

Dan God 3251

[Chapter 3251](#)

Bai Xuelan was actually injured, which surprised him a lot. Right now, he did not know how to enter the Bai Family, unless the Bai Family could remove the enchantment, but people outside would immediately attack and enter.

"What the hell is going on? Did Super Yang Divine Lord find you guys?" Chen Xiang was very worried, the Super Yang Divine Lord had already taken in a lot of Fire Slaves. Those Fire Slaves had powerful warriors from different families, and they had watched Bai Xuelan taking them away from Chen Xiang when he was still alive.

"No... Super Yang Divine Lord is already dead. " Bai Ximing said: "I'm also surprised, but this is true!"

The Super Yang Divine Lord was actually dead!

Chen Xiang found it hard to believe. Back then, the reason the Super Yang Divine Lord was sealed in the sun was because the Super Yang Divine Lord was unable to kill him.

But now, Bai Ximing was telling Chen Xiang that the Super Yang Divine Lord was dead!

"What the hell is going on?" Chen Xiang was confused. Super Yang Divine Lord was killed, and who was it that killed them?

"The Super Yang Divine Lord was exterminated by the three Fierce Fighting God s." Bai Ximing took a deep breath and continued: "These three Fierce Fighting God s are all from above Myriad Tao. I don't understand why these guys are so powerful, and why they are clearly just in the middle to late stage of the World Defying crazy realm."

Previously, Chen Xiang had heard about the existence of the Gifted Fierce Fighting God from Chen Cai and the Spirit of Divine Alter. At that time, he did not believe it was true, but now that Bai Ximing had said it, he could not help but take it seriously.

"Now they surrounded the Bai Mansion?" Chen Xiang asked.

"Yes, but only two. One is from Lan Clan, the other is from Heaven Old Imperial Family." Bai Ximing said: "They are extremely strong! And Xue Lan was injured by them! "

"They bully the young with their numbers?" Chen Xiang knew Bai Xuelan's strength.

"No, Gifted Fierce Fighting God are extremely arrogant, they would not do such a thing, so they did not attack Xue Lan, but chose to fight alone." Bai Ximing said.

"Then why did they join together to kill the Super Yang Divine Lord?" Chen Xiang said.

"Super Yang Divine Lord was not attacked by them, they fought alone against him, and fought by turns, and the Super Yang Divine Lord himself was very conceited, in the end, he was killed, and I do not understand the specifics, but in short, these Fierce Fighting God s have a very powerful cultivation technique, which allowed them to have even more power." Bai Ximing said.

"How is Xue Lan now?" Chen Xiang originally came to deliver the Crystal emperor to Bai Xuelan, but he didn't think that such a thing would actually happen.

"Fortunately, her recovery speed was extremely fast! Xue Lan is not weak either. It's just that her combat experience is too little. Bai Ximing said: "If she had more time, she would have been as strong as those Fierce Fighting God s."

Chen Xiang was a little relieved, at least his injuries weren't too serious right now.

"Chen Xiang, don't act recklessly for now. Wait until Xue Lan wakes up, then I'll find a chance to open the barrier and let you in." Bai Ximing said.

Chen Xiang did not listen to him, but flew over.

At this time, he was using the Counter Power and he was even using all his strength to conceal himself, he just wanted to see if the Gifted Fierce Fighting God would be able to discover him.

"Chen Xiang, be careful. These guys are all very scary." Feng Ke'er said. At this time, she could already feel the threatening aura from the outside.

"Of course I know, they are people who can exterminate the Super Yang Divine Lord." Chen Xiang was clear that these Fierce Fighting God s were all here because they wanted to obtain Bai Xuelan's Sword Blood, and at the same time, wanted to interrogate the Bai Family about the things related to the Myriad Tao Divine Soil.

When Chen Xiang got closer, he was discovered by a man dressed in gold. The man raised his head and looked at the sky, his eyes suddenly shooting out two rays of fire towards Chen Xiang, but was avoided by Chen Xiang.

"Someone is up there. It's a very clever concealment technique!" The other blue-robed man's eyes flashed with electricity. He laughed coldly, "This person's concealment is not bad. I almost did not notice, but his strength is only average."

Chen Xiang had already appeared, he had teleported to the entrance of the Bai Mansion, and directly used his own appearance to face the people in front of him!

"Chen Xiang, he's the one who obtained the core spirit of the Heavenly Dan Landlord." A middle-aged man from a Heaven Old Imperial Family said.

"What is your relationship with the Bai Family?" The Heaven Old Imperial Family asked with a cold voice.

Chen Xiang could clearly see these two Gifted Fierce Fighting God s, they were both very young, their auras were also different from others.

"Bai Ximing and I are friends." Chen Xiang said: "I wonder what grudges you have with Bai Family? Is there a need to surround Bai Family like that? "

"The Bai Family has people from the Sword Blood, and the Sword Blood are enemies with us. In order to get rid of future troubles, we have come here to do what we should." Lan Clan said very straightforwardly: "Do you think what I've done is right?"

"It doesn't make sense." Chen Xiang shook his head: "This is mainly because your Lan Clan has been bullying your Bai Family for so many years, and now that your Bai Family has the chance to rise to prominence, that's why you're afraid, it's your fault in the first place."

"Yes, it is our fault, but we can only do it again and again, otherwise, when the Sword Blood becomes stronger, our Lan Clan will be destroyed." Lan Clan of the Lan Clan sneered: "This world is a world where the strong preys on the weak. You should also be able to see it clearly."

"In that case, does that mean the Bai Family does not have any more chances?" Chen Xiang paced back and forth a few steps. At this moment, he appeared to be extremely calm.

"Once the Bai Family's barrier disappears, there should not be any chances left." The blue clothed man laughed, "Do you think you can save Bai Family?"

"I think I can, that's why I'm here." Chen Xiang also laughed.

"Oh? Are you very strong? Now it seems that you can only save Bai Family by defeating us." Lan Clan's Fierce Fighting God was very strong. Even though he was a bit arrogant, no one felt that he was very arrogant because he had the qualifications to be so arrogant in the first place.

Now that Chen Xiang had finally experienced the power of these Gifted Fierce Fighting God, although he did not fight with them, their auras gave off a very oppressive feeling.

The big doors of the Bai Mansion had already opened. Bai Ximing stood there, and when he saw that Chen Xiang had already appeared, he could not help but shake his head.

"Brother Bai, don't do anything. Just watch from there." Chen Xiang was worried that Bai Ximing would suddenly remove the enchantment.

"Chen Xiang, quickly leave. Our Bai Family still has some strength." Bai Ximing didn't want Chen Xiang to face two Gifted Fierce Fighting God alone, since other than those Gifted Fierce Fighting God s, the other two families' experts were also present.

"I have my own plans!" Chen Xiang didn't say much to Bai Ximing as he was already prepared to fight a round with these Gifted Fierce Fighting God.

[Chapter 3252](#)

Bai Ximing was not clear about Chen Xiang's current plans, but he could guess that Chen Xiang would most likely fight with these Fierce Fighting God s. This was the worst case scenario, in order to let Chen Xiang have a better chance of winning, he sent a sound transmission to Chen Xiang, telling him about the two Gifted Fierce Fighting God s. xshiotxt

"The Lan Clan's name is Lan Kunyuan, and to be able to head to the Myriad Tao at such a young age, he had used a lightning World Defying Stage Fierce Power. Although it is only at the middle stage of the World Defying crazy realm, the fused profound practitioners all come from the third floor of the World Defying Stage Soul River." Bai Ximing said: "Because he is based on the powerful World Defying Stage Fierce Soul, even though he is only at the middle stage of the World Defying crazy realm, his strength is extremely terrifying."

This guy is a lot younger than Lan Kunyuan, and is also at the middle stage of the World Defying crazy realm. His two World Defying Stage Fierce Fighting Soul s are a lot stronger than Lan Kunyuan, and one of them is a Berserker Soul Beast that he obtained from the fourth floor of the World Defying Stage Soul River. "

The World Defying Stage Soul River only had a third floor, Chen Xiang never thought that there would actually be a fourth floor!

Hong Qianyi's golden robes suddenly flickered, releasing a burst of tyrannical Qi, the moment the Qi appeared, the people behind him immediately retreated, because Hong Qianyi was preparing to attack.

Lan Kunyuan also retreated. His strength was a bit weaker than Hong Qianyi's, so if Hong Qianyi wanted to make a move now, he would naturally not do so.

The atmosphere immediately became extremely tense. Hong Qianyi stared at Chen Xiang and said: "You ... Since you want to help the Bai Family, then it will be our obstruction, don't blame me. "

"Wait!" Chen Xiang suddenly shouted: "If you kill me just like that, you won't get anything, how about this, we will fight a fair battle, if I can defeat one of you, you two are not allowed to attack Bai Family for the next year."

