1152 Chapter 1152

Narrow braziers enclosing each of the fourteen sandstone columns light up the entire throne hall and bathe it in an orange glow. The unadorned stones on the embowed ceiling dance in the flickering light while memorials and statues look down upon the oaken floor of this royal hall.

A malachite rug splits the entire room in half from the doors to the throne while burgee banners with burnished ornaments are on the walls. Between each banner hangs a small luster, all but a few have been lit and in turn, illuminate the mosaics of divine beings below them.

Wide windows are enclosed by curtains colored the same malachite as the banners. The curtains have been adorned with decorating tips and intricate embroidery.

A grand throne of stone sits beneath two overlooking statues of legendary beasts and is adjoined by four equally lavish seats for the royal highness' direct family.

The throne is covered in intricate engravings and fixed on each of the slim ears is a carved symbolic emblem. The soft pillows are a light malachite and these too have been adorned with adorned needlework.

Those awaiting to be heard by their royal highness can do so on the countless decorated, but somewhat uncomfortable iron benches, all of which are diagonally facing the throne. Those of higher standing can instead take a seat in the extravagant mezzanines facing the benches below.

-n0ve1、 com And standing before such a grand throne was the emperor of the Far East Empire, Saeko's father, the emperor Michael Itsuki Ren.

He was walking to and fro, with his expression seeming as if he was in deep thought while at the same time expecting someone's arrival.

"Let's see how much I have progressed before he comes." His expression was that of anger when he talked about him. But this quickly disappeared after checking his status.

"Not bad but I better work hard before that girl catches up to me." He said with a smile almost as if he was looking forward to that day quickly coming, there is a certain joy in imagining this.

However, this joy vanished when he felt someone's presence.

Soon enough, a gentle voice filled with respect traveled to Michael's ears, "Royal father, you asked for me?"

Michael slowly moved his eyes toward the large door and saw Itsuki Jr Ren coming in with a smile and respectfully bowing before him. His second son.

Michael crinkled his eyes as he scrutinized him from top to bottom. Itsuki Jr still didn't lift his head and maintained a calm expression. Still, inwardly he was trembling, feeling his father's gaze penetrate right through his bones.

"Hmph, still level 139, not even Demigod yet? What have you been up to since I told you to go into dungeons and only come back after you become Demigod? Wasting your time by playing around instead of focusing on level up right?"

Michael questioned as his gaze tightened.

Itsuki Jr's heart quivered from hearing his father's biting tone and didn't even feel as if he had enough strength to lift his head. His heart tightened, especially when he felt no love from his tone.

However, he still replied in a tone as calm as possible with his head still down.

"Forgive me, Royal Father...I—"

"Come here, you useless thing! Why are you hiding your face like a coward?"

Michael roared, seeing his son still standing with his head down.

The way he talked to Itsuki Jr was quite a contrast to how he usually talked with Saeko or to the crown prince, which was no less than that of a loving father.

The throne hall seemed to shake along with his roar and jolted Itsuki Jr's body sending a shiver down his spine.

The calm expression Itsuki Jr had before was already twisted into one of fear and apprehension. How could he keep up his calm expression in front of such a supreme existence that looked down upon every living being in the empire?

He listlessly lifted his head and walked towards his father, each of his steps as feeble as a child's, making one wonder if he was this scared why not do what his father told him to do?

Just as he got near to his father and stood before him, he saw him slowly walking towards him, each of his steps majestically echoing in the hall, but for Itsuki Jr, each of those steps seemed to be stepping on his heart.

His face was straight, but his eyes, even if he wanted to, were unable to meet his father's cold gaze. All he could look at was his feet while unable to calm his body down as tension wracked his nerves.

Michael said in a cold tone as he glared at his son's face.

"Do you think just because you are my son and happened to be the born royalty, your life is set? How foolish! People with fewer resources are stronger than you. Do you now understand how useless you are now?"

Itsuki Jr moved his gaze down in humiliation.

He replied respectfully, "Royal father, I am trying my best, but there can always be gifted geniuses that are fated to surpass the world itself like my sister and big brother. How can I hope to keep up?"

Slap!

Swoosh!

THUD!

A cold slap resounded in the hall, followed by the sound of flesh hitting the hard floor after a short flight.

"Ughhh..." He was suddenly slapped to the floor, making him groan in pain. Blood trickled down his lips while the right side of his cheek was completely red and swollen, distorting his handsome features.

His body was uncontrollably shaking as he tried to lift body. Taking a slap, no matter how weakened from the strongest entity in the empire, was not something a normal man can survive.

Itsuki Jr could even feel that some of his bones seemed to be fractured, making it even harder for him even to move his mouth to talk.

"How disgraceful."

Michael coldly uttered as he looked down at his son lying a few feet away, it took only a single step to go over there.

"You cannot hope to keep up? Is that how my son, the second prince of the second strongest empire in this continent, should talk? Even a wild dog has a stronger spine than you. Saeko is four years younger than you. But look at how different you are from her. Her rank is higher than you, already Rank 15 when you have yet to be Rank 14, I won't talk about your elder brother, the crown prince which only two years older than you."

His eyes showed no pity or guilt at all seeing his second son lying down on the cold ground and continued as he lifted him by the collar.

"If you cannot hope to keep up, then should I quick you out, I was planning to give you three duchies to govern as a test, should I give them to your third brother?."

Michael seemed not to be joking when he said those words, he even added.

"You useless thing, you can't even match up to your sister, then how do you expect to match up to some outsider with such a weak spine?"

Feeling wronged, Itsuki Jr even started to tear up from all the pain and sadness as he mumbled, "My sister is a genius not meant to be compared with someone like me. I am only happy to have her surpass me."

