

## Daily Life 1341

### Chapter 1341 Miss Is In Love

Perhaps it was some secret cultivation technique?

This was grandfather Sun's first reaction when he saw the USB drive.

After all, it was a gift from grenade-throwing senior immortal, the sect Master of the war sect!

He couldn't be that stingy.

Sun Yiyuan quickly ordered someone to bring Lotus Sun a laptop.

"Lotus, take a look; there might be something important inside. Grandfather, please excuse us."

Grandpa Sun smiled and then stood up.

Everyone had their own privacy, which needed to be respected.

Grandpa was a reasonable person.

On the other hand, he also knew the character of those people from Zhan Zong.

What was stored in the USB was definitely not some random stuff.

As long as he knew this, it was enough.

"Eh? Grandpa, aren't you going to read it?"The girl wanted to share it with him.

"This is something your friend left for you. It's not appropriate for Grandpa to read it."Grandfather Sun shook his head. "If you have something to do, just press the call button by the bed. Grandpa will be right next door with you."

He pushed all the work in the group aside, intending to spend some time with his precious granddaughter in peace.

“Thank you, Grandpa.” Lotus Sun’s eyes curved into crescents.

Then, full of curiosity, she plugged the USB into her laptop and plugged in her headphones..

..

The first thing she saw was the USB that grenade-throwing senior immortal had sent over.

Inside the USB was a video that grenade-throwing senior immortal had recorded himself.

This was a video that grenade-throwing senior immortal had recorded in his office.

In the video, grenade-throwing senior immortal was still wearing a familiar white body-trimming Daoist robe, and his long black hair hung down naturally as he stood up straight.

“Miss Sun, when you see this video, you might be confused as to why a sect master of the war sect would record such a video for you.”

Grenade-throwing senior immortal said slowly, “First of all, I want to tell you that you’ve already lost a part of your memory...”

The entire video lasted for about fifteen minutes.

After the girl watched it carefully, although the memory images in her mind hadn’t completely recovered, she seemed to have a rough understanding of the sequence of events.

In addition, Lotus Sun heard a familiar name from grenade-throwing senior immortal’s introduction: Wang Ling.

“Student Wang Ling, you’re actually so amazing...”

The expression on the girl's face changed to one of shock when she first heard it.

She hadn't expected that.

All the incidents had actually started because of her.

And Wang Ling had silently done so many things for her..

Grenade-throwing senior immortal had narrated the entire incident from his point of view, so there were naturally some omissions, but the advantage was that it was logical and well-organized.

As the sect master of the war sect, there was no need for him to fabricate such a story and especially give it to her as a gift.

Of course, if this was just grenade-throwing senior immortal's words, the young girl might still have some doubts.

But right now, she had three USB drives in her hands.

The second USB drive had been sent by Heavenly Dao, who had disguised himself as a battle sect disciple.

In the video, Heavenly Dao strength sat upright in front of the table God of the Heavenly Dao Council and said in all seriousness, "Hello, Miss Sun, I'm Heavenly Dao strength. When you see this video, you may have already lost a part of your memory..."

The video left behind by Heavenly Dao couldn't help scaring the girl even more.

Heavenly Dao had descended to the lower realm..

She had never heard of such a thing before.

And most importantly...

It was actually related to Wang Ling again.

“So student Wang Ling’s family owns Heavenly Dao...”

Lotus Sun felt that there was a lot of information!

But after watching the second video left behind by Heavenly Dao, she had a clearer understanding of the whole incident.

Heavenly Dao’s narrative angle was different, and on the basis of grenade-throwing senior immortal’s narrative, he added a lot of details.

Because all Heavenly Dao’s memories were shared, when the Heavenly Dao of death was always by the girl’s side, the memories of the Heavenly Dao of Death also flowed into the minds of the other Heavenly Dao.

So the Heavenly Dao of Power’s narrative was actually what the Heavenly Dao of death had seen when he had been by the girl’s side.

Now, there was only one USB drive left..

It had been sent by senior Odd Zhuo!

What details would senior Odd Zhuo add to her?

Lotus Sun changed the USB drive out of curiosity.

There was another video inside..

Odd Zhuo had been standing up to record it for her.

However, when she clicked on the play button, Lotus Sun felt as if she had received a critical hit.  
“Hello, mistress, when you see this video, you may have already lost a part of your memory...”

From grenade-throwing senior immortal's narration with Heavenly Dao, she already knew that Odd Zhuo's master was actually Wang Ling.

So what mistress was saying was..

The girl's face instantly turned red!

Lotus Sun felt that her brain was a little muddled, and she couldn't listen any longer, so she shut her computer with a bang.

It wasn't for any other reason.

It was because Odd Zhuo's narrative process was a little "Vulgar" and he had been chuckling like an aunt the whole time. He was completely different from the serious senior Odd Zhuo she had known all this time!

There was actually such a side to senior Odd Zhuo..

The young girl found it inconceivable.

When she came back to her senses, Lotus Sun realized that the screen on her laptop had actually cracked because she had shut it off too forcefully.

This noise alarmed grandfather Sun, who was next door.

Grandfather Sun instinctively thought that his granddaughter had fallen off the bed, so he hurried over to check on her.

"Lotus? Are you okay? !" Grandfather Sun opened the door and came in, his face full of worry.

Only when he saw Lotus Sun sitting perfectly fine on the bed did he heave a sigh of relief.

"I'm Fine, grandfather... I just turned off the computer too hard..." the girl said.

“It’s fine, it’s just a computer. Just change it to another one.”

Grandfather Sun looked at Lotus Sun and felt that something wasn’t quite right. “Lotus, why is your face... So Red?”

“Red... Red...”lotus sun instantly became nervous.

She thought of Odd Zhuo calling her master’s wife just now, and her heart began to beat uncontrollably.

Lotus Sun’s heart rate and blood pressure were rapidly increasing on the heart-monitoring equipment at the side.

The entire machine had even sounded an alarm.

Grandfather Sun was instantly filled with anxiety.

At the same time, he was very puzzled.

She had been fine just a moment ago, but why did her data suddenly become abnormal?

..

Five or six minutes later, after examining Lotus Sun, the doctor on duty invited Sun Yiyuan out of the ward.

Grandfather Sun was nervous, but he still showed an expression that said he was ready. “Doctor... Tell me, what’s wrong with my granddaughter? I’m already... Ready.”

“No, Mr. Sun, don’t worry. I’ve said before that Miss Sun is very healthy. There’s nothing wrong with her.”The doctor shook his head.

“But her heartbeat is abnormally fast...”

“Excuse me, does Miss Sun have someone she likes?”The Doctor asked bluntly.

“There have always been many people who pursue Rongrong. But I’ve never seen Rongrong really fall for anyone.”Grandfather Sun shook his head.

“Is that so?”The doctor smiled meaningfully.

Old Man Sun was not stupid. The Doctor had already hinted so clearly. It was impossible for him not to guess. “Doctor, what you mean is...”

“Miss Sun is in love.”

“In Love?”Old Man Sun was shocked. “Which family is this kid from? How much do you like him?”

“I like him as much as my heart beats.”

The doctor said concisely, “But as for who he likes, Mr. Sun will have to ask for himself.”

“I understand. Thank you, Doctor...”Grandpa Sun nodded.

..

That night was destined to be a sleepless night for Grandpa Sun.

He never thought that his precious granddaughter would be so moved by a person..

Of course, this “Person”.

Grandfather Sun had guessed it based on instinct.

Considering the girl’s feelings, he didn’t directly ask Lotus Sun who she liked.

But from grandfather Sun's point of view, the answer was already obvious.

He had spent so much effort to save her granddaughter, and had even sent her a gift.

Perhaps that USB drive contained some sort of confession video..

It made sense!

Everything made sense!

In the middle of the night, grandfather Sun paced back and forth in front of Lotus Sun's bed in the next room, trying hard to think of words.

It was around 2 a.m. on Wednesday, December 2nd.

Grenade-throwing senior immortal had received a message from grandfather Sun.

Sun Yiyuan: "Senior Immortal, I'm really sorry to bother you so late at night. I'm very grateful to war ancestor for helping my sun family, but my granddaughter is only 16 years old after all... so I absolutely won't agree to this marriage between senior immortal and Lotus!"

Grenade-throwing Senior Immortal:"

Chapter 1342 The Price Of Disobedience

When Old Man Sun had learned that the person Lotus Sun liked was grenade-throwing senior immortal.

For the first time, he had the urge to smash his head into tofu.

Although love could span ages..

This span was too big, and it could easily reach his waist!

At the age of sixteen, how could lotus have taken a fancy to sect Master Zhanzong? !

He felt that young people were too impulsive.

At times like this, it was definitely necessary for the old man in the family to come out as a tranquilizer to calm his love-struck mind.

Of course, there was another very important reason why the old man was strongly opposed to this marriage, which was that someone had entrusted him to act as grenade-throwing Senior Immortal's matchmaker..

What should he do now?

Old Man Sun himself didn't know what to do.

Zhan Zong and Huaguo Water Curtain Group were currently partners.

Even if he couldn't become a grandson-in-law, he was still a friend.

At least in terms of wording, he had to be extra careful.

He couldn't directly throw money at the other person's face like he usually did, and then ask, "How much money do you really want to leave my precious granddaughter? !"

Sun Yiyuan felt that he couldn't imagine such a scene on grenade-throwing senior immortal, and it didn't fit.

The most important thing was...

This was a huge matter!

It was also a matter of his precious granddaughter's reputation..

He absolutely couldn't let anyone else know.

He could only personally come out and negotiate in private.