"On what basis?" Lan Kunyuan laughed coldly.

"If I am defeated, I will naturally leave this place. Furthermore, all of you will be able to obtain one of these." Chen Xiang knew that if he did not take out something, the other party would not be moved.

After Chen Xiang took out a piece of Myriad Tao Divine Soil Crystal, both Hong Qianyi and Lan Kunyuan's expression slightly changed. This was a Myriad Tao Divine Soil Crystal, they could recognize it, and such a thing had always been a legendary existence.

But now, Chen Xiang could take it out!

"Alright, I promise you!" Hong Qianyi agreed very quickly. They had fought so hard for the sake of the Myriad Tao Divine Soil, but there was the Myriad Tao Divine Soil Crystal in front of them.

As long as he defeated Chen Xiang, he would be able to obtain the Myriad Tao Divine Soil Crystal.

"I can't beat you!" Chen Xiang continued: "It's impossible for me to defeat you now. But I can compete with Lan Kunyuan. "

"No way!" Hong Qianyi anxiously shouted: "The Myriad Tao Divine Soil Crystal is mine."

"Don't worry, if Lan Kunyuan can defeat me, you can also obtain the Myriad Tao Divine Soil's Crystal." Chen Xiang took out another piece of Myriad Tao Divine Soil Crystal and laughed: "If it was only you and me fighting, Lan Kunyuan would definitely not be satisfied."

Hong Qianyi looked at Lan Kunyuan, who nodded at him.

"Alright, as long as I defeat you, it will be alright?" Lan Kunyuan was still very confident.

"Yes, and we have to sign a blood contract." Chen Xiang said: "I only believe in this, it will benefit both of us."

Hong Qianyi felt that Chen Xiang was not very strong, he would definitely be able to defeat him, and he only needed to watch from the side. Once Lan Kunyuan defeated Chen Xiang, he would also be able to obtain a piece of Myriad Tao Divine Soil Crystal, it would be a piece of cake.

"No, what if you die during the battle?" Hong Qianyi said: "For a battle like this, if we cannot fight with our bare hands, then there is simply no meaning!"

"I will give the Myriad Tao Divine Soil Crystal to Bai Ximing. If I die, I will give it to you! Of course, if I really die, you all cannot attack the Bai Family within a year. " Chen Xiang said.

"No problem!" Hong Qianyi agreed, but Lan Kunyuan didn't have any objections.

Chen Xiang handed two Myriad Tao Divine Soil Crystals over to Bai Ximing. At the moment, Bai Ximing's heart was a little heavy, if Chen Xiang died, he would definitely feel very guilty.

Those people who came with Lan Kunyuan and the others, although silent, were feeling extremely jealous in their hearts. They, as old fellows, cursed silently in their hearts because it would be extremely difficult for them to get their hands on the Myriad Tao Divine Soil's Crystals even if they wanted to, while the two young men in front of them, Lan Kunyuan, were able to get their hands on the Myriad Tao Divine Soil's Crystals easily.

Although their hearts were unbalanced, they did not dare to say it out loud. They were unclear about the strength of Hong Qianyi and his group.

After the blood contract was signed, Chen Xiang was much more at ease.

"Chen Xiang, why not just give them the Myriad Tao Divine Soil Crystals and let them leave? Bai Ximing sent a sound transmission to Chen Xiang: "If you fight with them, you will be injured."

If I can beat Lan Kunyuan, then I don't need to give the Myriad Tao Divine Soil Crystals. You need to be clear, if the Myriad Tao Divine Soil Crystals were to fall into their hands, it would be extremely disadvantageous for us. " Chen Xiang had a lot of Myriad Tao Divine Soil Crystals. Unless he had no other choice, he would definitely not give the Myriad Tao Divine Soil Crystals to his enemy.

Now that he was faced with such a situation, he could only use this method.

He wasn't sure if he could win, but he would try his best to fight!

Lan Kunyuan said: "Let's fight outside. The Bai Family has a barrier protecting him, you do not need to worry that it will be damaged during the battle."

It was already a mess outside. had fought with them here before, so he did not have any objections.

"Alright, let's fight here!" Chen Xiang asked: "Can I use the Divine Equipment?"

"Of course you can!" Lan Kunyuan definitely had to use divine tools, as for people like them, every type of divine tool was a part of their strength, and if they couldn't use them, it would be like losing the right and left arm.

Lan Kunyuan guessed that Chen Xiang had a good divine tool, since he could take out two pieces of Myriad Tao Divine Soil Crystals, but he was not worried, because he was strong in the first place. Even if the opponent had a good divine tool, he could still break through.

Being able to use the divine tool made Chen Xiang feel relieved. He was worried that the other party would go back on his words, so he said: "Then let's begin!"

Lan Kunyuan took out a black long sword. This black sword was very thick and full of materials, one could tell that it was refined using a lot of Myriad Tao Divine Soil s, no wonder Lan Kunyuan insisted on using his divine weapon.

"This is Lan Kunyuan's Sky Origin Divine Sword, which he used a total of fifty kilograms of Myriad Tao Divine Soil Crystals to refine it. It's said that more than ten Peak of World Defying crazy realm s died from his Sky Origin Divine Sword." Bai Ximing said.

"There were a total of ten experts who died under my sword. Even Super Yang Divine Lord who died before Bao Zou was also killed by me using a sword to stab into the head." Lan Kunyuan's voice was filled with cold arrogance.

[Chapter 3253](#)

Lan Kunyuan held the Sky Origin Divine Sword tightly in his hand, it looked black, but after he injected it into the World Defying Stage Fierce Power, the body of the sword suddenly flashed, a blue electric light exploded out, like a scene where there were dense black clouds flashing.

What was even more terrifying was that the sword was trembling non-stop, as though it was roaring crazily. Waves of violent wind blew out continuously, causing Chen Xiang to almost take a few steps back.

Just this sword was filled with a threatening and wild aura, as if it contained an extremely powerful Madness soul, causing people to feel fear.

Coming to Heaven Old Super Realm, this was actually the first time Chen Xiang had met someone who made him feel fear from the bottom of his heart. Although they hadn't started fighting yet, the opponent's tyrannical battle intent already made him feel fear.

He gritted his teeth, trying his best to restrain the fear in his heart. Otherwise, he would lose without fighting. If he had such fear when the battle began, he would not have been able to defeat his opponent.

Seeing the fear on Chen Xiang's face, Lan Kunyuan just smiled faintly, he knew that this kind of situation happened way too often. He was now even more sure that Chen Xiang was not his match, and had never met such a terrifying person like him.

"Very strong!" Feng Ke'er exclaimed: "Are you confident? These Gifted Fierce Fighting God are worthy of being able to kill Super Yang Divine Lord.

"I'm sure I can beat him." Chen Xiang took a deep breath. A purple light flashed in his palm and a purple sword suddenly appeared.

As everyone looked at the Purple Yang Excalibur in a daze, their hearts were filled with shock!

They all knew of this Purple Yang Excalibur!

The Purple Yang Excalibur descended from the sky before, but that place was occupied by the Super Yang Divine Lord. However, later on, that Purple Yang Excalibur was stolen, and the Super Yang Divine Lord was angry at that time, so he searched everywhere for the Purple Yang Excalibur.

Everyone never thought that the Purple Yang Excalibur was actually in Chen Xiang's hands.

"I'm not surprised." Although Lan Kunyuan saw the Purple Yang Excalibur in Chen Xiang's hands, he still maintained his composure, "With your concealment skills, it's really too easy to obtain this sword."

Chen Xiang did not speak, it was not easy for him to obtain the sword. Even though he could easily enter the bonfire, it was very difficult for him to pull out the Purple Yang Excalibur.

"Purple Yang Excalibur, this is a legendary sword. If this sword were to be destroyed in my hands, it would be my honor." Lan Kunyuan's eyes were filled with blazing light, it seemed like destroying the sword would be even more exciting than obtaining the Myriad Tao Divine Soil Crystal.

"I won't let you destroy this sword." Chen Xiang was currently under a lot of pressure, and everyone realized that the fear on his face had already disappeared. He had already overcome the terrifying sword intent of the Sky Origin Divine Sword.

"Then, let me see how you protect this sword." When Lan Kunyuan finished speaking, he fiercely swung out his Sky Origin Divine Sword, and as he was waving his sword, the air above Bai Mansion was shrouded by lightning that was frantically dancing.

The instant Lan Kunyuan brandished his sword, a majestic sword aura whistled out. The streaks of wildly dancing lightning were like the incarnation of countless lightning dragons, and the aura behind Lan Kunyuan was even more like a monstrous wolf formed from lightning and violent winds.

As Lan Kunyuan brandished his sword, wind and clouds surged, lightning surged up to the skies, lightning struck down in all directions, and Chen Xiang, who was standing in front of Lan Kunyuan, instantly sweated profusely. The fear that had just been suppressed in his heart suddenly surged up.