His tone contained a tinge of admiration despite being under the angry gaze of his father.

But his response only made his father curl his lips as he said.

"How convenient. A perfect excuse so that you can laze around as the second prince enjoying the luxury and resources you are getting because of being my son. It seems like you lack the right motivation. Then let me give you one."

Itsuki Jr face turned ashen as his features trembled in the apprehension of what he was about to say.

With a cold smile, Michael announced.

"If you do not break through to the rank level within a week, I will cut off my support, and I will also disown you as my son, I will send you to a rural county without a penny. If you don't want this to happen, you know what to do."

Itsuki Jr shivered upon hearing those words, he felt wronged, why would he have to suffer in a such peaceful environment? He resented everyone.

"Scram!" Michael declared before kicking his son and sending him flying outside.

"What useless son. I hope he will understand before it's too late. This world is not peaceful as it used to be." Michael let out a short sigh.

Meanwhile, Itsuki Jr on his way back encountered one of his uncles.

"Greetings, royal uncle."

"Do you want to get stronger? More than your elder brother and little sister?" His royal uncle said after accepting his greetings.

"Huh?" Itsuki Jr was shocked because the uncle inside his memory didn't behave like this but this doesn't matter as he said something that interested him.

"Yes, I want to get stronger." He declared and his uncle smiled creepily.

1153 Chapter 1153

Saeko had finally met up with Gracier and the girls were sitting around a bonfire after eating, Saeko was busy flipping through the pages of her novel, and the curious Gracier could not help but ask her.

"Saeko what are you reading for a while?"

"An interesting story about siblings," Saeko responded, her eyes still on the page she was reading.

"Wow! I'm interested all of sudden, can I also read it." Gracier said as she approached Saeko who smiled.

"Sure!" Saeko nodded while inwardly thinking the test has begun. She gave Gracier a quick summary of the story, it's a story about a certain crimson empress. In the empress's youngest days, she had a half-brother, Elliott.

Currently, the girls were reading a chapter where Elliott was talking with his uncle about her sister and why their father the emperor seemed to hate him, the crown prince.

[... Elliott's expression became wry as he mumbled, "No...that can't be possible. Sure, Elena is way more talented than me, but she still doesn't even seem to behave as if she will be the empress in the future. And I don't believe she is the cunning type."

He then let out a sigh of helplessness as he continued, "Even if that's true, I don't mind if she becomes the empress. At least that way, she would be a way better ruler than my father. Elena might appear distant, but she is kind as well. I am sure she would treat our people well, including my mother."

He thought back to how Elena agreed to his request of looking after his mother whenever possible, which he never expected her to accept.

Over the years, as Elena and he grew older, the less she interacted with anyone else other than answering anything people asked her. Even he didn't get to talk much with her but only kept seeing her from afar like a mortal gazing upon the goddess.

However, he remembered how cheerful she was before her mother died and also used to play games with him. At that time, she was as cute as a fairy.

And, now, she had matured into an ice fairy, possessing a beauty that could make one's soul flutter and power that could make seas dance to her tune.

Elliott guessed that the reason Elena became reticent was probably due to her mother's death, especially if she was unable to move on. In fact, he could imagine himself in her shoes, thinking how he would feel if he suddenly lost his mother, and couldn't help but feel his heart becoming heavy thinking about anything bad happening to his mother.

So, he didn't mind even if she talked to him as if he was a stranger. But at the same time, he felt ashamed that he couldn't make himself ask her if she was facing any problems or how he can help her.

He felt like she had this cold and intangible barrier around her that kept people away....a barrier no one could pass through unless she deemed that person was worthy.

So far, he had yet to know if she even had anyone of her age to talk to.

Conrad their uncle raised one of his brows, "Oh, how should someone who is going to become the ruler of this empire behave? What do you actually know about Elena? Nobody knows much about her, probably not even her own father."

He then continued in a low voice, "Besides, I know you are seeking the forbidden fruit, making you blind to whatever she does and says."

Arthur frowned, "I don't understand what you are saying."

Conrad sighed, "Elliott my nephew,.how can you hide such things from your own uncle? I practically raised you when you were just a kid. I know the way you look at her each time you see her. Your expression might not change, but your eyes always get dazed before her presence as if your soul is somewhere else. Sure, she is an otherworldly beauty that could stun any man. But you had seen her umpteen times, and still, your eyes appear as if you are yearning for her. That's not all. Your gaze towards her becomes tender and soft, as if you are already seeing her as your lover.

"And that is one of the signs of being lovesick. I have lived for all these years by passing your age as well, so how could I not know?"

Seeing the shaken-up expression of his nephew, Conrad inwardly smiled and continued with an understanding tone, "Since you are inherently an innocent and kind-hearted prince, you don't have much experience with these things considering you never even went out with a woman before."

Elliott pulled back his thoughts and said in a defensive tone while clutching his fists, "Uncle is a misunderstanding. Elena is my sister. How could I even look at her like that? Even if you saw me looking at her like that, it was because I considered her my sister and also because of my admiration for her. After all, what I feel for her is just the love of a sibling and nothing more."

Elliott felt as if his heart just dropped hearing his uncle's words which made his buried feelings surface again from the depths of his heart. The more Conrad prodded his thoughts, the more he realized that his words were true, making him feel like stabbing himself for having such feelings.

He had always denied those feelings and thought that they would disappear on their own once he ignores them. But each time he saw Elena, those feelings would just burst out of his heart, threatening to destroy his inner peace.

Despite how confident and calm Elliott's words seemed, Conrad could notice the ripple in his eyes, making him scoff inwardly.