While he was frowning, grandfather Sun's phone rang.

It was grenade-throwing senior immortal on the phone..

..

..

When grenade-throwing senior immortal received a text from Grandpa Sun,.

For the first time, he had the impulse to smash his head against the broccoli.

His flash drive is not for Miss Sun complete memory with it!

How did it suddenly become against his marriage to miss sun!

For a moment, grenade-throwing senior immortal shivered.

He almost couldn't even hold his phone steady..

Old Master Sun wasn't the only one objecting to this marriage.

Even if he were to be asked to be the son-in-law of the Sun family with eighty large palanquins,.

He wouldn't have the guts!

Then here was the problem.

How did this misunderstanding come about..

Grenade-throwing senior immortal couldn't fall asleep at this moment after being greeted by Old Master Sun's text message.

He felt that he had to explain everything as soon as possible before things got out of hand.

After calling Old Master Sun on the phone, grenade-throwing senior immortal looked very aggrieved.

As soon as he picked up the call, old master sun said, "Senior Immortal! You finally called! It's fine! You can slowly state your conditions... we can discuss it as long as you don't get together with Rongrong."

Grenade-throwing senior immortal didn't know whether to laugh or cry. "I actually don't want to get together with Miss Sun..."

"Senior Immortal, don't tell me you still want to be in a relationship?"

"..."

Grenade-throwing senior immortal took a deep breath. "Mr. Sun, calm down! I think there might be a misunderstanding!"

"What misunderstanding? After my granddaughter received your war sect's USB drive, her heart raced! The Doctor said that Rongrong was in love, so I think there must be some sort of confession video recorded inside, right?"

"Mr. Sun didn't see the video?"

"No, this is Rongrong's privacy."

"But what Miss Sun received wasn't Just My USB drive... What makes you think she likes me, Mr. Sun?"

Sun Yiyuan was stunned at these words.

Soon after, grandfather Sun was suddenly stunned. “Could it be that Rongrong likes Odd Zhuo? !”

Grenade-throwing Senior Immortal:”? ? ? ? ?”

Well..

There was no point at all!

Compared to grenade-throwing senior immortal..

Actually, grandfather Sun couldn't accept Odd Zhuo even more.

There was no other reason, mainly because he didn't like his hair.

Every time grandfather sun saw Odd Zhuo's curly hair, he had the urge to cut it off..

Helpless, grenade-throwing senior immortal could only remind him further. “Grandfather Sun, do you still remember that not long ago... Miss Sun actually confessed?”

Grandfather Sun was confused. “Rong Rong confessed? When did that happen?”

As soon as he said this, grenade-throwing senior immortal sensed that something wasn't right about the whole thing.

At that time, Lotus Sun's confession of Wang Ling had caused a sensation on the internet.

Although it had been quickly suppressed afterward, it was reasonable to say that with grandfather Sun's memory, it was impossible for him to completely forget it.

Could it be that the effects of Death's Tiandao Brothers'“Physical amnesia”had been applied too forcefully, coupled with the effects of the “5% directional global amnesia”spell... it had directly caused grandfather sun to suffer from “Sequelae”intermittently, the effects of amnesia had been enhanced, and he had forgotten things he shouldn't have forgotten?

After thinking it over, grenade-throwing senior immortal felt that this was the most reasonable explanation.

If brother Ling didn't exist in Old Master Sun's current memory, then...

It was indeed possible that his current action of giving her a USB drive would arouse suspicion..

Now that Sun Yiyuan no longer remembered Lotus Sun's confession,.

Grenade-throwing senior immortal felt that if he brought it up again, it would probably complicate the whole matter even more.

He took a deep breath, he explained everything in detail. "Mr. Sun, you've misunderstood. I'm 100% sure that the person Miss Sun likes isn't me, nor is it the person who gave her the present this time. Anyone... The person Miss Sun likes is in No. 60 High School."

Grenade-throwing senior immortal felt that this was the best he could do.

The best outcome for the rest of the matter was to wait for Old Master Sun to calm down before recalling it.

"Then... Then I'm Really Sorry Senior Immortal for disturbing you so late."

This time, it was Old Master Sun who was a little embarrassed.

He believed what grenade-throwing senior immortal had said.

The dignified sect master of the fighting sect.

He wouldn't lie to him about such a personal matter.

After hanging up, old master sun also rubbed his chin and fell into deep thought.

So Rong Rong had confessed to someone before?

This was a big deal!

It was impossible for him not to remember..

Sun Yiyuan was calling Jiang Xiaoche to ask about the situation.

At this moment, a sweet female voice suddenly rang in his ear. "His name is Wang Ling."

"Who is it?"Sun Yiyuan stood up in shock.

However, the room was empty, and no one had appeared.

Grandfather Sun hadn't noticed.

In the blind spot in his line of sight.

A figure was rapidly spreading out through the gaps..

..

At that moment, Sun Ying 'ER's expression was a little excited.

So taking revenge on Wang Ying was such a straightforward thing!

Heh! She had asked her to delete the information on the cloud disk because she didn't want Lotus Sun to know about Wang Ling!

She went the other way!

Here, after reminding Grandpa Sun, Sun ying-er quickly came to Lotus Sun's room.

She did not reveal her figure, but directly in the form of a shadow, whispered in the girl's ear,  
“Cloud-disc-small-ben-ben-”

But as soon as she said it,.

A more domineering shadow crept up behind her.

“HMM?”

The familiar voice made Sun Ying Er's whole body stand up.

“I . . I didn't do it on purpose... really!”She tried to pass the test with cuteness.

Then, there was no “Then”.

Sun Ying Er's shadow was dragged out by Wang Ying..

Chapter 1343 Wang Ying's Punishment

The moment she was dragged out by Wang Ying, Sun Ying 'er had already realized that things were not looking good.

In front of this man who was comparable to a tyrant, she could not use any of her powers. She was like a fish on a chopping board... No, perhaps even more pitiful than a fish!

At the very least, the fish could still struggle, and she didn't even seem to have the right to struggle..

“I knew you wouldn't be honest.”

Wang Ying took Sun Ying 'ER's hand and dragged the young girl through the Earth's atmosphere to the Moon.

The Moon Spirit was terrified..

The last time Wang Ling had repaired it to seventy or eighty percent, he had been in a hurry to do other things.

The remaining part of the Moon Spirit had no choice but to heal itself.

Seeing Wang Ying come to the Moon with Sun Ying 'er, the moon spirit suddenly felt a wave of despair.

He was afraid that Wang Ying would use his infamous "Planet Wall Knock Spell" again..

In the entire galaxy beyond the Milky Way, the spirits of the major planets were wailing in anguish at Wang Ying's incomparably domineering move, but they had no way to complain, nor could they report it at all.

After landing on the Moon, Wang Ying felt the ground under his feet tremble slightly, and he immediately knew what the spirit of the Moon was thinking.

He smiled. "Moon Spirit, don't worry. I'm just borrowing a place today. It Won't hurt you."

Hearing this, the spirit of the moon heaved a long sigh of relief.

"You, can you not be so rough every time..."Sun Ying 'er pretended to be scratched by Wang Ying. In fact, Wang Ying's little bit of strength could not really hurt Sun Ying 'ER.

After all, she was a void master. How could her body be so fragile.

"I told you to be more obedient. You didn't listen, so I could only treat you this way."

Wang Ying used his thumb to Scratch Sun Ying 'er's claw mark. "If you don't learn, you will suffer in the end. "Have you forgotten the Mark I left on your body? "As long as I want, I can track you no matter when or where!"

"HMPH, don't be too full of yourself. In any case, it's all over now! Rong Rong already knows everything!"

“So what if she knows?”

Wang Ying shrugged indifferently. “In any case, your master is just a piece of wood. It’s impossible for him to develop feelings for others.”

Sun Ying ‘er was in disbelief when she heard this. “You already know, yet you still...”

But soon, Sun Ying ‘er understood.

Wang Ying did it on purpose!

He had already predicted that she would not follow the orders!

That was why he had set up this trap and waited for her to fall into it!

He was waiting for her to make a mistake and then punish her..

Eh... What a pervert!

Sun Ying ‘er could not help but shiver when she thought of this. Goosebumps rose all over her body.

“Ha, you’ve finally discovered it?”

At this moment, Wang Ying suddenly took a step forward and pressed Sun Ying ‘er directly onto the ground of the Moon.

He grabbed the girl’s wrist and raised it above her head. His ten fingers were interlocked as he firmly suppressed her.

The incomparably familiar posture of the wall-banging caused Sun Ying ‘ER’s heartbeat to instantly quicken.

The girl's face was flushed red as she turned her face to the side. "You said that... you wouldn't do the wall-banging today..."

"This is to help you remember the punishment from before. The mistake you made today is worth 407 planet Wall Knocks. I've already remembered it."

"Why is it 407 times! ! So spicy! !!"Sun Ying 'ER protested.

"I'm happy. The number was randomly chosen by me."Wang Ying chuckled. "If you behave yourself in the future, I can reduce your sentence."

"Then why don't we just exempt you!"Sun Ying 'er felt that she had seized an opportunity.

"It's impossible to exempt you. Otherwise, wouldn't my planets have been built for Nothing?"

Wang Ying said, "Previously, I caught you deep in the western part of the outer galaxy and crashed into thousands of planets. It was indeed a little excessive. So now, I've already sent the splinter body over to repair it. It will probably be repaired by tomorrow. When it is repaired, I will bring you over to carry out the execution."

In Wang Ying's opinion, when dealing with a dishonest woman like Sun Ying 'er, who was full of treachery, punishment was absolutely necessary.