At this moment, he only felt as if he was standing in front of a giant wolf that was 100,000 feet tall.

Chen Xiang looked at the arrogant expression on Lan Kunyuan's face, his arrogant eyes sparked with lightning, his imposing manner looked down at the world.

"Is this the Gifted Fierce Fighting God? This kind of berserk aura seemed to be born, this berserk aura was able to increase his power by several times, this is the terror of Fierce Fighting God! "

The Sky Origin Divine Sword had already slashed down, slashing towards the stunned Chen Xiang!

At the same time, Chen Xiang clearly felt death approaching. The feeling of death was so cold, so despairing, so heartless, it wanted to rob him of everything.

In the instant of his death, a lot of things flashed past Chen Xiang's mind. His father, his wife, his friends, as well as the various beauties in the Hundreds of Flowers Village that made him feel extremely warm.

"We can't die!"

The impact of the complex emotions before death was like a bucket of ice-cold water that watered Chen Xiang awake, pulling him back from the abyss of fear.

The might of that sword strike was extremely terrifying, as it directly slashed towards Chen Xiang's head. In that extremely short period of time, the Chen Xiang whose face was filled with terror, as if he had suddenly awakened from a nightmare, he fiercely waved the Purple Yang Excalibur in his hands, blocking the lightning heavy sword strike!

B000M!

A huge sound rang out in all directions, and even the ground around them was shattered by the shockwaves and sound produced by the clash of the two swords. The entire ground actually sank a few dozen feet into the ground.

Hong Qianyi was the closest to the battlefield, and he flew out with a face full of shock. He couldn't believe that Chen Xiang had actually reacted in that instant, and had even blocked Lan Kunyuan's terrifying strike.

What made Hong Qianyi felt the most incredulous was that the burning aura Chen Xiang emitted when he brandished his sword was the Wild Fire Sword Force, and he and Lan Kunyuan had already experienced this kind of sword force before, that Bai Xuelan could also release this kind of sword force to fight!

"A Sword Blood!" Lan Kunyuan took a few steps back, his face was full of shock: "You actually are a member of the Sword Blood s ... However, you are not the Super Yang Divine Race. Could it be that it is because of Bai Xuelan that you were able to obtain the Sword Blood's inheritance? "

Bai Ximing who was inside the Bai Mansion was also extremely surprised, he never thought that Chen Xiang would actually have Sword Blood s, although he had seen Chen Xiang use a strong sword technique before, but he did not think that Chen Xiang was able to use a flame technique, because he knew how to use a strong flame technique.

"Something like that!" Chen Xiang was only able to match up to the other party because he had activated the Frenzy sword method in a moment of desperation.

If Chen Xiang had grasped Frenzy sword method, and if he was actually a Sword Blood, Lan Kunyuan would need to be even more vigilant.

"That's right, I just fought with Bai Xuelan a while ago, but it's not fun, so it's fine." Chen Xiang smiled and said. Lan Kunyuan laughed out loud, the Battle Mad Soul inside his body continued to release the force of the battle, which was able to raise the World Defying Stage Fierce Power in his body.

Chapter 3254

Chen Xiang was no longer afraid of the other party, and the Sword Blood in his body started to boil. Although he was not a Fierce Fighting God, his Sword Blood was still very strong, and could make up for the gap between Lan Kunyuan and himself.

To Chen Xiang, Lan Kunyuan was a Ranker who was much stronger than him, but challenging this kind of Ranker made him very excited. This allowed him to accumulate even more combat experience.

Lan Kunyuan brandished his sword again, and the world was once again shaken by his sword force as he howled. A thick layer of black clouds appeared in the sky, forming a gigantic lightning web.

This time, Lan Kunyuan rushed towards Chen Xiang, and at the same time, he thrust the Sky Origin Divine Sword in his hand, making it seem as if he had become one with the Sky Origin Divine Sword, and the Sky Origin Divine Sword also transformed into a ray of lightning that shot towards Chen Xiang.

Lightning, man, and sword fused together at that instant, especially that tyrannical lightning energy. After it appeared, the lightning and thunder that had been violently clashing in the sky suddenly stopped.

This power was even stronger than before, but it couldn't scare Chen Xiang!

"I'm no longer afraid of you!" Chen Xiang dodged it with a teleportation.

However, the space around him was still not stable enough, because the power of Lan Kunyuan's sword was simply too terrifying.

"Hmph, you won't be able to run away." Anger raged in Lan Kunyuan's heart, and once again transformed into lightning as he charged towards Chen Xiang.

When Lan Kunyuan rushed towards Chen Xiang, his strength had increased yet again. Currently, there was not a single good spot around Bai Mansion, as it had been destroyed by the berserk Qi waves.

"Humph!" Chen Xiang let out a cold snort, and a pale golden mirror suddenly appeared in front of his chest.

It's the Six Realms mirrors!

The reflection of the Six Realms mirrors had the ability to reflect its power, and it was not only reflecting power, it also increased the strength that was reflected back by several times.

Although Lan Kunyuan saw Chen Xiang take out something to block his chest, he could not recognize that it was made from Crystal emperor s, and he did not know how strong the Six Realms mirrors was. At the same time, he himself did not think much of it, because he had seen too many people use things to block their attacks, it was useless for him, because his strength was the strongest and nothing could stop him!

Everyone present smiled when they saw Chen Xiang take out something that looked like a shield out. They all believed that Chen Xiang was dead for sure, and they were very clear on Lan Kunyuan's strength. With the might of his sword, Lan Kunyuan's sword would definitely break apart that pale golden shield, and directly break through Chen Xiang's chest, turning him into meat paste.

[illegible]

Lan Kunyuan's Sky Origin Divine Sword had already pierced the surface of the Six Realms mirrors's mirror, and immediately exploded with a loud sound. Chen Xiang was sent flying, and Lan Kunyuan was also sent flying!

The continuous vibrations came from different things. The greatest of them all was the explosion of the Sky Origin Divine Sword!

In the instant of the explosion just now, countless strands of electricity had shot out. No one could clearly see what had happened in the middle of the explosion. Moreover, that wild and violent aura had enveloped everything.

"The Sky Origin Divine Sword exploded!" The first one he discovered was Hong Qianyi. His face was filled with disbelief, but it was true that a fragment of the Sky Origin Divine Sword had fallen to the ground. He opened his eyes wide and looked at Chen Xiang, who had already put away the Six Realms mirrors.

After Chen Xiang was sent flying, he was also injured, but it was not as serious as Lan Kunyuan's injury. At the moment, Lan Kunyuan no longer had the divine sword and his body had many cracks.

After Chen Xiang quickly stabilized his injuries, he anxiously teleported over, and when the people of Lan Clan saw this, they all flew out towards Lan Kunyuan, wanting to stop him!

However, Chen Xiang was the one who teleported the fastest, he instantly arrived beside Lan Kunyuan and slashed at him with the Purple Yang Excalibur in his hand. Countless gigantic fire dragons came surging out from the Purple Yang Excalibur.

The fire dragon formed from the Sun madness fire fiercely rushed towards Lan Kunyuan and poured into his body. With a boom, it burnt Lan Kunyuan's body into ashes!

"I won!" Chen Xiang took a deep breath and shouted. He was still injured.

Chen Xiang actually killed a Gifted Fierce Fighting God that was much stronger than him, it was unbelievable!

"I will destroy you!" Just as he was about to make his move, the enchantment around Bai Mansion was suddenly put away, and over ten middle-aged men and elders rushed out, and Bai Ximing also ran out.

According to the blood contract Chen Xiang had signed with Hong Qianyi and the others, as long as Chen Xiang won, Hong Qianyi wouldn't be able to make a move against the Bai Mansion for a year.

"Let's go!" With an indescribable rage, he brought the people from the Heaven Old Imperial Family and left. Since the Lan Clan didn't have Lan Kunyuan here, and they didn't have a Fierce Fighting God on their side, they would definitely be unable to take down the Bai Family. Furthermore, the Bai Family still had the Fierce Fighting God.

"Your Bai Mansion is waiting. Our Lan Clan will definitely exterminate you." An old man from the Lan Clan said angrily. He then picked up a fragment of the Sky Origin Divine Sword and left in a rage.

After seeing them leave, Chen Xiang and Bai Ximing hurriedly returned to the Bai Mansion to open the great formation of the Bai Mansion!

"It was really thrilling, but it was not dangerous!" After Chen Xiang entered, he let out a long sigh, and revealed a slight smile: "In the end, the Myriad Tao Divine Soil Crystals did not fall into their hands."

"Chen Xiang, you are really powerful!" Such a powerful Gifted Fierce Fighting God like that was actually killed by Chen Xiang just like that.

