Chapter 918 Refuse To Be His Desk Mate

Sound and Sampson sat in the back seat of the car. They didn't talk to each other from the QL Garden to the school. On the way, Sound just looked out of the window, and Sampson looked straight ahead.

If one observed carefully, he could see that Sampson's hands on his knees were stiff and he secretly glanced at Sound from time to time.

The car stopped in an inconspicuous place. Sampson got out of the car first and stopped at the roadside for a moment. He saw Sound standing by the window, bending over and smiling at Vance. "Vance, bye. Be careful on the road."

Then she walked straight ahead with her bag on her back.

She didn't even look at him. Sampson was rendered speechless.

He looked at Sound with a gloomy face.
