

Deeply 1000

1000 You want to fight a bloody battle?(8)

Su Wanwan didn't have time to digest this information when Yu Jia threw out a second heavy bomb. the child is Xuanji Palace's Lingyu's!

".....?"

Su Wanwan's eyes widened in shock, her black pupils couldn't help but contract. Her whole person was stunned and couldn't come back to her senses for a long time.

She had seen Yu Jia's attitude towards Gong Lingyu in the Maldives. How could she be pregnant with Gong Lingyu's child? They weren't together yet, were they?

"What, what's going on?" Su Wanwan was so shocked that she couldn't even speak properly.

"Didn't wind go to the Maldives? I thought there was some progress between the two of us, and we were sleeping in the same room. That night, he and Gong Lingyu were both drunk. When he came back at night, the lights were off in the room, so I thought it was Yingluo, I thought it was wind, so it was Yingluo."

"Are you serious? you can't even tell?"

"Because I also drank to boost my courage."

".....?"

This was really a freak combination of factors. Wanwan didn't know that Gong Lingyu would run into Yu Jia's room, and she didn't know that Yu Jia would mistakenly think that he was doctor Xu.

"Then, what is Lingyu's attitude?"

I don't know. After I woke up that day, I drove him away and I haven't seen him since. I don't want to see him.

"That child, he still doesn't know?"

"Yeah, I just found out about it."

Su Wanwan looked at Yu Jia's depressed face and carefully asked, " then what are you going to do? "

"I don't know. I don't know anything."

Yu Jia shook her head. She was about to completely forget Gong Lingyu and start a new life with Dr. Xu, but who knew that God would play such a joke on her again? she was in a mess.

Looking at Yu Jia's pained expression, su Wanwan opened her mouth but swallowed her words back. It wasn't appropriate to say anything at this moment. She had to let her calm down first, " okay, don't think about it if you don't know. You should calm down first and then think about the road ahead. However, no matter what decision you make, I will support you.

Just like how she had supported her in the past.

—

After leaving the hospital, su Wan's mood was half happy and half worried. She was happy because although her body was a bit cold, she would be fine after taking some Chinese medicine to recuperate. She was worried about Yu Jia's matter. She was naturally happy for her that she had a child, but this child really came at an untimely time. He wondered what she would choose.

When su Wanwan called PEI Munian, PEI Munian was at the PEI family's old house. Father PEI had something to tell him at the last minute, so he went over.

"I see. When will you be done?"

it's over, but I can't have dinner with you today. I have to go to Beijing to deal with some things and will be back in about three days.

Su Wanwan furrowed her eyebrows. why didn't I hear you mention it yesterday? "

it was a last-minute decision. Assistant Wu has already gone back to help me pack my luggage. We'll meet at the airport. Let's have this meal when I'm back.

"It's fine if you're busy, but you're always on business trips." Su Wanwan couldn't help but Mutter.

PEI Munian said as she walked out of the main house.

His car was driven away by assistant Wu, but su Wanwan's car was still parked here and didn't leave. He directly walked towards her car.

He opened the car door and got in. He put on his Bluetooth headset and listened to the muffled voice on the other end. He couldn't help but laugh. alright, don't be unhappy. Think about what you want to eat in the next three days. I'll go eat with you when I come back.

He fastened his seat belt, started the engine, turned the steering wheel, and the car slowly drove away.

PEI Munian kept talking to su Wanwan and didn't hang up the phone. Su Wanwan's mood was soothed bit by bit. She was about to hang up the phone and let him focus on driving when suddenly, there was an abnormal sound from the other side.