"How could I be powerful? If I didn't rely on my divine artifact, I probably would have died." Chen Xiang laughed at himself.

"The fact that you have such a powerful God Equipment is also a part of your strength!" Bai Ximing thought so, "Those powerful divine tools didn't fall from the sky. They were obtained through your means."

Chen Xiang had used a lot of Crystal emperor s on the Six Realms mirrors, and they had even been refined jointly by the Spirit of Divine Alter and Chen Cai. Naturally, they were very strong, especially when the rebound force was the most terrifying, so Chen Xiang had been waiting for him to release his strongest power.

Therefore, the Sky Origin Divine Sword that Lan Kunyuan was so proud of was blown to pieces just like that!

"Seems like I don't have enough knowledge regarding Sword Blood." Chen Xiang shook his head and sighed. "If I didn't rely on my divine artifact, I might not have been able to withstand a few blows, but Xue Lan can. It can be seen that Xue Lan's grasp of the Sword Blood is much deeper than mine."

"You ..." You actually made Xue Lan secretly give you a bit of the Sword Blood, and you even succeeded in making the Sword Blood fuse with you! To be honest, our Bai Family has done this kind of thing many times, but never succeeded. " Bai Ximing was still curious about this matter. He wanted to know how Chen Xiang succeeded in the end.

[Chapter 3255](#)

Chen Xiang's Sword Blood was indeed obtained from Bai Xuelan, so he did not deny it. He smiled and said, "Actually, I was only able to fuse with the Sword Blood because of some strange circumstances. The process of me fusing with the Sword Blood was also not easy ..."

Bai Ximing was extremely concerned about Chen Xiang fusing with the Sword Blood. He wanted to know how Chen Xiang succeeded.

"In the end, when did Xue Lan give you the Sword Blood? Since she was able to make you a Sword Blood, she must give you quite a few of them." Bai Ximing thought this was not strange, because Sword Blood s could only awaken and obtain Frenzy sword method when they had a lot of Sword Blood.

"Of course not, she didn't give me too many Sword Blood!" Now, Chen Xiang did not plan to hide this matter from others, but he did not want too many people to know that he brought Bai Ximing to a secret room.

Bai Ximing knew that this kind of matter was very important, so he did it very well. The moment he entered this secret room, he set up a few soundproof enchantments.

"You should also know that when Xue Lan gave the Sword Blood to me, she gave me a bowl of Sword Blood back when we were in Heavenly Dan Mountain Villa." Chen Xiang said: "I am using this bowl of Sword Blood to make me into the person of Sword Blood."

Bai Ximing was startled, he of course remembered this matter. At that time, he was very curious about how Chen Xiang would deal with this bowl of blood, he never expected that it would be used by Chen Xiang to fuse with this bowl of blood.

"Of course, this bowl of blood was refined by me. It was rather difficult for me to refine it." Chen Xiang said: "At that time, I also had the attitude of giving it a try, I never thought that it would actually succeed in the end. As for whether it would succeed in the future, I'm not sure."

"It won't be easy." Bai Ximing shook his head: "Perhaps this is your lucky chance, because in the history of our Bai Family, there were also people from the Sword Blood that allowed others to fuse with them. It is said that at that time, he used a large vat of Sword Blood, but in the end, he did not succeed."

Although Bai Ximing also wanted to become a Sword Blood, he felt that it would definitely not be easy.

It was recorded in the history books of their Bai Family that because they tried it, it caused many geniuses to be destroyed. Some died while some were heavily injured, but many of the people who participated in the trials did not have good results, so after that, the Bai Family did not dare to try it again.

Chen Xiang actually still wanted to give it a try, but he was clear about the risks involved. If there was a sudden situation, only he could deal with it.

"Brother Bai, how about I get Xue Lan to give me another bowl of blood, then I'll use that bowl of blood to refine a pill for you. Perhaps you can succeed, but there will be some wind." Chen Xiang said: "But you don't have to worry, even though there are risks, this kind of situation shouldn't happen."

Chen Xiang was fairly confident in his pill concocting abilities.

"Is that really okay?" Bai Ximing's heart moved, he really wanted to give it a try. If Bai Family had one more Sword Blood, his strength would definitely increase by leaps and bounds, and even if they met another Gifted Fierce Fighting God that attacked them in the future, they wouldn't sit still and wait for death like today.

"Try to control yourself. In short, I will do my best to prevent you from getting hurt. Even if you fail, nothing will happen to you." Chen Xiang said, "Let's go, we will go find Xue Lan now."

Bai Xuelan was Bai Ximing's younger sister. As they were blood related, logically speaking, their fusing would be even smoother, which was why Chen Xiang had some confidence.

Bai Xuelan was still in closed-door training to heal her injuries, but it wasn't a closed door cultivation. Therefore, when Chen Xiang and Bai Ximing came to find her, she was able to immediately come out.

When Chen Xiang saw Bai Xuelan, he could not help but be shocked. Bai Xuelan's face was as pale as paper.

"You're hurt so badly!" Chen Xiang said as he frowned.

"Elder Brother Shen, you're here ... "What's the situation outside?" Earlier, when Bai Xuelan was recuperating, he had also sensed some activity outside the Bai Mansion. She had been very worried, so when Bai Ximing came earlier, she had hurriedly ran out.

For some reason, when she saw Chen Xiang coming, she felt extremely at ease.

"It's fine for now, but your situation isn't good." Chen Xiang said.

"I made Elder Brother Shen worry." Bai Xuelan faintly sighed, and said in a low voice: "I'm really useless.

"Don't say that, you're very strong." Chen Xiang laughed: "I was almost killed by Lan Kunyuan."

Bai Xuelan frowned, her haggard face was filled with worry, but at the same time, it revealed killing intent. She did not expect Lan Kunyuan to actually make a move on her.

"I will definitely kill this bastard!" Bai Xuelan's current performance was extremely cold.

Bai Ximing laughed: No need, this fellow has already been killed by Chen Xiang! We'll talk inside! "

After entering the room, Bai Ximing told Bai Xuelan what had happened. When Bai Xuelan found out that Lan Kunyuan had killed Lan Kunyuan, he was extremely shocked and impressed.

"Brother Bai, why don't I help Xue Lan heal her injuries first? We can talk about it after she recovers. It will take about a day." Chen Xiang said.

Bai Ximing nodded, he also planned to let Chen Xiang use Time Domain on him, as this would allow Bai Xuelan to recover from his injuries in a short period of time.

Chen Xiang used the Triple time field on Bai Xuelan, and himself was very willing to give him 75 years of time in one day.

A day's time quickly passed by. Chen Xiang was using her Time Domain outside, but time flew by very quickly outside. However, it was very slow inside, which was why the power of time was so strong.

Bai Xuelan had long since recovered from her injuries, and she still used the remaining time to cultivate to familiarize herself with the Frenzy sword method, so when she came out, it startled Chen Xiang.

"In the future, the number of Fierce Fighting Gods that return from the Myriad Tao will grow more and more. I must become stronger." After Bai Xuelan came out from the Time Domain, her cold and beautiful face was filled with determination.

Chen Xiang nodded, and said: "Right, I have something to tell you, it concerns the Sword Blood"

After that, Chen Xiang told Bai Xuelan about him possessing a Sword Blood, but when Bai Xuelan found out, she was not surprised at all. She smiled lightly: "Actually, I already knew this a long time ago, Elder Brother Shen you possess a Sword Blood. I can sense it, but I'm not very sure, I never expected that it was actually true."

Chen Xiang smiled and said: "Xue Lan, now I need another bowl of blood from you. I want to try and see if I can make your brother become a person of Sword Blood as well."

"No problem, I'm fully recovered now. You can even take a jar of blood." Bai Xuelan said.

Chen Xiang took out a bowl and started to bleed.

"If your brother had also become a Sword Blood, he would definitely not be as strong as you." Chen Xiang said: "Like me, my control of the Sword Blood is far inferior to yours. This is mainly because I have

already learned a lot of things before, so it is hard to avoid being not specialized enough when learning Frenzy sword method. Your brother is also in the same situation! And you haven't learned anything before. "

Bai Xuelan did not understand all this, she just shook her head and said: "But no matter what, as long as my brother can become strong, then I will guide him in cultivating the Frenzy sword method."

[Chapter 3256](#)

Bai Xuelan also hoped that Bai Ximing would own a Sword Blood, at that time, it would be able to add another force to Bai Family, so she, Bai Xuelan, wouldn't have too much pressure. In the entire Bai Family, only she could go against that kind of Gifted Fierce Fighting God!

Bai Xuelan placed a bowl of blood in front of Chen Xiang and after Chen Xiang carefully looked at it, he exclaimed: "Your blood is currently much stronger than the ones before, you've improved really quickly!"

