. Then he thought of using A Hui A Lei to falter Ling Yunkong, which led to the current result. The child was wrong!"

Xiao Hongyun kowtowed to Xiao Zhan, crying and weeping.

Then he whispered to Lu Ming again: "This time, thanks to Master Lu waking me up, I suddenly realized that I was doing that before. What a terrible mistake, thank you Master Lu!"

Xiao Ning also kowtowed with Xiao Hongyun.

Lu Ming frowned.

Xiao Zhan also frowned.

"Dad, baby now, just ask Dad to forgive the baby, and then the baby will take Ning Er to Lingyunkong, plead with him, or delay some time, so that you and Da Hui can go further!"

Xiao Hongyun said with a sincere look.

"Grandpa, you see that the second uncle knows wrong, forgive him!"

A Hui whispered.

"Yeah, Grandpa!"

Alei also spoke.

The two sisters were kind-hearted. Seeing that Xiao Hongyun seemed sincere, they softly pleaded for Xiao Hongyun.

Snapped! Snapped! ...

Suddenly, Xiao Hongyun slaps on his face in succession, slamming on the side while yelling: "Dad, the baby is really wrong, beg him to forgive me."

In a few moments, Xiao Hongyun's faces swelled up.

"Okay, just make a mistake. Everyone will make mistakes, as long as you remember later, the chance is by your own grasp, not by sacrificing your loved ones."

After all, Xiao Zhan was soft-hearted, seeing this, he sighed.

"Thank you dad!"

Xiao Hongyun smiled and said: "Daddy, I will say goodbye this time and I will see you again someday. I have prepared a table in the lobby. I haven't gathered with my father and my two nieces in this time. , Just say goodbye to my father and my two nieces!"

"Dinner? No need, you just have this heart."

Xiao Zhandao.

"Dad, this is a little bit of the baby's intentions. I will say goodbye this time, maybe I will never see you again!"

Xiao Hongyun sighed, showing regret and sadness.

"Grandpa, then go, I think the second uncle is sincere."

A Hui whispered, and A Lei nodded again and again.

"Well, all right!"

Xiao Zhan nodded.

Chapter 1000: Xuexindu

Xiao Hongyun was overjoyed and said, "Thank you dad!"

Then he looked at Lu Ming and said, "Mr. Lu, I have offended a lot before. By the way, I am liable to Lugong. Is Lugong better to be together?"

"Well, okay, there is alcohol, there is no reason to refuse!"

Lu Ming smiled slightly.

Afterwards, a group of six people came to the lobby, where a table of fine wine and food was prepared.

Xiao Hongyun poured a glass of wine for everyone, and then picked up the glass, saying: "Dad, A Hui A Lei, and Lu Gongzi, I was wrong, I punished a glass!"

Talk about it, pick up the glass, and drink it.

Xiao Zhan, A Hui A Lei also picked up a glass and took a sip.

Lu Ming picked up the glass, his face seemed to be a smile.

"Lu Gongzi, please!"

Xiao Hongyun saw that Lu Ming didn't drink. Deep in his eyes, there was a trace of panic, and then there was a sincere smile on his face.

"It turns out to be good wine! You will know it when you smell it!"

Lu Ming laughed, then picked up the glass and sipped it out.

Seeing this, Xiao Hongyun and Xiao Ning's eyes flashed a hint of surprise.

"Lu Gongzi's pride, come, let's eat!"

Xiao Hongyun laughed, everyone sat down, and Xiao Ning poured wine for everyone.

"Lu Gongzi, you are young, but you have such a cultivation base. Xiao Mou really admires, and I have never heard of Lu Gongzi's name before. I don't know which side Lu Gongzi came from?"

Xiao Hongyun said.

Wen Yan, Xiao Zhan, A Hui A Lei also showed curiosity.

Now, the battle of luck has ended for half a year. At the time of the battle of luck, all hidden geniuses, geniuses secretly cultivated by the strong men of the world, appeared one after another. Now, who knows the names of geniuses one by one?

But Lu Shaoqing, they are very strange, did he not participate in the battle of luck?

"I don't come from any forces. I used to work in the deep mountains before, and this is the first time I have just gone out!"

Lu Ming smiled slightly.

Everyone was stunned, did Lu Ming really not participate in the battle of luck?

This is really rare. Generally speaking, anyone who encounters the battle of luck has almost no genius.

"Haha, Lu Gongzi didn't participate in the battle of luck. It was so rare to have such cultivation. It's rare. Come, Xiao Mou respects Lu Gongzi!"

Xiao Hongyun took the wine glass here and swallowed it.

Lu Ming smiled and swallowed.

"Good wine, really good wine, you really have a heart!"

Lu Ming pouted, an expression of enjoyment.

