Chapter 100 Deadlock (6)

As soon as su Wanwan returned to the office, she heard that Su Zhenhua had come to the company. She put down her bag and walked towards the chairman's office.

When she reached the door, Secretary su just happened to come out from inside. When he saw su Wan, he smiled gently and said, " manager su, the chairman was looking for you. You came.

Su Wanwan returned him a smile, then lifted her feet and walked into the office.

"Grandpa, have you recovered? Why don't you rest for a few more days?" Su Wanwan walked towards Su Zhenhua and sized him up. After making sure that he was in good spirits, she was relieved.

Su Zhenhua looked at su Wanwan and said with relief, " Grandpa saw that your relationship with Munian was getting better and better, and grandpa's illness was cured.

Su Wanwan's expression was a little dull.

Su Zhenhua did not notice and continued, " in just half a month, the PEI family corporation has invested quite a few funds. I can see that you've indeed listened to Grandpa and put in effort to cultivate your relationship with mu Nian. It's very effective, too. So, Wanwan, I think that your wedding with mu Nian should be confirmed soon, right? "

Wedding:

These days, su Wanwan had almost completely forgotten about the wedding. Or it should be said that in her subconscious, she didn't think that she would hold a wedding with PEI Munian.

PEI Munian had no choice but to marry her. How could she be willing to give her a wedding?

Their marriage, in some sense, was just a dirty deal.

Moreover, the relationship between her and PEI Munian was not what outsiders thought. PEI Munian had no feelings for her at all!

Su Wanwan's hands that were hanging on both sides of her body involuntarily clenched. She swallowed her saliva and said softly, " Grandpa, ran ran doesn't have to be so anxious about the wedding, right? Anyway, the company's development is very stable now, Yingluo."

"How can I not be anxious?" Su Zhenhua interrupted su Wanwan in disbelief and frowned deeply. you've been married to mu Nian for a while now. The previous news has faded a long time ago. The next step is, of course, a wedding. Are you going to keep your marriage a secret for the rest of your life? Then how did everyone know that the PEI family and our su family are connected by marriage?"

How could su Wanwan not want to announce to the world that she was PEI Munian's wife?

She had always wanted to be his wife!

However, she couldn't just be one-sided. It was enough for her to be one-sided once. She didn't want to do it again.

“Grandpa, but Yingluo ...”

“No buts!” Su Zhenhua angrily slammed the table and stood up. He was simply unable to restrain his anger at su Wanwan’s disappointing appearance. su Wanwan, as a member of the SU family, all considerations must be based on the SU family.

Su family, su family, su family!

After her parents passed away, su Wanwan felt that in her world, there was only one su family left. She used all her strength and sacrificed everything to help the SU family, but who would help her? who would think for her?

She could have been like all the other girls in the world. At her age, she could have enjoyed her youth, freedom, love, and be loved, instead of being bound by obligations and responsibilities, and become a Savior.

Su Wanwan bit her lower lip hard with her pearly white teeth, almost to the point of bleeding. She just didn’t want to let go and say a good word.

Su Zhenhua was so angry that he laughed. He stared at su Wanwan, sneered a few times, and then said, “ alright, if you’re not willing to tell me, I’ll tell you. Even if I have to throw away my face, I’ll make PEI Munian fulfill her promise!