"Isn't the reason why I'm able to progress so fast all because of the Elder Brother Shen's Time Domain? This is enough to buy me a lot of time." Bai Xuelan smiled sweetly: "Elder Brother Shen, you are already very strong yourself, and your pill refining skills are even more brilliant. This is something that many people cannot directly see, if they knew that you have a very strong pill refining skills, they might respect you a little."

Towards this kind of matter, Chen Xiang shook his head and laughed, because even though he did not look like a great grandmaster on the outside, he was, after all, very young.

There was one thing that he did not need to doubt, Chen Xiang's pill refining skills were far stronger than his combat abilities.

"I'm going to start concocting pills. I should be able to succeed very soon." Chen Xiang entering into a secret room was only a test, this kind of test was only an accumulation of experience for him.

There were many situations like bloodline inheritance. If he could succeed in this, then when he met this situation again in the future, he would be able to use this method to help others inherit the bloodline inheritance that was hard to come by.

This was also a new realm for Alchemist.

He had previously refined Sword Blood, and at that time, because he did not have a very good pill furnace, his refining did not go smoothly. Now that he had a Tianchuang furnace that was refined into a Tianchuang furnace, he did not have to worry about it at all.

"Now, even if I use the Crash method, I don't have to worry about it exploding." Chen Xiang smiled at Feng Ke'er: "In the future, when we refine pills, we won't need to work so hard."

When using the Crash method, Chen Xiang was most worried about damaging the furnace, so in the moment of impact, he needed to release a very strong force to seal the burst of energy, and also needed to protect the entire furnace from the force of the explosion.

He had refined Tianchuang furnace before, so after he used Crash method, he did not need to worry about his furnace getting damaged anymore. "From now on, you need to use your Crash method often." Feng Ke'er laughed: "Crash method is a very good pill technique."

Chen Xiang was very much in favor of this idea. Although it was very berserk, it had a very good effect on raising the quality of the medicinal ingredients and energy.

Now, Chen Xiang will coordinate with the derivation method to use it together!

Very quickly, Chen Xiang unleashed his Crash method, and in the moment of impact, the entire pill furnace only shook for a moment, not a single sound could be heard. It was extremely quiet, the Tianchuang furnace's ability to absorb a large amount of energy was astonishing Chen Xiang, if it was in the past, the moment of impact would cause Chen Xiang and Feng Ke'er to panic.

"The Crystal emperor s of the Myriad Tao Divine Soil Crystals are just not the same!" Feng Ke'er laughed: "You forgot to give the Crystal emperor Bai Xuelan, it can raise her strength!"

"I haven't forgotten. I just feel that she doesn't need the Crystal emperor anymore." Chen Xiang said: "In the Frenzy sword method, there is a method where Sword Blood s are taught to use their own life force to condense Crystal emperor. The process is extremely complicated, but the process is extremely useful, and can let people gain experience."

"If Bai Xuelan wants to become a true Sword Blood, she definitely would not want it."

Bai Xuelan did not need this kind of external force like him. Bai Xuelan was a person who focused on training the sword, so she would definitely be able to obtain the Crystal emperor through the Frenzy sword method.

The reason why Chen Xiang had to use the Time Domain, was so that he could refine it for a month, and for such a long period of time, was to allow Bai Ximing to become a Sword Blood more stably.

Chen Xiang came out of the secret room and went to look for Bai Ximing.

"Brother Bai, I've finished refining it."

Bai Ximing was currently in his own courtyard with Bai Xuelan.

"Elder Brother Shen!" When Bai Xuelan saw Chen Xiang, he immediately greeted him in a soft voice.

Bai Ximing was extremely excited at the moment, and quickly took the small jade box from Chen Xiang. Inside, there was a Sword Blood pill, if this Sword Blood pill could help a person become a Sword Blood, then that pill would be extremely valuable. If someone knew that there was such a pill, they would definitely go crazy for it.

It had to be known, becoming a Fierce Fighting God was extremely difficult, and eating pills was impossible. It required a lot of luck to fuse with the World Defying Stage Fierce Fighting Soul, and the Sword Blood that could compare to it were the Sword Blood.

Whoever became a Sword Blood would have the same strength as the Fierce Fighting God!

"Right, didn't three Gifted Fierce Fighting Gods get rid of the Super Yang Divine Lord back then? The one in Heaven Old Imperial Family is Hong Qianyi, the one in Lan Clan is Lan Kunyuan, what about the other one?" Chen Xiang asked.

"The other one is from the Qin family. It's a woman!" Bai Xuelan frowned: "She is very strong, I heard she is on par with Hong Qianyi."

Bai Xuelan was extremely concerned about the Gifted Fierce Fighting God of the Qin family, because she was a woman herself. It was rare for her to meet a strong female like her, who was at the same age as her. Chen Xiang laughed: "No wonder she didn't come here with Lan Kunyuan and Hong Qianyi."

"That's for sure. She went to deal with the Super Yang Divine Lord only for the Purple Yang Excalibur." Bai Xuelan said: "Qin Shuang believes that the Super Yang Divine Lord's Purple Yang Excalibur was stolen. That's why she believed that the Super Yang Divine Lord did not use the Purple Yang Excalibur when they were fighting."

Chen Xiang laughed: "Looks like Qin Shuang will find this place soon."

Bai Ximing and Bai Xuelan looked at each other and nodded. Bai Ximing said, "Let's remember this matter from before. At that time, it might not just be the Gifted Fierce Fighting God Qin Shuang ... If the people from Myriad Tao knew the Purple Yang Excalibur was with you, it would probably be very lively."

The Purple Yang Excalibur was a sword that the Super Yang Old Ancestor liked a lot, and it was said that the Purple Yang Excalibur was related to the treasures in the Purple Yang Divine Palace!

Chen Xiang could not help but laugh bitterly, he had already obtained the treasures inside the Purple Yang Excalibur, and when he obtained them, he was even seen by the large group of powerful Thief Race people. He felt that it wouldn't be long before the Thief King knew that he was hiding in the Heaven Old Super Realm.

"Are Purple Yang Excalibur really that attractive?" Chen Xiang felt that the Purple Yang Excalibur was not the strongest, at least not as strong as his own Heavenly magic sword.

When Purple Yang Excalibur were refining, they did not have any Crystal emperor, but they were refined using a lot of Myriad Tao Divine Soil Crystals. The quality was not bad though, and there were even swords made from Crystal emperor, but only a few had them, and they were extremely secretive!

[Chapter 3257](#)

But for most people, using a piece of Myriad Tao Divine Soil Crystal to refine a Divine Artifact was very good, and Chen Xiang had a large amount of Myriad Tao Divine Soil Crystals, so he could still use the Myriad Tao Divine Soil Crystals to refine Crystal emperor s. Thus, he did not feel that the Purple Yang Excalibur was very strong, the only thing that could attract him was the treasures within.

"Of course, Purple Yang Excalibur are extremely famous." Bai Xuelan said: "Oh right, I have never seen a Purple Yang Excalibur before, can you show it to me, Elder Brother Shen?"

"Of course you can!" Chen Xiang took out the Purple Yang Excalibur and passed it to Bai Xuelan.

After Bai Xuelan received the sword, he gently stroked the Purple Yang Excalibur's body that was flowing with a purple luster. She frowned: This sword is very strange, even though it's in my hands, but I feel

that this sword is extremely repulsive to me, and I am unable to imbue any World Defying Stage Fierce Power into it!

Chen Xiang laughed: "Do you really think that the sword belongs to the Super Yang Divine Lord?"

"Isn't it?" Bai Xuelan said: "At that time, the Super Yang Divine Lord was advertising everywhere that someone stole his Purple Yang Excalibur."

"Of course not." Chen Xiang snorted, and told Bai Xuelan about how he obtained the Purple Yang Excalibur.

After hearing it, Bai Xuelan suddenly realized, "No wonder ... So it turns out that this sword only recognizes its master, and you have obtained his approval, so you are able to control it. "

"Yes!"

Bai Xuelan returned the Purple Yang Excalibur back to Chen Xiang and said: "I estimate that I must have used at least five hundred kilograms of Myriad Tao Divine Soil Crystals to refine this Purple Yang Excalibur. Even if I am unable to obtain the approval of this sword and was unable to unleash the sword's power, but to use it in battle, I can still destroy quite a few weapons."

"If you were to meet someone like you from the Sword Blood or a Gifted Fierce Fighting God, it would be useless." Chen Xiang shook his head and laughed. Previously, when he used the Berserk Fire Sword Handle to fight, he could use an ordinary divine sword to destroy the divine sword refined by his opponent's Myriad Tao Divine Soil.

"That's right." Bai Xuelan laughed: "The Myriad Tao Divine Soil Crystal you gave me earlier has already been refined by me into a sword of life. Even though it's just a piece of Myriad Tao Divine Soil Crystal, my sword of life is extremely powerful, if not I would have definitely died at Hong Qianyi's hands."