Conrad said in a comforting tone as he held Elliot's shoulders, "Elliott, you don't have to feel bad about having such feelings towards her. You do know that our imperial family mostly only married from within the family to preserve the bloodline. Even your mother is blood-related to your father. The only exception was Elena's mother. But I guess considering her beauty which only lost to her daughter, how could your father hold himself back?"

Conrad wasn't saying empty words as he still remembered the day he saw Elena's mother and he was tempted to make her his woman. The only reason he didn't approach her was only because of his brother, the emperor.

He thought he had already experienced the best women out there but Elena's mother turned that thought upside down even though she wasn't as beautiful as Elena.

Even though Elena was the more beautiful one, he for some reason couldn't dare to look at her crimson eyes as if he was afraid she would be able to peer into his soul and bring out all his inner thoughts.

Sometimes he felt ashamed at himself that a powerhouse like him would easily get intimidated by a young girl.

Elliott wasn't surprised as he knew about this fact, but such incestual marriages were not common when compared with other ordinary families.

He also knew that Elena's mother was basically an outsider that his father chanced upon. It was rumored that the strongest emperor who was indifferent to blood, battles, and women couldn't help but fall for Elena's mother.

Elliott also knew that his mother was the empress consort, but when Elena's mother came into the picture, his father didn't even hesitate to remove his mother from her position and give the title of empress consort to Elena's mother.

Still, he didn't have any hard feelings towards Elena because of that since it wasn't her fault.

But that was the time when he felt indignation towards his father for treating his mother like carpet, stepping on her, and throwing her away after he was done with her.

At that time, he also felt angry towards Elena's mother for barging into his family, thinking that she seduced his father to make her the empress consort.

This was also why his mother, took the suicidal risk of increasing her strength using pills because his father told her that she had to prove herself if she wanted to continue to keep her status.

And that was how she ended up with her present condition. Still, Elliott's opinion of Elena's mother changed when she even apologized to him and treated him like her own son.

However, when Elena was still a young child, he was surprised when he heard that Elena's mother suddenly died due to some inexplicable reason.

He wondered how such a kind, healthy and gentle woman died just like that, especially when her husband was the strongest person on the continent.

Reeling back his thoughts to Conrad's words, he indeed knew that incestual marriages were a thing and that probably his father even planned to make him wed one of his cousins.

There was no way his father would make him wed Elena since he announced that no one in the Dawn Continent was worthy of becoming her husband.

Just like others, he was shocked as well but at the same time felt that it made sense considering how even he felt inferior before her.

Conrad continued, "Of course, such marriages are not common among commoners since they think that some complications can arise from incestual marriages. But unlike them, because of our cultivation, such issues would never surface. Otherwise, our ancestors would have warned us about such things."

Elliott, however, shook his head and decided to come clean, "You are right, uncle. Maybe I harbor some unwanted feelings toward Elena, but those are heavily one-sided, and I am completely sure that Elena doesn't feel the same at all. So, I would rather ignore these inappropriate thoughts instead of making things worse."

He continued thinking back to what Conrad said before, "And no, these feelings don't make me blind. I have seen her grow up and know her nature. So, I don't think she is a calculative and cunning woman like you said."

"So you do like her?" Conrad asked with a smile.

"Yes!" Elliott responds honestly.]

"How can he have feelings for this sister?" Saeko said as she violently slammed the book, closing it.

"Huh? Why are you reacting like this? Is there a problem liking your sister or brother?" Gracier who couldn't understand asked and Saeko smirked and raised a question prepared especially for this occasion.

"So you like your brother the way Elliott does for Elena."

Time stopped and Gracier was unable to answer.

1154 Chapter 1154

"How can he have feelings for this sister?" Saeko said as she violently slammed the book, closing it.

"Huh? Why are you reacting like this? Is there a problem liking your sister or brother?" Gracier who couldn't understand asked and Saeko smirked and raised a question prepared especially for this occasion.

"So you like your brother the way Elliott does for Elena."

Time stopped and Gracier was unable to answer for a moment before saying.

"Of course, I like my brother but not the way you were thinking." Her face was flushing, betraying her real thoughts.

"I see, if you say so, I would have supported you nonetheless."

"Huh?" Gracier was surprised by Saeko's words.

"What did you just say?" She asked her to repeat her sentence but all she got was Saeko smiling mysteriously.

"Come on." Gracier wouldn't let go but Saeko was stubborn.

"I didn't say anything other than I see. It's late already, we must sleep to wake up early to continue farming for Exp."

"Tch!" Gracier clicked her tongue but still follow Saeko's suggestion.

'I will not help you not until you admit your feelings. The road will be tough.' Saeko silently mumbled while thinking about her man. That man will be harder to convince she thought.

.....

Talking about Alex, he was trying something, it was why he suggested to Incursio to go to his soul world.

Silveria understood what he was trying to accomplish which frightened her.

『You are trying to soul fusion, you want to add her strength on top of yours.』

"Yes! I feel like I can create a special mode with Incursio but it's not working. This feeling must come from my unique ability."

『I see, then why not do the activity you both loved so much but this time in your soul plane? Like this your souls will fusion faster, increasing your synchronization rate with her. She is the only one you can do this with. It's worth trying.』 Silveria's suggestion couldn't be more timely and Alex smiled, already ready to try this idea to see what the result would be.

"Thank you, Sil. I will give you a kiss and buy you ice cream later." Alex promised before cutting off the communication with Silveria to go share his idea with Incursio.

『Hmph! Who wants to be kissed by you? I just want the Ice cream.』 She said that but the idea of being kissed was strangely not disgusting as she thought.

'Sigh! What I'm even thinking about. Something must be wrong with me recently.' She said before completely shutting down her senses, not to see the debauchery that would soon unfold.

