"Assistant Wu, how's niannian? Is the surgery over?" As soon as she picked up, su Wanwan hurriedly opened her mouth. Her voice trembled badly and her words were almost not very smooth.

Assistant Wu's voice came from the other end of the phone. Her tone was slightly heavy. the operation has ended.

His voice made su Wan's heart instantly hang high in the air. She opened her mouth and could only make a sound after a few tries. no, it can't be that you lost your embarrassment and failed, right? "

PEI Munian wouldn't really abandon her, right?

Su Wanwan's hand couldn't help but cover her mouth. The hand holding the phone clenched tightly, and the veins on the back of her hand bulged one by one.

Seeing her like this, Yu Jia was also extremely nervous. how is it? "

"No, I didn't,"

Assistant Wu knew that he had scared su Wan and hurriedly denied it. However, his tone was still low and melancholic. the operation was considered successful, but the doctor said that boss PEI's life is still in danger for the time being and he needs to continue to be observed.

"What?"

however, you don't have to worry too much. Master and Madam have already invited the most authoritative doctor over for boss PEI. Boss PEI will definitely be fine.

Su Wanwan shook her head in a daze. It was as if she had been struck by lightning, and her face was as pale as paper. then niannian is in a daze now.

"He's already been transferred to the intensive care unit."

Assistant Wu's words had just fallen when su Wanwan got up and rushed out.

Wanwan, where are you going? " ah! Yu Jia screamed, but she quickly ran out of the coffee shop and toward the hospital.

She quickly took out a hundred Yuan bill, slapped it on the table, and then quickly chased after him.

Those bodyguards were no longer guarding the hospital entrance, so su Wanwan smoothly ran into the hospital and then ran towards the intensive care unit.

From a distance, she saw Mr. And Mrs. PEI, Xi Zhiwei, and assistant Wu standing in front of the ward. Through the big glass window, they looked into the ward. All of them were crying.

Her footsteps became faster and faster, but before she could run over, the bodyguard had already discovered her and quickly reached out to stop her. miss su, please leave this place!

"Move aside, let me pass. I want to see my husband!"

Su Wanwan pushed their hands hard and kept rushing forward, but she was pulled back again and again. miss su, if you keep doing this, we won't be polite.

"Let me go!" Su Wanwan screamed and struggled.

The commotion here attracted Mr. And Mrs. PEI's attention. Mrs. PEI was crying very sadly, but when she saw that su Wanwan still dared to come back, her sadness turned into a violent anger. She rushed up in two or three steps. you still dare to come back. You caused mu Nian to be like this and you still have the face to come back! Are you satisfied now that mu Nian's life is in danger? Are you happy now?"

mom, let me see mu Nian. Let me see how he is, okay? " Su Wanwan begged hoarsely, " I beg you, please let me go over and take a look. If you want to hit me, scold me, I'll do it.

"See? Hehe hehe." Mrs. PEI laughed, but her tears couldn't stop. She glared at su Wanwan, gritted her teeth, and said word by word, her voice full of monstrous hatred, " su Wanwan, I'm telling you, don't even think about seeing my son again in this lifetime. I won't let you harm him again!

With that, Mrs. PEI turned around and said to Mr. PEI, get the best lawyer. I want them to divorce immediately. I want this woman to have nothing to do with my son from now on!
