

BACK FOR MY DAUGHTER

Chapter 9 - She Called Me PAPA

"Creeeakkk"

As the door sound of the door opening came everyone in the room turned quiet.

They turned towards it, as it was opening, while a little head peeked from the gap in the door and the doorframe.

Then the little head peeked more to look around what was happening.

With a few small steps, a little figure came out of the door while looking around.

The little figure was a little Loli of around four or five years, she has her hair braided in ponytails on her head. She wore a small pink coloured frock with flowers of many colours.

She looked skinny and her eyelashes were fluttering as she looked around in amazement.

"Mumma what is the sound coming from? Did the neighbour aunt come to argue again?" She said in her cute voice right after she came out.

She looked just like a small version of a fairy without wings.

She then looked around to see many people in her house and went towards Yuan Meng and hid behind her.

After she went behind Yuan Meng she again peeked with her head peeking out and she caught her moms legs from behind.

There was no sound in the room while all this happened and there was no movement either.

Soon the little loli saw a slightly familiar face in the group of men.

Ye Qian was watching her all this while he suddenly felt happy and felt rejuvenated all over his body.

As the little loli looked at Ye Qian for a while, she smiled and ran towards him.

Ye Qian went on his knees as he saw her coming towards him and spread his hands for her.

She hugged his neck tightly as she fell on him while running.

Ye Qian closed his arms and slowly closed his arms to feel his daughter for the first time.

"Papa Qiqi missed you so much!" the little loli said as she hugged him.

'She called me PAPA'

Ye Qian felt a burst of emotions after hearing her words his throat felt choked and his eyes turned moist.

"Papa also missed Qiqi a lot." He said as he pulled her head and kissed her on her head.

A few tears fell on her head while he kissed her.

"Why is Papa crying?" Little Qiqi asked seeing tears falling from his eyes.

"Because Papa missed Qiqi so much that papa is so happy after seeing Qiqi after so many years. Pappa felt happy and these are tears of joy after meeting Qiqi."

He stuttered as he choked, he couldn't even speak properly.

Little Qiqi moved her soft little hands on Ye Qian's face to wipe his tears.

"Papa doesn't need to cry now Qiqi is with you." Little Qiqi said in her baby voice.

"Yes, Papa is very happy, papa won't cry now!" He wiped the remaining tears as he smiled at her.

Meanwhile, Yuan Meng who was seeing this felt like this was the best day of her life.

She also started crying while smiling.

'Ye Qian you meanie you also made me cry.'

Little Qiqi turned to her mother who was crying as well and asked.

"Mumma is are also crying now."

She went to Yuan Meng while holding Ye Qian's hand.

"Meng I..." Ye Qian was about to say something when Yuan Meng suddenly hugged him with tears flowing from her eyes.

Ye Qian hugged her while patting her back and letting her hug for a while.

A few minutes later she sobered up and let go of Ye Qian.

Ye Qian was about to say something when he saw the mess around the room and turned to Mr Su who was trying to leave.

"Hey, Mr Su get your men out of here and don't show your face again, if you do I won't let you go so easily. I don't want Qiqi to see such things so I am letting you go, now get out of here." He shouted at them.

"Yes yes Mr Ye, thank you for showing mercy on me." Mr Su said while bowing.

Mr Su helped his men who were now somewhat in a better state and went out of the house.

After kicking out Mr Su and his men of the house Ye Qian turned to Yuan Meng when.

"Paa"

A crisp slapping sound was heard as Ye Qian was clapped by Yuan Meng on his face.

He turned towards her again without any anger.

He saw Yuan Meng had lost all the colour on her face and tears were flowing from her eyes without stopping.

"Mumma, why did you hit papa?" Little Qiqi asked with a sullen expression as Yuan Meng slapped Ye Qian.

"Mumma hit papa as papa left Qiqi and Mumma for so many years." Ye Qian said to Little Qiqi as she might misunderstand Yuan Meng.

"Ohh.. Papa won't leave Qiqi and Mumma again right?" Little Qiqi asks while hugging Ye Qian's legs and Yuan Meng's legs with puppy eyes.

"No" Ye Qian said while turning towards Yuan Meng and said, "I will never leave Qiqi and Mumma again."

"Pinky promise?" Little Qiqi asks lifts her little hand and points her even little pinky finger towards Ye Qian.

"Yes, pinky promise."

Ye Qian points his pinky finger and hooked it with her pinky.

Meanwhile, he lifted his other hand at Yuan Meng and pointed his pinky finger towards her.