Alex shared his new idea with Incursio who accepted as one would have expected. The duo was about to experience sex in soul form.

A few changes were made in his soul world, for example creating a beautiful house.

From the outside, this house looks gorgeous. It has been built with red bricks and has white cedar wooden decorations. Tall, wide windows brighten up the house and have been added to the house in a mostly asymmetric way.

The house is equipped with an old-fashioned kitchen and two modern bathrooms, it also has a warm living room, five bedrooms, a grand dining area, a game room, and a roomy storage room.

The building is shaped like an L. The extension extends into overgrown wooden overhanging panels reaching the end of that side of the house.

The second floor is smaller than the first, which creates a layered style look in combination with the roof. This floor has roughly the same style as the floor below.

The roof is high and square-shaped and is covered with seagrass. One large chimney sits at the side of the house. Many smaller windows let in plenty of light to the rooms below the roof.

The house itself is surrounded by a well-kept garden, with a grass field and flower patches at the edges of the garden.

"Alex, catch me if you can," Incursio said before disappearing into the house.

"Wow! A little game before the main dish. Sure, I'll play." He declared before going after her.

He had to jump between balconies like a cheetah as he knew he would never be able to catch Incursio without tricks.

All he had to do was keep track of her movements from the outside and follow her. Since Alex has a divine sense, it was quite easy for him. And now he finally caught his prey, who was looking at him coquettishly with her charming red eyes.

He already pulled her into the room and pressed her back against the cold wall. His hands slipped down and squeezed her silky butt cheeks, making her let out an erotic moan.

He gripped her butt hard enough to fill his palms with her soft skin and gave a resounding slap on her butt, making her moan.

He then rubbed his hands over her black laced panties right where her pussy was being guarded and could feel her soft pussy because of the thin fabric of her panties.

Her body started feeling feverish with his hot fingers caressing her pussy. His eyes then shifted over to her half-exposed breasts and fondled them, making them twist into various shapes while also enjoying their softness.

"Ahhnn~" Incursio let out a whimper that further aroused Alex's carnal instincts.

He grabbed her snowy neck and plundered her lips for a hot kiss.

"Mhmm~" Muffled moans sounded out as he savored her cherry lips, feeling their softness and taste.

His hands weren't staying idle. One of them was still kneading her boobs while the other was squeezing her buttcheeks.

He then grabbed her by the hair and pulled her head backward after breaking his kiss to relish her dainty neck.

He sucked on her skin as he nuzzled her neck while hugging her by her waist, feeling her soft body pressing against him.

Sounds of his lips smacking on her skin echoed in her ears, making Incursio clutch his head and enjoy him pleasuring her body.

"I'm sure of this now, sex in soul's form will be a hell of an experience."

1155 Chapter 1155

The sounds of Alex's lips smacking on Incursio's skin echoed in her ears, making Incursio clutch his head and enjoy him pleasuring her body.

"I'm sure of this now, sex in soul's form will be a hell of an experience." Incursio took a moment off to say this and Alex who was feeling the same nodded. He then slips his hand into her panties and strokes her soft pussy folds.

"Mnmmnh!" She moaned but did not stop kissing Alex.

As they kissed, they slowly moved over to the bed, and just as they reached it, Alex pushed Incursio onto the giant bed, she fell on it with an excited smile.

He lifted her legs and kissed her soft calves before moving on to her juicy thighs and kissing her skin sensually.

Just as his mouth reached her panties, he pulled her panties upwards, making them press against her folds, and finally tore them off.

Her juicy pussy seemed to be already dripping wet, and he could see her folds 'breathing' in and out in a cute manner.

Without further ado, he gave a long lick over her folds and chewed on them with his lips as if he was eating her pussy.

"Ahhnnmm~" Incursio's body quivered in ecstasy as she let out a tender moan that would surely stroke the flames of lust in any person, and he was no exception. He had come to love hearing these moans.

Meanwhile, Incursio grabbed the bedsheet as Alex devoured her pussy like a hungry wolf who hadn't seen meat for years.

Her pussy folds felt so soft and squishy in his mouth, making him feel as if he could feast on them non-stop. He pushed his tongue inside her narrow cave and ferociously assaulted her pussy with just his tongue.

"Ohhhhhh!" Incursio loudly moaned as she arched her body, feeling his warm tongue ravishing her pussy, not leaving any spot neglected.

She felt a scorching sensation in her abdomen as a wave of pleasure suddenly burst out, flooding Alex's mouth.

Her body jerked as she orgasmed while he happily drank it all and licked her pussy to clean up the dripping love juices.

He gave a loving kiss over her honeypot as if thanking it for its nectar and moved over to her flat stomach.

He clutched her velvety hips as he smooched all over her tender stomach and nibbled on her belly button as well.

His mouth crept upwards, kissing her midriff, over her bra, especially her half-exposed breasts, and nuzzled her cleavage before moving upwards.

pAnD a(-)n0ve1.com His hands were squeezing her boobs while he kissed her collarbones and shoulders. He licked her neck before sucking on her skin as if he was trying to suck her blood.

He then kissed her chin before taking her lips into his mouth for a hot and wet kiss while intertwining his tongue with hers.

Both of them french kissed for a few minutes before their lips became swollen and red and looked into each other's eyes with an infatuated gaze.

His hands which were on her breasts, tore away her bra just like he tore her panties, thus exposing her rosy-pink pearls and her slender breasts.

He grabbed her breasts and moved his mouth over to her right boob, and sucked on her perky nipples before taking one of her nipples into his mouth.

While he squeezed her left boob hard, he was busy sucking the right one fervently as if he was trying to milk her.

