

THE DOMESTIC HERO

Chapter 4 - expert

...

“Sister Nanlian, I see if” She “will appear in a moment and a half, let’s listen to how the wicked kid whispered us in the back.” Guan Nuo clicked the car control audio, after two noises, Wang Yan’s voice came from the car stereo, “Uncle Cao, it was you who sent me to the hospital yesterday? Thank you so much.”

“Xiao Nuo, did you install a bug in him?” Nan Lian’s face slightly chilled.

“Sister Nanlian, that stupid kid suddenly appeared to harass us. I have reason to suspect that he is the same party as her.” Guan Nuo said seriously, “You don’t educate me often, the enemies are very cunning and cruel. Be brave. Careful, can’t let go of any clues? “

“I think you were reluctant to be taught, and wanted to find a chance to retaliate.” Nan Lian stared at her coldly through the sunglasses.

“I’m not revenge, I want to debunk his true face.” Guan Nuohuan hugged his hands and sneered, “I was wrong before, he was accused by me. But I don’t believe this stink boy is a good person, Do n’t take off his hypocritical skin, I ’m sorry for the name “Miss Ben” in “Lengyan Shuangsha”. “

“I said, I reject this tasteless nickname!” Nanlian’s mouth twitched slightly.

...

“Xiao Yan, the uncle really admires you, and dare to help the old lady who fell down without any recklessness.” Cao Dagong said with a half-cut cigarette, shaking Pu Fan with emotion, “This sense of justice, this man’s bloody. Than Uncle Qi, when I was young, I did n’t want to let go. “

“Uncle Cao, you laughed, I just didn’t graduate from college long before, and the childishness hasn’t faded.” Wang Yan also ordered a cigarette, and after breaking up with his first love girlfriend, he got into the habit of smoking.

“Xiao Yan, Uncle sees you at first glance. Everyone likes picking up girls.” Cao Dagong touched his chin’s beard and said hoarsely, “Fate, this is fate.”

Wang Yan was black and almost choked on smoke. What is it called? Uncle, where do you see that brother likes picking up girls? I only talked about one girlfriend in my life and broke up for three months. I never thought of going to be a girl.

“Pretend, what’s in front of the uncle? Ordinary people will feel a bit soft when they see the luxury car.” Cao Dagong hooked his shoulder and squeezed his eyes in comprehension. “And you are watching When the two women driving the sports car. Only after 0.5 seconds, they resolutely took action. This courage, courage, and decisiveness, is not something that can be done by ordinary girl masters. “

“Uncle Cao, you misunderstood.” Wang Yan explained with a smile, “They are the people who almost knocked down Mrs. Zhang yesterday. I’m going to count them. I hope they will pay attention to it in the future. If something goes wrong, no matter what Neither the victim nor the perpetrator is good. “

“Oh, pretend, pretend to be in front of your uncle.” Cao Dagong touched the **** Hu Zizai, patted his shoulder inexplicably and said, “I just glanced at the distance, those two girls But they are all superb. Rich, young, beautiful, and

temperament. Women of this level, the people who usually chase them must be out of a few streets, what kind of suitors have not seen? Is it to listen to two flattery good words? Can you be tempted? You play this trick very well, and it is called doing the opposite. “

“Uncle, I really don’t mean that.” Wang Yan laughed and shook his head. “I’m a poor kid like me who can’t even support myself. What are the qualifications to go for it. No, yuck, go chase someone?”

“That’s why Uncle said you’re smart.” Cao Dagong disassembles and analyzes the peerless love scene master who has seen the world’s feelings. “They are girls of this level, good words, soft words, love words, and ears. They have built a high psychological defense line against the suitors. They scolded her, humiliated her, and the more fierce the cruel, the better. First, they inadvertently relieved their precautionary psychology, and secondly, suppressed them from the top. The superior psychology. Three times, you left them with a very deep, fresh, and stimulating impression. Four times, they will hate you, remember you, and even want to retaliate against you, so that the two sides have further opportunities for contact. , Your righteousness and strict words will plant a seed for their psychology, this guy is essentially a good person, leaving a big reason for the final reversal of the hanging wire attack! In summary, Xiao Yan, you have reached the expert level of picking up girls Level! “

“Uncle! I’ve taken it!” That set of theory made Wang Yan stunned and couldn’t explain it if he wanted to explain it. He simply went to curse people, he could analyze such a big truth, Niu, it is Niu! This uncle is really a master in the city.

“It’s good to serve. You want to put garlic in front of your uncle with your skill. It’s a little bit worse. Haha ~” Cao Dagong smugly patted his shoulder and said, “But you are still young. One day you will reach the highest level of uncle pick-up. “

“This, uncle. What is the highest realm of picking a girl?” Although he was distorted his intentions, Wang Yan couldn’t help but curiously asked, “Give me some knowledge about science?”

In fact, it was n’t just Wang Yan. Maserati ’s pair of “cold and glamorous” also looked at each other. Where is such a needy uncle?

The theories that have been pulled out are really a set, and it makes sense to think about it carefully.

Guan Nuo was cold all over, and was terrified after trembling. Fortunately, a bug was installed. Otherwise, maybe give the Raiders expert a guide.

Anger returned to anger, but Guan Nuo was also drawn out of a strong curiosity. Just listened to the analysis of the untidy uncle, the “pocket girl expert” level has been incredible, and the domineering “pocket girl is the highest state.”

Earlier, Guan Nuo, who was still gritting his teeth, raised his ears and turned up the volume of the eavesdropping audio. .. Now men, it ’s really a set. ”

Although the female Nan Lian in the sunglasses still looks cold, she unknowingly raised her ears. Obviously, I am also very interested in the so-called highest state of picking up girls.

...

“The supreme state!”

Cao Dagong shook a few cracked fans, his eyes closed slowly, and he stood like that. When a gust of wind blew, his colored big pants wobbled gently with the wind.

The scorching sun shone on his face, as if to give his beard and dregs face, shrouded in a glorious light, dazzling people can not look directly.

“It’s very simple, three words!”
