180 Chapter 180

Henry chuckled when he noticed Kate's nervousness, "You took it all plenty of times before, you can do it again, Kitty. Don't worry, I'll be gentle." 1

"Um..." Kate nodded.

Henry then lifted Kate by her waist and began to slowly thrust inside her pussy.

Kate gasped when half of it was inside her, and she moaned sweetly when Henry's cock was finally deep inside her.

"Ahhhhhnn!" Kate stretched her neck like a swan as the shocking pleasure completely washed her away.

"Hrrm..." Henry grunted as he felt that his cock was wrapped inside a hot and tight tunnel. He kissed Kate's nape a few times to calm her down and said, "As I expected, we have a perfect compatibility. You and I are meant to be together, Kitty."

"Ahh... uhhnn..." Kate's body squirmed as she felt the hot and throbbing dick inside her. But Henry quickly put her in place by holding her waist. He then lifted Kate up and down

effortlessly while gently moving his hips.

They started slow at first, but as Kate got wetter down there, Henry began to lose himself and hastened his thrust.

"Ah—ahh! Ahnn! Uhhh!" The mind-numbing pleasure also washed away Kate's consciousness. She could only moan as she lost strength each time Henry thrust his big dick inside her.

He occupied every inch inside her pussy, his cock made her feel full, and he satisfied her.

"Ah—Uhmm! Y—yeah, Henry, fuck me hard! Ahhh!"

The pleasure was proven to be too overwhelming for Kate. She felt that her body wasn't her own anymore. She reached her orgasm and squirts uncontrollably.

"Ahhhhhhnn!"

Squirt! Squirt! Squirt! Squirt!

Henry gritted his teeth, "Fuck! Ugh, I can't hold it anymore! UGH!"

Henry grunted as he hastened his thrust, and he shot all of his thick and hot cum inside her.

Spurt! Spurt! Spurt! Spurt! Spurt!

"Uhh Nnn!"

"Urgh! FUCK! ARGH!"

Henry and Kate took a short break after their first orgasm. Kate rested her entire body on his strong chest while Henry tightly wrapped his arms around her waist to ensure she wouldn't slip and fall since they were both sweating.

Henry hadn't been masturbating for at least a week just for this special night. He shot so much that Kate complained, "Uhh, my inside... it's so hot...." 1

"Hahah, I've saved it up for a special occasion," Henry replied. His cock was still rock hard inside Kate's pussy, a sign that one round wouldn't satisfy him. "Ready for the next round?" 1

Usually, Kate would refuse Henry's advance because one round was enough for her.

But her emotion was at its height tonight, and she wanted nothing but to spend her energy on Henry.

Kate swayed her hips left and right, squirming as she wanted to continue playing with Henry's cock inside her, "I am all yours, Mr. Grant."

"That's what I want, Kitty," Henry said. "We will

spend at least a week here."

"A week? Isn't that too long?" Kate didn't object to the idea of spending a week on this vacation, but she thought they still had work to do.

"Not really, it's my promise to Michael as well," Henry said. "He'll take care of the office for a week. He also wants to get closer with his Bunny." 3

"Bunny?"

"It's the nickname he gave to Mai. Though he hasn't told her yet about it," Henry chuckled. "Let's hope they get along while we're away."

"I sure hope so," Kate nodded. She silently prayed for Michael, knowing Mai was such a hard-headed woman. She had a trauma she didn't want to discuss, and it'd take a while for her to open up.

"Well then—" Henry grabbed Kate's inner thighs and opened it wide, "Let's go for another round, Kitty."

**

Meanwhile, Michael and Mai were busy in the office while their bosses were away to ditch that bitch and have a romantic vacation in Greenland.

Since there was no CEO or Chief Editor, Michael and Mai were tasked to handle their jobs together. It was exhausting, but none of them were complaining, especially Michael, who was enjoying his time alone with Mai without that filthy bitch ruining it and without having to run errands for Henry or Kate. 1

Unfortunately, despite all the chances that he got, he still faced another problem.

"Mr. Eckermann, this is all the documents you have to check today," Mai said as she walked into Michael's office and put a stack of documents on his desk.

Michael sighed as he saw those documents.

He never expected Henry and Kate to do so much at work. He seriously thought that all they did was having a wild office sex inside the CEO's office all day. 1

'I underestimated Henry. He's really a changed man,' Michael thought.

Mai noticed the exhaustion in Michael's eyes, which was understandable since he had to substitute for the CEO and Chief Editor's job.

"Mr. Eckermann, if you're too tired, then you should just rest. I will finish reading the

documents for you and summarize each of them. All you need is just signing them in the end," Mai offered.

"No, no, I can do this. I am a very capable man," Michael claimed. He didn't want to be seen as unreliable by Mai.

Mai shrugged, "Alright then. I'll make you a coffee, since I think we will be here for a few hours more."

Mai was about to leave when Michael suddenly stopped her, "Wait, Mai."

Mai turned around and raised her brow, "Yes, Sir?"

"I... uh... I had a little souvenir for you. I bought them when I was in Greenland before," Michael said. He took something from his briefcase and handed it to Mai.

Mai frowned when she was given a cute doll wearing a traditional Greenland costume.

"Why are you giving me a doll like this? It's for little girls," Mai said. She glanced at Michael and added, "Do you have something specific in mind when you're gifting me a doll for a little girl?" 1

"Ah—I—Uh... nothing in particular, it's just... I

don't know what kind of stuff would impress you," Michael replied. He had no idea because he had never had to impress a girl.

He didn't want to give Mai expensive stuff because Mai didn't seem to be the one who liked that kind of luxury.

So he just used his heart and picked something he thought looked cute, just like her.

"I swear I didn't mean to insult you," Michael murmured. "It just looks cute..."

Mai noticed that Michael looked guilty. She sighed, "Don't make that face, Mr. Eckermann, you make me feel like a mean bitch who hurts a man with a good will."

"Anyway, thank you for the gift, I like it."

"Really?" Michael asked. He lifted his head, and his eyes were full of hope.

"Yeah, I actually collect dolls," Mai said, then blushed. "Don't tell that to Mrs. Woods, it's a little embarrassing." 2

"I'm just glad that you like my gift. I really thought I offended you."

"Hahahah! No need to be so nervous around me, Sir. I'm not a beast or anything," Mai

chuckled. "Anyway, I don't want to feel indebted to someone. Do you want me to buy or do something to pay this back?"

Michael was stunned for a moment, and then his cheeks reddened, "Y—You can start by calling me by my first name. Call me Michael." 1

"Hahaha—No," Mai refused. "You're my Boss, and it's so unprofessional for me to do that. Tell me if you need something else later."

Michael watched her back as Mai walked out of his office. He sighed, pitying himself, "You really suck at this, Michael. I should've asked Henry for some tips." 1