Her blood was becoming warmer the more she felt her boob being sucked inside his warm mouth.

"Ahhnnn~" She erotically moaned out as Alex bit onto her nipple in between as he sucked her breast.

He loved the taste of her soft boobs and made a plop sound as he took her boob out of his mouth.

He then removed all his clothes as he felt that his cock was already at full strength to wage war.

He placed his throbbing cock near her pussy and slowly invaded it as it slipped easily into her slippery narrow cave.

"Ahhnnn!" She cried out in pleasure as she took in his hot, hard cock, feeling it expand her vaginal walls.

"Nnnngg!..so tight..." Alex groaned as he felt her pussy walls massaging his cock by enveloping it.

Without any delay, he pushed his butt back, and with a sudden thrust, he rammed into her pussy.

"Ohhhhh! Alex!!!!!" Incursio's body shuddered as she didn't expect such a sudden thrust coupled with the burst of pleasure that resulted from it since his hot cock directly touched all her erogenous spots inside her pussy as it pierced her pussy too deep to the point of touching her womb. She couldn't help but shout his name as a wave of ecstasy kept hitting her core, the pleasure in her soul's form seemed to have been amplified two folds.

Alex leaned forward and laid himself over her body as he continued to move his hips in and out while hugging her body tightly.

Her breasts were pressing onto his chest, and her moans were stifled as he stole her lips for a passionate kiss while continuing to pound her wildly.

With each of his thrusts, her body jolted as if streaks of electricity were passing through her body.

Her face was flushed entirely while feeling her mind and body melt in overwhelming pleasure.

After ramming her a couple of times, he felt her body twitch and decided to cum along with her.

Just as she felt the dam inside her lower abdomen was about to burst, she felt his cock throb and become hotter.

"Ahhnnnggg~" She cried out as a flood of her cum washed over Alex's cock while he emptied his warm load inside her.

They both stayed in that position for a few moments as they left their souls to slowly fusion. Right after that, Alex continued to bang her in different positions, making her pussy walls adapt to the shape of his cock while invading her narrow cave deep enough to make her dizzy with ecstasy.

They only stopped when they were exhausted.

"That was good."

"Ah! Yeah!" Alex acknowledged Incursio's declaration when there was an explosion, their souls seemed to have reached a perfected fusion.

[Perfect synchronization rate reached.]

[Absolute duo resonance]

[...]

1156 Chapter 1156

"Ah! Yeah!" Alex acknowledged Incursio's declaration when there was an explosion, their souls seemed to have reached a perfected fusion and a series of notifications started ringing.

[Perfect synchronization rate reached.]

[Absolute duo resonance]

[...]

As he continued to hear the beeps of prompt messages ringing in his head, a faint smile surfaced on Alex's face.

"Did it work?" Incursio asked him as soon as the duo was back in the outside world.

"Yes!" Alex nodded with a smile expressing his joy and she could feel it, she could feel the special bond between them, the absolute trust she had toward him, at this moment she felt like she could do anything for him. The bond between them was so powerful that Incursio shivered at the thought of what the two might be able to do if they united, making use of this bond.

Meanwhile, Alex quickly checked his status and was shocked by Incursio's synchro rates with this he was sure that his plan would work, what is left was to test it.

"Incursio, do you believe in me?" He asked her while his heterochromia eyes were staring straight into those red ruby eyes.

"Yes, I do." Incursio's answer was quick and it was exactly how she felt, she has absolute trust in Alex as mentioned above.

"Good, let's try something. You're probably the only one capable of doing it at the moment." The last part was said inaudibly not because Alex was afraid of hurting Incursio's feelings but simply because he was not completely sure if it was the doing of his unique ability nor he was sure if any of the other girls might be able to reproduce this, the only thing he had to do at the moment is to test this idea and later continue to explore his unique ability to find out its limitations.

While Alex was lost in thought Incursio beamed at those words spoken by him, she felt a little closer to his heart, and slowly her heart artificial as it might have wanted to hear more of those words, she wanted to be special to him as he had begun to be to her, she wants to hear more sweet words, share

joys and sadness with him, to go through everything, as she believed that this would make her more human-like because those emotions are what makes you feel alive, to feel human.

"Let go on the balcony," Alex suggested, breaking Incursio from her formulating thoughts.

"Hmm!" She nodded and asked with a coquettish smile.

"Please carry me over there."

Alex smiled and lifted her as he carried her towards the balcony. The cool night air brushed past them as the moon's cold light cast a soft glow on both their bodies, especially illuminating Incursio's bewitching features and her milky skin with a reddish hue. She was gorgeous and he stopped to admire her body, he could feel the fire in his groin again, and to fight this he quickly ordered.

"Fusion with me."

Incursio nodded before disappearing in a form of a white ball that entered Alex's eyebrows where the black mark was.

BOOM!

A powerful aura burst out from Alex's body almost turning everything around him into dust.

He felt a powerful force spreading through his body as Incursio's body and soul seemed to have been converted into his strength, he had never felt so powerful, his hair turned completely white as it lengthened, and a black mark appeared between his body and a gothic looking clothes enveloped his body. It test has worked.

"Let's me call this state: Incursio's Mode." In a powerful tone, Alex declared.

"Status!" He called out.

『Wow! That's freaking cool Alexander.』 Unexpectedly it was Nyx who said this, showcasing her admiration for Alex's ingenuity.

1157 Chapter 1157

A few minutes had passed after Alex cancel the Incursio's mode, he could only maintain this mode for at most five minutes before completely running out of stamina.