Sun Ying 'ER's face was full of grievance. "Why do you understand... I feel that the day after tomorrow, the Day After Tomorrow, the day after tomorrow will be the same! You have to give me a chance to reduce my sentence!"

"I don't want you to think that, I want me to think that."

Wang Ying pinched Sun Ying 'ER's face, which looked very thin but felt very good, and carefully felt the soft touch from his fingertips.

He felt that the young girl was about to cry from his pinching, and he could not help but laugh in his heart. “Are you a fruit? You can make water flow just by pinching? Does the void master love to shed tears so much?”

“Who... who is crying!” Sun Ying ‘er pursed her lips and puffed up her cheeks, trying to hold back her tears.

“Very good.” Wang Ying gently brushed away the tears hanging on the girl’s eyelashes. “In the future, Don’t Cry in front of me. This is the fourth rule I have set for you.”

“Devil! You Are the Devil!”

Other than the Devil, Sun Ying ‘er felt that she could not find any other words to describe Wang Ying.

“It seems that your understanding of me is not very clear.”

Wang Ying let go of Sun Ying ‘ER’s hand.

A man and a woman had been standing on the ground for an unknown period of time.

At this moment, Wang Ying stood up from the ground. “In addition, your Lord has something he wants me to ask you.”

“Hmph, who wants to tell you! The Devil is a big pervert! No! It’s a big pervert!” Sun Ying ‘er cursed in a very soft voice, as if she had used up all her strength.

However, in Wang Ying’s eyes, this kind of angry scolding under the tone of voice sounded like a spoiled child.

Not only did it not anger others, but it made Wang Ying feel even more like he wanted to bully Sun Ying ‘ER.

He tried hard to restrain his impulse to “Bully” Sun Ying ‘er, and tried to say in a calm tone, “Good answer, you can reduce your sentence. Think about it.”

“I’ll say!”Sun Ying ‘er quickly nodded.

When she thought of the 407 Planet Wall knocks tomorrow... her entire despair could almost be written on her face!

At this juncture, it would be better if she could reduce it a little.

“After you become the void master, what will happen to the Old Void Master?”Wang Ying asked.

“Of course I’ll Retire! Anyway, the void creatures can’t die,”Sun Ying ‘er replied.

“Very good.”Wang Ying nodded in satisfaction. “I have a second question.”

“Tell me first... I might not know...”

“Do you know anything about the fortune-teller? Since You’re Miss Sun’s shadow, I think I might have heard something about that fortune-teller.”

“Isn’t he just a charlatan? I’ve seen his appearance.”

Sun Ying ‘er said.

However, when the words reached her mouth, her mind suddenly went blank. She couldn’t remember anything!

This feeling made Sun Ying ‘er extremely terrified. “That’s not right! It’s clearly in my mind... But why can’t I remember it all of a sudden? !”

Sun Ying ‘ER’s expression was unusually anxious, and those tears started to roll in her eyes once again.

Wang Ying judged that Sun Ying ‘er did not deliberately not cooperate this time, so he did not blame her.

But he did not understand why Sun Ying ‘er was so anxious, and so anxious that she was about to cry.

“It’s okay if you don’t remember. I Don’t Blame You,”Wang Ying said.

“Really?”Sun Ying ‘er could not believe it.

“Really.”Wang Ying nodded.

Wang Ying could actually say human words from his mouth.

She was afraid that Wang Ying would punish her again if she didn’t answer him.

“Then how much can my answer reduce my sentence?”Sun Ying ‘er asked at this time.

“406.”Wang Ying answered.

“406? That’s a lot!”Sun Ying ‘er was instantly pleasantly surprised.

“No, there are still 406 times left. Reduce your sentence by one. According to the value of your answer just now, it’s only worth that much.”

“Wang Ying, just you wait. Sooner or later, I will definitely escape to a place where you can’t Catch Me...”Sun Ying ‘er stared at Wang Ying, her pouty little mouth gnashing her teeth.

“You can try.”Wang Ying spread his hands and revealed a confident smile.

Chapter 1344 Love Experience Exchange Meeting

Sun Ying ‘er was forced by Wang Ying to write the first review on the Moon before she was released.

In the wording of the review, Miss Ying ‘er vividly showed how the word “Humble”was written..

She didn't have the guts to act rashly in front of Wang Ying.

But when she actually wrote the self-criticism, she had already cursed Wang Ying more than eight thousand times in her heart.

She had to curse ten times for every word she wrote.

Wang Ying didn't know where Ying 'er learned these hurtful words.

They didn't seem to be duplicated..

She was even more Zu 'an than Zu 'an players.

In this regard, Wang Ying set the fifth rule: "Don't let your thoughts run wild when writing, or you might increase the number of words in your composition."

"Skip!" Sun Ying 'er knew that she couldn't resist.

She could only stretch out her fingers, pull at her eyelids, and stick out her tongue.

Using this kind of behavior to declare her dissatisfaction.

She was just like a childish ghost.

So that night, Wang Ying gave Sun Ying 'er a new nickname, Ying was three years old.

..

When Wang Ying released her, Sun Ying 'er found Lotus Sun and Liu Qingyi video chatting.

Both girls were blushing slightly, and seemed to be discussing something enthusiastically.

“What are you guys talking about?”Sun Ying ‘er hurriedly moved over and transformed into her shadow form and stuck to Lotus Sun’s side.

There were often people walking around the hospital, and grandfather Sun was right next door.

Sun Ying ‘er was worried that her human form might be discovered by others, so she made this decision.

Compared to her human form, her shadow form was safer.

Seeing that Lotus Sun didn’t seem surprised at all when she heard her voice, Sun Ying ‘er immediately knew that Lotus Sun had already remembered her existence!

Hehe!

As expected of My Woman!

As expected of Rong Rong!

“Miss Ying ‘er, have you finished writing your self-criticism? Your attitude is very sincere. We’ve all watched it.”On the other side of the video, Liu Qingyi couldn’t help but smile when she saw Sun Ying ‘er return.

At the thought of her self-criticism being “Publicly executed”.., sun Ying ‘ER’s shadow became red. “He... He’s too much! Why does he have to show everything to others! This Wang Ying! I’ll definitely teach him a lesson in the future!”

“Haha, Miss Ying ‘er, don’t be angry. Actually, it’s nothing much. Director Ying is giving you a push.”

Liu Qingyi smiled. “Even if you cultivate in the void world for a hundred years, I’m afraid you won’t benefit as much as if you stay on Earth for a year. There are benefits to following Ling Zhenren. If you really hate Wang Ying, all the more reason for you to stay on Earth.”

“Is that so...”Sun Ying ‘er was skeptical.

“And in essence, your abilities all start from the Shadow Dao, which is also Ling Zhenren’s sister’s ability to create the Great Dao. If you want to win against Wang Ying, you have to curry favor with Ling Zhenren’s sister,”said Liu Qingyi.

“Mm! I understand!”Sun Ying ‘er nodded.

It had to be said that Liu Qingyi had given her a new way of thinking!

She wondered why she couldn’t use Shadow Dao ability in front of Wang Ying all this time!

It was probably Ling Zhenren’s sister who had given the hateful Wang Ying some special privileges.

HMPH! What a shameful authority dog!

According to Liu Qingyi’s directions, as long as she could curry favor with Ling Zhenren’s sister in the future and obtain the same special powers as Wang Ying, then she wouldn’t have to fear Wang Ying anymore!

At the very least, she could get rid of Wang Ying’s pursuit.

Sun Ying ‘er now felt that her hatred for Wang Ying was about to reach a critical point.

The Claw marks Wang Ying had left on her wrist were like golden hoops on Sun Wu’s head, making Sun Ying ‘er want to take them off at all times.

“Rong Rong, what are you guys talking about? I think it’s quite lively.”

At this moment, Sun Ying ‘er asked.

She wanted to join in the conversation between the two girls.

“It’s nothing... it’s just some...”Lotus Sun’s face was burning hot, and the words on the tip of her tongue became a little embarrassed.

Liu qingyi quickly continued, "It's nothing, it's just some talk about experience in love."

"Experience in love? But we're all single here!" Sun Ying 'er found it a little funny.

"I'm afraid that the two of you have not really been in a relationship. This old lady has quite a lot of experience." Liu Qingyi slapped the table and said with a smile.

She was indeed currently single.

However, when she was still that high and mighty young lady of the Liu family above God's domain, there were many suitors!

And among so many suitors, it was inevitable that there were quite a number of ex-boyfriends.

And this was what Liu Qingyi called "Experience."

"It seems very interesting!"

Sun Ying 'er said, "Then what kind of experience do you have? For example, the experience of tongue-kissing and silking?"

"Ying 'er!"

When Lotus Sun thought of this, steam started to rise from the top of her head again.

Who Knew Why Sun Ying 'er, as her own shadow, would be so bold!

Lotus Sun couldn't figure it out..

But...

Student Wang Ling's shadow Wang Ying seemed to have the opposite personality from student Wang Ling.

He was the very domineering type..

Thinking about it this way, Lotus Sun instantly felt much better.

Because she didn't seem to be the only one who was troubled.

"Ahem..."

Liu Qingyi cleared her throat. "Every girl or boy goes through the process of falling in love. Although I have experience, it's only limited to emotional matters. I don't know about other conveniences. You need to explore on your own."

"Explore on your own? Can you be more specific?" Lotus Sun felt that Liu Qingyi's words were very vague.

Liu Qingyi facepalmed and didn't know whether to laugh or cry. "This can only be explored on your own. Do you want me and Miss Sun to simulate tongue-kissing?"

Lotus Sun and Sun Ying 'er...'...