"I'll go eat this Sword Blood pellet first." Bai Ximing was already impatient, he chuckled: "I will definitely succeed."

Because there was an example of Chen Xiang's success, Bai Ximing felt that it was very likely that he would succeed. After all, he was Bai Xuelan's older brother.

After Bai Ximing entered the secret room, Chen Xiang and Bai Xuelan were outside discussing about the Frenzy sword method. Bai Xuelan had a unique explanation for the Frenzy sword method.

"The most powerful part of the Frenzy sword method is not those sword moves, but the sword aura, sword aura and sword aura released by the Sun madness fire. These are all formed from absorbing the Sun madness fire's power." Bai Xuelan said: "Especially sword force, if I can control it well, then my sword of life will become invincible."

"I did not cultivate the sword of life." Chen Xiang said: "It is possible that I will never cultivate again, I have already missed that opportunity."

"sword of life need to be tempered with sword energy. This will take many years, so you still have a chance." Bai Xuelan laughed: "I'll teach you what to do! Take out the Purple Yang Excalibur. Your Purple Yang Excalibur is already very strong, so if you temper it with the Raging Flame Sword Force, it will definitely become stronger. "

"I don't want to use Purple Yang Excalibur. Purple Yang Excalibur are more special." Chen Xiang said as he took out the Heavenly magic sword.

Bai Xuelan looked at the Heavenly magic sword and only thought that it was not bad. It gave her a strong feeling, but he didn't realize that the Heavenly magic sword was refined from Crystal emperor.

After that, under Bai Xuelan's guidance, Chen Xiang kept the Heavenly magic sword into his own body, made it become very small, and suspended in his dantian. Then, he started to circulate the Sun madness fire, and began to condense the Berserk Flame Sword's power.

"Try your best to control the Raging Flame Sword's aura and let the sword aura enter your dantian. If your sword of life is able to absorb it, it will be proof that you have integrated well with it." Bai Xuelan said.

"Xue Lan, can I use the power of the sword to refine two sword of life?" As Chen Xiang spoke, he took out the Purple Yang Excalibur and then controlled it to enter his dantian.

Originally, he did not plan to refine the Purple Yang Excalibur but he had already developed a very close relationship with it. When he was refining the Heavenly magic sword just now, he vaguely felt that the Purple Yang Excalibur was feeling jealous.

Before Bai Xuelan could reply, he succeeded.

"You actually have two sword of life!" Bai Xuelan was the most sensitive to swords, she could feel that the two swords in Chen Xiang's Dantian were greedily absorbing the Raging Flame Sword Force released by Chen Xiang.

"Isn't that possible?" Chen Xiang was a little suspicious, because he found it extremely easy to reach this step.

"Of course not... However, you did it. " Bai Xuelan felt that it was unbelievable, at least she could not do it: "Looks like the relationship between you and the two swords is very close. Generally, there is no room for two tigers in the same mountain, the two sword of life s will fight, but on your body, they can coexist harmoniously."

"Hehe!" Chen Xiang laughed: "The women around me are also like that, so dealing with these two swords is not really worth it!"

This was the first time she heard Chen Xiang talking about her own family matters. She was rather curious about Chen Xiang's family matters, after all, she was a woman, so they were all very gossipy.

"Elder Brother Shen, you are truly a romantic person." Bai Xuelan scoffed.

Chen Xiang only smiled without saying a word. He really missed the beautiful women in Hundreds of Flowers Village.

"There's something wrong with the Purple Yang Excalibur!" Chen Xiang suddenly shouted: "It's shaking, what's going on?"

Chen Xiang had no choice but to take out the Purple Yang Excalibur s and hold them tightly in his hands: "Could it be that he is incompatible with my other sword."

Just a moment ago, he was still complacent, but he suddenly felt this Purple Yang Excalibur was angry.

"No, my sword of life is also truthful!" Bai Xuelan's expression was solemn as he looked in a direction: "Over there, a very powerful divine sword has appeared. Our sword of life should have sensed the approaching powerful sword force and issued a warning to us."

"Who could it be?" When Chen Xiang asked this, Bai Xuelan had already flown to the main entrance of the Bai Mansion, and that wave of sword force was coming from that direction.

"Qin Shuang, it's most likely her! Hong Qianyi cannot do anything to the Bai Mansion, and only Qin Shuang has such power, and the Qin family is also a family of the sword clan. " Bai Xuelan opened the door of Bai Mansion, and saw a large group of people flying from afar.

"Hong Qianyi also came. This guy should be here to watch the show." Chen Xiang cursed in his heart. There were a lot of people who came this time, and they must have known that Qin Shuang was coming here to collect swords, so they came to join in on the fun.

[Chapter 3258](#)

It was rumored that Qin Shuang's strength was comparable to Hong Qianyi's, and was much stronger than Lan Kunyuan's from before.

Amongst the Super Yang Divine Race, the entire strength of the Sword Clan was the strongest, so none of the Sword Clan Gifted Fierce Fighting Gods could be underestimated, if not for Chen Xiang using the Six Realms mirrors to catch them off guard, he would not have been able to win.

knew this, but he was not worried, because he did not even need to go up on stage. Bai Xuelan had already recovered from his injuries, and had even used Myriad Tao Divine Soil Crystals to cultivate his sword of life, so even if he did not have any chance of winning against Qin Shuang, he would not lose.

Chen Xiang and Qin Shuang arrived at the main entrance of the Bai Mansion, opened the door, and saw that the plaza outside was already filled with people, and in front of this group of people, there was a lady with a ponytail wearing tight white clothes who held a cold unsheathed sword. Her expression was cold, and her entire body was emitting a threatening killing intent, causing people to feel a cold killing intent.

The lady was Qin Shuang, she was dressed up like that, although her demeanor was cold and merciless, she was extremely beautiful. She was not the kind of lady who looked cold and elegant, but was instead the type of woman who was filled with arrogance and killing intent.

Seeing Qin Shuang, Chen Xiang's heart jumped. If he could, he was extremely unwilling to fight with this woman, and looked extremely terrifying, especially when her sword of life was out of its sheath. That sword looked like an ordinary sword, but to be able to be used by Qin Shuang, it must be extraordinary.

"You are Chen Xiang?" Qin Shuang asked Chen Xiang in an emotionless voice when he saw Chen Xiang and Bai Xuelan come out.

"Yes, what can I do for you?" Chen Xiang nodded, they were currently inside the enchantment of the Bai Mansion.

Chen Xiang looked around. There were a lot of people joining in on the fun, but he could tell that some of them were not here to join in the fun, for example, the people from Heaven Old Imperial Family. One look was enough to tell that they were attacking the Bai Mansion, and that they were only waiting for the right opportunity.

And there was also the Lan Clan!

Lan Clan was killed by Chen Xiang, it was impossible for them not to hate Chen Xiang, and Chen Xiang was now a guest of Bai Mansion, if they wanted to kill Chen Xiang, they had to first take over Bai Mansion, this was not easy, they had to cooperate with Heaven Old Imperial Family.

And Heaven Old Imperial Family's Gifted Fierce Fighting God's could not do anything! Hong Qianyi's strength was extremely terrifying, but because he had signed a blood contract with Chen Xiang, he was unable to lay his hands on either Chen Xiang or the Bai Mansion for a year, and could only watch from the side.

Previously, even if there was Hong Qianyi and Lan Kunyuan, they would not be able to take Bai Mansion down so easily, furthermore, Bai Xuelan had already recovered, and Hong Qianyi could not make a move. After Lan Kunyuan was killed, they could only look at Qin Shuang if they wanted to take Bai Family down.

When Chen Xiang saw Qin Shuang, although he was somewhat fearful of this woman, he didn't know why but he felt an inexplicable sense of relief. It was because he felt that this kind of woman would not be easily manipulated by his clan's power.

Perhaps, Qin Shuang had only come here for him, and not the Qin Family, Heaven Old Imperial Family, and Lan Clan.

"I only want Purple Yang Excalibur!" Qin Shuang answered simply.

This was exactly as Chen Xiang had guessed, Qin Shuang had only come for him!

Bai Xuelan had told Chen Xiang that the only reason why Qin Shuang had teamed up with Lan Kunyuan and the others to deal with the Super Yang Divine Lord was because of the Purple Yang Excalibur.

"What, is the sword in your hand bad? Why do you want my Purple Yang Excalibur? I see that the sword in your hand is also your sword of life, you should treat him well and take it seriously, you can't have any other thoughts, it's not good for your cultivation. " Chen Xiang laughed, looking extremely relaxed.

When the crowd saw that Chen Xiang was actually talking to Qin Shuang with a cheeky smile, they couldn't help but break out in a cold sweat for Chen Xiang. They all knew very well what kind of woman Qin Shuang was.