『She is special, she is the key to your unique ability's evolution. Never let her go and continue to work hard, this ability might be the solution.』 Nyx had said before going silent and now after thinking for a moment Alex didn't deny her words, he was happy to have brought Incursio alongside him for this mission, if weren't for this he might never be able to evolve his ability, to know his unique ability was capable of something like this, he saw endless possibilities with this and his lips couldn't help but curl up.

"What are you thinking so hard about?" Incursio inquired as she saw him stay silent for a while.

"I was thinking about how special you are."

Ba-dump!

Incursio's heart stirred and she blushed.

"You know what?" She said while staring into the stars in the sky.

"No, tell me." The curious Alex responded.

"I was thinking why not let the world witness our love?" Incursio declared. She grinned at the thought of getting banged in the open balcony.

Hearing Incursio's words and seeing the devilish grin on her face, Alex gave a thrilled smile guessing her intentions.

"Sure." He accepted as the two got undressed in flash.

For a moment, they felt as if they were suddenly invigorated, feeling the fresh air caress their bodies and also seeing the beautiful scenery outside.

Knowing what Alex would do next, Incursio felt even more excited doing such things with him in such an open place.

Alex put her down near the railing of the balcony and bent her body over it just enough to see her lush buttocks in complete display.

He put her hair towards the front so that her bare arched back was fully exposed. He put one of his fingers in her buttock while caressing her back, which made her let out a seductive moan as she didn't expect that Alex would go directly for this hole, not that she minded, all her holes have been conquered already.

Incursio felt an exciting feeling of pleasure when Alex was pleasuring her buttock with his fingers which made her senses and body tingle in pure ecstasy.

Her legs were slightly quivering while her lips parted to let out a whimper.

After a few seconds, he felt that her buttock was ready to take in his raging dragon. He placed his cock near her buttock and teased it by brushing his cock over it.

"Put it in, please. I can't wait anymore." Incursio impatiently cooed, feeling the itch in her buttock building up that she desperately wanted Alex to scratch using his cock.

Alex's lips curved into a grin as he slapped her buttocks, "What a naughty woman. So impatient. Fine, brace yourself for an exciting ride. I let you go to the heaven of ecstasy."

With no delay, he invaded her buttock with his cock and grimaced as he felt his cock being tightly enveloped even more than her pussy walls, making him feel even more aroused from having his cock being massaged by her soft walls. This is his second time inside this hole after all.

'I love this feeling.' Alex groaned as he felt as if his cock was melting inside her buttock.

"Ahhhhnnn!" Incursio heatedly moaned as she felt her anal was being pierced for the second time by Alex's thick and hot cock.

Soon after feeling that her maiden buttock had adjusted itself to take in his cock, he increased his pace and began to pound her hard, invading deep inside her butt.

Her expression became intoxicated as a new sense of pleasure assaulted her body and mind. Shockwaves of pure ecstasy made her feel as if her soul was floating away to the heavens.

She could feel the warmth of his cock deep within her butt, and the pleasure she felt from it felt heavenly.

PAH~

PAH~

PAH~

Along with the sound of his thighs hitting her flesh, the sounds of her butt cheeks being slapped resounded on the balcony, leaving behind red imprints over her butt.

"Ahh~ Ahhhh~"

"Ohhh! Yes!"

Incursio let out unrestrained moans with each of his thrusts and slaps as she felt her buttcheeks ripple from them.

She felt her body becoming completely loose, her muscles completely relaxed under the extreme pleasure as if her whole body would go limp anytime.

Alex felt her body becoming loose and grabbed both of her arms as he pulled her over to him while sticking his cock inside her.

As she fell over his chest, he put his arms under hers and continued to bang her wildly.

Incursio's arms were raised over her head as she tried to hold his neck for support in a loose manner, making her boobs and nipples stand out even more.

While ramming her butt, he licked her face as he fondled her silky boobs. He went on to kiss her neck and sucked on her smooth shoulders.

He could feel her love juices spurting out along with his thrusts as she was reaching her limit.

He decided to cum with her and clutched her neck as he pulled her head backward to push in his cock as deep as can inside her butthole.

"Ohhhhhhh!" Incursio cried out erotically as she felt Alex's cock reaching the deepest part of her butthole coupled with the feeling of his cock throb feverishly and a pool of fire in her lower abdomen.

Fresh love juices from her pussy spurted out as Alex emptied his load into her butt.

Gently Alex let go of her arms as she slacked over on the rails after her orgasm with a satisfied smile.

Her butt was completely reddened, and there was even a faint imprint of a palm, but it didn't seem to bother her in the slightest.

He turned her around as her sexy and charming naked body was displayed before him. She put her hands around his neck with a loving smile before proceeding to lean in closer to kiss him.

"You are also special to me. Thank you for bringing me so much joy, may this last as long as it can."

"It will," Alex responded while lovingly kissing her forehead. He has gained new strength and with this, the uncertain future is changing toward a better future, with all he has and he will get, he better use them well.

1159 Chapter 1159

ooo

Meanwhile, in a different location, in the Far East empire, the imperial city, a figure clad in a black cloak was sneaking towards a certain house in the middle of the night.

From the outside, this house looks warm and cozy. It has been built with spruce wood and has burgundy brick decorations. Tall, half-rounded windows brighten up the house and have been added to the house in a very asymmetric way.

The house is equipped with a small kitchen and three bathrooms, it also has a spacious living room, four bedrooms, a roomy dining room, a study, and a grand garage.

The building is shaped like a short U. The two extensions extend into wooden overhanging panels to each side.

The second floor is smaller than the first, which allowed for a roof garden on one side of the house. This floor follows the same style as the floor below.

The roof is high and v-shaped and is covered with wheat straw. Two small chimneys sit at the side of the house. A few large windows let in just enough light to the rooms below the roof.