"But I still need to remind you here!"

At this moment, Liu Qingyi acted like a big sister and said, "Whether it's a girl or a boy, falling in love is one thing, but you must learn to cherish yourself! "Miss Sun is so smart, so I think it should be very easy to understand."

"Yes, yes, I know." Lotus sun nodded.

"Then, if you have any other questions, you can ask me." In the video, Liu Qingyi smiled.

"I do!"

Sun Ying ‘er volunteered. “Miss Liu, how many boyfriends do you have?”

“I can’t remember. A lot, I guess,”Liu Qingyi said.

She didn’t avoid it, but really couldn’t remember.

But even with so many ex-boyfriends, Liu Qingyi was still able to fully “Cherish yourself.”.

Among all these ex-boyfriends, Liu Qingyi remembered that she had only kissed one “Ex-boyfriend.”.

There were many who couldn’t even hold her hand.

Now that these memories had been brought up by Sun Ying ‘ER’s words, it made Liu Qingyi nostalgic.

Lotus Sun was about to ask a question when she heard Sun Ying ‘er ask another question. “How many times did Miss Liu Sleep with her? !”

Hearing this, Lotus Sun spat out a mouthful of water onto the screen.

Liu Qingyi was resolute. “Not once!”

Sun Ying ‘er: “Wow! Then aren’t you a thousand-year-old virgin? !”

The corners of Liu Qingyi’s mouth twitched.”...”

She finally understood why Wang Ying couldn’t help bullying Sun Ying ‘er..

Chapter 1345 Love Experience Exchange Conference (2)

Lotus Sun didn’t have Sun Ying ‘ER’s straightforwardness and venomous tongue.

It could only be said that she was indeed Miss Lotus Sun's shadow... the difference in personality was really obvious.

And the key point was that although Sun Ying 'er was venomous, Liu Qingyi couldn't get angry at all.

Ying 'er's voice was too soft. Even if she heard something outrageous, all she could think about was pinching this girl's face.

"Miss Lotus Sun, if your personality can complement your shadow, I think it might work." Liu Qingyi smiled in the face-to-face video.

"Work what?" Lotus Sun felt her body inexplicably heat up.

"With Ling Zhenren! You have to take the initiative to drill nails into that kind of wood to have a solid relationship!" Liu Qingyi analyzed.

"That's right, that's right!" Sun Ying 'er chimed in.

"Miss Ying 'ER can actually help," Liu Qingyi said.

"Help? Forget it... I still want to live a few more days!"

At the thought of Wang Ying's terrible punishment, Sun Ying 'er cowered. "One day, if I get the authority, I'll definitely teach that Guy Wang Ying a lesson! I have to teach him a lesson!"

"Miss Ying 'er, I'm afraid it won't be as easy as you think to teach president Ying a lesson," Liu Qingyi said with a smile. "And why do I get the feeling that you actually don't hate President Ying."

After saying this, Sun Ying 'er instantly became excited. Lotus Sun saw Sun Ying 'ER in her shadow state, and the outline of the shadow was no longer smooth.

As if Liu Qingyi had hit the nail on the head, the outline of the shadow became as agitated as a kitten with its fur bristling.

“Who said that! The person I hate the most is him!”

After saying that, Sun Ying ‘er slipped out of the crack as if she was running away. No one knew what she was doing.

In front of the screen, Liu Qingyi was laughing hysterically. “I finally know why director Ying Likes to bully Miss Ying ‘Er.”

“Why?”

“This reaction is so cute! Even when she ran away, the shadow was red!”

Liu Qingyi couldn’t stop laughing. “Actually, maybe even miss ying-er herself didn’t expect that she might have fallen in love with CEO Ying Already.”

“AH? No Way... Wang Ying bullied him like that...”lotus sun covered her mouth slightly.

“If she’s really annoying, why is she blushing?”Liu Qingyi clicked her tongue, as if she had seen through everything. “Looks like this pair of shadows will have to start first. You Two Masters have to work hard too.”

“Classmate Liu... what nonsense are you talking about...”

Lotus sun touched her face, feeling that the temperature was rising again.

“If there’s anything you don’t understand, you can ask me at any time. Today’s tutorial ends here, Miss Sun.”Liu Qingyi smiled, and then ended the video chat.

The time was set at three in the morning.

She and Lotus Sun had chatted for less than an hour.

On the screen, the words “Video call terminated” appeared, and Liu Qingyi heaved a long sigh of relief.

Lotus Sun’s problem was finally over.

She and Wang Zhen’s matter hadn’t been resolved yet!

The Wang family was indeed all wood..

She had already hinted so clearly, so wouldn’t Wang Zhen take the initiative?

Liu Qingyi felt very tired.

However, she also had her own principles.

In matters of love, the one who spoke first would undoubtedly lose.

Therefore, she would never speak first to Wang Zhen!

Instead, she would wait for Wang Zhen to take the initiative to confess to her!

Therefore, in this situation, having a wingman who could make people jealous was very important!

“Senior Gu.” At this moment, Liu Qingyi turned her gaze to Gu Shunzhi, who was watching a drama.

Gu Shunzhi felt goosebumps all over his body when Liu Qingyi called him that. “Miss Liu, what’s the matter...”

“How about you accompany me to go shopping this afternoon? Let’s be a couple for a day?” Liu Qingyi asked.

”...”

Gu Shunzhi choked on the happy water from the fat otaku. The expression on his face was extremely shocked.”... Love? Couple?”

On the other side, Sun Ying ‘er, who was blushing from the comments, HID to write a self-reflection.

Her first self-reflection was written under the supervision of Wang Ying.

Although the words were sincere, they were not from her heart.

Now that Wang Ying was not by her side, Sun Ying ‘er could finally speak freely.

“Wang Ying is a pervert! Wang Ying is a pervert... Wang Ying! Great! Pervert!”Sun Ying ‘er wrote a self-reflection while muttering.

An 800-word self-reflection.

She repeated the words “Wang Ying is a great pervert”160 times..

Then she smoothly tossed the pen.

Heh Heh!

Complete! !

..

..

It was still Wednesday, December 2nd, at five o’clock in the morning.

Wang Ling knew that things weren’t looking good.

He already knew that Lotus Sun's memories hadn't been erased..

Everyone was rushing to assist Lotus Sun, which put Wang Ling in a very difficult position.

It wasn't the scariest thing to have a traitor in the crowd.

The scariest thing was that everyone was a traitor..

But to put it bluntly, these people were also Wang Ling's friends, and he didn't necessarily have to do anything overboard with them.

So in this dilemma...

Wang Ling subconsciously thought of running away.

Although running away was shameful, it was useful!

For a few hours, Wang Ling had been studying the BUG in his "Single spell".

He decided to fix another bug in the "Single spell"..

It wasn't difficult for Wang Ling to develop a spell.

On the contrary, it was even more difficult to check for bugs.

This was because many of the bugs in a spell could only be found through practice.

The "Single spell" was used too few times, and every time it was used, Wang Ling would find a bug, which was why he went to fix it later.

It was five in the morning.

Wang Ling had filled in the loophole in the single curse.

The single curse would never have the BUG of the reverse confession the last time..

This time, as long as he put the single curse on himself,.

Wang Ling believed that he would be completely cut off from love.

“Is this really a good thing to do? I keep feeling like something bad is going to happen.”

Lying on Wang Ling’s bed, Wang Ying rested his head on his arm as he asked.

Although he said he was concerned about Wang Ling, in reality, all he could think about was Sun Ying ‘er.

There were still 16 hours until the 406 Planet Wall knocks at eight o’clock tonight.

16 hours was 960 minutes, which was 57,600 seconds..

There was always a timer in Wang Ying’s heart.

He felt that he was a little addicted to “Bullying”Sun Ying ‘er.

God knows how he had been able to give birth to such a character shadow..

Wang Ling felt that he couldn’t understand Wang Ying more and more.

He felt that it would be very easy to have problems with this straightforward character in the future!

But it wasn’t convenient for him to ask about things between shadows.

In any case, the “Bachelor’s Curse” had already been upgraded..

Wang Ling’s anxious heart finally relaxed a little.

This time, there shouldn’t be any more bugs!

..

On the other side, grandfather sun of Huaguo Water Curtain Group.

After receiving Sun Ying ‘ER’s secret reminder, he finally smacked his head and recalled Wang Ling’s confession the last time.

“So it’s this kid!” The old man rubbed his hands together.

He had always been quite satisfied with Wang Ling.

But even if Lotus Sun was interested in Wang Ling, as a grandfather, he couldn’t force a boy to like his granddaughter!

The two of them were only sixteen years old!

There was still a long way to go!

“Someone, send me an internal secret report.” Old Man Sun waved his arm.

“Master, What’s the matter?” Jiang Xiaoche asked.

“There’s a young man named Wang Ling. Wherever he goes in the future, as long as it’s under our Huaguo Water Curtain Group... all of them will be upgraded to the highest level of service, and all the fees will be borne by our group.”

“All the fees? Including the room?” Jiang Xiaoche laughed.

“Student Wang, you won’t do such an outrageous thing! Get lost!”

The old man kicked Jiang Xiaoche’s buttocks.

Chapter 1346 Boyfriend Who Pretends To Be “Mom”?

Wang Ling realized that there was something wrong with everyone lately.

Since he was young,.

Apart from his family members,.

In fact, he had never been madly pursued by a friend of the opposite sex.

This was Lotus Sun’s first time.

This made Wang Ling a little flustered.

Even though he tried hard to pretend to be calm.

In junior high school, Wang Ling had thought that he had “A crush”on a girl.

