

DADDY CEO'S BELOVED WIFE

Chapter 1 Excerpt:

"Mommy, I want to eat dinner with daddy," the little one said.

Xueyi couldn't resist her son's charm and reluctantly said yes.

The next day.

"Mommy, I heard from my classmates that they sleep with their parents. Can I call daddy to sleep with us?"

Xueyi rejects the idea but when her son started to cry and throw a tantrum, she finally gave in.

And the next day, again.

"Mommy, I want a little sister from mommy and daddy. Go and make one for me!" the little one demanded and then winked to his dad who was standing behind him.

But things didn't end there as the father of her child started to demand things from her just like their son.

Husband: "Wife, I got a free ticket to M country. We can treat this as our honeymoon vacation and make a baby sister to our son."

p Xueyi: "Scram! Sleep on the sofa!"

Thus, starts Xueyi's life filled with love from both her husband and son.