"Haha, it seems that Lu Gongzi is a good wine drinker. I like to drink a few more!"

Xiao Hongyun laughed.

Xiao Ning immediately poured wine for Lu Ming and picked up the glass: "Brother Lu, I had offended many people before, and I hope Haihan!"

"Good to say!"

Lu Ming smiled, picked up the glass and drank again.

Xiao Hongyun and Xiao Ning's faces are more intense.

Afterwards, Xiao Hongyun and Xiao Ning went to Xiao Zhan again and again, and sister A Hui Alei made a guilt and toasted several people.

Soon, Sister Xiao's face was blushing, which was very beautiful.

"Grandpa, A Hui, why do I feel a little cold!"

At this time, Alei whispered.

"I also feel a little cold!"

A Hui shivered, exhaled, and actually formed a layer of frost in the air.

Xiao Zhan's face changed greatly.

A Hui and A Lei are all spiritual sea consummates, how can they suddenly feel cold? Even in the snow and ice, they can't feel cold.

At this time, Xiao Zhan also felt a flash of coldness in his meridians.

bump!

Xiao Zhan suddenly got up from the chair, staring at Xiao Hongyun and Xiao Ning like a mad lion, shouting: "Sinister, are you poisoned in the wine?"

Before he had spoken, Xiao Zhan felt a whirlwind, and he couldn't stand, sitting back on his chair again.

A Hui A Lei looked at Xiao Hongyun incredible.

They never expected that Xiao Hongyun would poison them? Didn't Xiao Hongyun know the wrong just now? Is everything false?

The two sisters felt incredible.

"so cold!"

Alei shouted, at the moment, there was no blush on her face, but a layer of frost appeared.

At the same time, every time you exhale, a layer of frost can appear in the air.

"Hahaha!"

At this time, Xiao Hongyun laughed hysterically, hysterically.

"Old guy, two stinky girls, still want to go? You're gone, what should I do with Ning Er? The great future of both of us can't be destroyed by your hands!"

Xiao Hongyun laughed, at this moment, his nature was completely revealed, his face was full of greasy color.

"And you, boy, dare to stab one's hands horizontally, I call you dead without burial!"

Xiao Hongyun stared fiercely at Landing.

"Dirty beast, filthy beast!"

Xiao Zhan shouted, extremely distressed and disappointed.

Just now, he really thought that Xiao Hongyun's conscience found that the pain was changed, but he did not expect that everything was fake and pretended.

Pretending to be pitiful and pretending to be in front of them is nothing more than trying to deceive them into drinking and eating food. He has been poisoned in the food and drink for a long time.

At this time, a layer of hoarfrost also appeared on Xiao Zhan's face.

There was a layer of brilliance on his body, and he wanted to force out the poison, but he hadn't recovered and was useless.

"Old man, you don't have to force the poison, it's useless. This is Xuexin poison, which is ten times more toxic than the colorful poisonous snake. You can't force it out."

Xiao Hongyun sneered.

"Xue Xindu!"

Xiao Zhan's face was miserable.

Xuexin poison is very famous among all the strange poisons in the world. If there is no antidote, even if it is a strong spirit, once it is poisoned, it is difficult to force out the poison!

"Old guy, let me tell you one more thing. You were in the chaotic mountains, and you were bitten by a colorful poisonous snake. That colorful poisonous snake was sent by Yun Yunzi. Otherwise, hey!"

Xiao Hongyun continued to sneer.

"What? Dirty beasts, did you reveal my whereabouts?"

Xiao Zhan stumbled, almost standing unsteady.

"Hahaha, yes! Your whereabouts, except for me and Ning'er, that is, A Hui and A Lei, who knows, who else can be besides us?"

Xiao Hongyun and Xiao Ning laughed arrogantly.

"Dirty beast!"

Xiao Zhan's face was miserable and even more desperate.

"You don't die, how can I control the Xiao family, and, if you don't die, how can these two girls marry Ling Yunkong? Do you know that you are my obstacle!"

Xiao Hongyun's face was fierce.

"Yes, old fellow, I am also your grandson, but why did you protect these two stinky girls, obviously they have such a good value, why should they keep waste, ah?"

Xiao Ning also screamed.

Xiao Zhan is completely desperate, Xiao Hongyun and his son are no different from animals.

"Not only you two, but the others, too!"

At this moment, Lu Ming suddenly spoke.

"Hey, boy, you are right!"

A sneer sounded, the figure flashed, and there were more than a dozen people in the hall.

Ling Kai, as well as several young people who were in the air before, were among them.

It was Ling Kai who spoke just now.

In addition to Ling Kai, there are more than seven or eight middle-aged or elderly people.

Not only were they poisoned, they also called helpers, foolproof.