But when he thought about it carefully later, he didn’t think that it might not have been a “Crush.”.

In Wang Ling’s eyes, that kind of feeling was like a person who loved animals and protected a kitten that was getting injured in the rain by the roadside... it was the strong’s sympathy and compassion for the weak.

So up until now, Wang Ling hadn’t been able to pinpoint his own feelings.

Emotional matters were too complicated.

He had protected Lotus Sun in the name of his classmate.

But...

Could that really be called liking?

Could it also be a kind of compassion for the weak?

If that was the case, perhaps he would let an innocent person get hurt again.

Thus, escape became the path that Wang Ling chose in front of him.

He knew he could never be as active as Wang Ying.

That kind of commitment..

That kind of excitement..

Perhaps, the existence of Wang Ying.

Is in fact what he yearns for, but tries hard to escape that heart?

Who knows.

Sleepless night, Wang Ling looked out of the window, the rising sun, another day of peace..

Wang Ling knew.

Lotus Sun's matter hadn't completely come to an end yet.

If he didn't find out who was behind it, this matter would never be quiet again.

..

..

Gu Shunzhi realized that something wasn't right lately.

First was Liu Qingyi and Wang Zhen, who seemed to have "Hit it off"... But so far, neither of them had any intention of confessing first.

In the wee hours of the morning, his mother had actually asked him to pretend to be her boyfriend.

This magical operation made Gu Shunzhi feel as if he had been struck by lightning. It was even scarier than the Divine Thunder of the Apocalypse.

Of course, this had happened without Liu Qingyi's knowledge. In order not to expose his true purpose of transmigrating from the future to Earth, Gu Shunzhi naturally couldn't expose the truth.

However, this matter still gave Gu Shunzhi a headache.

Before leaving, Gu Shunzhi logged into the "Beep-beep" Q & A platform and asked questions about the situation that was about to happen.

[ question: My mother wants me to pretend to be her boyfriend, what should I do? ]

[ answer 1: What I said just now was really awkward, so the subject doesn't want to post a picture of her mother? I think you can find me! I'm a male turtle cultivator, I have a house, a car, and a ticket! ]

" ... "

-LSB- answer12: i just got off the immortal shThankhank you for inviting me. ]. The mother of the subject must be a female cultivator who cared about her appearance and cared a lot about taking care of herself. Judging from her behavior, your mother probably doesn't have any friends of the opposite sex. Otherwise, she wouldn't have asked her son to pretend to be her boyfriend. ]

" ... "

The second answer hit the nail on the head. Gu Shunzhi was instantly rendered speechless.

It was true that Liu Qingyi didn't have any friends of the opposite sex..

Most of the other core members of the battle sect knew Liu Qingyi's identity, but they usually didn't have much interaction with each other.

It was too unrealistic to look for Odd Zhuo and grenade-throwing senior immortal to pretend to be her boyfriend.

Thus, she could only look for people from No. 60 High School, where there were very few men that Liu Qingyi could find.

She didn't have the guts to look for Wang Ling, but to dare pair up with Ling Zhenren, she had to come out and apologize! Furthermore, Lotus Sun would definitely misunderstand... it was a terrible thing for a woman to get jealous, and Liu Qingyi still wanted to continue living on Earth.

And with her current economic strength on Earth, there was no way she could beat Lotus Sun at all..

As for looking for Fang Xing, that was even more impossible.

Because she knew very well.

Fang Xing was in the same boat as Wang Ling, and he was very naughty; who knew if he would ruin her plans or something.

So in the end...

Liu Qingyi still turned her gaze to herself.

Gu Shunzhi was instantly a little tired.

Even as a person of order, he had never experienced something as novel as pretending to be his “Mother”’s boyfriend!

At that moment, Gu Shunzhi’s mind was in a mess.

He didn’t know what to say..

..

At noon, the nightmare that Gu Shunzhi had been waiting for finally arrived.

Liu Qingyi dressed herself up beautifully.

For this plan, the woman had obviously prepared for a long time. Even the clothes she was wearing were brand new -- a light purple lace one-piece dress, black stockings, and high heels.

With Liu Qingyi’s perfect figure, Gu Shunzhi could indeed sense the flirtatious mother in the wedding album..

Usually, Gu Shunzhi had always seen Liu Qingyi wear a lot of No. 60 high school uniforms. Now that she was wearing the new clothes, she really looked like a different person.

People really rely on clothes!

“What are you standing there for! Aren’t you going to change?”Liu Qingyi couldn’t help but remind Gu Shunzhi when she saw him standing there in a daze.

“Change?”Gu Shunzhi lowered his head to look at his own attire. There was nothing wrong with his casual clothes.

“You don’t have a suit? This outfit doesn’t match me!”Liu Qingyi frowned.

This kind of straight aesthetic was hopeless!

Sure enough, there was still a woman in this family who had to teach the boys how to wear a suit!

Fortunately, she was already prepared. She took out the high-end suit that she had prepared.

“Where did you get the money...”Gu Shunzhi was shocked.

“Last night, I gave Miss Sun an exchange of love experience. Miss Sun was so happy that she gave me 100,000 yuan. It was not a matter of minutes to get a suit. Now, it was more convenient to deliver it by express delivery. The spirit sword is transmitted in a direction. It will arrive in a moment,”Liu Qingyi said.

“This lesson is actually paid for?”Gu Shunzhi was shocked.

“Let me say this first. Before I confiscated Miss Sun, it was Miss Sun who forced me to give it to her. She said that she would have to trouble me with something later. “Moreover, she gave me a black card from Huaguo Water Curtain Group. As long as it’s a product of Huaguo water curtain group, there will be a 30% discount.”Liu Qingyi smiled.

Then, she took the initiative to take off Gu Shunzhi’s clothes, intending to change them for Gu Shunzhi.

Gu Shunzhi was shocked. “What are you doing...”

Liu Qingyi said, “What else can I do? I’m changing your clothes!”

This action instantly reminded Gu Shunzhi of his childhood memories when Liu Qingyi changed his clothes.

Then, it directly caused Gu Shunzhi’s memories to be temporarily confused.

Thus, in a moment of desperation, gu shunzhi spilled the beans.

“Mom, don’t move... I’ll do it myself!”

“Mom?”

Liu Qingyi was stunned.

“What I mean is... Please Don’t move, I’ll do it myself.”

Gu Shunzhi was quick-witted and immediately answered the question.

Liu Qingyi patted Gu Shunzhi’s bouncy butt and stared at Gu Shunzhi’s crotch. She couldn’t help but smile. “I’ve seen a lot of people. I’ve seen everything. Why would I care about a few taels of meat like you?”

After saying that, Liu qingyi twisted open the door handle in her high heels without looking back. “Hurry up and change. I’ll wait for you at the elevator.”

”...”Gu Shunzhi was already in a mess.

Chapter 1347 Lotus Sun’s Jealousy Plan

A luxurious red convertible sports car was parked under the building of the cadre’s apartment.

The sports car was rented by Liu Qingyi using the black card of Huaguo Water Curtain Group. The cost of renting it for one day was 2,000 yuan.

Now that she had free money, she naturally wouldn’t feel sorry for this measly 2,000 yuan.

Since it was for fishing to make Wang Zhen jealous,.

She had to get it right today.

No matter how much money she had to spend, Liu Qingyi wouldn’t feel sorry for her.

Of course, she couldn’t just go in and out..

Sitting in the driver’s seat, Gu Shunzhi discovered that Liu Qingyi was chatting with someone.

A woman's typing speed was incredibly fast.

He didn't know where she had learned lightning finger, but her typing speed was comparable to that of a Kato Eagle.

"I'm chatting with Lotus Sun," Liu Qingyi said as she typed.

"What are you chatting about?" Gu Shunzhi was curious.

"Today, you pretended to be my boyfriend, and my goal is to hook up with Wang Zhen, so I can teach you how to be jealous. I reckon that I'll spend quite a bit today, so I can't just go out of pocket!" Liu Qingyi said with a smile.

Gu Shunzhi clicked his tongue. He felt that the woman in front of him was just as his father had said. She was a calculative person!

She would never let him suffer a loss!

"Didn't you say that you wouldn't take money?" Gu Shunzhi asked with a smile.

"In name, of course, it's free. This way, I'll be doing Miss Lotus Sun a favor. And Miss Lotus Sun will definitely give me a red packet in order to return the favor. In this way, I'll do the favor and improve my relationship with classmate Lotus Sun. At the same time, accepting the red packet won't make classmate Lotus Sun feel uncomfortable," Liu Qingyi said.

Hearing this, Gu Shunzhi couldn't help but exclaim in his heart.

His mother had played this game too well, and it was really out of his reach.

"By the way, do girls really have a Friendship?"

Gu Shunzhi started the sports car and asked a very curious question.

In fact, he also wanted to hear his “Mother”’s opinion.

Although pretending to be his “Boyfriend” was very awkward.

But this was also a chance to get to know her mother better.

“Of course there is.”

Liu Qingyi replied as she typed, “The premise is that the boyfriends are not the same. Otherwise, even if they are best friends, they can turn on each other.”

”...”

Gu Shunzhi: “Where Are We Going?”

“The Changyang Cultivation Aquarium in the city center,” said Liu Qingyi.

“Why There?”

“Wei Zhi introduced Wang Zhen to a part-time job there. Although it’s a bit bitter, the salary is high. Since I want him to be jealous, of course I have to dangle in front of him.”

Liu Qingyi imagined the scene in her mind. “Imagine a man working hard in an aquarium, and then the girl who makes him fall in love suddenly brings a gigolo back and forth intimately in front of him...”