Qin Shuang hated people who dilly-dally in front of her the most, and hated people who used this tone to talk to her the most.

"Are you going to give it to me?" Qin Shuang did not have much patience. Her few words revealed endless coldness and killing intent, and her pair of emotionless eyes even caused Chen Xiang's heart to thump loudly.

Chen Xiang had to admit, Qin Shuang's attainments in the way of the sword was extremely high, and that gaze just now made him feel as if a sword had pierced through his weak point.

"I worked hard to get the Purple Yang Excalibur, why should I give it to you?" Chen Xiang snorted, like a spoiled child, she turned her head and said: "No, if I don't give it to you, I won't give it to you, what can you do to me?"

After he finished speaking, he even made a face at Qin Shuang with no regards to his life!

Although Qin Shuang didn't seem to have any expression on her face, the anger in her heart was like a fiercely erupting volcano.

Bai Xuelan didn't know whether to laugh or cry from the side. She was very clear about Qin Shuang's personality, she didn't think that Chen Xiang would actually be so funny.

"The Purple Yang Excalibur is mine, I can't give it to you. Return to where you came from." Chen Xiang snorted.

"Then what do I need to do before you give me the Purple Yang Excalibur?" Qin Shuang had arrived here very early on, and looked at the Bai Mansion's barrier. If she were to take action by herself, it would take a long time to destroy the barrier, and by then, she would have already expended a lot of energy. When Bai Xuelan and Chen Xiang joined hands, she had no chance of winning at all.

He didn't know why, but Purple Yang Excalibur seemed to be extremely important to Qin Shuang. From her attitude, she definitely had to obtain this Purple Yang Excalibur.

"Marry me. As my woman, I might lend it to you to play for a few days." Just as Chen Xiang finished speaking, the cold sword in his hand suddenly flew out, flying towards Chen Xiang.

However, the Bai Mansion had a barrier, if she released the sword of life, it would only scare Chen Xiang.

Chen Xiang was truly frightened, he retreated a few steps and his face turned white, although the sword was blocked by the enchantment, but the terrifying sword force that exploded out pierced through the enchantment and struck at his soul.

"Dad, you scared me to death!" Chen Xiang patted his chest, and panted heavily: "If you scare me to death, you will never think of obtaining a Purple Yang Excalibur in your life!"

Many people here had never seen Chen Xiang before, but now that they saw that Chen Xiang was actually such a reckless person, they couldn't help but admire him in their hearts. He actually dared to tease the Evil Woman God, Qin Shuang.

"You want to obtain the Purple Yang Excalibur, but the Purple Yang Excalibur was something that I had to spend a lot of effort to obtain." Chen Xiang suddenly became serious and said earnestly: "At that time, when I tricked the Super Yang Divine Lord into leaving, I entered the fire and spent all my effort to fuse this Purple Yang Excalibur. The Purple Yang Excalibur had already approved of me, so I cannot give it to you."

Qin Shuang listened and frowned: "Are you saying that the Purple Yang Excalibur was not in the hands of the Super Yang Divine Lord before?"

"Of course, although the Super Yang Divine Lord was killed by your combined forces, you should know his strength very well. If the Purple Yang Excalibur is in his hands, how do you think I should be able to steal it?" Chen Xiang curled his lips and said: "Your strength should be on par with the Super Yang Divine Lord, do you think it's possible for me to obtain your sword of life from you?"

"The Purple Yang Excalibur had never belonged to the Super Yang Divine Lord. It was just that when it fell from the sky and 'stabbed' into the ground, the Super Yang Divine Lord took over that place. The Purple Yang Excalibur did not even approve of him and he could not pull the Purple Yang Excalibur out. Advertising) -- "Chen Xiang thought back to the expression he had when he had obtained the Purple Yang Excalibur, and sighed:" The process of me obtaining the Purple Yang Excalibur was extremely painful, even if I were to give you the Purple Yang Excalibur now, this sword would still die, because it doesn't approve of you.

"Take out the Purple Yang Excalibur. I will know when I see it." Qin Shuang suddenly started to believe in Chen Xiang's words.

Chen Xiang took out the Purple Yang Excalibur. A strange color suddenly appeared in Qin Shuang's cold and emotionless eyes, causing people to feel that the Purple Yang Excalibur was her life, as if it was everything to them.

"What's with this woman!" Chen Xiang sent a sound transmission to Bai Xuelan, "Xue Lan, did you see it just now?"

"I saw it. She must have something to do with this sword." Bai Xuelan replied.

Qin Shuang said: "This sword does indeed approve of you, but you can still give this sword to me, I have a way to make him acknowledge me."

"No, why should I give it to you?" Chen Xiang snorted: "I worked so hard to obtain it, why are you giving it to me just because you said so?"

An old man from the Qin family suddenly spoke: "The Purple Yang Excalibur is the sword of our Super Yang Old Ancestor, only the people from our Super Yang Divine Race are qualified to have it, and you are not a member of the Super Yang Divine Race, so you should naturally return it to us?"

"Since your Super Yang Divine Race has the qualifications to obtain it, then why didn't this sword directly land in your house, and was instead obtained by me?" Chen Xiang sneered: "Since I am able to obtain this Purple Yang Excalibur, it means that I am fated to be able to obtain it. As long as there is fate, so what if I don't have the Super Yang Divine Race's bloodline? Also, even if I have to 'hand' the person back to the Super Yang Divine Race, I am also the person who gave this Sword Blood to Bai Xuelan. "Please take a look at this book."

The old man was furious, he wanted to rush over and slap Chen Xiang's face, but he was only thinking about it, even Qin Shuang was unable to instantly break the Bai Mansion's enchantment, let alone him.

"How about this, you fight with me for a round. As long as you win, I won't ask for Purple Yang Excalibur from you anymore." Qin Shuang said: "You were previously willing to fight with Lan Kunyuan, now you don't mind competing with me, right?"

"Of course I do!" Chen Xiang chuckled: "After fighting with such a 'bewitching beauty' like you, I'm worried that even if I can't bring out my true strength, I won't be able to do it. I'll definitely lose!"

Chen Xiang stroked his chin, using an extremely coquettish gaze, with a mischievous smile on his face, he spoke while smiling.

Bai Xuelan rolled her eyes at him. She didn't think that Chen Xiang was actually such a person.

"Lan Kunyuan died unjustly. If he was a beauty, then he wouldn't have to die." Bai Xuelan snorted, when the people of Lan Clan heard it, their faces turned red and then white.

Lan Kunyuan's death was the real pain of the Lan Clan, and now that Bai Xuelan was using his death to tease them, it made them angry and anxious. However, they could only glare angrily at Bai Xuelan, as they could do nothing at all.

Right now, they only hoped that Qin Shuang could obtain the Purple Yang Excalibur from Chen Xiang, so that way, Chen Xiang's strength would be weakened.

Qin Shuang took a deep breath, only then could she suppress the anger in her heart, if not she would scare Chen Xiang again.

"Tell me, what must I do before you agree to give me the Purple Yang Excalibur?" Qin Shuang's voice carried a slight roar.

"It's impossible to fight you because I can't beat you." Chen Xiang spread out his hands: "And I cannot give you the Purple Yang Excalibur, this sword is extremely important to me, it is impossible for me to give it to you, this is impossible!"

Chen Xiang looked at Bai Xuelan, and said: "Xue Lan, I'll hand this over to you. I'm afraid I'll be scared to death if I were to go back and rest!"

"Wait!" Qin Shuang suddenly shouted.

Chen Xiang had just turned around, and when he heard Qin Shuang's shout, he anxiously turned around and said impatiently: "What do you want now? Don't think about scaring me again, I'm not afraid of you. "

"If you compete with me in sword techniques, as long as I am unable to defeat you within ten swords, it would count as my loss." Qin Shuang said: "If I lose, you can do whatever you want. If I defeat you within ten swords, I will give the Purple Yang Excalibur to me."

From Qin Shuang's expression, it was obvious that he had made a very difficult decision. Chen Xiang thought for a bit, because he had room to consider.

"You come out and fight with me, I, Qin Shuang, swear with my life that I won't do anything to the Bai Mansion. Even if you lose, I promise I won't kill you, and I won't let anyone hurt you, nor will I let anyone harm the Bai Mansion. I only want the Purple Yang Excalibur."

Qin Shuang's current condition could be said to be extremely disadvantageous for her, but she was so firm and confident. At the same time, she could tell that she was willing to sacrifice everything for the Purple Yang Excalibur, and she could even become the enemy of everyone else present.

Especially Heaven Old Imperial Family and Lan Clan, they were still letting Qin Shuang deal with him earlier, but if Chen Xiang agreed to it, no matter if he won or lost, Bai Family would be able to rest easy.