The house itself is surrounded by a modest garden, with mostly grass, a few flower patches, and a children's playground.

Guards were guarding this house.

Even though there were guards, they couldn't seem to detect the aura of the figure, nor did the barrier seem to block them.

Even with a cloak on, one could see that the person wearing it was not that tall, nor did they have a big body frame.

The cloaked figure soon sneaked its way around the house until they reached an open window as if the owner of the room was inviting someone to jump through it.

Without any hesitation, the cloaked figure jumped inside through a window big enough to fit a person.

"Finally...took you long enough to get your ass here..." A darkened voice sounded in the dim room. Because of the nightlight, it was barely enough to reveal the owner of the voice sitting on the bed with a black cloak completely covering their body, including their face.

The cloaked figure who jumped in through the window kneeled apologetically and removed their hood to reveal a pretty girl. But her eyes carried a different look that didn't seem to match her age or appearance.

She spoke emotionlessly, "Forgive me, your highest the second prince. Next time I won't be late," She decided not to tell the real reason since it would only further antagonize the person in front of her.

"Whatever, but do you know why I summoned you, the infamous Dark shadow?"

Itsuki Jr questioned, his tone still sounding moody and dull.

Upon hearing her title, Dark shadow looked up slowly and said flatly, "I presume it's become your highest has a secret mission for me. As long as the target is a woman, young miss need not worry about anything. I can get it done."

Itsuki Jr raised her hand, "Not so fast. I know you are the most deadly and tricky assassin out there who never failed to assassinate your target but is also quite expensive enough to even bore a hole in my pocket if I paid for your services. And that's why I need you to use your complete expertise for this mission."

The second prince was stating the fact. The name of Dark shadow was enough to make even some Saint realm experts tremble with fear.

The reason was this assassin was an expert who had mastered the art of disguise to almost perfection. She could even fool Saint realm experts and quickly assassinate them while lowering their guard down by pretending to be someone else.

Rumors say that despite disguising putting on the disguise of different women, she may not be a woman at all, but of course, those rumors were baseless.

All they knew was that she put on different masks that belonged to different people. And if someone saw her in action, they would be quite astounded to see her perfectly pretending to be someone else.

He knew her current face of a pretty girl was not even really her true appearance.

Itsuki Jr obviously wouldn't be able to afford the services of such an assassin on his own, not without his uncle's help.

He had no idea how strong Dark shadow was or how old she was though there were rumors that she was in the Demigod realm.

Itsuki Jr, however, did not really care about those details. Just knowing the impeccable track record of the Dark shadow was enough for him.

Dark shadow nodded, "Of course. For every single mission, I don't hold back on my skills. Your highest can rest assured I wouldn't be complacent no matter how weak or strong the target is unless they are at the Demi-God Realm. I hope that is not the case," She said with a probing look.

Itsuki Jr let out a sardonic chuckle, "Hehehehe! Demigod Realm? I don't think so, that girl only joined them recently and her name is Noire."

Dark shadow's brows raised a bit but were not completely surprised as she could see the obvious enmity the second prince had against Alex for having something he couldn't.

"If it's only her, then it's doable, and I would need a week at most. But if it's her master, it's impossible as he is too strong."

Itsuki Jr scoffed, "Hah, seems like even the great Dark shadow is afraid of someone indeed. But fret not, you don't have to do anything to him. The only one I want is that girl."

Dark shadow frowned, "You want me to kidnap her? That would be more troublesome since my expertise is in assassinations and getting away."

She wanted to make sure the second prince was aware of her abilities and the missions she usually took. Dark shadow even forgot the last time she kidnapped someone since all of her assignments only ended with her killing off her targets discreetly without any suspicions at all.

"Troublesome? Maybe. But for a person like you, it's not impossible right?"

Itsuki Jr said in a tone of certainty. He was smirking in secret.

Dark shadow looked straight and slightly nodded. Indeed, thinking about it, she just would have to take some extra effort to drop Noire at the second prince's feet.

She wasn't worried about this mysterious woman, she might be strong but surely not stronger than her. With her special item, all she had to do was seal the later strength, which was something she always does before she kills her targets, even if they are weaker than her, just to be safe. The premise is that Noire wasn't a Demigod.

"Don't worry, the mission will be carried." Dark shadow promised.

Upon hearing this Itsuki Jr smiled, seeing that it wasn't a problem for Dark shadow. Since he was making exceptional use of favor to use her services, she didn't know how many conditions she could ask from her. But fortunately, it seemed like Dark shadow didn't mind following through with his requirements.

She disappeared shortly after receiving the first payment.

'Hmph, I wonder how my uncle is going to repay this favor,' Itsuki Jr inwardly thought as he had already informed him about her plan. Well, it could be said that it was his uncle's doing.

He didn't want to be the only one who was involved in this whole sinister idea. He wanted a companion in case things went south and who could be a better partner in crime than his uncle?

Itsuki Jr, however, didn't think about any possible consequences at all as his current mental state was only this close to becoming completely mad. His thought of revenge was the only thing holding him back from letting everything loose. Especially after what his father had said to him. After their last conversation Itsuki Jr understood that his father never loved him, he did not resent his sister Saeko because from what his uncle told him, all of this was Alex's doing, he had to take revenge on him and solution Itsuki Jr found was to kidnap one of Alex's group member to lead him to a certain location specified by his uncle who by the way made it possible for Itsuki Jr to become a Saint realm, he could become more if he successfully succeeded in carrying out this mission.

'I will slowly but surely take everything from you, Alexander, your women will be mine. No, everything will be mine. Even this empire, this continent, the entire world will be mine as I'm supreme.'