“So I’m... I’m a Gigolo?”

“It’s just an analogy, little brother. Don’t mind it so much.”

Liu Qingyi smiled. “When you imagine it like this, do you feel like you’re burning with anger?”

"I do."Gu Shunzhi nodded. "Haven't you ever thought about what would happen if I was beaten by him?"

"Come on, how could he beat you?"Liu Qingyi smiled.

"So, you've already planned all of this?"Gu Shunzhi smiled bitterly.

"I've been planning ever since I came back from the nine Dragon Mountain Competition."

"..."

Gu Shunzhi sighed again.

The heart of a woman was like a needle in the ocean!

His mother was too terrifying!

However, from his point of view, Gu Shunzhi was definitely going to cause more trouble.

Otherwise, he would have to F \* cking run away with another man!

And if he ran away with another man!

Not only would he lose his mother, he would also lose himself!

These words sounded a little like cursing..

But it was definitely gu shunzhi calling out from the bottom of his heart: Oh God! Save the child!

Halfway through the race car.

Gu Shunzhi asked another magical question, “Have you ever thought about what happens if your operation flips over?”

“My Plan is very detailed. It’s impossible for it to capsize.”Liu Qingyi kept smiling.

She was very confident in her “Sweet and sour carp plan”.

However, what Liu Qingyi didn’t know was that.

There was a “Surprise”waiting for her in the aquarium..

..

..

Time went back to a few hours ago.

Early in the morning that day, Wang Zhen received a text message from Gu Shunzhi.

On it was written Liu Qingyi’s “Sweet and sour carp plan”.

“You actually want to pretend to be my boyfriend to make me jealous...”

Wang Zhen stared at the message sent by Gu Shunzhi, the corners of his mouth twitching.

This kind of behavior was no different from trying to provoke him into confessing first!

Heh!

What a “Vicious”plan!

“Good brother! Thank you for telling me all this!” Wang Zhen sent a text message to Gu Shunzhi to thank him.

Then he quickly deleted all the chat records.

It definitely wouldn’t work if Liu Qingyi fired a single shot.

So Wang Zhen made a decision -- he would take this opportunity to retaliate!

You can find someone to pretend to be your boyfriend.

Then I can find someone to pretend to be your girlfriend!

Let’s see who can’t hold on first!

Then, a brand new plan emerged from the bottom of Wang Zhen’s heart..

Of course, the premise of this plan was that.

He had to find someone who was willing to pretend to be his girlfriend.

This caused Wang Zhen to fall into a dilemma.

He didn’t have many close friends of the opposite sex around him... quite a few girls from No. 60 high had taken a liking to him, and had even written him love letters! Wang Zhen read a few of them, and they were very mushy!

If he asked these little girls for help, they would naturally agree.

But what Wang Zhen was afraid of was that if these kids took it seriously, it wouldn’t be good for the Show!

When the time came, not only would he fail to Hook Liu Qingyi, he would also be accused of playing with his emotions.

He thought about it.

Wang Zhen thought of a very suitable candidate.

It was just that it wasn't easy to get this person..

Wang Zhen used his lifelong literary foundation to think hard about the wording.

He sent a text message to the person he wanted..

..

At 6 am.

Wang Zhen pretended to have nothing to do and went out to work.

This was a job that Wei Zhi had introduced him to after he came back from nine dragons mountain.

It was mainly a job as a breeder or a feeder.

Because Spirit Beasts were wild to a certain extent, if it wasn't for Wang Zhen's tough skin and tough flesh, he might not have been selected.

The time for the report was actually nine o'clock.

But before that, Wang Zhen needed to meet someone.

In Fang Xing's noodle shop.

“Brother Fang Xing! My Happiness! I’ll be counting on you!”

(cancel)

Wang Zhen knelt on the ground and sincerely clasped his head.

“Your matter sounds very interesting. It’s not that I don’t want to help you, but I just want to make it clear that I don’t accept large-scale contact.”

“Don’t worry about this student fang; I won’t accept it either... I’m just pretending; at most, I’ll lend you a seat!”

“Lend me a seat? Sure.”

Fang Xing smiled. “Miss Liu hasn’t seen my feminine appearance. As long as I dress up a little, she won’t be able to recognize me. It’s just that...”

It was just this favor.

He couldn’t help her for nothing.

Wang Zhen wasn’t an idiot; he immediately understood what Fang Xing meant. “If there’s anything student Fang wants, as long as I can do it, I’ll do it!”

“That’s not a problem. Let me ask you a question first.”

Fang xing asked, “I heard that a lot of people have very thoughtfully sent USB flash drives in order to help Miss Sun recover her memory?”

“I didn’t!”

Wang Zhen’s answer was resolute and decisive.

“Don’t be so nervous; it’s actually fine if you send them.”. It was a general trend for Miss Sun to become a core member of the war sect. If someone wants to send a USB, then send it. What I care about is whether student Lotus Sun really likes student Wang Ling that much.”

At that moment, Fang Xing cupped his chin.

He had always planned to test Lotus Sun’s attitude.

He felt that now was a particularly good opportunity.

“Brother Fang, what do you mean?”

“I heard that brother Wang Zhen is actually very popular at No. 60 High School?”

“That’s... Not Bad...”

“There’s no need to be modest, brother Wang Zhen.”

Fang Xing smiled. “What I want from You is actually something that you can do with a lift of your hand. I want you to transfer the love letters that those girls gave you to Ling Zhenren’s home and desk! It’s best if you can also put a few in Lotus Sun’s desk.”

“But brother Fang Xing can also do this...”

“Boys’ words are different from girls’ words.”Fang Xing voiced his distress. “I often get letters from boys...”

Wang Zhen:”? ? ?”

He was a man and a woman; as expected of student Fang Xing, who was known as the heartthrob of millions..

“But can I do it?”

But Wang Zhen still had some misgivings about Fang Xing's suggestion.

"Why not? You just need to raise your head and revise it. After removing Wang Zhen's real character, that would be student Wang. Who knows if it's for You or Wang Ling?" Fang Xing said.

"Can I ask, what's the purpose of this?" Wang Zhen didn't understand.

Fang Xing smiled. "I want to see if student Lotus Sun will be jealous."

"Fine! Deal!" So Wang Zhen gritted his teeth and agreed.

At that moment, the two men reached a consensus.

#### Chapter 1348 Listen To Your Mother

In the morning, Wang Ling picked a place and planned to test the effects of his modified "Bachelor's Curse."

Normally, Wang Ling wouldn't be in the mood to test spells.

But there were still a few days before No. 60 high school started.

Wang Ling had a lot of free time.

In addition, he had finished his homework for today and had already recorded a video of himself studying.

So he might as well go out and test his magic.

It was said that principal Chen had paid a huge price for the school's Green Environment.

Wang Ling actually really wanted to see what would happen when school resumed next Monday.

What kind of changes would happen to No. 60 high.

Wang Ling dressed himself up very well. He didn't pull down his mask, sunglasses, or cap.

His high-collared flaxen windbreaker and a pair of slim jeans perfectly reflected his good figure.

As for Wang Ling's outfit today,

Book of Sage Immortal commented that he was a bit like a private detective who went out to investigate his mistress.

So before Wang Ling left the house, he stuffed book of Sage immortal into Lord Ma's mouth..

To test a spell, of course, he needed a suitable location.

Wang Ling already had an answer for the location.

The Changyang Cultivation Aquarium in the center of the city.

It was a place where many couples would hang out.

That's right, Wang Ling was testing his spell on couples who were openly showing off their love in public places like the aquarium.

But Wang Ling himself wasn't part of the FFF Group.

It was very immoral to break up a marriage.

So Wang Ling was actually prepared for this second-hand.

He had added a new temporary condition to the "Spell of singleness": thirty minutes after the spell took effect, the effect of the spell would be removed, and the couple would completely forget all the unpleasant memories caused by the spell.

As long as this condition existed,

Wang Ling would be able to carry out the test normally without destroying the relationship between the couple.

Around nine o'clock in the morning.

Wang Ling had already arrived in front of the aquarium.

This was the largest aquarium in the city center. The entire building was made of glazed tiles, which took on the shape of a whale.

At noon, there would be a fountain show at the top of the aquarium, and a large number of people would come to watch it every day.

Even on this weekday, the scene in front of the aquarium was still unprecedentedly grand.

There was a long line at the ticket window.

Wang Ling had waited in line for about thirty minutes.

"Sir, Please Show your second-generation ID card. We require real name registration to enter the venue,"the young lady at the ticket window said warmly and politely.

Wang Ling took the initiative to hand over his ID card.

After scrolling through the ID information, the young lady stood up in shock. "I didn't know President Wang Was Here! Please Don't blame me, President Wang!"

"..."the corners of Wang Ling's mouth twitched.

President... President Wang?

When had he become President Wang

“Actually, president Wang can take the green passage on the side! You can enter the coffin directly with your identity card; you don’t need to buy a ticket.”With a smile on her face, Miss politely pointed at the green passage on the side of the aquarium.

“Mm...”Wang Ling was completely confused; he had no idea what was going on.

After leaving the group, he calculated with his fingers and realized that it was old master sun’s doing..

It turned out that this aquarium was also a property of Huaguo Water Curtain Group?

Wang Ling’s expression was a little helpless.

Weren’t you the one selling medicine..

Why was the property chain below so spicy!

There weren’t many people who could directly enter through the green passage, so Wang Ling didn’t need to wait in line at all.

As long as he used his ID card, the fence of the green passage would automatically open.

“Welcome, director Wang!”