"If you don't trust me, you can sign the blood contract." Qin Shuang said again. Seeing that Chen Xiang was thinking about it, she secretly rejoiced, because it was possible.

"How do we determine victory or defeat?" Chen Xiang asked: "I am not that easy to kill!"

"First of all, you can only use the sword." Qin Shuang said: "I know you have a powerful defensive divine tool, if you use it, I might not be able to defeat you even after a hundred strikes."

Chen Xiang considered for a moment, then nodded his head: "This is not a problem, as long as I can endure ten of your strikes, I think it will be very easy."

"Second, you cannot use Spatial Force to teleport. Because if you keep dodging, it will be very difficult for me to only be able to display my strength in the ten strikes." Seeing Chen Xiang nod his head, Qin Shuang was surprised. She thought Chen Xiang would refuse.

Chen Xiang rubbed his chin, frowning as he considered: "There's no problem with this ... "But I'm a bit worried that you will kill me when the time comes."

"I will absolutely not kill you. I have the confidence that I can only defeat you with ten strikes." Qin Shuang said: "Purple Yang Excalibur are very important to me, I will definitely keep my promise, furthermore, we will sign the blood contract, so you don't have to worry about this."

"Then how can I be considered to have lost?" Chen Xiang laughed: "If you don't kill me, I won't admit defeat."

"When the time comes, we will all use swords. As long as I knock the sword out of your hand, you will be considered to have lost. If I am unable to do it within ten swords, then I will lose!" On the other hand, if you are able to counterattack within ten strikes of my sword and take down my sword, then you can be considered to have lost. " Qin Shuang said, the rule she formulated made everyone feel that it was more acceptable.

[Chapter 3260](#)

Chen Xiang looked at Bai Xuelan. Bai Xuelan had a better understanding of Qin Shuang, and Bai Xuelan also had a certain understanding of his strength, so he hoped that Bai Xuelan could give him some advice. Almost all the books he wanted to read were here, and they were much faster and more stable than the average station. There were no ads in the entire text.]

"If you win, what are you going to do with her?" Bai Xuelan stared at Chen Xiang and sent a sound transmission to him.

"I haven't thought about it yet!" Chen Xiang laughed: "But I have a good chance of winning against you, if I win, hehe."

"Alright, then you can try. At most, you will only lose Purple Yang Excalibur s. You still have a powerful sword in your hand, right?" Bai Xuelan was talking about Heavenly magic sword. From what she knew, Chen Xiang's Heavenly magic sword was definitely not weaker than Purple Yang Excalibur.

Chen Xiang said to Qin Shuang: "Alright, I agree. We will compete as agreed!"

Chen Xiang agreed, and a flurry of discussion erupted because from the rules just now, it seemed like Qin Shuang had a higher chance of winning, he was extremely strong, just like Hong Qianyi, and hitting the sword out of Chen Xiang's hands within ten swords, was not a very difficult thing.

"If it were me, I would be able to do it with five moves." Hong Qianyi snorted in a low voice: "He doesn't need to use the power of space to teleport, and he doesn't need to use that damned mirror either. This isn't difficult at all." "Please take a look at this book."

There was a sour tone in Hong Qianyi's tone, perhaps because he hated himself for not being a woman, or else he would have taken advantage of her. However, he thought that the reason Chen Xiang agreed to Qin Shuang's request was because Qin Shuang was a very beautiful woman, even though she looked cold and indifferent.

Many people thought so too. When Chen Xiang appeared before, he continuously used frivolous words to provoke Qin Shuang, and no matter how one looked at it, he seemed like a pervert. Everyone felt that Chen Xiang must have wanted to win, and then, he must have done something shameful to Qin Shuang.

Chen Xiang looked at the crowd's questioning and snorted, saying in a low voice: "This group of people, truly think only of a petty person."

Bai Xuelan chuckled: "It's your fault that you don't look like a good person."

Of course, Qin Shuang heard the discussions of the crowd, but after she gave them a cold glance, the rest of them did not dare make a sound, especially the few that did not care about their lives, who actually said that they wanted to seduce Chen Xiang to compete with her, this made her the most furious.

When those people saw her, their souls almost flew out of their bodies. Their bodies went limp on the ground and they wouldn't be able to recover for a few days.

"Alright, let's sign the contract now." Chen Xiang said to Qin Shuang. Everyone felt that Qin Shuang's victory was already in their grasp, but they did not know that Chen Xiang was the same.

Chen Xiang possessed the Sword Blood and grasped the Frenzy sword method, many people knew of this matter. However, Hong Qianyi had seen Chen Xiang's Berserk Fire Sword Force before, he felt that he was far inferior to Qin Shuang, so his analysis was acknowledged by everyone.

"Chen Xiang's Sword Blood isn't the purest type, so he doesn't control the Frenzy sword method and the Sword Blood well, and is unable to unleash their true strength." Hong Qianyi said: "Only that fellow Lan Kunyuan was careless. If I had crossed blows with Chen Xiang back then, he would not be standing here right now."

Hong Qianyi's voice was filled with arrogance, as though defeating Chen Xiang was an extremely easy task.

Chen Xiang ignored him, and focused on signing the blood contract with Qin Shuang.

After signing the contract, Chen Xiang walked out of the Bai Mansion and went outside.

The outside of Bai Mansion had long turned into a wasteland filled with wounds. Furthermore, it was sinking very deep, the cracked ground could be seen everywhere, all because of the intense battles that had taken place before.

Chen Xiang took out his Heavenly magic sword s, shocking Qin Shuang!

"Don't you use Purple Yang Excalibur s?" Qin Shuang was very surprised, she could not understand. Although she could tell that the Heavenly magic sword was also very strong, but she felt that it was inferior to the Purple Yang Excalibur.

Purple Yang Excalibur s were considered to be very strong by the people here, they felt that only the Super Yang Old Ancestor had a godly sword that was stronger than the Purple Yang Excalibur.

Chen Xiang's Heavenly magic sword only had a pale gold appearance and did not have the kind of forceful fighting strength that Purple Yang Excalibur did. Therefore, it did not look that powerful, but it still released a trace of the faint aura of a Myriad Tao Divine Soil Crystal ... In reality, that was the Crystal emperor's Qi. It was just that Chen Cai's refining methods were very brilliant, and did not expose the powerful Crystal emperor's Qi.

"This is probably refined using Myriad Tao Divine Soil Crystals!" Qin Shuang carefully observed the Heavenly magic sword in Chen Xiang's hands: "It's full of raw materials, and also a pretty good divine sword! You already have such a good divine sword in your hands, and you actually said that I had different intentions. "

"That's because I'm a person who doesn't care about anything." Chen Xiang laughed: "For example, I already have a wife, but if you want to be my wife, I will definitely not mind!"

"You ... "Don't be too presumptuous." Qin Shuang really wanted to cut off Chen Xiang's head.

"I'm just making a metaphor! I already had this sword in my hands from the start. Later on, due to fate, the Purple Yang Excalibur followed me. Chen Xiang laughed out loud. "Even if we can't stop them, we can."

"Use the Purple Yang Excalibur to compete with me. I want to see how well the Purple Yang Excalibur will be used in your hands!" Qin Shuang said: "You have Sword Blood, so you can also learn Frenzy sword method, and during the competition, I will give you a few pointers, but you have to admit that you are not my opponent, and I won't hurt you, so if I get the Purple Yang Excalibur, I will still 'excite' you, and if you don't mind, I can even accept you as my disciple."

"Of course, it doesn't matter if you don't want to. In the future, if you have any difficulties in the way of the sword, you can also go to the Qin family and seek my advice. I will definitely help you out." Qin Shuang spoke very straightforwardly, the conditions were extremely touching.

Everyone suddenly felt that if they were Chen Xiang, they would definitely give the Purple Yang Excalibur to Qin Shuang without hesitation and acknowledge him as their master.

"How can we do that? If I acknowledge you as my master, you won't be my wife! " After Chen Xiang said this, he anxiously said: "No, if you were to become my master, then wouldn't we be able to have a passionate master-disciple relationship?"

The moment he finished speaking, he felt an extremely cold and mournful air current wrap around his neck. The sharp longsword in Qin Shuang's hand had already pierced through his neck, if not for the Blood Pact controlling Qin Shuang, he would have died ten times already.

"I'm serious!" Qin Shuang said in a low voice.

Bai Xuelan continuously shook her head as she watched. The Master like image of Chen Xiang in her eyes earlier had already disappeared.

"Beauty, don't move, don't move, I'm serious ..." "No, I was just joking. Can we start the competition now?" Chen Xiang carefully moved his steps, keeping his neck far from the killing sword.

"It's fine if you don't use Purple Yang Excalibur, but I want to see what abilities you have to beat me." Qin Shuang did not expect that at such a critical juncture, Chen Xiang would still be teasing her, which made her hate Chen Xiang more and more.