Itsuki Jr was too focused on his delusion to notice that there was a shadow watching his every move and after making sure that this fool faithfully carry the mission assigned to him, this shadow disappeared.

The owner of this shadow was none other than Conrad, Itsuki Jr's uncle, Michael's Itsuki Ren brother.

This man is working for a certain organization.

1160 Chapter 1160

Alex was oblivious to the sinister schemes brewing against him and Noire. He just had a refreshing and pleasurable morning bath with Incursio.

The more times he made love to Incursio, the more he felt like his soul was getting closer to hers though the difference was small and gradual. He even felt that his soul melted with hers whenever he had sex with her.

It was as if he was truly becoming one with her, and their closeness became even deeper. He is happy that he found out more about his unique ability as it would mean getting more means for survival.

With a smile on his face, he made his way toward the city along with Incursio.

On his way, Silveria's fanciful tone sounded in his mind. 『Master, it must be great to have a pleasurable morning and night with stunning beauty every day. Now that you discovered a special method to boost your synchronization rate, you seem even more diligent about it. Tsk, you don't even have the slightest concern for us when doing such carnal acts.』

Alex inwardly smiled as he said, "Don't tell me you are getting interested in the primal activities of a man and woman. Anyway, it's not like I told you to peek. Now, who is the perverted one here?"

Silveria immediately flared, 『Nonsense, who will peek at you? I'm not interested in things like Love or Sex.』

"I can teach you if you want," Alex said with a smirk.

『..No thanks.』 Silveria refused as expected but not immediately.

"Hum! Why do I sense some hesitation in there?"

『It must be your imagination.』 Silveria refused to acknowledge that she even considered his proposal for a second. There is no way she would admit being curious or she would admit still being a virgin.

Alex shrugged his shoulders, he decided to stop for now. He would have plenty of occasions to tease Silveria later, maybe even win her over through sex like he was doing with Incursio. He obviously has a plan for the two sisters, Silveria would be the easiest of the two while Nyx, forgets it, just thinking of how to make moves on her gave him a headache. Let's not forget Typhania (Elseria).

'There still too much to do.' Alex mumbled inwardly while thinking of his next move when Silveria brought his attention back to something he was thinking of checking later.

『There is something abnormal about your status. You didn't kill anything but your stats increased.』 Silveria remarked and Alex nodded. Like she said his stats increased somehow.

"Status!" Alex summoned his status window.

"My stats increased, some of the synchronization rates as well, I even acquired a new skill, the Flame Art, maybe with this I can use direct magic like the others." Alex imagined himself shooting a fireball with one hand while firing his gun with the other hand. It would be cool.

"Maybe it's because of what happened between me and Incursio." Alex hypothesized and Silveria nodded, thinking it does make sense as it was the only plausible explanation.

Alex and Incursio focused on touring the city while waiting for the time to get invited to the mayor's mansion however this invitation for the dinner as he previously stated never came.

Two days passed like this and when Alex was starting to get annoyed and was planning some drastic measures, the mayor's son came and invited them.

Chestnut, short hair is pulled back to reveal a lean, gloomy face. Glittering amber eyes, set high within their sockets, watch slowly over the families they've grieved with for so long.

A scar stretched from the bottom of his left cheek, running towards the right side of his lips and ending on his right nostril tale of his adventure.

This is the face of Brycen Adwell, the mayor's son.

Upon receiving Brycen's invitation, Incursio nodded readily and tugged at Alex's sleeves, to which he nodded with a smile.

Brycen beamed and led them towards the Silas' Pub, one of the best luxury restaurants with an open setting to gaze at the beautiful seas while eating.

The Silas' Pub was situated near the outer banks. The cool air from the seas made the people passing by or entering the restaurant feel relaxed and serene as if all their frustrations in life just evaporated away.

From the outside, the restaurant looked warm, homey, and enchanting. Bricks and sandstone pillars make up most of the building's outer structure.

It was difficult to see through the small, curtained windows, but the music and voices from within can be felt outside. Outsiders wouldn't be able to see the people dining even if they were eating in the open because of the curtains.

As the trio entered the restaurant through the thick, wooden door, they were welcomed by clapping hands and overall happiness.

One of the maids was engaged in a conversation but still managed to welcome them with a smile.

It was as alluring inside as it was on the outside. Hardwood beams supported the upper floor and the huge lamps attached to them. The walls were swarming with beautiful handwritten scrolls, probably left by customers satisfied with their service.

Despite being a premium restaurant, it was packed with all sorts of nobles and wealthy people.

Incursio did notice a family of commoners, but it seemed like they were dishing out their savings for a one-time meal to celebrate some occasion.

Several long tables were occupied by separate groups who, after having had quite a few drinks, seem to be trying to prove which group was the best at eating more.

"Let's sit over there," Brycen pointed to a table with three chairs that seemed to have been reserved already by him. People only glanced at him once and nodded their heads to pay respect before returning to their activities.

The spot also gave a pleasant ambiance where one could enjoy eating while admiring the beautiful seas.

Many heads already turned seeing Incursio, she was too beautiful not to gather any attention.

They had to use their utmost willpower not to stare at Incursio too much since her charm was so deadly that they even forgot about the food they put in their mouths.

But since they all had a dignified status in society, they hit themselves in the head and tried to focus on their business as they didn't want to come off as a crude person in such a public place.

After giving the orders to the maid, Brycen chuckled upon seeing this, he said with a mysterious smile.

"I am sure you two won't forget the taste of this restaurant's delicious food after eating them. This is my favorite."

Incurtio nodded and couldn't wait to taste the food here, meanwhile Alex was curious as to why this man in his thirties invited them here.