Wang Ling had just used his ID card when the artificial intelligence AI device on the fence made a sound, giving him a big fright.

This was too high-profile.

It made Wang Ling feel a little uncomfortable..

After entering the gate, a tall and beautiful woman immediately took the initiative to welcome him from among the row of VIP guides standing in front of the gate. “Director Wang, Do You Need Guide Service?”

Wang Ling shook his head and refused on the spot.

His main purpose was to test his spells, and it wasn’t convenient to have someone following him around.

“Yes, director Wang.”The guide sister had a smile on her face the whole time, and then took the initiative to hand over a map of the venue. “Director Wang can use his ID card to enjoy VIP free service for all the facilities and restaurants in the venue.”

This map was specially made for the venue, and had the function of automatic positioning and navigation projection.

Wang Ling could even order directly through the smart map.

Staff members in the venue would immediately send him what he wanted.

On the night he opened the restaurant.

Wang Ling scanned a dazzling array of high-end seafood delicacies.

After realizing that there was no crispy noodle snacks, he angrily clicked on the “X”in the upper right corner of the map.

Then, he searched the map again and walked in the direction of the “Lover’s Hall.”.

All water-type spirit beasts kept in captivity in the lover’s Hall appeared in pairs, and there were many couples who would gather there to watch..

For Wang Ling, it was a perfect place to test his spells.

He followed the map's navigation function and proceeded forward.

At that moment, two familiar figures flashed past Wang Ling's eyes.

He saw Wang Zhen in an aquarium uniform, and he also walked in the direction of the Valentine's Hall.

Next to Wang Zhen, a very pretty girl was gently holding his arm.

Wang Ling rubbed his eyes to make sure he wasn't seeing things.

At the same time, his heart was pounding like thunder..

Wang Zhen in a work uniform.

And Fang Xing in her female form..

Why were these two here?

And they seemed to be very close..

Wang Ling felt confused..

..

The so-called fatal moves of experts referred to Liu Qingyi and Wang Zhen's current situation.

After parking the sports car in the aquarium's underground parking lot, Gu Shunzhi held the steering wheel as sweat trickled down his temples.

For some reason, he had a bad feeling.

“What are you waiting for? Get out of the car. Why do you look so troubled today?”Liu Qingyi felt that something was wrong with Wang Zhen.

Gu Shunzhi opened his mouth and almost went along with the conversation and called Liu Qingyi “Mom.”.

It was not easy to pretend to be “Mom’s”boyfriend.

Now, Gu Shunzhi had to think clearly every time he opened his mouth.

He could not go along with Liu Qingyi’s words.

If he accidentally called her “Mom”..

Everything would be exposed.

“I just think, wouldn’t it be bad for us to do this?”Gu Shunzhi had the intention to retreat. The main thing was that he did feel a very strong ominous premonition.

“With me here, what’s there to be afraid of! If anything happens, I will take full responsibility!”

Liu Qingyi was very determined. She went forward and pulled Gu Shunzhi’s hand out.

Gu Shunzhi had no choice but to compromise. “Mom, slow down...”

Liu Qingyi:”? ? ?”

Gu Shunzhi: “Please, slow down...”

Liu Qingyi released her hand and frowned. “That’s not right! This isn’t the first time I’ve Heard You Call Me Mom!”

Had he been discovered..

Gu Shunzhi's expression instantly became tense.

Just as he thought that Liu Qingyi might have guessed everything.

At this moment, Liu Qingyi suddenly bent down and asked with concern, "Do you have a very serious Oedipal complex?"

Gu Shunzhi: "???"

"It's okay, I don't actually discriminate against Mommy. Even if you look younger than me, you can't just call a girl mom, understand? However, due to our partnership, I Won't be angry if you call me 'Mom' in private. Who asked my son to be so handsome!" Liu Qingyi smiled, she reached out to stroke Gu Shunzhi's head.

Gu Shunzhi was shocked again. "..."

His mother's brain circuits were too magical!

It was hard for him to withstand it for a moment!

At this moment, Liu Qingyi smiled. "So, since I'm your mother, as a son, shouldn't you listen to your mother and not let her get hurt?"

Gu Shunzhi wanted to cry but had no tears. "I want to grow up quickly so that I can protect her..."

Liu Qingyi nodded in satisfaction. "Good girl! Go with your mother and pretend to be her boyfriend!"

Gu Shunzhi: "..."

Chapter 1349 Grandfather Sun Was Very Satisfied With His "Grandson-In-Law"

Gu Shunzhi was actually a little regretful that he had taken the initiative to inform Wang Zhen earlier.

His original intention was to make Wang Zhen feel that his mother, Liu Qingyi, was a “Very scheming” woman, which would make Wang Zhen feel a sense of disgust towards Liu Qingyi.

In the end, he hadn’t expected Wang Zhen to be so excited by him!

He had actually found a fake girlfriend to pretend to be a couple..

When Gu Shunzhi heard this news, the uneasiness in his heart grew even more intense!

..

On the other side, at Huaguo Water Curtain Group’s headquarters.

As soon as Wang Ling entered the aquarium, grandfather Sun had already set his eyes on him.

The feedback mechanism on the ID card sent the information of Wang Ling entering the aquarium to grandfather Sun’s cell phone.

On the side, Jiang Xiaoche frowned. “Master, there really is something wrong with this person. He’s a man, but he actually went to the aquarium alone? Is there something wrong with his mind?”

Grandfather Sun was clearly a little uncomfortable with what Jiang Xiaoche had said. “Who says one person can’t go to the aquarium?”

Jiang Xiaoche:”...”

“I think classmate Wang definitely went to the aquarium today for an inspection. He definitely wanted to invite Rongrong, which is why he came here in advance to do his homework.”

Grandfather Sun’s imagination was as strong as ever today.

Jiang Xiaoche: “Is that so...”

“It must be so.” Grandfather Sun had always been very confident in his guess.

Changyang wasn’t the only aquarium in the city center, so why had Wang Ling Chosen Changyang?

He must have come because he knew that this was the property of his family group!

It was obvious that he had come to do his homework in advance for his precious granddaughter!

Jiang Xiaoche: “Even if what the old master said is right... He didn’t need to spend money to invite miss to this place. This is too cheap for this kid.”

Grandpa Sun rolled his eyes. “What do you know! This is called having an economic concept! Do you think that student Wang is like you, a heaven’s pride and extravagance? It’s not easy for a 16-year-old child to have such an economic concept of frugality. He should be encouraged.”

”...”this time, Jiang Xiaoche completely realized.

Grandpa Sun seemed to be very satisfied with his “Future grandson-in-law.”.

This directly made everything he said wrong.

It was too difficult for him!

However, Jiang Xiaoche felt that it wasn’t like he didn’t have a chance at all in this situation.

He had grown up with Lotus Sun.

Moreover, he had already had a crush on her for a long time.

How could he let someone else take advantage of a cabbage that he had watched grow up?

“Wang Ling, just you wait! I’ll definitely be the grandson-in-law of the Sun Family!” Jiang Xiaoche swore to himself.

He had already given some tasks to the aquarium's insiders, and was planning to trip Wang Ling Up.

In Jiang Xiaoche's opinion, since Sun Yiyuan had already been blinded, he would take the next dose of medicine!

It would be best if Wang Ling...

Died a complete, social death.

Hehehe

..

..

The aquarium was unexpectedly lively today.

Many couples had gathered in front of the lovers' pavilion.

"This lovers' pavilion is really interesting!"

"See, all the Spirit Beasts in the pavilion pair up!"

A couple said through the huge floor-to-ceiling glass wall in front of them.

Many cultivators who were passionately in love even naturally hugged and kissed each other in this atmosphere.

This made Wang Ling feel as if he didn't belong here alone.

In front of the railing in front of the pavilion, Wang Ling saw many couples write their names on the red ribbon they were praying for, then tie the red ribbon to the railing.

At this moment, through the glass wall, Wang Ling saw a pair of spiral spirit sea lions performing indescribable movements.

He saw the male spiral spirit sea lion lying on top of the female.

Every time someone tied a red ribbon to the railing, the male sea lion's body would squirm five to six times..

Wang Ling used the map in his hand to look up information on the "Spiral Spirit Sea Lion" in the lover's Hall.

In the end, he found that this spiral spirit sea lion actually had another nickname: "Water Teddy."

Because of its natural sensitivity to "Red," the male spiral spirit sea lion had an unusual reaction to red objects during mating, which could greatly increase the chances of a female sea lion becoming pregnant

Wang Ling:"..."

This was really an increase in knowledge..

Wang Ling felt that the amount of information in front of him was even greater than watching "World of Spirit Beasts" when he was young.

But as a young man with a good outlook, Wang Ling wouldn't keep his eyes on these embarrassing scenes.

In contrast, what he was more concerned about was Wang Zhen and Fang Xing, who were currently in their womanizing state in the lover's Hall

"It's the breeder!"

A passerby called out softly as soon as Wang Zhen appeared in his staff uniform.

At that moment, the female Fang Xing, who was disguised as Wang Zhen's girlfriend, was standing next to Wang Zhen.

She was holding a bucket, and Wang Zhen was holding her waist as he picked up the fresh fish in the bucket to throw food at her.

This scene, which Wang Ling found extremely eye-piercing, actually made many couples who didn't know the truth feel very romantic..

"Oh my God! The breeder is actually hugging his girlfriend's waist the whole time! This boyfriend's strength is simply too strong!"

"Ah, as expected of a lover's house! Even the breeder brought his girlfriend here! It's So Sweet!"

"Darling, I want to hug my waist too!"

..