Yuan Meng was touched by his gesture.

She pointed her pinky finger and hooked it with his.

"I, Ye Qian make a pinky promise that I won't leave my Little Qiqi and her Mumma ever again, if I ever do I will be struck by the heavenly lightning never to reincarnate again." as he said it started to thunder heavily and lightning appeared.

What he did was, he made a heavenly oath.

"Look papa gods are witnessing your promise you cannot break it!" Little Qiqi exclaimed in her cute voice as the sound of thunder came.

"Eh.. Who told you this?" Ye Qian asked her while scratching his head.

While it was partly true because if anyone broke the oath he or she will die definitely.

"Grandma told me if there is thunder then the gods are looking around you." Little Qiqi said while thinking for a bit.

"Ohh.. your grandma is logical in a way." Ye Qian said while scratching his chin.

Yuan Meng looked at him and found him somewhat different.

"Mumma is the dinner ready." Little Qiqi asked while clinging to Ye Qian.

Suddenly disturbed from her thoughts she replied.

"No dear the people came when Mumma was about to cook, play with your papa till Mumma cooks dinner for us. Ok." Yuan Meng replied her eyes turned crescent from smiling.

'At last, he's is back I had lost all hope, now that he is here everything will be fine.'

She gave a sigh and turned towards the kitchen was about to enter to make dinner when.

"Knock knock."

There was a knock on the door.

Yuan Meng looked at the door with agitation as there was no one who would visit them at this time.

'Could it be the people from the Long Group again?'

Fear gripped her heart.

Ye Qian looked at her and understood what she thought, he said "Qiqi go to your room papa will come soon."

"Yes, papa." Qiqi smiled and went to the bedroom while skipping.

It was like she was flying.

Then Ye Qian turned towards Yuan Meng and said "I will open the door."

"Alright." Yuan Meng nodded and entered the kitchen.

'He is here, there is no need to worry about, now that I think of it when did he learn martial arts.'

Yuan Meng pondered while going.

Ye Qian smiled as he saw Yuan Meng walkout and turned towards the door.

'If it's you guys again, then few scums will leave this world now.' He thought and he started walking towards the door.

"Knock knock."

A few knocks were heard again.

"Sister Meng are you there, Qiqi?"

A female voice was heard coming from outside as Ye Qian was about to open the door.

He opened a door and saw a woman in her mid-twenties with a light cotton shirt and jeans.

The woman looked at him for a few moments.

'En. Did Sister Meng finally found a boyfriend, he might be good considering Sister Meng never accepted anyone proposal while thinking that Little Qiqi might suffer? He looks as the same age as Sister Meng.'

The woman thought while looking at Ye Qian from head to toe in a penetrating gaze for a few times.

The fine hairs on Ye Qian's body stood up as he shuddered.

'Enn. Why do I suddenly feel like when a fierce Spirit Beast saw me when I was at the Golden Core stage.' Ye Qian thought while trying to calm himself.

"Who are you?" the woman asked while looking at him with gazing eyes.

"I am Ye Qian, Mengmeng's husband." Ye Qian said with a faint smile.

'Ahh. Sister Meng married him as well. Shit! while I was not here Sister meng did a lot of things.'

'I guess I can't stay at her for night outs now.' The woman thought as she suddenly felt dejected.

'Well if it's good for Sister Meng and Little Qiqi then I can do it.'

Then she cheered up. As a bright smile appeared on her face.

"Hey, are you going to make a guest stand at your door all night? Humph.."
The woman said grumpily while humping at Ye Qian.

"Oh sorry.. Please come inside." Ye Qian smiled in an awkward manner and welcomed her.

'Humph, you better behave well or...' the woman thought.

Meanwhile not hearing any kind of commotion Yuan Meng went out to see who it was and smiled helplessly.

"Hey, Jiao it's you grumpy girl." Yuan Meng said as she came out and saw the woman and waved at her.

"Sister Meng how many times should I tell you not to call me like that. And I have not collected my debt yet. Hump." Jiao said as she puffed her cheeks.

"Uhh, what debt?" Yuan Meng asked while looking a bit confused.

"You got married when I was not here and you didn't even message me of it. Humph.." She said grumpily as she looked at Ye Qian and said.

Ye Qian scratched his head and smiled awkwardly.

'Man, was she thinking that way? Well, that might have been good for Meng if I would have never been able to return.' Ye Qian thought as he suddenly felt sad about it.

Hey guys hope you liked this one as Little Qiqi finally met her father.

Bless her!