Separated by the thick glass wall, the two of them chatted and laughed, looking unusually intimate. Almost no one could hear what this little couple was talking about.

But Wang Ling could hear them clearly..

The two of them looked like they were smiling, but in fact, they were using ventriloquism to communicate.

"Brother Fang, isn't it a little too early for you to act... I think Qingyi isn't here yet."

"You don't understand, this is how real it is. I think the atmosphere is brewing pretty well right now. We'll just wait for Miss Liu and Gu Shunzhi to come later, and then we'll directly go too big."

"Directly go too big?"

“Borrow a seat.”

“OH ~”

Wang Zhen suddenly understood. “But why is brother Fang so skilled...”

“I’ve never eaten pork before, and I’ve never seen a pig run before?”Fang Xing smiled.

In fact, he had always planned to enter the entertainment industry, whether it was in male or female roles.

As long as he debuted, Fang Xing believed that he would definitely become an idol.

For this reason, Fang Xing had actually read quite a few books on acting, so it wasn’t difficult for him to borrow a position to kiss someone.

..

At that moment, outside the glass wall.

Wang Ling was once again struck by lightning by what he had heard.

What the hell?

Liu Qingyi and Gu Shunzhi were also coming here? !

Wang Ling was completely stunned.

Why was the circuit diagram so messy today..

But no matter what the two groups of people were up to,.

His plan to test his spells couldn't be interrupted.

At that moment, Wang Ling's gaze was fixed on one of the couples on the scene, and he shook his finger.

But at that moment, a valiant and familiar figure suddenly jumped into Wang Ling's line of sight.

His spell had originally been aimed at a passerby.

But what Wang Ling had never expected was that Liu Qingyi would suddenly rush up and block the passerby couple..

Wang Ling:"..."

Oh Ho!

Oh No..

Chapter 1350 Messy Lover's Hall

The effect of the "Single curse" was actually an effect that prevented confessions and reversed one's psychology.

As long as the caster was under the effect of the spell, all kinds of wooing and confessions that the Caster received during this period would be reversed!

"Like" would become "Hate," "Strengths" would become "Weaknesses..."

Take the example of the last time Lotus Sun confessed to her.

The main thing was that Wang Ling hadn't expected Lotus Sun to actually imitate Xia Ming.

When she said the word "Hate,".

Because of the effect of the spell, it instantly became “Like.”.

But Wang Ling had now filled in this “Reverse loophole.”.

Which meant that the current “Single curse” would never be the same as last time.

In addition, Wang Ling had added a bit of juicy information to improve the reverse psychological effect of the “Single curse.”.

When someone confessed, not only would the person say the exact opposite of what they meant, they would even give the other person a slap on the face... This was the characteristic of being “Single based on strength.”.

But Wang Ling hadn’t expected this spell to work on Liu Qingyi.

It was too coincidental.

Liu Qingyi had actually directly come out of the crowd and stood in front of the passer-by couple..

But the problem was that Gu Shunzhi and Liu Qingyi were actually a fake couple!

Even Wang Ling didn’t know what would happen next..

In short, the Asura Arena in the lover’s hall today was exceptionally shocking.

Even Wang Ling, who was observing from the side, felt a shiver run down his spine.

..

When Liu Qingyi arrived at the lover’s Hall.

Through the glass wall in front of her, she saw Wang Zhen and another strange woman making out.

A surge of anger instantly surged up in her heart!

But very quickly, the woman's rationality overcame this sudden burst of fire.

Since she could find Gu Shunzhi to be her fake boyfriend, then Wang Zhen could naturally find a woman to pretend to be her fake girlfriend.

This guy... What the hell was he doing!

Actually, Liu Qingyi wasn't angry at the thought of this; instead, she was a little happy.

"You were pretty angry just now. Why Now?" Liu Qingyi's expression changed so quickly that Gu Shunzhi was shocked.

"Think about it. Actually, this idiot's thinking pattern is the same as mine. He found a fake partner to impersonate and wanted to make the other party jealous first. This proves that our brains are actually quite compatible." Liu Qingyi laughed.

"..."

Gu Shunzhi wanted to slap himself after hearing this!

Sure enough, his cleverness had been mistaken. He shouldn't have told Wang Zhen that Liu Qingyi was looking for him to pretend to be her boyfriend in the first place!

But things had already come to this.

Gu Shunzhi still wanted to struggle. "How can you be sure that the girl inside is fake? What if she's a real girlfriend?"

"A real girlfriend?"

Liu Qingyi's cold gaze swept over Fang Xing in her female form, he chuckled. "Wang Zhen is the young master of the Wang family, after all. What kind of girl hasn't he seen in God's domain? How could he possibly find a girlfriend with such a common face?"

At that moment, Gu Shunzhi raised his head to look at Fang Xing in her female form.

Fang Xing's unique style in her female form was definitely not a common face. Her sexy and voluptuous figure made even male cultivators with dao partners fantasize..

"Is she really a common face?"The corners of Gu Shunzhi's mouth twitched.

"Isn't she a common face? Although I've never seen this girl before, I still feel that she looks familiar! It's as if I've met her somewhere before, and it's usually a common face."Liu Qingyi shrugged, it was as if she didn't see Fang Xing in her female form as an opponent at all.

Gu Shunzhi felt that Liu Qingyi was so terrifying that words couldn't describe it.

It could only be said that her F \* cking intuition was shockingly strong!

She had actually seen through so many things with just one glance..

At this moment, Liu Qingyi suddenly pulled Gu Shunzhi's hand forward a little.

From this angle, it was just enough for Wang Zhen to see them.

She had already noticed that Wang Zhen was already looking in their direction from the corner of his eye.

She immediately placed her hands around Gu Shunzhi's neck and began her own plan of action.  
"Then, shall we begin?"

"Begin... begin what..."Gu Shunzhi's face was full of nervousness.

His mother was really too close!

It was so close that Gu Shunzhi could feel his mother's breathing and heartbeat!

Gu Shunzhi turned his face away. He was afraid that if he wasn't careful, his mother would kiss her..

Even though his "First kiss" had been snatched away by Liu Qingyi when Gu Shunzhi was just born.

But he was already so old now! Of course, he could not accept his mother's kiss anymore.

"Logically speaking, don't you people of Order have seen countless people? Why Are You So Nervous?" Liu Qingyi thought Gu Shunzhi's reaction was a little funny.

"..."

Gu Shunzhi subconsciously dodged backward.

In fact, it wasn't a young boy's reaction.

It was Gu Shunzhi's instinctive respect for his "Biological mother."

Unfortunately, in Liu Qingyi's opinion, Gu Shunzhi's reaction was no different from those young boys who had just entered the field of love.

"You're too nervous. Forget it. I Won't Kiss You." Liu Qingyi sighed.

She really wanted to kiss Gu Shunzhi, and she wanted to stick out her tongue.

But seeing Gu Shunzhi's reaction...

She suddenly couldn't bring herself to do it.

"You still want to kiss me..." Gu Shunzhi was stunned.

“We’re both adults. What’s wrong with a Kiss?”Liu Qingyi smiled.

At that moment, she glanced at Wang Zhen out of the corner of her eye. “Look at this pair in there. They’re so good at acting. It can be said that they’re borrowing someone’s position seamlessly.”

“You can even tell that...”gu Shunzhi was shocked again.

“I’ve been there before. If it was a real kiss, the temperature of their bodies would keep rising, which would dry up the air around them and affect the air humidity to a certain extent.”

”? ? ?”

“I’ve already practiced to the point where I can judge whether the other party is really kissing based on the air humidity around them.”

”? ? ?”

“Then, Xiao Gu, let’s begin.”

At this moment, Liu Qingyi’s gaze fell on Gu Shunzhi’s face again, and she cupped gu Shunzhi’s cheek with her hand.

“Didn’t you say you weren’t going to kiss...”

“You’re too nervous, it would be too fake to kiss. How about this, you confess to me, but you have to say it out loud, okay?”

At this moment, Liu Qingyi posed another difficult question for Gu Shunzhi.

” ...”

Confess to his own mother..

Gu Shunzhi was now deeply regretting his promise to Liu Qingyi to pretend to be her boyfriend!

Confess to his own mother... it was simply ridiculous!

“Are you going to say it or not?”

Liu Qingyi looked at Gu Shunzhi with great pressure.

At this moment, Gu Shunzhi really couldn't stand the pressure anymore. He already had the thought of revealing the truth in his heart.

However, he had yet to say it out loud.

Liu Qingyi's gaze darkened. “What are you waiting for... If you don't say it, I'll say it!”

Then, Gu Shunzhi saw.

Liu Qingyi suddenly cupped his face and started her own confession in front of everyone. “Bah! You two-timing scumbag! Crawl for me!”

Gu Shunzhi:”? ? ?”

Even Liu Qingyi was shocked when she heard this!

Because this wasn't what she wanted to say!

However, before she could explain, her right hand was already out of control.

Slap!

The next moment, a crisp slap was heard.

It was Liu Qingyi's slap on Gu Shunzhi's face.

Gu Shunzhi wasn't prepared at all.

After being hit by his own mother, he flew out on the spot. He broke through the glass wall of the lover's hall and smashed into the pool.

Splash! In an instant, water splashed in all directions, and a huge column of water shot up.

A few sea lions were frightened and fainted on the spot..

"..."Wang Zhen was shocked.

Didn't they say that he would be jealous of his fake boyfriend?

How did gu shunzhi suddenly become a "Scumbag"?

"Brother Fang, what's this trick?"Wang Zhen nudged Fang Xing with his elbow.

On the side, Fang Xing was also dumbfounded. "I'm sorry, I don't understand it either..."
